UNIVERSITY OF CALIFORNIA ARCHAEOLOGICAL SURVEY REPORT NO. 22

Note: Duplication of numbers of Papers in UCAS Reports

Papers No. 21 and No. 22 appear in Report No. 20. Through oversight the same numbers were assigned to the first two papers in Report No. 22. This notification is made to call attention to the duplication and to recommend that bibliographic citations be specific in order that no doubt will be raised as to which Paper reference is made.
