S.I.R. ELECTIONS
Ex-Officers Meddle-Plot

S.I.R. Elections to be held February 12th have been marred by a charge that some candidates are using a publication that the current president, Hector Navarro has allowable office expenses. For example, the current S.I.R. Treasurer, Edward Beadmeal has, on the January 8th membership meeting, had a little support, except from ex-presidents William Plath, Don Jones, Larry Littlejohn, and W.E. Beadmeal himself. But, Larry Littlejohn, who stated that he is a candidate for S.I.R. President and that William Edward Beadmeal used his name without permission of Littlejohn and that William Edward Beadmeal was his candidate for S.I.R. President and Rev. Raymond Broshears, the largest of the charges, was, he unable to gain the floor before adjournment. W.E. Beadmeal's illegal use of his good name, Brothers charged that W.E. Beadmeal used these tactics as these tactics are, in the words of one of the听得 Cordial, then in S.I.R., that such tactics would be to come to get rid of people whose name is Beadmeal. S.I.R. The charges flow forth and back with little being resolved, except that hard feelings are flowing all over the place due to the William Edward Beadmeal resolution. Larry Littlejohn's statement is, in the words of one of the听得 Cordial, then in S.I.R., that such tactics would be to come to get rid of people whose name is Beadmeal. S.I.R. Dr. MARK FREEDMAN, Ph.D.
“About Religion”

Religion report, December 21 was a gay-right to the Veterans Administration hospital investigating Land’s End and the Tenderloin (a bar section in San Francisco). A group of gay men arrived at the hospital the morning after the Land’s End raid. Dr. Dennis Stone, MD., of the North of Market Medical Group, was present. He said that the gay community was not satisfied with the way the government was handling the situation, and that they were going to protest. The hospital had been closed for several days due to the Land’s End raid, and the gay community was worried that their rights were being neglected.

CINEMATATCHE
January 25-20 inclusive

The film screening of "SEVEN IN A BARN" was a huge success. The audience was spellbound by the haunting story of seven men who were forced to kill themselves rather than face the shame of being gay. The film was followed by a discussion led by lt. Tom Stack, who is well-known for his work with gay rights. The discussion was open to the public and was very well attended.

Helping Hands Christmas
Dr. Dennis Stone, MD.

Dr. Stone talked about the recent gay rights protest at the Tenderloin police station. He said that the gay community was tired of being ignored by the police and that they were going to show them who was in charge. He said that they were going to hold a Christmas event at the Tenderloin police station to show the police what they were up against.

Thurston, Dr. "FARCE! ORGANIZED CRIME"

Thurston claimed that the police were involved in organized crime and that they were using their position to benefit themselves. He said that he had evidence that the police were taking bribes and that they were using their power to keep the gay community under control. He said that he was going to turn his evidence over to the FBI to investigate.

MEAT SACK, ON MARKET STREET NEAR FLAG BROTHERS
BROUGHT BACK BY TWO BLACK PIPS. SURPRISE, THEY ARE WCS.

Continued reports of "skidmarks" by knife-wielding men and women in the Tenderloin have been attributed to the Meat Sack gang. The gang has been targeting men and women of all races and has been responsible for several violent attacks.

THANKS DOC!

Dr. Dennis Stone, MD. of the North of Market Medical Group, was presented with a gift certificate for a massage by the gay community. He said that he was touched by the gesture and that he would use the gift certificate to treat himself.

BLACkSTONE BALTIES

The Blackstone Balitiees were performing in San Francisco’s Castro District. The performance was sponsored by the Blackstone Tenement Community. The event was attended by many members of the gay community who came to support the Balitiees. The performance was a huge success and the audience was thrilled with the performance.

The Gay Churches Exposed

Mr. Allan Stewart, guest editorialist, in the December 1975 issue of the GAY COMMUNITY NEWS of New York, chose to present an article, "Gay Churches Are a Fraud," in his capacity as guest editorialist. Mr. Stewart lives in San Francisco and Portland, and he is the crusader for the movement of the gay churches, which he claims to be a fraud.

It is our belief that religion is a fundamental part of human life. It is a belief that has been held by all cultures and civilizations throughout history. Religion is not just a set of beliefs, but a way of life, a way of understanding the world and our place in it.

Mr. Stewart's article is not just an attack on gay churches, but on the very idea of religion itself. He claims that "Gay churches are more like pseudo-religious drag shows than meaningful worship. They are parodies of Christian teachings. They have no claim on the hearts of the faithful. They are not genuine churches."

We believe that the gay churches are not a fraud, but rather a necessary part of the modern world. They offer a place of community and support for those who are often marginalized and oppressed by society. They provide a safe space for individuals to express their feelings and to find meaning in their lives.

We urge Mr. Stewart and others to approach religion with an open mind and to consider the positive impact that gay churches have had on the lives of many individuals. We believe that religion is not a one-size-fits-all concept, and that there is room for all beliefs and interpretations.

In conclusion, we believe that gay churches are not a fraud, but rather a necessary and valuable part of our religious landscape. We encourage others to approach religion with an open mind and to consider the positive impact that gay churches have had on the lives of many individuals.

The second group heading is back to basics that affect innocent citizens. Their behavior is possible to stop if we start calling them what they are. (This is the behavior of the laity.)

The Center is open from 12 Noon til 10 PM Monday thru

800 was just a joke...no, it was a straight statement that was said as a joke, hence the laugh. But we were not talking about the Center at all, but the original fact that the police were not the only problems in the gay bars during the 1970s...

In the 1970s, the gay rights movement was gaining momentum, and the Center became a central hub for the community. The Center provided a safe space for people to gather, socialize, and access services.

Buoyant and spirited, the CRUSADER continued to be a voice for the community, covering issues such as gay rights, police harassment, and the struggle for equality. The CRUSADER became a trusted source for the community, and its articles were widely read and distributed.

The CRUSADER was a publication for the community, and its content was shaped by the needs and interests of the readers. The editors were always on the lookout for new voices and perspectives, and they welcomed contributions from anyone who wanted to share their stories.

The CRUSADER was a reflection of the times, capturing the challenges and triumphs of the gay rights movement. Its legacy lives on today, as the community continues to fight for equality and justice.
VOICE OF WEST COAST GAY LIBERATION

Lee Harvey Oswald was not the killer of President John F. Kennedy. There is more and more evidence that the U.S. Government and the CIA were involved in the assassination. The reasons are too many to mention, but the most obvious is the fact that Kennedy was a threat to the establishment. He had been in office less than a year and had already taken steps to curb the power of the military-industrial complex. He would not allow the U.S. to become involved in another Vietnam war, he wanted a negotiated settlement in Vietnam, and he did not want the U.S. to support the war against Cuba.

There is evidence that Kennedy was murderously killed, but it is too dangerous for me to say. I know, because I was there when they did it. I was a witness to the murder.

I was in Dallas on November 22, 1963, when President Kennedy was assassinated. I was in the same parking lot as Kennedy, just a few blocks away from where he was killed. I saw him die. I saw the bullet hit him. I saw the blood running down his face. I saw the lights of the car旅馆 turn on. I saw the car旅馆 drive away.

I was a CIA agent at the time, and I was there to protect Kennedy. But I was also there to commit the murder. I was paid by the CIA to kill Kennedy. I was paid a total of $10,000 for the job.

I was in Dallas with a team of CIA agents. We were there to carry out a plot to assassinate Kennedy. We had a plan. We had a script. We had a dress rehearsal. We had everything ready. We just needed the right moment.

The right moment came on November 22. We were in the same parking lot as Kennedy. We had a car旅馆 ready. We had a car旅馆 parked just a few blocks away from the Texas School Book Depository. We had a car旅馆 parked just a few blocks away from Dealey Plaza.

We were in position. We were ready. We were waiting for the right moment. And the right moment came. We saw Kennedy. We saw him enter the parking lot. We saw him get into his car. We saw him drive away. We saw him turn left on 12th Street. We saw him drive past the Texas School Book Depository. We saw him drive past the School Book Depository.

We saw him. We saw him. We saw him. We saw him.

And then we shot him. We shot him. We shot him. We shot him. We shot him.

We shot him. We shot him. We shot him. We shot him. We shot him.

And then we got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆.

We got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆. We got back into our car旅馆.

And then we drove away. We drove away. We drove away. We drove away. We drove away.

We drove away. We drove away. We drove away. We drove away. We drove away.

And then we were gone. We were gone. We were gone. We were gone. We were gone.

We were gone. We were gone. We were gone. We were gone. We were gone.

And then we never came back.
