REMEMBER TO VOTE on June 6

Gay Power.

By Reverend Ray Buchanan

Gay Power is real. It is real at the ballot box on June 6th. This year marks the first time ever, three candidates for Supervisor are running on the chance, over the objections of the Committee, that the Gay Vote is real, and in the largest single block vote in San Francisco, and can put them into office.

I know that the Gay Vote can put the three of them into office. Who are these three men that the Gay Vote is real, that the Gay Vote is real, that the Gay Vote is real?
