CRIME PLAGUES CITY! RECALL OF D.A. FRIETAS IS DEMANDED!

145 MURDERS A RECORD...

District Attorney Joseph Frietas faces a possible recall election, as the residents of the City, fearing for their lives, with an all-time crime wave, blamed on the D.A., because of his "open city" speech when he began his term of office in early 1976. As a result of his speech, prostitutes and pimps and drug pushers flocked to San Francisco, as Frietas let it be known he wouldn't prosecute them.

Several concerned citizens met recently to begin a recall petition drive to hold a recall election of the ineffective District Attorney.

At a recent meeting of the Polk-Nob Hill Neighborhood Association, a committee for the recall of Joseph Frietas was formed, and Dwight Tripp was named acting chairperson of the committee. The committee plans to have recall petitions on the street by mid-January 1977.

RODNEY WILLIAMS FIRED!!

DIRECTOR OF POLICE COMMUNITY RELATIONS UNIT OUSTED BY GAIN!

Rodney Williams, strong defender of gay rights in San Francisco, was ousted without any explanation by Chief of Police Charles Gain. The Office of the Mayor expressed surprise at the change, lending speculation that Gain may be fired soon!

GAY POLITICOS RECEIVE JOBS AS "REWARDS"?

Several gays who are well known as political "hacks" in the Alice B. Toklas Memorial Democratic Club, have employment at the taxpayer's expense now....all positions are "appointive" posts.

James M. Foster now works for the Mayor's Criminal Justice Council....

Frank Fitch works in the Pre-Trial Diversion Program.....

George Raya, ousted lobbyist, works as an "investigator" for the D.A....

Jo Daly works in some undefined capacity for the Human Rights Commission....and her friend Duke Smith works for Senator Milton Marks.

Another associate of these five, Earl G. "Rick" Stokes sets as a member of the Board of Permit Appeals by appointment also.

These six have been a part of the oft times referred to group known as the "Goodstein Machine" (David B. Goodstein, owner of the Advocate, and bankroller of the Toklas Club originally).

The Office of Mayor George Moscone denies they received their appointments as any part of a "pay-off" for their support of he and his group, but did admit that his administration has not hired any persons who are "lukewarm" or critics of his administration.

And now, Stokes is reportedly going to seek the post of Supervisor, in a race against popular gay activist and community organizer, Harvey Milk, a critic of Mayor Moscone in the heavily gay 5th District.

Stokes, an owner of three bath houses, and part-owner of one in San Francisco, was criticized recently for his failure to vote on the expansion of another bath house, which lost their appeal before Stoke's body. Stokes refused to vote on the matter.

"GAY" CENTER A 'WHITE ELEPHANT' DEAL!

330 GROVE STREET A "POOR DEAL" AT BEST.....GROWING OPPOSITION TO HARDMAN REAL ESTATE VENTURE!

There is growing opposition to the Grove Street venture of Paul D. Hardman of the Pride Foundation and the California Committee for Equal Rights Committee.

330 Grove Street was once the headquarters of the old CHF (Committee for Homosexual Freedom) headed up by Leo Laurence, and it later came under the old GLF (Gay Liberation Front) headed up by Bishop Michael Itkin, and lastly by a gay theatre group headed up by Keith O. St. Claire.

Yes, 330 Grove Street was a gay center once and it just didn't work. The neighborhood is one of the most unsafe in San Francisco at night.....and the building itself, is a "white elephant"!

No realtor would touch it, and it still belongs to the SF Redevelopment Agency and Paul Hardman and gang only have a ONE YEAR LEASE. Why put money into a building the city can and will take

back in the near future. Hardman of course, hopes to force the City to give it to them, ala the International Hotel, thus giving the gays of San Francisco a "blackeye" at a period of time we scarce can afford it, with the gay-backlash growing here and nationally.

Hardman has not been quite clear on many things, like for instance, it is reported that the State of California Elevator Inspectors have said it will cost \$25,000 to bring the elevator up to safety standards for passengers, and with four floors you need an elevator, and one that is completely safe.

And with a year to year lease trip, it is foolish to invest any money in a building that is slated to be torn down as a part of the Performing Arts Center in the near future.

An investigation into just how the building was obtained leaves many questions to be asked.

Let us hope that Tavern Guild will have the good sense to not invest any money in it. Let "emperor" Cramer and Hardman have the place but keep out until it is safe....in more ways than one! Investigate!!!!

GAY CRUSADER

REPUBLICAN PARTY COMEBACK..... THANKS TO SENATOR-ELECT HAYAKAWA!

California United States Senator-elect S.I. Hayakawa is the catalyst for change in the Republican Party. In a recent televised statement, Hayakawa made it very clear that the Republican Party must not become a party of extremes, that it must have room in it for all segments of political dogmas...conservative...liberals...moderates...and "others"!

This challenges Ronald Reagan's attempt to take control of the GOP.....so, the Republican State Convention in Sacramento, on the 12th and 13th of February will be a wild event, for it was expected that the Reagan forces would be in full control, but with Hayakawa's statement.....it opens the convention to new horizons.

By the way, as the first gay Republican State Central-committeeman (there has never been a Democratic gay state central committeeman/woman), I will soon have two appointments to make, one alternate and one associate.

The GOP is changing, and it is taking on new ideas and new people. It is the oldest political party in America, and it will survive the lies and distortions of the liberals and bleeding hearts of the Democratic Party, which is the party of war, of corruption (Mayor Daley, etc.) and the Republican Party is a political party which has strongly opposed the forces of communism, which is more than the Democrats have done.....having given them all of eastern Europe with the stroke of a pen, thusly enslaving millions of people.

The future of gay political power lies in the Republican Party. The Democrats were tolerant of gays, but our future lies with the only political party which is for America first!

THE NEW YEAR is here.....and what a zinger 1976 was for this person.....ran for public office and received all those lovely 22,247 votes, which is more than any gay person in California can say, outside of two others. So, I do indeed speak for 22,247 people now darlings!!! Wow, from founder of the Truman Democratic Club to the Republican Party.....my original Party. That shocked a lot of people.

Met lotta wonderful people in 1976.....proved that San Francisco can be a good place to live, despite all the crime and hate found here.

It is a shame tho that not all the good candidates won political office this year, like Dwight Tripp and Joan Hukari. They would have made some changes in Sacramento, that's for sure. And of course Harvey Milk.....he would have been the first gay elected in California, except for the fact that the plastic fags ganged up on him.....and elected the plastic Art Agnos, who was single all of his life until just before time to run for office, despite the lies written by George Mendenbells of bitch BAR.

1976 found the Helping Hands Center closing down.....hoooray, for it has been a blessing for me not having to spend 18 hours a day working my rear-end off and getting nothing but alot of lies and slander thrown at me for working for the community by the vicious bitchy bar-queens and the radical left.

1976 found the GAY CRUSADER on a regular schedule instead once in a while. This paper is the real voice of the gay people of San Francisco.....but of course the vile bitchy bar-queens would never agree, for we won't tell the lies they want, and all that krap about royalty, etc. Classism.....most faggots don't even know the meaning of the word.....and we do intend to keep on working to end it as well as racism and ageism. Yes, the CRUSADER must truly be the voice of the gay John & Jane Q. Average Citizen.....for the bitchy bar-queens and pill freaks hate us with a passion.....being so consumed with self-guilt and jealousy.

1977 is going to be a year of great changes.....and I pray it will be the year of the "great revival" when all of America returns to God and Christ. And I pray daily that the homosexuals who have been unable to love others, because they cannot love themselves, will be able to find Christ as their personal saviour.

And, spiritual help will be greatly needed, for 1977 will be a trying year for all, but with God's help, we can overcome all difficulties.

It would be such a wonderful thing if we would find our churches filled everyday and not just once a week. Why don't you make a new year resolution to yourself and to Christ, that you will change for the better!!!!

ANOTHER S&M SLAYING.....HUSTLERS???? YES!

A nice man who lived on Ellis Street was beaten to death on December 12th. Who did it?.....chances are 90% that it was a hustler. One off the Market & Mason streets "meat-meet-rack" in front of Flagg Brothers shoe store, and the Old Crow bar. Recent weeks have proven to this reporter via police reports and eyewitness reports and interviews, that the most vicious kind of sick hustlers saturate the area now. Very few of the hustlers are just nice guys out for a nice time and to pick up a few dollars.

For drugs is the main scene. They need money to support their habits. So, they have even banded together to rob, beat and now kill their unsuspecting victims. And, a group of old-time queens are in some way responsible.....as they refuse to help police in any way. They will not report those whom they know to be a part of the robberies, beatings, drugs, and now murder.....these elderly and aging queens set about almost everyday on those marble slabs they call "bus benches" in front of Flagg Brothers and the Old Crow.....some know that even their "number" might come up at any time, and they will be killed, robbed, etc. Yet, there they set, chattering like abunch of little ole ladies at a tea party, cruising the guys as they go by, and caring not about the murdered man.

CHIEF CHARLES GAIN TO RESIGN.....remember, you read it here first. Shortly after he completes his 1st and very stormy year as Chief of Police of the SFPD, it has been learned that he will "retire"! Rumors are rampant that he will be replaced by the personal choice of Archbishop Joseph McGucken. His Emence is not too pleased with the drastic increase in the crime rate, either.

FRIETAS MYSTERY.....A NEW ONE.....INVOLVES A MISSING CITATION GIVEN AT A "tea-room" BUST IN GOLDEN GATE PARK.....It takes two people to have an act of mutual masturbation.....right? Well, it now appears that one of two people arrested at the 41st & JFK Drive restroom is a political figure.....at the Federal level.....and mysteriously, his "record" was pulled by someone.....and the other person, an average gay citizen, was prosecuted, while the "friend" of certain politico's, went free. That is not justice.....but, it sounds like "Frietas justice"! The Federal government is making an investigation into the matter! And to think that Frietas hoped to be the Attorney General of California.....dear chile, you can't hold a "candle" to Evell J. Younger, particularly in the integrity department.....and in keeping promises!!! Why did you hire George Raya? And did the accounts he had at Sacto State ever get settled? Just asking Joe!

SUPERVISORS RACE.....Andrew Bettancourt has tossed his derby into the 5th District abusive Supervisor race.....gads.....Milk, Fernandez, Stokes, Edwards, and Hallinan. Very interesting!

TREASURERS RACE.....Rumor has it that Paul Hardman of the 330 Grove Street infamy, is interested in seeking that post.....gads, call out the militia, call out the queen's guards, and quick.

CAROL RUTH SILVER.....the woman who lives at an address in the Mission district, signed a notice of intent to run for Supervisor in the 4th district, which is north of Market, and she used her 261 Franklin office address.....hmmm, looks like some thing just might be illegal, at least morally! She teaches at a Roman Catholic college part time, rumor has it!

GAY INFORMATION SWITCHBOARD of the Helping Hands Services.....to those who call, making demands.....please remember, this is strictly a volunteer trip, so why not try and be alot nicer. It is really low to treat those who volunteer to work the phones, the ways, some of the drunks do, who call in.....remember, the Gay Info-Switchboard is sponsored by four people.....not the gay "community", so demands are ignored.....requests are listened to! Gay Info Switchboard of Helping Hands Services is.....771-3366. Oh yes, we only recommend those gay businesses we feel are truly serving the gays of our city the best.....so many gay businesses are NOT even mentioned! We remember those who remember their fellowman/woman!

RAIN.....We have some rain now, but let us all pray for more rain. God gave us a beautiful northern California but unfortunately, mankind has not been too kind to the earth! Let us all give thanks to the Creator for the Wonderful EARTH, and let us treat our enviroment a great deal better.

So, pray for rain, and keep on praying.....you might find you'll like it.....for all positive prayers, prayers of love and compassion are answered.....if you believe.

1977.....let us all work and pray to make it a better year, and let us pray for our beloved new President.....Jimmy Carter, and Senator S.I. Hayakawa, that they will be given the strength, courage and faith, to perform their duties, and help lead our nation positively. Also, we would ask your prayers for all those who are sick and afflicted.....and that our fellowman/woman in 1977, will learn to be alot kinder to one another than they were in 1976. Compassion and justice is right on.....and remember, as I have said so many times.....a man never stood so tall, as when they stooped to help another!

God bless and love you all! Rev. RAY

SENATOR S.I. HAYAKAWA SHAKING UP THE OLE WASHINGTON SNOBS WITH HIS HONESTY

Senator Hayakawa has already begun shaking things in Washington DC, where alot of shaking needs to be done. California's freshman Senator has by his recent statements, upset the trend, and let it be known that the Republican Party must not be a "conservative" party, but a party which allows for all points of view.

Some Washington insiders look at this as a challenge to Ronald Reagan.

GAYS APPOINTED TO DEMOCRATIC STATE CENTRAL COMMITTEE.....

U.S. Congressman Edward R. Roybal, Democrat, (25 CD in southern California, announced his appointment of Clayton Wells, gay activist with the Stonewall Democratic Club, to the State Central Committee of the Democratic Party.

FELLOWSHIP OF CHRISTIAN OFFICERS HOLD MEETING.....The anti-Gay SF Police Officer group held their meeting recently, with the opening prayer being given by Jim Crowley of the Sex Crimes Detail. Crowley is the cop who made local news which denouncement of homosexuals, blaming the woes of the city upon gays.

Other SFPD Officers at the meeting as reported in the SF Policeman.....newspaper of the Police Officers Association, were.....Don Bocci.....Jim Higgins.....Pat Robinson.....Ed Erdelatz (Homocide Unit).....Andrew Kristensen.

They showed a film called, "Barrett" (A Cop Who Cares ..dealing with the Christian outreach of peace/police officers.

Crowley and Higgins appeared on Channel 20 KEMO recently (11/18/76)

GERRY PARKER, II, APPOINTED TO PARTY POST BY STATE SENATOR SONG.....Parker, aide to the Senator from Monterey Park California, and a former legislator in New Hampshire, was appointed as a Member of the Democratic State Central Committee.

The appointment of Parker, along with the Wells appointment, gives the Democratic Party two gay activists in their policy making body which meets in January.

RADICAL RIGHT WING GUN CACHE IN LOS ANGELES REVEALED ANTI-HOMOSEXUAL LEAFLETS CALLING FOR THE DEATH OF GAYS.....A recent arms discovery in southern California, turned up leaflets calling for the execution and/or imprisonment of all gay people.

The group, which is being linked to the San Diego Minuteman group, which many had thought to be defunct, described the "habits" of gays, etc., and how to "trap" them, and to "use them for medical experimentation".

The late Wesley Swift, a radical right-wing Democrat, is believed to have stored the weapons and literature as a depot for the radical right-wing Minutemen group. The Minuteman began in Narbonne Missouri several years ago, and their hate spread to California.

There was a group of the radical Minutemen near the Mount Shasta area, as late as two years ago.

Gay investigators are trying to tie the Minutemen group to several police officers in various departments

A GREAT MAN HAS PASSED OVER.....
MAYOR RICHARD DALEY OF CHICAGO, DEAD!

The "boss" the man a n entire city loved and looked to as a father-figure, passed away December 20th.

The powerful Mayor kept Chicago out of the troubles that other big cities are now experiencing.

He did it by his manipulation of the structure of the city.

While he was not always in the good graces of the national Democratic Party, he held power absolute in Cook County (Chicago). While San Francisco, New York, and other cities find big business fleeing their towns, they were flocking to Chicago, and all because of one man, Richard Daley, Mayor of Chicago.

A truly great man, whose passing leave a tremendous vacuum in the Democratic Party, so much so, that it will have national repercussions. An end of an era.

GAY CRUSADER

EXCLUSIVE

EXCLUSIVE INTERVIEW.....

NWLF (New World Liberation Front) INTERVIEWED BY CRUSADER REPORTER, CARI CAVALLI.

Cari Cavalli, GAY CRUSADER reporter obtained an interview with the NWLF's KIT BOWDEN. Cari found him at the headquarters of the above ground information center of the NWLF on Oak Street.

The interview proved to those of us here on the CRUSADER staff and in the GLA, that the NWLF is dangerous, and that they should be treated as the enemy of all poor people, as their newsletter indicated, they do not know who is the cause of the problems which confront society, and by their terrorist tactics, such as bombings, and the attempt to bomb the home of Dianne Feinstein.

They are out of touch with reality.....the stupid statement called....."Vultures of the Poor", a very rambling statement about conditions as they want to see them in the County Jail, are false.

To try and place the blame for these conditions upon any Member of the Board of Supervisors is a most serious error.....we wonder why they did not place them upon the voters who cry for cut-backs in spending, at the cost of lives when their are not enough police to go around.....why not blame all San Franciscans??? And, why did they not blame Sheriff Hongisto, who is spending so much time politicking that he doesn't keep up on the real problems of the jails?

Yes, the booklet called TUG (The Urban Gurilla) with it's diagrams telling people how to make bombs, is the most outrageous piece of literature yet.....they make a flat out statement that all homosexuals are middle-class, and that is why there are homosexuals.....stupid, just plain stupid.

Here now.....is the interview that Cari Cavalli, our courageous reporter had in their headquarters, and who confessed to this writer, that he was indeed quite scared doing the interview. But, he knew that we as gay people, had to know what they NWLF felt about gays.

CARI: Why was there a bomb at Supervisor Dianne Feinstein's home?

NWLF: Because health care at the County Jail isn't sufficient. People who have been arrested, needed special medication. The "doctors" would not give the inmates what they needed for their health. The food that is served isn't proper nourishment for humans.

CARI: Who is Jacques Rogiers?

NWLF: He was the first person of the above ground organization to be subpoenaed for what the underground NWLF has done.

by Cari Cavalli

CARI: How long have you, Kit Bowden, belonged to the organization?

NWLF: About one year.

CARI: Do you have anything to do with what the underground does?

NWLF: No, we in the above ground group just publicize what the underground does.

CARI: What is your groups stand on homosexuals?

NWLF: The reactionary gay groups are harmful, because they fight for their own problems, not for all people. Homosexuality is a reactionary state. Homosexual behavior is a reaction to concrete society practices.

CARI: Do you feel gays are a threat to the NWLF?

NWLF: NO! (But Kit did classify homosexuals with alcoholism and heroin addiction, for he said that Society had turned stable people into unstable people.....meaning that homosexuals are unstable.

CARI: Do you feel gays will ever join with you in your fight?

NWLF: If gays would look at the reasons for their being homosexuals, they may eventually join us in our fight for poor people's rights.

end of interview.....

Cari stated that Kit stated during the interview, that the NWLF is a Maoist group.

In the pamphlet TUG, other items were found to be most interesting. As they distrust Tim Finley of KPX Channel 5.....and on him they are right, he cannot be trusted, and he does exploit people. The NWLF had a "death list" in the TUG, and it was most interesting as to who was on it.

Certainly, many of the views found in TUG and in the publication MAGNUS put out by members of Gay Action and BAGL are quite similar.....except when it comes to homosexuality.

The terrorist tactics proposed and now being used by the NWLF are just a leftist version of the tactics used by Hitler's "brownshirts" prior to World War II.

There are some homosexuals involved in terrorist actions in the nation, but very few.....and for them to advocate violence as does the NWLF, is counter-productive.....violence begets violence.

The GAY CRUSADER was told by the NWLF person Kit that we would receive communications from them in the future, but that they did consider us "dangerous".....so, the BAGL people, the Paul Hardman camp followers (Ross, Cramer, etc.) are in full agreement with the NWLF concerning us here at the GAY CRUSADER.....so that tells any thinking person, that the CRUSADER, the GLA and Helping Hands Community Services are, on the right track.

CHRISTMAS FOR ELDERLY Helping Hands

GAY CRUSADER

8th Annual Party.....

SGT' BLACKSTONE & OFFICER RAY CARLSON HELP RESCUE 8th ANNUAL Helping Hands Services SENIOR LUNCHEON & CHRISTMAS PARTY, WITH HELP OF KIMO, SOME TAVERN GUILD BOARD MEMBERS, AND MR' B!

The real golden 400 came through and the elderly folks on hand for the Luncheon Party enjoyed themselves, and no one was turned away and no one left without eating all they could, and each receiving a Christmas present, and much much thanks go to former San Francisco Police Sgt. Elliott Blackstone, and the man who followed him as the SFPD contact for the gay community, Officer Ray Carlson.

Overcoming great obstacles this year, unlike those ever faced before, the Old Folks Defense League project of Helping Hands Community Services (Orthodox Episcopal Church of God) held a really festive party and luncheon.

Donations came from Roy (Faye) of the *P.S., and the two wonderful cooks their Schatzi and Keith...as well as from the manager of the National Hotel-GRADY, the owner of the Club Frisco, the owner of the Fickle Fox, his 68 year old/young chef, Floyd Jackson (who will be 69 in January), KIMO Cochran himself and many many others.

Thank you each and everyone who helped and donated...and the special Board Members of the SFTG.

Forty-seven elderly women and men were on hand to enjoy the beautiful Christmas Party put together once again by Helping Hands. It was truly a festive affair. Randy Johnson the Motormouth of all time was on hand working his rear-end off, as was KIMO of stage, screen, and TV fame.

Maureen and her son were on hand to help serve and keep things lively, as were such others as Grady of the National and so many other happy young workers who all expressed great joy at being able to make Christmas alot brighter for all these wonderful elderly persons. Christmas gifts galore were handed out at the end of the function, and truly, each person left with a happy face.

Rev. Ray announced that the January monthly luncheon would not be held due to lack of funds, which have been experienced ever since certain loudmouths in the bar-queen-scene began their bad-mouthing of the lucheons founder and host, Rev. Ray, and all because he would not allow them to exploit the elderly for their "contests" and wear their disgusting "camp" drag to the lucheons.

Rev. Ray Broshears has been doing these lucheons for eight years now, and without any thought to his own health. This was my third luncheon to work with Rev. Ray, and all I can say is, that anyone who attacks all these good things he and his small but effective Helping Hands Community Services are doing, are just jealous petty people who should spend less time in the bars and more time in church. God bless you all! e.k.

Pictured, top left, is former SFPD Sgt. Elliott Blackstone hold a cake donated by Don Cavallo; a portion of the seniors n' gifts which were donated by Mr. B's Ballroom & Club Frisco. Center is Randy Johnson, the Rev. Ray & KIMO. Blackstone & Rev. Ray. Lower left is Peter tasting food; Robbie; Bob Evans & Pat hugs!

KIMO DAZZLES VETERANS

GAY CRUSADER

"CHRISTMAS WITH KIMO"...the 1976 Gay USO Show held at Ft. Miley U.S. Veterans Hospital on December 7th was the most spectacular of the shows yet held. This being the fifth one.

This year, the gay troupe, sponsored by the Helping Hands Community Services, was the only show put on for the hospitalized Veterans. Years ago, there was a waiting list of groups to entertain the veterans at the hospital, and now, only the gays through Helping Hands Services remembered.

The event was telecast live via Mini-Cam over Channel 5' News at 7:15 PM' The EXAMINER the next day carried a picture and story about the event.

Gifts for the Veterans this year were donated by the Tavern Guild via Vice-president Wayne Friday, and from Wayne himself.

The Cardinal Court of Flame also donated a good many of the gifts, which the Veterans all really appreciated. The attendance was 150 according to the EXAMINER and hospital officials who were on hand to enjoy the show.

The entire show was put together by KIMO, and with only one rehearsal held at the *P.S. Restaurant (thank you Roy!), the show was the most spectacular yet.

KIMO himself, with his knife dance, shattered the audience and this reporter, but he topped that when during his fire dance, he actually ate the fire, and later, appeared to have set himself afire. Amazing, absolutely amazing was the reaction from all in attendance.

Music was provided by Bob Sandner, star entertainer at the *P.S. Restaurant, who was joined by Ms. Jackie Jones and her drums, and her very popular, musical saw. Bob gave very freely of his time for both rehearsal and show.

Lee Raymond did his Snow White routine which just enthralled all present, and in particular, the children of the Vets who were also in the audience.

Lee later came back with the popular circus 2001 routine, which had a host of stars in it, beginning with Jerry Pruitt as the Aligator...Charlotte Palmer as the Hippo...Jim Broschat as the Dinosaur...Larry Saigns as the Chicken.

Phillip Price was on hand as was his other half Tony DeSetti helping with technical equipment.

And of course, never missing a Ft. Miley show given by the Helping Hands Community Services was the ever popular, Naomi.

Jerry Salazar, magician supreme dazzled the crowd with his feats of magic, assisted by Ellie Mae Leone.

The Chuck Largent group also appeared for a few numbers.

Musical director Bob Sandner made his first Ft. Miley appearance and all hope that it is just the beginning of many.

A spectacular newcomer to the Gay USO troupe of Helping Hands was Larry Cotton, who danced a number from the "Whiz", which was truly great. Larry is the lover of Don Berry (Buzzbys) and we hope to see him out there with us next year.

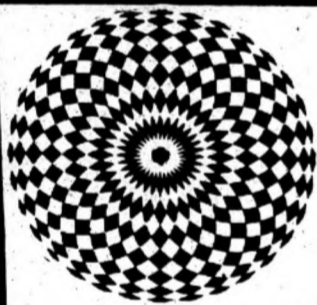

Harold, our stage coordinator helped keep things lively with his wit and humor, unmatched anywhere.

And of course, Lee Raymond, taking time out from his campaign to entertain the Veterans once again, was a big favorite.

KIMO was and is great, and his dedication to the Ft. Miley Veterans Show which Helping Hands has presented for five straight years, is really appreciated.

We cannot do enough for our Veterans who did so much for all of us. God bless them and our Gay USO troupe.

Pictured above top left are KIMO & Rev. Ray Broshears handing out gifts to Veterans as they left auditorium. Next is Jerry Pruitt & Lee Raymond (Snow White), and JOSE! Center left is lightman Tony DeSetti, and then drummer Jackie Jones; then Larry Cotton, dancer. Lower left is KIMO, next to him is Bob Sandner of the *PS and the KPIX Channel 5 Mini-Cam which telecast the show live at 7:15 News; and magician Jerry Salazar.

Hold-up! \$3,000 take!

\$3000 STOLEN FROM HOTEL MANAGER IN DARING DAYLIGHT HOLD-UP.....NEAR POLK STREET.

Tuesday, December 21st, at 8 AM, in the stairwell of the OTIS HOTEL on Sutter, between Polk and Larkin, Owen Grady, manager of the National Hotel on Market Street, was making the rounds of the hotels owned by the company he works for, picking up their receipts for deposit in the bank, when just after he entered into the Otis, a young man stepped out and told him to turn over the attaché case he was carrying. The man was armed, and Grady struggled with him, and then the young man said, as he put the gun to Grady's head, "Do you want it?!" and then he ceased struggling with the punk-sissy holdup man, and the punk holdup man fled, out the front door, onto Sutter, running eastward to Larkin, with Grady giving chase, and the punk holdup man turned east onto Post, and then fled southward at Hyde street, where the pursuing Grady lost him.

Later, a phone call came into the National Hotel where Grady works, and said, "the person who held you up went into the DENHAM HOTEL at 1075 Post Street!!!" The person who did not identify himself, described the hold-up punk exactly as Grady described him to the SF Police Department. A name was also given. The description of the hold-up punk is as follows..... he has light olive skin.....wearing a knitted "watchman's" cap, which is light tan.....a blue jacket and light brown pants. At the time of the hold up, he had a black cloth across the biggest portion of his face.

Just over a year ago, Grady suffered the loss of his lover who was killed by an unknown punk, near the National Hotel.

There is a REWARD for the holdup man....if anyone knows who it is...it will be very well worth your while to call the National Hotel...864-9343 and tell them who and where the punk is.

There have been a rash of muggings and burglaries in the Polk-Nob Hill area, and your help is needed if they are to be stopped. Any information you might have concerning any crime, please call the police, or the CRUSADER at Helping Hands Services 771-3366.

Today, the victim was someone else...tomorrow it may well be you. Help save yourself, by turning in anyone who you know has committed a crime.

The punk hold-up sissy is believed to be a druguser and pusher, so exercise caution if you see him....he is a super sick person; Stop crime before it stops you!!!!!!

Mad Dog Davis will not be the GOP man

Chief of Police Ed Davis will not be the Republican Party nominee in 1978 for Governor.

That word comes from very high ranking GOP officials who told the GAY CRUSADER editor in an exclusive interview, that "Davis is too reactionary, he would lose to Brown, and we can't afford not to regain control of the governorship. At this writing, Davis has let it be known that he would like to be the GOP choice, but in turn, he has been told by GOP leaders that they have too many viable candidates to give him an serious consideration.

GENE PRAT BUILDING FOR LT.GOVERNOR RACE.....aide to Republican Senator Hayakawa, Gene PRAT has let it be known that he will seek the post of Lt. Governor in 1978.

PRAT in a recently issued statement to the GAY CRUSADER told the editor that he is already in the building stages of the 1978 race.

PRAT would make no statements on the proposed candidacy of Ed Davis of Los Angeles. Los Angeles city charter laws prohibit someone in such a post as Chief of Police, from seeking political office, so Davis will have to resign as the Chief of Police in order to seek the GOP nomination.

But, in a primary battle, Davis will be in trouble, as the popular Mayor of San Diego, Pete Wilson, also intends to be the Republican nominee, as Efrén Zimbalist, Jr. (FBI TV series star), and the possibility of Gerald Ford running is talked about.

Kansas City Trucking....

"SELDOM HAS ANY FILM SO MOVED ME...AND NEVER A FILM OF MALE EROTICISM. KANSAS CITY TRUCKING HAS SOMETHING FOR EVERYONE OF EVERY AGE.....AND FOR ME, A PERSON JUST PAST FORTY, IT HAS SHOWN ME HOW MUCH I MISSED AS A YOUTH! MAGNIFICENT CAMERA WORK...GOOD SETS...BEAUTIFUL SCENERY...AND SENSITIVE CASTING!" The above words best describe my feelings of KANSAS CITY TRUCKING, a film from JOE GAGE FILMS. It is the most impressive film of male eroticism that I have yet seen. Other films such as "Passing Strangers", "Falconhead" and "Kiss Today Goodbye" all have had much to offer the viewer, but none of them, or any other film of male eroticism made so far, can compare to KANSAS CITY TRUCKING. KCT has scenery seldom found except in the finest of Hollywood productions, and I did enjoy the White Sands, New Mexico scenery in particular...spectacular. And it was in that locale that I found KURT WILLIAMS, the "desert Rat"...now here is a young man who should be the star of pictures, and not just one of the cast. He is so different...sure he is good looking, but there is an air about him, the eyes, the way the camera captured his feelings without a word being spoken was absolutely marvelous.

What I found refreshing was this film had a star, RICHARD LOCKE, who was not a "pretty boy", he fit no stereo-type. He was average America...and he came across quite well. Like KURT WILLIAMS, I surely hope that we shall see the two of them again and again in films, and of course, in person.

Jack Wrangler was in the film, but alas, the man looks the same as always, and he has the same expressions, in plain words, Jack Wrangler is not an actor, and he added nothing to the film. He was really the only poor part in the film. He ought to try some new poses, some different style clothes, and try to gain some sincerity in his eyes! Steve Boyd, the straight young trucker, learning how to drive a truck from Richard Locke, does very well, and with a bit of work in films, could be a real super-star. He exudes sex and innocence of sorts in some scenes, and that of a pro-hustler in others. Dane Tremmell and Skip Sheppard give very good performances, particularly Dane. Kansas City Trucking has already had much written about it in other papers, and all has been good, so there is not much the GAY CRUSADER can add, except to say, that if you miss it, you have cheated yourself of a real experience.

Joe Gage, the writer-director knows a great deal in the area of filming, that is obvious and this is his first film, of male eroticism. Joe himself ought to be in movies, as he is most personable and very good looking.

Kansas City Trucking...I'm going to go back and see it again...and again. It is really the best film yet shown in the male adult theaters of San Francisco!

(p.s. I went to the film prejudiced against the film, determined to not like it, due to very sad dealings in business with some shoddy ad agency in smogville handling the promo for the film...but, was I ever surprised.

Rev. Ray Broshears, editor.)

SACRAMENTO News!

GREETINGS FROM THE CAPITOL CITY.....where the buffalo roam (she don't roam...she pees daddy!)

After several years, we once again have a Gay Community Service Center, or rather the foundation thereof. Tony Martin founded the Gay Crisis Line three years ago...moved right on forward, furnishing emergency housing, legal counselling, medical referrals, rap line, etc.....

He is working along with a few dedicated volunteers, for a permanent location, returning his home to a semblance of normalcy.

He's organizing future fund raising events for this worthy cause so..... let's work together and support our local Gay Community Service Center.

Congratulations to the MONTANA SALOON for their very first fashion show. A new bar opened on Broadway, named the OTHER PLACE!!!! Good Luck Frank!!! Variety is the spice.

Choo Choo Alhambra has a train riding club for any train freaks interested in mutual rides through the Feather River via Western Pacific ala hobo style. Contact Choo Choo at 4090 - 24th Street, Sacramento, California 95824 for information.....a very unique experience.

Mama Gorilla has been "terrorizing" hobo jungle-a-real-swingers.....we love you Mama! She often parades around as Suzie Creemcheez.

Conan.....St. Regis has a 45 rpm record available at most any of the hot spots....ask your friendly bartender. A very zany "ZANY INFAMOUS SHOOTOUT" on one side, followed by tearjerker "FOR YOU".

This band has not only catered largely to the gay scene....but they have played benefits for public bills (legislation..Foran's AB 633) gay people unable to pay hospital bills, etc.

Let's give them a little of our support. Until next issue of the GAY CRUSADER, serving the Tenderloin, Polk Strasse, Mid-Market, the Castro, the Haight, and Sacramento.....this is EARTHCHILE sending you love!

SOCIAL ACTION MINISTRY.....Pictured above is the Rev. Ray Broshears taken back in 1971, and was in LIFE Magazine. It was taken at a demonstration on behalf of gaypeople held at Union Square. The "wanted" poster was one put out by some of Rev. Ray's friends...for it was then the SFPD was really after him. Rev. Ray had been leading a series of protests against the SFPD's treatment of the blacks at Hunter's Point, and in the downtown area. As a result of one of the unusual confrontation Rev. Ray had with the police, and the subsequent publicity, the SFPD Police Officer's Association did not like some of the ways Rev. Ray pictured them, and did not like his quoting them, and as a result, sued him for libel and slander...a case which Rev. Ray won...of course!
 A social-action ministry has always been the ministry of Rev. Ray since he came to San Francisco...and many have done everything in their power to stop him...including having him beat up...shot at...stabbed...attempted entrapment, and a few dozen other tactics. But, he has now been here for 12 years this January 1977.
 Rev. Ray despite the tales/lies told about him, has never been arrested for anything beyond misdemeanors, so if you hear someone say anything to the contrary, just consider the source. He has always held the best interests of the total people of the city first, and defending the rights of the individuals always...when they are in the right. He will not allow anyone to "use" him, as many would like to do. He has been an ardent foe of the "establishment", meaning those who try and control everything. He has been in the ministry since March of 1959 when he began with the Pentecostal Holiness Church as an evangelist. He later went through several small pentecostal denominations, and finally found the kind of denomination which would let him "do his thing", a social action ministry. The head of that denomination passed away, requesting that Rev. Ray head up the denomination, the Orthodox Episcopal Church of God...which has six churches in California. Rev. Ray has helped tens of thousands of people during his 12 years as a "social-action-minister"...he is colorful, volatile, compassionate, a man who knows Christ Jesus as his personal Saviour, and a man who does not hesitate to vent his wrath upon injustices.

THE MOCKINGBIRD

From the FLYING NUN the following items to begin the new year with and to end the old...first off...ARTIE STYLES of LARRY ARTSON fame, wants all to know that he did not hit the flying Nun.....and he wants all to know that JIM FLEMING of XHICAGO has been holding late nite mass with DOROTHY-KILL-A-GALLON.....and to all, that is a crushing blow for the Flying Nun who wanted JIM in everyway possible....but after his many years of association with LARRY, he should be worn out! Happy New Year BOB SELEWSKI, ARTIE, AND LARRY!

BILL WHEELER & LEE RAYMOND are the real Mr. & Miss Gay San Francisco, but, when you looked at the "crowd"? at the latest H.L. Perry Production, it is no wonder that they did not win the so-called popular vote. Ugh!! Not to take away from DENNY, who looks cool and hunky. He is A-OK is the looks department, but he lacks in others. The other person who won, the one who put a dent in the side of MELVINA'S car a year ago with his foot, I have nothing to say.. Time will tell.

MANNY SOUSA, extremely handsome 22 year old employee of the *P.S. is from Fresno California.....stands but 5' 7 1/2", brown hair-eyes, 125 lbs and is unattached. See him starring nightly as la bus-man in the Dining Room.

J.BRIAN, the film-loop king of prono who sells loops as a feature picture, was a judge at the recent H.L. Perry rip-off. My my, is he going to do a porno film with DENNY?

DAVID and JOHN DAVID had a lovely photo session.... with strobe lights and all.....my dear, talk about kinky!!!

BOB REED of the CASTRO CAFE is doing his bit for charity once again...too bad some aging latino ex-empresario types can't be nice instead of nasty!!! Gilbert who?????

DOROTHY KILL-A-GALLON is long longer "that way" with the House of Eng Kow Koo Bill.....seems that good ole KILL-A-GALLON read beads once too often and in the wrong place. Don't fret dear, you were never the south of Market type anyhow!

ELMER of the CLUB FRISCO is in love again and again and again.....each night a new one. ELMER has discovered how lovely the tubs can be anew!

Oh yes, speaking of the CLUB FRISCO, the deejay, TERE also known as BROWN SUGAR has left, gone back to Oakland.....my my, these temperamental stars! Sorry luv! JACK & JERRY of BONES "fame" are working out the various problems of Haight Street....such nice boys too. Those asses at BAGL and/or Gay mis-Action don't have the facts gayly straight, as usual.

By the by Mr. BEERPIMPLE, how much money did you make off la BONES before you started attacking them in your rag?????

MARK MULLEIAN's newest painting will soon be unveiled in North Beach. Mark has invited any and all to be in attendance at the unveiling at the Mabuhay Gardens. If it is anything like Mark's past paintings, it will be out of this world, but then, I am not an art critic.....but I do enjoy Mark, and seeing his latest creation. Sorry about the DAVID affair Mark, he left alot of us with a bad taste!!!!

No more liquor permits for Polk??? no more entertainment permits for Polk??? no more dance permits for Polk??? that is so right kiddies for the SFPD and the new Polk-Nob Hill Neighborhood Association have joined together to oppose any and all new permits.....the area is too saturated now! Sorry about that RON LARSON!!!!!!

The EIGHT STREET CLUB BATHS have raised their \$\$\$ prices, as business has gone down it seems, so business is picking up at THE BATHS on 21st Street greatly, standing room only, with the hunkiest of hucks waiting in line to replace other hunks.....finger lickin good!

Have you seen.....JIM ROBINSON, the new waiter at the *P.S. Restaurant on Polk Strasse? He is so hunky, and cute! A roomie of DANNY La PS!

Chef KEITH *P.S. has a date lined up with him in 1988, and the Flying Nun has one lined up in 1989. Along but worth while wait.....believe me.....he is suspicious!!!!

Who is the CASTRO VILLAGE stone-drunk??? A candidate for public office??? Who really cares!!!!

Didja know, that JIM WARD of the Polk Gulch Saloon puts dollars ahead of friends??? He sez no, but the Flying Nun sez yes. But, the Nun still loves him, after all.....and BRUCE too! A typical case of what the evil "bar-queens" who have helped to destroy our lovely community can do. Remember evil-ones, what goes around, do come back around.....and smack!!!!

LA KISH is reputed to be hearing "wedding bells", and other things as well. Sweet thing that he is!

Thank you to ROBBIE of CINAMATTACHINE for the long tall BOBBY of San Diego.....from the Flying Nun!!!

Titles and more titles, why don't they have a contest for KING OF THE PILLS and QUEEN OF THE PILLS...I have several nominations....booze and pills do not make a nice person(s)!!!!

The COBRA---DOUG McDONALD is ripping them and me all up in that lost Angeles publication which yours truly has a nice healthy law suit going against! Careful.... anything that is added could be added to prove malice on the part of FAT SHIRLEY and FAT DAVID!!!!!!!!!!!!

The WOODEN HORSE should be called the DEAD HORSE or worse! There are lotta heads and tails, particularly, horses **** hanging out there! That is a western Tenderloin bar, ala KOKPIT, TOTIES, HORNEY OWL, and OIL CAN HARRY'S...didja think about that??? Western Tenderloin! Eastern tenderloin bars have more humans in them than does the western Tenderloin.

ABC TIME.....didja see that handsome ABC man who is checking out certain bars for allowing minors and "pills" in?? He is so hunky....careful kids, who you cruise, he might be the "alphabet man"!!

The PRIVY COUNCIL needs toilet paper.....and lots of it....the flame is all burnt out blowing his own horn....big ideas, big heart, but nothing else....the wick was weak!!!!

GAY CRUSADER

Sex at the 8th Street Club Baths??? What certain CZARINA de COLMA and DAUPHINE wound up in each others arms, etc. at the above named baths.

CRAIG, lover of KIM, had a date named LARRY with him at *P.S. along with sexy KEN, observed by HAROLD BARGER!!! Put that in your pipe and smoke them too!

EL NATIONALE's manager GRADY worked his ass off at the Christmas Party for the seniors, while Seniorite GERALDINE was being proposed to by DONNA Myers! KANSAS CITY TRUCKING at the NOB HILL is hot.... see it soon.....spend New Years eve watching.....!

Have you seen the new manager of the KINNEY HOTEL? You should.....his name is MICHAEL and he is niiiiice!!! Attorney B.J. BECKWITH lost his puppy, RALPH.....and HARVEY MILK has one he wanted to give a present to, and could only think on an attorney to give him.

JANE DOE.....HERMAN.....and the establishment's choice...DALE EVANS (Sorenson).....are reputed to be the only one's interested in running for empress 12. DALE is CAN OF CARNATION CRAMER'S cream!!!!

JIM & MIKE were at a midnight mass at the Larkin Temple of SISTER DOROTHY Kill-A-Gallon, and while the organ music swelled, so did their organs.....dear Sister Dorothy....such a holy girl! And after the service she had to give her own offering.....paying now dear????????? All this took place on Thursday night a week or so ago!!!! They were over 18, yet young enough to be called chicken

RANDY JOHNSON is the emcee of the Jockey Shorts Dance Contest to be held on the stage of the SPARTAN CINEMA on the 11th of January. All dancers will receive something for their efforts.....the winners gets a huge cash prize. JOCKEY SHORTS DANCE?????at the good ole SPARTAN on Mason Street??? Yes, and don't you all dare miss it.....one of the judges will be MELVINA, the Czarina de Coma with the drooling lips.

DAVID STOLL.....In the Holy Scriptures, it is so written, "As Ye Sow, So Shall Ye Reap".....you were a coverboy.....but it isn't fair that the camera can't catch what is inside you. Hope you have fun in Mexico!! But, when you look into his.....mirror, what do you see? Such a nice boy? I once thought so!! Just an old fool!!

ELMON CLIFTON, of the male model??? agency called, RICHARD OF SAN FRANCISCO (stud service anyone?) now has his offices at 1552 Howard Street.....hmmmm, that is the office next to BAR BOB ROSS which he holds the lease on and they have to use the same toilet.

ELMON CLIFTON is also known as DIRTY DICK of the DIRTY BOY (Data Boy)....so if you want to know where your insults came from.....blame him. FAT SHIRLEY, and even BOB ROSS, after all, he is their "landlord"!

By the by.....what male model??? agency, which should be called a "where house" serves up pills with their studs? Well, it all will come out when those funny men in blue make their unexpected visit and calls! luv it!

DOUG McDONALD, also known as the COBRA.....dear, your last column was too too much, but you did ask some embarrassing questions.....now lets see, you are supporting PAUL D HARDMAN'S GAY COMMUNITY CENTER on Grove Street.....and it seems to me that the motorcycle raffle was a PAUL D HARDMAN project.....at least it was done under his precious and soooo honest PRIDE FOUNDATION sponsorship....at least that is what the flyers all said, and I was there the night they had their "thing" with others involved in the so-called raffle.....HOWARD WALLACE to mention but one of those involved with the co-called, COALITION TO DEFEND GAYS IN THE MILITARY.....so dear Contessima, why don't you look at those who are putting together the Grove Street trip, for in some way, they all had something to do with it.....the ones mentioned above!!!!!!

Congratulations to LENNY MOLLET and the TAVERN GUILD for not allowing CARNATION BOB CRAMER and "company" stampede them into putting any of our gay community funds into that one year lease tired rundown building on Grove Street.....dears, have you checked out the cost of repair of that old elevator alone??? I have and what a sum of money.....enough for a down payment on a decent building!!!!!!

BLUE CHAMPAGNE PARTY on NEW YEARS EVE at the *P.S. on Polk Street with your hosts.....ROY (Faye), and the many hunky and/or sexy waiters all dressed up in LEATHER & LEVIs. Blue champagne??? what is that all about dear ROY??? ROY recently returned from one long week in Mexico. Montezuma had his "revenge" too! The MIND SHAFT is shutting down after January 1st for some changes, including the name, so sez BOB DAMERON & COMPANY. Remodeling is needed!!!

VERA CHARLES is what at the END UP??? I don't believe a word of it....or should!!!!

LINCOLN is back at the TRAPP.....SLAGELS and the GAY GARY have done themselves right proud with the recent functions there!

The BOOT CAMP contest that the aging old emperor is host of are really quite tired.....don't waste your time.... anything that happens there with MARCELLA or whatever his name is, happens almost anywhere he can be found.....such a nasty man....but that is what happens with a few, very few people, who suddenly realize that they are aging!

The PENDULUM continues to have some of the finest of the CASTRO AREA as their customers, and alot of real hunky men!

KIMO is to be the star of what was Gordon's on Polk..... it will close for awhile and reopen with another name..... KIMO is so hot and the place will be too with him about!

SPINSTAR formerly of New York City now blesses our city with his heavenly presence. Beautiful young anarchist, who has many wonderful ideas to share with all.

SHAG were are you now that the FLYING NUN wants you.....same goes for BROOK....nice boys and hard workers too. Happy New Year VERNE!!!! love you!!!!

letters to the EDITOR

December 10, 1976
 Czarina de Colma

Dear Reverend:

In the archives of Rome is a letter written by Publius Lentulus to the Emperor Tiberius in regards to Jesus Christ, and it says in part...."His forehead is flat and fair, his face without blemish or defect and adorned with a graceful expression. His nose and mouth are very well proportioned, his beard is thick and the color of his hair. His eyes are gray and extremely lively...." "There is something wonderfully charming in His face with a mixture of gravity....He is never seen to laugh, and has been observed to weep....He is straight in stature, His hands are large and spreading....His arms are very beautiful....he talks little but with great quality and is the handsomest man in the world."

These are the words of an eyewitness nearly 2000 years ago who saw Jesus Christ. The writer was obviously very observant but nowhere did he mention homosexuality. So where does this idiot Rev. Laud Humphrey get his idea that Christ was possibly gay and that he possibly had a full sex life. He like others, who write such nonsense, to me, are apologizing for their own shortcomings. We all, each of us, have a personal cross to bear, and being gay is one of them whether you believe it or not. I doubt very much that when God made Adam and Eve and Jesus that He had homosexuality in mind. But, alas, I am also equally sure that we who are gay have as much chance for redemption as any heterosexual.

Christ Jesus, Son of God, Source of all Light, was sent to us for a purpose of which He fulfilled and I know in my own mind He was the purest person to have ever lived, and I am just as sure He did not lust after women (or men) and did not "shack" as the average person or clergy who write such nonsense in order to apologize for their own hypocrisy!

Sincerely,
 MELVINA
 (ed. note: this is in response to the article, "Was Jesus Gay which appeared in the last issue of the CRUSADER)

My Dear Royal Sister,

I was just reading about the turmoil in Milan at the Opera House. Mr. dear, it is tragic that we of royal blood and wealth cannot attend a social gathering without the benefit of a police escort. The peasantry is slowly revolting and you must do something about it. And, I am afraid, Madam, we may have to have police escorts at the Coronation of our new Empress. I don't know whether they are after the Divine Empress Flame or all of us. Bear in mind what I have said.

Also, I was visity the Empress Shirley the other evening and casually noticed some mail lying on her writing table. We were just beginning to sup tea when I noticed this card calling for a meeting of the Privy Council and the Council of Emperors.

Let me warn you Madam, these six men are out to usurp your prestige and your throne. Listen to what they say, but be on your guard. I trust none of them. The Council has pulled off a few blunders in the past, and I think they are in disrespect throughout the realm and are now hoveling at your feet to bring up their prestige.

Remember Madam, you are dealing with a frustrated transvestite.....a very macho gay (one who does not realize that he is no longer emperor)....fortunately for the little Italian, he decided to quit them, thank heaven for his sake....and one who is walking around looking like something out of the biblical era with a sparrow on his arm.

Just beware, your crown is not safe, and possibly some of your Crown Jewels, gowns....if they can fit into them.

I am forwarding a copy of this letter to each of your royal sisters so they may be informed before this catastrophic meeting takes place.

Most Sincerely,
 MELVINA

 CZARINA de COLMA

Grand Duchess Connie
 Imperial Palace

My dear Duchess,

I would like to take this opportunity to introduce myself formally to you. I am the Czarina de Colma, Melvina, as proclaimed by the eminent and divine Emperor Michael Caringi. I am also known as the Duchess of Colma; Queen of the Black Veil, and Empress of Colma, as proclaimed by the First Empress of San Francisco, Josie, mistree to the first Emperor Norton and by the heavenly Empress Shirley III.

I was dethroned by the then "tyrant bitch Empress Flame" in February 1976 who has since redeemed herself in my sight by restoring me in June 1976, and thereby earning the title of the Divine Empress Flame.

Also for your information, I am denounced by the Emperor Council, which consists of seven, six of whom are bigoted, egotistical, tired, dilapidated, non-essential middle-aged men (??) who have contributed less to humanity than a horses ass! They will be delt with in the very near future!

I am pleased that the people of this realm have chosen you as Grand Duchess. My dear, tread lightly, the duty you perform to your subjects will decide whether your name will be remembered with love/affection, etc.

My dear I close with love and fond wishes of much happiness.

Most assuredly, your friend
 MELVINA

Is Frisco a Gay Mecca?

by John Nosek

San Francisco.....Even the roll of the syllables brings awe to the eyes of the average Midwesterner. Perhaps many of us flirt with the thought of eventually transporting ourselves to this mythical citadel of gay freedom, away from what we perceive as the drab dullness of Cleveland, Columbus and Akron.

To be sure, the sheer numbers of gay people in San Francisco immediately give one a sense of belonging. No matter where one goes in the city, s/he runs into gay men and lesbians. There are three major gay ghettos - Polk Street, Castro Street and Haight Street, all sporting meticulously renovated homes. In fact, the gay areas which border black neighborhoods are actually pushing straight blacks towards Oakland, as inspired gay home-seekers snatch up run-down but architecturally sound adobe. Gay owned shops neatly line sections of the city, and one is overwhelmed with a sense that gay people are securely in charge of their own destiny.

On a social level there is a directness of intent which is refreshing to the outsider. Unlike Ohio where people stand and cruise for hours, without talking to a sought-after person, in SF one approaches or is approached almost upon arrival. Promiscuous sex abounds and can be had anytime in the day, anywhere in the city. The list goes on.....

Readily accessible to all, social alternatives and services include organized gay sports, a potpourri of religious gay organizations, travel agencies, beaches, and rural retreats, political groups, rap sessions, physical and mental health clinics (There is no community center per se as groups and services are scattered throughout the city in modular units), and three newspapers, The SENTINEL, GAY CRUSADER (censored!).

Yes, there is no question that San Francisco is the gayest metropolis in America. If one can bear the higher standard of living and the keen competition for jobs, a move to this golden-city will no doubt prove at least momentarily gratifying..... But when one looks beyond the surface, it becomes painfully apparent that gay San Francisco is nowhere near the model community many picture it to be. Indeed, numbers alone do not guarantee a sense of cohesion.

"There is more discrimination toward older gays in the San Francisco Bay Area than anywhere else in the country", says the founder of an over-forties group, and similarly for obese or hirsute gays. Only recently, the Eight Street Club Baths were picketed by the Gay Liberation Alliance (ed's note: BAGL did the picketing, we began the battle, and BAGL leached onto the publicity), for turning away patrons considered "too old". (The rejected men were between ages 40-45).

The Madison Avenue ideal continues to be embraced as the ultimate erotic fantasy in San Francisco, only with much more fervor than in other parts of the country. With tens of thousands of people to compete with for sexual attention, the pressures to rise and to remain in that 10% "cream of the crop" are unyielding. As Denesh notes, "The tension is a familiar one, but more suffocatingly pervasive than anywhere I have known."

On another front, gay San Francisco is a self-contained community. Unlike Cleveland, little outreach is made to the 4/5 of the city which is straight.

While used to the gay presence, SF heterosexuals know little about gay culture than many of their Midwestern counterparts. Their lack of a negative attitude towards gays is due more to apathy and visual saturation than understanding or acceptance.

The lack of gay outreach is beginning to have destructive ramifications. While police harassment of overt gay behavior is minimal (holding hands, etc.) straight hazing of gays within their own communities appears to be on the increase. Friends who recently visited SF report cars driving into gay neighborhoods throwing lit firecrackers and shouting obscenities at the residents.

On October 30, the annual Halloween entertainment on Castro Street was marred by the presence of gangs of teenage punks harassing gay celebrants. A gay activist was arrested by a plainclothes officer for "disturbing the peace" because he came to the aid of a friend! Only the night before, two men were arrested by plainclothesmen who would not identify themselves for jaywalking on Folsom Street.

Meanwhile, a SF woman, Marge Martin has organized the Concerned Citizens of California, a group whose goal is to combat the proliferation of gay people in the Castro Street neighborhood. Leafletting Ms. Martin calls gays an "undesirable element" and is doing all she can to force gay people out.

Perhaps it was inevitable, but inner power struggles among the city's activists have divided the community. The most dramatic of these conflicts involves the editor of the GAY CRUSADER, Reverend Broshers, facilitator of the Gay Liberation Alliance (G.L.A.). Broshers recently ran for the Community College Board (22,247 votes) and sparked a good deal of controversy by suppo-

orting Senator S.I. Hayakawa in the latter's U.S. Senate race (Hayakawa has said, "I am deeply, deeply prejudiced against homosexuals and I will vote that way").....but Broshers claims that Hayakawa is the best friend that gays have.

The Reverend Broshers also alienated bar entrepreneurs by attacking them for not paying employees union wages and not doing more to combat the widespread drug problem. Recently, of all things, Reverend Broshers joined the Republican Party (and fourteen days later was appointed to the Republican State Central Committee by GOP Committeeman, Dwight Tripp...making Broshers the first gay person of either party to be appointed as a full State Central Committeeman.)

Michelle, another political leader who is also a drag entertainer, is now being reprimanded by some for having mustered gay support for the election of Mayor Moscone (since Moscone, who presumably supports gay rights) has been in office, violence has intensified in all gay districts.

The situation is so chaotic that the SENTINEL recently ran an editorial telling Reverend Broshers to "just go away", demanding that "if our present gay community leaders do NOT provide constructive answers, then we must get new gay leaders. If the present political leaders of San Francisco do NOT provide constructive answers, then we must get new politicians.....Hallowen is different from the elections...Let's keep them so!" (ed's note: Gee whiz, even in Cleveland Ohio they can see what a dumb dumb Bill Beardemph's editorial's make him out to be...and by the way, he sez he is a gay leader...guess he wants to get rid of himself too!)

Gay San Francisco appears to be at a crucial crossroads. While millions of gay people look to it as a gilded shrine, increasing evidence suggests the only thing the city may have that no other comparable metropolis does, is the numbers. And that's not enough! (ed's note: AMEN) While there are many social alternatives and services, a striking vacuum is evident in the consciousness of the SF gay populace. Gays there seem to be doing little about the in-bred sexism which psychologically crushes the "old", the obese, and the ugly, and prevents human sexuality from flourishing unchained (a requisite to any gay mecca).

Likewise gay people seem to thrive in spite of the straight community instead of in harmony with in (ed's note: another AMEN). There exists few, if any, forums of education and exchange. Soon, however, the mounting street violence may demand attention to this volatile negligence and forcibly shake the glass houses of some non-interested gays.

Finally, while many Ohioans criticize the small, allegedly "ineffectual" organizations in our state, they might be reminded that size means nothing without a cementing spirit of purpose.

Gay San Francisco is huge and bitterly divided with organizations which have alienated many in the community. Cleveland, Toledo, Akron, Columbus and Cincinnati may have smaller functioning units, but they iron out their differences rationally and create change where it counts most - at the grass roots level.

In the long-run, gay San Francisco's potential is remarkable, that is if it cares enough to clean house. It is a community which in many respects is a leader for America's gay minority.....San Francisco, - it's a great place to visit, but I wouldn't want to live there.

JOHN NOSEK
Cleveland High Gear
December 1976 Issue.

(EDITOR'S COMMENTS: "We here in San Francisco can appreciate a visitor to our city making comments such as has Mr. Nosek. He was able to 'hit the nail on the head' and something which Mr. Nosek should understand, that is that the SENTINEL editor along with a host of his leftist friends from a variety of groups such as the SWP, IS, and what have you...have been the great dividers. For until the SENTINEL began publishing, the gay community was coming together to a very large degree. But, the editor of the SENTINEL has wanted to 'drive out' at alternating times, either Harvey Milk who received over 50,000 votes in his bid to become the first gay person elected here, or myself. He wants to become the first gay elected here....and he attacks at will any and all who can be elected to public office who do not hold his views or the views of his friends in BAGL and Gay Action. I certainly do not want Mr. Beardemph to leave the city as he would like to see me do....but I would like to see him and a few of the other so-called leaders set down and act like civilized human beings, working in a positive manner, and not saying that they don't want this person or that person, etc. That is what is hurting and destroying gay San Francisco.....and I pray that all gay San Francisco can read what our brother from Ohio had to say about our city, and maybe they will take matters into their own hands. I am always ready and willing to work in partnership, but never in slavery to any one or group. I will work on an equal basis with Beardemph, Ross, Hardman Wallace, etc., but never for them. Rev. Ray Broshers

GAY YOUTH BILL of RIGHTS

WE demand the right for all gay adolescents to determine their own sexual orientation without any oppression, by the established government, or by the coercion of the church which has abused it's power and surrendered to the anti-Christ.

We are determined that gay young people when of an appropriate age, may take reasonable measures to alleviate their situations, such as fleeing their homes, leaving their parents, etc., and that such refugees shall have the right to find their own way in life without being harassed and imprisoned as "runaways" or forcibly returned to their homophobic, psychotic, neurotic and/or psychopathic parents.

We interpret the words of Our Lord and Savior Christ on this literally to mean "you shall if necessary renounce even your own parents in order to follow my teachings (i.e.) 'find the Holy Spirit.'"

We demand the right in fact and duty and obligation as responsible gay adults, to help in any way, using reasonable methods, including working to change legislation, using legal assistance, hiding refugees if necessary at the risk of our own freedom.

We refuse to tolerate persecution and harassment for providing refuge and aid for those who are considered minors by the law....for we shall defend their right to freedom as we would any and all others. Our Christian religion demands that we offer refuge to all who ask it.....even at the cost of our own freedom or life.

We as clergy seeing the situation with respect to gay adolescent youth in America, do pledge to place this problem high on our agenda and to devote more of our efforts to finding solutions for it. We as self-sacrificing clergy of the Christian New Age, realize, that America is far behind Europe in the liberation of our youth, and we are dedicated to seeing this come into reality.

As our Lord said, "Suffer little children to come unto me!" We realize the sufferings and the difficulties involved, even though it's perhaps the most hidden social problem in America. We realize that we risk our lives, freedom, worldly "reputation" in doing this work, but we pledge it shall be done and will be changed for the better in our lifetime through the mercy and grace of Our Lord Christ Jesus!

Of the current crop of new LP's worth mentioning, LEON ("I Wanna Do Something Freaky To You") HAYWOOD has a real good solid new album on COLUMBIA RECORDS called "Intimate".....hot hot hot!

MARC SIMON and his partner KEN FRIEDMAN of "Provocative Promotions", a southern California based promotional company, stopped in at the CLUB FRISCO this past Saturday night to visit and to boogie (they also dropped off a package of goodies.....unreleased records), it was good to see MARC again, and a pleasure to meet his right hand man KEN.....many thanks to both of them.

The surging growth of discotheques in this country has baffled even it's creators. The French didn't realize the potential of their "record libraries" in discotheques during the early sixties. Many restaurants are now realizing the advantage of adding a discotheque to their operations when dinner hours are ending. Unproductive lounges and banquet rooms are being converted into profitable discos. Customers who would have exited by 9:30 PM, now stay to dance and drink until 2 AM. A complete evening of entertainment can now be offered. This past January.....BILLBOARD magazine held their first International Disco Forum in New York. Disco owners and managers as well as record distributors, disc jockeys, hardware people (sound & lights) and promotion people had a chance to pow-wow!

TITLE~ CRAZED HOMOSEXUALS!

PETER DECKER.....RONNIE LYNN.....
BILL MOORE (Tammy Lynn).....& ROBERT DENNIS WHITWORTH registered various titles and names in wild spree at the County Clerk's Office.

Peter Decker, who had financial problems and went to New York sometime back and has now returned to San Francisco, joined in a venture with Ronnie Lynn and Tammy Lynn, as well as "Denny" (Robert Whitworth, which will lead them into court.

They registered as "DBA" (Doing Business As) the names of such persons as Flame, LaKish, Emma Mae Von Gay, Empress & Emperor of Folsom/Miracle Mile, the BAR, the Motormouth, the Mockingbird, Gay Crusader, and many others names etc., totaling 27.

They paid the Commercial Appeal \$2.50 per name that they registered as well as \$10 to cover the cost of filing with the County Clerk, the various names, titles, etc. coming to a total cost of \$67.50.....money which could have gone to charity as well as paying off some bills that are owed.

Denny, who "won" the title of Mr. Gay San Francisco this year, telephoned the GAY CRUSADER to tell them to cease publication that he and his group owned the names.....to which the attorney contacted, Attorney B.J. Beckwith replied....."bullshit".....and informed the CRUSADER to continue publishing as it has since June of 1972, that the people who say they owe the names are making a situation where they will be open to action. Newspapers claimed the attorney come under a separate law, and that if and when they should try and use the names, a "tort" will be filed in court for damages. The right of eminent domain applies in the area of publications.

Denny let it be known that they were doing this to get back at the CRUSADER for supporting Lee Raymond and Bill Wheeler in the race which he beat them.

The attorney said that he hoped they had alot of money to pay attorney's fees, for it will cost them a pretty penny in attorney's fee in this area. Title-mania is a great disease with many of the homosexuals in San Francisco.

GAY CRUSADER Polk Nob Hill Neighbor... Association Meeting January 12

Wednesday...January 12th...7:30 PM at the Redding School, on Pine at Larkin, in the auditorium, the Polk-Nob Hill Neighborhood Association will hold their monthly meeting.

The directors in a meeting held at the home of the president, voted to support a petition for the recall of District Attorney Joseph Freitas.

This matter will be on the agenda. The president wants it known, that any person not living within the boundaries prescribed by the Association for membership, will not be allowed to vote any matter, and if the president so desires, they may not speak. Proof of residency may be asked! The boundaries of the Polk-Nob Hill area are: Jones on the east...Franklin on the west...O'Farrell on the south...and Pacific on the north.

The subject of prostitutes was a major item at the last meeting, and will be on the agenda this meeting, as will the violence and holdups on Polk Street and the sidewalks.

The matter of the recall is a hot item!!!
