Tenderloin Hustlers Murder GEORGE W. ANDREWS

George Wayne Andrews, 44, who lived at 215 Ashbury Street, was found dead on Saturday July 30th about 2 PM. He had been hit over the head, and then tied up, and later, strangled by his killers. The killers robbed his house, stole his car, and fled the city, but not before making the "rounds" of previous "tricks" and making off with anything they could. The police say that he had been killed between 1 PM Friday and the time they found the body on Saturday. Inspector Sanders is handling the case. Sanders told the CRUSADER that one of the three who they know killed Andrews, has confessed and is in custody. He is 23 year old Texan, John Lyle "Quicksilver" Davis. Davis told police that he waited outside while the other two went inside and killed and robbed Andrews...the other two and Davis also proceeded to rob others they had previously "tricked" with. There is an all points bulletin out for...Joe Cotto, about 27 years of age, stands 5' 8", has small curly black hair, with a Brooklyn accent, where he hails from. Cottos is described as terse, with a "salty tongue". Very arrogant. The other is the ringleader of the group, 5' 10", reddish blonde dirty hair, who has very crooked teeth in front, very slender, and is about 27 years of age also.

His name is Raymond Beauchamp, and he worked last for Coffee Rons in the Tenderloin at Ellis and Mason as a cook. He left Coffee Rons, saying that the owner, Ron London, owed him a bundle of money. Inspectors of the Homicide unit urge anyone with any information on the two to please call them at 553-1145 and ask for Inspector Sanders in particular. This is the most serious incidence of violence on the meatrack in recent months, and the SFPD and the gay community urges extreme caution if you pick anyone up on the meatrack or in any of the three bars on the meatrack, Old Crow, Landmark, and Peter Pan, as a group of young toughs have been using the area as a base of crime operations recently. Rev. Father John Gaylord of the Street Ministry Program of the Orthodox Episcopal Church of God, has been working in the area lately with his "free sandwich program", and reports that things could be better down there, alot better. He and Brother Jim have been conducting the "free sandwich program" for several weeks now. If any in the area need any help, do ask Father Gaylord and Brother Jim for assistance, and they will refer you to the right place. "There is no need for rippingoff or violence" says Father Gaylord, who is in a wheelchair, a victim of MS, "There is always a way without doing harm to others, just seek and you shall find."

TWO GAYS FAVORED IN DISTRICT ELECTIONS OF SUPERVISORS..... HARVEY MILK in the 5th.... RAY BROSHEARS in the 4th. GAYS CAN ELECT 2 TO THE BOARD OF SUPERVISORS. MILK & BROSHEARS BOTH HAVE THE "NAME" & \$\$\$!

Over 120 persons have filed for the Board of Supervisors election in November. There are eleven districts, and as of now, the battle in District 8 is the wildest of all, having the most candidates entered. Of concern to gaypeople are the 5th, 6th and 4th Districts, all of which have gays involved deeply. In the 5th District, gay politician Harvey Milk who is the acknowledged front-runner, with attorney Terrance "Kayo" Hallinan a more than even chance to win the election. This is due to the fact that several gays have entered the race, most with no chance of winning, but as one expert said, "All their little egos are puffed up." The spoiler for hopes of a gay being elected in the 5th District, it was declared, was the entry of attorney Earl G. "Rick" Stokes, who is associated with the David B' Godstein political machine of Foster and Fitch. Stokes, a member of the Board of Permits Appeals at a Gay Candidates Branch of the Minutemen Democratic Club on August 6th, acknowledged that he won't get too much support from the gay community, although he has aimed his campaign at the gay community only as of now. Others who have entered the race, are the highly respected Jim Ershaw, a longtime up-front gay; Bob Hagen who said he moved into the District just so he could run against Harvey Milk and who in the BART Board election told the CRUSADER to not mention that he is gay, so he is a recent out of the closet candidate, another spoiler. A Justine Raimondo, who says he is the candidate of the Libertarian Party even thos the elections are supposed to be non-partisian, also says he is a militant gay person. Most in that District have never seen or heard of him before, it was agreed, and he did not show up at the Gay Candidates Brunch. Shelly Fernandez, former president of N.O.W. is given a strong outside chance of taking the race away from all the straight and gay male candidates. But her effectiveness as a woman candidate will be challenged by Rita George of the 5th District as well. The famed "gay-hater" and strong supporter of Anita Bryant, Mrs. Marge Martin is also a candidate. In the 6th District, two longtime friends of the gay community are battling it out, Carol Ruth Silver, and Commissioner Peter Mendelsohn of the Commission on Aging. In the 4th District, three gays are in the race, one a recently announced gay person, and unknown in gay activist activities, also a person who manages property, including the infamous Gartland Hotel which burned down taking 16 lives with it....Barry King. His campaign manager, Duke Joyce is reported to have quit, because in his words "Barry King is a racist!" King is supported by a wealthy gayperson by the name of Gaylord, not to be confused with "Un-

cle Gaylord's Ice Cream." A longtime activist in the Marxist-Lennist-Trotskyist communist movement and a very up-front gay person, who was one of the founders of Bay Area Gay Liberation, and later left that to form the militant Gay Action group.... Claude Wynne, is seeking a spot on the Board of Supervisors. Wynne did not show up at the well publicized Gay Candidates Brunch either. Because of his actions in BAGL and Gay Action against the gay bars, it is suspected he is not going to seek the vote from that group and important faction. Also seeking the 4th District seat, is a very well-known gay, our own editor...the Rev. Ray Broshears. Ray ran for the College Board last year, and received 22,450 votes, most of which came from what is now, District 4. Ray was at the Gay Candidates Brunch, and spoke on the issues affecting his District. Ray has been active in the gay civil rights struggle going back to VANGUARD in 1966 in the Tenderloin. He supported District elections in 1973 and 1976, but angered at the lack of leadership of Mayor George Moscone and his failure to be responsive to the gay community and the senior citizens, supported Prop. B. Also because Ray said he believes that there should be a run-off in the Supervisors elections. Opposing the 3 gay candidates in the 4th District are Arnold Townsend a militant, who heads up WAPAC which is sort of a neighborhood group opposing any renewal in the Fillmore area. Then there is Paul Denning, who is a strong supporter of the methadone program and formerly worked for it in the Tenderloin, which hurt the Tenderloin greatly. Denning is supported by the well-to-do middle class just off of California Street. Also, James Heisterkamp is in the 4th District seeking election. He has been a candidate in just about any election going the past ten years. Awoman, given an outside chance of winning, is Gina Hamilton. She lives on Grove Street in the Hayes Valley sector of 4. In the 3rd District, Dwight Tripp has dropped out of the race in favor of incumbent Supervisor John Molinari. Also in 3, is the charming Leonore Cautelle. John Kecker is given an outside chance of upsetting Molinari. In the 7th District, incumbent Bob Gonzales is in the race, as is the eccentric Bob Geary of the SFPD. Geary gives as his address, the Gay-lord Hotel on Jones Street, yet he has not been found at that address yet. In District 2, incumbent Dianne Feinstein is back in the race, and so is M. Lester O'Shea who is very wealthy. So, there it is, a capsule of the Board of Supervisors race.

PORNO-COMBAT ZONE IS DEFEATED!

Supervisor Dianne Feinstein has withdrawn her proposed legislation for a pornography control. Supervisor Dianne Feinstein's effort to halt pornography in SF has ended, as she withdrew her legislation, which drew opposition in almost every community within the city. Feinstein would have had all existing porno businesses move from their current locations and move into an area of the city, which is mostly industrial and most buildings are deserted, but, it is near the residential areas of Potrero Hill and Bay View Hunters Point. Led by the opposition of Harvey Milk, Rev. Ray Broshears and Espanola Jackson, the anti-porno combat zone forces were able to pressure city officials to the extent that Ms. Feinstein withdrew her legislation, in favor of a limited control legislation, which has met

with the approval of most of the concerned communities. It would halt any new porno businesses in the city, that would be within 1,000 feet of another porno business or within 1,000 feet of a school or residence. Most all agree that they can live with the new porno zone law. Rev. Ray Broshears, candidate for Supervisor, 4th District, said he'll continue his drive to clean up the Tenderloin, and to try and limit the amount of porno stores in the area. He told Supervisor Feinstein that greater control in the area of permits must be legislated, so that the underworld can be halted in the porno business. Bayview leader, Espanola Jackson told the CRUSADER that the residents of that area does not want porno there, and would continue to battle any effort to allow porno in their area.

PRIDE, Inc. GOES NATIONAL

The Pride Foundation, Inc. has indicated that they are now going national. The president, Paul D. Hardman has been east, establishing the group in Washington with a lobbyist. Pride has established a gay legal referral panel, which some attorneys have joined, but well known lawyers such as B. J. Beckwith have refused, as the Pride legal system would force the attorney to charge the client for a first interview, which Beckwith feels is wrong to both the client and the attorney. Pride, Inc. operates the 330 Grove Street facility which they call the Gay Center. Pride also has given charters to various groups in other cities we have learned, and to some groups in San Francisco, such as the Coalition to

Defend Gays in the Military; and the Gay 40's Plus Club. Pride Inc. was formed in 1972 after several members of the Society for Individual Rights became angered at the leadership of S.I.R. (Jim Foster, Frank Fitch, George Mendenhall).... and formed the Pride Foundation. Pride, Inc. began on a high note, attracting a diverse membership, and had several notable successes. But in recent years, it has changed it's original course, and has gone on a political course, which has caused some Pride members to withdraw. Pride's membership is still small, but they reach many people through the gay center on Grove Street. The Grove Street facility is considered "unfit" by many gays and as a result, has not generated support amongst the moneyed gays, i.e., the SF Tavern Guild, etc.

- his new job with the Hollywood Drama-Logue his teacher, Maria Ouspenskaya.
- his marriage to Dietrich's daughter.
- his views on the gaypress.
- what really happened with "Special Friends" & "Rusty"
- his love-hate relationship with Jack Wrangler.
- his former leading lady, Dianne Feinstein.
- his celebrated feud with Donald McLean.
- his opinions of "straight" critics, Eichelbaum and Weiner.
- his personal philosophy and future plans.

MARLENE DIETRICH in her first American Film, "MOROCCO".

IRENE DUNNE with Mme. MARIA OUSPENSKAYA in "LOVE AFFAIR".

THIS IS THE THIRD IN A SERIES OF INTERVIEWS WITH DOUGLAS DEAN GOODMAN, NOTED SAN FRANCISCO TEACHER-WRITER-ACTOR.

CRUSADER: Dean, before we resume talk about your career in show business, do you have any comments you'd like to make about the Anita Bryant affair?

DEAN: That misguided woman has made all the comments necessary for herself. I would like to say, however, that I'm very proud of the Actor's Equity, which is the only show business union that has taken it upon itself, on a national level, to censure Bryant for her crusade. Our national secretary wrote Bryant a letter, expressing our dismay that she has so outspokenly embraced a tenant contrary to the ideals of our association. The local straight press has taken no note of this, for some reason.

CRUSADER: Do you believe, as many do, that this drive of Bryant's will help to unite gay people in their common cause?

DEAN: Yes, definitely. The only thing that disturbs me is that many gays, as well as straights who support us, continue to believe that we must keep a low profile. We shouldn't be so blatant, or so up-front about our lifestyle, they contend. That's a crock, in my opinion.

CRUSADER: You seem to be fairly conservative in your own lifestyle.

DEAN: I've never had any desire to appear in drag, if that's what you mean. Nor do I get off on bikes and leather. But, that doesn't mean that I put down those who do. I'm gay and I make no secret of it. I don't scream it from the rooftops, but neither do I try to hide it.....are blacks expected to keep a low profile about being black? Are Jews supposed to hide the fact that they're Jews? We gays shouldn't be asked to cloak our identities, either.

CRUSADER: As a teacher, how do you feel

about gays in the teaching profession? And what about teaching homosexuality in the classroom?

DEAN: The idea that teachers influence their students' sexual orientation is absurd. No do gay teachers, as a general rule, get involved with their students. It has happened of course, but not nearly as often as straight teachers get involved with their students. I see no reason why homosexuality should not be explained calmly and objectively, in any classroom. I don't think it should be recommended, any more than heterosexuality, bi-sexuality or a-sexuality. But it should be explained so that gays can be accepted in the stream of society, just as blacks and Jews and other minorities are accepted.

CRUSADER: So much for that. At the conclusion of our last interview we announced that you have just accepted a position as a columnist for the HOLLYWOOD DRAMA-LOGUE. Is that correct?

DEAN: Right. I'm doing a weekly column for DRAMA-LOGUE, with theatre news from this area, plus information for the actors and other performers about casting. The publication will fill a big need in this area, I think.

CRUSADER: You've told us about your early theatre training, up to the time you started studying with Maria Ouspenskaya in Hollywood. That was when you met Dietrich's daughter and got married, wasn't it?

DEAN: (laughing) The two things didn't happen simultaneously. I was awarded a scholarship to study with Ouspenskaya in June 1942. I didn't get married until the summer of '43.

CRUSADER: Maybe you'd like to tell us a bit about Ouspenskaya. She was a great actress.

DEAN: She was indeed. She died in 1949 and not many of her films are shown on TV. So unfortunately the younger generation identifies her best as the old gypsy woman in the "Wolf-Man" series. She's become sort of a camp figure because of that.

CRUSADER: Charles Pierce sometimes does an impersonation of her in his club act.

DEAN: Yes, he mimics her with affection, I think. However, Madame... as we all called her... created many memorable character portraits during her fifteen years in films, and of course she had a distinguished career in the theatre before she ever did anything in the movies. She was a member of the Stanislavki Moscow Art Theatre, you know, and she taught in the master's studio for a long time.

CRUSADER: When did she come to the United States?

DEAN: In the mid-1920's. The Moscow Art Theatre played in New York, and the Madame and Richard Boleslavsky defected... in a sense, and left the company, to stay in New York, and set up the first Actor's Studio... before Kazan and Clurman and that group established "their" Actors Studio.

Both Madame and Boleslavsky worked in the Broadway theatre for a decade before they entered Hollywood films, she as an actress and he as a director.

CRUSADER: I remember Ouspenskaya in "The Rains Came" with Tyrone Power and Myrna Loy.

DEAN: Yes, that was one of her most famous film roles, as the Maharani in 1939. But actually she made her film debut three years earlier, with Walter Houston in, "Dodswoth". She was fantastic as the mad Countess in "Conquest" with Garbo and

Charles Boyer in 1937, and she played another very touching role as Boyer's grandmother in "Love Affair", which co-starred Irene Dunne. A little later she was in "Waterloo Bridge" with Vivian Leigh and Robert Taylor. Then in "The Shanghai Gesture" with Gene Tierney, and she played another grandmother role in the all-star "Kings Row" with Ann Sheridan, Ronald Reagan and a lost list of others. These were her most prestigious films. She was in some real "pot-boilers" - including one of the Andy Hardy movies: with Mickey Rooney.

CRUSADER: Sounds like you've really done some research on this lady.

DEAN: Well, you have to remember she was my teacher, and I was closer to her than most of her students, even the most famous ones. I was her protegee and private secretary off and on for three years. She directed me in two plays in Hollywood and coached me in another role I played at the Max Reinhardt Studio.

CRUSADER: You must have many memories of her. I've got the feeling there's much more you could tell us about her.

DEAN: Someday I want to publish a full article about her, with some of the rare photos I've collected over the years. I've done a lot of research on her.... But for the CRUSADER, I would like to say something about her teaching methods and her approach to acting.

CRUSADER: Maybe next issue. And are you going to tell us about your oh-so-glamorous marriage, aren't you?

DEAN: Sure, I promise, next time!

GAYCOTT NEWS

COORS BOYCOTT CONTINUES.....AS DOES ORANGE JUICE BOYCOTT! Despite monies spent and letters sent by the Coors Beer officials, the gaycott of all Coors Beer will continue. And shall until Coors ends their employment bigotry and their discrimination against gays. Sales are down in California, particularly in San Francisco. ORIGINAL JACKSONS ENDS SALE OF

COORS BEEROriginal Jackson's, one of San Francisco's most famous restaurants has announced they have ended the sale of Coors Beer. Jim "Betty" Bonko and George Bandi made the announcements on Saturday August 6th at the MINUTE-MEN DEMOCRATIC CLUB'S Gay Candidate Brunch. The people present responded with much applause. The Blue & Gold and the Windjammer both continue their sale of Coors Beer.

Oh yes, TRINITY PLACE, where the Alice B' Toklas Gay Democrats meet is still selling Coors Beer!

ACTOR PETER LAWFORD took out an ad, full page, in the DAILY VARIETY, the "bible" of the show business world, to give Anita Bryant a blast! It said, "On behalf of the Plethora of closet heterosexual yet to be heard from..... A? N? I? T? A-accountable....for the multitudes you'll bruise!"

With great trepidation, PETER LAWFORD

San Francisco's TEDDY ROOSEVELT REPUBLICAN CLUB is the only gay political group which has supported the gaycott of Coors Beer to date.

The boycott of Orange juice is failing, as the Florida Citrus Commission has re-neged the contract of singer Anita Bryant. San Francisco gays are not truly pulling for the gaycott of orange juice, and gays by the hundreds can be seen daily at the Safeway on Church & Market buying orange juice.

BOJKOTTA FLORIDA-JUICE!

STOCKHOLM: The R.F.S.L. (Swedish Federation for Sexual Equality) is initiating a boycott of imported orange juice from Florida throughout the Kingdom of Sweden.

This action is in support of our Gay sisters and brothers in the United States and their struggle for human rights and the disapproval of the inhumane scare-tactics used by anti-Gay groups, such as Anita Bryant's "Save Our Children, Inc." The boycott, involving all of Sweden's gay organizations, is helping to serve as a means of raising the consciousness of both our Gay and straight communities in our fight for Gay Rights in Sweden. We want the entire world to know of the universal struggle for Gay Rights and that human rights are absolute.

TENDERLOIN BRIBES TRIAL

PAYOLA INVESTIGATION CONTINUES.....TWO BAR OWNERS SENTENCED IN FEDERAL COURT.....COPS STILL ON DUTY!

The two bar owners who paid-off the police officers who shook them down, have been sentenced, after they plead guilty.

On Tuesday July 26th, Harold Woodward, 76, who used to operate the Trapp at 72 Eddy Street...and Martin Hertz, 47, who operated the Tea Wood Room at 198 Turk Street, were sentenced, and placed on probation by U.S. District Court Judge Robert Schnacke. Because of Woodward's age, he was fined \$1,000 and placed on 2 years probation.

Hertz, because of what Schnacke called his "family position", was placed on three years probation and fined \$10,000. Hertz' attorney said he was "remorseful"!

Judge Schnacke said...."There is no more serious offense than perjury because you can't rely on a person's testimony. It strikes at the very heart of the judicial system."

Hertz, On May 6, 1976, denied making payments to the now retired Sgt. Thomas Stack and now retired Sgt. William Sisack. Both of them were named as indicted co-conspirators.

Sisack was sentenced to three months in a federal prison and Stack was fined \$1,000.

In March of 1976, eight other policemen were indicted by the Federal Grand Jury for conspiring to extort from \$300,000 to \$650,000 from businesses, some of which were gay owned or operated.

On May 18th of this year, Judge Schnacke said that their cases could not be tried in Federal Court, as the San Francisco Police Officers had not violated a federal law, but city and state laws.

He then sent the cases to the District Attorney Joseph Freitas for prosecution...and Freitas refused....to prosecute the SFPD officers named. The Special U.S. Investigator Gerald

New Vice Chief, Captain George Emil, refused to hire a gay as a telephone operator when he headed Personnel Unit.

Hinckley is appealing that decision. The Attorney General of California is looking into the matter. He is Evelle J. Younger and he is also a candidate for Governor next year, so as an aide in Younger's office said, "We may have a real campaign issue."

Most of the officers involved who are not retired, are working in the Hall of Justice, but they are still on duty, while the men they "shook down" have been sentenced.

NEW VICE CHIEF.....Chief Charles Gain has appointed the former head of Personnel, Capt. George Emil, pictured above, as the head of the Vice Squad. Emil, refused to allow a gay to be hired as a telephone receptionist, when he was head of Personnel. No gays have been hired as police either.....so?

U.S. ATTORNEY JIM BROWNING SEEKS ATTORNEY GENERAL JOB! The highly popular U.S. Attorney for San Francisco Federal District, James Browning, 44, has announced that he is interested in seeking the post of Attorney General. The current attorney general, Evelle J. Younger is going for Governor, so the spot will be vacant.

"MADNESS OF LADY BRIGHT".....is the premiere performance of Theatre Rhinoceros, which opens at the Gay Community Center, 330 Grove Street. The show runs August 12, 13, 14 and August 17, 18, 19 and 20, and performances begin at 8:30 PM. A \$2.50 donation is requested. It will have a companion once-act play, "Metaphors" with it. Madness paints an expressionistic portrait of humanity's descent into chaos. For reservation, phone 771-9700, ext. 59. For additional information about the troupe itself, contact Allan Estes at 621-0805.

PUC HEARING FOR MUNI SHUTTLE IN GOLDEN GATE PARK.....The hearing concerning a MUNI shuttle bus in Golden Gate Park will take place on August 23rd at 2:30 PM before the PUC. There is strong opposition to the shuttle by John Murius who owns a Haight bar called the Trophy Room....Murius does not want the bus as it will "hurt" his business he feels, but San Francisco Supervisor candidate 4th District, Ray Broshears says that it will give senior citizens a chance to use Golden Gate Park at long last, for a bus through the park is very much needed. Broshears urges all gays to turn out in support of the shuttle bus route beginning at the Kezar Stadium parking lot, to the Music Concourse with a later extension to Stow Lake.

TENDERLOIN HOTEL ORDERED CLOSED....The Taj Mahal, owned by Vasili Glimidakis, was a hell hole in the Tenderloin. Since he bought it, he put no money into it for any repairs, just too out money, letting the hotel fall into complete disrepair. Glimidakis owns the Minerva Cafe on Eddy Street. Old time Tenderloinites see the actions of people like Glimidakis as "racist" and claim they are trying to run all gays, blacks and poor people out of the Tenderloin.

RANDY SHILTS & KOED "YELLOW JOURNALISM"....On Friday, August 5th, gay reporter Randy Shilts (also of the ADVOCATE) reached into the bottom of the barrel to bring a news story that senselessly hurt an old woman, whose son had just killed himself, after he was discovered to be a homosexual. The person was a Deputy Sheriff, who had picked up someone, and when they went home, the pickup saw a gun the Deputy had, and not knowing the man was a Deputy, called the SF Police. The Deputies closet door was ripped wide open. He became very despondent, and shot himself in the head. Shilts on Friday went to the home of the grief stricken mother and tried to force an interview with her, and when she refused, he stood outside the home in South San Francisco and related the story. There was not point to the story all agreed. It was senseless and just plain yellow!

THE OFFICE OF THE CHIEF ADMINISTRATIVE OFFICER TO BE LIMITED BY BALLOT ISSUE.....The office of the CAO which is now a lifetime job would be limited to ten years according to a ballot measure to be voted on in November. The current CAO, Roger Boas, has refused to give any monies to the Gay Parade which is the largest in the city, yet he has allocated tens of thousands for "other type" parades. Gay support behind a YES to limit the CAO term to 10 years is growing.

ROBERT ARBEGAST

.....ANOTHER CASE
"SOUTH OF MARKET" IN WHICH POLICE
USE HEAVY HAND AGAINST GAY PERSON.
"NO COMMENT" FROM CHIEF CHARLES
GAIN!

The clerk grabbed the milk from Robert Arbegast, and came from behind the counter and grabbed Arbegast to throw him out physically. Robert told the clerk to keep his hands off of him, and began backing towards the door, when suddenly he was grabbed from behind by two police officers.....

M. SULLIVAN star 1464
and J. TOOMEY star 1930.

The officer physically dragged Robert out of the store, not allowing him to walk and said that he was under arrest.

To which surprised Robert Arbegast said, why, he had done nothing, he wasn't causing any trouble. He showed the two Southern Station "redneck" types the money he had tried to purchase the milk with....to which the one officer hit his hand, sending the pennies all over the side walk and street.

By this time a large crowd had gathered, as they grabbed the unprotesting Arbegast's arms and handcuffed him.

Arbegast pleaded with the two thug-acting police officers to let him go home, which was just around the corner, the artist left he and Mark lived in....they refused.

Arbegast, then froze.....he has a mental block which will spring up when he is in a seige of fear, and will cause him to become a rigid as a rock.

The officers began dragging Arbegast to a patrol car, as he, Arbegast shouted..... "Police brutality"....to passers-by.

One of the officers shouted, "He's got a knife".....(Arbegast, a non-violent person, did not have a knife on him)....as one of the officers threw a smoking pipe on the sidewalk and shouted....."Look at that".....to which Arbegast shouted, "Yes, you threw that pipe on the ground!"....but the crowd nearby couldn't see, as the officer bent over and in an exaggerated and loud voice cried to the crowd, "I have the knife!"

Arbegast was shown a billy-club and asked "do you see this", to which he said no-

thing....and the next thing he knew was that he was in a patrol car, with blood all over him.

He was booked at Sheriff Hongisto's City Prison, and was refused medical attention.....Arbegast was charged with "Disturbing the Peace" and "Resisting Arrest".

What began as a simple journey to the grocery store, became a nightmare for 39 year old artist Robert Arbegast.

When Arbegast did not return to the abode they shared, the huge artists loft on Howard Street, room-mate lover Mark Mulleian became very upset and began telephoning around, finally he located Arbegast in City Prison. He was able to obtain his O.R. Bail release the next day.

The case is now under investigation by the internal affairs bureau, and Arbegast is awaiting a jury trial, as he refused to plea guilty to something he didn't do.

The Southern Station police in recent months have become quite harsh on the movements of gays in the south of Market area.

Southern Station Commander, Dick Shine, a Captain...is not noted for his fairness, nor is the Captain noted for his tolerance of homosexuals.

Gay readers are urged to write to Chief of Police Charles Gain, asking that the Captain be removed from his command at Southern Station and be replaced by a Captain who is more responsible to the citizens of the Southern Station.

Shine has been under fire by Market Street merchants for his absolute failure to keep drunks winos and pimps off of private property and from harassing the customers of the stores, as well as those who go to church at 26 Seventh Street, where several religious groups meet.

SUICIDE'S MURDER

July 26th, the bodies of twogay men were found at 84 Ord Street, in the Buena Vista district of the Haight/Ashbury.

Police Inspector Rotea Gilford said it was a murder-suicide by Larry Limon, 32, who became upset at his lover Calvin Ritter, 35.

The incident began over Ritter having told Limon that it was all over. But, Limon, did not accept the words of Ritter.

According to the police, Ritter had stated to friends that he loved Limon very much, but, they just couldn't live together.

On the evening of the death, Ritter and friends went out, leaving Limon at home.

When Ritter returned, Limon apparently fired the three shots into the head of Ritter, and then turned the 22 caliber revolver on himself.

Limon left a note, asking the police to "finish the job for us."

Friends of the men discovered the bodies on a bed in the back bedroom of the apartment.

Limon had been a disabled veteran for emotional reasons, and had received treatment for this problem.

GOSSIP COLUMNIST:

MOCKINGBIRD

KEN DUGGINS has a love already, well, sort of, his name is RICHARD! Cute!!!!

At the HOUSE OF HARMONY, where you will find the infamous MADAM Leslie worldly as hell.....you will also find the "ANIMAL" HAL.....who is one of LESLIE "queens and dogs" but not necessarily in that order.

But at that 1312 Polk Street facility, the hottest and also the tallest number you will find is SIX FOOT, EIGHT INCHES HIGH, G-E-O-R-G-E. GEORGE is a big man in many ways.....and he had the MOCKINGBIRD DROOLING over him.....that a big big man!!!!

When you go to MEXICO and stop in GUADALAJARA in Jalisco state, which is northwest of Mexico City, do stop in at PANCHOS.....recently, ROLAND Schembari and FRED paid a visit there and found the action very very good! They said they discovered several other "gay-as-you-can-be-in-Mexico" places. They were down there for three weeks.....now ROLAND can get back to work on his K.P.F.A. radio program.

Thank you DOUGLAS DEAN Goodman, for your GUIDE TO MEXICO, for it was a help to ROLAND and has been a help to many others also. It was written three years ago, so there have been some changes, but it is still a good buy.....pick it up at the LE SALON, 1118 Polk Street.

LASHES.....who works at the CHURCH STREET STATION was a waiter, is a most interesting young man.....and DENNIS CHARLES of the KALENDAR has his eyes on him.....for now, and maybe, later his hands!

Attorney, B.J. BECKWITH, who is often referred to as the "Clarence Darrow" of the gay scene.....was overheard to say that "they are making a new bourbon.....to be called....."Jock Daniels".....its strained through jockey shorts!" That's the way it was in court today!

Fires, fire-bombings, good grief! We have had our share here in San Francisco too. Inspector TOM DICKSON of the SFPD Intelligence Unit is looking into the fires not just here, but in the other cities as well.

By coincidence, the bath houses belonging to DALE BENTLEY of the HAWAIIAN HUT/Sacramento, who has bath houses in all the cities which have suffered from the mad arsonist(s)?.....have never been "touch-ed!"

BENTLEY owns the Club Baths on 8th Street here.....and the Club Baths in so many of the other cities in which fires have happened. BENTLEY refuses to answer any questions concerning this strange bit of coincidence, as well as his "discrimination" policies at some of his businesses!

LARRY CASAS who raised \$3,300 for OPERATION CONCERN is to be congratulated for so doing. Hats off to a hard worker.

You can see ROSE I. II, III along with GRETTA GRASS daily on the boards at the RED LANTERN SALOON, corner of Leavenworth and Golden Gate Avenue! GRETTA is now Queen Mother V of all California.....he'll do a good job too!!

Didja see H.L. PERRY and BILL QUANTAS (he is hunky...Bill, not H.L.) at the Grand Opening of KIMO'S? PERRY was in good shape and was still keeping on.....despite DIRTY DICK RICHARD ELMON.

The HOLLYWOOD STAR.....in a lawsuit filed by the Rev. Ray Broshears against FAT SHIRLEY and DATA BOY for over a million dollars for libel and slander, the name of the HOLLYWOOD STAR smut paper has come up in connection with the FAT SHIRLEY (Saul Sufron). \$\$\$\$\$\$

Rumor has it that LARRY LONG of the PRIDE Gay Center has been "using" his post with the SF Bar Association to "get" enemies of PAUL HARDMAN????

TACKY RUTH 13 showed up as a guest at a private function at the WILD GOOSE, N.....he threwed up on a nice white suit, while someone else was wearing.....thats ok TACKY for you, a real laugh!!

CASTRO COMETS, a gay softball team comprised of players from about the city and sponsored by 15 gay bars, and coached by JACK "IRENE" MCGOWAN.....will play the ball team from radio station.....K.N.E.W., the COUNTRY COWBOYS. It is comprised of players who are disc jockeys, officer personnel, etc., and that ever-loving loud, cynical, sportscaster, MIKE FORREST who is about to get the surprise of his life.....a ball club better than the OAKLAND A'S of Charlie Finley. IRENE and the COMETS promises to make the KNEW COUNTY COWBOYS quit softball once and for all. I'll be there!

Didja know.....that PAUL LANGLEY REALTY has nothing to do with PAUL himself.....for it was sold and is operated by a real & \$ % ! % % % ? ! ? ! ? ! What is this rumor about phony mortgages??? PAUL LANGLEY Realty has some very interesting property in the Hayes Valley Area.....where white gays appear to be trying to run out of the area.....blacks! Racism is still a major problem in the gay community.....right? Right!!!!

JERRY STRICKLAND, a new bartender at the *P.S. Restaurant was chock full of good vibes the other evening.....some say it is because he is "choked full" too and in the right places too!! So that's why LOWRETTA is looking at his with "lust" in his eyes!!!!!!

CASTRO COMET vs. KNEW COUNTRY COWBOY softball game will be at Hayward Field at the Civic Center in Downtown SAN FRANCISCO, Gough & Golden Gate Avenue.....SUNDAY, September 18th at 1:00 PM.....and it will be a charity game for the Old Folks Defense League senior citizens.

At the NOB HILL CINEMA, a really fine flick has returned.....don't miss it....."KANSAS CITY TRUCKING" Oh yes, the owner of the NOB HILL.....CLIF NEWMAN was seen walking down Market Street, muscles showing.....no shirt, just shorts.....and he had 'em all ga!!!!!!

Working at KIMOS on Polk is RICKEY FITTES, 22 years young, who is cute, and very sexy.....especially the way he slinks about the place serving drinks.....love that cute bit of hair above his lip and below his nose. He is from ATLANTA GEORGIA.....that automatically makes him a godd man!!!!!!

BOSCO IS BACK IN TOWN.....and the big FAYE-ROY has him all to himself.....tis so nice to see nice people like BOSCO back in town.....looks like he is back for good, having finished school and all. ROY, manager of the CHURCH STREET STATION will spend no more lonely nights in his new apartment!!!!!!

Who is the HIGH FLY who writes the "ROYAL DRAG" in the CRUSADER? I am not too sure, but he/she works on the Polkstrasse!

Yes, it is true.....22,240 votes in the election last November for the College Board race, was the testing ground for our own, REV. RAY BROSHEARS to make the bid for Supervisor this year.....in the District which he has lived for nearly 11 years.....District 4. In that District last year, before it became a District via the passage of district elections, REV. RAY got over 9,000 of his votes in that area, out of his 22,240 votes. So, that means he has an excellent chance of winning this time around, but as a member of the BOARD OF SUPERVISORS.....in fact, with all the gays out in the Castro-Haight running, it is highly doubtful that a gay will be elected out there, so REV. RAY stands the best chance being elected as the first gay on the Board of Supervisors. To those who really know him.....it is wonderful news, to those who have believed the vicious rumors and lies about him, they are not too happy.....and to the ones who have spread the rumors and lies because of their envy and jealousy.....they are frightened.....but REV. RAY sez they should not be frightened.....for he is not vindictive.....he will treat all with fairness, and that will be a welcome change in the gay community.....REV. RAY, I'm with you, and so are all the other people who help write/contribute to the MOCKINGBIRD. I understand that, JIM WARD of the 1/2 Polk Gulch Saloon; ROY HARNETIAUX who lives and works in 4 as well, have both endorsed him, as has, MADAM LESLIE who is going to be the area manager for the area north of Post Street to California, and the area from Van Ness east to Leavenworth street. LEE RAYMOND of course has endorsed him, as has HAROLD ST. THOMAS of KIMOS; JACK "Irene" MCGOWAN; the wonderful ALEX WONG; RANDY JOHNSON DAVID SELF; HARRY GARDNER; CARL "SHATZI" DREW; the wild ROSE I, II, III (Leon Hampton); DON BLACK; to mention but a few of the early ones from the gay community. I understand that DIXON "Polk Street Sally" has also and will be helping to raise funds for the campaign along with LESLIE and a cast of hundreds! Good luck, SUPERVISOR RAY! (Ray said when he wins he will give up the Crusader to someone else).

Didja know.....KIMO went on vacation with the sex-wonder of all times.....CRAIG and while on vacation in beautiful Mexico, he came down ill, which we are sorry to hear. But he is back and is feeling good again and you can see him and cute CRAIG starring at KIMOS! You will also see LUCRETIA (Larry Leyden).....JOHN KRAUSE "hunky too"; DAVID.....KENNY KUTIE.....HARRY GARDNER of course.....and once in a while JANE DOE "Michael Nameth".....along with a dazzling cast of dozens and dozens, including BILL QUANTAS! I know I have left someone out.....sorry if I did so!

MIKE GARRETT from TEXAS who is 25 years sexy.....stands SIX FOOT and is hung about the same.....is working at the NOB HILL CINEMA as a doorman and does D.J. work at ALFIES the cruise disco on Market Street. Oh yes, his other "half" is a crew cut sexpot.....LEE BOYLES, also 25, with blonde hair, and runs the cash register at the NOB HILL CINEMA 729 Bush. How can one place have three such hot men.....CLIF NEWMAN the owner, and those two studs!! WOW!!!!!!

By the way.....some complaints have come in about the "you-know-what-at the *P.S....." "get it together" kiddies!

MADAM LESLIE and ROBINSON of the HOUSE OF HARMONY fell in lust with 21 year old KEN DUGGIN formerly of Medford Oregon when he waltzed in on an errand for one of the Mockingbirds!!!!

DIXON "POLK STREET ALL-STAR SALLY" wants all to know that he serves a tastie 7-Up!! Have you seen his "poodle", and I don't mean the one on a leash!

BRIAN is the new manager of the ELEPHANT WALK.....he is a good cook and a very good person. Drop in.....the WALK has changed all for the better!!! 18th & Castro.

LIBERTY BATHS, 1157 Post has the "make your own movie" trip going.....ask ROYCE all about it! A "hot place" with hot people!

Have you seen RITA RAMP & RICK HOOLIHAN at the HOTEL? THE PICTURES AT THE LEFT

Upper far left in Hawaiian shirt is the one and only KENNY LU of Ashland Oregon who is tending bar at KIMOS on Polk. Next to KENNY LU is another Oregon man, KEN DUGGIN, age 21 and a stud. Lower far left is DAVID STOLL and to his right is ABNER and FAYE-ROY HARNETIAUX, manager of the STATION.

A Natural Thing

by Tom Hart

"Say unto thyself I have no shame, for there is nothing to shame.... For shame was case apoud me to close my mind my eyes my ears my tough so that I would be unable to understand all things of the universe and how they were meant. To keep me in darkness not to know the wrong done unto me so that I might not conceive my purpose and purpose for my fellow beings. For with shame came ugliness of all kinds in mind and in purpose. I shall drive this cruse from every part of my living soul. I have no shame but I have love For it is nothing to shame Only to share with my fellow man."

PART III OF THE INTERVIEW WITH JEANNE ROSE.....HERBALIST!

Tom: Jeanne, you do have a method for a healthier life don't you?

JEANNE: I am first and foremost a simple self-trained herbalist. An herbalist is one who uses plants as food for healing purposes.....If you want to be healthy and you want a simple formula, then the key word is..... HENS.....that is H-herbs E-exercise N-nutrition S-sex. From ancient times, medical practice has been associated with nutrition. Herbs were food and food was often the remedy for ill health, take for instance the lowly plantain, called white mans footsteps, because wherever the whiteman went the plantain was sure to follow. The whiteman would use the plantain as a vitamin rich springtime green, but if he got a cut or wound he would also gather it, crush it and apply it, the crushed leaves to the wound as a healing poultice. The second part of our key word, HENS, is exercise, which is important as you know for good circulation and muscle tone. I was a "closet jogger". I jogged for a year inside my house, around the living room, keeping pace to the "Concerto in E Major", for three violins by Vivaldi. I figured out that one side was about a mile and half.

Then I got out of the jogging closet and now I do that distance by the Second Movement, cut my time in half. I you have exercised immoderately, sore and aching muscles can be massaged with herbal oils. We all have our own best ways to exercise and our own favorite herbal treatments. My favorite oils for massaging "tennis elbow" and "skiers knees" is simply to rub essential oil of rosemary into the inflamed part. And what about NUTRITION? Let food be your medicine.....ah yes, how often have you heard that.....and did it mean anything to

you at all? We are confronted here today with an enormous amount of excellent information, but how can we incorporate any of it into our own lifestyle? Is it truly necessary to give up anything you particularly enjoy in order to have good health? or do we have to add things to your diet that you hate just because you are told that it is good for you? NO.....Moderation is important, let us take for example Potatoes are an excellent source of potassium which is sadly deficient in our diets. So that you can think of potato chips as good for you as long as you treat them properly. Wholesome whole potato chips are delicious but if you eat them everyday then they can be a source of ill-health but these same potato chips whether health food store bought or homemade, can be a delicious nutritious accompaniment to your diet. It is not the potatoe chips that are bad.....it is the amount you eat and how they are treated or made. The same goes with any food, such as Bing cherries. If you got organically grown Bing cherries and ate them until you got sick then naturally that is not good for you but get those same cherries and eat them in small amounts regularly and they can definitely be an added health item. As a matter of fact, Bing cherries are excellent for anyone who suffers from gout or arthritis. And for S as in SEX. We all of course know that sex is extremely important for a healthy well balanced personality. Again it is not quantity but the quality that counts. I suppose that quality is important in everything that one does every day. A good healthy sex life will keep you slim and you complexion beautiful, and gives you that necessary infusion of zinc regularly and in general is just about the best all-around tension reducer one can imagine. And so I guess my method for keeping healthy and happy is simply not to get sick by using herbs, exercise, nutrition in a preventive way and using sex to keep ones head straight. It is better to prevent than to cure. In the near future, remember, it is your life and your body is the only one you have, so love it and keep it well for in health, lays happiness.

In the next issue, I will tell you of..... CHLORELLA, "Food of the Future".....that is what they said in 1950 and well it is here today and none too soon. Chlorella, it is for everyone's health, four 400 mg capsules can be a complete balance meal.....giving you the energy and as a general toxic will improve your total health. This way, it may very well be the most important food you will ever eat. CHLORELLA.....THE FOOD OF LIFE..... read about it in the September issue of the SAN FRANCISCO CRUSADER, out on September 9th.

Un-Cureable V.D. Strain -

The California State Health Board reports that California leads the nation with 155 cases of a new V.D. penicillin-resistant strain of gonorrhea.

Officials are concerned that this new gonorrhea bug might also become resistant to a new antibiotic used in its treatment. San Francisco has THREE reported cases.

The new strain of **GONORRHEA** is called "penicillianse-producing Neisseria gonorrhea" or **PPNG**. **NEISSERIA** is its official name. **Penicillianse** means that the bug produces an enzyme capable of breaking down and rendering ineffective, the conventional treatment with penicillin.

Half of the 155 cases come from San Diego.....so, all gays in the border city had best "beware"! **PPNG** originated in the far east, and most who have passed it on, have been members of the military.

A new antibiotic called "spectinomycin" has been successfully used in every case to cure **PPNG** so far. The biggest fear according to the State Health Department, is that the new antibiotic will become useless with the **PPNG** also.

VD in San Francisco's gay community is rampant.....the bath houses are the greatest points of transmission of **VD**, due to the intense body contact.

Gays who are sexually active with more than one sex partner, are urged to have a **VD CHECKUP**.....**AT LEAST.....ONCE A WEEK!** That is right.....once a week if you have sexual contact with more than one person a week, other than your lover.

Surveys have shown that gay persons who are **NOT** promiscuous, seldom come down with **VD**, but those who engage in sexual acts frequently with different persons, are very likely to come down with **VD** (the clap, etc.). There are some gay persons who are carriers of **VD** and don't know it!

"A Voice in the Wilderness"
by Reverend Ray Broshears

"DON'T MUDDY THE WATER....." IS THE LESSON LEARNED FROM THE AUGUST 2nd DEFEAT OF PROP. B!

By an overwhelming margin, Proposition B was defeated on August 2nd.....it was a stunning defeat.....but, it was not a mandate either, for Mayor George Moscone! On a cold damp foggy day, the voters just didn't turn out, only 50% did vote and by a 2-1 margin the "reform" package of John Barbagelata died on the voters operating table.

The message that has come from this is.....that the voters resented the vast sweeping and sometimes confusing, reforms found in Proposition B. John Barbagelata, a brilliant person, who is not a politician, accepted defeat bitterly. It is over! John has announced that he is resigning his term of office which ends in November at the ballot box anyway. For he choose not to run against Quentin Kopp. They both live in District 10.

I do hope that the Mayor and his associates will not be the angry victors they appeared to be on television the night of August 2nd, it would be far better for Moscone to say, "well, we have won, let us all set down and get it together to build a better San Francisco for ALL people!" Thus far, he has not. Regarding the proposed reforms found in B concerning certain Commissions, and the limiting of the term of the CAO (Chief Administrative Officer) to 6 six, I do hope the newly elected members of the Board of Supervisors will place these on the ballot for the 1978 fall election and give the city the badly needed reforms in these areas. To appoint someone for life to the term of CAO is absolutely stupid.

The CAO holds vast powers, and can make or break a mayor, to a certain extent. Roger Boas, a former member of the Board of Supervisor, and a defeated candidate for Congress in the 5th District, now holds the post of CAO. He recently turned thumbs down to giving funds to the gay liberation day parade next year, although he dispenses the money freely to the other parades.

There is really no way we can change this decision, except to change the CAO! When Boas was a member of the Board of Supes, he was never particularly friendly to gays, so he is showing that he hasn't changed too much.

And his good friend Rick Stokes, who is seeking a seat on the Board of Supes from the 5th District, didn't even try and get Boas to give funds to the gay parade. What kind of a Supervisor would he make!!!

"HATS INTO THE RACE.....FOR BOARD OF SUPERVISORS....."

Gay people are tossing their hats into the race for Supervisor with great abandon. Harvey Milk of course is seeking the spot from the 5th District.....to hear Harvey tell it, he is the only gay who has ever supported District Elections.....my my, he does have a very short memory! He is opposed by Rick Stokes, former owner of the Ritch Streets Baths, in which one of our friends was burned to death in.....in a very mysterious fire. Stokes had sold the baths eight days earlier to his supporter for Supervisor.....the carpetbagging Floridian, Ohioan, New Jerseyan.....Jack Campbell, who along with Jim Foster, led gays down to defeat in Miami/Dade County with their tasteless election tactics. Campbell is here to live now.....guess he hopes to get elected to something here, but all I can say is....."Remember Dade County!"

Then we have Jim Earnshaw also in the 5th District. A nice fellow, and up-front gay. Speaks well, and knows what he is talking about.

Then you have Bob Hagen who ran for the BART Board as a closet case, but recently moved into the 5th to "beat the hell out of Harvey" to quote him. More "muddy waters" I say!

Then you have a Ms. Fernandez who some say is gay, and Andy Bettancourt, the ever stinging tongue of the Pride Foundation. The 5th District looks like one hell of a gay race.....but don't forget about "Kayo" Terrance Hallinan, not gay, but O.K. with

many gays, including Jack "Irene" McGowan.....Doyle Barnfield.....Melvin "Melvina" Gray.....and many others including myself. Then in the 4th District you have Barry King and myself.....no one seems to know who Barry King really is.....all we know is one fine day he opened up a storefront office and said he was a gay candidate for Supervisor.....thats nice. But, he has no.....and I do mean.....no credentials in the gay liberation movement or any other movement, except for a bowel movement maybe. He lacks knowledge of the 4th District outside of gay bars and the apartment houses he manages.....he manages property, and later on, from some of his former tenants we shall have some interesting reading for you.....some of it very tragic.....but most of it very funny!

As to my own candidacy, I have lived in what is now called the 4th District for all of 11 years.....and that is longer than any gay candidate in any district has been, and that includes Harvey, Rick, and Barry. In this District, when it was not a District last year, when I ran for the College Board and got 22,450 votes citywide.....almost all of 9,000 came from this District. I know that I shall win in November, for I have the dedicated workers and we are growing in funds.....so, on November election day.....there will be at least one gay elected to the Board of Supes.....me! Workers are always needed as are funds, so get on the bandwagon while there is still room or time.....I remember those who remember me!

"WE MOURN THE PASSING.....OF NEWSWEST"

When David Bertram Goodstein bought the **ADVOCATE** and moved it northward so he could have it near his plush mansion in Atherton California.....we mourned the passing of a viable gay publication in the city of Los Angeles.....but later, the former editor of the old **ADVOCATE**, Rob Cole and associates started a new gay publication.....**NEWSWEST**. The name almost insured that it would not be a success, but it did last for over a year. Then after a great deal of internal strife, and some outside agitation by the Morris Kight-Pat Rocco group.....it was sold and became **OUT**. Well, after 2 issues **OUT** is out of business. And that is a shame, for Los Angeles, which is under the heavy heel of Chief Ed Davis and his LAPD.....and with a wishy washy Mayor like Tom Bradley who after his re-election, dismissed his gay aide, does need a real gay publication.

Robbie Appel of the **PACIFIC COAST TIMES** which is nothing more than a Bay Area Reporter, hopes to take up the slack, but, his is an advertising sheet.....not a newspaper. It has always been a free-zie in the gay bars, but when **OUT** went out.....he put a fifty cent price tag on it and placed it in newspaper machines. Sad, truly a sad thing for the Los Angeles gay community.....they want so much to emulate the gay power of San Francisco, but can't even support a gay publication.

One of the bigger secrets best known to the success of gay liberation in San Francisco is the fact that we have numerous publications, all working to top the other and by so doing, keeping the community alert and on top of what is going on.....and on the backs of the politicians.....something that angers the **ADVOCATE** publisher so much, as he would like his **SADVOCATO** to be the only gay paper here. Our competitive newspaper trip here is the key to our gay liberation and gay power. Think about it!

MURDER

.....In recent weeks, more has come to light, as I predicted, on the Robert Hillsborough murder. In **NEW WEST** Magazine recently, a most interesting story was written about the murder.....something which we knew two days after the killing.....Hillsborough was killed, but not because he was gay.....but **NEW WEST** Magazine will have more on this later on.....and on the opportunistic politicians who have made "hay" off of his death. rb

\$5,000,000 LAWSUIT Filed Against Publications

BAR (BAY AREA REPORTER)..... DATA BOY.....BENRO.....BOB ROSS.....ALAN STANFORD..... SAUL SUFRON (FAT SHIRLEY) ACCUSED OF CONSPIRACY..... LIBEL & SLANDER.

Stemming from a letter printed in the **BAR** on July 22, 1976, and later in the **DATA BOY** Magazine on July 28th, written by Alan Stanford, a libel slander and conspiracy lawsuit was filed in California Superior Court on July 12th by the Rev. Ray Broshears (Case Number 725-606). In July of 1976, after the "letter" from Stanford was printed in the **BAR**, the attorney for Broshears sent a letter to the publisher, **BOB ROSS** and the **BENRO CORPORATION**, demanding a retraction. The **BAR/BENRO** instead, refused to print the retraction, and re-printed the charges in the Stanford "letter". Consulting with lawyers who have been involved in such cases at the "LOOK Magazine - Alioto" case, and the "KGO-TV - Pat Montadon

lawsuits, which were successful, the decision was made to sue, filing before the one year statute of limitations ran out. The suit was prepared by more than a couple of lawyers, and the suit itself filed in Superior Court, by the noted attorney, B.J. Beckwith. In addition to the Defendants named above in the suit, there were also 21 "Doe's" filed against. This is so that the various other individuals and publications which have made the same libelous charges against the Rev. Broshears, will also be subpoenaed short before the case goes to trial. The Defendants have 30 days to file an answer to each of the charges by the Plaintiff, Broshears, or else they default the suit. The publications through th Stanford letter, as well as "certain others" have made libelous/slanders charges about the Rev. Broshears background, and connecting him with evil mis-deeds, and with working for certain agencies. All which those being sued will have to prove in court. This is a "first" in gay liberation.

(Editors Note: JIM OSTERLUND has been endorsed for the post of Emperor VI of San Francisco by the SAN FRANCISCO CRUSADER. He is the best qualified for the post. He is honest, sincere, and the is a most understanding and compassionate man. He is not one of those emotion-ally immature homosexual stereotypes, who is vicious, vindictive, or who is the type who holds grudges. JIM OSTERLUND is an example of what the typical homosexual male should try and emulate.

On September 17th.....please do vote for JIM OSTERLUND for Emperor VI of San Francisco.....we will, for we care about the gay community....do you? If so, vote for JIM!) Continuing after that short message from the entire CRUSADER staff, I urge you to find out why he's got all facets of the gay community on his committee!

UNITED STATES MISSION

U.S. MISSIONS...aka: ATLANTIS HOUSE.....is still operating, and taking the \$\$\$ from helpless unsuspecting souls. For sometime now, ATLANTIS HOUSE has been quiet, but one Richard Price and his group have popped up once more. They still operate at 182 Clinton Park Place which is just off Market in the Valencia Gardens housing project area.

This time the CRUSADING EYE has been brought upon them for "deals" involving 225 Turk Street, and the U.S. Missions and Universal Life Church's "All Freedom Church". U.S. Missions/Atlantis House has put on, and you can take "put on" in the venacular.....numerous events all designed to enrich the pockets of Richard Price, Robert "Bob" Humphries who referred to himself in an ADVOCATE article as "Reverend Ripoff".

The Price-Humphries operation is one of telephone solicitation for the most part, separating unsuspecting persons at the other end of the telephone line with their cash, for a variety of reasons...Bibles for prisoners....dances for the physically handicapped (which no one shows up at)....Easter egg hunts for odds and ends of people....dances for the elderly who are served cold box lunches and who are too infirmed to dance anyway.

They are always most careful to stage the events, so they can evade the long are of the District Attorney's office, and one Carol Hehymeyer.

They "take" unsuspecting businesses for money, all in the name of "gay charity". Recently they have been holding auctions to support Atlantis House, at the PETER PAN bar on Mason Street once a month. Atlantis House is supposed to be for ex- inmates of the prisons, etc. Atlantis House is also the same site of the U.S. Missions, and is also the home of the director, Don Dill....181 Clinton Park Place.

U.S. Missions and Atlantis House are NOTNOT, Federally tax exempt, so you can't write it off of your federal income tax as some of their telephone solicitors will tell you. Recently, a group which is a part of the Atlantis House/U.S. Missions group, were going to re-open the 225 Turk Street store front and paint it a bright green, calling it the Robin-Hood Center.....well, they are right on the first part of the name.

GAY "PIRATE" RADIO STATION? It has come to our attention that an illegal operation according to the FCC, a "pirate" radio station...K.D.H.S. is in operation at 182 Clinton Park Place also. As to its connection with U.S. Missions and the Atlantis House operation, it is not clear. But it is in the same facility.

Robert Humphries and Morris Kight (who is the treasurer of the corporation) incorporated the group...Church of the Androgyne several years ago, and it in turn chartered the U.S. Missions, Atlantis House, and All Freedom Church, not to mention the disgraceful Los Angeles operation..... Atlantis House II.

Kight who says that he is still an officer of the corporation, does not believe that they operations of U.S. Missions/Atlantis House are really bad....just "poor judgement" once in a while. Well, Price-Humphries "took" the California League for the Handicapped for \$53, 000 dollars according to an article in San Francisco Magazine and the Examiner. The Examiner also claimed the took the Knights of Columbus for a bundle of \$\$\$ as well.

But they are still in operation very much so.....so use your own judgement in the matter....check with the District Attorney...with the BBB...with the Consumer Action...with the Calif. League...with the K.C.
