Complete Index to
The Dome, 1897–1900

Edited by
J. B. Jackson and Dana L. Jemison
INTRODUCTION

This is a complete index to The Dome, published in London by the Unicorn Press and subtitled consecutively "A Quarterly Containing Examples of the Arts" and "An Illustrated Monthly Magazine and Review." This index begins with a Cumulative Author Index, followed by a Cumulative Title Index, then an Index to Individual Issues. Mind the unconventional numbering of the two series.
