GAY CRUSADER Gay Teachers Run B.A.G.L.

A NEW CLASS OF ELITISTS RISE TO THE TOP..... .....TEACHERS! WHAT ARE THEY DOING AND WHY? The once large and influential group, BAGL (Bay Area Gay Liberation), headquartered at 32 Page St., has fallen in active participation 60%, and is now dominated by a group of teachers and their pets! The bearded volitile figure, Henry "Hank" Wilson, of BAGL is not just a teacher, but reputed to be a Junior High School Principle.

Ron Lanza, another figure who is highly irrational in his dealings with persons whom he cannot "cope" with, says that he is "retired"! He like Wilson,

has long hair.

Then there is the recently resigned chairperson of the Gay Freedom Day Parade Committee, who gave all reasons in the world for his resignation except the truth, Randy Alfred. Randy Alfred was a "teachers aide", which means he doesn't have his education completed, or does not have his teachers credentials from California.

There are more that could be listed, but the others are basically doing a "right on" gay lib movement trip, and not trying to be the gay-bosses of San

Elitism in any form is evil! And, the BAGL-Teacher parade. A fine day is planned in Los Angeles group has done more to disrupt other gay groups, and to support people who in the long run, would be will be held two days prior to the giant GAY harmful to the gay community. As well as, they supported the oppressor of poor people, particularly, elderly people, Fred Furth, over the friend of the gay community, and friend/defender of the aged, Supervisor Bob Mendelsohn.

These Teachers, are more dangerous than a David B. Goodstein, as Goodstein's trip is one which most all can understand, but the Gay Teacher's trip, appears to be one of destruction of all people who disagree with them, regardless of the cost to the gay movement.

It must be pointed out, that the large Third World group which WAS in BAGL has now all but left, and several black members put the blame on the Gay Teachers.

It is apparent that they do not know that CLASS IS OUT! And in more ways than one!

JULY 4th: Morris Kight tells me that a large Christopher Street West and a Stonewall Democratic Club contingent will be here on the 26th and will march in the Sunday for Sunday the 4th of July, and a Gay Circus FOURTH OF JULY PARADE. Morris urges all San Francisco gays to come down and show solidarity with their Los Angeles gay sisters and brothers....besides, it might help to sacre the hell out of Chief Ed Davis.

### PORNO FLICKS---AT HOME

After several complicated lawsuits and a serious decline in customer service, GRIFFIN INTERNATIONAL film company has re-emerged into the top ranks of mail order film houses. The Company is under new management and has opened a sophisticated office in San Francisco. If possible, the new films GRIFFIN is putting out are even better than the older (and still available) films like the classic, PUMPING IRON (21-M) and super-stud BRIAN (16-M) jacking off in leather. The quality of the photography and basic sex action is right up there with top of the line FALCON FILMS: in fact, GRIFFINS Jack-off flick of GORDON GRANT (40-M), that hot COLT model from OLYMPUS Number 3; equals or surpasses hunky Michael Delfino as SUPER JOCK (Falcon 575). If you have not seen any of FALCONS or GRIFFINS product, take the word of a porno freak who has seen them all, stretch out with a friend on a queen-size bed and watch one. The owner of that tiny "hole-in-the-wall" bar, who is a heterosexual, and is a member of the San Francisco Tavern Guild (SFTG) is now running for President of the SFTG. He recently tried circulating a petition against the bar, trying to have it closed. The GAY CRUSADER, whose first issue was in June of 1972, and 30 issues later, is about to expand operations.

This is due to the many many demands for this type of a gay NEWSPAPER. The GAY CRUSADER covers ALL GAY LIFESTYLES, and to date, has printed 98% of all the . articles that have been submitted to us,

with almost no censorship.

The GAY CRUSADER will offer typesetting to the general public at poor-peoples-prices ....unlike the professional places. S&M SEX .. a Threat to the Power Structure?

The question is frequently asked by non-members of the S-M cult, "How can you enjoy inflicting pain on somebody you love?".

To the S-M person, they oft times respond, "It would be the same as a straight person asking you...how can you enjoy having sex with another male?"

And to the first question, a S-M friend of mine replied to me, "Do you prefer to inflict pain on people you don't love?" This makes the questioner look at their own aggresive feelings.

Here in San Francisco, we see those in the S-M scene walking about town, wearing what could be called, "badges", letting people know just what they are into.

You know, the keys on the left side for the Master or Sadist, and keys on the right side for the Slave or the Masochism. Various ear pins, leather apparel, levi-macho apparel, etc. To the "outsider" it appears "queer", "wrong", but, to the heterosexual, the gayperson appears "que- more on this next issue!

er" or "wrong"! So, it is obvious that thinking must be revised regarding various lifestyles wi-

thin the gay communities. Most certainly, the "heavy" looking apparel trip of the S&Mers "frighten" many, or "threaten", them. And that accounts for a good deal of the dislike of the S-Mers by the "proper-gay-communi-

ties"! S&M sexuality has been with mankind since the begining of time. It exists within the "het-world" as well as the homosexual world. It's just that in recent years, it has came out of the basements and attics and appears in the living room of life and that frightens the so-called "pwer-structure" .....and this writer was one of those formerly "frightened" of S&M and denounced it frequently.. ... that is, until I made a detail study of it. That came as a result of the killings south of Market, which appeared to be S&M....but now, I am convinced they were NOT S&M killings, but the work of a looney.

The erotization of aggressiveness, (S&M) makes it hard to channel aggression into war, ego-tripping .. rape (despite appearances, rape is not erotized aggression. It is power-tripping...its purpose is not to gain gratification, but to keep women in line), and social control. And that, for the pseudo-radical, is difficult to accept. But, S&M appears to be a trip of pacifists! I will write reverend ray

### THANK GOD, BROWN LOST!

Governor Jerry Brown lost in his bid to become the Democratic Party presidential candidate, regardless of what he sez or thinks! And it is a great day for gay

people across the country! Why? Because it is the considered opinion of many that Brown could be a "closet que-

and such people are open to blackmail.

Even now, many of Brown's statements sound like those of a "catty bar queen"!

### S.F. Democrats in Revolt! Brady's in big win! Two out of nine members of the

politically active Brady family in San Francisco, won election to the Democratic County Central Committee.

Margaret Brady and her daughter Catherine both won election, a victory which did not please the Demo-Bosses, such as Agar Jaicks.

The Brady family has worked with gay Democrats in harmony and supported many gay rights issues in the past. That is why the gay HARRY S TRUMAN DEMOCRATIC CLUB urged it's members to vote for the name Brady in the election and ignore all the other names except Peter Mendelsohn, another friend of the TRUMAN DEMOCRATIC CLUB.

The Brady family has been involved in County Party Committee functions for 30 years, and have proven to very dependable workers for Democratic

"JERRY BROWN IS A LIAR.... WITH ONE OF HIS FACES, HE TELLS CDC MEMBERS THAT HE COULD NOT BECOME INVOLVED IN CONTESTED DEMOCRATIC PRIMARIES, AND THEN WITH HIS OTHER FACE, HE TELLS THE VOTERS OF THE SIXTEEN-TH DISTRICT TO VOTE FOR ART AGNOS! THE TRUTH IS . NOT IN JERRY BROWN, HE HAS BROKEN FAITH WITH THE MEMBERS OF THE CDC, AND WITH THE VOTERS OF CALI-FORNIA!"...Guess Who!

Harvey Milk lost his bid for the 16th Assembly District seat by a couple of thousand of votes. And the blame for his loss can be laid squarely at the door of "Father Jerry Brown" acting Gov-

ernor of California. Brown, confronted with the possibility of a Gay person in the California Assembly, frighted, endorsed the alleged heterosexual candidate, who just happens to be the "boy" of Brown's campaign manager for the presidency... Assemblyman Leo Mc-

McCarthy himself made it quite clear throughout the race that the "California Assembly will not accept a homosexual as a Member of their Body!" McCarthy of course denies now having made that statement, but capitol insiders remain adamant that he did. Harvey Milk came close, and NEXT time, he will make it!

in his letter to the people at Galatia. Religous training and belief in the western world, is one of the greatest obstacles in the path of people who want to realize their full capacity to love others in harmony with the truest longings of their hearts. Organized, institutionalized churches have frustrated and repressed natural and true human needs to participate in affection and joy. Religion has all too often been used to smash and destroy sex...all sex! Jesus said, "I have come to you that you may have life and have it to the full"! His proclamation in the Gospel and in the Epistles and Tradition of the Church,

is NOT ONE OF RESTRAINT, REPRESSION AND DELAYED REWARD .....it is a thing about setting people FREE from all that binds and keeps them from being loving human beings.....loving beyond the limits of old social con-

vention and myth...following the heart! The New Testament does contain texts which condem the mis-use of sex, including the mis-use of homosexual sex...the sum impact of the GOOD NEWS is not a restraining list of laws and condemnations or a preprograming for the comfort repression of middle-class acceptability, but a wildly freeing smashing of the death serving ways of "this world" and the begining of the "Kingdom" where men and women are liberated to be themselves, open to others on all levels and intimate

with God Himself. GOD calls all men and women to lead full lives in the freshness and joy of His Holy Spirit. He could care

less how the plumbing is arranged! There is sinful homosexual sex and sinful heterosexual sex. All that is debasing and destructive towards persons is sinful. Gay liberation strikes a chord that is in harmony with the truest strains of the Gospel Tradition in trying to free Gay and straight people from sexism and narrow prejudice that have bound us all in produced categories like "nigger", "kike", "faggot" and "pig". In Gay liberation, those who have found Christ, are filled with the Holy Spirit who..... "breathes where he wills" to set men and women FREE!

Francisco Police Department, is no longer alone in that area.

Campaign aide to Senator Milton Marks, former police community relations Sgt. Elliott Blackstone, now retired, has been doing the work of an "intelligence officer" under the guise of working for Senator Marks re-election. Recently Blackstone took a special assignment from SFPD Chief Charles Gain to investigate various gay radicals, and sow the seeds of distrust amongst them, in order to render them harmless and voiceless. Blackstone did the job well, as most gay radicals now are disorganized once more. Senator Milton Marks is a documented right-winger, so having a former cop on his campaign staff would be logical, and opposition to Marks re-election comes from liberals and radicals.

Even the once trusted Vice-president of Harry S Truman Democratic Club, Michael Delaney admitted informing to the FBI against the President of the Club, Rev. Ray Broshears, which is causing Broshears a great deal of hassle with the FBI, who Delaney claims is investigating Broshears.

The Gay Left Coalition, a newly formed body, has all but fallen apart, due to the police agitators within BAGL and the GAY FREEDOM DAY PARADE COMMITTEE, who cooperated with Chief Gain's special investigator Elliott Blackstone. A part of the SFPD "informers" trip and at a

suggestion made by Blackstone, the B.A.R. printed a story written by ADVOCATE writer, George Mendenhall attacking various gay radicals. Mendenhall, Randy Alfred of BAGL, and Blackstone put the smear together. The question must be asked, how long is the gay community going to tolerate informers?

The minute FAT SHIRLEY (David's SUGAR-DADDY) goes into the hospital, David "drags" out his OLD and BORING sex fantasies. Only this time, he flings upon our respectable community his FILTHY and FOUL-MOUTH for 1/2 of his column. The other half is devoted to LYING about respected people in the community. If only FAT SHIRLEY knew that DAVID HODGSON has set back DATA-BOY about THREE years in value. And especially at a time when SHIRLEY (Publisher) is considering offers to sell the magazine! ### Mint's Memorial Day Tricycle Race

6,000 San Franciscans and San Jose people turned out for the MINT'S Annual Tricycle Race, which is a benefit for the GUIDE DOGS FOR THE BLIND, the most worthy of all charities! The pictures shown here, taken by LEE RAYMO-

ND, show but a portion of the massive turnout. Democratic presidential nominee Jimmy Carter's son CHIP was in town, and rode the entry of the HARRY S TRUMAN DEMOCRATIC CLUB, the only gay group in America to endor- prison ministry, ask him to show you his se Jimmy Carter for president. He has the Carter label across the chest.

Emperor I de San Jose, JERRY is shown at the top right, and fabulous NOTHING SPECIAL swan entry in lower right.

crowd on hand, at the POLK GULCH SALOON, to raise funds for the senior luncheon program of the Orthodox Episcopal Church

The program is ran by gay people for the elderly and physically disabled, and the luncheons are held at the fourth floor dining hall of the Odd Fellows bldg. Lee Raymond, who has entertained at many of the luncheons, was on hand as Emcee, and did a fantastic job. A true delight. and the hardest worker in the entire gay community.

Lee was helped by the Mafia Woman, dressed all in stunning black, Empress III, SHIRLEY ... . hot hot!

And Emperor Iv Michael Caringi was on hand helping out, as was Tenderloin Tessie, the prospector RON ROSS, and the Golden Dolphin, Harry Lordon.

TONY LASAGNE of the HOUSE OF HARMONY, 1312 Polk Street, gave the event a tremendous financial boost, much thanks. And a big thankyou to LE SALON, and the fabulous CURT BRYAN, Royal Baby '76 of the Spartan Theatre...his donation of a real tombstone which Caringi bought for Melvina, Cazarina de Colma was a trip. Much thanks to GRAY of Houston, sorry your flag pole wouldn't hold up the Confederate flag...nice pole tho! Thanks the wild zany delightful KNIGHTS OF MAL-TA who Tony Lassagne is going to have to

A big thankyou to BRUCE, JIM, KENNY and MIKE of the Polk Gulch and all spenders!

ATLANTIS HOUSE officials wish all to know that "rev." Ron Rose is not connected with them in anyway.

Nor is he a minister of any reputable established church.

Should he approach you for funds for his IRS Federal Tax Exemption papers...which ATLANTIS HOUSE officials assure you that

Beware of "rev" Ron Rose!!!!!!

REV. DONALD STUART

### **GAY CRUSADER** Gay Friend Resigns! Night Minister gone!

San Francisco's famed Night Minister, the Reverend Donald Stuart, has resigned from that post. For nearly 12 years Rev. Stuart has walked the streets of downtown San Francisco, tending to the needs of those who wandered the streets after midnite. Hustlers, hookers, addicts, transients, winos, and such, all made up the Reverend Stuart's congregation.

Rev. Stuart had a difficult time in finding funding for this post to continue any longer, as agency after agency either closes up or dies for the lack of

The San Francisco Council of Churches which paid all of his salary last year, finds itself in difficult times as well. The Rev. Stuart received \$34,000 last year, which is \$33,000 more than the Tenderloin's Street Minister the Rev. Ray Broshears receives in a year, but Rev. Stuart has a family and works the lonely hours, the desperate hours, and has done such a tremendous service to our City and to the gay community, that there is talk of an award for him by various members of the gay community soon. We all will miss him so much!

Senator Tunney, pictured above, does not consider S.I. HAYAKAWA any real threat to re-election, but many predict that he will soon find out that DYNAMITE COMES IN SMALL PACKAGES!!!!

### GAY VOTE IS HAYAKAWAS **KEY TO VICTORY?**

BUT WILL HE USE IT? WILL HE TURN THE KEY TO VICTORY?

Dr. S.I. Hayakawa, the victor over his Republican foe in the June primary, now has to face incumbent U.S. Senator John Tunney in November. Most gays supported Tom Hayen in the June primary, in an attempt to rid the State of the most incompetent U.S. Senator in California histo-

ry. But, Dr. S.I. Hayakawa is a Republican and most gays are Democrats in California. Hayakawa himself was a lifelong Democrat until two years ago when he changed his registration. Tunney was opposed bitterly by gays in the June

election, and the reasons they opposed him still are there, so the question is, are they going to now forgive Tunney his evil ways and vote for him because he is a Democrat and Hayakawa is a Republican? Many gays say that they want to support and vote for Hayakawa, but first, they have to know where he stands on the subject of gay rights. Will he vote for the controversial Bella Abzug bill? Will he support an end to discrimination against gay people? These are two vital questions which Hayakawa must answer positively if he wants the nearly 2,000,000 gay votes in November, and he surely cannot win without them!

FALCONHEAD, the first gay feature length film to premiere at the CANNES FILM FESTIVAL is now showing at a refurbished porno house in the Tender-

The SPARTAN THEATRE, 150 Mason Street, outbid other area gay houses in order to show off their new and nice facilities with a first-rate gay headliner.

It was a good idea----but probably a mistake. FALCONHEAD is a highly unusual film. It deals with narcissism----heavily toned with rather suttle S&M. The film is GOOD, but it takes a large measure of concentration to get into; it presents a lesson and an insight rarely found in sex films; it should be seen as a head trip rather than a blood heater for a limp cock. For me it proved rather hard film to watch, especially with all the other facilities the theatre has to

The live nude show on stage following the film proved to fit right in. The show was choreographed to extend the mood of FALCONHEAD itself into present reality. It was the first public live-gay-male-nude show that I had seen. And it was not half bad! Maybe, not Martha Grahame .....but, more of what a simulated sex show should be like.

Try to see it in sequence; watch an emotional movie, then see an erotic sexual dance. Save the facilities behind the screen for later.

### BULLETT

This is hardly the gay newspaper in which to say it, but....as some of us really get off on and are into poppers, let us be realistic-----bad room deodorizer is bad for the health; so another Sex Shop item certainly deserves mention. BULLETT! It is new. For the name brand kind of liquids, it is VERY GOOD. It costs more than most, but comes in the largest bottle available, by at least 2 drams. The Company seems to be very solid and plans to put out a new BULLETT style inhaler and a monogramed polo shirt for its really serious fans. Distribution is limited to the more...high class

shops and bookstores. Find some!

### DIRTY BOOKS!

Pick up a copy of BACKFIELD IN MOTION (HIS 69170 ....but don=t speed read this one. I read it from cover to cover and cum twice----not bad for \$1.95 Or for the more serious moments, try LAURA Z. Hobsons (she wrote Gentlemens Agreement) new novel called CONSENTING ADULTS, from Warner Books.
