## SUPERVISORS VOTE 9-0 TO CLOSE Gay Bar

Monday, April 13th will be a day which could be very bad for nine members of the Board of Supervisors, or for Gay people, if the vote of the Board of Supes, to close the second oldest Gay bar south of Market Street, is allowed to stand. The Watering Hole at 6th & Folsom Street, will be forced to close down and forced to sell their property to the City by right of eminent domain, to build a park for children and families of the area.

Other businesses which will be immediately forced out will be new wave arts group, a casket company, all which employ at least 42 workers. The City is spending over a million dollars for the site and park, and this, at a time the City cries that it doesn't have funds for health services or social services.

The Watering Hole, formerly called the Roundup, and before that, the Gas Station, is the second longest running gay bar south of Market, right behind a bar at 11th and Folsom Street.

.....CONTINUED FROM PAGE 1.....

But there is another aspect to this which the Board of Supervisors has refused to look at right now, and that is, this park, being built for children, with its close proximity to two "Private sex Clubs," and to a "bath house" (Sutro Baths), as well as to three places with "adult book store" permits, the Folsom Gulch Bookstore, the Film Festival (right across the street) and the Trading Post, could well cause their closing under the current porno ordinance, which has been declared to be Constitutional by the U.S. Supreme Court.

The Ordinance prohibits if protested, any "adult" businesses within a 1,000 feet of a park, or school is built later after the "adult" business has been granted a permit. Now, the area has the Bessie Carmichael Primary School, and when the Ordinance went into effect, the businesses already in operation, were "grandfathered" in, because they were no protests. But, now, with a new park, the militantly anti-Gay Filipino neighborhood groups could demand that the permits to operate of all the "adult" businesses be revoked as being "dangerous to children."

This particular section of the Porn Ordinance was used to close down the old Laurel Theatre, a Gay movie house on Polk and Broadway, because it was "around the corner from St. Brigid's church and school."

The nine Supervisors ignored the pleas of the owner of the Watering Hole and from the Gay community to proceed with yet another park. The children can play already at a park a block away, on Folsom near 7th a mini-park, as well as the Bessie

Carmichael school itself. There obviously was no need for this park, EXCEPT, to get rid of the various "ADULT" businesses in the area. Voting FOR THE PARK and AGAINST GAYS were: Supervisors...LEE DOLSON

DORIS WARD  
NANCY WALKER  
CAROL RUTH SILVER  
LOUISE RENEE  
JOHN MOLINARI  
RICHARD HONGISTO  
WILLIE KENNEDY  
WENDY NELDER

Harry Britt was "absent" of course, as it wasn't affecting his friends at the Jaguar Bookstore. But Supervisor QUENTIN KOPP opposed the closing, but had to abstain from voting as he represents the Casket Company and the owner of the building. But he did filibuster against it. Board budget analyst also opposed the park, as describing the locale as "frequented by alcoholics, prostitutes (female of course) and drug dealers....because of the nature of the area, traditional park to serve families would not appear feasible."

Supervisor Nelder's father, Police Commissioner Al Nelder, who grew up in the area, wanted the park built also.

The SFPD Vice unit also wanted the park built as a "help" to closing down some of the "adult" operations in the area, which is right next to the new Yerba Buena Convention Center.

As with the Tenderloin mini-park at Jones and Eddy, there is a strong anti-Gay sentiment behind these parks for children. rb

**OWNER OF POPULAR TENDERLOIN BAR FOUND SHOT TO DEATH IN MARIN COUNTY**

Clifford Matthew Santos, 37, was found Friday by a jogger lying in the road near the St. Vincent's School for Boys, north of Marinwood, police in Marin say.

He was alive when he was found, but he died shortly after being taken to Kaiser Foundation Hospital in Marin.

Cliff owned the Peter Pan at 30 Mason Street, and he lived at 4140 Army Street in San Francisco.

Marin Sheriff's stated that it was obvious that Santos had been shot elsewhere and his body was dumped in Marin County.

Cliff had last been seen on Thursday at his bar in the Tenderloin with a drifter named Bobby Lee, who is described as a white male, about 5'7" with black hair and moustache. Lee had only recently been in trouble with the law on another issue. Lee was described as a "hustler" and "would-be biker type."

A business associate of Santos, Mr. Gil Pina, who owns the Ram's Head and Frisco Saloon also in the Tenderloin, had warned Santos about the Lee person who was hanging around with him, but Cliff apparently ignored the warning.

It is reported that Cliff's car is missing and the police have issued an all-points bulletin for the car and for suspect Bobby Lee who is definitely wanted for questioning in the matter as he was the last person seen with Cliff.

If you have any information, contact Lt. Don Besse of the Marin County Sheriff's Department.

To the surprise of many, the Tavern Guild has not offered a reward for the apprehension and conviction of the killer(s) as they have done in other cases in the past.

**Hustler Slain**

**POLK STREET HUSTLER KILLED BY JOHN** Seventeen year old "Donnie" whom the police say was a Polk Street hustler, was found dead in the Santa Cruz mountains.

But, despite the sensationalism of the television news, it may turn out that the victim is not the person whom some say he was. The investigation in the death of the 5' 8 1/2" pale, slight-build latino is continuing.

The Lesbian/Gay Contingent will assemble in front of the federal building at 450 Golden Gate on Sunday morning, May 3rd at 10 AM. Call for time of next PAM meeting.

**Park Opposed**

**ROMAN CHURCH OPPOSES SIXTH STREET MINI-PARK AND CLOSING OF BUSINESSES.**

Monsignor McKenna, pastor of St. Patrick's Roman Catholic Church on Mission Street, got up a petition of over ONE THOUSAND signatures which was ignored by the Board of Supervisors in last Monday's vote to close down the Watering Hole, a Gay bar and build an unwanted park on 6th and Folsom. The Priest stated that the area did not need any more parks and there were not enough children in the area for additional parks. The pastor of St. Joseph's RC Church on Howard Street, stated that his church is in danger of closing, as there are so few children in the area, which is a claim by Supervisor Doris Ward and Louise Renee who wanted the park so urgently.

Also, the senior citizen groups at Portsmouth Sq. stated that the park was not needed either and that the Park-Rec Dept. didn't take care of the parks there.

Hank Cheeke, president of the Barbary Coast Democratic Club is opposing the park.

THANK YOU TO THE GAYS OF SAN FRANCISCO.....

### BIG BUSINESS WINS AT THE CHURCH STREET STATION

The vote to unionize the Church Street Station and ultimately the \*P.S. on Polk, was defeated 26 to 15. For how long this situation will remain is unclear, as the Union, Local 2 Hotel and Restaurant Employees and Bartenders, have indicated that they will try again in the foreseeable future.

### GAY SAVINGS & LOAN SHORT ON INVESTORS AS TIME DRAWS NEAR

The Atlas Savings & Loan of Ms. Charlotte Coleman and John Schmidt has just a few more days to come up with enough funds to satisfy the State of California before they'll ever open their doors. Many question the need of having a "gay" bank, and many object to the current makeup of this particular "bank."

### "WAYNE FRIDAY WAS TRYING TO RUN MY BAR (N' TOUCH)."

That was the reason, Paul Bentley gave for having fired his bartender of six years, Wayne Friday, ex-president of the Tavern Guild and defeated candidate for the Democratic County Central Committee. Up to this point Mr. Bentley has remained silent as to why he fired the very vocal and controversial bartender, but as Friday has been making some wild charges at Mr. Bentley, it was felt that the time for silence was over. Mr. Bentley stated that "Friday thought he owned the bar, made nasty remarks at me in front of customers and employees. He got so that he didn't even finish his work and the other bartenders would have to clean up after him. In addition I had been unfair to the other bartenders by always meeting the demands of Wayne to give him special days of off and hours and it was at the other bartenders expense. I just got fed up with him trying to run my bar. I'm the owner and he just forgot that once too often." Mr. Bentley was quite calm about it, and obviously, those that know Friday, know what Mr. Bentley has said, is most true.

## Living Well on Welfare

by BEVERLY SLAPIN, *Workers World*

**SAN FRANCISCO, April 1:** In an effort to tell our readers *The Other Side of The Story*, we interviewed Senator Richard Diehard Blowhard, who, recently, to prove that welfare recipients "have it easy," volunteered, with his wife, Candy, to live for a month on a welfare budget of \$374.

The legislator reported today that his family made it through the month by cutting out unnecessary expenses like clothing purchases, restaurant meals, and entertainment, and, by the end of the month, he actually managed to save money.

How did the Senator and his wife manage? All it took, he said, was "simple ingenuity and creative budgeting," something which he said "welfare recipients need to learn."

*Workers World* asked Sen. Blowhard to describe how he was able to live on what he call "the dole." His answer: "You've got to cut out some of the stuff you would normally do. Maybe you feel like you would want to buy something a little extra, but you don't. It kind of takes away from your usual way of living, not that I live that high normally, anyway."

"But it did take some doing, what with the necessity of maintaining our lifestyles on a limited budget."

"For instance, when we went to the Budgetcutters Ball last month, Candy complained that she had to wear the same Givenchy that she wore at the Layoff Pavillion. Well, I simply told her to wear her new Saint-Laurent belt and her sapphire earrings, and no one would notice. After all, you can't go around buying new clothes on a welfare budget."

"And take food, for example. On that allowance, we had to cut our restaurant meals altogether. The solution was simply to get ourselves invited to a few state dinners, have lobbyist take us out for lunch, and, of course, keep abreast of the banquets on The Hill."

"Then there was the matter of housing. Since we pay no rent, just a paltry \$3,000 monthly maintenance charge on our condo, all we had to do was postdate the check - - - no problem."

"Transportation got a little more tricky. Since we had no chash for bus fare, we had to depend on our chauffeur, our Lear Jet, and, when we explained our predicaments to the Vice-president, he let us borrow Air Force Two."

"Adequate health care got a bit difficult, since our family doctor, Buck Krankheit, does not accept Medicaid. But then we researched the legislative calendar and found that an AMA-sponsored bill to raise insurance-paid fees to doctors was coming up, and we figured a "yes" vote would cover a month's health care. So there you have it---bartering instead of paying cash."

"As far as entertainment went, we had to cut out the movies, so we substituted polo, tennis, and golf at the country club."

And by the end of the month, Senator Blowhard managed, not only to live frugally and creatively on a welfare budget, but, in addition, actually saved \$6.82, which he promptly invested in Blue Chip stocks.

"It's entirely possible to live well on that amount, if you use your imagination," he reiterated at the end of our interview. "Really," he said, "I don't know what all those welfare mothers are complaining about."

## EDITORIAL:

A white man is robbed by a black man and the white screams out, "fucking niggers are all no good." A black family is tossed out of their home by a white real estate speculator, and screams, "White honkey trash asses." .....This is EXACTLY what "The Man" wants each to do. The Man...who is The Man? Well, the Man is the one who creates inflation. The inflation which is setting the nation at odds...whites against blacks, visa versa. This is exactly what The Man wants. When a people are hungry, and they don't have a job nor any real hopes of obtaining a job, just what the hell do you expect them to do? Rob, that's what, rob! The Man knows this, that's why The Man wants to build bigger and better prisons to hold more people. That why The Man wants more police to arrest more people. Crime is not the problem is the U.S. today.....employment is the problem and the lack of it. Even our petty little government here, a Board of Supervisors goes along with what The Man wants...appropriating more funds for more police (and even closing down small businesses to build unneeded parks, causing people to lose their jobs....ever see a park feed someone? ever see a park give medical care to someone? ever see a park clothe someone? 9 stupid supervisors did Monday last!) And do any of you think for one minute that the money for more police is going to cut down on crime? You bet your bottom dollar it isn't! The police are basically being hired by The Man (Feinstein, Molinari, Renee, Dolson, Swig, Lurie, Belli) to PROTECT their property and keep YOU the people in your place and OUT of their place(s). The answer to the crime problem is not more police, but more jobs...and NOT wars in El Salvador either. Wake up my dear friends, brothers, sisters, comrades...stop letting The Man USE YOU! rev. ray broshears 4/15

# FAMED TRIAL LAWYER RETIRES ~~~

Photo by EDDIE VAN PHOTOGRAPHY.

## B. J. Beckwith

Dr. Eugene Prat, chief of staff to U.S. Senator S.I. Hayakawa makes a presentation to B.J. Beckwith, of a rare book, this after Beckwith was named to the Republican Central Com.

Lenore Cautrelle, SF personality and fan and champion of the famed trial lawyer after one of his many courtroom victories. She used to attend his jury trials.

"IN BED WITH THE LAW!"...B.J. Beckwith. SAN FRANCISCO, April 7: Today, famed trial lawyer B.J. Beckwith left San Francisco in retirement to his farm.

B.J. Beckwith was admitted to the Texas Bar Association in 1959 after having graduated from the University of Texas Law School. He was admitted to the California Bar in 1967. Having moved here nearly 21 years ago.

Beckwith, 48, a member of the old Society for Individual Rights (SIR) and a founding member of the Pride Foundation, and a founding member of the Harry S Truman (now, Barbary Coast Democratic Club), spent his years here in San Francisco making "life miserable" for the members of the San Francisco Police Department, with his many many court victories over the police.

B.J. Beckwith didn't stand very high physically, (but 5'8 1/2") but in the courtrooms of northern California, he stood about 30 foot high, for he was a winner, and very few lawyers can say they have won as many criminal cases as has B.J. Beckwith. Many a person walking the streets of the nation today owe that freedom to B.J. Beckwith. Beckwith was "pure hell" on those that riled that Texas temper of his. He smiles alot, and with the thinning red hair and freckles and robust look, made Beckwith an easy person to relate to.

But Mr. Beckwith did not always return that feeling to those whom he seemed to have an instant distrust for, and he was seldom ever wrong. His long slow Texas drawl sometimes just about drove the assistant District Attorney's (and some Judges) up the wall. He was always very pleasant in court, until, the D.A. makes a move that Beckwith felt was "out of order" and then the smile disappears quickly, and his voice sharpened and quivered and he would say, so softly, "Your honor, I do believe my learned colleague has made a mistake." And when the judge ruled in Beckwith's favor, as most did, for he was nearly always right, Beckwith's smile returned and he would say, "Thank you your Honor, very very kindly."

Many attorney's say they enjoy watching Beckwith in court, in that he was one from whom anyone could learn something from, as they always enjoyed his courtroom dramatics."

B.J. Beckwith was the only Gay attorney in the first Gay Parade in this city in June 1972. B.J. Beckwith won several landmark decisions and concessions from the courts and the police as well as the District Attorney.

Beckwith never lost a client to state prison for any sex offense, and he handled over a thousand and how many lawyers have that kind of record? Beckwith filed and won suits on behalf of Gay rights causes with Pacific Telephone, the police regarding V.D. Quarantine holds, and on and on. We all will miss B.J. Beckwith, attorney at law.

The "Texas terror" B.J. Beckwith (far right) is shown in a courtroom scene regarding Pacific Telephone in 1969 with SIR president Larry Littlejohn and David Clayton (center). This decision allowed a homosexual organization to have a listing in the telephone book as such. This was but the first of many B.J. Beckwith victories over Pacific Telephone.

The noted Gay Trial Lawyer was the only Gay lawyer to ever go "into the streets" to protest the mis-deeds of the SFPD and the unfair laws of our city and state. Here he is confronting Mayor Joseph Alioto in 1973 along with barber Bob Cramer at a picket protesting a movie.

# ENTERTAINMENT

(CARL'S FOLLOW SPOT....continued from page 9.....David Reign review.)

story high room, with mammoth picture windows offering the great, glowing city spread out before you, has DAVID REIGN thru the 17th of May.

Winner of the Cabaret Gold Award each of the past two years, as the city's top male vocalist, this extremely polished and highly professional singer who proudly proclaims his love for his hometown, can just about break your heart as he intimately croons a sad love song, then turn around and just about break your eardrums as he belts out a rousing ballad.

Actually, he's almost like hearing two different performers: he sings not a few of his numbers in French, and when he does, personality as well as style changes perceptively: clean cut, boyish American, suddenly becomes filled with suave Gaelic charm.

Warning: Reflection is expensive! \$3 cover on week nights, \$5 weekends and definitely not the place to drown your sorrows in multiple rounds) but not unduly so, when compared to its peers (Top of the Mark; Crown Room; and Equinox.)

The combination of the singer and the room, make it definitely worthwhile for the "big splurge" evening.

## "A.C.T. .... Wherefore art thou?"

PUBLISHER'S COMMENT:

For nearly two weeks now, we have been reading of the antics of the head of the A.C.T. (American Conservatory Theatre) in the Chronicle and the Examiner.

In both papers, Bill Ball, the ACT's general director, appears to be talking not only out of both sides of his mouth, but under his breath and from beneath the shirt collar as well.

San Francisco's theatre goes do not deserve this type of treatment by ACT which borders on contempt.

San Francisco has supported ACT, to the tune of millions and millions of dollars, from a myriad of sources, the hotel tax, donations from local corporations, as well as subscriptions and sales, not to mention the state and federal monies.

For those of you not aware of what is happening, ACT officials have made vague "threats" to "yank the Company out and go on the road." This is most unfunny Mr. William Ball! And until such time as Bill Ball and this group can get their act together and stop this game they are playing, we feel that the Board of Supervisors should request the Mayor and the Chief Administrative Officer, to hold up any further hotel tax funds to ACT.

ACT, when it first came to town, was a most pathetic group, but through hard work and promotion, the city and the company fell in love with one another, but now we wonder if it was only the hotel tax money they fell in love with.

Ball has set May 15th as his "day of decision!" So, we should set now as the time to halt any and all hotel tax funds to ACT until such time they agree to stay in San Francisco as long as we support it.

ACT is NOT locally owned as some have believed. ACT is an independent corporation which owns the Geary Theatre, but, six of its board members are New Yorkers, two Los Angelenos, and one in San Diego but only four in San Francisco and they are employed by ACT!

Don't play games Mr. Ball, wherefore art thou's head at? Are you playing games? Are you playing for more bread? Whatever, it appears to be a cheap shot, and certainly, San Francisco does not deserve this type of cheap, shabby treatment. ray broshers

### "INTERESTING EVENING OF THEATRE!"

The One Act II is offering a new series in this Playwright's Theatre: "Arizona Highways" by Ronald Meszaros, and "Eye Exercise" by Martin Russell, along with "Djnosaurus" by C. D. Arnold.

The first, "Arizona Highways" a light comedy about being stuck in an Arizona desert, beat, when a car breaks down, develops rather interestingly into a moment of truth between two sisters (one had married the other's boyfriend, years before.)

Highlighted by LINDA D. POWELL and SUZANNE VOSS' fine acting, it has much charm.

"Eye Exercises," though well enough written, is rather a now passe rehashing of the Orwellian idea, that 'Big Brother' is there watching. AL PEREZ adds much interest as a very believable voluntary indigent. Well educated, and once successful, he feigns inability to read... "illiteracy is the only defense against the fine print." Kookie, but strangely believable, he adds verve otherwise lacking.

"Dinosaurus" is listed in the program as taking place in the present, but seems more reminiscent of the late '60's wit with its theme of withdrawal from real life, one character, a "head", who is "burned-out" from drugs, the other, an over-age hustler, with pathetic delusions of grandeur. There are decidedly fine moments in this play, but I failed to believe there was any true underlying love, or need for each other, in these and without, in these two.....the play loses most of its strength.

An interesting, if not great evening of theatre, and the price of admission, \$3.50 can't be beat.

Bob Babish, Roberta Callahan and Charles Dean appear as a working-class family faced with death in "THE SHADOW BOX" at the Berkeley Rep.

good-and-people-are-worse" is a downer, only, in that it becomes tediously boring.

However, much is redeemed by JUDITH MARX, as the jet-set-sluttish ex-wife of one of a pair of gay lovers. Whenever the stage is hers, things sparkle as, funny or pathetic by turns, she alone enlivens the otherwise dead proceedings.

### "THREE DULL SISTERS"

Chekov is an author few feel neutral towards. One either admires him outrageously, or finds him crashtingly dull! (Guess which side I'm on?) ACT's production of his "Three Sisters" rates four stars on production values (acting, directing, sets, costumes, etc.) and less than one for a tedious, overly long, and tiresomely repetitive script. To show us characters who are bored is one thing, to show ones who are boring, quite another.

### "YET ANOTHER PLAY ON DEATH.....BORING TOO!"

And now for yet another play on facing up to death.....with sincere hopes from this corner that it will be the last.

"The Shadow Box" (at the Berkeley Rep, call 841-6108 for info) while ostensibly about how three vastly different people face impending death.....is, more subtly, about the deep-seated need for love in each of it's eight characters. Unfortunately all eight are so unsympathetic, and blatantly unloveable, that I felt no pity, much less empathy, for a single one.

An unrelieved diet for two hours of "life-is-no

### PUBLISHER'S COMMENTS: CABARET GOLD AWARDS and the CRITICS CIRCLE AWARDS

This is one of those items which makes our resident Theatre Reviewer, Mr. Carl Driver just cringe. He, being "mr. Nice Guy" and me, being "Mr. Outspoken" sometimes causes Carl some anxious moments, but what I have to say about some of the so-called wards must be said, now, before they are harmed, or at least their credibility.

Recently, several Reviewers/Critics received their ballots in the mailed for the election of new officers for the Cabaret Gold Awards group. Now, that in itself seemed nice but, it really wasn't. For the same cabal of people, not notifying anyone who might object, or suggest their be competition for offices, got together and sent our the Board of Directors "slate" of recommendations.

The Gold Awards, gave an Award for best Cabaret last time to the Plush Room, and of course two of the "Mr. Bigs" in the Awards are also financially connected with the Plush Room. The same goes again this year, only the heavy face of Douglas Dean Goodman has shown itself, this being the man who used to say he couldn't stand Russell Cox the owner. The Gold Awards face a loss of credibility if they do not change rules and clean it up.

The same goes for the Bay Area Critics Circle. Held for the second dismal year at the Herbst by the president for the last two years, Douglas Dean Goodman. They lost money, how? Only the lavish spending Mr. Goodman can explain that away. But the first year of the Awards, they were held at the Golden Gateway Holiday Inn on Van Ness Avenue, and they were colorful and dignified. Which way are the Awards of both going? You the readers DO HAVE THE RIGHT to be concerned!!!

HAYFEVER.....not the kind that gives you the miseries, but the kind that give you great happiness and joy....with real country music. HAYFEVER is currently playing here and there, but will be back at LE DISQUE soon and possibly as a new band at the DEVIL'S HERD....one thing, they are lot better than some of the bands currently at the DEVIL'S HERD. HAYFEVER....catch it and you'll love it....country style, oh yea!!!!

LARRY GATLIN and the GATLIN BROTHERS BAND will be at the Concord Pavillion on Saturday MAY 2, at 8 PM. Price of admission is \$9.50 for reserved seats and general admission for the lawn is \$6.50.....you will enjoy yourself with Larry and his brothers, stars of the Grand Ole Opry.

BLUEGRASS NIGHT with Square Dance caller and teacher on duty is the bill of the day (night) at the TOWN HOUSE, 5862 Doyle Street in Emryville on Tuesdays.

If you are going up Santa Rosa way, stop in at the EL RANCHO TROPICANA for this place has been having some heavy duty country bands lately. Give 'em a call at 495-3656.

DON WILLIAMS, star of the Grand Ole Opry and a man who has had many hits on the best seller list ("You're My Friend, My Best Friend") and so many many others, will be at San Francisco's own WARFIELD THEATRE on SATURDAY, May 23, at 7:30 PM.....tickets are \$9.50 and \$10.50. This in association with KNEW radio. On Friday before tho, he will be in San Jose at the Civic Auditorium too. DON WILLIAMS, don't miss him, for you'll hate yourself if you do.

THE BANDITS will be back at the LE DISQUE on Sundays, April 19th and 26th.... at 4 PM. You have to see them to believe them.

We have been informed by DICK NELSON of Le Disque that last Sunday, the place was o packed with hot men that they almost had to call the fire department to keep them cool.....oh so that's how it is??? Well, those country music ads in the Crusader do pay off then, don't they dear? He'll never admit it, not in a thousand or more years. But glad that the house was packed for HAYFEVER.

The GOLDEN GATE OUTLAWS are back on board at the DEVIL'S HERD on Monday nights. you really have to give these boys a listen, for they are something else.

Oh yes, dance classes are still being held at the Devil's Herd, give them a call at 285-7911 for dates and times. But I don't know if they are doing Square Dance classes or not for all those clogger fans of you out there. Call 'em!!!!!!

The HIGH COUNTRY SINGERS, a real super bluegrass band plays on occasion at Paul's Saloon. They are a must to see and hear. Best in the Bay Area.

Country tape is still the order of the day and night at both the CINCH and the RAINBOW CATTLE in addition to the RIVET on 9th St. But live is best and it is live on Friday and Saturday nights at the FRISCO SALOON, 60 - 6th Street with the fabulous Glenn Smith and the MAVERICKS, a real country sounding band.

Oh yeah folks don't get too excited over the so-called "country music" festival up at the Russian River this summer. If it continues the way it is going with it's "backers?????????" they are going to a really big flop. So save time, money and gas and go to country music bars right here in San Francisco.

Some goes for the so-called Gay Rodeo...they are going to have a country band, but for \$25 a head???? Forget it!!!! Spend your money where it will get the most mileage!! And if you hear a certain female country singer running her mouth about the Gay rodeo, just remember....she is getting paid to do it....the politics and other things connected with it just don't concern her in the least....she's got hers.

It is a shame that money has to get in the way of what is right, but that is politics in the big city. That is why we don't mention the name of a certain band here because their boss bad mouth's us, and we don't need it or her, for real.

The Crusader has played a significant role in helping along country music in the gay community and for that we are proud indeed, for we love C&W

and for that we are proud indeed, for we love C&W

and for that we are proud indeed, for we love C&W

### ROCK MUSIC AROUND TOWN.....

Pictured at the left here is "Conan" a former country rock singer now rocking hard these days no longer country. He has a record out called "Heart of the City" which will be out in an album later, but the 45 is now on alot of juke boxes around town. The 45 is available at Aquarius Records on Castro, and Record Finders on Noe as well as at both stores of Recycle Records on Grant Avenue and on Haight Street. Seems that the younger punk rock and hard rock crowd do like his disk, "Heart of the City" as well as the flip side, "Aberdeen". But I don't but being a C&W music diehard, what would I know about rock???? The album will be released in June, and was recorded at Oasis Studios here and re-mixed at Sound Studios in Edinburgh, Scotland??? Oh yea, it is an international sound for sure. Conan had an excellent album out called "Tell Ole Anita" which is a classic gay lib record, and it is still available. Buy it soon.

The reasons why: they are not simple flag races this year, for sure. But, the Oakland A's could change that AL-West race and take the whole cake, particularly if they can make that one trade which will bring them the stopper they need. The Angels, power aplenty but no pitching, just can't beat out the Royals or A's. The most improved team in the AL West has to be the Chicago White Sox and they could be a dark-horse...don't laugh. Not when you have Fisk and The Bull on a fine pitching team like that.

The AL-East is a jumble, but it will be the experienced team of Earl Weaver and his Orioles and Eddie Murray, the next super star doing in the money of the Yanks. But Milwaukee could pull a sneak and pass the Orioles, but they are short on brains in the manager's seat. It is a shame that a heart attack sidelined their best.

The NL-West is Houston all the way and if the pitching goes the way it appears, come October, the other five teams will be eating dust and mud. The Atlanta Brave could be a real big shocking surprise. The Dodgers are too old and too weak in pitching. The Giants are a darkhorse team.

The NL-East is difficult, for it appears that Montreal should give the majors their first team outside the United States a pennant, but the Phillies are a question mark, particularly when they sold The Bull (Lusinski) to the White Sox... you just don't dump a forty a year home run man and not notice it....besides, Carlton is getting very old as are ones like Rose, etc. The Cardinals could be a real shock team with all the trades they made bff season.

The NL-West will have a real shock when the Ohio River boys fall flat on their asses and maybe, all the way down to the bottom past the San Diego Padres. Just you watch and see.

Pitching is still the name of the game, and the Royals, A's, Astro's, Orioles, and Expo's all do have it, and the Brewers and Cardinals and the Chi-Sox are no slouches either. October is a long way off, but when it is all over, the Big Flag will be flying inside the Astrodome in Houston....even without J.R., and Morgan.

BARBARA, the mother of the late DALE SCOTT, the former manager of the RAILWAY EXPRESS in the Tenderloin gave us a call, and it was most revealing too! Her son DALE who was a very nice person, dies as

many of you know, after an accident. And his mother wishes to thank all who helped her son, and for all the kindnesses shown both her son and herself by the Gay community people who came incontact with her and her son.

In addition, Barbara told us something that we found quite interesting.....and that is, that a fund was created, donations etc., by the Railway Express people, but that she nor the cemetary people have never seen one single dollar of it. OK out there in radioland, just who did the fundraisers????.....and just where did the funds raised go to??? If you know, let the Crusader know, as we have the address of Dale's mother, and she would like to know herself. That is not very "gay" out there kiddies!!!

Who is that MUNI CABLE CAR thing who makes passes at the boys??? Could it be the nasty BOB HAGEN.....soundly defeated candidate for stupidvisor????

JESSICA GLASS is a classy dragon.....right Tall Bill!

Seems that a second consecutive disaster has happened to the throne of the Empress...first Messie and now, Not-So-Pissy-Pillis. And it seems that Pissy-Pillis gave court certificates to ALL of the Council of Grand Dukes and Duchesses EXCEPT one! And that ONE was a real worker for Pissy-Pillis too!!! What can you expect from an impostor to the throne???? Will the throne survive two losers in a row??? Ask GINGER!!!!!! Better yet.....wait and see come January '82!

What's this??? BOBBY PACE has left The VILLAGE and gone to the NEW BELL????

KENNETH WAYNE STAFFORD turned 21 on the 11th and he was given a gift from the Rev. Ray????? Tis true!!!! He is a very handsome young man too..... seems that he does NOT like SARAH LEE SALMON fishy???.nor the rest of that crowd.....and what he told Rev. Ray ABOUT THEM.....ho ho ho ho, just you all wait.....there is something coming down the turnpike!!!

The ENDUP has two of the ruddet and worst bartenders ever.....and AL hired them of course.....GLENDON who has the personality of a piss-ant and PETE who you all remember from so many many many bars!!!!!! Oh yes.....AL is running the bar again.....alone!!!!!!

GRETTA GRASS our beloved ex-Grand Duchess got wholped in the head (while in full drag) outside of McDonald's on Van Ness by four metettes. Poor GRETTA now has 17 memories of them in her beautiful heart. Rumor hazzit that the nurses and docs at the Kaiser will never be the same after a visit by GreTTa. Get well dear GRETTA! It really is a bitch that a person can't walk the streets safely anymore!!!!!! Right TRACE???

.....At your left here is famed Gay trial lawyer B.J. BECKWITH.....who has retired and moved back east after 21 years in SF. He will be missed (see full page story and pics on page 7 this issue). He says that he still has some unfinished business here and will return soon, and take care of it and or them. He also indicated that he will return to SF on an irregular basis to "handle things."

The famed gay liberationist lawyer had his last year here marred by the evlness of a Robert Graham who harassed him on the phones as well as by a Greg Lake and also he says by another ex-client whom he kept out of prison..... a "priest" in Berkeley....Lawrence Gerard Smith. B.J. has told us many things now that he no longer lives here in California and we shall be sure and follow his advice and use what he has revealed for the benefit of all the gay community as well as for various legal situations.Thank you Mr. B. J. Beckwith.....you were the very best.....even if the assholes here didn't appreciate all that you did.

Is it true??? BILLY PATTERSON got canned from the Ganglessway???? Tis true and rumor hazzit that the reasons was one of the reasons that some want gay bars unionized.....and in his case....it was NOT money.

Didja hear???? PIERRE quit the WILD GOOSE???? Hammmm!!!

AND, LENNY LYNN is there now full time too!!!!???????? The Goose is real wild now!!!!!!

Understand the Bluecoats at the Northern Station are really pissed at some of the lies being told about them.....and this could be very bad. So.....if you have charges against them.....let us get on with it and let us charge them guys!!! That is..... if your stories are true???????? The letter in another fag rag does not have a sound ring to it tho.

Didja see??? We have three pages of Theatre/Entertainment now???? Oh yes, pages 8, 9, and 10. And almost a full page of Country music news and gossip and events on page 11???? Yes, the Crusader was the first and is still the only gay paper that promotes country music. SOME PEOPLE will learn that the hard way I guess!!!!!!

The bombing of CAPRICORN COFFEE on 10th Street was really a most sick evil act. Capricorn is owned by one of the nicest and most gentle people in SF.....HERB DONALDSON. Understand that some retired SFPD Officers are even investigating this one and whoever did it will be caught and PUNISHED SEVERELY!!!! (I hope!) It happened sometime Sunday morning from what the news on 5 said.

Oh yea.....the skinny guy above??? that is BILLY Petit... and he was a nice guy too!

Talked with a guy who knew the 17 year old kid who was picked up on Polk and later his body found down in Santa Cruz...he said that DONNIE was a nice guy.....but he was having problems with his "ex." So.....just as a guy who picks up a hustler can be killed as in the case of the owner of the Peter Pan.....sometimes, the hustlers are killed too!!!! These are reasons why we need the old "call boy" businesses or "models/escorts."

GARY from Michigan and JIM from Georgia have moved north of Market.....good move too. That GARY is a very good looking man as is JIM...but GARY is really biiiiig....if you know what I mean. I wonder if there are anymore at home like him????? Hope they come out here.

Understand that a certain realtor who made some very racist statements which have caused no end of grief...has been busted by the FEDS!!!!!! And it is all over taxes!! DONALD LIPPER.....have a nice visit to Leavenworth datlik!!!! Now, let's see who is next!!!!? Pride.
