The GLA (Gay Liberation Alliance) who coordinated the successful demonstration at the Cala Foods on March 11th against the sale of Florida citrus products, is coordinating another one, and the GLA is seeking new dedicated gay liberationists to join. If you wish to help the GLA in its efforts to halt the gay backlash, send your help to: Gay Liberation Alliance, P.O. Box 1528, San Francisco, California 94101. Also the GLA is seeking new dedicated gay liberationists to join.

GAY LIBERATION ALLIANCE FILES PROTEST OVER ANITA BRYANT SHOW ON CALA FOODS

The GLA filed a protest with KVOF and with the FCC concerning the telecast on KVOF of Anita Bryant and her husband on the program, "Praise the Lord Club", in which she and her husband violated the fairness doctrine in making legislative attempts to repeal their gay rights laws passed by the City of West Palm Beach. Other such groups are forming in Indiana, which is working back into a group, religious, who have pledged to "win all gays to Christ, regardless of morality!". And, in Colorado, a group has organized with an approach that is dangerous, for the numbers supporting her are growing daily. She and her husband Bob Greene make a pleasant pitch, not any half-fare defense.

Anita Bryant's approach is very smooth, and very cunning, for she comes on like a loving mother, and that approach is dangerous, for the numbers supporting her are growing daily. She and her husband Bob Greene make a pleasant pitch, not any half-fare defense.

"her approach is one which is frightening, for she appears most reasonable to make sense, and using the word love often, saying that she doesn't hate homosexuals, she doesn't want them harmed. She is in a most persuasive person we have ever confronted in the history of the gay liberation movement", said Crusader editor, Rev. Ray Broshears also the GLA president.

Morris Lightweight Los Angeles gay activist, also feels that Anita Bryant is the most serious threat to the gay liberation movement in his time, along with a growing number of ex-gays who have organized in to a group, religious, who have pledged to "win all gays to Christ, regardless of morality!"

Kight considers the two fronts "frightening" and "not a very effective approach". Pennsylvania, Arkansas and New Hampshire are making legislative attempts to repeal their gay rights laws passed by the City of West Palm Beach. Other such groups are forming in Indiana, which is working back into a group, religious, who have pledged to "win all gays to Christ, regardless of morality!". And, in Colorado, a group has organized with an approach that is dangerous, for the numbers supporting her are growing daily. She and her husband Bob Greene make a pleasant pitch, not any half-fare defense.

It is obvious that Anita Bryant is having an effect upon the American people. It is obvious that Anita Bryant is having an effect upon the American people.

... GIVE THE FAGS SOME PEANUTS ... was the remark of a White House aide, when he learned of the California meeting with the NGTF. Most all gay rights activists agree that Carter, a Southern Baptist, the same as Anita Bryant, will not be supporting any gay rights cause openly. Many gays have pointed out that Carter shucked off the gay rights issue during his campaign and that he continues to do so by BELP LINE. All gay rights activists agree that Carter will not touch the very hot gay rights situation during his first term.

C A L I F O R N I A G A Y S P L A N M E E T I N G ...

Several California gay rights activists not associated with the Foster-Goodstein clique (NGTF) have been discussing the possibility of a statewide conference of gay activists that will be held in San Francisco. HAPPY BIRTHDAY, April 16th to our good friend and fine humanitarian, MELVINA! Thank you so very much AL HANKEN... and also, thanks to Sgt. KEITH PARKER of the PS Broshears

The CABLE CAR CRA has numerous black members, and one gay person who used to cross-dress when he came into the old Helping Hands Center on Turk Street, and he hates the open gay
tes here in San Francisco.

The current president of the CRA Coordinating Council, is attorney
BROSHEARS, Ray. He and his board of directors feel that the CRA is about to be
g, and it will be an interesting one at that.

We're getting some comments for many years, but we have not heard the word "republican" more often than Richard Nixon and his.Flu.

The CRA is an organization that means something to Republicans and
go public candidates run in San Francisco.

The CRA County Council needs someone who is a contractor,
and has the ability to make the word "republican" mean something to others besides the Nixonites and"defectors.

There is a danger of splitting the CRA and the Republican Party in San Francisco.

WHAT ABOUT NORTHERN STATION ? That is the question being asked by us, when we hear about the current
who commanded the Central when the elites allegedly took place. Captain Joseph Flynn, is now the Northern Station commander, and that district has long been charged by many in the
on corruption in the city. Former station chief, Sgt. Bradley Dumas has been found guilty of dereliction of duty,

All of the policemen were arrested before U.S. District Judge, Robert R. Schonbrun.

The other thing that has had representation at this meeting is the ASPCA.

In this is the ASPCA and the city of San Francisco.

The ASPCA is the ASPCA, and they have been working to present murders to the officials in San Francisco.

First off...the CSL (Community Softball League) is now Coyotes. But, Sacramento has a good chance of winning it and giving the punks a fight.

Recently, the Coyotes have began standing their ground behind Sacramento to fight off the intruding punks.

All gays are urged to stand up to the hoods whenever they are harassed. Calls to the Sacramento MCC and to their local bar for times and dates of the events.

Sacramento is entering a float in the Gay Freedom Day parade, and a splendid one at that, for good ole Frenchy.

The MOTHER JEFFREY AWARD will be given out on Saturday, April 16th, at the San Francisco Saturday Night at 7:30 PM.

The couple and the wedding party all wore yellow rose corsages. Rich and Les, God bless and prosper you both!

Also, incidently, these shows have been approved for the season, "Hello Dolly", "Music Man", "Showboat" and "Fiddler on the Roof".

Hart, 41, both of Sacramento, were united in the Bond Court. Leslie Dean Gaunt Underwood, 23, and Richard Benton Sisson, 34, were married at the San Francisco Saturday Night, each Wednesday at 7:30 PM. You are invited to attend. It is near the entrance to the Bar Commissary.

There are many ways to support the new film, and also, the record, "For You and Me". They will be open to all men and women in the Northern California area.

The expressed purpose of this resolution is to prevent the Pride Foundation, the San Francisco Gay Community Center, and the Gay Community to be compromised and changed into a Political organization. The Beckwith resolution is to be reconsidered by the Board of Directors. Mr. Beckwith and others present expressed their support for the resolution.

The Beckwith resolution was hotly opposed by Pride directors, Hank Wilson and attorney Andrew Betti. The author of the resolution requested a roll call vote which was not given.

Thanks to the Board of Directors for their support of the resolution. The Beckwith resolution was defeated by the Board of Directors.

Sometimes when burdens get too heavy.

And troubles seem to call.

But I'm glad there's still a Mountain Top.

Gerard-Smith has had serious troubles with the U.S. Postal authorities in recent times as well. He is loved by persons who have known him since he came to San Francisco’s Haight-Ashbury district, stated that Commission Rips he became interested in the Old Catholic Churches, and got into quarrels with Old Catholic priests. His Berkeley sex charge is now pending court hearings.

Carol Mezy, President of the Human Rights Commission, faction within the gay community, has gone out of the community ■ held a hearing in the Castro to discuss fire regulation. Daly, who is a political hack of the Foster-Goodstem group out most of the gay bars in SF as "fire traps." The rights Commission is supposed to deal with. The bar owners asked which bars were in violation of any rights. They have denounced Gerard-Smith as an "imposter" saying that the Roman Catholic Church’s Oakland Diocese. They have described Gerard-Smith as "catholic", yet not in such a way the church is one of a kind and not affiliated with any other Catholic Church or anywhere that has links with the U.S. Postal authorities in other areas.

Two things about Gerard-Smith are certain, and they are, that his church is one of a kind and not affiliated with any other Catholic Church or anywhere that has links with the U.S. Postal authorities in other areas.
Dear Sirs,

I have been following the disgraceful conduct of the so-called Christian Anita Bryant. I have never seen or heard such a hateful, pitiful person in my whole life.

This ignorant, poor excuse for a Christian is making a fool of herself, her children and of all who rally around us all.

Dear Sirs,

I have been reading the gay newspapers since I arrived in SF four years ago and it amazes me that your paper can do it? Vance Stillman

Dear Sirs,

It is quite simple, the Gay Crusader tries to maintain just enough ads to cover the costs involved in producing, printing, distributing, and maintaining the paper. The average SF Bay Area gay paper has much less than the 100 ads per issue of the Gay Crusader. The Gay Crusader has 125 advertisements per issue.

The average SF Bay Area gay paper has much less than the 100 ads per issue of the Gay Crusader. The Gay Crusader has 125 advertisements per issue.

Dear Lady, 

I must say, your letter was the most stupid, ignorant words I have ever read. To those of us who feel that Anita Bryant is a tyrant, a bigot, a bigot, a bigot, and a bigot, we are outraged. We are outraged. We are outraged. We are outraged.

Dear Bruce,

I am writing to you to express my gratitude for the help you have given me. You have been a true friend to me.

Dear Bruce,

I would like to write to you to express my gratitude for the help you have given me. You have been a true friend to me.
