## CURB SERVICE

"CURB SERVICE" by Bobby

Last week I picked up this French guy real late at the airport. He said he was in N.Y. and was at the Hilton and wanted to bring this fellow up to his room. They don't allow unregistered guests in the rooms, but it didn't apply here in San Francisco. I said only the Cliff Hotel. And I once had a tour and had to meet that couple in their room. Also the Hyatt Regency wouldn't let me go up, so as far as I know they are the only two hotels in San Francisco that won't allow non-guests in rooms. When he arrived he had no reservations. The Hilton was full and the Regency. So off to find a hotel convenient for him to find a guy for the night, because the next morning he was off to L.A. We stopped at 15 hotels - all full, and by then it was 2:00 A.M. I said, "Stay with me, I live alone and I'll be your fellow for the night." Well, he stayed 5 days and I made what the hotel and guy would have got. He cancelled his trip to LA. I felt like a tourist with him, plus showed him the "native visit" of our city. And... I learned a little French. He left a much wiser and happy fellow and out of all his cities in the USA, he will never forget San Francisco. Again, I went beyond the call of duty as a taxi driver and gave good will. Next year, I go to his place in Paris, I hope.

CURB SERVICE cont. on page 10

August is the worst month of the year with traffic and the most tourists are driving around the City. They should walk. In one hour time I saw 7 cars to down a One-Way street. I am driving up Taylor and I make a right-turn on Pine, and I'm going down a One-Way street. Of course, I got a ticket. One cop I couldn't persuade. Then he gave me another ticket for bribing him. I didn't offer him money -- only myself. I guess I wasn't good enough.

I saw two Toyotas in front of me. The first one was a lady, who just cut off the man behind her and pulled into a gas station. As she pulled up to the tank he followed, got out, unlocked his gas cap. She didn't have a lock on her gas cap so he went over and put his cap on her tank, locked it and walked to the man-hole and dropped the key in it, smiled and drove away!

If you want some good seafood and plenty of action, (I don't mean Navy), cruise between Beach and Hyde all the way to Jefferson and Powell and all through the Wharf. So many people everyday, this month especially, lying in the park by Ghiradelli Square and the Maritime Museum. Go toward the pier for the nudes.

I have a friend, Tony, who is a doorman at a big hotel downtown... one of the clan. This hotel hired a new doorman a few months ago to work with Tony. This new guy was parking a guest's car and I was picking up a fare and he told me to rush to the hotel. Tony wanted to talk with me. I got there in 15 minutes later. Tony had left hours before, but it was this new doorman who wanted to take me out. He is O.J. Simpson's brother.

Anybody wants a walking tour of the City or anything, please contact the publisher of this paper and I'll be glad to do it - for a small fee and lunch or dinner (or whatever you could afford).

Everyone is raving about a new gay bar that opened. I haven't dropped in there yet, so I can't tell you what it's like. Anyway, I don't even remember the name, with so many gay bars already. What's one more?

CURB SERVICE cont. on page 10

TONY MICHAELS and PHILIP TOBUS appear as the dynamic duo of the Midnight Cowboy and Razzo Rizzo, and return along with Jim Reiter in their popular beach boy roles.

Also appearing in the BEACH BLANKET BABYLON company are Bill Kendall as Mr. Peanut, with feminine pulchritude provided by Lynn Brown, Glenda Glazier and Fran Moltoza. Joining charter member Roberta Bleiwess is Kirk Frederick in the well-known portraiture of M&M plain and peanut chocolate candies, as tumbling tumbleweeds, and as the dancing Santa and Christmas Tree.

Choreography for the revue was executed by Steve Baumann. The producer is under the musical direction of Michael Baigi with the orchestral french poodles conducted by Michael Ashton.

The entire production is created, designed and directed by Steve Silver.

THE SIXTH ANNUAL "ISADORA DUNCAN Memorial Picnic and Wood Nymph Romp" at Mt. Tam, on Aug. 24th should be a "romp" that'll really lay you back! A fun and mellow day overflowing with good, beautiful vibes!

DID YOU KNOW DEPARTMENT: That Children's TV shows feature violence every 3 1/2 minutes? and that the average person pops 77 aspirins a year, for a total USgulp of 17 billion tablets? It's enough to give you a head-ache! and that our U.S. Senators pocketed \$1,000,000 last year for simply making speeches? and that Col. Sanders is going to open a huge national chain of "Chicken Coops" that will actually rival Henklein, Inc. (they bought him out in 1971). Henklein, I understand is madder 'n a bunch of wet hens. I think it's funny... watch out! McDonalds!! and there were 88,3 million free bibles distributed in America in 1974. 245 million were given away all over the world. Isn't that comforting? and us Americans spent \$298 million dollars worth of Life Insurance last year? OK, emu is emu!

Y'OTTA CHECK OUT THE "BOOT-CAMP on Sundays for hot cruisin' and hot chicken (not that kind, Virginia!) They've got two buffets working that day... one at 5:00 and again at midnight. Can't think of a better place to fill your mouth and have a good time at the same time!

NAMZ FROM A TO Z: Welcome back home, Michelle. You're a gorgeous as an orchid... I love you! Good to see Bob "Patty" Page out of the hospital. Have you seen Marcus' name in "Lights" on the Sukkers Likkers marquee on Polk Street? (He's going to be roasted at the "No-Name" this Sunday at 5:00 PM, and I wouldn't miss it for anything!)

ACME BEER'S NEW BREWMASTER does in deed have his shit together. There's a definite and delicious difference and it's truly a premium beer. (end of commercial...)

A WORD TO THE WISE. Ya know, the "Mary-Jane" law ain't in effect yet, and is still illegal. Folks should have enough consideration to keep it out of the bars. You're compromising a \$15,000 liquor license. So... why not walk it around the block? The air'll do you good....right?????????

SPEAKING OF SMOKING..... Take a tokie and a hit and see the new Shipton and Johnson's "ICE FOLLIES" at the Civic Center Auditorium, until the 30th. And then, do it again for the "RINGLING BROS., - BARNUM & BAILEY'S" Bi-Centennial Spectacle at the Cow Palace. This year's the Blue Company, which is better than last year's Red Company... and you'll know why when you get aboard of Gunther Goebel-Williams. Ummmm-gooood!

"THE OTHER SIDE!" is a new and hot creation about ready to blossom at 24th Street and Sanchez. That very hot and beautiful Christopher Priestley's going to set trends in S.F. like we've never seen before. (And you'd better get well soon, kid!)

WOULD YOU BELIEVE... That Bobby the Cabette won the CHAMBER OF COMMERCE'S "Cab Driver of the Year" Award in 1973? Well... it's no wonder!

THAT BEAUTIFUL DIXON AND LA KISH won the "King & Queen" of the Saulleys this year, and deserve it, they do! Congratulations to two dear friends!

IF YOU'RE INTO GOOD ROCK, get thee to Marx Meadow in Golden Gate Park every Sunday at 1:00. Some of the finest rock bands in this city perform for your pleasure for FREE and believe me, FREE is a pleasure!

TRY TO CATCH THE MIMEST IN Union Square next Thursday, Friday and Saturday (28th, 29th & 30th). His name is Tim Eric and he starts at noon. He's excellent!

WANT A FREE TICKET TO THE "Casualty Capers"? All you have to do is give a pint of your precious blood to the Inter-Club Fund out at Irwin Memorial and you've got it!

COMING UP IN SEPTEMBER: "Mecca's" going "Cruisin' With Bobby". Our very favorite "Queen of the Taxi Brigade" Bobby and myself will cruise San

DAILY AT 5 — SACRAMENTO & DIVISADERO — SAN FRANCISCO

Francisco in his Yellow Cab, I've got to see it for myself and then I can report if all those outrageous things actually happen to a cab driver in San Francisco. I do plan to "blow" the lid off this capper. (Bob Shore, you should take a tranquilizer that day)

THE HOTTEST MUSIC IN TOWN these days is "Road Show" album by B.T. Express; "Fight The Power" album by The Isley Brothers; "Get Down Tonight" by the K.C. Sunshine Band; and "What a Difference a Day Makes" by Ester Phillips.

WOULD YOU BELIEVE "UFO'S IN San Francisco"???? There seems to be a bit of a stir about this phenomena and you can find out all about Why they're here, Who have they come for (?), When will they land, etc. On Monday, August 25th at 8:00 at McLaren Hall, University of San Francisco (2130 Fulton), man and a woman (who claim knowing all about it) will be answering these thought provoking questions. They say it's not a recruitment or religious or philosophical trip at all. Might just be an interesting evening for something DIFFERENT!?

### THE WONDERFUL WORLD OF "THE WIZARD OF OZ"

Let me tell you - if you missed seeing "The Wizard of Oz" at the Kabuki Theatre you missed probably the most spectacular gay theatre production in the history of gay San Francisco. I've never seen anything quite as elaborate, spectacular and beautiful as this very successful fund-raiser for Operation Concern. You've got only one chance to see it, and that's August 30th, Saturday, at 8:30. I hear tell that the producers and crew have been asked to perform for the Jerry Lewis Muscular Dystrophy Foundation.

# BODY TALK

necessary of one is at all concerned about health of mind and body.

I've been accentuating the spiritual aspect of meditation in my last few columns. However to paraphrase the Buddhist sage, Nagarjuna, the world of spirit and the material world are not different; they are the same. (He said, "Samadhi and Nirvana are the same.") What is meant in the present context is you cannot lead an unbalanced life. As a whole person, you must care for all aspects of your being. To say in a "burned out" state is an expression of contempt to your physicality and your mind. It is a basic lack of Self-Respect, and it is opposed to life and its enjoyment.

There are two approaches to meditation with the purpose of relaxation in mind that I want to discuss. They are for persons of varying temperament and they suit different occasions.

For the type of person who finds he needs physical activity of some kind and cannot let go of tensions without recreation, there is technique of Self-Observation that induces a calm, centered condition and is very simple.

It is a basic method taught by Gurdjieff and Ouspensky as a way to begin being a non-mechanical person, as you go through your day-to-day activities. It involves purposely rooting your consciousness in your total being at all times. You do not even scratch your head mechanically but with full awareness. You observe the entire action, not to act on or against it, but you simply observe it. Ideally you should extend this observation to all physical and mental movements, so as you walk your consciousness fills your body completely. Then your physical form and the immediate environment are the only objects of consciousness, and

INNER PEACE - PART 5

There comes a time in everyone's life when he or she simply needs to lay back and slow down. In a city such as San Francisco it is very easy to "burn yourself out" going to all the bars, parties, shows, etc., and the ability to fully relax becomes quite

the mind is still. In this there is great peace and great awareness. You find you have a tremendous amount of available energy.

Now, the practice of this Self-Observation is a style of meditation in action. Among the practitioners of Aikido it is recommended that one attempt to find the feeling of centralization at a point about two inches below the navel, and then maintain this center at all times. You will then also initiate all your movements from that point. As this centered feeling grows in you, you will notice a greater mobility about the hip region and a greater certainty of movement. In the martial arts, this is a prerequisite for stability in all movements, but the virtue of this centering applies to all aspects of life. If you practice Self-Observation and maintain your Center, you will find your life changing, for there is always a point of Peace within which you may abide, even in the midst of external confusion and activity.

This list is based on top audience response in San Francisco Disco's, not sales.....

"The City" is really coming together. What, you may query, is the "City"? It is not Alioto's playground, the home of the striking policemen, and Herb Caen's acerbic pen. That's the "CITY". "THE CITY" is the name of the new bar that is taking over the location of the departed Cabaret/After Dark. Tom Stanford one of the owners, told me that he hasn't hired a DJ yet because his main concern is getting opened. Rick Chase, who master-minded the music at Toad Hall is building the disco booth which will look like a juke box. There will be 1660, count 'em, 1660 lights including a laser light. (The laser light may not be installed in time for the opening.) Dennis Kunes of Electronic Service is doing the light and sound system. Dennis says there will be 1200 watts of power produced by Crown Amps and Electrovoice Century 4 speakers. Sounds like a hit!

Billboard Magazine was in town this past weekend and let Richard of The Mind Shaft and Mike Webb of the Endup play a demo LP of Gloria's newest forthcoming album. Side one is non-stop disco and it is hot. It is scheduled to be released on Sept. 5.

Also Gary Thomas (7, 6, 5, 4, 3, 2, 1 - BLOW YOUR WHISTLE) album is now out. But it's hard to pick the best cut because it all sounds fantastic. The running theme of "Blow Your Whistle" can be heard throughout the entire album.

The Tramps also have a new single called "HOOKED ON LIFE", which is getting good responses.

"LOVE ROLLEROASTER" by the Ohio Players on their "honey" LP is getting excellent reaction at the MIND SHAFT.

"MESSING WITH MY MIND" new by LaBelle is HOT!!! It is sure to be a hit, says Jon Bernstein of the Nickelodeon.

That's it for now....

This past weekend saw the West Coast debut of German conductor Klaus Tennstedt with the San Francisco Symphony Orchestra in the new Concord Pavilion, with mixed results. The high point was a very fine performance of the Beethoven Ninth Symphony, on opening night (15th). The next night, however, we were treated to a couple of rather lackluster readings of old warhorses, and a disastrous orchestral accompaniment to Andre Watts' dazzling performance of the Tchaikovsky Piano Concerto No. 1. The evening closed with an above-average performance of Respighi's "Pines of Rome." I am inclined to agree with the CHRONICLE'S critic (if one can make a valid judgement on the basis of two performances) that Tennstedt should not be considered seriously for Seiji Ozawa's position when the maestro departs as Music Director after next season. Who, then, should be considered? Unfortunately, one of the prime candidates (on the basis of ability) probably won't be considered, for reasons of geography; George Cleve of the San Jose Symphony Orchestra. Maestro Cleve has just returned from conducting in the Mostly Mozart Festival in Lincoln Center, to excellent notices in the New York TIMES and DAILY NEWS, and those who have heard him here are not surprised - he is truly in the front rank of the rising young conductors today, and should be a serious contender for the San Francisco post.

Two other serious contenders are Jean Martinou and Ed de Waart, but both of them have extensive commitments to other orchestras, and neither of them is a believer in a multiple orchestra arrangement, and to their credit, the San Francisco Symphony Association has apparently come around to that point of view as well.

Incidentally, Maestros Cleve and de Waart will be my guests (on tape) on a Fall Music Preview program on KPFA this Saturday, August 23, from 9 a.m. to noon. I'll also be talking to Thomas Ratnick of the Berkeley Promenade Orchestra, and playing some musical samples.

### COMING EVENTS

Community Music Center, 544 Capp Street, San Francisco. Pianist Thomas Turin gives a recital this Friday night, August 22, at 8 p.m. He will play music of Rameau, Ravel, Chopin and Beethoven. For further information call 647-6015.

Concord Pavilion, 2000 Kirker Pass Road, Concord. Edo de Waart conducts the San Francisco Symphony Orchestra in two concerts: Friday, August 22 at 8 p.m.; Brahms: Piano Concerto No. 2 in B flat Major, with Misha Dichter as soloist, and the Brahms Fourth Symphony, in E minor. Saturday, August 23, at 8 p.m.: Mozart's Overture to "Così fan Tutte," Ravel's "Sheherazade" with Marilyn Horne, Soprano, Von Remicsek's Overture to "Donna Diana," "Mura Felici" from Rossini's "La Donna del Lago," again with Miss Horne, and the program closes with Berlioz' "Symphonie Fantastique."

On Wednesday, August 27, at 8 p.m., Music Director Seiji Ozawa conducts the final Concord concert of the summer. Dvorak's Symphony No. 9 in E Minor (From the New World), and "Three Space" (Ten, Chi, Jin) for the Orchestra by Toshi Ichiyanagi, Kei Anjo and Naorumi Yamamoto. The new Pavilion is a very interesting structure, and the acoustics seem good; one note of warning, however, is the traffic congestion leaving the area after the concert is incredible. I'm sure it can be handled much better than they're doing it and let's hope they learn how - soon! You might be advised to inquire about the chartered bus, if you're traveling from San Francisco (though it may be too late by the time you read this) - call 431-4303 for information about the bus. The Concord box office number is 798-3311.

Fireman's Fund Theatre, 3333 California Street, San Francisco, Monday, August 25, at 8:30 p.m.: Cellist Donald McCall of the Lenox Quartet will give a recital of Brahms' Cello sonatas, including the local premiere of the newly-discovered Sonata in D Major, the composer's arrangement of his Violin Sonata No. 1. The pianist will be Walter Ponce. Mr. McCall will be my guest on KPFA that afternoon on my regular "Worldwide Music" program, heard from 3 to 5 p.m.

Cabrillo Music Festival, Aptos, Friday, August 22, at 8:30 p.m. In the Cabrillo College Theatre, Dennis Russell Davies will conduct an orchestral concert of music by Haydn, Garrett List, and Mendelssohn. Saturday, August 23, at 8:30 p.m., also in the Cabrillo College Theatre, An Evening of American Indian Music with Louis Ballad. Sunday, August 24:

Two events at the Mission San Juan Bautista: from 1 to 7 pm, "Fiesta at San Juan Bautista" and at 7:30 pm, an Evening Concert in the Mission.

CURB SERVICE cont. from pg. 2

When I want a REAL man, I cruise Union Street, not Polk Street. There are more queens on Union than Polk, just a little bit more behind the door. I love opening a closet.

I had fun dropping in at Hearst's Castle near Monterey. Got all chained up and bloody too. Thank you.

Dropped at the Tubs on Folsom, I didn't take a bath. I needed one when I got home.... maybe the clinic too.

BZZZY'S is going to have a big hole in the floor, a girl in a cake won't come out, but a guy will submerge from under. This is coming in the near future.

Oh, HECTOR, the "game-cock", I'm glad you didn't scratch me in my cab the other day for being crude and forward. Anyway, it would have been better than being "foxed" out of my fare.

Between 4:00 and 6:00 PM cars can't park downtown in those two hours. The police tow in a few hundred cars. Yesterday, I saw them trying to open a 1975 Rolls Royce with Oregon plates. All of a sudden the car started on fire. I guess the people who were driving it will now drive a Volkswagen and the city will have a nice law-suit. But, I don't understand why it started on fire. Rolls are made not to be broken into, I guess.

Linda B and Johnny C. of Yellow, after 8 years it's about time you got married. It's the only straight marriage of two cab drivers I know in this whole city.

At the airport, we have a lot that holds 56 cabs, which flow through as needed. You have DeSoto, Luxor, Veterans and Yellow waiting for arrivals. So the drivers play cards. After all these years I get the deal for 21 and I lose. I couldn't pay off in cash. In 1 1/2 hours I had to do 20 drivers. I lost my voice for 3 days and I couldn't sit down to drive. NO MORE CARDS FOR ME!!!! Lucky the bus drivers there don't play cards.

When I sit on my ass, I never save any gas!

Q. Why is one company better than another?

A. It's the driver that makes the Company, not the Company that makes the driver.

Stanley of Yellow, how you cheat on Larry, I will never have a cab driver as a lover. They cheat everyday. You can't trust a cabby that way.

I'm sick of these men who go to Broadway for the firl from the big "35". I want a guy with a big "36", who knows how to use it without rolling over!

When I first started driving taxi I was waiting by the Fairmont Hotel for a fare. I hear the dispatcher say to go to Taylor and Sutter - a DB. 15 minutes later a DB at Van Ness and Post, 1/2 hour later a DB

at the Sheraton Palace. I got nervous and shouted over my radio. 3 cab drivers dropped dead in less than an hour. Is it that bad, she softly says back to me. A DB is a dead battery not a dead body.

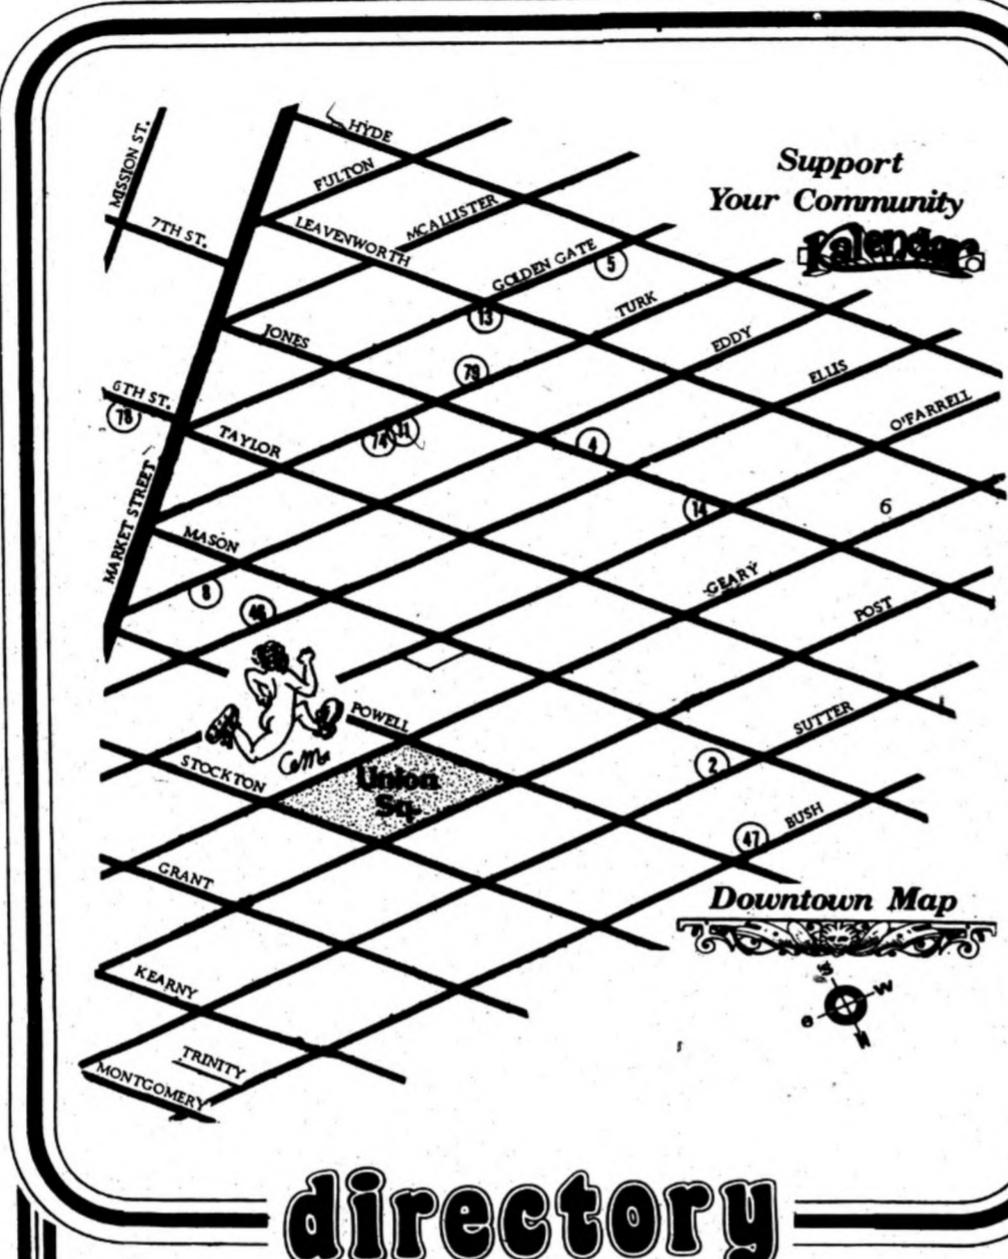

Trock of the Wild Goose is really fun to suck.

Everyone tells me I should use my original title "Cruisin' In My Taxi" and maybe next week I'll go back to my old format. But for now, back to Bobby.

P. S. Remember, always talk to your cab driver. You never know what extras you might get besides a cab.

P. S. S. Mark's "MECCA" and Bobby's "CURB SERVICE" will be together for a day in September. "Curb Service and Mecca".... what a day that will be! Watch for the report in September.

And... To Schatz - I'd rather cruise in your "Yacht Club" than in my Taxi.....

Moraga, Moraga, Moraga---I've heard of many ways to say "Thank You" to one's group, friends, but when to of San Francisco's beloved men, Boo and Roy of the Purple Pickle and The New Bell Saloon close their establishments for the entire day to give their employees the love, respect and admiration, you just have to hand it to them by saying, "We of the Purple Pickle and the New Bell Saloon Thank You Very Much and deeply from our hearts for the beautiful home and swimming pool, from Bob and Bert who loaned it to us to dance, sing, play, swim, eat, smoke, drink and whatever it takes to make people happy. To Empress Maxine and Paul (oh, Ammie), Lincoln, Dennis from the Mint, to so many persons of great devotion (Warner Bros.), Boo's cousin, Bob (I won't print what you think), just all in all a day in our lives that won't be forgotten. Again, what can we say, except, "T. H. A. N. K. Y. O. U." so much, Thank You!!!!

A SPECIAL INTERVIEW WITH BOB CALHOUN AND HIS DON NIXON.....

Q. Now that you're getting accustomed to being married in this gay life of ours, do you think of the responsibilities towards each other?

A. Yes, we think of each other as a whole, as being together forever even though that seems long in life, the good and bad in our times, financially, spiritually and most of all, we are proud of each other.

Q. What do your families think of the situation?

A. They don't think of it. It's not mentioned, but they seem glad that we're contented with one another. Bob has settled for Don in a very unusual manner of love that explodes when you're around them in their home. Don & Bob now live for each other.

Q. How do you solve your disagreements?

A. We haven't had any serious disagreements as yet, but we laugh about some things the next day that could have been serious.

Q. What about your religious side?

A. Bob can't believe in any religion that's against homosexuality and Don's agnostic and that's about it for religion.

Q. Who handles the financial prob-

lems?

A. Don handles the financial situation. They both buy each other gifts of love and the monthly bills are settled by both which is the end works out evenly.

Q. What about house chores?

A. Don makes the coffee in the morning and washes while Bob cooks the menu of love and the house work is split so that one feels that he's being taken advantage of.

Q. Does it bother you when you know that someone is cruising the other?

A. Don doesn't know what it's like to cruise so it never crosses his mind, and Bob gets a little annoyed at times which is normal in any relationship, (Darlings!)

Q. What's in the future for both of you?

A. They have intentions of buying a home in 5 years. Bob comes from Stockton and Don comes from Covina. They're both somewhat close to their families but wish to keep their family ties in separate locations.

Q. How did you become involved and experience your first affair of lust?

A. Don's first affair wasn't exactly the "Call of the Wild" as his companion was rather young. They had nothing in common. One was too young for entering the local bars and it was difficult in having friends. On the other hand, Bob has several affairs with men or bucks, seeing the experience of nature, searching for the treasure hunt of paradise.

Q. Do you like each other besides saying and knowing that you love each other?

A. This is funny---oh yes, very much. Bob doesn't take so long in the shower. Don prepares in advance by placing next mornings' clothing in order. It's nice to know when you wake up during the evening that he's next to you and the touch of his lingering body send you in mad expansion of fulfillment. They linger with one another and let each other know how thankful they are for loving one another.

Q. What do you do when something or someone annoys you?

A. They walk away from such problems of people, console each other. If annoyed, they wait until the other party has his feathers smoothed and realize that silence is golden. Then love is had and the tensions are released.

Q. What are your hobbies?

A. They both enjoy TV, bowling, sex and of course F. I. L. T. H., F. I. L. T. H. and more F. I. L. T. H. (Isn't that to difficile over?)

Q. Any political views?

A. They haven't any political viewpoints in the U.S. hysterical matters but feel quite strongly in the gay political subject, such as in the Emperor and Empress stations.

Q. Why did you become political in the gay world?

A. At one point in Bob's life, he had a great thought of running for the Emperor's Office, but after much consideration he discovered he needed more experience in finding out how to handle matters, in helping and watching others in need, one must learn to speak well of others, not to force.

Q. Who are your hobbies?

A. Bob is sentimental about life and Don. Any reason for giving presents to each other like Easter, Christmas and Birthdays, just happiness of each other. Don says

that Bob is the most giving person he's ever met, and dear Bob remembers all dates of importance. They enjoy spending as much time with one another and the beauty of this marriage is what makes it true. They are fortunate in having the one thing so many of us don't have and that's having a "H. I. M.".

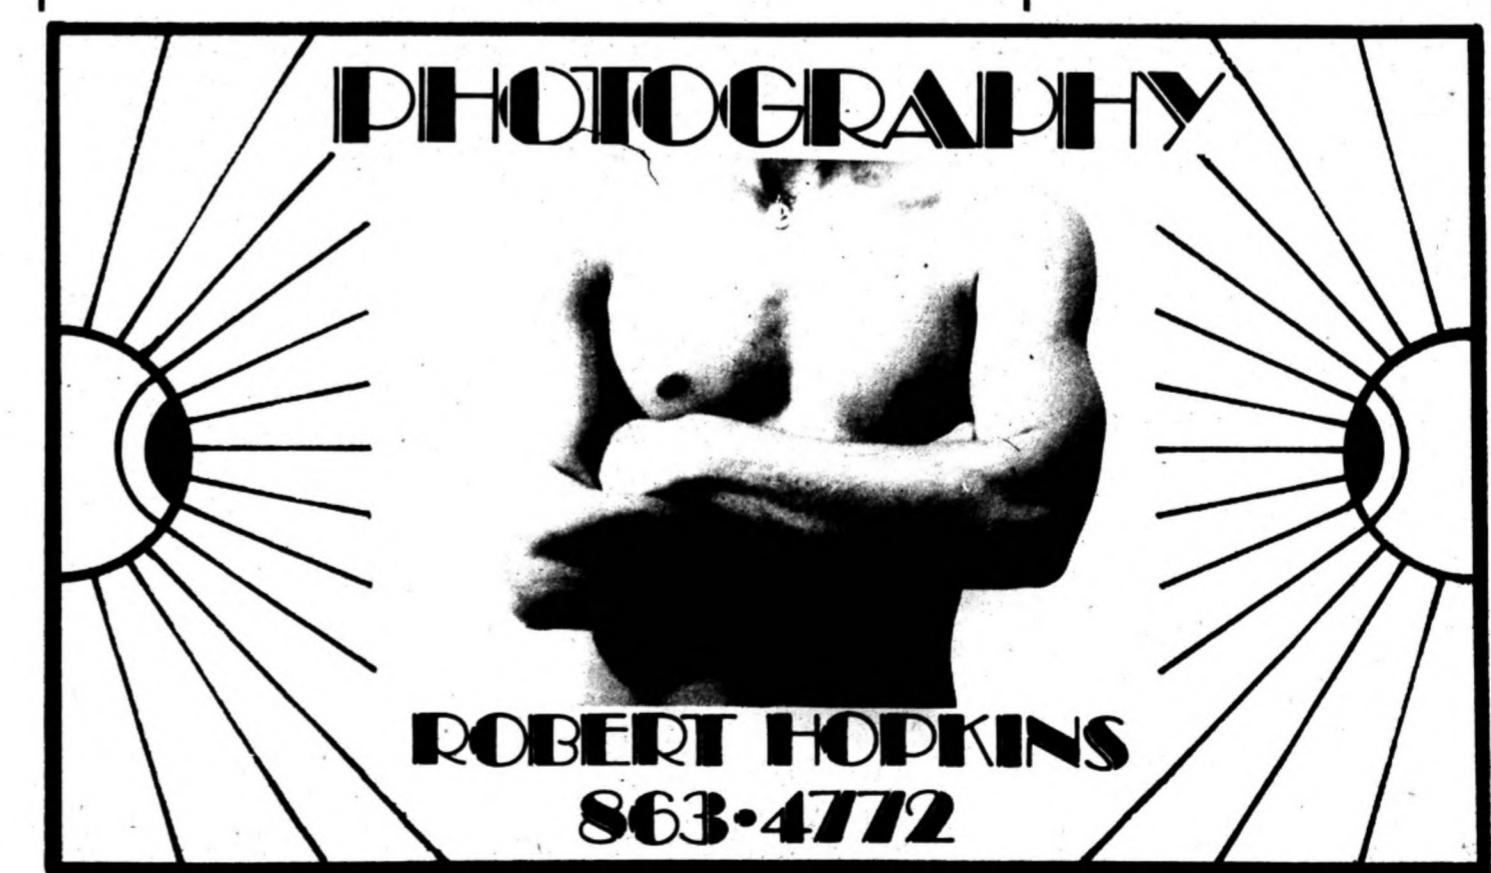

TO THE GENERAL PUBLIC, they have one thing to say.....

Both Bob and Don sincerely wish that everyone will find happiness with someone in the near future and have a happy and fulfilling life as they do.

I PERSONALLY wish them both the greatest happiness they deserve and know that their relationship will last!

What were Mark Calhoun and a certain Shore's intentions in leaving the Fe-be's affair, after the auction, "Night Of Stars". We hear that a certain "LA" is interested in a certain gentleman of great qualifications. A certain Mr. Hinkle (Emma) is interested during the hours of 5 to 8 in a certain Jack of 21, then refreshed himself/herself in preparation of the campaign of Sir Hector, who's running for the Office of Emperor. The greatest of Hectors! (Sounds like Rome, not Phoenix). .... I have had the privilege in meeting Senator MILTON MARKS at several gay occasions and not only has he been courteous and helpful in answering my questions, but he has shown me that it takes a man of good intentions to fulfill the Office of Mayor of San Francisco. We of S.F. wish his success. He has many persons of qualifications in his committee who are doing greatly for the man they believe in.... A special "Thank You" to both my Royal Baby, Tony, and to my Royal

**"DENO'S SIDECAR"**

Welcome once again to all of the "Sidecar's" friends out there. This trip out, you will be reading about the SERPENTS show at the Royal Palace, the Kumonwannaleiya II Run, the Overlay Rip-Off, and "From The Desk Of", along with other happenings that are coming up.

The SERPENTS held three performances at the Royal Palace from their "Ol Miss '75" run show. Numbers in the show included, "Who Can I Count On", "River Stay Away From My Door", "Stairway To Paradise", "Earth Angel", "Mississippi", "Faggots To The Park", "Elder Man", "Obscene Phone Calls", "Baby You Got What It Takes", "Ruby Red Dress", "Hard-Hatted Hanna", "GI Tarzan", "I'm Tired", with the entire cast doing a Jolson and Garland salute to Elton John. For a small club they sure do a great job and enjoyed every minute of it.

The SERPENTS want us to know also that after the GDI run to Juanita's on the 24th, they would like all of the GDI guests to join them at Folsom Prison after 6 p.m., for their beer bust and presentation of new S.F. SERPENT Officers. They also have their SERPENTS bus to Reno on September 21st for the KNIGHTS OF MALTA - RENO CHAPTER'S First Anniversary. Last but not least, some of the SERPENTS will be doing "Threes On A Match" at the Paragon in San Jose in September.

Next out of the "Sidecar's" gas tank come the "Kumonwannaleiya II Run". Credit for this choice bit of information comes from Mike, the new Treasurer of the "KNIGHTS OF MALTA - 49ER CHAPTER". Mike you did a fantastic job and many thanks from "The Sidecar" for taking the time out of your fun-filled weekend to do it.

KUMONIWANNALEIYA II Friday started off with check-in between 6 and 8, followed by a super dinner. After dinner, people started getting to know the unfamiliar faces along with movies being shown in the bunkhouse. With a 24 hour bar, they were getting pretty wiped. And the ones that didn't get wiped on booze were getting it together another way! Saturday started with a delicious breakfast along with your favorite eye-openers. After breakfast came the water-sports and more people checking in and new friends (in more ways than one). Lunch came around 12:30 with more meat

flying. After lunch they had the bike and non-bike events. Bike events judged on time accuracy and handling of a bike at slowest speeds possible. The buddy events was judged on speed and accuracy. Non-bike events was pearl diving in the coldest water they could find. After everyone got out of the water the GDI's had their cocktail party, then followed by the KNIGHTS OF MALTA'S Champagne Party. Costume and campsite judging followed with a lot of entries. All were very nice and hard to choose a winner. After all that, dinner was served. A sit down dinner, no less, with a magnum of champagne for each table. Watermelon was set on each table with pieces of pineapple and cantalope and soaked with rum. The dinner was so good and the meat so tender you could cut it with a plastic knife. After dinner, everyone gathered around the pool for the presentation of colors. The awards were given for campsite, costume non-bike and bike events. With a special award going to Frank B. "The Burnt Titty Award" for all his work that he has done on the run, especially in the kitchen, which I personally think he deserved, wholeheartedly. After all the awards they had the show which was one of the nicest shows I've seen or heard about. Sunday morning came around with everyone trying to get rid of the hang-overs from the night before. Brunch was served and the show was put on.

again, but done in such a camp way it was better (by being funnier) than the night before. After the morning show they said "Aloha" and people started breaking camp to head back to the City or home. All in all, I had one of the nicest times in my life on that run, so fellas, we all have to work our butts off to top this run! I want to thank the CONSTANTINES and the MONTEREY DONS for a super time and hope to be on your next run or runs.

Next comes "The Overlay Rip-Off". The "Sidecar" is cruising around Folsom, stopped off at "The Prison", and found out something that disturbs us very much. All of our clubs' members wear their overlays with pride! People who have no right to have been going into the South of Market bars claiming that they belong to certain clubs to receive "club prices" for their drinks. This is not only unfair to our clubs but to the bars that show us their appreciation, in this way, for patronizing their bars. So if we do not have our overlays on, do not be offended if the fellow behind the

# CARD TRICKS

CARD TRICKS by Rick Hammond

THE EMPEROR.

The 13th of September is the Coronation of the next Emperor of San Francisco. This is a very important election in our lives, for the man we elect is going to represent us, the Gay Community, up and down the west coast and to the straight community. Done in the spirit of camp, it is in fact, not camp. It is a very serious decision, one not to be taken lightly.

Knowing how important the selection of Emperor is in my own life, I wondered what the next Emperor would be like, what are the qualities that will put him into office, what kind of a person will he be, what will be brought to the office and to us. And so once again, the cards are spread, and secrets of a lifetime are bared. Who IS our next Emperor.

\*\*\*\*\*

Significator Card: The Emperor

FIRST HOUSE... Aries, Virgo and Ace of Pentacles. He is a man with the courage to do what is right, one who accepts help willingly, who is not afraid to accept silent counsel. He will bring happiness and pleasure into the community.

SECOND HOUSE... Taurus, Libra and Nine of Cups, reversed. He will be a fund-raiser, who will use the money he has raised for the pleasure of the Community. I would expect many parties and functions from this man.

bar asks us if he does not know us. Let's help the bars and our clubs to stop these rip-offs. Wear our overlays whenever possible and make sure the bartenders get to know us. "Folsom Prison" is their target right now. Let's help Richard and his crew stop it.

## FROM THE DESK OF

THE EMPEROR.

THIRD HOUSE... Gemini, Scorpio and Three of Pentacles, reversed. He does not communicate well, but has the ability to have those around him manifest the new ideas that he brings to the office.

FOURTH HOUSE... Cancer, Sagittarius and Six of Wands. He is a person who has worked hard all his life, who has led a well balanced life. He will bring harmony to the office.

Well, I'll get down to what Deno really wants me to tell you about on this trip. A little about the GDI's

our goal and desire as a club. We're basically a social service club, leather and South of Market oriented. We're very loosely governed by our Charter and Rules, but mostly by our friendliness of each other, to be active in the community, have a good time and to give support to other organizations, if requested to do so, if it is possible. This has been a good year for me personally because I've seen a lot of things happen in drawing our gay community together. The L.C.F. having its best year yet and the birth of the Forum. For its first year, I think it has really proven itself and served its purpose. I, and speaking for my club, also, am very pleased and glad to be a member of this organization. Let's keep it up!

The S.F.G.D.I. Club has had a fun year with their functions and enjoyed the support of a mixture of our city's gay community. For this we really thank you all. Our "Equinox Beer Bash", the "Old Fashioned Bike Run" and our "Juanita's Run III" were all received very well. And "Minsky's '76" should round the year out perfectly. Come see us! Well, "Sidecar", if you'll let me out across from Lenny's, I've got a rehearsal tonight! Catch you later!

Jim - President, S.F.G.D.I. Club

Each issue, the "Sidecar" will be having Officers, First Ladies, Baby Members in "From The Desk Of". Hopefully it will give readers more insight and understanding of what they have been reading in "The Sidecar" previously. I hope this adds to your enjoyment.

Check you little black book for these fun dates coming up:

Saturday, the 23rd, The WARLOCKS Anniversary Party; Sunday, the 24th, the GDI's run to Juanita's, same day the SERPENTS in the evening at the Prison. The "Funny Girl" try-outs at the Kabuki for any club member that wants to get involved in the "Funny Girl" production - 6:30 PM.

FIFTH HOUSE... Leo, Capricorn and Queen of Pentacles, reversed. He has someone close to him who is materialistic and dependent.

SIXTH HOUSE... Virgo, Aquarius and The Tower.

His title will place a risk on his job, but whether he loses it or not, he will only do better.

SEVENTH HOUSE... Libra, Pisces and the Five of Pentacles, reversed.

Deception by another employee will probably be the cause of his work problems.

EIGHTH HOUSE... Scorpio, Aries and Two of Swords.

He is a well balanced individual, but needs direction, with proper direction, his reign will be very successful.

NINTH HOUSE... Sagittarius, Taurus and Death, reversed.

He knows that he really needs to push for social approval to win.

TENTH HOUSE... Capricorn, Gemini and Three of Swords, reversed.

He will have to make a choice between his job and his title, a choice that will lead to much confusion in

his life.

ELEVENTH HOUSE... Aquarius, Cancer and Ace of Swords.

Harmony with his friends and good management of their talents and abilities, his ability to make them feel important will lead to his successful reign.

TWELFTH HOUSE... Pisces, Leo and Nine of Pentacles.

His ability to harmonize the spiritual and the material aspects of life will give him the temperance to have a reign that is profitable to the community financially and spiritually.

Husband, Hard of the Le Domino fame for the beautiful gifts you bought for me at the Fe'lbe's auction. Wait until you see that black see-thru blouse with the beading. You may buy the one and only "Silver Sage" at Dunhill's on Post and Stockton, which is in connection with Billy Yamell and Bob J. Hill. Two superb men in my life. Did you ever notice how beautiful and talented Dolli of the Le Domino is in dancing with Skip? Those legs, those eyes, that Bacall voice, that slender body and those hips. Well Dolli, keep dancing with Fred.... Oh where's that Dr. and by the way, a belated Happy Birthday to Dr. Woods from one of his patients via Rita's... What's with Mark Calhoun and Mr. Shore lurking in the dark, viewing "OZ", which is by far one of the most beautifully put together Broadway Shows I've ever seen in a very long time. There aren't enough words to praise the company of wonderful workers and the people behind the curtains, such as Hermann Nieve who always does the very best in whatever he tackles. .... A special "Hello" to the King of Polk Street, Mr. Don Berry, who's King of Kings in his Kingdom---Remember about the V.D. episode? ---Well--- Darlings, it's time to put on a simple dress for???? See you at the Red and White Boogie Ball for a ball. Remember to keep your hips slender, your legs tightly together, grab the money and runnnnnnnnnn to L. TRUE OR FALSE  
Syphilis always shows up in a blood test.

If you've been exposed to syphilis, get treatment immediately.

If you've got the clap, you'll know it.

Syphilis and gonorrhea are the only two diseases which can be passed on by sexual contact.

1. False. The blood test for syphilis does not become positive until the disease is active in the body. This sometimes takes as long as three months after infection. Make Sure! Get a blood test every three months.

2. True. If your lover/trick of a week ago, or even a few months ago, tells you to get a blood test because he has syphilis, your test could be negative and you could still have it. The incubation period for syphilis is from 10 to 90 days. Immediate preventative treatment will eliminate the risk of developing symptoms and passing it on.

3. False. Most cases of rectal and throat gonorrhea have no symptoms. The City Clinic (250 Fourth St.) reports that it is seeing more and more men with no signs (discharge, burning, or urination) of penile gonorrhea either. Through sexual contact, you could be giving the clap to other people without knowing it. You can help stop the spread of gonorrhea by asking the doctor to take cultures of your throat, rectum and penis when getting a regular VD check-up.

4. False. Herpes, warts, scabies, and hepatitis can be transmitted through sexual contact. Bacterial diarrhea, like shigella, and amebic dysentery can be spread by oral-anal sex.

For more information call the Gay Service Project, 495-6463 days. Or stop by Room 4 at the City VD Clinic at 250 Fourth Street.

The one nice thing about preparing food is the excitement in pleasing the guests that will be sitting down to enjoy it. Here is a menu that should have them all murmuring phrases of delight.

Caesar Salad  
Chicken Chasseur  
Fresh Asparagus  
Rice Pilaf  
Small Coffee (fairly strong)  
Lime Sherbet

If you're courting this is a perfect dinner for two. A nice pully fusse with dinner and Grand Marnier after dessert with the second cup of coffee. Let HIM light the candles and pour the wine. If he doesn't propose after all this...forget it!

I see in our new Emperor, a man who is strong and able to do a good job. He is not a man who can do it alone, but one who knows how to wisely select the people around him who can do the job for him. In other words, he is a leader. He has the ability to command. He has the ability to stand up with support and look strong. This is the mark of all great leaders. I think our choice for Emperor will be a wise one, and one we will enjoy. To our next Emperor, congratulations and long live the Emperor.

Well, that's it for this trip. Until next time remember "Only The Sidecar Knows".

P.S. Thanks "Bitch" from DATA-BOY for your concern about "The Sidecar". Good night Jim, wherever you are! Remember, I would rather see you here on Earth and up in Heaven!

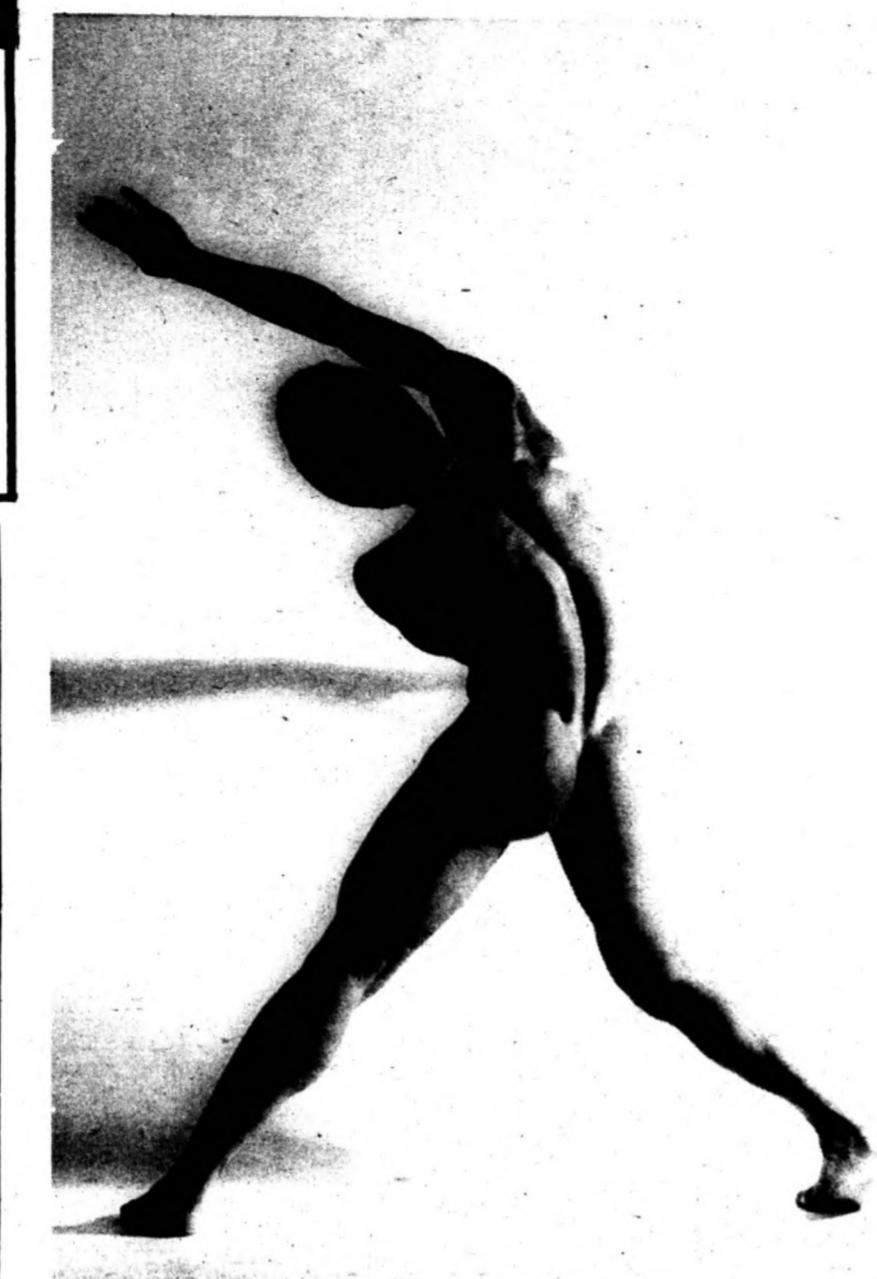

Peace,

Deno
