Thousands of dollars spent on ego trip, by three "royal" folk!

It is time to call a halt to the so-called royalty-trip before.........!

The camp function, called "empress" and also "emperor", were begun as high-camp, fun, etc., but now, eleven years after it was begun with Jose I, tens of thousands of $$$ dollars are being spent by the candidates to "win" the titles. Fun is fun, but some of the people begin to believe that they are really some kind of "king" or "queen"! This is sheer madness, it is insanity at its zenith!

Only one of the five "empress" candidates spent less than a thousand dollars! That is super-silly! Just what do the big spenders like "Flame" or "Ginger" think they are going to have if they win? The same went for the so-called, "emperor" campaign, as the two big spenders, spent more than $35,000. And the three biggies of the "empress" trip, spent well beyond $50,000.

While poor gay peoples charities are dying, so to speak, these people are acting like the pagan Roman emperors/empresses, and spend lavishly, foolishly, while the poor go without the vital necessities of life. And you all remember what happened back in those days, the people rose up in violent revolution against the big spenders!

It is more than time to call a halt to the "royalty trip" in the gay social scene, unless there is a tiny maximum spending limit imposed quickly, and it is supervised. One "emperor" ego tripper, nearly destroyed one social service agency.

Let 1976 be the year of SANITY in the gay social scene. Let us spend money on the poor, and use money to help bring an end to oppressive laws. Not on being "empress" or "emperor"! Greed destroys! REMEMBER THAT!

Let My People Live!

The focus of the Orthodox Episcopal Church of God, here in San Francisco, has been upon those who are poor, who are oppressed. Jesus calls all to Him: the oppressed to liberation in His lifestyle; the oppressor to give up the role of oppressor, "sell all you have and give it to the poor, and in this giving up the oppressors role, to identify with the people by service. It is in our helping others that we help ourselves the most.

How can any of you rejoice at this time of year, when there are so many going without the vital necessities of life? God, help your people now! The elderly are barely able to live from day to day. So many of our sisters and brothers suffer from hunger, from improper medical care.

I am asking you to help the outcast, to give forth of not just your material possessions but of your Self! Time is so short here on the earth, and I call upon you to do something to try and leave this life a better life than you found it!

I am asking for bread; will you continue to give my people stones? God has not denied my people. Why do those of you who scorn my people deny us? Begin the New Year right, begin it with God, and yourself!

Guy Strait Jailed!

This federal government caught up with Guy Strait some time ago. After several months of trial, they finally defined a conviction, and he is now Federal Prison Facility (Prison) in the Seark town of Springfield. Guy Strait, League for Civil Education (LCE) which at one time was the largest gay rights organization in the United States. The crowd broke apart much like the former day rightists, but large. The SIR Organization, which became a bit too totalitarian in the droop and the manner, appears to be a part of the SIR organization.

Guy Strait is in extremely poor health and that is one reason he is in the Springfield facility. He is said to have served on a maintenance prison such as Marion, Illinois, or Leavenworth. Report of San Francisco newspaper is that he would not speak up for any of the prisoners, a charge that he, and the gay leaders, are now questioned.

**1975+**

1975 WAS A GREAT YEAR FOR THE GAY LIBERATION MOVEMENT.  
ONLY ONE BITCHEN APPLE CO.  
SPIED 1976 BEING AN EVEN GREATER YEAR!  
Legislatively speaking, 1975 was a wonderful year, as new states, including Ohio, have added gay rights legislation.  
The Willie Brown sponsored gay rights legislation.  
1975 was an even greater year to be gay!  
You can also read a column regularly in NEWSWEST by Michael Kearns, THE HAPPY HUSTLER.  
If you haven't read one of Michael's books, then you have no idea what it takes to be a winning hustler, and after reading this book, you'll definitely want to try it out for yourself.  
Michael's book is really great reading, non-fiction/fiction!  
Next time you see Le Salon, go in and buy a copy, for it is good reading.

**From Closet to voting booth**

Harry S Truman Democratic Club  
We protest strongly the article titled "From Closet to voting booth" by Nancy Freedman in the October issue of California Journal.  
Our club bested the Alice B. Toklas Democratic Club in attendance and representation.  
Raya does not represent even California but represents the rightist California Democratic Club seriously is pure wishful thinking on the part of George Raya, a member of the Alice B. Toklas Democratic Club.  
George Moscone was elected Mayor of San Francisco despite what efforts the Jim Fosterites put forth to the contrary!  
Friends of the gay communities like Assemblymen Louis Pappan of Daly City who is seeking the Senate seat held by Moscone, must be elected if the gay rights struggle is to be helped in the State Senate.  
Senator Milton Marks is a lame duck, and will be beaten easily by either Willie Brown or another Democrat of the same structure.  
BIGGEST PROBLEM IN 1976 IS THE CLOSET QUEENS and bigamy.  
One thing bothers me about the book, and that is that Michael Kearns constantly refers to his S 8 inches of hard meat.  
Our club bested the Alice B. Toklas Democratic Club last year, and we have been beaten by the Kalish Club, and are in a political membership, over our candidates who have found 200 people while Toklas attracted a paltry 56 persons.

**Homophobes like Bootwright must not be returned to political office.**

George Moscone was elected Mayor of San Francisco, which is a tremendous step forward, even those of us who supported Diane Feinstein will concede that.  
George Moscone will most likely work with all factions of the gay communities despite what efforts the Jim Fosterites put forth to the contrary!  
From Closet to voting booth; the idea that one in Michael's book.

V.D. CLINIC’S DR. BRAFF HAS BEEN "USED" BY SENTINEL!

Attacks by Dr. Braff, M.D., on the editor of this paper, without permission of Dr. Curry—Director of Public Health, have caused an investigation, which has shown that re-publication has been promoting Braff in his attacks.

The editor of the paper has asked people to not live their names when dealing to the V.D. as it has never been proven that such info cannot reach the hands of law enforcement officials. This paper is also opposed to any such data-gathering tries on people, such as is being done by the V.D. Clinic, and especially with the Mobile Clinic and the Clinics being conducted in Bath Houses. In the Gay Rights Platform which will be adopted in February at the Democratic Party (CDP) convention in Los Angeles, article 9 of that proposal is opposed to ANY DATA GATHERING BUREAUS, which includes the VD Clinics. And the local Clinic assumes that clients are liars when they will not allow the client to contact the personal(s) they have had contact—sexually with. Civil liberties is the whole issue here!

December 9th was a very special occasion at the Veterans Hospital as the Gay USO troupe came out to perform for those veterans who are hospitalized and cannot get home for Christmas. This is a project of the HELPING HANDS COMMUNITY SERVICES, and the gifts were given by the San Francisco Tavern Guild, $100 worth of gifts. The show was highly entertaining, with magician Jerry Salazar doing a fine act, as did Lee Raymond of course, and with music by the wonderful Chris Wayne, what could be better?

J.J. Van Dyk did his "Getaway" number; Sue Shulman did a few numbers from Cabaret, Jaxie St. James sang live, and is a comer; June Cowan did her Salvation Army Singer routine, as well as the fabulous Connie Francis number "Gone". There were other entertainers as well, and their charity was appreciated. Another fine example of people helping people. A huge thank you must go to Lee Raymond, Chris Wayne, Shirley, Jack "Irene" McGowan, and all the others.
