

## INFORMATION FOR AUTHORS

The Kroeber Anthropological Society Papers publish articles in the general field of anthropology. The Papers welcome articles of theoretical interest, descriptive studies putting factual information on record, and bibliographies and historical documents of anthropological interest. The Society welcomes papers of high quality from faculty and graduate or undergraduate students. In general, contributions should not exceed 30 pages in length.

Manuscripts must be typewritten and double-spaced throughout, including bibliography and notes, on 8-1/2 by 11 inch paper on only one side of the page. The Papers do not employ footnotes. Endnotes and bibliography should be placed on pages separate from the text and from each other. Prospective contributors should consult recent issues of the Papers or American Anthropologist for further details of manuscript style. Contributions to the Papers will be copyrighted for the author by the Society. Permission to reproduce contents must be secured from both the editor and the author.

Authors will receive without charge thirty-five reprints of their articles. Additional reprints may be ordered at the rate of 1-1/2 cents per page. An extra charge will be made if illustrations must be reproduced by photolithography. When notified of the acceptance of their manuscripts, authors will be asked how many reprints they desire.

Manuscripts should be addressed to:
