HELPING HANDS CENTER
FOURTH ANNIVERSARY

Helping Hands Community Service Center and Office, now at 474 Eddy Street, is celebrating their Fourth Anniversary.
The Helping Hands is a project of the Orthodox Episcopal Churches of God, and has served the gay community of San Francisco for four years now as a social service agency, and before that, for four years as a street ministry, operating out of the Church office at 26 Seventh Street.

Helping Hands has had two locations, 225 Turk and the current address. The Center has had the same director for all four years, the Reverend Raymond Broshears. The Center has a Drug Prevention and Education Project and as well, has a special outreach project to the elderly and physically disabled peoples. Due to limited funds, the Drop-in socials were discontinued after the move to the Eddy Street offices. Helping Hands has presented for the past four years, variety shows at the Ft. Miley Veterans Hospital each Christmas, and each Thanksgiving (with 75 exception) have a special dinner for those who are disabled or ill and cannot get out. And as well, have had a Christmas Dinner for shut-ins and homeless gaypeople each of the last four years.

Helping Hands is a member of the SF Coordinating Council on Drug Abuse; has a seat on the Central City Project Headstart Program; a member of the Tenderloin Citizens Council; and is the home of the Downtown-Polk Police Community Relations Council.

Over 400 persons have obtained release from jail due to the assistance of Helping Hands in the past four years, and at least 1,900 have obtained some type of employment through Helping Hands. The program exists on donations entirely.

200 YEARS OF GAY OPPRESSION

This being the year of the Bicentennial Gay people must be made aware that we have had 200 Years of Oppression. Let us use the Spirit of '76 and end that oppression!

BUS LOAD OF GAY DEMOCRATS ARE GREETED BY REV. RAY BROSHOEARS, AS THEY ARRIVED TO CAMPAIGN FOR MOSCONE.
Pat Rocco, Howard Fox, Morris Kight and a host of Los Angeles gay's came north to help elect Moscone Mayor.
Although many gays now are wondering if the election of Moscone was a good-trip for gay people, it was a wonderful show of gay brotherly love and concern from our Los Angeles' bretheren.
The Stonewall Democratic Club will host all other gay Democratic Clubs at the February California Democratic Council Convention in Los Angeles.
Morris Kight, Club proxy, told the CRUSADER that the Stonewall Democratic Club will host a hospitality suite for the gay delegates from San Francisco, Los Angeles, San Diego, and other points. The purpose he said, is to bring about unity on certain points, in order to present a strong gay rights plank.

LOS ANGELES' STONEWALL DEMOCRATS
Moscone Backs Down on Police Commission Appointment to Gays!

GEORGE MOSCONO, CHOICE OF TOLTEK GAYS, BACKS DOWN YEAR LONG CAMPAIGN PROMISES OF APPOINTMENT OF GAY PERSON TO THE POLICE COMMISSION... OUTRAGE EXPRESSED BY ACTIVISTS! Despite his year long promise of a gay person on the police commission, Mayor Moscone backed down, with the excuse, "I couldn't find a gay qualified"!

Several gay persons expressed unhappiness, but, said nothing harsh about Moscone, as they hoped some of the spots (meaning, other appointments) yet to be divided by the new Mayor.

OUTRAGE AS MAYOR SEEKS TO OUT THIRD WORLD WORKERS FROM THE MAYOR'S OFFICE ON MANPOWER... Mayor Moscone got himself in a bit deeper, as he asked the black, latino, chinese, and "gay" people to top-security posts. He is also in favor of the "ring"!

Among those third world employees is a gay person both black and chinese.

Moscone seeks to fill these spots with his political campaign workers... something called, "paddling the payroll"!

Already, several members of the Alice B. Toklas Democratic Club are on the payroll. Duke Smith works for the Maritime Club. Mike Mendelson is the attorney general. Dodge Smith works for the Maritime Club. Duke Smith works for the Maritime Club.

by the established National Police Force* at the "top". The "pincers" will close when the government surrenders to the mobs, "in order to prevent further violence", while simultaneously centralizing police power, to restore law and order.

This technique of "conquest" has been successfully used (watch Portugal, Italy, Spain) in recent years.

The Federal government is to use centralized police to confiscate all privately owned guns. Project Safer California has made the confiscation of guns a top priority and has used quite effectively, people in the "peace movement", their "dupes" in helping to bring about the confiscation of guns.

The National Police is one way, through regional government, to bring about an end to dissent in America today.

At the moment, San Francisco is involved in regional government planning. Regional governments are NOT ELECTED and are not responsible to the people. Supervisor Dianne Feinstein, Mayor George Moscone, Sheriff Richard Hargis, Supervisor Robert Gonzales, all are advocates of Regional Government.

BAY AREA REGIONAL GOVERNMENT programs call for the following to be completed within the next five years:

1. To seek State enactment of permissive legislation authorizing FIVE REGIONAL HOME RULE OPTIONS: Multi-County Consolidation, eliminating all County officers...CITY COUNTY merger, eliminate all city and county officials...MODERNIZED COUNTY (like Dade County Florida), Multi-Purpose Regional Service Corporation and Conversion into General Purpose GOVERNMENT.

2. Creation of broadly representative permanent State Advisory Committee on inter-governmental relations to PROBE ON A CONTINUING BASIS the structure, function, finance, and relationships of governmental levels in the State.

In Texas, State Legislator A.J. Korioth of Farmers Branch, has filed suit to stop expenditures of $3.4 million in state funds to assist Regional Planning Commissions and Councils of Governments. Representative Korioth contends that REGIONAL PLANNING is UNCONSTITUTIONAL, and must be stopped. 1984...Big Brother NOW!
