## Syndicate Buys SF Gay Scene? IRS & FBI Look!

An innocent lawsuit has touched off a federal investigation into the gay business life of San Francisco. The suit has nothing to do with the Mafia or Syndicate, but, it did open doors heretofore closed to the IRS and the FBI.

Agents of both the FBI and IRS have been asking questions of various gay activists about bars, baths, and contracts between them and various liquor, vending and brewery business outfits here and in San Jose.

A special task force, which is investigating payoffs to the SFPD by various Tenderloin barkeepers, has exploded into something that even they did not expect. The civil lawsuit against newspaper concerns, opened a door concerning "under the counter salaries", something which has shocked most all questioned to date. All questioned have consulted with lawyers concerning the matter. The investigation is still at a very low key level, but could escalate. The FBI is investigating threats of violence towards various gay activists by some gay businesspeople as a result of their testimony.

Officials of the San Francisco Police Department admit that such an investigation is now underway by the Federal government agencies!

## QUENTIN KOPP Endorses MILK!

PRESIDENT OF BOARD OF SUPERVISORS, ENDORSES HARVEY MILK FOR 16th ASSEMBLY SEAT AT EMOTION CHARGED TRUMAN DEMOCRATIC CLUB LUNCHEON.....

The highly popular President of the Board of Supervisors, Quentin Kopp, told members of the HST Club that "I respect independence, I respect integrity, and that is why I respect Harvey Milk, and that is why I will give Harvey Milk my endorsement in his race against Art Agnas in the 16th Assembly district race!"

To this, a loud cheering applause went up, and Kopp continued on why there should never be a Primary that does not have opposition candidates. Kopp let it be known that he values democracy highly, and that for candidates to run unopposed is most undemocratic.

KOPP CALLS FOR FISCAL RESPONSIBILITY BY BOARD OF SUPERVISORS AND CITY AGENCY HEADS....Kopp spent considerable time on the financial state of the City before he made the Milk announcement. Most of his proposals were quite well received.

KOPP THANKS TRUMAN CLUB FOR SUPPORT....The dynamic President of the Board, told those present that he really appreciated the work and support of the HST Club during the last election. He told members that he respected what the Truman Club had accomplished and was trying to accomplish.

VICE PRESIDENT BOB ROSS of the HST Club thanked the Supervisor for coming and then the meeting got down to the nitty gritty of things.

First was the endorsement of Proposition 5, which the Club supported without dissent. HST Club President, Reverend Ray Broshears then asked for official endorsement for former Georgia Governor, Jimmy Carter, for President of the United States. A move which was supported and passed. The Club also endorsed Tom Hayden for U.S. Senator after a speech by Bob Ross concerning Hayden's qualifications.

CLUB ELECTIONS TO THE HELD....elections for a full year's office are to be held at the March meeting, and Club President, Rev. Ray Broshears announced that he would not seek re-election. Broshears was the founder of the Club.

The next HST Club meeting and luncheon open to the public will be Saturday, March 20th at the Casa de Cristal, site of the Kopp Luncheon.

Also, endorsements will be made at that time for other political offices at March 16th is deadline for candidate filings!

## Moscone Tells Gays To "CRAWL" at C.R.H. Meet

At the annual CRH (Council on Religion and The Homosexual) Dinner, held this year at Grace Cathedral, the Mayor of San Francisco, George Moscone, enraged that independent minded gay activist Harvey Milk was to oppose the Moscone-Brown machine candidate for the 16th Assembly seat, told the gays assembled, "I would urge you to not be anxious for bigger things too soon, you have to learn to walk before you can run"! Moscone machine supporters enjoyed the put-down of Milk, but LIBERATED GAYS, were enraged at being told to "crawl" until Massa sez you are ready to walk or run for office!

Hank Wilson of BAGL expressed outrage at the statement and told Milk so! Bob Ross of B.A.R. and Rev. Ray Broshears protested later to Moscone aides. Broshears threatened a picket of the next Moscone function in the gay community, unless he apologizes!

## FRED FURTH Seeks Marks Job!

"It'll take one tough lawyer to ever prove the system belongs to YOU! You can hire that lawyer on June 8th!" So sez Fred Furth, Democrat, pictured at the left here. Fred Furth, dynamic 41 year old cocky lawyer, made his announcement for the 5th State Senate District Seat now held by Senator Milton Marks. Marks, popular in the gay community until his bid for Mayor in which he was the bottom of the top five contenders, will not prove an easy foe, as Furth is already finding out. Marks is backed by the "Goodstein Machine"...Jim Foster, Frank Fitch, Duke Smith, Larry Eppinette, Doug DeYoung, Jo Daly and of course, the "boss" himself, David Bertham Goodstein of San Mateo. His loyalty to the Goodstein Machine proved to be his undoing in the mayoral race, and ardent Marks supporters in the gay community are urging him to dump the Goodstein Machine people, less he lose his Senate seat to Fred Furth. Furth will be opposed in the Democratic primary by Bob Mendlesohn who has ran for just about everything there is to run for. Bob was once the darling of the gay voters, but he too became too close to the Goodstein Machine and fell into disrepute. He lost heavily in his bid to be State Controller. And he was planning on making a run for Mayor, but backed out. He also backed out of running against John Foran in the Democratic primary in the 6th Senatorial district, as he would not have had the backing of the Moscone-McCarthy-Brown Machine which is aligned with the Goodstein Machine. Fred Furth is free and clear of the Goodsteinites...to date!

## GAYS..MILITARY FUSS

At a fund raiser for the COALITION TO DEFEND GAYS IN THE MILITARY, held at a pant store at Hyde & Green Street, Sunday February 22, about three dozen people heard Jane Sica of B.A.G.L., tell of mistreatment of gays in the military. Commander Gary Hess, Chief P.O. Denny Beller, were amongst the servicepeople to speak at the function. A member of the W.A.C.'s from Fresno claims she has always been an up-front lesbian in the military and told them the day she join that she was a lesbian, and made quite a joke of the entire affair. Her story left a good deal of doubt as to it's credibility. Paul Hardman, of PRIDE co-chairperson of the COALITION also spoke as did Howard Wallace of B.A.G.L. and a former member of the S.W.P.! Ms. Sica stirred concern amongst some of the gays when she told of her efforts to have Ms. Angela Davis of the Communist Party endorse the COALITION, as well as Dennis Banks, Ron Dellums and others. State Senatorial candidate Fred Furth was on hand, as was Jim Foster, Harvey Milk and John Eshelman Wahl, attorney for Beller. Gays and Angela Davis? Why!!!!!! rb

## VooDoo Impov- ing! Resting in San Diego...

VOO DOO, as he is known to tens of thousands of gay San Franciscans, is improving and has left St. Francis Hospital, and has moved to San Diego for two months of rest and recuperation from his recent heart attack. Voo Doo (Richard Mason) pictured here with Rev. Ray Broshears, longtime friend, ran for the camp-title of "empress" this past fall.

## S.I.R. Installs New Officers!

LOWEST VOTE IN THE HISTORY OF GROUP HAS SPURNED PRESIDENT TO TAKE DYNAMIC ROLE OF LEADERSHIP!

Larry Eppinette, newly elected President of The Society (SIR), has told the members that he expects the most from each of them and that they must each take a more active role in SIR so that it returns once more to the role it once held, as the largest membership participation organization in the gay rights field. A socialist leaning group, BAGL (Bay Area Gay Liberation) now has the largest participatory membership group on the west! Eppinette, a native of Vicksburg Mississippi, is a quiet man, whose charm and wit have earned him much respect in the gay scenes of San Francisco. He is an acknowledged worker, and is a supporter of various gay rights groups. He is an active member of one of the gay Democrat Clubs, and he is an Episcopalian. Elected with Larry, was Ms. Jo Daly as the new Vice-president; Bob Shore as the Secretary and Don Jacobs as Treasurer. The members of the Board of Trustees, are Bob Ross, Duanne Walcott, Ken Rice, Dennis Charles, and some others. Eppinette's first job was to seek out an active Legal Chairperson, as The Society has not had one for some years now. And his choice, a surprise to everyone, was famed attorney B.J. Beckwith. Beckwith was chosen by Eppinette due to his long record of giving freely of his time and energy in the field of gay rights. Beckwith also has given much time to helping people who cannot afford other gay attorneys who charge some outlandish fees. His plain-spokenness will go well with the wit and charm of Larry Eppinette, and they should make the finest team that The Society has seen in some years. Ken Rice was named Office Manager, defacto, thru Harry Lesure.

ATTORNEY, B.J. BECKWITH

## Editorial.....

DAVID B. GOODSTEIN and his henchmen are the targets of this probing editorial.

GOODSTEIN who some call... BADSTEIN, has money, and lots of it...and with his money he has a certain amount of power, particularly since he purchased the SADVOCATE newspaper.

Goodstein apparently has the philosophy of "he who has the gold shall make the rules"...the "golden rule of capitalists"! His attempt to shut up people such as MORRIS KIGHT, PAUL HARDMAN, myself (RAY BROSHEARS), BILL BEARDEMPHL, is absolutely the zenith of fascism! He is now, and has said so in print, is attempting to shut the legislators off from us, as well as the news media. GOODSTEIN believes that he and his henchmen have the ONLY truths and must run the gay liberation movement across Amerika. His brand of "liberation" is closely akin to ADOLPH HITLER'S!!! His "henchmen or henchpersons" include such persons as...Doug DeYoung who is a close aide to Goodstein, and carries out much of "his masters" voice, will! The number two man can only be Jim Foster, who is too close to Mayor Moscone and Arthur Agnas and other politicians. Then you have attorney Rick Stokes and David Clayton. These people in northern California make up the "Goodstein inner-circle". The outer gang includes people like, Frank Fitch...Duke Smith...Jo Daly,...Richard Piro....George Raya....Bob Cramer...

....and some newer flunkies whose names are too numerous to mention. Frank Fitch remarked that he is a poor person, so how could he be a part of the Goodstein machine...well, Frankie, by doing the will of your "masters", DeYoung and Foster, as they impart the orders from the big master! Money has little to do with it. Goodstein and his flunkies believe they can go around threatening people, lawsuits, and some of his flunkies have even threatened violence if the attacks upon the Goodstein "fronts" such as the Toklas Club, Golden Gate Business Association, Whitman-Radclyffe Foundation, and the Hollywood Hills Democratic Club...oh yes, and the latest Fitch-Foster flunkie front, the Christopher Street Democratic Club...it started out to be an independent Club, but vists by Fitch and Raya changed all that...they are headquartered down in San Jose. Let's hope they will rebel against the Goodstein machine quickly...before it is too late! HOW DO YOU DEAL WITH THE GOODSTEIN MACHINE?...that is a question, one which is being worked on now! Unity amongst the freedom, democratic loving gaypeoples is the first way. And exposing various people and groups when they become involved with the Goodsteinites. That is the answer for now! Oh yes, watch the new Gay Health Advisory Council...it has many many Goodsteinites, like Tom Fry who heads the Whitman-Radclyffe Speakers Bureau...he is one of the "biggies" in the health group. So, you see, the Goodsteinites are all over the place....and many of them seem to pop up when "funding" is the issue! Goodstein is money...and the Goodsteinites are learning how to gain the taxpayers dollars!

## Gay Liberation Alliance San Francisco

GLA AGREES... +SOME BARS & THEATERS ARE FIRE TRAPS+! The GLA Central Committee met in huddle with representatives of the various agencies responsible for the safety of citizens, and related to them, some of the horrors they had uncovered in some of the gay bars, baths and theaters and a couple bookstores, as far as the safety of the customers are concerned! One theater it was pointed out, while not gay owned, has iron bars across the windows and a steel turnstile, and a fire would burn all alive inside and the Fire Department officials are ON THE TAKE is the charge of the GLA. The movie house is owned by thugs, mafia-types! The same goes for a couple of very well known gay neighborhood bars. They too, offer no way out in a fire but death. They have gays fronting as owners, but under world types actually own them. The GLA will move in concert with representatives of another gay group to file official charges against these businesses and against the City agencies which refused to enforce the laws!

TRUMAN DEMOCRATIC CLUB HAS LARGE TURNOUT FOR QUENTIN KOPP...SCHEDULES JOE FRIETAS FOR MARCH 20th LUNCHEON....! With the immense success of the Kopp luncheon under it's belt, the HARRY S TRUMAN DEMOCRATIC CLUB, is planning another biggie with the D.A. as it's guest.

PROTEST OVER FOSTER FAILURE TO DO "JOB" AS STATE CDC GAY CAUCUS CHAIRPERSON. The California Democratic Council Convention is set for February 27th thru 29th, and rebellion is in the air....rebellion against James M. Foster, who has refused to communicate via mail, phone or in person with the other Democratic Clubs. The Truman Club received it's first piece of mail on February 20th from Foster, who is supposed to maintain close contact with the Clubs and hold regular State Gay Caucuses. Also, the Northern Gay Caucus Chairperson, Ms. Jo Daly is equally guilty of failure to communicate and hold Caucus meetings. Representatives of the STONEWALL, SF REFORM DEMOCRATS, ISLAND, LAMBDA and TRUMAN Democratic Clubs intend to oust Foster as Chairperson by protesting his failure to work with the Party gay clubs. Also, the Club's intend to expose Mr. George Raya for certain claims he has made in newspapers. INTERESTING!!!!

## MOCCASINS

Dry burning moccasins do I feel beneath my feet  
and a wind of rushing sand  
and eyes that cannot see.  
Sun Beams stand tall beside me  
like bright organ pipes of gold  
only to play upon it's music  
sheet of sandy sea.  
Dry burning moccasins do I leave  
behind with the dry winds of  
note of sunbeams playing across  
the desert floor.  
Til I am no more!

## MARK MULLEIAN

MARK MULLEIAN, 28 year old painter, is pictured here in a photo essay of his recent San Francisco years. Also is a photo of one of Mark's most recent paintings, "Knowing The Not Knowing". Mark, who is devoted to not just his painting and his young 21 year old lover Dean, is also devoted to keeping his body fit. Mark's painting's reflect a deep mood of searching for something which no one really finds, happiness. His paintings as yet, do not reflect happiness yet, as he, according to experts, "has not suffered enough yet". A statement which Mark scoffs at. But, his talent is unmatched in the San Francisco art community. Critics of Mark's body building abound, and this is due to perhaps their own envy of Mark, at least this is the opinion of this art reviewer.

Leonard Frank, Benny Bufano, and Mark together in 1971.

Mark's color in his art is one which reflects a good deal of study, and also is the hallmark of a Mark Mulleian painting. Mark's paintings sell at a high price, for even the cost does not reflect what has gone into them. Mark will be holding an art exhibit in the near future at a new art studio which is opening on Ellis Street, near Polk Street. Watch the GAY CRUSADER for the date of this important show. Also, this reviewer finds the anti-drug attitude of Mark most refreshing, for too many in the art colony of our City are caught in the whirlpool of drugs. Bravo Mark Mulleian! rb

## Tessie Flame Make it a Funeral for HHC...

At an auction billed as a fund raiser designed to SAVE Helping Hands Center, newly elected "empress" Flame and supporters of someone, maybe H.L. Perry, got into a fight about Tenderloin Tessie having lost the contest sponsored by H.L. Perry for Miss Gay SF. The fight ended the auction and subsequently, the CENTER has closed its doors. Tenderloin Tessie, longtime supporter of the CENTER, sponsored the auction, but showed up very late and left when the fighting began between Flame and Tammy Lynn and Ronnie Lynn. The fighting was highlighted by a sudden turn from a fight between Flame and Tammy Lynn about H.L. Perry, to an vehement attack upon the CENTER by Tammy Lynn and Mike Rio who said it should be closed. Flame then fled out the door to the Kokpit bar with supporters in tow. Empress Melvina and Empress Shirley were then physically attacked by Tammy Lynn and supporters as they tried to get into their car. VIOLENCE HAS BECOME A WAY OF LIFE in the gay bar scene, was the charge by Rev. Ray Broshears, pictured above with Tessie and Flame. Broshears charged that shady characters and dishonest bar owners are making a shamble of the once peaceful and serene gay bar scene in SF. Flame's supporters later boycotted a dance at the SIR Center on Valentine's Day to help in a last minute trip to save the CENTER, which shut down on Sunday February 15th. All belongings were given to the SURVIVAL HOUSE, on Haight Street, and the HELPING HANDS SERVICES were continued from another location just out of the Tenderloin, but there is no longer a drop-in Center nor are many of the services Helping Hands was able to provide by having such a place. Broshears charged that underworld characters and political persons were directly responsible for the closing of the CENTER. Flame denied any knowledge of trouble except to say that some words were exchanged, and that she/he could care less about the closing of the CENTER.

This smaller issue of the GAY CRUSADER is due to several reasons. One being that funds for the paper were channeled into an effort to save the Helping Hands Center which failed. And due to the fact we do not have an advertising salesman! WE WISH TO NOTE that any future profits of the paper shall go to the Helping Hands Services, which do continue. The GLA (Gay Liberation Alliance) is a strong supporter of gay charities such as SURVIVAL HOUSE, and HELPING HANDS. We urge our readers to help SURVIVAL HOUSE with money, food, furniture quickly. They are at 758 Haight Street and their phone number is 431-0535. Support Helping Hands also! rb
