POLICE ARREST OF ILLEGAL GAY "MASSEURS" IS ORDERED!

SFPD TO BEGIN "CLEAN-UP" OF ILLEGAL GAY OPERATORS' WITH APPROVAL OF MANY GAY LEADERS! CRACKDOWN ON THOSE WHO ADVERTISE ILLEGALLY IN GAY NEWSPAPERS AS "MASSEURS" AND AS GIVING "MASSAGE"!

With the limited approval of several gay leaders, the San Francisco Police Department has begun a crackdown on those persons who advertise in the various gay publications and the 'barb' as being "masseurs" and "giving massages". Under a City Ordinance, whose legality has been upheld in higher courts, no one is allowed to advertise as a "masseur" or as giving "rubdowns", "massages", etc., unless they have received a permit from the San Francisco Police Permit Bureau to operate as a "masseur" or "masseuse". To date, a check of the gay papers reveal that only a couple have permits.

The crackdown was ordered after a group(s) began a "shakedown" and "extortion" racket, advertising as "masseurs". After going to the client's home, they would provide "other" services, and then the "fix - shakedown" was on. It has resulted in the loss of money, jewelry, furniture, clothing, and has even cost some, their jobs as they were not "out of the closet" at work.

The GAY CRUSADER has always screened their advertisers according to the acting editor, Jim Boyd-Robertson. The KALENDAR Magazine also has always tried to screen their advertisers, but now both papers are reviewing these advertisements. The "rip-offss" have not happened as a result of someone who has advertised in the GAY CRUSADER or the KALENDAR but in the "other" gay papers.

The CRUSADER has dropped all such ads immediately, according to editor Jim Boyd-Robertson, until the advertiser can show the paper their permit to operate as a "masseur".

8,000 PEOPLE IN TRIBUTE TO JIM JONES (People's Temple)

Eight Thousand people turned out to honor the founder of 'People's Temple', the Reverend Jim Jones. The keynote speaker was Mayor George Mocone, who was introduced by the emcee, Assemblyman Willie Brown. The featured speaker of the evening was Lt. Governor, Mervyn Dymally of California who paid flowing tribute to this most unusual man of God.

DARRELL FREE!!

In the August issue of the GAY CRUSADER we wrote about Darrell Sweigart, 23 year old Native American, who at the instigation of an "evil queen", was picked up by the San Francisco Police Department for questioning in the murder of a woman found in the basement/alley of his building. They had no evidence they had nothing, except for the fact was Darrell was gay, on probation, and unemployed.

They have held him nearly two months, and now on the 21st of September, his lover Cari Cavelli met his Darrell at the gates of the County Jail (san Bruno) and brought him home.....for the Parole Board would not violate him as the SFPD and his EX-Parole Officer wanted. His EX-Parole Officer was accused by the editor of this paper and Cavelli of being anti-Gay and prejudiced against Sweigart.

Another phoney charge was never proven either, and now, in one of those rare American Moments, justice has prevailed, for Darrell is free.

Darrell needs employment, so please contact him thru the CRUSADER, if you have any legit employment for him. GAY POWER willed out.....hallejuah!!!

Ex Cathedra by Raymond Broshears

VOTE FOR BROSHEARS...THAT'S ME! Yes, on November 2nd, in a city-wide election, I am a candidate for the Community College Governing Board. I am most fortunate in having as co-chairpersons of my Committee, Mr. Tom Smith, of the Southeastern SF Neighborhood Improvement Group, and Ms. Joan Hitchcock, prominent San Francisco socialite who ran for the Board of Supervisors last year.

As campaign chairperson, I have the lovely wife of Bill Handelsman, and as campaign treasurer, the very fine criminal trial attorney Sal C. Balistreri, a former candidate for judge.

So, the 'main-people' in the leadership of my campaign have finally been selected, and they are doing a fine job, and come November 2nd, Ray Broshears shall be elected to the Community College Board. Oh yes, the people I have mentioned above are all from the 'straight' community. I have numerous gay community advisors.

On the campaign committee assisting and/or promoting my election are such fine persons as Eleanor Cragen, charming wife of our Superior Court Judge; former SFPD Sgt. Elliott Blackstone; criminal trial lawyer Sydney Tanner; former candidate for Judge, attorney Jack Morgan; criminal trial attorney Joseph Manzella; bail bondsman Charles Henry; the hardworking Phyllis Balistreri; and so many more.

A partial listing of those who have endorsed me from the gay community include, Sally Polk Street-Dixon; Lee Raymond; Jim Ward; Melvina; J. Michael Ross; Tony Lassagne; Tosh Zamora; Elisa Riegh; Roy Harnetiaux; Tenderloin Tessie; Michael Phillips; and on and on. The list is endless. And none of the "elite" leaders are on that list...just voters and hardworking people.

What will Jim Foster do when I am elected!! Task tsk! Also, I am appreciative of the endorsement of the Club which I was an officer, the Truman Democrats. Clayton Wells, a Carter delegate at the National Convention has endorsed me, as has Gerry Parker, II, a fine person and a former legislator in New Hampshire. Wow, all these great people, with them for me, how can I help but win.

With the good Lord willing and the health holds out, I will make it through the campaign and will win! But, I need your vote...and also your assistance in any way you can. Volunteers are needed at the campaign office, passing out literature, putting up house signs, telephoning...lawdy, so much work and with YOUR help, it will all result in victory on November 2nd.

MAYOR GEORGE MOSCONE and Assemblyman Willie Brown really shined brightly the other evening at the Rev. Jim Jones testimonial. Moscone has never been more eloquent and Willie Brown as emcee was tops. Some fine words flowed from the lips of District Attorney Joseph Freitas, and the Rev. Cecil Williams of the Glide Church. It was an honor being there to honor such a wonderful person as Rev. Jim Jones.

WHERE OR WHERE WAS THE CHIEF...is the question many gays were asking as the SFPD Softball team demolished a poor playing Pendulum team. Gain did not show up, causing amny to wonder...after all, ole Don Scott came out to the games!

KIMO PREPARING A SOUTH SEAS CHRISTMAS for the Veterans show this year. He just got out of the hospital, after a short stay. So glad that he is back on the job and getting the Gay USO Show together again.

POLICE PRESS PASS.....That was a surprise when Chief Charles Gain ordered a press pass for this writer after last issue's editorial. Who was that creep who said

that Chief Gain is not openly receptive to any criticism?!! Not true! The murder toll is now above 100, so my agitation of the Gain Administration was not wrong, but merely intended to get them on the ball.

This makes me the 3rd gay newspaper person to have a Police Press Pass. Thanks Chief! BUT, SOLVE THOSE MURDERS' AND GET MORE MEN ON THE STREET! You might try using the news media to lobby the taxpayers and the Board of Supervisors for more men. A word to the wise sir.

MARKS.....MENDELSON ANTI-UNION? Well, what could one assume but that they are indeed anti-union by their advertising in the NON-union, San Francisco Sentinel newspaper of Mr. Bill Beardemphl.

Why would any union thinking or endorsed candidate advertise in a NON-union printed newspaper. Perhaps no one has shown the Sentinel to the Central Labor Council (COPE) as yet. The CRUSADER has ALWAYS been union printed, and shall continue to do so, even though it costs more. Also, the Sentinel has writers who are allegedly pro-union, but also write for a non-union printed paper.....strange. Perhaps the BAGL labor committee could look into Randy and his anti-non-union printed Sentinel.

RESULTS IN MENDY'S CAMP.....Supervisor Robert Mendelsohn got rid of Richie Maher from his paid staff. Mr. Maher was the person who said that Mendelsohn would be better off without the support of me. Guess Mendy learned whose support he would be better off without and it isn't mine Mr. Foster.

MENDELSON LEADS MARKS AGAIN.....I am sure that Mendelsohn will not advertise in a non-union printed paper again, thus assuring an increase in his lead over the faltering Milton Marks.

Poor ole Uncle Miltie's campaign is running out of gas, and he knows it, for he has pressed the ole panic button. He has the Duke, Smith out with him at gay functions, which is sure to lose him votes, so Senator Marks, PLEASE keep Duke with you when you go to gay functions, it helps Bob Mendelsohn especially when he opens his mouth on your behalf! Remember.....November 2nd..Vote MENDELSON for State Senator, a leader and a real fighter, despite what the Demo-publicans like Hardman, Friday and Bob Ross tell you. Mendelsohn was there when we needed him in the past and will always be there when we need him, only, we need him in Sacramento as our State Senator!

THE SCHOOL BOARD.....The Board of Education race is heating up, and four goodies for the people are, one of the incumbents, Dr. Eugene Hopp, and three challengers, Ben Tom, Jim Gonzales, and Michael Miller. These three new people will bring CHANGES to the Board of Education, long overdue. In my own campaign for the "other" race, the Community College Board, I have been to the candidates nights, and I can say, that Michael Miller is the brightest of all of them, with Ben Tom and Jim Gonzales right on his heels. Elect those three and Dr. Hopp, and CHANGES WILL BE MADE in the school system.

I WAS WRONG.....VOTE "YES" on Proposition "T". After having given it further study, I have found that a yes vote on Proposition "T" would be to the advantage of gay people....yes, on District Elections! ray.

Dance for Senior Lunch Program.....

TENDERLOIN TESSIE'S GRANNY DANCE Tenderloin Tessie (Perry Spink) has set Sunday, October 24th, at 8 PM, as the date and time for his "Granny Dance" to be held at 83 Sixth Street....the SIR Center.

Tessie told the CRUSADER that prizes will be offered in the form of trophy for various trips, but his much coveted, "Miss Gay Granny 1976" title will be given out. Judging will be by a panel, headed by Lee Raymond and Harry Lordan.

The money raised (\$3 per person) will go to the Senior Luncheon program of the Orthodox Episcopal Church of God, which Tessie has been helping out on, as has Lee Raymond and Harry Lordan.

43 ATTEND LAST LUNCHEON.....43 physically infirmed persons attended the last Senior Lunch at the Church's rented facility on 7th street. The location has been used by the Orthodox Episcopal Church of God since 1968 for the luncheons as they have ground floor level and have an attendant elevator service to assist the elderly.

Remember, attend Tessie's GRANNY DANCE on Sunday, October 24th, 8 PM. That's the day after the Beaux Arts Ball (save your costume and wear it to the dance). The tickets are being sold now by Tessie. rb

New Porno Law Zone Urged....!

Supervisor Dianne Feinstein and Supervisor Bob Mendelsohn, responding to the complaints of hundreds of residents and merchants along Polk Street, as well as in other areas, and preparing legislation which will place all "adult entertainment centers", meaning porno bookstores and movie houses, within two or three zones of the City. Other cities such as Boston, Detroit and now Oakland have such laws, the Oakland law has not set it zones as yet.

Boston has had great success with their zone which has pleased almost everyone, except the sleazy porno operators who are out for a quick buck and care nothing for the environment of the neighborhood.

Recently, two such sleazy operations were established in the north of Geary Polk area. One on Geary near Polk and the other right on Polk, with a bizzare sign outside the store, and "booths" in the basement for "purposes"!

The latter operation prompted many gays into the battle to halt the destruction of neighborhoods by these "quickie" porno operators.

Under the new proposed law, a section of the Tenderloin, an area along Broadway and Kearny, and a tiny section around 6th & Folsom would be designated "adult entertainment centers"! Places which have been in operation for more than 3 years would fall under a "grandfather" clause and be permitted to operate at their current location, but would have to adhere to the neighborhood environment around them.

Law enforcement agencies recognize the value of pornography, but agree with the outraged residents and merchants of the various areas, that a halt has to be called to this expanding exploitative businesses.

Places such as Le Salon and Jaguar in the Polk & Castro areas respectively, would be exempt under the "grandfather" clause, when the bill is passed.

Opposition to this legislation is expected by the sleazy operators as well as the crime-syndicates operations which have sprung up within the past two years outside of the areas designated.

Support for this important protective legislation is being rallied in the responsible gay community as well as elsewhere.

Muni Fares To Increase?

BARBAGELATA PROPOSAL WOULD MEAN ANOTHER TAX ON THE POOR AND THE LOW INCOME PEOPLES OF SAN FRANCISCO WHO DO NOT DRIVE!

Supervisor John Barbagelata, gave voters another good reason to vote for District election of Supervisors, when he and John Molinari proposed fare increases on the Muni to offset property taxes.

Barbagelata is up for re-election next year, regardless of District Elections, as is others on the Board who support the tax on the poor, Dorothy Von Beroldingen and Peter Tamaras.

TAXI CAB FARE INCREASE.....NOW MUNI! Reaction to the Muni fare increase proposal has been quite hostile, as this reporter questioned a group of Muni riders. One Muni rider said, "First these goody goody Supervisors with their fancy cars, don't have to worry about getting to work, cause they got a car. They don't have worry about emergencies which force me to have to take a taxicab, which I just can't afford to do, and now, those bastards want to tax the poor even more.

How do they expect us to live?" That question is one that many ask in response to the Muni fare increase proposal along with taxi fare increase, for the poor, elderly, blind, the low income peoples depend upon public transportation, and now the Supervisors, with this latest proposal appear to be trying their best to create riot situations in the City.

RUMORS OF VIOLENCE SURFACE.....With the cuts in welfare, the cutbacks in teachers, and the increase in taxi and now the Muni fare increases, many sources within the City are agitating for trouble against officials.

This reporter proposes working to pass District Elections as a way of changing things. bg.

All hail the homophilosophical relationship between Karl Marx and Friedrich Engels, the fathers of bright Red gay socialism!

We must reverse the precious homoideological direction which we have inherited. We have reached an historic juncture in our evolution. We have evolved from heterosapiens into homosapiens, and the world is becoming more homogenous every day, thanks to the process of dialectical materialism. Ecce Homo! behold the new homosocialist!

As a result of the homophobes of our illustrious homopartisan leadership, we have come to realize that there is no place like homo.

And let us not forget our homonyms, or homogeneity, or homography, our homologue, our homologue, our homomorphism, our homophones and above all our homogenized milk!

BLOC COUNTRIES RENAMED

At the recent Party Internationale it was decided by Party leaders from several countries that the names of Socialist nations should be changed to sound more sensual and exciting. It was proposed that "Poland" be changed to "Hairy Pole Land", "East Germany" to "Bestiality Gerspersony", "Yugoslavia" to "Yugo Saliva", "Cambodia" to "Campy Boodie", "Albania" to "Anal Banality", and "Cuba" to "Hubba-Hubba."

LETTERS FROM THE WEST

Dear Editor:
Why don't you have drag queens in your country?
Bob Carter, Plains, Georgia

Dear Bob:
We do not have drag czarinas, not merely because we have abolished the Russian imperial family, but because men and women in our country have always worn the same clothing. Our national costume consists of a large potato sack tied in the middle with a rope.

MENDELSON STRONG!

State Senate candidate, BOB MENDELSON

When Supervisor John Barbagelata voted, he voted "no" on the impeachment issue. Yet it was he, John Barbagelata, who has fought so bitterly with Mazzola during the strikes, it was Barbagelata who demanded, in a figure of speech, the "head" of Joe Mazzola, yet when it came time to do the job, he backed out. John Barbagelata had been told many times that the legal position was weak, but he demanded the ouster of Mazzola!

Supervisor Bob Mendelsohn is a firm politician, and he proved it to the voters when he voted to impeach Joseph Mazzola as Airport Commissioner. Mendelsohn had everything to gain by instead of a yes vote, a no vote would have "saved" him with labor. But Bob Mendelsohn, a courageous man, seeking the State Senate post in District 5, in the face of heavy labor opposition, voted to impeach the Plumbers Union boss Mazzola. His opponent Marks, a Republican made much of it, but, if Marks had to face that choice, would he have slapped the voters in the face and voted "no"? Milton is a weak politician and would have bowed to the powerful labor lobby and voted no, unlike Bob Mendelsohn. By Mendelsohn's courageous standhe has proven once again that he has the qualities to be a Senator for all of San Francisco.

BARBAGELATA SELLOUT.....

MICHAEL MILLER FOR BOARD of EDUCATION

Michael C. Miller, candidate for the Board of Education, has been endorsed by the GLA (Gay Liberation Alliance) and by the GAY CRUSADER.

Miller was born and raised in San Francisco, is married, and has two children. He is an attorney and a member of Laborers Local 261. He is a graduate of Stanford and Hastings College of Law, and lives in the Bayview district.

Miller states that "the present Board of Education has not educated our youth for useful, productive jobs. They have done nothing to seek job programs for unemployed youth. Poor education and unemployment breeds violence and drug abuse in the schools. The Board's only answer has been more suspension and support for.....Operation Sweep.....!"

"Michael Miller fights for school funds from the Federal military budget, not from property taxes." He is opposed to raising property taxes, wants to end cuts in educations, i.e., the laying off of teachers and staff.

Lambda Gay Demo Club Folds...!

The Lambda Democratic Club, member of the CDC (California Democratic Club) has folded after but less than a year.

The Club which was comprised in the main, by members of the MCC (Metropolitan Community Church/Los Angeles), called it quits after they found they could not compete against the very strong Stonewall Democratic Club headed by Morris Knight, which has endorsed winner Jimmy Carter.

Most of the Lambda members went over to the other small gay Democratic Club, the Hollywood Hills Demo Club, headed up by Newt Dieter, one of David B. Goodstein's writers in the sDAdvocate. Lambda's most noted member, Rev. Jim Sandmire has become head of the Gay Caucus of the CDC in a most unpopular move, which many are stating could endanger MCC's status as a church.... feeling that the Church was becoming a political pawn.

LT. THOMAS STACK PLEADS GUILTY IN THE TENDERLOIN BRIBE CASE....OF LYING!
30 MORE COPS TO BE INDICTED ACCORDING TO FEDERAL BLDG. SOURCES.

Lt. Thomas Stack, one day before he plead guilty to obstructing a Federal Grand Jury in the investigation of a bribe case in which Stack was supposed to have taken part, went into the Chief of Police's Office, and handed in his 30 year retirement papers, so that way he faced no action by the SFPD when he plead guilty the next day. Stack had allegedly taken a \$200 bribe from Dale Austin who owned Jackie D's at 147 Mason Street, a gay bar. At that time, Michael Carings was the manager of the bar. Stack could receive a penalty of five years in prison and a \$5,000 fine.

\$1,400 THEFT AT GORDON'S.....!

A former employee of GORDON'S, 118 Jones Street, is suspect in the theft of \$1,400 which was taken on Wednesday September 22nd after the former employee had gained admittance fraudulently by ringing the "service entrance" bell, and telling the only employee on duty that ".....told me to come in to work off the money I owe him!" The employee went to check out the story by calling Gordon, but before he could, the service bell rang again for delivery, and while this was being done, the former employee walked out the door with the "bank". It is listed as "Grand Theft-Opportunist" by the San Francisco Police Department.

Inspector John Mino of the Fraud Unit appears to be most uninterested in the case, but pressure has been brought on others within the Department and with the District Attorney's Office.

Violence on Polk!

Violence at the *P.S., when owner Robert Trollope was nearly assaulted by former employee Charles Roesing, in a fit of anger over his dismissal by the *P.S. Pat McAdams of the Mind Shaft was present at the victory party for HECTOR on the morning (2:30 AM) after the Emperor coronation, and he, McAdams grabbed Roesing from behind with a "full-nelson" and "walked" him out of the *P.S. Roesing kept yelling once ousted from the famed Polk Street restaurant that he was going to get Trollope. Trollope had nothing to do with his dismissal as it was Chief Larry Olson who dismissed Roesing. A few minutes after the scuffle, the sign in front of the *P.S. which sets on the sidewalk, was found crashed through the top of Trollope's Mercedes car.

Jim Jones

Continued from Page 1

Jim Jones is founder minister of Peoples Temple Christian Church of the Disciples of Christ Denomination of 1.4 million in the United States (which includes former President Lyndon Baines Johnson and several senators and congressmen.) Pastor and Mrs. Jones, an RN and state evaluator for convalescent hospitals for the government, have adopted seven children of all races.

Many of the local establishment and alternative news media have praised the congregation of Peoples Temple (over 8000 members in this city) and Jim Jones for their human service ministry.

Also speaking and presenting tributes of praise from the Board of Supervisors, was Bob Mendelsohn, State Senate candidate, and his opponent, Milton Marks. Present in tribute to Jim Jones, were attorney Vincent Hallinan, District Attorney Joseph Frietas, the assistant Ambassador from Guyana, Gina Moscone, Chief of Police Charles Gain and his wife, Rev. Ray Broshears, Jim Gonzales, Peter Mezey, Ella Hutch, Kathleen and Eldridge Clever, the four Fresno newsmen who went to jail rather than give up their First Amendment rights, the head of the Birch Society, Bill Maher, John Chinn, and a host of others.

The set-down dinner for 8,000 people was a tremendous effort by the People's Temple congregation, but the food was very good, and the service excellent.

The People's Temple is truly a church as Christ intended, was the theme of most of the speakers who paid glowing tribute to Jim Jones, for the People's Temple has all racial minorities, and to the readers of this paper, a note of special interest, a Church where gays are welcomed, and treated equally. Another barrier which was broken by this very unique San Francisco congregation, with the leading of the pastor Jim Jones.

People's Temple in the past has assisted the Helping Hand Services Center when it was in operation.

There was entertainment provided by the members of the Congregation, under the guidance of Rev. Johnny Brown, who was once with the Human Rights Commission office. The testimonial took place at the Temple, 1859 Geary Blvd.

San Francisco and America can be proud of Rev. Jim Jones and the miracle work he has wrought through the People's Temple.

As Jim has said, the church is supposed to be 24 hours a day, every single day of the week and not just one hour a week. People's Temple is just what Christ Jesus had in mind when he talked about the church!

DISCO MAGIC by Rock Sand

(Editors Note: Rock Sand is Secretary to the Bay Area Disco Dee Jay Association (BADD), and Music Director of Mr. B's CLUB FRISCO)

HERE WE GO AGAIN! By the time this issue of the GAY CRUSADER is published, I suppose the hot weather shall be a "has-been" in the Bay Area. Needless to say, the disco "grape-vine" is hot, so let me give you a large glass of wine.....

I'm thrilled to announce that the owner (Mr. B) and manager (Elmer Moore), of CLUB FRISCO, have given the OK for the exciting, Bid Whist Tournament to resume, as well as Talent Night every Tuesday.

It has long been my belief that hidden talent dwells within the general disco audience. I'm looking forward to Talent Night and the Whist Tournaments. Also, I will be spinning Golden Oldies every Sunday Night from 9 PM until 11 PM. Hope to see you and yours soon at the only "Soul Disco" in town..... Mr. B's CLUB FRISCO, 60 Sixth Street.....just a block from the BART Station on Powell Street, at 6th & Market.

Drop by the Mind Shaft, Tim Rivers, who we all Remember from the Nicklelodeon, Uncle Sam's, etc., etc., etc., is spinning with Wes Bradley who recently moved to our City from Los Angeles. Between the two, they have created a new electrifying sound in disc-jockeying. Keep it up!

Jon Randazzo (Vice-President of B.A.D.D.A.) is really knocking 'em dead at the ever popular "City". You should witness his impersonation of Cher..... yes, that's right, Cher! Jon has been working seven nights per week to cover for Jonny "Disco" Hedges, who (I'm sorry to report) is ill and hopefully recovering at home! Randazzo continues to captivate his patrons with his superb selection of music, not to mention his perfection in mixing.

Chico Starr is still starring at the Windjammer on Geary. "Let the wind jam you in on Wednesday for their jockey shorts dance contest".....! What ever happened to Aaron Whittle at the Hot Rocks? Well, Chrysler Sheldon (whom I hold dear as a friend and fellow D.J.), says Aaron is as happy as ever, with his big smile, although he is not spinning at Hot Rocks. I am sure that Aaron is well missed. Chrysler is receiving wide popularity. I personally love his choice of music.....!

Don Miley.....Don who?.....Don Miley, the Treasurer of BADD and former D.J. at the Nicklelodeon is waiting to set our city on "fire" when the right offer comes along. Recently, he played in Palm Springs to which I understand was a record breaking crowd. Wow!!! Have you checked out "Oil Can Harry's"????, formerly known as Bo-Jangles, Uncle Sam's, Uncle Tom's, etc., etc., etc.

Well, before "Harry's" opened it was said that fifty thousand dollars would be invested for a complete "face-lift", (which as been due for the past three years), anyway, the outcome is fabulous-very much formal and L.A. style, but all in very good taste and with class.....but, now for the poor taste, and I do mean POOR TASTE!

It seems that the management refuses to admit BLACKS AND MINORITIES without 3 PIECES OF I.D. I wonder why???? I suppose someone should explain to the managers that in the City of St. Francis (which by the way Mr. Oil Can Harry, is NORTHERN CALIFORNIA, not SOUTHERN California!!!!!!),in our community all people, regardless of race, work, play, party, love, and dance together!!!! THERE IS NO ROOM FOR PREJUDICE!!!!

EDITOR'S NOTE: As promised, the following is the first of five articles in which ROCK SAND takes in behind the scenes of today's Disco World.

THE WORLD OF DISCO.....Part I
There could be no Disco World without the "Big Boss", or owner. All praise goes out to those men and women who have invested their time and money to make the Disco a success. SMILE!.....what do you dare say without losing your job??? I must be truthful above everything. A growing minority of D.J.'s and Music Directors have received "pressure" from the owners. Some familiar quotations, "My boss said for me to play fast music", or "My boss said if I didn't play.....and.....three times in a row, that I would be fired", and the owner said "Play more slow records"! It goes on and on, and one might ask....."who is the D.J.?" If so much knowledge was employed by the owner, why is he not playing the music? Also arguments surface about who is the rightful owner of records received by promoters. It is my understanding that records mailed to the home of the D.J.'s or recordings they receive at a record pool (BADD), all belong to the D.J., and all music mailed to the Disco are the property of the disco, club, owner, etc. Each D.J. has her or his own personality, so expectation would place the D.J. with his or her personal or private collection of music. Some club owners demand that all of their D.J.'s play the same music. This adds to the already shaky relationship between the D.J. and the owner. Much time and effort must go to establish better relations, between the D.J. and owner if the disco is to thrive.

NEWS~PEOPLE~ETC

NEW ORLEANS.....Police Terror Hits New Orleans Gay Community! The city of New Orleans gay community has been plagued by the NOPD for the past two months, according to the LOUISIAN GAY BLADE. The ACLU and the Gay Services Center are working to bring a court action to halt the blue-terrors!

CLEVELAND.....The local gay publication, HIGH GEAR, was not allowed to an inmate of the Federal Reformatory in Atlanta. Inmate, Walter Frazier was the latest victim of the federates. The HIGH GEAR staff is asking gay people to act against the censorship of the federal prison officials, by writing to: Gary McCune, Southeast Region of the U.S. Bureau of Prisons, 3500 Greenbriar Parkway, Atlanta, Georgia 30331. Also send letters to Congressman Phillip Burton, 350 Golden Gate Avenue, San Francisco, CA 94102.

LEXINGTON.....Kentucky gays are coming out of the closet at last. The Lexington Gay Services Organization has opened 24 hour services with its community center. Greg Butler informs us that if you are in Kentucky, drop in.

According to witnesses, several of the patrons of the bar were beaten by the police. The raid comes ten months after a gayman had been beaten to death by the Utica Police.

CHICAGO.....The Chicago GAY LIFE newspaper has joined the San Francisco GAY CRUSADER in endorsing Jimmy Carter for president. Good show kids!

SAN DIEGO.....A new gay organization called, Gay Activists of San Diego or GASD, has been formed. They will concentrate on the rights of gay people. WASHINGTON, D.C.....The Federal Government has reversed itself, and now says that gays can be naturalized, but that all immigration bars stand. The INS, (Immigration and Naturalization Service) attorney Sam Bernsen stated that, "The fact that a petitioner for naturalization is or has been a homosexual (practicing), during the relevant statutory period is not, in itself, a sufficient basis for finding that he or she lacks the necessary good moral character."

LEAVENWORTH.....Calvin L. Keach, an inmate at the Federal Reformatory, has been refused most all of the nation's gay newspapers, except the GAY CRUSADER, is petitioning federal officials to allow him to receive gay papers. HOLLYWOOD.....A rash of deaths due to overdose of dangerous drugs, has set a group of gays here in Starsville to halt drug use in the gay community. Mike Manning, a gay activist has been coordinating a leafletting of various gay businesses that have large amounts of drug trafficking.

HOLLYWOOD.....Fred Halstead, publisher of PACKAGE, a rough-gay's magazine says that "I get knocked by gay-libbers over meaningful relationships, and I find 'em, f**uck 'em, and forget 'em." "I think that rape is fantastic". His writing has angered many gays, and has caused San Francisco's GLA (Gay Liberation Alliance) to call for a boycott of all advertisers of PACKAGE and all of the Fred Halstead films and theaters in which they play.

JERUSALEM.....The mayor of this Israeli city has ordered the police to crack down on the homosexual activity which he believes to be "communist inspired". The police responded with six arrests within two days of persons in public sectors which are inhabited mainly by tourists. Israel has the strongest anti-homosexual laws of any nation other than communist Albania.

LOS ANGELES.....California Court of Appeals has ruled unconstitutional, a 1974 amendment to a Los Angeles ordinance aimed at banning nudity in publications, sold on public sidewalks.

PHILADELPHIA.....City Council member, Lucien Blackwell agreed to introduce legislation which would protect gay people from discrimination in housing, employment, and public accommodations, noting that a similar measure was defeated before. Mayor Rizzo faces recall election in November by the voters.

Community College Board

Nov. 2

It would be to the advantage of everyone if the owners and the D.J.'s would have a city-wide meeting or confrontation at least once a month. Most owners, (like so many business people) are more fair to their employees, and the income from the disco is a witness to that fact. Above all, everyone, owner, D.J., bartender, waiter, manager, etc., wants to make money. No one is in the business just for the fame or popularity, everyone knows that fame will not buy you anything. If the World of Disco is to live or die, it depends upon the owners as well as the employees.

Gay Candidate Has 'Paid his dues.'

CANDIDATE FOR COMMUNITY COLLEGE BOARD HAS BEEN ACTIVIST IN SAN FRANCISCO FOR ELEVEN YEARS.

Rev. Raymond Broshears, one of nine candidates, seeking one of four seats on the Community College Governing Board, has the greatest chance of any gayperson yet, to be elected to a city-wide office. The incumbents are seeking re-election as a "slate", a "slate" which Broshears says, quoting from the College budget, "Is dedicated to further spending of taxpayers money for a college system which is wasteful, it duplicates itself, it duplicates programs offered by the local school system, and is nothing more than a patronage machine for George Moscone."

Rev. Broshears who has led many protests for equal hiring programs for gaypeople, points out that the "incumbents" failed to add "sexual orientation" to the list of those who cannot be discriminated against at the Community College District in hiring.

His very boisterous opponent, Peter Finnegan claims that it is an.... "oversight and will be rectified right away....say, that could help ole Pete get some gay votes couldn't it!" Yet, Finnegan and his other three running mates, Chinn, Ayala, and Ward have had all their term to do so, but have failed to do so, and are now doing it because a candidate who happens to be gay has brought the issue up.

MRS. Wm. HANDELSMAN, CAMPAIGN MANAGER. JOAN HITCHCOCK HEADS CAMPAIGN FOR ELECTION OF BROSHEARS'.....ATTORNEY SAL C. BALISTRERI IS THE CAMPAIGN TREASURER' MR. TOM SMITH, CO-CHAIRPERSON Former candidate for the Board of Supervisors, Joan Hitchcock, a famed San Francisco socialite, is the chairperson of the Committee to Elect Ray Broshears. And well known San Francisco criminal attorney, Sal C. Balistreri is the Treasurer. Balistreri is a former candidate for Judge.

Another former candidate for Judge is on the Committee, attorney Jack Morgan, as is Lee Raymond, Melvina (Melvin Gray), the very colorful Tenderloin Tessie (Perry Spink), two more 'straight' attorney's Joseph P. Manzella and Sydney Tanner.

ELLIOTT BLACKSTONE' FORMER COP THE THE GAY COMMUNITY ENDORSES AND WORKING FOR BROSHEARS..... The colorful former San Francisco Police Officer, Sgt. Elliott Blackstone has endorsed Broshears and is seeking support for his November 2nd victory.

Others who have endorsed Rev. Broshears campaign are the Harry S Truman Democratic Club which he formerly headed. Mr. Scott Smith, Castro merchant; Jane Burke, printing executive; Rev. Ronald Coppock; Cliff Newman, theatre owner; Elisa Rliegh, businesswoman; Jacques Zamora; Al Alvarez; Jacques Zamora; James Garfield; James Boyd-Robertson; Michael Phillips; J. Michael Ross; Roy Harnetiaux; and Polk Street Sally (Dixon Olivieri). SUPPORT FROM FROM SHERIFF CANDIDATE....Gene Prat, a candidate for Sheriff last year (28,000 votes) is openly supporting the candidacy of Rev. Broshears, as the Ms. Eleanor Cragen, wife of Superior Court Judge Cargen.

"STRAIGHT" SUPPORT OVERWHELMING.....Never has any candidate who is gay had so much support from all sectors of the City. Rev. Broshears said that he was "pleased and humbled that such fine people have rallied around my candidacy, especially those from the "straight" community, such as Ms. Hitchcock, Mr. Balistreri, Mrs. Cragen, Mr. Manzella, Sgt. Blackstone, Mr. Tanner, and my old friend Joe Manzella and Mr. Morgan. The list is endless, and i am indeed grateful and thankful to all of those who believe in my candidacy."

REV. BROSHEARS.....A CANDIDATE WHO GETS THINGS DONE.....A PERSON WHO HAS BEEN "THERE" WHEN HE IS NEEDED!

From demonstrations to ending discrimination by Pacific Telephone back in 1970-71-73 & 74, to others at Vacaville Prison, and against aversion therapy, to protests against the sexism of the Examiner, KGO-TV, U.S. Army, the San Francisco Police (71 demonstrations alone), to protest in housing discrimination against drag queens, to demonstrations for gay rights legislation, and his famed senior luncheons, and jail ministry, the Rev. Broshears has "paid his dues" and deserves the overwhelming support of the gay community of San Francisco. He has the endorsements of the Truman Democratic Club and the Gay Liberation Alliance, but support from the Toklas Club was withheld due to their long time competition. Toklas has never endorsed a gay candidate.....Harvey Milk has not been endorsed by Toklas in his three bids for office.

Broshears' support in the gay community comes from those who are workers, some business owners, and from the very poor. His greatest strength is with seniors and with those citizens who are concerned about the ever expanding Community College system, with little or no justification.

Several members of the local p.d. have also endorsed Rev. Broshears bid for the Community College Board. Broshears' campaign manager is Sal C. Balistreri and his publicist is Mr. Handelsman.

Rev. Ray has "paid his dues", so why not "pay yours" by voting for him November 2nd? Workers are needed, as well as funds..... which may be sent in care of, Sal C. Balistreri, at 785 Market Street...the Penthouse, Humbolt Building, San Francisco, CA 94103. Phones are 673-8184, and 777-9990 (Temporary).

GAYS CAN ELECT
ONE OF THEIR
OWN!

HARVEY MILK
"ALMOST MADE IT"

"Harvey Milk almost made it, and now, I will make it! Our people have been without an elected representative too long, and this is only the beginning....!" Rev. Ray For years we have heard of Rev. Ray Broshears. Ray is a person of great faith, a person believes in something enough to go to jail or die for what he believes in. He is not afraid of any so-called power structure, he has fought and beaten the government, the police departments, and syndicate people, all in defense of the poor people in whatever city he has been in.

His firmness is sometimes mistaken for harshness, but when it comes to people on drugs, he believes firmly that none of the so-called drug programs using chemicals work and that drugs must be stopped, completely as they are the tool of "the man" in the governments drive to control the poor, the middle-class and enslave them.

Rev. Ray first was involved in demonstrations in Belleville Illinois, sit-ins on behalf of the right of Black people to be able to eat in the local restaurants. He went to jail for that. He was involved in rights of black people to work, in Bogalusa Louisiana, and he went to jail for that too. He fought the corrupt police of New Orleans for the beatings of poor, blacks and homosexuals, and he nearly lost his life for that. He preached that the government and Lyndon Johnson were directly responsible for the killing of JFK, and he did go to prison for that. But, he won out again.

He fought the SFPD in the streets of the Tenderloin on behalf of the homosexual for years, beginning with the now historic "Compton's War", which was 1966 at the corner of Turk & Taylor when that once 24 thriving business would not allow homosexuals/"hair faries" in. The people won that one too.

He battled the ultra-conservative management of KGO-TV in that year as well as the Examiner, and his battles on behalf of the people intensified since then.

His defense of the those oppressed workers at Legallett Tannery in Hunters Point, after two men died of fumes from deadly gas, due to carelessness on the part of the management, helped to avert a racial conflict. He formed the "Street Patrol of Christians" in 1966, and that ministry is carried on today by the Holy Order of Mans.

His battles on behalf of the tenants of San Francisco have nearly cost him his life on more than one occasion, as some of the slum-lords play rough.

He was a defended of those who refused to go to war, and the government nearly got him on that. He lead demonstrations on behalf of resisters in not only our City, but in San Jose, Oakland and Long Beach.

He has been a foe of the extremes, believing that America cannot stand if we are to become extremist in it's political views. He has stood up for the rights of those groups which he dislikes such as the SWP, Birchers, etc., while disavowing what they they say, Rev. Ray believes that all political views have a right to be heard, but he does get a bit sticky on the subject of the Nazis, whom he dislikes with a zeal. He believes that freedom is in jeopardy, and that his struggles over the years on behalf of various groups have been good things.

He was elected by a vote of the residents of the north of Market area, in 1968 to the Central City Economic Opportunity Board (War on Poverty), and he exposed the corruption and the fts of that program.

His free luncheons for the elderly, and his battles for the rights and protection of the elderly is well known in the halls of government.

He has supported all types of candidates from all political view points, because of the person. He has ran for the U.S. Congress on a third party ticket.

And now, the man who believes that as long as one person is oppressed, we are all oppressed, is seeking election a member of the Governing Board of the Community College District on November 2nd.

We believe that Ray Broshears will be elected, and that is why we urge you to support him. A tireless supporter of the rights of the common person and for the freedoms which our Constitution gurantee?!

GAY EVENTS TAPE A COMMERCIAL

If you dial the "gay events tape" you will first have to listen to a commercial about the "City" a once gay disco in North Beach.

Why say anything about it? It is just that Dave Kesti, the man who did own "gay events tape" has declared to various gay activists that all groups events would be listed, which is totally false.

Mr. Kesti has used the tape to further the business of the one-time gay disco, the "City", and also his personal political associates at BAGL (Bay Area Gay Liberation). Other groups which disagree with Kesti do not get their events on the tape.

LET'S START MANY EVENTS TAPES..... This is a suggestion that was made by one activist to the *P.S. General Manager, they they too have a gay events tape, and publicize it, and any other business should do the same thing to promote their business.

DIAL 771-3366 FOR GAY EVENTS..... People can dial 771-3366 for gay events.....live! Or they may dial the gay referral line at 994-1522 and it too is live. So don't depend on the commercial venture on Kesti and the once-gay disco that supports him, but we urge you to call the LIVE EVENTS TAPES, only they are not tapes, they talk back to you and they are not pushing any gay or straight business..... call..... 994-1522, or 771-3366 for happenings in the gay community of San Francisco and San Jose.

Witness "No Show". Beating Victim Vanishes!

The August 26th beating at the National Hotel of John Chamberlain has resulted in the charges being dropped..... after the victim and two of the witnesses mysteriously disappeared from town, and the other witness related he was "afraid of being beaten up if he testified."

The person arrested for the assault was Charles "Chuck" Roensing.

The District Attorney told the CRUSADER that there was enough evidence without the victim for a conviction, but one of the witnesses had to testify.

Two of the witnesses checked out of the National Hotel telling them that they were leaving town. The victim had checked out of the hospital and told persons at the National that he was going back to Georgia.

So, there was no acquittal, but a dismissal due to failure of victim and/or witnesses to appear.

"The Original Gay Hotel" "Everyone Welcome"

PRIVATE SERVICES INTERNATIONAL KEYHOLE!!!

BEWARE.....OF THE "BLACK HUNK MASSEUR-MODEL"!

THOSE "CLASSIFIED ADS" ARE NOT ALWAYS "CLASSY"!

This item concerns a person who advertises as a "black hunky masseur-model" in a few of the local publications.

He is in actuality, 37 years of age, claims to be or have ran, an "agency".

A person called this "masseur" on September 16th, as a "birthday present to himself", and it ended up costing him \$100.00!

It seems that this "masseur" charges \$40 a session, which he neglected to tell the client was but an "hour". And then, when the client was in the bath, the "masseur" called a friend who was a very huge man (height wise only). And, after a "romp", they proceeded to tell him that he owed \$250 instead of \$40.....and proceeded make racial slurs to the white client, giving the impression that he would "pay" in other ways, if he did not pay the \$250.

This is something which has seldom ever happened in the gay community, and it is ugly, and it could lead to great trouble police wise.

Blackmail and extortion are just as sick as the S&M "killings" in many people's books. We would urge any of you who have had similar experiences to please contact this paper.

There is something the law can do for you, you are protected from creeps like this, and the SF PD will help you. Please contact us!

BEWARE of the "Black Hunk", "10 1/2", "5' 11"

In one of the gay papers, a patron offers free!!!! message to "queens".....sound dangerous?

Others go into very graphic description about "services" offered, and a description of their "build".....the height, weight, hair, eyes, etc., is within the law, but the rest of that bullshit is going to get some people busted.

YOU MUST HAVE A PERMIT FROM THE SF PD TO ADVERTISE/GIVE MESSAGES.....That

is a fact, and by advertising such, you are placing yourself in a position to where the SFPD can arrest you with little difficulty, for you have violated the Massage section of the Police Code. With "rip-offs" now taking place, the police are going to be intervening, that is for sure.

It is the responsibility of the gay newspapers to check out those who advertise in the wanton ad section.

I know that KALENDAR and the CRUSADER both do, and once in a while someone slips thru, because of the fact they have been advertising in other papers for some time, but the policy of the KALENDAR and the CRUSADER is that we now both request greater information about the advertiser. Those other papers are not as cautious as we are, as far as we know. DIFFERENT BEA-

T and RIP-OFF RAG have solid policies also. As of this writing the same cannot be said for the Sentinel, BAR, and Data Boy. Check out those ads, watch out for "rip-offs"!!!!!!!

Photo's by LEE RAYMOND
(and you should see the ones we dare
not print! Call Lee @ 771-2670)

At the 1976 Tavern Guild Picnic, fun and pleasure was the order of the day, and some got a bit over zealous with it, with too much drink at times. Look at the above pictures of the Emperor of San Rosa (nice), and the disgraceful behavior of Joe Roland and Jose..tsk tsk! Then Lee Raymond got tired and lay in the baggage rack, when he was chasing the two whose arms he has around him/them! One young man wearing diapers appears to be meditating, and Mr. Tavern Guild Tom Paine is hugging Miss Tavern Guild Ed Buttram. Tiffany (Harry Gardner) is selling something, and Randy Johnson is sneering at someone. A nice picnic with alot of nice people.....sorry about Polk Street Sally, her trip was several trips in one, right Sal? Loved her column to tears!

Peoples Temple was not seeking publicity when the congregation took up a march on behalf of the Fresno Bee Four. Actually, the demonstrators requested that the press not publicize the Temple itself, but convey the seriousness of the issue at stake. The demonstration received the grateful support of the McClatchy family, owners of the Fresno Bee, Sacramento Bee, and Modesto Bee, as well as TV and radio stations in several cities. The New York Times, AP and UPI all covered the event, displaying prominent, bold-type headlines. Major TV and radio stations across the nation carried the story as well.

The plight of the Bee Four remains unresolved. Peoples Forum has reprinted, in this issue, excerpts of articles about the Fresno demonstration in order to impress upon our readers the utter seriousness of the Bee Four issue. The loss of freedom has always started with the demise of freedom of the press.

Defending Others' Rights SF Church Members Demonstrate Support For Newsmen

Rev. Jim Jones holds sign in Bee Four vigil.

Bee Photos by Ralph Throneberry

It is difficult to watch the quiet demonstration of support for the Bee Four in Courthouse Park without having tears of emotion cloud your vision.

They walk somberly and almost silently, courteously stopping the parade from time to time to permit others to pass through their lines.

Sprinkled among the 500 or so demonstrators from Peoples Temple in San Francisco are hand-carried signs with such slogans as "Free Our Newsmen, Now." Most of the demonstrators are women and the majority are black.

They are Americans demonstrating quietly their belief that an injustice is being done in the sentencing of the four Fresno Bee newsmen to indefinite jail terms until they reveal their source of information for a series of news stories.

The strength of their belief is moving and impressive. They have subjected themselves to the elements - heat Thursday and then rain Friday and Friday night - to long, tedious bus rides, to the inconvenience of public toilet facilities, meals prepared on a bus. They could easily have stayed home enjoying far more comforts.

They chose not to. They chose to demonstrate in support of four newsmen none of them had ever met. But they have a solid acquaintanceship with the principles of human rights. One said "In the church...we learn to respect each other's rights and to defend them if necessary."

This is what America is all about - defending each other's rights. Thank you, members of Peoples Temple, for showing it to others.

Dear Rev. Jones:

The four of us have been deeply touched by the remarkable outpouring of good will and support shown by the members of your church the past two days.

It is heartening to know that people like you and your congregation understand the principles we are standing for and that you hold them so dearly that you will take the time and expense to demonstrate your belief in them.

Words cannot adequately express the depth of our feelings. To watch on television that long line of marchers and realize we were the beneficiaries of such a demonstration is something we will hold in our memories for a long time.

We thank you and may God be with you.

Rev. Jim Jones and members of his church, the People's Temple demonstrated outside of the Fresno jail recently as indicated in the news story at the left.

Congressman George Brown recently read into the Congressional Record the following comment regarding Jim Jones and the People's Temple.

"Mr. Speaker, I was recently made aware of the fact that the Congregation of the People's Temple Church of Redwood Valley, California, has donated a total of \$4,400 for the defense of William Farr and other reporters jailed for refusing to reveal their sources of information. I would like to commend the Rev. Jones, who is pastor of the church, and every member of his congregation for this outstanding demonstration of their commitment to the principles on which this country was founded.

I would like to include in the Record at this point a few items which appeared in the press recently, about the People's Temple."

FREEDOM OF THE PRESS.....
Freedom of the press is something that the Rev. Jim Jones believes in greatly.

At a recent testimonial for him at the People's Temple, the Rev. Jones said that we should be prepared to go to jail to defend our rights.

He and other speakers pointed out the vile tricks used by the US government in their attempt to stifle the freedoms which the Constitution guarantees us.

Jim Jones says that the IRS (Internal Revenue Service) is now investigating his church's federal tax exemption. Rev. Cecil Williams said that the same was true of his church. Rev. Ray Broshears has let it be known that the IRS exemption of his church is being challenged by the IRS for the fifth time in two years.

So, so go along with freedom of the press, freedom of religion was being challenged by the government.

This writer knows that the enemy is not only within the government but is being helped by those on the outside of the government.

16 SEX SHOP

Sitting in the POLK GULCH SALOON the other Wednesday night, engaging in slightly drunken conversation with an Upper Polk Street businessman, the topic of "sex shops" and related businesses came up over the bar. Now, most of my conversations get around to sex, one way or the other - after all, this is the City for it.

But, this conversation was particularly interesting because the immediate community in which I work and live was the topic of debate. I made the off-hand comment that Polkstrasse was Gay San Francisco's answer to the rest of the world's Union Street: ever since the "Left Bank Galleries," the street's first gay owned business, opened, Polkstrasse has been known for a "touch of class" rarely found in other "ghetto" areas. Over yet another drink, my friend and I started to analyze the new businesses that are springing up in the neighborhood: The Nob Hill Mall, already has had police in it for various problems which appear to be drug-related in the "Cheek-to-Cheek"; The Post Street Baths, discretely building in silence through the Yellow Pages ad, which was placed months ago in the new SFO phone directory; those awful yellow windows with painted red hearts that draw gaudy attention to Le Salon's competition up the street at "Ben Hur" peep shows; and then that new bar that has been ready, off and on, to open any minute for over a year - the one across the street from HARD ON LEATHERS.

I asked my drinking partner just what the old neighborhood was coming to. He came back with the matter-of-fact statement that gay establishment businessmen were just going to have to make way for all this new money that is around and working; he said that money talks and we had to accept that fact no matter how the image of the street was affected.

Now, it is an economic fact that competition and variety are good for business, but the reputation and appearance of a shopping area is paramount to bringing the customer to the businessman's door. I'm one of the first to agree that change is necessary in the economic world as well as the social. But, being a Southern Boy from smalltown Alabama, I never did take to drastic change. I've always had a respect for what others have built and what my father's generation of gays has made possible for me to enjoy. So, when I think things are changing in an "improper" manner I usually say so. It is this man's opinion that we must take notice of the community around us and make noise when we are displeased. The Tenderloin didn't become what it now is, overnight. It changed slowly - and had people been interested as that change was happening, the Tenderloin could still be a safe place to walk at night.

Cancer spreads. It is trying to take hold on lower Polk Street. Now is the time for diagnosis, evaluation and a possible mastectomy here and there. Think about it folks and read on!

PARADISE

San Francisco is the unique city on this continent. No where else will you find such a cross-section of the peoples of the world living and working together in such close geographical surroundings.

However, since the City is divided into ghettos and labeled areas, we find people staying with their own kind and keeping their lifestyles and ideas to themselves.

Our melting pot is little more than many small soup bowls all setting on the same table. And there's nothing really wrong with that. But, for the sake of variety, occasionally we should all try the same dish. The point of this excess verbage is a new restaurant opening in the Castro area. It has been conceived and designed as a restaurant for the people, all the people of San Francisco to enjoy. Jon Triplett the man who expanded the GRUBSTAKE from a 12 stool dining car into one of Sex Shop's most thriving eateries, is putting this new place together. Bill Lane, the former Executive Chef for Howard Hughes' Nevada operations, is laying out the menu and reigning over the kitchen. They are trying to stay away from labels; it won't be a new gay, bi, or straight restaurant, but a restaurant where everyone is welcome to share the fine food, open atmosphere, and easy pace, while overlooking the entrance to Castro Village or peering off into the East Bay distance at that gem of a landmark, the Claremont Hotel. The idea is great, the vibes super good, and the name appropriate and hopeful. The Paradise, 2500 Market at Castro & 17th, open for fine dining October 1. Reservations suggested.

HOT SPOTS

After taking that tour of Paradise, I walked down to the JAGUAR BOOKSTORE to check out the competition..... and got checked out instead. That private "Bulletin Board and Reading Room" for members only is an always interesting stop on one of the hottest streets in town. Those hunks from Castro in to read and enjoy and get a nice color membership card too. Try it - and say hello to Brian with the beard.

NEW PRODUCTS

Remember those long rainy afternoons when we were kids (& sometimes even now), that monopoly marathons were the best game in town. Well, Monopoly has grown up. "Gay Strip Down" just arrived on the Sex Shop shelves. You've probably seen it advertised in the Advocate under "Free Sex" but it's alot more than that - hours of good sexy fun that turn into whatever you make it. Stop in at LE SALON, 1118 Polk Street, and take a close look at a perfect gift for yourself and your friends. And while you are there, check out "Candypants." Instead of slowly pulling down that hot trick's shorts - eat them off in chocolate, cherry or banana flavors. Hot!

SNEAK PREVIEW

"Michael and Philip are lovers in real life but both have the open mind that allows them to enjoy the sexual beauty of another man."

That's the opening line from the brochure on Falcon's Films soon-to-be-released 3-way film "Damit - Take It Easy" (598 & 599). Michael and Philip are those super terrific Polk Street waiters that starred in "Gold Coast Marine" and "Thrust After Thrust" and made the magazine "Magnum" one of Sex Shop's all time bestsellers. If you haven't placed them yet, check out the cover of September's "Mandate" magazine and see them in one of the best shots Rip Colt has ever taken. These two are not to be missed. Soon on the Sex Shop shelves.

SWAN SONG?????

"SEX SHOP by J. MICHAEL" will be changing. I've tried thus far to give you readers a hint of the best around in the porno world while at the same time express a typical porno-freak's view of the sexually-oriented community in which we live. I had an economic motive for pushing the best porn product around because I've been involved in the retail porno business for the past year. Over the past two months, some associates and I had been negotiating to become even closer connected with the business. We have recently discovered, however, that this is not such a good idea at this time. So, I shall be leaving the retail Sex Shop that I have been a part of and moving on into that larger Sex Shop that is San Francisco. This column will continue to deal with what is new in pornography as I shall always be a porno-freak. But I shall be writing as a consumer rather than a seller. And that might not be a bad idea.

PERSONAL

I had not met the Reigning Emperor of San Francisco until 3 weeks before he was to step down; his name was familiar from overhearing various rumors and Palace intrigues; so it was indeed a pleasant surprise to meet the real Michael Carangi, now Emperor 4 de San Francisco,

COLLEGE BOARD MEMBER, GAYS FOE???

Ernest Ayala (pronounced aye-ah la), incumbent member of the Community College Board, is a Realtor on Castro Street.

Mr. Ayala is also director of the CYO (Catholic Youth Organization) of the Archdiocese of San Francisco.

Gays in the Castro have experienced a wave of terror by youths, mostly Catholic youths who are in the CYO programs at the nearby Catholic Church/School.

Recently, an anti-gay group formed in the Castro area, headed by Marge Martin, called "Concerned Citizens of California"? She claims a members of several dozen persons, all dedicated to the eradication of the gays from the Castro.

Ernest "Chuck" Ayala's CYO is noted for it's vehement stands against homosexuality, and youths now are being questioned by persons close to this writer, as to the true feelings of various "straight" businessmen and homeowners in the area towards gays.

Mr. Ayala's Community College Board has failed to this date to pass into law, a resolution giving gays the same status as blacks, and other minorities at the Community College campuses. The Board of Education passed such a resolution last year or so.

The Community College Board incumbents other than Ayala, are John Chinn of the Chinese Six Companies, and the Toklas endorsed Peter Finnegan (rejected by labor) and Doris Ward.

Gay candidate Ray Broshears claims that three of the incumbent candidates have slured him at candidates meetings as being a "faggot" in such a manner to ridicule and deride his candidacy. He states that they have been clever to not say it too openly, but, that they make things uncomfortable, particularly in anti-gay groups, which were uncomfortable enough.

Meanwhile, the question is asked of gay merchants, "Is Ayala anti-Gay?" See next issue for results!

and chairman of the Council of Emperors.

I sincerely thank this extraordinary gentleman for allowing me to participate in his Coronation Week and be of some service to his out of town guests. I thank him also for making it possible for me to meet and enjoy his friends Empress Honey Carolina of Los Angeles, Emperor Craig Bowman de San Fernando Valley, Mr. Ray Smith of Oceanside, the Imperial Queen Mother of Los Angeles, and many many others, our own Mama Peck.

I join with these and many many more of your friends in saying "Thank you, Michael Carangi" for what you have done for the Sex Shop community and for what you shall continue to do. It will always be a pleasure to see you with us as we support your successor, H.I.M. Hector, during the year of his reign. See you then and.....

See you in the Sex Shop
