## Save San Francisco

### S.I.R. President, DeYoung, ILLEGAL VOTER!??

"YOU SHALL KNOW THE TRUTH, AND THE TRUTH SHALL  
SET YOU FREE".....Ole Southern saying!

Doug DeYoung lives in Belmont California, at  
888 Holly Road, and has a telephone listed at  
that San Mateo County address, and is listed as  
employed as a Data Processing Manager in San  
Mateo County, as well.

Doug DeYoung also gave a social poolside party  
at his home in Belmont California for Hector  
Navarro several weeks back.

Doug DeYoung also gave a nice sum of money to  
candidate George Moscone for Mayor, back in the  
month of August and gave as his address, 888  
Holly Road, Belmont, California.

Yet, Doug DeYoung has signed as a sponsor for  
Senator George Moscone for Mayor, giving as his  
address 560 Noe Street, San Francisco. He has  
also signed as a sponsor for attorney Lloyd  
Taylor, a candidate for the Board of Supervi-  
sors, giving as his address, 560 Noe Street.  
Yet, a check made during the last two weeks of  
October, shows DeYoung apparently residing at  
888 Holly Road, Belmont California.

DeYoung has registered with the San Francisco  
County Registrar of Voters as living at 560 Noe  
Street.

DeYoung apparently told attorney Taylor back in  
August that he could not sign his sponsorship  
papers, as he lived in Belmont California.

Yet, he later told Taylor he "now lived" at 560  
Noe Street, San Francisco, and signed the spon-  
sorship papers, which state that the sponsor  
must be a resident, as well as a registered  
voter of San Francisco.

A check of 888 Holly Road, Belmont, as late as  
Monday, showed that DeYoung was still living at  
that San Mateo County address.

As a result of this information, a formal pro-  
test letter has been filed with the District  
Attorney by the Gay Voters League, asking for a  
full investigation into what appears to be a  
most serious offense.

### DRUGS Flood Hongisto's JAIL, charges Deputies!

Sheriff candidate Gene PRAT's charge of drugs  
in the County Jails has been upheld by the SF  
Deputy Sheriffs. In a televised press confer-  
ence, they related how the volunteers of the  
incumbent Hongisto, were bringing in drugs for  
the inmates, which resulted in the death of 27  
year old Frank King from drug overdose!  
Hongisto's girl friend had been arrested with  
drugs in her purse when she and the Sheriff  
were about to visit County Jail #1 a while back  
charged PRAT. Hongisto has no comment!!

POLICE STRIKES!...HIGHEST  
AMOUNT OF HEROIN USERS IN  
ALL OF AMERICA!...LABOR IS

"BLACKMAILING" THE  
TAXPAYERS!...CITY IS  
THE MOST VIOLENT ONE  
IN AMERICA!.....

Yes, San Francisco  
is in trouble! It is  
in need of salvation!

The Police "black-  
mail" the citizens  
with an illegal str-  
ike, carrying guns

Ray Broshears

on the picket line, committing  
acts of violence upon citizens,  
and all while the big labor boss-  
es set back, pulling the strings,  
calling the plays.

We have the highest number of  
actual heroin users in all of our  
nation, more than New York City,  
yet the SFPD does not seem to be  
able to do little more than to  
break the law, chase whores, and  
become a bunch of middle-class  
sops!

The amount of men on the police  
department who really care about  
our City number less than 200.

Over sixty percent of the police  
live in all white suburbs, which  
only solidifies the charge that  
that they are racists. And how  
many gaypeople do you have living  
in Novato and Petaluma!? Yes,  
our City is in need of saving!

A GIANT STEP TOWARDS SALVATION...  
PROPOSITION B, N, O, P, & Q!

Yes, propositions B, N, O, P & Q,  
are issues which would bring the  
big labor bosses into line, and  
would show the police that, we,  
the ones who pay their salary,  
WILL and must have a say so in  
how they perform their jobs.

Gerald Crowley and the Police  
Officers Association are nothing  
more than blue-coated goons, who  
seem to believe that the laws do  
not apply to them when it comes  
to striking, just everyone else,  
the taxpayers, you and I!

Propositions B-N-O-P-Q are caus-  
ing the Police Officers Associa-  
tion and the big union bosses to  
spend more money than ever have  
before, to maintain their domina-  
tion of the taxpayers of this  
City.

As said before, IF YOU DON'T LIKE  
THE PAY, QUIT! Go somewhere else  
and work! But, they won't, they  
know a good deal when they see it  
and they certainly know a bunch  
of suckers (you and me), and they  
like it here. The trouble it,  
our entire system of bureaucracy  
is in need of change. We need  
people who will work, who will  
earn their wages! SAVE FRISCO!

# SOON CITY HALL WILL LISTEN

**DIANNE WILL MAKE A DIFFERENCE**

No longer will your voice fall on deaf ears at City Hall. Dianne will establish a top level cabinet of neighborhood representatives who will meet regularly with the Mayor and her department heads - in public. This new cabinet will deal directly with neighborhood issues and such problems as parking congestion and heavy traffic in residential neighborhoods, and most importantly safe and clean streets. This cabinet will assure neighborhoods of their share of the City's budget. As Mayor, Dianne will institute "Open House." The doors to the Mayor's office will be open regularly to all who have complaints with

the City's services. And, if you can't come to City Hall, City Hall will come to you. Dianne plans a "Mobile City Center." This unit would visit all neighborhoods and give all citizens a chance to speak on the issues that effect them most. San Francisco will once again be a City in which to live and raise a family. A city of tree-lined streets, mini parks, neighborhood shuttles and streets that are clean and safe. Not just a place for commuters and tourists - but a City of neighborhoods. So, speak out, San Francisco - Dianne will listen!

## A Man of Action for Sheriff

**GENE PRAT**

- Tough and effective prosecution of those who commit violent crimes upon any citizen.
- Strong Protection of every citizen's civil rights and basic liberties.

## SILVER vs FORAN in 1976?

Carol Ruth Silver doesn't stand a ghost of a chance of winning her race for District Attorney! That is a fact! All the polls show her running either third or worse. Her popularity is quite pocketed! For instance, she shows great strength in the Mission, in the Castro, Potrero Hill, Bernal Heights, Hunters Point, and an area just east of Polk. All of this is in the 16th Assembly District. She has only one pocket of strength outside of the 16th Assembly District, that being in the Haight! So, Carol, full well knowing that she cannot win in November 1975, has laid a careful plan for victory in November 1976. And the only obstacle to that victory is John Francis Foran, incumbent Assemblymember from the 16th District. Foran's aides constantly assure him that he has won the Democratic primary with no hassle, come next June. They tickle John's ear with words of confidence, of easy victory, but all the while, the Willie Brown MACHINE is beginning to build up. Take a close look at Carol Silver's campaign machine, all anti-Foran people; Father Eugene Boyle; Charles Turner, aide to Willie Brown, a real foe of Forans; deputy Sheriff Charles Smith; gay attorney Rick Stokes; former Foran opponent, Adolpho Majewsky; Art Tapia, SFPD Community Relations cop; Phyllis Lyon, member of the Gay Advisory Committee of the Human Rights Commission; Paul Khassner; Jo Daly of Alice B. Toklas Democratic Club; Espanola Jackson; S.I.R. official, Larry Eppinette; and longtime Foran foe in the gay political arena, Tom Fry, former Roman Catholic priest who works for the VD Clinic. All of these people opposed Foran last time around, and here they are together, ready to help Carol Silver defeat John Foran in the Democratic primary. Add to this list, SENTINEL editor Bill Beardemphl, and you have more trouble than John Foran can possibly handle in June 1976. I TOLD YOU SO! nb

Arnold Townsend is an Army veteran and a graduate of S.F. State College. He has been the executive director of WAPAC since 1972. Before coming to WAPAC, Arnold worked in the Neighborhood Arts Program, and was a member of the Fair Housing Planning Committee, the National Committee Against Discrimination in Housing, and the Citizens Committee of the BART Northwest Extension Study. Arnold Townsend has learned from his own experience what our communities need and want. For years elected officials in San Francisco have ignored the needs of S.F. residents, while bending over backwards to meet the needs of large corporations and special interests. We can no longer afford to let this situation continue. We must make our voices heard in City Hall. Arnold Townsend will help us do this, and will tell us the truth about what is happening in City Hall.

## GAY CRUSADER

## What Went Wrong?

THE GAY "KINGMAKERS" DIDN'T FARE SO WELL THIS TIME! WHICH ONES BLEW IT!...HOW?

Now, with the CHRONICLE, EXAMINER, SENTINEL, GAY CRUSADER all backing DIANNE FEINSTEIN for Mayor, Dianne, if the workers work a bit harder will not even need a runoff, for she can quite conceivably gain the 50.01 she needs to win on November 4th. RIGHT ON!!!

But, what happened to the gay "kingmaker", Jim Foster and his "machine"? The one which said that labor-controlled Moscone would win the gay endorsements "hands down". Moscone only got one gay group endorsement, that being the Fosterdream-machine Toklas Club, and that had an "stink" about it" Foster just couldn't deliver, even tho he had the assistance of Frank Fitch, Gary Miller, and even Harvey Milk, the new labor-lackey!

And then, look at Uncle Miltie! Several known activists pleaded with Senator Marks to get rid of Duke Smith, who had several bad checks out in the gay community, and who was one of Jim Foster's close associates. Things didn't quite look right in the Marks camp. Then Milton took what he felt was the step to complete victory with the hiring of former policeman, Elliott Blackstone, the SFPD cop to the gay community. Elliott, just didn't have the pull with the gay community he or Milton thought he had, and that was another Milton mistake. One engineered by Duke and Caroline Marks, his wife. Then all the double-dealing trips by Preston Cook, on various gay activists was remembered, and it all added up to one single endorsement from a gay group/biz, the BAR (Bay Area Reporter). Milton Marks allowed Foster-people to cripple his campaign.

The Silver for D.A. trip laid on the community by Jim Foster, who then deserted her for another candidate (who he nearly destroyed with his attacks upon various supporters of that candidate whom Foster disliked), was one that Carol and the gay community who remember the big Foster-push for Silver, and then his dropping her like a lead balloon, has done the "kingmaker" in, politically. He couldn't even deliver for Joyce or even the incumbent sheriff like he once did. A last hurrah? Lets hope so.

### EDITORIAL

OFFICE OF DISTRICT ATTORNEY.....We strongly urge you to vote for the only person who can unseat John J. Fendon as District Attorney, the only challenger who has the backing, of not just the majority of gay attorneys, but the strong backing of numerous of his peers. While his female rival rants and raves with typical leftist rhetoric, Joe Frietas comes out with facts, with a plan for the Office of D.A. That is right.....JOSEPH FRIETAS IS OUR CHOICE for District Attorney. This editor and our staff have not allowed ourselves to be swayed by the feminist rhetoric and charm of another candidate, but have chose to follow the path of logic and experience, and that is why we chose Joe Frietas, we hope you do the same!

OFFICE OF SHERIFF.....Is there anyone better qualified for this important post than Eugene "Gene" PRAT? No! Gene is by far the most

qualified person to be Sheriff, as he is an administrator, not a cop. That is what is wrong with the Sheriff's department. Too many cops and not enough brains, and very little comprehension of what the Sheriff is supposed to do and be.

Gene PRAT brings with him years of experience as an administrative aide to Dr. S.I. Hayakawa at San Francisco State University.

## FIGHTING FEINSTEIN FIRST ON HUMAN RIGHTS

Dianne was there years ago when all the rest were silent. Back in 1972, when it took a special courage, Dianne secured passage of the bill to outlaw discrimination on the basis of sex or sexual orientation in San Francisco. A milestone bill, it was the first such legislation for any community in the entire United States. Human rights have been wronged in many other areas as well: housing, employment, medical care and education. Dianne has a plan: expand vital City Commissions to allow much more community representation; require that each commission includes at least one woman; give first opportunity for city jobs to city residents; establish a tenant/landlord arbitration panel to resolve disputes out of court. And much more.

The magic of San Francisco is its marvelous blend of peoples and cultures. They all should be respected and supported and encouraged to live their lives with dignity according to their own very personal styles and needs. That is the substance of human rights and the objective to which Dianne has always been committed.

## DIANNE

FIRST WOMAN MAYOR  
OF SAN FRANCISCO  
THE POLLS SAY DIANNE WILL WIN.

.....EDITORIAL.....  
"DIANNE WILL MAKE A BIG DIFFERENCE!".....  
As the commercials say, "Dianne will make a difference", and nothing has ever been clearer! For it has been the dynamic and difficult leadership of this fine person in the troubled times of the Police strike, that showed once and for all, that Dianne Feinstein is not a weak person in the face of danger. During the trying days of the police strike, this fine woman worked day and night, trying to bring about a solution to the strike, until she and her associates were sold down the drain by Alioto and Moscone's big labor people. Moscone belongs to the big labor bosses. They own him lock stock and barrel. But not so Dianne Feinstein. She has stood courageously, alone many times, to face the awesome powers of big labor, as well as the big corporate bosses! She has dared to say "no" to those who would control our City and continue it on the road to ruin. If San Francisco is to prosper, if San Franciscans are to walk the streets in safety ever, then we must elect Dianne Feinstein the Mayor of San Francisco this year 1975. Without this dynamic and compassionate leader, our City will go the way of New York, Detroit, and worse yet, Chicago. She has proven herself, time in and time out, the friend of all San Franciscans. We, as gaypeople, can trust Dianne, and we can trust that she will be open to all of us, and not a select few!

.....EDITORIAL: If we are to give our new Mayor, Dianne, responsible people to work with on the Board of Supervisors, we must all work to elect the following persons to the Board. Incumbents, John Molinari is a hard worker, who deserves your votes; Quentin Kopp, a strange working man, but one of the most honest people to ever grace the Board, must have your vote; and a begrudging vote to Bob Mendelsohn, a man of erratic behavior, but who shows signs of

settling down to business; ARNOLD TOWNSEND is a must for election to the Board, for without him, the Board does not represent the low income or poor people at all; Enola Maxwell, a sincere 69 year old black woman whose years of community work, would be an invaluable asset to the Board; and a vote for Harvey Milk, a man who shows more faces than Fu Manchu, gives some semblance of gayness on the Board. This editor cannot vote for him, but the staff selected him over my wishes!

**VOTE**

.....QUENTIN KOPP, the Man No One Invited to Dinner, But They Are Damn Glad He came Anyway! Supervisor Quentin Kopp was oft times called the "man who came to dinner, but nobody invited him", in referring to his election to the Board of Supervisors. Quentin Kopp had ran on an anti-bussing platform, but this in no way implied that he was a racist, at least here in San Francisco, for bussing here is a bit different than back east. Kopp had asked no one on the Board's help in his bid for election. He attacked the incumbents relentlessly, and he did not let up even after the ballots had been counted and he had won election. That's the kind of a person Quentin Kopp is, hard driving and never relenting, and so often, very abrasive. But, Quentin Kopp has proven that he is the hardest working Supervisor outside of possibly Dianne, and he being a lawyer, is sharp, so sharp that he cuts into his fellow Board members nerves, with his attorney-like questioning. Something which drives the likes of Terry Francois and Bob Gonzales out of their seats and into a hasty retreat to the quiet of their offices. Quentin Kopp's sharp tongue, quickness, and honesty, is something that some of the Supervisors were not ready for. And, now at the end of four years, many of his cohorts are secretly praying that he will be defeated, so that they can go back to the ole "pork barrel politics"! Quentin Kopp must be re-elected if the citizens are to have a watch dog on the dollar on the Board. Kopp is not one to compromise. He stood strongly against the police when they held their illegal strike. Kopp was perhaps the strongest member of the Board. Quentin Kopp has an excellent chance of becoming the President of the Board of Supervisors if he polls high enough. Kopp is a Democrat, and the only logical one to replace Dianne as President of the Board. Tuesday, November 4th, vote for Quentin Kopp for the Board of Supervisors, and you vote for yourself!

## REMEMBER?

CRUSADER Issue #15 February 1975 Page 1

DIANNE FEINSTEIN, President Bd of Supervisors...Ms. Feinstein first swept into office in 1969 on a very pro-gay platform and won the presidency of the Board. She introduced the gay rights amendment to the fair hiring laws of San Francisco which was passed. She authored it and she made sure it passed. In 1971 she made a run for mayor against Alioto and seemed like a shoo-in. But due to campaign aides such as Maitland Zane of the Chronicle, she lost many of her more liberal supporters early in the race, due to insults and tripping. Then, in 1973, she won all her old gay support back with a few exceptions, and went on to a glorious victory winning the presidency of the Board. Then in 1974, she backed legislation which the big union bosses did not like and they set about to smear Ms. Feinstein, calling her "Miss Goody Two-Shoes." But, Ms. Feinstein, a woman who has done away with many of the archaic "traditions" on the Board of Supervisors, could care less what they called her just as long as they mentioned her name. Ms. Feinstein has gone to bat legislatively for gay rights and hit a home run. That will not be forgotten by her supporters and cannot be forgotten by the gay leaders who have already gone over to Marks and Moscone. While Ms. Feinstein does not always seem to do the popular thing, it seems to be the right thing, and she has never deserted her 1969 stand of "equality for all, and now!" Ms. Feinstein has not announced for mayor but it is expected that she will do so in late March or late April. Ms. Feinstein, while obviously behind Marks and Moscone, most certainly, if she runs, will pull into the lead right down at the wire, that being election day. Her stands on gay rights, on better treatment for our elderly and disabled, and her strong stand on behalf of all minorities is her greatest asset, and she is strong with all the women's groups. Add it up and Supervisor Feinstein looks like Mayor Feinstein.

## DIANNE FEINSTEIN

## On Human Rights

The magic of San Francisco is rooted in its unique blend of peoples and cultures. All should be respected and supported and encouraged to live their lives with dignity according to their own personal styles and needs. This is the very substance of human rights.

In 1969 I was elected to office through the support of those committed to basic human rights. I secured passage of the bill which outlaws discrimination on the basis of sex or sexual orientation.

Human rights have been abused in many other areas as well: housing, employment, medical care and education. I pledge my continued time and efforts toward attaining these most essential goals we share.

I would like to express my appreciation to all of you who have supported my candidacy.

**All Silver NOT Good!** Just because it is silver, does mean it is good or valuable, for silver tarnishes badly sometimes. And in the case of Carol Silver, she is not a good candidate for District Attorney. She is tarnished! She should check her facts, but she doesn't! She does not have the experience to be District Attorney. Just because she is a woman and a member of Coyote is not qualification enough. The Office of District Attorney needs someone with courtroom experience, something Carol does NOT HAVE! The polls all show her running third or fourth. She is hurting our one chance to throw Ferdon out...JOE FREITAS. Don't waste your vote...don't vote on emotion...or just because "she is nice", please, vote for Joe Freitas for D.A. Carol Silver doesn't stand a chance. Make your vote COUNT FOR VICTORY on November 4th, vote for JOE FREITAS.

JOE FREITAS...DISTRICT ATTORNEY!

Spirit of 76

No more losing jobs by '76  
Because we are gay, they label us pricks  
For thousands of years, we've been rejected  
We've been burned at the stake and not too respected  
Now there's a man they call Ray Broshears  
Who does what he can to help penniless queers  
He's in with the Lesbians.....that is quite true  
He won't turn his back on a boy named Sue  
Some of our people drink liquor and wine  
While watching an actor with talents divine  
Ray's outspoken mouth surprised me at first  
After thinking it over....millions are worse  
I'm not really saying the reverend's a saint  
But realize this.....He's what most of us ain't  
He works in the Tenderloin  
And lives day by day  
Among the downtrodden  
Defending the gays!
