Sheriff Lowe attacks Gays! "Queers!"

SACRAMENTO COUNTY SHERIFF SAYS, "ABSOLUTELY, UNEQUIVOCALLY, UNDER NO CIRCUMSTANCES EVER, WILL I HIRE ONE (HOMOSEXUAL) UNLESS ORDERED TO BY THE U.S. SUPREME COURT---BECAUSE THAT'S JUST HOW FAR I'D TAKE IT," so said Duane Lowe, Sheriff of Sacramento County.

In a story in the SACRAMENTO BEE, Sheriff Lowe went on to say that, "If I ever had to call for the services of a policeman, I wouldn't expect the sheriff or chief of police to send out a QUEER."

Undersheriff Richard Phillips said, "if a male homosexual officer were sent out on a child molesting case involving a boy, there would be hell to pay!"

Phillips and Lowe both said that their refusal to hire gays is not discrimination, but, "I think it amounts to good old common sense".

SAN FRANCISCO SHERIFF HONGISTO ACKNOWLEDGES HE HAS HIRED A GAY DEPUTY SHERIFF, WHICH LED TO THE "VERBAL EXPLOSION IN SACRAMENTO"!

The popular Sheriff Hongisto has hired a gay deputy and as a result, he has been attacked by the Sacramento lawmen, Lowe and Phillips.

Sacramento gays were alarmingly quiet at the attack by Lowe upon gaypeople. No comment was forthcoming from the MGC pastor, Rev. Frieda Smith, and local gay bar patrons gave the attitude that they could "care less"!

"LOWES STATEMENT DISGUSTS ME", was the statement from Art Agnos, who has worked in Sacramento for the past seven years as Speaker Leo McCarthy's aide in the State Assembly.

It is unfortunate that the Sheriff is not enlightened, was another comment from an aide to Agnos, who said the statement was being protested.

Meanwhile, The GLA (Gay Liberation Alliance) of San Francisco, was planning to take legal steps to see if the law enforcement officer of the State Capitol could not be persuaded to see the error of his ways and "enlighten him"!

GAYS PICKET HOMO-ELITE! Poor Gays cry out!

Poor Gaypeople's needs were brought to the attention of all of the San Francisco bay area, as a handful of concerned Gays picketed an auction by the Homo-Elitists of San Francisco, to raise money for a police officer who was friendly to a few bar owners in the North Beach area of town. The man is dying of leukemia, but, as one SFPD Officer who observed, as he watched the picket..."My

heart goes out to a friend of mine and his family, but, it is a crying shame that Gaypeople will not take care of their own. I've been on this beat for six years, and the one good thing I've ever seen about Gaypeople doing goodworks, was that place over on Turk Street which shut down. Tis truly sad that gaypeople can't or won't take care of their own."

The police officer's words were echoed by hundreds of gays who boycotted the function in protest. Since 1967, eleven gaypeople's social service groups have been forced to close, mostly due to the apathy of the Homo-Elitists. KGO-TV 7 carried the picket, sympathetic to the pickets, on the news!

CONSPIRACY TO OUST CHIEF GAIN

REBELLION BY ANTI-REFORM POLICE OFFICERS....MOSTLY SUPERVISORIAL OFFICERS! RACIST OVERTONES TO REBELLION....ANTI-GAY OFFICERS INVOLVED IN OUSTER TRY! The refusal of beat cops (bluecoats) of make arrests of drunks, panhandlers, peace-disturbers, and prostitutes-of-the-victim-crime-type, are helping add to the woes of Chief of Police Charles Gain.

The Chief has not been in Office sixty days yet, and the attacks upon him by members of the POA (Police Officers Association) and the members of the Supervisory, Administrative and Inspectors group, has group to such portions, that the embattled OFJ (Officers for Justice) held a press conference, and president William Battle expressed their groups full support for Gain and his policies.

Citizen groups, such as the Harry S Truman Democratic Club have also expressed support for Chief Gain and his policies.

Most of the Officers appear to be angry that "their choice" for Chief, Captain Mort McInerney was not named Chief of Police and that Mayor Moscone had chosen a person outside of the Department to head it.

Several beat cops have bragged that they are not arresting trouble makers on the street, in an effort to make citizens angry enough to pressure the Mayor into ousting Chief Gain. But thus, far, their childish action has brought only support, new, and stronger for Chief Gain. The "bluecoats" forget many times they work for the taxpayers, and maybe they may have to live with them within the City limits soon, according to Supervisor Dianne Feinstein.

TRUMAN CLUB ENDORSEMENTS

D.A. FRIETAS SPOKE AND THEN, SPARKS FLEW WHEN ENDORSEMENTS WERE MADE!

The District Attorney, Joseph Frietast spoke at the March luncheon of the Harry S Truman Club, and was quite well received by all.

The Club endorsed for Congress, Phillip Burton-6th District and John Burton 5th District. For State Senate, John Foran in the 6th District, and Supervisor Robert "Bob" Mendelsohn-5th District.

The Club gave overwhelming approval for the job being done by Chief of Police Charles Gain, and it was announced that he would be the guest speaker at the April luncheon to be held, April 17th at 12:30 PM. \$3.50 for members, and \$5.00 for non-members.

The non-members are encouraged to lunch with Chief Gain, and it will be held at the Casa de Cristal. (enter thru the P.S., 1121 Polk Street, on Saturdays.

STATEWIDE MEETING OF CALIFORNIA DEMOCRATIC COUNCIL GAY CAUCUS....TO BE HELD SATURDAY APRIL 3rd.

Registration will begin at 9:00 AM and various Committee meetings of the CDC will be held, and the Board of Directors Meeting will be at 10:00 PM.

Gay Caucus chairperson Jim Foster has allotted only ONE HOUR for the gay caucus, which is an outrage, considering the travel time involved. A protest is to be made to the various Clubs.

GOODSTEIN "FLAP" GROWS!

ADVOCATE BOSS ATTEMPTS TO SILENCE GAY MILITANCY! BATTLE AGAINST GOODSTEIN GROWS NATIONWIDE!

The struggle for freedom of speech, and freedom of press within the gay communities of America itself, grows daily, as gays are siding with the wealthy editor of the ADVOCATE, one David Bertham Goodstein.

The self-proclaimed lavender "pope" of the religious world, the Rev. Troy Perry of the Metropolitan Community (Closet) Churches (MCC) has joined in with those who are attending the infamous, "Call To A Gay Dachau", the Goodstein Advocate Invitational Conference, being held in Chicago.

At which Goodstein, Perry, George Raya, and Jim Foster will all discuss how to keep the "gay spoilers" shut-up, and possibly for good. Goodstein and his allies idea of a "gay spoiler" is one who disagrees with them.

The Rev. Perry astounded many of his "fans" and supporters...

when he stood up and defended Jim Foster and David Goodstein, at the Gay Caucus of the California Democratic Council Convention in Los Angeles.

The Rev. Perry let it be known that a vote against Foster remaining as State Chairperson of the Gay Caucus would be tantamount to a vote against him, and those "faithful" all bowed, said "amen" and voted for Foster, which the Rev. Ray Broshears who led the attack on Goodstein-Foster, said, would be a vote of confidence for the policies of David Goodstein and "his man", Jim Foster. The Rev. Perry was careful to never mention the name of Goodstein, but it has been announced by "Pope" Perry that he was indeed attending the Conference, and was bringing MCC ministers with him!

Reverend Ray Broshears led, unsuccessfully, a "floor fight" in the Gay Caucus in the CDC trying to unseat Jim Foster, who is one of Goodstein's close friends and political allies, as both think alike, when it comes to "shutting up" the gay militants, and trying to keep them having access to legislators and the news media. Broshears charged that Foster had not done his duties as the Gay Caucus Chairperson and must be removed. But, after the evangelistic sermon by Rev. Perry in favor of Foster and his Goodstein policies, Broshears and his anti-fascist allies were badly beaten, 66 to 16. Broshears remarked that it is obvious that most gays are afraid to change things, and are quite comfortable with the fascist policies of Goodstein and Foster. Several alleged militants from San Francisco supported the Foster-Goodstein policies, voting against Broshears and his allies (Morris Knight, Gerry Parker, Pat Rocco, Elmer Wilhelm, Jim Chicarella). Those new Foster-Goodstein allies being, David Goldman, Hank Wilson, and Chris Perry, and of course traditional Goodstein-Foster supporters, attorney Earl G. "Rick" Stokes, Doug DeYoung, Bob Cramer, Jo Daly, Duke Smith, George Raya, to name but a few prominent San Franciscans who joined with the three former militants.

The Rev. Broshears promised that he would continue to battle the forces of fascism, meaning Goodstein, and their allies, adding that he had much time to do it now that his Helping Hands Social Services Center had shut down. He promised to expose the money-mad persons who call themselves "radicals" but who have sold their souls and the people down the drain for the promise of dollars from Jim Foster (thru Moscone & Company) The GLA (Gay Liberation Alliance) which Broshears heads up, has "plans" for Goodstein and his Advocate.

SCANDAL AT S.I.R., After Records Disappear. Funds unaccounted as mystery grows.

VECTOR business Manager, Kenneth Rice and his roommate, Harry Lesure, who was also the S.I.R. Office manager, have both disappeared from sight. S.I.R. (Society for Individual Rights) is in a deep mystery on their disappearance, and the records of financial dealings of the VECTOR are also missing, as well as other "books" A few weeks earlier, Rice had reported that he had been "completely burned out of everything" in speaking of a fire at his home. A recent check, revealed it was only the kitchen.

Rice and Lesure then moved into the extremely expensive Central Towers on Turk Street, which would have cost him at minimum \$700 just to move in. Rice had done the VECTOR distribution to the SF bars, collecting not only for the past issue, but collecting in advance for the current issue. This is not a S.I.R. policy. Rice and Lesure, who was called the "Little Angel" by the man who introduced them into the positions they held, prior to their disappearance, former S.I.R. President DOUG DeYoung. It was DeYoung who made it possible for Rice to have access to records and accounts, during DeYoung's tenure as president. The current president, Larry Eppinette, who "inherited" Rice, said he is conducting a full investigation into missing records, and promises full accounting of funds as soon as possible. Call us if you see either of them!

"RACISM!" Club Baths is charged again.

CLUB BATHS EMPLOYEES IMPERSONATE MEDICAL DOCTORS IN ORDER TO KEEP BLACK(S) OUT!

On March 9th, Clarence Austin, a well known figure in the south of Market area, was refused admittance to the CB (Club Baths) at 201 - 8th Street, by the clerks on duty with the excuse "you look like you have a cold, so we can't allow you in here!" Mr. Austin, who contacted several well known gay businesspersons and the GAY CRUSADER, and all agreed that Mr. Austin did not have a cold, and for the CLUB BATH employees to make such a judgement, makes them appear to be "impersonating a medical doctor", which is a FELONY in the State of California. Court cases have held that persons making a diagnosis for the purpose of admittance to a facility, other than an M.D., are guilty of fraud!

Mr. Austin who goes by the "camp" name of LORETTA LOVE, and ran unsuccessfully for the title of "SIR Royal Baby" this year, expressed great shock over the act of discrimination. Mr. Austin, is a negro, and he told the GAY CRUSADER that the Club Baths is the only place south of Market which has ever discriminated against him.

The GAY CRUSADER has had other cases of black persons being told various stories why they could not be admitted for a myriad of reasons which all add up to racial discrimination. These cases, along with the case of a young man who was thrown out, after he refused to

CENSORED for one of the employees, at least this is the story given us, are all being turned over to the GLA (Gay Liberation Alliance) for legal action. The GLA lawyers say that the Austin case looks like a winner. A complaint is being drafted with the Humna Rights Commission, as the Club Baths holds a license with the City and County and all bath house employees have to given a permit by the San Francisco Police Department.

It is expected that the Rev. Ray Broshears of the GLA will file a formal request for a hearing for the revocation of the Club Bath's permits based upon racial discrimination. IMPORTANT...ANYONE KNOWING OF ANY CASES OF RACIAL DISCRIMINATION AT THE CLUB BATHS OR AT ANY OTHER BATHS...PLEASE CONTACT US AT THE Gay Crusader (415) 771-3366.

This is also in regards to any form of discrimination by any bath house...ageism, sexism...etc. Call the GAY CRUSADER at 771-3366!

DO WE NEED AN OPEN GAY IN THE STATE ASSEMBLY?!

(From HANK WILSON, DAVID GOLDMAN & CHRIS PERRY)

In this election, we have the choice between two candidates whose positions on most issues are virtually the same. There is one important difference...one of them is gay! We (Wilson, Goldman, Perry) support Harvey Milk for the 16th Assembly District seat, because we need an open gay in the legislature. The presence of an open gay person in the legislature will help destroy the mythology about gays as well as provide a positive role model.

The time for electing a gay is now! We have seen the tremendous impact that an open gay legislator (Elaine Noble in Massachusetts) has had on raising consciousness among her co-legislators, the people throughout the State, and in the gay community. Moreover, she has received a considerable amount of national publicity. Would the straight equivalent of Elaine Noble have done as much for the cause of gay rights?

Arthur Agnos and his supporters have claimed that he can be a more effective advocate for gay rights because of his connections. His claim to have already established rapport with other legislators cannot be disputed; he has done good work. However his connections breakdown on gay rights issues. This is illustrated by the failure to get support for the Foran bill, A.B. 633 last year. The breakdown occurred because it is a political liability for many Democrats in the Valley and in other, "unsafe" districts, to vote for pro-gay legislation. Those legislators will vote for us only as the attitudes of their constituents change. Harvey's presence in the Legislature, coupled with good work, will foster that change.

In the last election for Supervisor, Harvey received 50,000 votes citywide, and 17,000 within the 16th Assembly District. That total would be sufficient to win the primary election. Harvey Milk can win.

We are one of the few districts in the country able to elect an open gay person to the State Assembly. The gay community must not let this important moment in history slip by.

(HANK WILSON...DAVID GOLDMAN...CHRIS PERRY)

National Gay Conference Planned for S.F.!

A NATIONAL GAY CONFERENCE is being planned by a handful of people in San Francisco, to be held about Labor Day (September).

The last time such a conference was held here, it became a stormy affair, due to the elitism and an exclusionary policy in the planning of that meet. This time, a former Republican and conservative is joining in with conservative Democrats and a group of people who claim to be "leftist", but vote with the conservative Democrats. Chances for the success of such a conference are dim indeed.

For, these people are acting just as fascist as is David B. Goodstein with his ADVOCATE exclusionary conference in Chicago, which some of the San Francisco conference planners are upset about yet they mock him in a different way. The GLA (Gay Liberation Alliance) has not been included in the planning to date, and have no official policy on such a conference.

IT IS TIME FOR A NATIONAL GAY CONFERENCE...but, we can't even have a local gay conference, for most of the gays won't even set down in the same room, let alone speak to one another. rev. ray!

SFPD Controversy Grows....

RODNEY WILLIAMS, Director of Community Relations opposed in his bid to become seventh ranking commander, by white bigots!

The white racists of the SFPD were unsuccessful in their bid to halt the Police Commission from naming Rodney Williams as the Director of Police Community Relations as a commander. This makes Rodney seventh in line of command from the Chief of Police.

This angered many Captains who have had to take tests for promotions, but, it was pointed out, that the SFPD has no minority officers in any positions of line-command, and that Williams, whose expertise in the field of community relations is seldom questioned, was the logical third world choice for promotion.

Williams is quite popular with the gay community, having worked with former Sgt. Elliott Blackstone, and works now with Officer Ray Carlson.

Gay leaders cheered the Police Commission's full approval of Williams promotion which now must go before the Civil Service Commission, and then to the Board of Supervisors and Mayor, for approval. It is expected to pass with little flack.

GAYS ENDORSE BOB! * Senate race in full swing!

Bob Mendelsohn **

Robert "BOB" Mendelsohn, member of the Board of Supervisors, has gotten his campaign into full swing, and he is off and "hobbling" towards Sacramento. We say hobbling, for Bob fell and broke his ankle in a tennis game with his son.

But the ankle only slowed his walk and not his zeal. Mendelsohn hopes to be the Democratic State Senator from San Francisco's Fifth Senatorial District, which

includes all of the Polk-Nob Hill area, Castro, the Tenderloin-Downtown, Chinatown, the Mission, Richmond, and Hunters Point areas of the City. It is the one District which has at least 80% of all of the City's gay population, as well as homosexuals. The HARRY S. TRUMAN DEMOCRATIC CLUB and the GLA... (Gay Liberation Alliance) as well as this publication have all endorsed Bob's bid for the Senate. Others supporting him are; Mike Delaney, Vice-President of the Truman Club; Eddie Van, photographer; Melvina Gray; businessperson Zane Tamas; Lee Raymond, entertainer; Bond Shands; Don O'Brien; Ms. Elisa Rleigh, women's activist; and the Rev. Raymond Broshears.

Mendelsohn for State Senate is located at 54 Mint Street, behind the Old Mint at 5th & Mission, and volunteers are needed. Call (415) 777-0100. Tell them the GAY CRUSADER and the GLA sent you!

U.S. Navy Ensign Vernon Berg, III was discharged from the service under "less than honorable conditions". Berg admitted having had relations with men as well as women. Berg told the Navy panel that he was Bi-Sexual. Berg told the hearing panel that he has known admirals, combat marines, and other Navy men who are gay.

Berg said that, "Some people are born lefthanded and some right-handed. In our family, we accept people as they are."

Berg's father is a Navy Chaplain and testified on his son's behalf concerning the sexual relations of Naval personnel.

CONSUMER ALERT

U.S. MISSIONS, THE GROUP WHICH IS HEADED BY THE MAN WHO CALLS HIMSELF...REVEREND RIPOFF--ROBERT HUMPHRIES...IS SEEKING MORE OF THOSE GAY DOLLARS!

Sunday June 27th, the California Hall has been rented by "reverend ripoff", Robert "Bob" Humphries and his U.S. Missions group. This includes this year, Freedom House-Ron Rose, Atlantis House-Dick Price, Atlantis House-H.L. Perry.

It is the same group basically which gave you the "flop of the year" the Lavender & Gray Ball at the California Hall which was such a colossal flop.

Bob Humphries approached the Gay Freedom Day Committee, which will stage the Gay Parade this year, and offered money for some purpose, but several Parade officials stated it would mean that Humphries would be able to "use" the Parade's name to "ripoff" money from the gay and straight business community. BEWARE! The California Hall function

IS NOT A PART OF the honest legitimate Parade...as the Parade will hold their function a few blocks away, outdoors at Hayward Field, where the Parade will end. The Parade will not end at City Hall, it will go westward, out O'Farrell to Gough, and then southward to Hayward Field.

If you wish to have a booth at the GAY FAIR at the Hayward Field afterward, call Elmer Wilhelm at 543-3900. He is in charge of the Gay Fair. --30--

"THE MILK MACHINE".....Ole Harve, the guy sees a machine around every corner, just about had this dude suckered into his "milking machine"...but, true to form, ole Harve, one of our better known "Auntie Mary's" in the gay community, overplayed his hand again.

You all remember back last fall when ole Harve ran for the Board of Supervisors, well he like Barbagelata just couldn't find it in him, to use the word "gay" in his campaign literature. Ole Harve said that "it wasn't important"! But ole Harve was running citywide then, and now, he is running in a district, the 16th Assembly District, and the cards are on the table...yeh man!

Ole Harve has suddenly found himself "gay", and is running around the gay community saying how gay he is....but, why didn't ole Harve do that last fall, when he sided with the cops in their strike, when he sided with the labor bosses and tried to keep things status quo?!!! Ole Harve began his campaign with the fuss and fury that their was a "machine" out to get him and the newspapers all called it a "Moscone Machine", for it was Mayor Moscone who threatened him, and it was Mayor Moscone who fired him, yet ole Harve, just won't use the words, "Moscone Machine", he sez that it's Congressman Phil Burton, that it's Assemblyman Leo McCarthy, yet....they didn't threaten ole Harve, they didn't fire ole Harve, it was Moscone! Yet, ole Harve sez that Moscone is "my friend", and that "Moscone and I work together," and the Mayor then comes back and sez that if ole Harve doesn't make it....to the Assembly, that he will find a place for ole Harve!

Well, could it be that Ole Harve is a "stooge" for Moscone? Could he and Moscone people have planned this race, the fuss and fury? Just so that they could get some kind of sympathy for ole Harve so he could squeak by AGNOS?

Soulds real possible to me....how's about you? For as all seasoned political people in San Francisco know, Moscone and McCarthy have been at one another's throats (a manner of speech) for years....so!

The answer is obvious....there is a Moscone machine and ole Harve's a part of it!

GAY IS NOT ALWAYS GOOD....AND WE SHOULD NEVER VOTE FOR A PERSON JUST BECAUSE THEY ARE GAY...IT'S TAKE BEING MORE THAN GAY TO "QUALIFY" FOR PUBLIC OFFICE!

Arthur C. Agnos, the one who is opposing ole Harve, is a person of considerable experience in legislative life and in community services. I have know ART AGNOS for some years now, and I have found him to be a cool person, who has the best interests of the general population at heart.

Art Agnos has done a good deal of good for the gay community. And, one thing is for sure, he has never been afraid to use the word "gay" in his campaign literature, like ole Harve.

Some of ole Harve's "friends" have been saying around town that Ms. Elaine Noble, a responsible legislator back in Massachusetts, who is also gay, is supporting ole Harve. Well, if she is, I'm deeply disappointed in her, for she doesn't know our political scene here, and it would be out of character for her to do such a thing, for you see....Elaine Noble was not elected to Legislature because she was gay, but because she was a person, a TRUSTED community worker in the Fenway district.

So, if you hear the story, ignore it! Just because a person is gay, is not qualification to be a legislator...you must have one thing for sure going for you...CREDIBILITY....HONESTY....FAITH WITH THE ELECTORATE....and, ole Harve sure doesn't have these things.....remember last fall, when the word "gay" wasn't good enough for his literature! --PEACE!--

12 SENATE BILL 1 Lives!

THE CRUSADER WROTE ABOUT IT 2½ YEARS AGO....
GAY CRUSADER Volume 2, Number 3 December-January 1973-74

NIXON

"If fascism came to America, it would be on a program of Americanism."
Huey Long,
Governor of Louisiana

A semi-secret Nixon administration bill has important implications for the Gay movement as well as any free peoples movement. It is entitled the *Criminal Code Reform Bill of 1973*, which was introduced on March 27, 1973, to the House of Representatives (HR 6046) and the Senate (S 1400). This piece of legislation, if enacted, would usher in an unprecedented era of repression in America designed to eliminate all challenges to governmental authority. The bill is out of committee and is awaiting a vote in the House as well as the Senate. This is the bill in which Nixon calls for the reinstitution of the death penalty on a nationwide basis. He also stated that this bill will make law and order a reality today, not tomorrow. For your information, the Gay Liberation Alliance/San Francisco has compiled for you the highlights of this bill, portions which Nixon "failed" to mention in the telecast and in the press release announcing it.

Section 1103. This amounts to a witch-hunt which provides for 15 years in prison and a fine of \$100,000 for anyone belonging to an organization which allegedly calls for a revolutionary change at some future time. That, by the way, will include any organization which includes the preamble to the Constitution of the United States in its creed or objectives.

Section 3126. This will permit wiretaps in any situation which the president feels is a national security situation, with the President defining the term.

Section 3127. This will give the Attorney General or his henchmen the authority to obtain court sanction to wiretap where there is probable cause to believe a felony (oral copulation?) is being committed, and 48-hour emergency taps would be permitted without court approval. Landlords and telephone workers would be compelled to cooperate forthwith and unobtrusively with governmental wiretappers.

Section 1801. This will provide for three years in jail for transporting a person across a state line or using the mail or a phone in the course of planning a riot. This is the bastard portion of the whole f.cking bill: a riot is defined as an *assembly of five or more persons which creates a grave danger to property*. No riot or violence need occur. The threat of same is sufficient for prosecution.

Another section prohibits demonstrations within sight and sound of the president if the Secretary of the Treasury (Secret Service head) terms the area off limits.

Another section prohibits demonstrating (even silently carrying signs) within 200 feet of a courthouse where a trial is in session.

Section 1333. This provides for a three year prison term for persons refusing to cooperate with congressional committees, such as the House Internal Security Committee.

Section 531. This section virtually legalizes entrapment, for here the definition of entrapment is changed and the burden of proof to prove unlawful entrapment is transferred from the prosecutor to the defendant. Deception, active inducement to commit a crime and providing a facility or an opportunity to commit a crime, "wagon". Yes, some conservatives at Pride and at BAGL are saying, "Hey, this means trouble!" Well, what about that! Why didn't you join us in 1973 in combating SB 1 (H.R. 6046)? WILL YOU STILL NEED ME

WHEN I'M 64?

Gay liberation has covered a wide terrain—geographically and intellectually. We gay people have recognized our oppression and, in different ways, are dealing with it. We are also confronting our male chauvinism toward women and each other, and our racism. We are coping with gender identities and gender chauvinism.

At hundreds of gay liberation meetings in four cities, I have quietly raised my voice to speak of the youthism of gay life—the chauvinism of people (young and old) against the older gay male. People listen and move on to the next topic.

Now I'm beginning to get a little pissed. I think it is about time that gay liberation come to grips with youthism. It is the most vicious and entrenched of our fuck-ups left over from our oppression. It is tragic because it leaves half our gay people lonely, alienated, and unwanted.

Youthism is the unconscious belief that older people are inferior. We older gay men are looked upon as inferior in appearance, attractiveness, intelligence and sexual prowess. Many of us have unwittingly accepted our alleged inferiority. Consequently, we cannot relate to other gay men our age—we must pursue the eternal 18-year old Adonis.

Young people constantly use us. They use us to get a crash pad, money, food, jobs, contacts, and in return they condescend to let us do them.

All the aims and goals of gay liberation are for the young gays. Nothing is for older gays—not even those who are hip and in the movement. The young take our contributions for granted, blithely accept the advantages (draft counseling, crash pads, etc.), drop a quarter in the bucket, smile and wave goodbye. I'm not saying they should lay us in return. They should SERVE EQUALLY.

Who is the older person? Well, I remember two sweet young guys complaining to me at a gay liberation dance that this dirty old man was bothering them. The "dirty old man" was 24 years old! And why is it when an older man cruises he is dirty?

We hear a lot about the gay spirit, a spirit of a special tender love. Where is it? How can you speak of such a thing when millions of gays over 30 are lonely, isolated, rejected, unloved and unwanted! In gay life we must learn to relate to each other as human beings.

I have nothing against the older man who digs younger guys or vice-versa—yes, there are some younger guys who really dig older men—but when an older man is so fucked up in his head that he can't respond to a man his own age because he's got his eye on every 16-year old, he's sick.

Why is he after the 16-year old? Because he believes the physical beauty of youth is superior to the physical beauty of older men. Phooey. I'm in better shape (at 42) than many young fellows I've seen. The oppressed older man even believes he is not as beautiful as he once was. Nonsense. If our heads were not fucked up, we would see that not all older men are pot-bellied and bald. And so what if a guy does have a pot belly? A pot belly has its own kind of beauty, if you would look for it. So does baldness, grayness, wrinkledness, etc.

The older man has a beauty that is inaccessible to youth. His life story is written in his body, in his gestures, his facial expressions. His body is the history of victories and defeats, moments of joy and moments of sorrow. We've had them all. Every man has a story to tell about life. He has visited places and travelled roads the young have not yet imagined.

The young cannot be blamed for not seeing this beauty. But older gay men have no excuse for overlooking the beauty and attractiveness of their peers.

Of course, the young overlook us too. We are not invited to the party or the orgy. Our needs are not recognized. We are supposed to have some magical self-sufficiency. We're only good for money and crash pads, the need for which suddenly brings us to remembrance.

The young person who concerns himself with the busy fate of older gays is planning for his future. But, of course, young people don't really believe they will someday be a hoary 33 years old! Believe me, it comes faster than you think.

I have quit the gay liberation movement after being extremely active for a full year. In gay liberation I've known more gay people than in all my life. I have never been so lonely. What a tragic comment on gay liberation.

Gay liberation is masturbation.

"RAISING GAY LIBERATION
CONSCIOUSNESS"

The gay community--- as a collective consciousness---needs to address itself to a NEW DEDICATION. Gay people who are consciously working for Gay Liberation must awaken to the reality of Conscience. The word "conscience" is directly related to the word "consciousness"....and both have the same Latin root, "scio". i.e., to know or to understand.

What would a liberated Gay Conscience be like? Would not such an attitude be free from the pettiness, gossip-mongering trivia, and self-hatred that certain "gay" columnists and leaders constantly indulge in and also encourage in their ceaseless jumbling of Fantasy and Reality?

EXAMINER columnist Sydney Harris has said, "I profoundly believe that, as a species, we are half crazy---not as a joke or a metaphor, but strakly and literally true. We are composed of clashing opposites, we desire contradictory things at the same time, and we value what is what is bad for us as ardently as we value what is good....and we blame everyone else for what is wrong with us."

It seems categorically true that gay people are often their own worst enemies, so that the heterosexual bigots (like the Family Lobby for instance) don't have too much work cut out for their anti-gay reaction.

The progressive Future of Gay Rights will not come out of "gay" columns that are always slandering someone. Future gay consciousness will not stem from "royal" courts or elitist cliques that proclaim themselves our spokespersons. No, the future Gay Liberation and it's raised consciousness will come from hard work, from selfless activity, from constant self-analysis of the Community, and from real compassion and increased awareness of each individual role in a democratic society. The liberated gay of the Future will be more alert and ACTIVE in our political system.

For example, the informed and liberated Gay today knows where Senator Henry Jackson stands on the issue of gay rights. They would know that Jackson despises gay people and was quoted last year in the COLORADO DEMOCRAT interview: "I am not about to give in to gay liberation and codify into law, the business of homosexuality...It is the beginning of the breakdown of a society. It strikes at the heart of family life, and I'm not about to encourage that sort of thing.....this is the way civilizations crumble. The logical end of homosexuality is the gradual end of the human race."

Today's GAY CONSCIENCE would be concerned about the suffering of their gay sisters and brothers. Compassion is a part of Conscience-----the kind of compassion that seeks to help the less fortunate, who are hungry, jobless, in poor (CONTINUED NEXT PAGE)

'RUSTY'... Camille Revisited

DIES OF "OVERDOSE ON DESIRE"

.....Newswest, 3/19/76

"RUSTY IS NEITHER EROTIC, RO-
MANTIC, NOR DRAMATIC"

.....Sentinel, 3/11/76

"OVERWRITTEN...THE FRAUGHTTEST...
...YOU BEGIN TO WISH FOR THOSE

WHITE CELLS TO CHEW A LITTLE

FASTER.....DIRECTED ATROCIOUS-
LY...AN INTERMINABLE BORE"....

.....B.A.R.....3/4/76

The above are some of the kind-
er things written about the
Douglas Dean (Dean Goodman)
production, "Rusty", which has
hopefully closed by the time
you read this.

Douglas Dean, whose real? name is Dean Goodman,
appears to picture himself as an "Orson Welles",
a man who can not only write, direct, produce,
but star in a production of his own.
While Dean's acting ability is seldom questioned
...his ability to write, and direct is often a
serious point of question.

Jack Wrangler, pictured above from another of
Dean Goodman's "specials", a play called, "Spe-
cial Friends", (which wasn't too bad), is the
hero, Rusty (aka:Camille), and somehow he just
isn't a Greta Garbo in acting ability, but it
is due to the high school-like script that he
had to work with.

As, on opening night, in the death scene, (Garbo
died of consumption, Wrangler dies of leukemia),
Wrangler pulls himself up from the bed, walks to
the stairwell, and dies, falling down the steps,
the "white cells having won", and the audience
reaction to the non-melodramatic scene was one
of howling laughter. Dean should have taken a
cue from that on opening night, and closed right
away, or at least, gathered together some of the
"syndicate" porno-script writers, and they could
have re-written the play overnight into some-
thing a bit more palatable.

Wrangler, and his co-star, Michael 8½" Kearns,
the Happy Hustler, have both been the target of
much comment, all unfavorable, concerning the
play, wherever they go. Shame too!

Wrangler definitely does have some fine acting
ability. His flair for comedy comes across in
Rusty. And it hoped that he will find the proper
vehicle soon.

As far as Michael 8½" Kearns, well, he is a nice
boy....what more can you possibly say!
And as the future of Dean Goodman, alias Douglas
Dean? Well, ole Dean will go right on, writing,
producing, etc., and hopefully, he will undergo
some gay consciousness classes, so that his gay
conscious will be raised to the '70's, and move
out of the '50s. TRUTH IS HARD, BUT MUST EVER BE

physical or mental health, or those with drug
and legal problems. There is a GREAT NEED for
more gays helping more gays, aside from reliev-
ing sexual tensions.

The gay conscience would turn to spiritual
realities and to meditation also. So many gay
people get so obsessed with the constant urge
for pleasure and sexual indulgence that they for-
get they might have a soul!

What place does God and the Spirit have in the
gay community aside from the good work MCC is
doing, there must be more affirmation of the
spiritual.

Many gay spokesperson, being all too human,
delight in self-glorification, at the expense of
true and inspired leadership. Let us remember
and meditate on the words of Christ, who said
that those who would be master (and first among
us) must be the servant of all of us. Christ's
definition of greatness and leadership, thus, is
real service and humility.

Also, the liberated Gay Conscience must con-
tinue to re-examine what is true "high camp" ...
(gay humor). Certainly alot of cynicism, mali-
cious slander, and truculent egotism masquerade
as "camp". To me, real "high camp" was demons-
trated recently in an open letter that Melvina
of Coma wrote to Flame. Such witty satire is
the kind of "camp" that I like. Also such indi-
viduals as Shirley and Cristal have contributed
significantly to "high camp". But, other so-
called, "leaders" have never understood the
creativity and positive aspects of good camp-
ness. "Camp" was never meant to hurt anyone, and
should be the gay subcultures contribution to
humor in American life.

Concerning the negative aspects of the gay
community leadership, I am often reminded of
what the psychologist Thomas Szasz said in his
book, "The Second Sin". "The central dramatic
theme of life may be reduced to the following
demands people make of each other...accept, val-
idate, and reinforce my fantasy about myself! If
you don't, I won't love you, I'll punish you,
I'll leave you, I'll kill you! In short, authen-
ticate me or else!"

So, the gay conscience would ask certain
self-proclaimed "gay leaders" if they want us to
keep on reinforcing certain unnecessary fanta-
sies that keep liberated gay consciousness and
gay work stuck in the quagmire of, pittingness,
trivia, and egotism.

RE: ELMON CLIFTON, aka: RICHARD ELMON aka: CTC
It is disturbing to see people in their middle-age using such immature tactics as has Cliff Elmon of CTC. His placement of ads about people in competition with him, in an effort to embarrass them, is disgusting.
Tactics such as jamming one's business phones, as well as calling taxicabs to their home to harass them, is also an immature thing to do. His on-again-off-again war with Fat Shirley of Data Boy, who he once claimed killed two dogs of his, is equally obnoxious. It is written, "As Ye Sow, So Shall Ye Reap"! BE PREPARED TO MEET?

Dean Glassbrook

A NEGATIVE VIEW ON "QUEENS" AND GAY POLITICS.

Many times I wonder why there are more people involved in the liberation of people in general. But, when I stand back and observe the leadership....it becomes clear why we are not making true progress.

Too many of our "leaders" are irresponsible. They cannot work together and make things happen fast enough, nor can they surround themselves with true followers. Although, at times they progress collectively, overall, they fight amongst themselves and move in scattered political directions. Most of them are after something other than simple liberation. Many want to see their names written in history, and ego rules their individual goals of gaining prestige and power, for the mere possession of prestige and power.

We work best with the people we can best relate to. It would seem logical that with this understanding, there should be a means by which compromising could be used more commonly, yet we do not compromise, and we further separate our forces.

I hope our future, can be better than what is projected. Although I have seen progress and cooperation, I have not seen enough and I am sure I do not stand alone in what I see and believe is happening.

I would like to see the objectives of liberation condensed so more people can participate and understand what we are participating in. Bureaucratic red tape should be our only major problem, however, it appears to me to be division and corruption from within.

Poor leadership with uncompromising objectives and strongholds of the masses who are led by the poor leaders, create irresponsible followers.

All I can suggest to replace these negative aspects of our liberation movement, is that we have fewer leaders, larger organizations, greater cooperation, and more compromising, until our differences can be better understood and managed.

The article at the left here, taken from Data-Boy, a Los Angeles based homo-capitalist publication, is a perfect example of just how "sad" the BQ's can be. It is the zenith of disrespect for the safety and well-being of other people using our highways....yet, the one who wrote the article, Tom Avila, employed by the vice-president of the Tavern Guild at his bar, actually can brag about an act which may have caused lives....for does he or the others in the car, ever stop to think that the pylons are placed along dangerous "blood alley", Doyle Drive, to protect peoples lives? And...they were angered over not being "recognized" by a person at a respected conservative Sausalito business, who does not pay any attention to the frivolous "titles" the BQ's spend thousands of dollars to win. BQ's for the most part, are but homosexuals, the "garden variety". They have never taken courses designed to raise their conscious from the bottle or the belt. They have the audacity to call themselves "gay", when don't even know what the word means. They and their "world" revolve around bars, etc., which is very very sad. They are not a part of mainstream social or political life, as they have chosen to become BQ's, "ghettoized"! Although, I know of many people who work in bars who are truly gay their numbers are indeed small, the more the pity. To brag about doing an act which may have killed others is a sad sad commentary upon the bar-scene of San Francisco's, BQ's. rb

Well we decided to go around the corner to the Sausalito Inn for a drink... Well, the reception we received there was overwhelming, complete with introductions and round after round of drinks! My Dear Chuckles those pylons on Doyle Drive are intended to keep cars from swerving into the oncoming lanes! It is not a contest to see how many of them you can knock down. Needless to say we made the chase scene from Bullitt look like a bunch of amateurs, Jamie broke her high heel, Mike Rio closed his eyes, Chipmunk fainted and the rest of us just prayed!
