cmc's mr. carnival

BY SPEED McQUEEN

It's my theory that the CMC Carnival is the greatest annual happening around. Man, I know I could dig one a month, but those CMC guys, with a membership of less than 20 and real swingin' know-how, need a year to recover their hard spent energy. That year is also devoted to planning the next, bigger and groovier carnival.

The feature event of the fast-moving, mobbed, sweaty affair was the selection by afternoon-long voting, of "MR CARNIVAL." Contestants reviewed periodically throughout the afternoon's mass trip of people giving off nothing but great vibes, flexing and posing, high above admiring spectators' heads. Their walkway overlooked gambling booths, beer bars, a secret curtained pleasure tent and the crowded Sizometer demonstration.

Drowned out by the increasing roar of activity, JIM JON, candidate #5, sponsored jointly by The Town Squire and Action Line Model Agency, was proclaimed winner of the title of MR. CARNIVAL. He was presented with a round baroque silver tray, etched with his title for the ensuing year, a tribute to the fifth such honored.

Sexy Jim Jon is 23, is originally from Boston, has been a part of the San Francisco scene for two years and lifts weights 3 to 4 days a week. He recommends good discipline for better health and conscientious diet watching. He finds that an occassional "joint" does not interfere with his good health program. The co-producer of documentary films and organizer of a planned gay commune for creative heads arrived at the Beaux Arts Ball, as an escort, in a 1925 Rolls Royce, sporting tux, cowboy hat and boots. Vaughn Gardner was his campaign manager.

It is of interest that Jim Jon will have undergone facial electrolysis, by Muriel Nannis, for one year in January 1971.

First runner-up for his title was Dennis, with the beautiful muscles, sponsored by the Jaguar Book Store and Ken Marlowe. Tony, sponsored by the Mint and Jug's Liquor, was second runner-up.

Now let's head downstairs and check the action! The hard liquor bar and beer bar were crawling with thirsty guys all on a rapping trip with buddies and new interests. Alternating rock groups, "Helix," and "Mongoose," formerly "Ashes," kept the lively crowd of vibrating, twisting bodies moving in pulsating ecstasy til 7 p.m. Shadowy figures, paired off along the outer walls, grooved on good companionship and the crisper air of the better ventilated lower floor.

Walter Ward was chairman of the Mr. Carnival Contest. Rocky, Carnival Chairman, said, "we have a marvelous auxiliary of helpers," and added, "maybe next year we'd better try for The Cow Palace or Candlestick Park."

Whatever you do next year guys, don't pass up the neatest happening that's just for us swingers. It's just for us waiting a whole year to really let go again.

Please note: This paper will no longer publish activities that are phoned in to us. If your group wants its activities listed, a written notice must be received by this paper. DEADLINE ON ALL SUBMITTED ACTIVITIES, MONDAYS 6PM. THANK YOU.

JIM JON
