INFORMATION FOR AUTHORS

The Kroeber Anthropological Society Papers publish articles in the general field of anthropology, including those which it is difficult, for various reasons, to publish elsewhere. In addition to articles of theoretical interest, the Papers will welcome descriptive studies putting factual information on record, as well as bibliographies, linguistic texts, vocabularies and historical documents of anthropological interest. The Society welcomes student research papers of high quality.

Manuscripts must be typewritten, double spaced, on good quality 8-1/2 x 11 inch paper, and on one side of the page only. Endnotes (the Papers do not employ footnotes) and bibliography should be placed on separate sheets. The bibliographic style to be followed is that used in this number of the Papers. Authors will note that the bibliographic style is an extended version of that employed by the American Anthropologist.

Authors will receive without charge twenty reprints of their articles. Additional reprints may be ordered at the price of one cent per page. A small extra charge will be made if illustrations must be reproduced by photolithography. When notified of the acceptance of their manuscripts, authors will be asked how many additional reprints they desire.

Manuscripts should be addressed to:
