urges passage of Prop. T.

Rev. Ray Broshears  
supports Prop. "T".

## TUESDAY ~ VOTE!

FIFTY-ONE THOUSAND GAYS EXPECTED TO VOTE ON TUESDAY.....GAY VOTE CAN CHANGE "FACE" OF SAN FRANCISCO FOREVER!

Ballot Proposition "T", District Election of the Board of Supervisors favored by narrow margin.....if gay vote holds together.

Harvey Milk, Mayor George Moscone, and Rev. Ray Broshears are in agreement with one another for first time, that Prop. T, must be passed if San Francisco is to have a representative government. Amongst those gay groups which have endorsed the passage of T, are, the GAY VOTERS LEAGUE.....TRUMAN DEMOCRATIC CLUB.....TOKLAS DEMOCRATIC CLUB, and the GAY LIBERATION ALLIANCE (GLA).

Passage of Proposition T is not a sure thing, as the "downtown" crowd is spending thousands to defeat it. Please vote "YES" on November 2nd, is the word from Milk, Moscone and Broshears!

## NEWS~ PEOPLE~ ETC

**SAN FRANCISCO: "FOLSOM BARRACKS BURNS!"**  
The Folsom Street Barracks was gutted by fire, late Saturday night, October 23rd.

The four alarm fire was brought under control after it completely gutted the three-story structure.

A Fireman and a Policeman were both slightly injured in the blaze, which caused an estimated \$175,000 damage. The cause of the fire is under investigation.

**SAN DIEGO: "GAY ROYALTY ENDORSES FORD!"**  
In one of the more humorous events of this political campaign, the I.C.C. which purports to represent the "royalty" of San Diego, announced that Gerald Ford is their choice for President. Grief! Let them eat cake, I guess!

**SAN FRANCISCO: "POLK STREET TO BE CLOSED ON HALLOWEEN NIGHT".....**

Polk Street, from Post to Washington will be closed to traffic on Halloween night, Sunday October 31st, to allow the Halloween revelers to "live it up!"

Roy Harnetaux of the \*P.S. reports that they had a last minute battle with the MUNI which opposed the closing of the street to Post Street, but the Polk Street Merchant group won out.

**SAN FRANCISCO: "PICKET OF 8TH STREET BATH HOUSE DRAWS 75 - 100 PICKETS ACCORDING TO SFPD".....**

A highly touted picket of the 8th Street Club Baths was not the success it's organizers thought it would be. They even gave away food and drink to draw people to the picket line, but only 75 to 100 people showed up, that according SFPD Officer Ray Carlson of the Community Relations Unit. He did say that it was a well constructed picket, but that there could not have been more than 75 to 100 people present. The Bath manager said business was off about 10% only.

**SAN LUIS OBISPO: "JIMMY CARTER'S NEPHEW IS IN CMC-SAN LUIS OBISPO".....**

William Carter Spann, Willie Spann is in the California Men's Colony in this small coastal city. Spann recently told a reporter at the BAY GUARDIAN, that he had robbed more gay bars than just the MINT.....he also robbed the \*P.S., RED LANTERN, and the GRUBSTAKE!

**SAN FRANCISCO: "BEAUX ARTS BALL A FLOP".....**Compared to history making past Balls, the one held at the rinky dink warehouse on Kansas Street, it was a big flop, with fewest amount of gays attending since the first one. Poor seating, thimbles for glasses, etc., were the complaints.

B.J. Beckwith

Service system has too many people in it who shouldn't be working for the City, State, etc., but they cannot be fired, regardless of how incompetent they are, and this is what passage of Prop. G would do to the District Attorney's Office as well as the others mentioned. Famed gay trial lawyer, B.J. Beckwith, president of the Truman Democratic Club told us that he is opposed to Proposition G, because....."Making deputy District Attorneys a Civil Service position would tie the hand of the District Attorney in making appointments and in the dismissal of "deadwood", for the day will come when we shall have a Gay person as District Attorney, and he will want to fire this "deadwood" from the District Attorney's office!" In addition to Beckwith, Community College Board vice-President, John Riordan is also apposed to the passage of Proposition G. The GAY CRUSADER and the GLA (Gay Liberation Alliance) are very much opposed to creating any more Civil Service positions, particularly in this vital area.

## VOTE NO ON "G!"

Proposition "G"....."Shall attorneys appointed by the City Attorney, District Attorney, Public Defender or Public Administrator, with certain exceptions, be subject to removal only for cause, after three years of continuous service?"

The ballot Prop. G, is one which would create a huge bureaucracy in the Office of the District Attorney and Public Defender as well. And, it is not in the best interests of a representative peoples government, for these posts to be "locked in" to Civil Service, for as many gay people know, the Civil

## CORPORATIONS BUY?? TUNNEY.....BARB SEZ "YES!"

"TUNNEY SELLS OUT"....."SENATE RACE A SHAM".....HEADLINES BERKELEY BARB.

The BERKELEY BARB longtime radical leftist publication, has come out against the re-election of John Tunney. Claiming that Tunney is "the same brand of corporate politics...disguised under a sugar-coating of liberal rhetoric!" "Tunney has emerged as the candidate of the powerful oil, aerospace and entertainment industries of the State's southland!" The BARB told how Tunney introduced and helped to pass legislation cutting royalties to song writers and publishers by the record companies, from three cents per song, to 1.5 cents. This gave the recording industry at least 25 million dollars more a year in profits, while the hard working song writer is "shafted". The record company executives gave Tunney \$38,000 for his campaign in gratitude for his services rendered to them. Lew Wasserman, of MCA (Music Corporation of America), sent out a letter urging support for Tunney in his race against Tom Hayden in the primary.

**GAS BILLS TO GO UP...THANKS TO TUNNEY!** Tunney "flip-flopped" in favor of the oil and gas industry last April, when he came out in favor of deregulation of natural gas prices, which was a complete reversal from his past stands.. Since his "flip-flop", Tunney has received \$6,000 from oil and gas company executives. According to the BARB, and documented, this was the beginning, for Tunney then reversed his stand against off-shore drilling for oil off Santa Barbara, site of the massive Union Oil Spill. He is now in favor of off-shore drilling. And shortly thereafter, Atlantic-Richfield Corporation came out in support of Tunney, along with \$10,000 of reward money. Tunney also voted to bail Lockheed Aircraft out of financial trouble to the tune of \$250 million, at the tax payer's expense.

## Ex Cathedra by Raymond Broshears

ELECTION DAY '76.....200 Years ago, this nation had a revolution, and now we are about to have another one, but this time it will be without guns, violence, etc. This one is being conducted at the ballot box, and here in San Francisco.

Proposition T.....District Election of Supervisors is a most "revolutionary act", at least in the eyes of Supervisor Terry Francois, Dorothy Von Beroldigen, John Barbagelata, John Molinari and Peter Tamaras. These folks will try and move heaven and hell before election day to try and stop the passage of Prop. T. Prop. T means that government is going back to the neighborhoods where it belongs, and means the end of their "kingdoms", that their "free ride" is over and the people of San Francisco will "rule" San Francisco and not the big money people of downtown San Francisco. Prop. T could bring about the election of two gays as Supervisors, and that would be a step forward. So, on Tuesday, go to the ole Polls and pull that lever down on T for yes, and you will be a part of the non-violent revolution, which will change the face of San Francisco forever!

THE MISSING ASSEMBLY CANDIDATE.....Arthur C. Agnos defeated Harvey Milk for the Democratic Nomination for the 16th Assembly seat, and since then, he has been invisible to the gay community. He ignored the Gay Voters League candidates night.....he ignored the GLA screening committee meeting also.....so it is all too obvious to this columnist, that Art Agnos, despite the so-called Democratic leaders like Foster and Cramer say, does not care about gays except when the votes are to be counted.

He, like his boss, Assemblyman Leo McCarthy is quite contemptuous of gay people. They, McCarthy and Art Agnos have ripped us off.....they got the gays to split against one of their own, a highly competent candidate, Harvey Milk, and now that they are in with the nomination, they are relaxing. I would urge all gay people who supported Harvey Milk in the primary, to vote for DWIGHT TRIPP for the 16th Assembly District seat.

DWIGHT TRIPP is a very personable man, who is the current chairperson of the Republican Central Committee here in San Francisco, and he is all for gay rights. More so than Art Agnos could ever be. Agnos, when in the company of gays, appears to be uncomfortable, to be a bit nervous, edgy, like he is afraid that someone will reach and grope him.....ugh!.....who would want to! But, be that as it may, a vote for DWIGHT TRIPP, is

a vote against apathy and that is what Art Agnos and Leo McCarthy stand for.

So, Tuesday, November 2nd, do yourself and the gay community a favor, by voting for DWIGHT TRIPP for 16th Assembly seat!

UNIONS AND GAYS.....This is a "hot" one! Gays have never been "acceptable" to the unions until recently. Now, with their power waning all over here in the City, they are seeking new revenue and new political power, so the AFL-CIO Local 2 and the Central Labor Council have made an agreement of sorts with the BAGL people. It is a union that is sure to mean trouble for the gay community. This writer has fought the big unions for years and will continue to do so.

Unfortunately, while I realize that some sort of union is badly needed in the gay business community, the gay business community will not accept a gay union (Gay Workers of America).....the GWA is just now forming, and could be the answer to the the working gay's dream. The couch-casting employment trip still goes on in the gay business community.....that means having sex with another employee, manager or owner, in order to acquire or keep your job. That is disgusting!

So, what is the answer???? the GWA. At least the GWA will not rip the owners off like the AFL-CIO will. But the small bar woners, the "red-necks" of the gay business community recently fought even the GWA. A sick sick thing for them to do, a move which only helped the AFL-CIO unionizing efforts. There will be more on this in the next issue of the GAY CRUSADER. As well there will be alot on the Tavern Guild.

## Marin Gay Vote....

Marin County gays are urged by those in the know, to get out the vote on November 2nd, as a very good friend to the gay people of California is in an up-hill battle to win his bid for re-election.

Assemblyman Michael Wornum is facing a tough Republican foe, and this time, the leftist Peace and Freedom Party has placed a candidate in the race, which will only pull votes from Wornum.

Wornum stood up for gays when the foe's of gay liberation gathered in Sacramento to try and kill the passage of the Brown bill. And then, on the Foran equal employment and housing bill, for gay people. Assemblyman Michael Wornum of Marin County was right in there, lobbying the best any could do, to try and save the Foran legislation, and he voted yes, on that legislation.

Marin County gays are urged to tell their friends and neighbors to vote for Michael Wornum on November 2nd!!!

## Broshears Campaign Endorsement List Grows!

With November 2nd just hours away, the campaign of the challenger for the Governing Board of the Community College District, has been gaining rapidly in strength. Rev. Ray Broshears, who has the best managed campaign of all of the nine candidates for the four positions open on the College Board, is gaining even more endorsements. Broshears's campaign is headed up by criminal trial lawyer Sal C. Balistreri, who ran for Judge in 1971 and narrowly lost. Balistreri's wife, and the campaign coordinator, Phyllis Balistreri, announced on Monday, that the Spanish language newspaper, EL DARIO had endorsed Ray Broshears, and that the chairperson of the Republican County Central Committee, Dwight Tripp had also endorsed Broshears.

Late last week, former candidate for the Board of Supervisors, and community leader in the Bayview-Hunters Point area, Espanola Jackson, had also endorsed Ray. Add these important endorsements to those already gathered.....Native American Labor Advisory Council; the San Francisco Federated Young Democrats; Senior Citizens Advisory Committee on Education; Gay Voters League of San Francisco; Harry S Truman Democratic Club; Gay Teachers Caucus and the Gay liberation Alliance.

Amongst those individual supporters are; Harvey Milk; Scott Smith; former SFPD Sgt. Elliott Blackstone, the "cop to the gay community"; Joseph Manzella, attorney; Sydney Tanner, attorney; Mrs. Joan Hitchcock, campaign chairperson; Mrs. Elenor Cragen; Colin Hoey; Chuck Bayles; Hector Navarro Caceres; Jim Ward; Tony DeSetti; Phillip Prince; Tosh Zamora; Michael Delaney; Jack Morgan, attorney and former candidate for Judge; Terrence Faulkner; Tom Smith, president of the Ingleside Neighborhood Association; Eugene "Gene" Prat, former candidate for Sheriff; Elisa Rleigh; Dixon; Cliff Newman; Bud "B" Crosse; Melvin "Melvina" Gray; Alan French, former Congressional candidate; John Farrell, City Controller; Al Alvarez; Jane Burke, production manager; Bill Tomasek; Dino; Bob Reed; Jim Poche; Larry Olson; G. Marcus Hernandez; Peter Decker, Jr.; and many many more!

## Laborman Lashes & Spews at Tavern Guilders

An angry labor man-organizer, Howard Wallace, former Socialist Workers Party (Communist) candidate for Supervisor, and one of the founders of BAGL (Bay Area Area Gay Lib), made an appearance at the Tavern Guild meeting October 26th, and he went into a fury, spewing forth untrue charges, when TG President, Lenny Mollet would not allow him to speak, as he was not on the agenda.

Wallace, who recently went thru some type of mutual support-arrangement with the AFL-CIO Central Labor Council, charged that the TG was funding Rev. Ray Broshears, and a myriad of other wild charges. (Broshears, director of Helping Hands Services, formerly the Helping Hands Center, received a grand total of but \$31.00 in eight years since he founded Helping Hands, from the Tavern Guild (TG), as the TG Board Members are not very generous to worthy charities!)

Wallace has made no secret about his desires to see all gay bars in the city organized, being brought into the AFL-CIO. This is a move opposed by both Tavern Guild and Broshears, but for different reasons. If it is any comfort to laborman Wallace, many of the TG member bars will not allow Broshears to speak either.

Broshears has charged that TG has not dealt fairly in several areas, with the public as well as employees!

## HAYAKAWA TOPS GAY POLL

Despite a "smear" campaign by the Alice B. Toklas Memorial Democratic Club, the former president of SF State, and now candidate for the U.S. Senate, the fiery Dr. S.I. Hayakawa has been gaining in support from registered gay voters.

Hayakawa, a poll taken recently showed that Tunney was not trusted by 73% of the gays polled, and this was due mainly to his "playboy" attitude, and his big business tie-ins! Tunney was one of the original supporters of S.B.1 !!!

### CONCERNED GAY VOTERS

#### DON'T BE A PAWN OF THE GAY POWER BROKERS !!

An up-front gay person has never been elected to any public office in California. Why? Because the "gay power brokers" and self proclaimed "gay leaders" have sabotaged every gay candidate by encouraging gays to vote for straight candidates, and they're at it again.

RAY BROSHEARS, an up-front gay activist, who has paid his dues to the gay community, is a candidate for the Community College Board.

Ray is a viable candidate, a fiscal conservative and has a hell of alot of guts.

He is getting good support throughout the city, but . . . . the good old "gay power brokers" are trying to sabotage him, just as they did gay candidate Harvey Milk.

If it is good to vote for a straight person who allegedly is sympathetic to gay causes, they I say that it is even better for gays to vote for a gay candidate. How many gay voters in the United States will have the opportunity to vote for an openly gay candidate? You have that opportunity. Don't miss it. Vote for Ray Broshears for Community College Board. He can win with your help.

## D.A.'s Office to Crackdown on Landlord's Practices!

David Moon of the District Attorney's Office, said that the poor, elderly and infirmed tenants of subjected to illegal

War has been declared on those landlords who use illegal methods to evict tenants or seize their belongs.

Deputy District Attorney David Moon said that it is a misdemeanor to use force or violence to evict a tenant or to seize his or her possessions without a court order.

Moon stated that the elderly, the poor, and the infirmed are subjected to such practices. Moon made it clear that the D.A.'s Office will prosecute when complaints are made to that Office about any further evictions that are not done thru the judiciary system.

The GAY CRUSADER inquired about some of the complaints signed in the past, which prompted this crackdown by the D.A., and on that list, we saw some of the so-called "Gay Hotels".....several of which we have had complaints on. Complaints of guns being used to evict tenants were noted, and the District Attorney's Office made it clear that this is a felony, regardless of whether or not the person was a "rent-a-cop" or what, for you cannot evict anyone illegally, you must gain a court order to do so, if the person(s) refuse to leave when asked to do so.

## Working For GAY Broshears' Victory, Nov. 2!

Pictured here at the left, is the famous Leonore Cautrelle, along with College Board candidate, Ray Broshears, speaking with another supporter, John Farrell. The below, is Leonore, a friend from Marin who is a Realtor, and Norman O'Neil, another supporter Rev. Ray Broshears.....these pictures were taken at another function for candidate Broshears. November 2nd is just a few days away, and mostall the political pundits are predicting victory on November 2nd for Broshears, who would be the first gay person ever elected in this State.

During the last few days before the election, candidate Broshears is asking anyone and everyone to join in passing out literature, telephoning, "get out the vote", and speaking for him.

Leonore Cautrelle passed out nearly a thousand pieces of literature to registered San Francisco voters within a couple of days recently.

If you wish to help out, or contribute any funds, please contact the Broshears for Community College Board Committee, at either 777-9990 (ask for Phyllis), or call 673-8184. Your help can put Ray over the top, and elect a gay person to public office.

# GAY CRUSADER "HAYAKAWA," FRIEND of GAYS!

by BRUCE GRAVES.

Recently, I had the good fortune to be in the right place at the right time, and had the opportunity to speak with S.I. Hayakawa, candidate for the United State Senate.

Making it clear to him that I was a gay person, I questioned him on civil liberties, and after a most enjoyable interview, I can say this, that the gay people of California would have no better friend in Washington, than Dr. S.I. Hayakawa.

He clarified a statement which has been circulated about him, emanating from the Advocate publication, and he said that he did say that, but it was out of context and that, he, like Jimmy Carter does not approve of homosexuality. But, that he would be the first to stand up against anyone who would persecute gay people merely because of their sexuality. He says, as Jimmy Carter and Jerry Ford, that he considers homosexuality an "abomination", but that gay people are entitled to all the protections provided any other American citizen.

His wit and candor enthralled me for the length of the interview, and I left, determined to see to it that he was elected to the U.S. Senate on November 2nd, and that I would enlighten my gay sisters and brothers to the truth about Dr. S.I. Hayakawa, that he is indeed NOT a foe of gay people, but a friend to all people, a real civil libertarian. No one can say the same about his "playboy" opponent! Bruce Graves.

I WILL NOT TOLERATE ANYONE BEING PERSECUTED OR HARASSED MERELY BECAUSE OF THEIR SEXUALITY

Broshears' latest supporters!

Rev. Broshears. She noted that Rev. Broshears led a demonstration at Hunters Point in 1968 when three black workers died due to the carelessness of the owners of a tannery. She cited his daring and compassion for black peoples, and for the elderly people of San Francisco. Both she and Prat expressed their belief that Broshears would win!

Gene Prat, well-known San Francisco educator, and a member of the special citizens committee of the Board of Education, has endorsed the bid of Rev. Raymond Broshears, for the Community College Board. Prat, who ran for Sheriff last year, said that he felt that Broshears would bring an openness to the College Board lacking before and fiscal responsibility.

Mrs. Espanola Jackson, well known Bayview Hunters Point community organizer, and a former candidate for Supervisor, has also endorsed the Rev. Broshears.

Mrs. Jackson joins others black community leaders such as Tom Smith of the Ingleside Neighborhood Association in supporting Rev. Broshears. Mrs. Jackson cites the years of work together with Rev. Broshears in the old War On Poverty Program, as a very good reason for her support of
