

INFORMATION FOR AUTHORS

The Kroeber Anthropological Society Papers publish articles in the general field of anthropology. In addition to articles of theoretical interest, the Papers will welcome descriptive studies putting factual information on record, as well as bibliographies, linguistic texts, vocabularies, and historical documents of anthropological interest. The Society welcomes student research papers of high quality.

Manuscripts must be typewritten, double-spaced throughout, including bibliography and notes, on 8-1/2 by 11 inch paper, and on one side of the page only. Endnotes (the Papers do not employ footnotes) and bibliography should be placed on separate sheets. The style to be followed is that used by the American Anthropologist.

Authors will receive without charge twenty reprints of their articles. Additional reprints may be ordered at the price of one cent per page. A small extra charge will be made if illustrations must be reproduced by photolithography. When notified of the acceptance of their manuscripts, authors will be asked how many additional reprints they desire.

Manuscripts should be addressed to:
