NEW PAPER

The new publication (ADZ Times) will be officially released and begin to appear in bars and book stores, Friday, October 8th.

According to Dick Jay, editor of ADZ Times, the new paper will be 20 pages in length and sell for 25$ in the Bay area, 35$ in California and 50$ elsewhere.

The new "Times" will allow distribution of a superior product to other locations. ADZ is encouraging suggestions from the readers regarding product improvement and openly admits that it may take six months or more before it achieves the character and quality set in its projections.

We hope the community will bear with us during the interim and support this new endeavor.

Jay (Director ADZ)  the OFFICE- 1005 MARKET ST. RM 310 S.F. CA. 94103

When Mr. Jay was asked if this means the end of the Gayzette, his response was: "No, I don't believe the readers would permit it."

The main reason for the new publication is two fold: (1) It is time San Francisco had its own gay newspaper, (2) There have been many requests from other cities for Gayzettes. Because the Gayzette is free it is impossible to distribute.

The form is inside and must be at our office no later than Monday, October 11. Results will be printed in the next issue of the Gayzette.
