POLICE INNOCENT IN C.M.C. CARNIVAL SNAFU

So's Ray Broshears!!

"I get blamed for just about everything by alot of vicious and or silly faggots, but this is one time I'm not keeping quiet!"

CALIFORNIA MOTORCYCLE CLUB (CMC) 'BLEW IT!' FAILED TO GET PERMIT IN TIME FOR ANNUAL EVENT, AND HAVE PLACED THE BLAME ON EVERYONE BUT THEMSELVES!

The CMC annual event called a "carnival" which has been held for the past ten years on the premise that it raises money for charities, went on, but not as usual as the CMC officials failed to obtain an "itinerant show permit". The permit is necessary for a group that is not an on-going business, etc., as such places as Seaman's Hall, California Hall, these places do not have to have a permit as they are places of public assembly and are used as such. But for some reasons best known to CMC, they chose at the last minute to change their location from the Seaman's Hall to the old deserted Tow-Car Association Garage/Yellow Cab Garage at 265 Turk Street. The CMC did obtain the permits for the alcohol sales, and for assembly from the Fire Department. But for some unknown reason, they failed until too late to gain the needed permit for the booth activities. The fault has to lie entirely with the organizers of the event and no one else.

But at the event, Bay Area Reporter publisher, Bob Ross, who is being sued by the Rev. Ray Broshears (the suit was filed in late 1976 and is still going on, costing Mr. Ross and his insurance company much money so far) got on the microphone and laid the blame for things not being as they usually were, on the Rev. Ray Broshears. CMC official Todd Grabow did so also.

As usual in tales revolving around the controversial civil rights activists, there was little and in this case, no truth to the charges by Bob Ross or Todd Grabow concerning the permits for the affair.

Officer Ray West, SFPD, of the Central Station, in whose jurisdiction the affair was held, told us that Todd Grabow had come to him for an "itinerant show permit" but that it was too late. Officer West said that he had not heard from Rev. Ray on the matter until Monday morning when an enraged Broshears called the officer demanding to know just what the hell is going on. And as Officer Ray West stated earlier, the Rev. Ray Broshears had not one thing to do with the CMC failure to gain a permit, that the officials had applied too late for the necessary hearing.

Ross and others stated that Broshears had stirred the neighbors up against the affair, but a hard and thorough check showed this to be false also. It was reported that the Salvation Army was not in favor of such an activity across the street from their Turk Street location. Several years ago, at 225 Turk Street, the old Helping Hands Gay Community Center in its last days had troubles with the Salvation Army when they moved across the street and later the gay center closed down.

The second part of the CMC weekend affair was held at the Bulldog Baths in the 100 block of the street, and there it is reported that the embattled B.A.R. publisher went on another tirade against the Rev. Broshears saying he had cost charities some \$40,000 in donations. A charge which is totally false as usual.

It is obvious to most that anytime anything goes wrong, the gay community's favorite "scapegoat" is the Rev. Ray Broshears, and mostly for the fact he has dared to stand up to and or defy most of the so-called "holy cows" of the gay community. As to threats made by some of the leather crowd in attendance against the life of the Rev. Broshears, for an act he did not commit, the San Francisco Police Department are looking into it, and quite possibly action will be taken against some very big and loud mouths.

Whatever, CMC blew it! Not the SFPD or Rev Ray!

I LOVE YOU
I love you
Not only for what you are
But for what I am
When I am with you

I love you
Not only for what
You have made of yourself
But for what
You are making of me.

I love you
For the Part of me
That you bring out;
I love you for putting your hand
Into my heaped-up heart
And passing over
All the foolish, weak things
That you can't help
Dimly seeing there,
And for drawing out
Into the light
All the beautiful belongings
That no one else had looked
Quite far enough to find.

I love you because you.....
...are helping me to make
Of the lumber of my life
Not a tavern
But a temple.
Out of works
Of my every day
Not a reproach
But a song.

I love you
Because you have done:
More than any creed
Could have done
To make me good,
And more than any fate
Could have done
To make me happy.

You have done it
Without a touch,
Without a word,
Without a sign,
You have done it
By being yourself.
Perhaps that is what
Being a friend means,
After all.

ROY CROFT

TO REMEMBER ME.....
The day will come when my body
will lie upon a white sheet neatly
tucked under four corners of a hospi-
tial mattress located in a hospital
busily occupied with the living and
the dying. At a certain moment a
doctor will determine that my brain
has ceased to function and that, for
all practical purposes my life has
stopped.

When that happens, do not attempt
to instill artificial life into my body
by the use of machine. And don't
call this my deathbed. Let it be
called the Bed-of-Life, and let my
body be taken from it to help others
lead fuller lives.

Give my sight to the man who has
never seen a sunrise, a baby's face or
love in the eyes of a woman (man).
Give my heart to a person whose own
heart has caused nothing but endless
days of pain. Give my blood to a
teen-ager who was pulled from the
wreckage of his car, so that he might
live to see his grandchildren play.
Give my kidneys to one who depends
on a machine to exist from week to
week. Take my bones, every nerve
and muscle in my body and find a
way to make a crippled child walk.

Explore every corner of my brain.
Take my cells, if necessary, and let
them grow so that, someday a speech-
less boy will shout at the crack of a
bat and a deaf girl will hear the
soud of the rain against her window.

Burn what's left of me and scatter
my ashes to the winds to help
the flowers grow.

If you bury something, let it be
my faults, my weaknesses and all
prejudice against my fellowman.

Give my sins to the devil: give
my soul to God.
If by chance, you wish to remem-
ber me, do it with a kind deed or
word to some who needs you. If
you do all I have asked, I will live
forever.

POLLY TICKS...

Hollywood has done again...given us another president!
Again you say? Oh yes! It was the Hollywood hypes who
gave us Ike...remember? But, regardless, we shall survive.
George Bush is our one glimmer of hope.

San Francisco's gay candidates for Supervisor were a real
hoot. Of course, only one was a winner and that was Harry
Britt who was a big winner in that he came up with 4
big years instead of 2. Harry was never really district
oriented, and the citywide rule fits him better and he will
be a good Supervisor.

Lee Hartgrave of the Data Boy Magazine was the biggest
joke of all the candidates for Supervisor. Guess he found
out just how little known he was. Same for Paul D. Hard-
man of the Voice and formerly of Pride. Hartgrave got less
than 6,000 votes and Hardman less than 7,000 and less
than the amount that drag queen mother Jose got in 1966.
That dog Castro didn't help Hardman one single bit. But
Hardman does have a certain amount of class.

And what about poor David Scott? Well, it couldn't have
happened to a more deserving guy. Scott has made so
many promises and kept almost none of them, including
some financial ones from his unsuccessful bid for mayor...
he owes EW alot, and if he has all this bread for sings etc.,
he should pay off those bills to people who have worked
like super slaves for him. Most ungrateful!!! He is very
fipished in politics and his phony liberalism stinks!!!!!!

Fred Brothers began his "Castro Times" we guess hoping
it would make him a gay leader and win an election! Well,
he finished lower than Hartgrave! Who IS Fred Brothers
anyway?

Right next to Harry Britt the big gay winner has to be the
good Dr. Tim Wolfred to the Community College Board.
A fine person indeed.

The big disappointment of the gay candidates has to be
the loss of Tom Ammiano. That damn Dianne-clone Lib-
by Denienheim cost Tom the election. He would have been
a great one for the Board of Education. Maybe next time
out for he has better name recognition.

First timer Paul Boneberg polled in as the fourth highest
gay voter getter in the Supes race. Paul had some really
bad campaign people around him and if he wants to go
anywhere he had best get rid of Dan White's ex-aide as his
co-campaign manager and from his committee altogether!

Radical right-winger and supporter of the Moral Majority
candidate - Dennis McQ. Kevin Wadsworth was the third
highest vote getter in the Supes race. Will gays ever wake
up!!! Wadsworth's supporters seem to have alot of the
gay real estate interests who are guilty of gentrification
exploitation of Third World poor peoples.

Gays are going to have to "grow up!" Gays have arrived
politically and with that political power come other things
such as...gays obeying laws like everyone else. And this
bullshit that just because you are gay you are supposed to
get special protection from the police while at the same
time expect to get away with breaking laws that hets are
not allowed to break. The "hooka" is coming, and there's
not a damn thing you can do about it. With "gay power..."
comes gay responsibility!" So to those cry-babies...grow
up...do it by the rules and you won't have to cry!!!!!!

ARSON ON POLK

The building above, a mere shell, after a five alarm fire ravaged the St. Catherine Apartments on Polk from Fern to Bush Street. As you can see a cigarette sign on the roof urging people to "C'mon Up!" yet there are no stairs, they were burned early, almost preventing people from escaping. But, fortunately, no one was killed and there were a few minor injuries. From what passersby told the various television stations, they observed the building on fire in the lobby area, yet they saw no one trying to get out, they heard no alarm bells anywhere. A couple of people reportedly began throwing bottles at tenants windows in an effort to awaken them to the holocaust that was searing through one of Polk Street's nicest looking apartment buildings. Later it was learned, that this building, which is reportedly own by West Coast Properties, and does not have too good an image with some tenants' groups...it was found that the fire alarms did not work; that the smoke detectors did not work; and that the fire escapes many of them did not go down as they were supposed to do, some were rusted and or painted together. Obviously this tragic fire, which left hundreds homeless, should call for wholesale fire inspections. But the Fire Department is very lax in this area, suspiciously so in some cases. When the fire broke out, on Saturday morning, a heavy fog hung low to the ground, causing the smoke to keep low also. The hour, 3:30 am sent scores of people in their night clothes into the streets in the cold damp fog. The Red Cross housed people for three days only, in various hotles. But the people who lived in the apartments lost almost everything. It was a tragic fire. And the animal(s) who set the fire are on the loose, free to set another fire where ever their sick minds decide to target in on. But, what if it was not a sick mind(s)...what if it was set by, ??? oh well, that could be a whole nother story. The Crusader and the CCNA (Central City Neighbors Association) will keep you posted on this one for real.

HURLEY HOTEL FIRE LEAVES SEVERAL SENIORS HOMELESS.

As reported in the last issue. Halloween was a night of horror for the elderly who lived at 215 Leavenworth Street, the Hurley Hotel. It is bad enough that these elderly women and men have to live and walk in fear of their lives on a daily basis in the Central City's Tenderloin, but now the place they fled into and locked the evils of the Tenderloin(Feinstein product!) outside (the junkies, the pimps, the speedfreaks, etc.)... their refuge was torched by madpersons unknown! But today, the Red Cross it was learned, only housed the elderly for three days, and then turned them out into the streets. The Red Cross is always first to the disasters, but their help is only media-thick, meaning that after the newspapers and television cameras have left, so does the Red Cross.

\$500 REWARD

SAN DIEGO: The search for Danny Nutting went into San Diego this week. Nutting is being sought by authorities in connection with the dissapearance of \$5,000 from a San Francisco disco. Nutting, who hails from Lyndonville, Vermont, did not work at Buddy's a disco in Boston as he has claimed according to authorities there. Nutting's mother told authorities that she still hasn't heard from him. But the authorities now have a telephone tape recording of a phone call Nutting made to San Francisco on Sunday November 9th at 8:30 am. In that call, Nutting all but admitted thathe took the \$5,000. Another person called Levi, is sought for questioning in the matter, as it has been reported to authorities that he and Nutting came into a great deal of money shortly before they left San Francisco. Levi's father was reportedly in jail in Sacramento. Authorities there are also on the lookout for the pair.

BEVERLY REDDING.....

How many cabaret artists have you seen who can step away from the piano in the middle of a number, move about among the tables, then completely leave the room (still singing) and hold her audience silent and spellbound till she returns? Well, that's what I saw a singer named Beverly Redding do one night at kimo's on Polk Street. This takes talent.

The lady is full of surprises. I suspect her fascination as a performer lies largely in the wide range of songs she can sing. Other cabaret artists such as Ruth Hastings and Sharon McNight, have developed individual styles and have built their following on audiences who know what they're coming to see. Redding, however, opts for a different approach.

In the set I saw at Kimo's, Redding moved swiftly from Billie Holiday's "Good-morning, Heartache" to a country and western tune ("I Can't Help Loving You") to the operatic "Summertime" by George Gershwin, during which she hit some high notes and emitted sounds reminiscent of Yma Sumac. (Redding told me that it was she who supplied the bird sounds we hear on record at Disneyland.)

The singer is effectively accompanied at Kimo's by Rick Mays, who has the art that conceals art - - which is to say that he supports his singer without ever becoming obtrusive. That's an ideal kind of accompanist.

From "Don't Cry For Me, Argentina" and the off-beat bluesy "Lush Life," Redding segues into a hand-clapper and a rousing finale with a Jeanette MacDonald type of "San Francisco."

I liked this entertainer. She's a lady to be enjoyed. Kimo tells me she'll be appearing in his Showroom every Friday and Saturday for an indefinite engagement. Drop in and say hello. Beverly Redding is friendly off-stage, too!

"GHOSTS.....FLAWED PRODUCTION!"

A hundred years ago when Nora in Henrik Ibsen's play "A Doll's House" walked out on her husband and children, it was a door slam heard around the world. Wives just didn't do such things in those days. So Ibsen wrote another play in answer to the public outcry. In "Ghosts" he tried to show the effects if a wife did not leave her husband when the marriage was bad, if she stayed with her family merely for the sake of her duty and other people's opinions.

Ibsen may have gone a bit far, from a realistic standpoint, in stating his case in "Ghosts" because he has created a situation in which the sins of the father are graphically visited upon the son. Certainly not all children of a bad marriage, or a dissolute parent, develop syphilis, as does Oswald in "Ghosts." Symbolically, however, Ibsen has made his point. Children do not necessarily benefit if a wife endures and suffers just to hold a marriage together; they may wind up neurotic or, if not syphilitic like Oswald, they may be warped in any of a dozen other ways.

"Ghosts" isn't often produced in the modern theatre, and we owe ACT a debt of gratitude for giving us a chance to see this play. It's a flawed production, under Allen Fletcher's direction, but even though syphilis is now curable and no longer a great tragedy when contracted or transmitted, Ibsen's basic theme - - i.e. that we foolishly cling to ghost-like ideas, old concepts, outmoded theories and moral values - - is as relevant today as it was in the late 1800's.

Anne Lawder gives a restrained performance as Mrs. Alving, without the power and intensity given the role by great actresses of the past. One longs for her to grab the part by the teeth and shake the rafters with it, but she never quite does that. Thomas Oglesby is a bit twitchy as the afflicted Oswald; he creates a bitter, resentful son and misses some of the opportunities, I think, to make Oswald more sympathetic character. Hedoes havsome highly effective moments, however. Dana Elcar is very good as a pastor who has been a family friend, a man bound by moral values and himself frustrated by the very laws he defends. Raye Birk, too, is fine as a local carpenter - - crafty, greedy and conniving. Jill Hill plays the buxom and insolent maid.

Ralph Funicello's st is excellent. The background music which director Fletcher has chosen to employ is distracting rather than mood creating. But I do recommend that you see "Ghosts" anyway. It's a classic by one of the world's greatest playwrights and it may be years before you have the chance to see it again.

"HAY FEVER.....A SUPERLATIVE PRODUCTION!"

In the 20's and 30's, critics labelled the plays of Noel Coward as thin and superficial. In the 40's and 50's they were considered passe. But over the past fifteen years, with constant revivals of such hits as "Private Lives," "Blithe Spirit" and numerous others, Noel Coward's plays have come to be recognized for what they are - - witty, skillfully constructed comedies of manners, as representative of their age as the most delicious satires of Congreve and Oscar Wilde.

ACT has revived Coward's "Hay Fever" for a third season. It's a superlative production, for this is the sort of play ACT does best, with actors who have been trained to speak and move beautifully and to play with exquisite style and timing. Marrian Walters is a comic revelation as Judith Bliss. William Patterson, though a bit too old for the husband of "Hay Fevers" eccentric household, cannot be faulted for his urbane portrayal of a successful novelist. Mark Murphey and Julia Fletcher are properly bratty but still charming as the couple's self-indulgent children. Week-end guests who add their own particularly drollery to the goings-on include Janice Garcia as the timid Jackie, plus several newcomers to ACT's company: Nicholas Kaledin as a dumb but husky jock; Laura Klein as the slinky sphitticate Myra Arundel; and Byron Jennings as the stuffy diplomat Richard Greatham. Deborah Sussel's maid is a bit younger than usually performed but still rudely amusing.

Nagle Jackson has directed impeccably, with several bits of comic business which are inventive and hilariously effective. Ralph Funicello's single set is superb, and Robert

"FOOTLIGHT FRENZY" at the Marines Memorial, starring Diz White and Ron Verman, continues to delight theatre goers. Performances Tues-Fri 8:30 pm; Sat 7 & 10; and Sun 3 & 7. Call 673-6440 for information. A "Low Moan Spectacular!"

Morgan's costumes are colorful, in period and style, and funny. "Hay Fever" is a theatrical treat in every respect, a bit of fluff performed with grace and affection.

DOUGLAS DEAN

"FOOTLIGHT FRENZY.....THE WHOLE THING IS LUNACY!"

If you've seen a production of George Kelly's classic comedy "The Torchbearers," which is about the mishaps which occur backstage in an amateur production, you will probably find Low Moan Spectacular's production of "Footlight Frenzy," not at the Marines Memorial Theatre, delightfully original and hilariously funny. If you have seen "The Torchbearers," you won't think that "Frenzy" is so original but you may still find it amusing.

Like "El Grande de Coca Cola" and "Bullshot Crummond," Low Moan Spectacular's "Footlight Frenzy" is a one-joke idea. Everything imaginable goes wrong with a group of rank amateurs trying to put on a show. They make all the blunders that the most inept performers could possibly make. The whole thing is lunacy, and if you're in tune with the basic concept you'll probably love it.

Best of the performers is Rodger Bumpass who is an absolute riot as a stage manager gone berserk. Ron House, Diz White and Alan Shearman are all good, and Anna Mathias as the kooky ingenue is delicious. I suspect that "Footlight Frenzy" will enjoy their six week run at the Marines Memorial.

"ONE ACT THEATRE COMPANY'S THREE PLAYS UNEVEN!"

The One Act Theatre Company at 430 Mason Street should be commended for its efforts to encourage new women playwrights. Unfortunately, though, the three plays now on the bill at this tiny theatre are uneven in craftsmanship and, while generally well-acted, are not totally satisfying in theatrical terms.

Joanna Glass's "American Modern" must read very well in script form. The writer's use of language is impressive. But long introspective monologues, no matter how literate, do not necessarily formulate thrilling theatre. Wanda McCaddon and Ronald Mesaros perform smoothly as a husband and wife who talk about mutual problems under Valerie Crawford's competent if unexciting direction.

"Scream Your Head Off" by Deborah Rogin, on the other hand, has dialogue which is sparse, believable and comes across as the way real people talk. It is also a very taut, suspenseful little drama about a Viet Nam vet who brings home an Asian prostitute and acts out a scary fantasy with her in front of his wife.. This play's subject matter is not exactly pleasant, but it is the best constructed work on the evening's program. Mark Todd as the vet, Christen Villamor as the Asian girl, and Jean Schiffman as the wife give individually effective performances - - although I think that director Simon L. Levy might have aided Todd in revealing another dimension of the vet's character and thus made the man more pitiable and the play, subsequently, more moving.

Peter Tripp, OATCO's artistic director, seems to have a penchant for plays about dotty middle-aged or old women. Leslie Brody's "Questionnaire" is another exercise in Tripp's catalogue of crazy ladies, and this time Tripp gives us actress Maureen Coyne as a zany creature who keeps to her bedroom and is ultimately join by another misfit (played by Suzanne Voss) who is taking a survey - - and then later by a female Okie type (Linda Powell) a neighbor who is rude, crude and raucous but cheerful. These odd characters are played amusingly by the three actresses, but whether one can agree with the playwright's premise - - which is, I think, that the way to deal with the world's problems is simply to withdraw from them - - is debatable. I don't think I can agree with it. But "Questionnaire" is funny. You can see these three short plays at 430 Mason Street for the next several weeks. I give them a green carnation. TOPMAN is now at the Screening Room...and if the film is 10% as good as the hot hot ad on page 10, it should be a fine film. Especially when you compare it to some of the other pics the Screening Room has had. But there is a flick that has to be a hit merely because of the chemistry involved.....Wil Seegers, one of the stars of "L.A. Tool & Die"; Al Parker of "Inches"; Steve Scott who directed the great film, "Jockstrap" has directed this film, "Wanted." Wanted.....opening about Thanksgiving.

Several new dancers at the Screening Room! The Nob Hill Cinema is still showing that super fine flick "Rear Deliveries." Lee Marlin can make a front delivery here anytime he wants. The Nob Hill is undergoing a bit re-modeling during the showing of the film "Rear Delivery" (not while the film is on screen tho...at night!) Cliff New Man is finished with other projects and is making the Nob Hill look like the film palace of all time. The Nob Hill has comfort... and none of that L.A. - attitude found at a certain theatre whose beauty is only attitude deep. J. Brian has to be making the longest made film in history. When or how will it come out??? Fred Halsted has a "new" film...excuse me, new f-i-l-m! Should be like his others..... t-i-r-e-d!

"WANTED"...a good movie! And "Wanted" to open about Thanksgiving time at the Screening Room 220 Jones Street, has to be good with that cast it holds. Starring Al Parker ("Inches") and Will Seegers ("L.A. Tool & Die"), the film is a gay version of the chain gang film with Tony Curtis and Sidney Poitier. Also stars Duff Paxon, Steve Taylor, Sam Benson (you all remember his!) and Rob Stevens with Jack Wrangler in a cameo role. Produced by Frank Ross and Directed by Steve Scott who brought us that great film, "Jock Strap" currently the co-feature at the Nob Hill Cinema.

CMC B.S.

More "garbage" on the CMC SNAFU! It has been learned that due to the false tales being told by competitor Bob Ross of the B.A.R. and as a result of his tales of untruth concerning the non-involvement of the Rev. Ray Broshears, that a six hundred question deposition will be served on Mr. Robert Ross as a result on the on-going law suit that the Rev. Broshears has against Ross. Ross's lawyers have failed to file certain papers on time already, which Broshears now says he and his lawyers will ask for a "contempt" order on Ross and the B.A.R. (BENRO, Inc.) Ross is being sued as a result of a 1976 article in which it stated in the B.A.R. that Broshears "has left behind him a path of death and destruction wherever he has gone." And it went on to say that Broshears was involved in the assassination of President John F. Kennedy in 1963. Also it stated that Broshears had been "convicted of child molestation." (Which he has never!) So obviously when Ross made his false charges at the CMC Carnival blaming Broshears for everything except the bombing of Hiroshima, Ross had a few things to make him say the things he did. The SFPD says they don't know where Ross or CMC got their information about the alleged involvement of Rev. Broshears, but it is totally untrue. Broshears says he has never even spoke to anyone at CMC or Ross on the subject.

The Mockingbird

WHEEEE! Here we go, for four pages and on these pages you'll be reading a bit and more about the wild wild charges that have been made by the CMCers and their "voices" against the Rev. Ray Broshears who is REALLLLLY pissed off! Dear hearts...blame him for the things he does....(and there are enough) for he is real open and upfront about them...but don't go crying and screaming over microphones before 6,000 people!! Oh yes Massa leatherette LYNN Kieffer...it is most amusing that two days AFTER the words had been said over the p.a. system, now you tell some that "I'm going to go down to the police h.q. and see who it was that made the complaints against us!" You ass...you've already blamed everything on Ray Broshears!!!! Cute! Real cute!!!! See ya in court!!!!

And while on the silly leather boyz...it is FALSE that the leatherette party of one Robert Dunn and that other B&B was "closed on down!" It was NOT closed down! That is false! And as they did so little promo in comparison to past events, and as the other events were in competition...their event couldn't skim all it has in the past...but Mz. Lillie Law did NOT shut them down as the Dunn bird is chirping out! Where's those freaking tax boys when ya need them????!!!!

A H.H. FREE LUNCH FOR OLD FOLKS

Halloween 1980 was celebrated in fine style at the Helping Hands Services luncheon for the older folks of the Central City/Tenderloin area. The affair began slowly, but then, so was the cook, Michael "Pervert" Brown who does know how to please the guests with the delicious cooking he does for them.

Billy Pettit was there to help bring it all together with the Rev. Ray Broshears, the director of the Helping Hands (HH).

The day before the October 30th function, the shopping for the affair was done by Craig, and Billy at a wide variety of place around the city. And the way the cash registers keep ringing, it is a small wonder there was enough funds for this affair. But everything needed was covered by the donations received as a result of the direct mailer by HH.

Speaking of the mailer, the only place to give it a bar! reception was the Trapp and Charlotte Coleman a director of the Atlas gay Savings and Loan lunch on Market Street.

But, with over thirty pounds of fresh ground beef purchased from California Meat, the great bake was underway early Thursday morning. The fabulous meat loaf (almost a quarter pound per person who attended) was served up with brown gravy, corn, carrots, peas, and of course, mashed potatoes. Before that, a three bean lettuce salad was served up, along with much much bread.

There was hot chocolate, coffee, tea, milk and moca on hand in huge quantities for the ladies and gentlemen who attended (all had to be over 62).

For desert there were huge peanut butter oatmeal cookies along with huge slabs of various types of ice creams.

Afterwards, free bingo was played and the free gifts of food were given out this way so that no one left the hall without a gift of some sort. This has been the traditional way of conducting the senior luncheons since the Rev. Ray began them in 1969 long before any free senior luncheons were began in the city by anyone.

A Christmas Eve luncheon and party will be held on the 24th of December at the Christ Chapel dining hall in the Odd Fellows Hall Bldg. on 7th Street where the HH has held one since 1969.

If you wish to donate to this one, please send your donations to: Helping Hands Services, 26 Seventh Street, SF 94103. Make your check to the Old Folks Defense League or the Christ Orthodox Episcopal Church of God. Your donation is federally tax deductible. A receipt will be sent upon request. You may call us at..... 885-1001.

Top row left is the Rev. Ray Broshears serving up the food, and a shot of the elderly present who were playing bingo in this pic. A shot of the Rev. calling Bingo; Billy; Michael Pervert the cook; and a shot of Terrence Hallinan

OPEN DAILY 10 A.M. • LATE SHOW FRI. & SAT.!

3 HUGE FLOORS FOR YOUR TOTAL ENTERTAINMENT!

We don't know who the guy at the left is, but we thought we would run his pic. An interesting pic at that!

NAZI hate phanplets are appearing in the Sof Market area in great quantity again. Sickos!

CMC SNAFU of all time. Those characters changed their place of play at the last minute, and then ran all around getting this and that but failing to try...to even get the most needed permit of all... an in-tenerent show permit??? don't ask me, for that's a new one on me!!!!

But the CMC boss and Bob Ross our arch enema at the BARF flublication put the blame of old ole Rev. Ray..... that's the way they do when they don't want to take the blame themselves or accept the realities of life. Honestly Alice...you don't go running into Ms. Lillie Law's station at the last damn minute demanding permits...there is a real process and you all would have gotten one according to the SFPD if you had applied at least a week earlier!!!!

DON'T MESS WITH MONA!!! She's getting real pissed!!!! Those words from the divine Rayattolah...and it appears unless some big apologies come quick...it could be B-A-D!!! To blame when it's true he doesn't mind...but when it's an fucking lie! Honey honey some asses had best watch out for the hooka may fall on a lot of creeps and the creepo trips. After all... when Rev. Ray does o-ppose something he is out in the open about it...not a sneaky someof a bitch like some of the liars in out city!!! Watch it kids he is pissed and he's not even a golden shower queenerte, but if he pisses on ya, you'll never recover.

Let's talk about some thun nice...the Madam Leslie at your left here had a big birthday bash at the.....

COOKERY on Eddy Street. The Madam is still not 30.... but she is so close dear!

BILL WHITE...shut your lying mouth up!! Stick that up your CMC ass!!!!

Remember...he who fucks last...wins.

Oh yes mz. cmc-fans! There were hundreds of your guests who were wearing nazi symbols on their leather uniforms... and hats! Is that any indication of your political preferences? Calling all CWPers, calling all RCPers!!!!!!!!!!!!!! Getting rough guys? When you tell lies on people it get's a lot rougher....i promise you!!!

PINK MOON at the Venetian Bakery Theatre at Powell and Bay closes on the 23rd...see it quick a very gay musical. It will reopen in December sometime. A most excellent production.

That fairy (Peter Pan) at the left is BILLY Pettit! She's so gay!!!!

PISCES...a bountiful and delicious fish restaurant on Polk (2127 Polk) has food not to be believed. I must recommend strongly the filet of sole smothered in shrimp and wish rice and brocoli. Fantastic! Thanks to the delightful Mr. Al Brown, one of my metro associates who is a most kind person, I discovered this fabulous eating place. Call them for reservations (you'll need them as it is THE place to eat at) 771-0850.

"NUMBER ONE MAN" an art show by the artist who did the poster for the Arena, "Number One Man" will be on the 20th of November, a Thursday and at the Arena. The artist, Robert Uyvani, will be displaying his paintings...water colors...and graphic art works. It will be a treat. The Arena is at Harrison and 9th Street.

STEPHEN SMITH...be on the lookout for Mr. Smith... there is a warrant out for his arrest by Guenter Kausen the realtor. Seems that Stephen who used to manage the Rex Arms took off with a bundle of dough and I don't mean the kind that you can eat. He is WELL known by one DJ at the Endup who did the sound for the Polk Gulch...hear me Peter? If you see him, call the Rex Arms and or the SFPD.

RPBC RPBD RPBC...seems that Le New Man de Nob Hills has the terrible RPBC "attacks" upon awakening in the mornings...he yells and moans for them until his faithful companion Charlie feeds the RPBC craving!!!! Sad, really sad! But an attack of RPBC can be cured.

BEVERLY REDDING...that's her picture below here... is appearing each Friday & Saturday night at Kimo's!!!! There is a fine review of her on page 6 this issue by the fabulous Douglas Dean.

GOOGIES on Geary is celebrating their 3rd anniversary on Saturday and Sunday. You have to go. Hank Cheeke has done a great job there, and the service is always fine. Congratulations Hank. Oh, if only all bar owners were as nice as you are as well as....well, you know! **GOOGIES**, 688 Geary Street...drop in this weekend and have a hoot or two.

KIMO did not shoot J.R.! That's a fact. See did it Friday nite at 10!

REVIEWER BANNED...it is reported that Russell Cox has "banned" a reviewer of this publication and a national publication (Show Biz magazine) from reviewing the shows at the Plush Room because of something that I had wrote about Mr. Cox. Dear dear! How very cheap and how very UNprofessional Mr. Cox! If a columnist in the Cron or Ex says a truth about you, will you stop them (the papers) from having a reviewer over??? How very disgusting and very UNprofessional!! Grow up Mr. Cox...these tactics are childish and certainly not ones to gain business at your Flushed Plush Room!!!

PLUSH ROOM...scandals galore surrounding the Devine Halloween show, for the manager of Devine, Bernard Jay is purported to have swept the handsome lover of one of the owners of the Plush Room, York Hotel right off his feet and all the way to New York. So torrid was or is this romance, that it is reported the rejected and castoff ex went tempers galore and reportedly told Mr. Jay that he could not attend the Devine halloween affair!!!!

But, when Mr. Jay made his counter "promise" it is reported that the one owner of the Plush Room relented and thusly Mr. Jay and his new lover did a return to SF for one nite and to the Plush Room. Off course, this is all rumor, but you know the ole saying... "where there is smoke there is a raging inferno!!!!!!!!"

HEAD QUARTERS
683 CLEMENTINA STREET

LILLIE LAW and some of her sisters in blue paid a visit to one former Honolulu dragette who is now an alleged macho leatherette at a function for those macho men in our town. How gai!

Understand that the self-appointed gay vigilantes the SF Monitors will no longer be doing monitor work???? with the approval of the PD! Right on! It's bac enough that Ms. Lillie Law tells us what to do with out some gang of frustrated S&M creeps trying to shove us around

TWO S&M KILLINGS..... Oh yes, the Okie cops have charged an Army machoette with the killings of two gays in their apartments back in the beantown. A Robert E. Woodruff, 22, was charged with the killings of Raymond Kindred, and John McGrail.

S&M KILLINGS HERE TOO... now if Ms. Lillie Law would only get her respective asses in hi gear and solve the rash of S&M killings we had here, particularly the one at the Winton Hotel on O'Farrell Street.

The former managers of the Winton, and other Kircher hotels were the managers of the St. Catherine Apartments on Polk Street in which everything was burned this past weekend at Bush & Polk. John & Bill their names.

What good does it for someone like Bob Dameron, Michael Mier, Dick Collier, George Banda, Paul Bentley... to mention but a few...to pay the heavy taxes they do for running their big dance halls...when certain people like YOU KNOW WHO'S....go around holding these one-nighters...and pay no real fair share taxes????????? It isn't fair! And most of you know this holybird is not too friendly with some of the names mentioned, but right is right and fair is fair...and these not too nice one-nighters contribute nothing to the community in the safety at their functions for the most part. They are "pirate-operations," and should be either halted or made to pay taxes like everyone else! Fair is fair, and those asses just cannot continue this ripoff of the taxpayers!!!!!!

Oh gads...the top pic in this column is FELIX...sorry guy I didn't mention your name up there. And the guy underneath him is Paul who visited us once again from his Rocky Mountain hideaway! Good to see Paul. And about Ms. Jerry Barron...forget her...she's an ass...you didn't miss anything by not seeing her Paul.

And the pic right above is that of George Mendenballs of the Toklas Demos who made some very untrue charges in the last Alice newsletter and he had best get it correct or else!!!! Maybe Alice will be out on her ass instead of Stonewall or Barbary Coast you ass!!!!

But life does go on and on and on...and we have ole Prez Ronnie now! He and Rev. Jerry Fartwell and the Moral Majority intend to really come down on us but we shall overcome...we hope!

At the left here is Mama Joe Parker...he is putting the Fort Miley Gay U.S.O. Show together for us this year and we do thank him. He promises no blue material and it will be most Christmasy! If you wish to participate...contact Joe at the Cookery, 208 Eddy Street... in person, between 6 am & 2 pm...Tues-Sun only. Have a bite to eat when you do...the food is delicious...right ole PAT? Really Pat...it is, it really is!! Love that food!

MUCCUS WOBBLY? That's what Dennis Coonan referred to his new starmate as. How very Bette Davis Dennis dear!!!!

MICHAEL DID WHAT? Well!! If he did leave the Cray-bird, this bird wants him urgently!! But the big Buce-er sez that the Rev. would need a drill from J.R. Ewing to be able to take all of what Michael has to let go with. It can't be THAT long...can it??? Well, we shall see won't we Michael man!!!!

KSAN GOES COUNTRY! yes that is the good news... the long time "underground" radio station (FM too!) has gone Country and Western!! Hot damn!! It's about time SF joined Denver with an FM C&W station. Have you seen our C&W directory on page 15? If not, do so!!!!

RANDY JOHNSON in the pic at left, is really wild about the NEW Polk Gulch Saloon. Castro comes to Polk!!!! Randy looks so gay in his railroaders hat doesn't he??? How machoette!!!!

MAURICE KLEBOLDT the owner of Clift Travel is working part time as a...ready for this??? a MUNI bus driver!! Well, Dick Skalar his nemesis boss is not too happy about it, so he has given ole Maury "shit hours" to drive in an effort

Maurice is the head of CAPTRANS which a body appointed by the Board of Supes to watch over the mis-doings of the PUC and the MUNI. MAURY...you? a bus driver?? I knew Clift Travel could get you any where you wanted to go...but even on the Muni????

The boy below here is the daytime barhand at the LE DISQUE...his name? BRIAN! He's the former doorone at Buzbys on Polk. BRIAN...how's yore ole friend, Pete? His pic is at the bottom of the column here!!!!

For the record...John McLean did not kill J.R.!!!! Tommy maybe...never John!

Speaking of "Tahoe Tommy" (Tom Lovet Souza) did ya see his pic on page 4 of this issue...a full page???? Tommy is a real fan of singer-danger Ann Margaret and when she was at Tahoe recently, Tommy was there too and sitting at ringside every single night. Tommy is called the gay male Ann Margaret. He did blow some minds and other "things" too while there...when he dated one of the dancers in Ann's show. It blew Caesars Tahoe wide open...for many felt it was mucking futch!!!!

Rumor hazzit that the Sentinel is dead!!

Flea Hategrave received only 5,000 votes in his citywide race/election! tsk tsk! Rumor hzzit that Datadirt is a-bout to make some big changes. In his case...it would be most little tho!

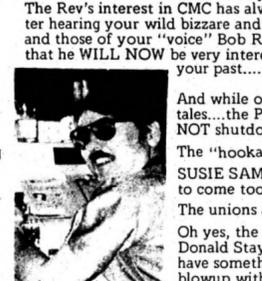

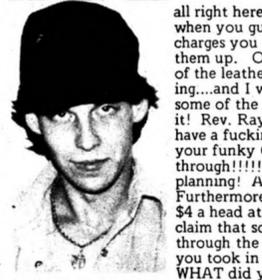

Ex-datadirt columnist Ron Dunham has been seen and heard at the ASS (Alamo Square Saloon). Just hope he doesn't find out about the bar Henriettas too.

Eddie Van...is no longer representing Jerry Grasse. We told you so!!! Miss Kiko and Jerry are working it alone.

Eddie is going to publish his paper soon he says. Well, with the Sentinel in trouble, maybe he has a chance.

Rumor hazzit that Blueboy publisher Don Embinder is a-bout to buy a big dance bar here in SF! Rumor hazzit he bought the Upfront newspaper only to close it and possibly re-open it soon just like he did the Cruise magazine out of Atlanta. Well, the wars between he and the evil Jack Campbell go on. Oh yes...Jack Campbell is now OFF probation his term is up. The owner of the Club Bath Chain was convicted of pandering here in SF...he was trying to solicit a vice cop to work as a... "model" for his agency which rumor has...is not all that "dead."

Ron Larson returning to SF? It is a rumor only we are sure. For Frank Cashman would not like that AT ALL!!!! Ouch!!!!

RC the friendly ole bartender at the Country Music nite of the Marathon Ballroom on Monday nites...at your left here. Sucha big smile!!!!

BOWSER lost a nice person in Michael Pervett! Your loss you dumbass!

KEN HINTON is one of the directors of the CMC.....

JERRY DONOHOE is nother CMCer..... oh yes, the list is so long and you are going to read them when you guys go around making charges you had best be able to back them up. Our mailing list of some of the leather gang is most interesting...and I would have never guessed some of the names that we found on it! Rev. your CMCettes, didn't have a fucking thing to do with your funky Carnival falling partway through!!!! It was your own poor planning! Apologize NOW!!!!!! Furthermore...as you DID CHARGE \$4 a head at the door and you did claim that some 6,000 people came through the door...that means that you took in at least \$24,000 bucks. WHAT did you do with that?????

The Rev's interest in CMC has always been nil...but after hearing your wild bizzare and most untrue charges and those of your "voices" Bob Ross...I can assure you that he WILL NOW be very interested in all aspects of your past...present and "future!"

And while on the subject of false tales...the Pre-tooling Party was NOT shutdown last Saturday nite!!!

The "hooka is coming!"

SUSIE SAMON..your day is about to come too! Wait, watch and feel! The unions are coming to the "P.S.!"

Oh yes, the guy at the left here is Donald Stay...he and Tony Rivers have something in common...a big blowup with Joe White!!!!!!

Donald used to be an excellent hair-dresser. He works as a barmaid once in awhile now!!!! Wonder if dear Daisy ever got to go to Soho in South city. Beware! Less the BLACK CLOUD rain on you!!!!!! And the BLACK CLOUD just may rain of the CMCettes unless they apologize for their tales of falseness!!!!!!

A real giant of the sound industry is Bruce Trondson...but he's so large he'd be a giant in any industry!!!!!!

RICHARD CRAY does he still have his Michael???? Well, I want his Michael's brother!!!! But, if Richard and Michael have really broken up...I'll take Michael!!!!

But, while beauty may be beauty, in the case of one beauty, Michael, it is on-ly skin deep...sucha vicious boy!!!!!! Someday you WILL grow old and I hope you are so wrinkled that you'll make a basket of prunes look smooth!!! That's evil! I know it!! Meant it to be so!!!

Who is this "John Beater" named Todd? Went home with Chuck Fox and ripped him off!!!!!! Todd...why? Fresno make you into that kind of a kid???

Did you hear what Elvis Presley and John Wayne are getting for Christmas???? Steve McQueen!!!!!!!!!!!!!!!!!!!!!!

Oh grief! Cristal's passed out! Someone told her that "Balls" had to be booked!

MURDER ON THE RAILWAY EXPRESS...Charleston Haynes was shot to death at the Embarcadero Hotel near the MCA (we left off the "Y" for most who stay there simply aren't!). Haynes, 28, was a waiter at the Sheraton Palace Hotel and his body was found the last week of Sept., he had been shot several times. Haynes had last been seen at the Railway Express (not the Orient!) where he borrowed \$25 from Dale and ordered a cab to go. The Kentucky born man was last seen in the company of a man who called himself "GYRO" and this GYRO person is wanted for questioning by the SFPD Inspector Erdelatz at 553-1145. If any of you know who this punk is or where he is at...call Inspector Erdelatz quick. This Gyro claims to be from Chicago.

That's TAHOE TOMMY the Gay-Ann Margaret above. Looking good baby!!! Didja see that full page pic of his on page 4??? Nice and hot!!! Good to hear the voice of Guy Strait again. Wish him the very best. Guy has done more for homosexual's rights than most any 100 faggots and dykes around today!!!!!! We wish Guy well and glad he is ok and free again.

yess get paid peanuts and Jimmy Carter didn't even win. There WILL BE a new and concerted effort to unionize gay biz this 1981!!! About time too!!!!!! TONY ORLANDO has a Leo in his life now. Tony is now going firm with a Leo guy who is working at the Bulldog Baths. He must be a real hot dog!!!!!! Or have a big one... hot dog that is...as the Bulldog does have a gay cafe in it. Princess deLeather has a new lover!!!!!! E. Lee Clifton!!!!!!

TOMMY...one of the bartenders at KIMO's house of Hawaiian drinks is always smiling...why!!!! That's him at the left here! "Princess?" La Kish of the Old Bells Saloon was at the Endup yelling at the "terrible thing Ray Broshears had done!!" (The CMC snafu!) The bartender asked who told her so... and Kish replied, Bob Ross!! The bartender merely groaned!! "That blob of irreliability!!!" Kish you asshole!!! Stick it up your kester!! You are a perfect example of if someone like a Bob Ross tells you something you take it as the truth...a typical rumormongerette!!!!

BOB CHARROT...is following in the steps of Ronnie Reagan...he too works for GE! How many of you remember Prez. Ronnie on the ole GE Theatre?????????? But Bobby sez he will be transferring back to the Bay Area to make his bid in California politics soon. Obvious ly he could never have beaten out Senator Paul Lavatue of Nevada who is Prez Ronnies buddy.

Speaking of the walking-kock...it would be nice if some who borrowed dough from him would pay at least some of it back...especially since some have made money off his place and he's no longer there! Black & Blue some people have to get before they remember tho!!!!!!!!!!!!!!

A Dianne Freakstern lookalike is at your left here...but it's the Choo Choo Station on Church's own Allan L.Loyd. He does look like the bitch-mayor doesn't he???

Speaking of Mayor Feinbitch... the rumors of a recall election initiative are growing really big... and i do believe they are not just rumors either. She won't have the gay vote this time we hope.

STEPHANIE a dishwashing bus-womanette at the B-Castle Grand is a busy dizzy these daze. He does have hot looking buns and Ken...keep your big hands off!!!! Stephen is not a woman tho...he is a LADY!!!!!!!!!!!!!!!!!!!!!! Sorry about that!!!!!!!!!!!!!!

DON EMBINDER...looking forward to your visit! Whatcha want???? Oh yes Ms. Larson, do remember the \$225 bucks you owe us in advertising at the old Cabaret when you return to town for a VISIT!!!!
