NOVEMBER 22ND COALITION CALLS FOR RALLY & MARCH TO DEMAND FREEDOM TO THE MIDDLE EAST

SAN FRANCISCO, Nov 22 — On this, the anniversary of the assassination of Yasser Arafat, the Action Committee of organizations called for a march and rally demanding an end to the bloodshed in the Middle East. The Coalition called off the "November 22nd" march and rally the previous day, out of respect for the memory of the late Palestinian leader, who was killed in an apparent assassination.

For a rally to be held at 1 p.m., many progressive groups call for support for the march and rally, including the Palestinian Congress of North America, the National Black Front, the Workers World Party, the People's Anti-War Mobilization on a national basis. Locally there are numerous groups which have responded to the march rally, which was organized by the Central City/Tenderloin Independent Democrats, the Orthodox regardless of authorship, can hold back the determination of the Palestinian people for freedom from the U.S.-backed Israeli occupation in a democratic Palestine.

CONGRESSMAN PETE MCCLOSKEY SAYS THAT HE STILL SUPPORTS GAY RIGHTS ISSUE DESPITE THE RUDE RECEPTION THAT HE RECEIVED AT AN ALLEGED "HUMAN RIGHTS COALITION" MEETING

WASHINGTON, D.C., Nov 21 — In a statement, Congressman Peter McCloskey, D-Calif., says he still supports gay rights issues despite the rude reception he received last week at an alleged "human rights coalition" meeting.

McCloskey, who is running for re-election, said he was there to discuss issues such as civil rights, but was met with a hostile crowd that shouted down his speeches. He later left the meeting. McCloskey represents a district that is 25% gay.

In his statement, McCloskey said he appreciated the opportunity to discuss these issues and to hear from the community. He said he would continue to work on behalf of gay rights and other issues.

FOCUS LETTERS

Dear Editor:

I am writing in response to your recent call for letters about the issue of gay rights. As a supporter of gay rights, I wanted to express my thoughts on the matter.

I believe that gay rights are a fundamental human right. It is important that everyone has the right to live their lives as they choose, free from discrimination and prejudice. I support the Equal Rights Amendment and believe that it is crucial for the protection of gay individuals.

Thank you for the opportunity to contribute my thoughts on this important issue.

Sincerely,

FOCUS — NATIONAL DAYS OF RESISTANCE

The national days of resistance against Reagan’s policies will begin
on Tuesday, April 24, with a “Day of Resistance” in New York City.

Gwen has a biochemical imbalance resulting in an emotional disabi-
lity for which she was hospitalized, "I couldn’t take dealing with food
stamps, no doors were open, no place to live. I didn’t want to go back to the
street and then enter the treatment and their degradation. They were pumping out full of
drugs. It was oppression that pitted me in the hospital," said Gwen.

Gwen has now secured an apartment in a building for the disabled, the
only one in New York City. However, there are problems here as well. In the
order to have the place as a shelter, you have to have a relative and
the apartment is being flown off, she explained.

In addition, "they monitor who goes in and out, supposedly for
security," she said. "But a gay man is being harassed for being gay
whenever he receives financial assistance."

A FIGHTER IN STRUGGLE AGAINST REAGAN PROGRAM

"To therapy you learn not to say you are political, not to say you
are a lesbian, because they’ll say you’re away. Then the political that
can help others."

"For once in my life I didn’t feel just like a ‘blind person.’ I’m a blind
person with something to say and to learn from others."

Gwen consistently pushes her feelings. "I am very angry. I have a right to be angry. I’d like to take back the
power they took from be back!" said Gwen. It isn’t the sightlessness to
see a psychologist appointed by them. Any problems you have, you are
made to feel it is a failure to adjust to being blind, rather than the oppre-
sion of a society and a government.

"For once in my life I didn’t feel just like a ‘blind person.’ I’m a blind
person with something to say and to learn from others."

"For once in my life I didn’t feel just like a ‘blind person.’ I’m a blind
person with something to say and to learn from others."

Gwen has spoken about some of the changes that could be made. All
buildings should have braille elevator symbols, as should all bus signs, and at
least three inches. Food store doors should also have braille symbols with
available personnel to assist. There should be handles on buses,
escalators in all buildings, and elevators are almost totally inaccessible.

Spirits of Oil Can Harrys...is one of Buena Vista area, Mexico is one of changes. This just might happen, as I now that some hotel rooms are left all over December 15th. Mexico is one of the most restful and eventful ways to travel.

Mardi Gras has the best steaks in town. And Eden is a restaurant that is simply too beautiful for words. Hay hey ...if anyone wants good and dever graphics and cheaper than Leona, call us at Gay Focus .....we’ll do you right I

Nothing Special dressed as Mae one night, Remy the customers of the “Play Inn” just up the street at the Wild Goose, don’t forget! Do stop in and look at him!

MURDER AGAIN IN THE POLK AREA ....two gay men were stabbed and one killed. Alcohol and homophobia and a gayman is dead. Alcohol and homophobia

The Ram’s Head is selling Ginger Week buttons for $1 and the government has a ceiling on the room rates. Drinking is expensive unless you like Tequila, but, where is it cheap! There are a few gay places to stay but nothing to compare to gay bars and restaurants there, such as the VERA CRUISE on Orient Point for excellent Mexican gay food. The GOLDEN STAR has the best steaks in town. And EDEN in a restaurant in San Francisco... is a little bit expensive unless you like Tequila, but, where is it cheaper!

All the gay bars have “back-rooms” during Mardi Gras, and wild things happen then. Women bare their breasts and the men? whatever turns them on, as all is allowed.
