## NEWS Brief

**TEXAS LEGISLATURE APPROVE OF ANTI-GAY STATEMENT!**  
AUSTIN: A Statement of Intent has passed the Texas State Legislature which will encourage state college campuses to prohibit any gay student organizations. It was introduced by the Rep. Clay Smothers, a black legislator, who hates homosexuals and was a George Wallace delegate to last year's Democratic National Convention. Smothers says he doesn't want any "queers" building any organizations in tax-supported institutions. "A black Wallace supporter?"...only in Texas!!

**STATE SENATOR JOHN BRIGGS AND THE "LAVENDER TIES"!**  
State Senator John Briggs let it be known that he is upset over a gay Republican group, the Teddy Roosevelt Clubs, having contracted with a private investigation to look into his private life (early youth) in an effort to learn "things" about John Briggs and what makes him such a vehement homophobe!

**"ACID HEAD OR PROPHET OF GOD?"** That is the heading of an article sent out by a "David Ichabod of the Gay Coalition Against Drug Abuse" in New York City. It is an attack upon a well-known Los Angeles based gay minister, which many feel is an attack upon the Christian Churches by a group composed in the main of persons of Jewish background. In San Francisco, a similar group has been attacking the Christian Churches here, and they too are gay, most of whom have Jewish names. "They are a disgrace to the Jewish peoples", one well-known gay Jewish spokesperson related.

**JIMMY CARTER MEETS HIS "WATERLOO" IN THE PANAMA CANAL ISSUE!** Gay Republicans have risen up in "arms" against the giveaway of the Panama Canal to the Communist dictator of Panama. It was overheard that "The peanut farmer may have met his Waterloo!"

**CHINATOWN MASSACRE KILLS 5 and WOUND 16 OTHERS**  
Chinatown is nearly empty at night now, after the Sunday slaying of 5 innocent persons and the wounding of 16 others by three unknown persons in the Golden Dragon Restaurant in Chinatown.

**GAY CANDIDATES ALL OVER THE PLACE IN SUPERVISORS ELECTION.** In the Castro-haight 5th Supervisorial District, Harvey Milk, Rick Stokes, Jim Earnshaw, Rita George, Shelly Fernandez, Andrew Betancourt, and Justin Raimondo, all very gay, are running for Office. In the 4th District, which includes the southern Polk Gulch, Tenderloin, Hayes Valley, and Fillmore area, Rev. Ray Broshears is the candidate of the gays. And over in the south of Market & Mission, gay activist, Larry Littlejohn has tossed his Deputy Sheriff's hat into the race.

## "COURTS SOFT ON CRIMINALS!!" District Attorney "A Coward"

Tom Spooner.....one of the accused killers.....!

Judge ALBERT C. WOLLENBERG TURNS LOOSE ACCUSED KILLERS ON "COURT FREE BAIL"! "WOLLENBERG A DISGRACE TO THE BENCH", SAYS ONE JUDGE IN CONFIDENCE. DISTRICT ATTORNEY FRIETAS'S DEPUTIES PLEA BARGAINS THUGS, PUNKS, AND OTHER SUCH CRIMINALS BACK ONTO THE STREETS OF SAN FRANCISCO! POLICE OFFICERS AND CITIZENS ALIKE DENOUNCE THE MUNICIPAL AND SUPERIOR COURT JUDGES FOR BEING "TOO SOFT" AND TURNING SAN FRANCISCO INTO A "JUNGLE OF CRIME!"

## "ADOPT A GHOST!" --

In the above photo, seated left to right, is Tony Barreiro, of Palo Alto, California, an antique dealer turned ghostly entrepreneur and creator of this year's sensational gift item "ADOPT A GHOST", having tea with his own curvaceous ghost, Isadora. The ADOPT A GHOST kit comes complete with legal adoption papers for the homeless ghost, a small amount of non-allergenic haunted house dust to help your ghost immediately adapt to his or her new surroundings, a delightful 19 chapter booklet, "The Official Ghost Handbook", a return card to register your ghost for adoption with the International Foundation For The Adoption of Homeless Ghosts when the time comes, an "ADOPT A GHOST" button, and a stunning "ghost cloak" to wear on important outings with your ghost (i.e. halloween). This is so your ghost will not be ashamed to be seen with you, one person told the CRUSADER. The ADOPT A GHOST will be in most stores in mid-September. In the meantime, if you wish to get yours right away, send \$4.00 to Invisible Enterprises, P.O. Box 207, Cupertino, California 95014

## HUSTLERS BUSTED!

The San Francisco Police Department has been busting hustlers around the St. Francis Hotel, and on Polk Street. On Wednesday, 8 rather sad looking hustlers and drags appeared for arraignment in Municipal Court, having been busted on Geary Street at the St. Francis Hotel. Five Polk Street hustlers were busted late Wednesday night. They were hanging around the Towne Squire and Pine & Polk and Bush & Polk.

District Attorney Joseph Frietas shocked those few supporters he has left in the gay community, when it came out that he was "making deals" or "plea-bargaining" with the four accused killers of Robert Hillsborough. Those gays who are in the know down at the Hall of Justice were not at all surprised. Most agreed that this is the "Frietas-way".....he has been accused by Supervisor candidate Rev. Ray Broshears of being "a coward" in that he refuses to face up to the duties at hand. Broshears, as have many of the San Francisco Police Department, charge that Frietas gets stiff sentences when it comes to "consumer fraud" and "prono-making", but when it comes to murder, rape, assaults, etc., he is a "coward"! When a NEW WEST Magazine article came out baring the past of the slain homosexual Robert Hillsborough, Frietas's office began "plea-bargaining" the killers (alleged) of Hillsborough.

In the killing of George W. Andrews a homosexual, by three persons off of the Tenderloin's "meatrack" in late July, Frietas, along with the Judge and Public Defender Harriet Ross, gave "Free Court Bail" to one who says he was "merely with the other two," whom he claims did the killing, but that he is a nice guy and only drove the car! As one veteran cop put it, "Well, if that is the rationale, then none of the guys killed for war crimes should have been hanged, for they only "drove cars" also!"

Judge Albert C. Wollenberg who faces re-election in the near future, may have a surprise awaiting him, according to noted Trial Lawyer, Jack Morgan. Morgan told the SF CRUSADER that alot of lawyers are "fed up" with Wollenberg's record on the Bench.

The San Francisco Police Officers Association has a group of Officers who are acting as "citizen watchdogs" on the Courts, and their findings are truly shocking.

Over 40% of those arrested for violent crimes are returned to the SF streets via plea-bargainings....all of which the Judge goes along with. The Judge does not have to agree to the deal-making but does as a rule.

Recently, a member of the Public Defender's office tried to get a person who was injured by a thug, in a Polk Street bar, to drop the charges.

## Andrew Betancourt Supervisor in Five

STRONG CONTENDER FOR SUPERVISOR SURFACES

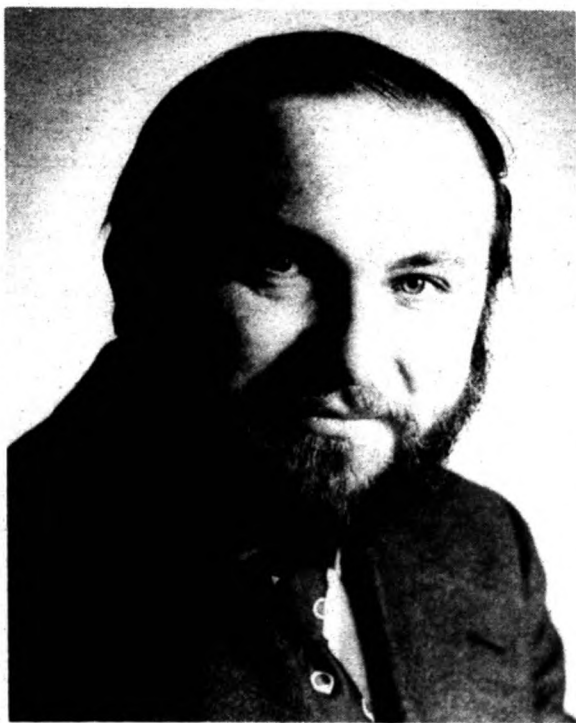

Andrew J. Betancourt has lived in San Francisco for 15 years. He is in the real estate business, and is fully aware of the many problems which confront the city today. He is a strong supporter of equal rights and opportunities for all people. Betancourt does not believe that any district "belongs" to any group. He is one of the founders of the Pride Foundation, and a longtime member of the old Society for Individual Rights.

Andrew told the CRUSADER that he feels the Supervisor should be a full-time position, and that when he is elected he would be a full-time Supervisor.

He told us that he is opposed to the initiative circulated by State Senator John Briggs, "The Briggs initiative is an insult to anyone of intelligence, and gay people suffer indignities daily in all forms and walks of life that should be corrected."

Andrew Betancourt says he is very much opposed to any fare increase on the MUNI for "each increase brings less riders." He is a supporter of Jitney routes for Market Street, Geary Street, and Polk Street.

His number one priority when elected Supervisor would be to have the Board of Supervisors be a full-time job with a full-time staff because the city cannot run on a Monday afternoon basis only. He further said that each Supervisor should have regular hours and be able to devote his or her time to running a large city business in a manner similar to a successful private corporation. Part-time work means a job half done, he concluded!

ANDREW J. BETANCOURT, SUPERVISOR CANDIDATE IN DISTRICT 5. Andrew Betancourt is sensitive to the people of his District. He is a fiscal conservative and a longtime worker for equal rights for gay people.

MR. & MISS GAY TEENAGE SAN DIEGO....Otis, 18 years old, won the title of Mr. Gay Teenage San Diego, and Cindy, 17, was the winner of the Miss Gay Teenage San Diego, at a jam-packed event, sponsored by the Empress Nicole of San Diego. It was a benefit for the San Diego Coalition for Gay and Human Rights. Nicole Murray is president of the San Diego Teddy Roosevelt Republican Club, which is hosting the Republican State Convention on September 30th, October 1st and 2nd.

## VIOLENCE ON POLK

BARTENDER SERIOUSLY INJURED BY CLUB-WELDING THUGS.....

Richard Pearson of the House of Harmony was seriously injured by two club welding thugs, Billy Clyde Evans and David Fontaine. The attack took place on Wednesday August 24th about 6:15 PM. Richard's lover, Mario was also injured as he came to his defense.

The two accused men, had previously been "86ed" from the House of Harmony for mis-conduct, when Richard saw them come in, he told them to leave, that is

when they took pool sticks and took out after the popular Polk Street bartender. The Public Defender's Office and the District Attorney's Office tried to get Richard to drop charges, but, failed. As the owner of the House of Harmony has said, "Violence on Polk must be stopped!" Leslie Calloway (Madame), said that all should stand up to these thugs and press charges all the way, a sentiment echoed by Chief of Police Charles Gain. Richard Pearson is back at work according to reports, and both of the assailants are in City Prison at this time.

## Two Gays Ousted from G.O.P. Posts

The Gay Republican ranks will be two shy at the G.O.P. (Grand Old Party) State Convention in San Diego at the end of the month, as Tom Isenberg and Don James, of the CRIC (Concerned Republicans for Individual Rights) were removed as the Associate Member appointments of the Rev. Ray Broshers, the founder of the first gay Republican Club and the first gay ever appointed as a full Member of the Republican State Central Committee.

Broshers said he did so because Thomas M. Edwards joined together with James, Isenberg, and David Self of U.S. Senator S.I. Hayakawa's office, to form this new gay Republican group....to oppose the efforts of the Teddy Roosevelt Republican Clubs. Broshers said that Isenberg and Edwards are both strong supporters of Nixon and Reagan, and other radical right wingers!

## SUPERVISOR RACE IS TARGET

TRIO WHO LED MIAMI GAYS DOWN TO DEFEAT AT THE HANDS OF ANITA BRYANT.....NOW ABOUT TO DO THE SAME THING HERE IN OUR TOWN.

"Carpetbagger! slang; "One who travels with a carpetbag; hence: "An itinerant wild-cat banker in the west." "Northerner who went to the south after the Civil War especially to make money by taking advantage of unsettled conditions or political corruption."

Jim Foster, who carpetbaggered his way into the Dade County "Gays vs. Anita" issue, made money off of gays there and here by so doing.....has brought back with him the infamous bath house owner JACK CAMPBELL whose Club Baths Chain at 330 Ritch Street, had a mysterious fire just 8 days after the sale to his chain by candidate Rick Stokes, killing Lamont King. Campbell now claims San Francisco residence, and is backing Barry King in District 4 with letters and money, and he is pushing Rick Stokes—over in District 5. The GAY CARPETBAGGERS? Read and see for yourself.

BROSHEARS

Paid for by FRIENDS TO ELECT RAY BROSHEARS

Peter Diliberto, Treasurer (415) 673-8184

Jack Campbell, the "on-paper" owner of the coast-to-coast CBC (Club Bath Chain) has taken up—residence in San Francisco. Campbell was the Chairman of the Dade County Coalition, which led the gays of Dade County/Miami, down to defeat in their bitter struggle against singer Anita Bryant.

Before Jack Campbell split the Dade County gays into factions, by his big-business forcefulness, the Harris Poll, showed gays winning in Dade County over Bryant. Campbell then brought Jim Foster, a San Francisco political jack-of-all-trades and master-at-none, to Miami at the cost of \$7,550.00 to run (ruin) the Coalition. By this time, all who did not agree with Jack Campbell had been "purged" from the Coalition, including Alan Rockway, PhD, and Robert Kunst, the man who really "did it all". Kunst was the one who debated for 60 minutes, singer Bryant over the CBS national television show, People to People. Kunst and Rockway and the others who did not follow the dictatorial line of Campbell, formed their own group called, the Miami Victory Campaign.

But, with this split caused by Jack Campbell, it was all over for the gays, for the polls showed them falling further and further behind.....and you know the result. Blame it on Foster, Campbell, and the devious Jack Davis.

Jack Davis is the third of the "Gay Carpetbaggers", for when the Gay Liberation Alliance, Minutemen Democratic Club and the Teddy Roosevelt Republican Club picked at KGO-TV to protest their policies towards gays, Jack Davis showed up, and during the course of a conversation with Elmer Wilhelm of the Minutemen Democratic Club and Ray Broshers of the Teddy Roosevelt Republican Club, he said he had just moved to San Francisco. He said he was a resident of Miami and would be going back.....now he claims he has lived here all along.....another strange quirk of with the "Gay Carpetbaggers".....they are not exactly truthful all the time.

Campbell, is a good friend of publisher David B. Goodstein of the ADVOCATE, who like Campbell, has tried his best to control the gay political scene, even at the expense of gay victory.

Campbell bought the old Ritch Street Bath House, owned by attorney Rick Stokes. Eight days after the sale was completed, a mysterious fire brought the death of good friend, Lamont King, a black man. Campbell's beginnings in the bath house business in mob-ridden Ohio, spreading to Newark, then New York, Philly and Miami. Campbell can best be described as the "front man"....for many things.

His role here in San Francisco, with the addition of the bath house, became quite clear right away. Jim Foster had found a new political and business "sugar-daddy". Goodstein has been Foster's only political "sugar-daddy" to date, but now, the "money-man" has arrived.

Unfortunately, too many gays are not smart enough to see through the Campbell and Goodstein play. Goodstein has tried desperately for political control of the gay community for years, now with the pseudo-residence of Campbell, who is trading on the name of the Dade County Coalition.....the politically stupid gays, the ones who can only see the dazzle and the glitter of a Campbell, his money, and the money of a Goodstein.....are all too easily swept into the "carpetbagging trap". Witness the "Thank YOU San Francisco from Dade County" party of Jack Campbell's at the City (a disco for mostly straights). Everything was free, and gay money was paying for it, and all who attended thought Campbell was. Very stupid and very smart of Campbell.

It was but a different way of buying votes. But, gay San Francisco.....why do they go for this kind of a trip?...well, as said before most gays are very dumb politically, so that is why they "buy" the Campbell-Goodstein "Foster" package (carpetbag of goodies). It is a high price to pay tho.....this will be borne out in the end, for by buying this pretty package of dazzle and glitter, the San Francisco gay-voters are selling their souls to the devil.

STOKES vs. MILK.....here is a perfect example. Harvey Milk had the election in 5 all but sewn up. But with the entry of the puppet of Moscone & Goodstein, Rick Stokes into the race, it was a whole new ballgame. Then came Terrence Hallinan, who is straight, and supported by Phil Burton. Stokes and Milk and killing one another off politically.....thanks to Jack Campbell and Goodstein and their political "water-boys" Jim Foster and Jack Davis, who dash to and fro gathering gossip data and spreading all sorts of political intrigue.

In District 5, the only gay person who now stands a real chance of being elected, is the late-starter, Andrew Betancourt. He may well wind up being the first or second gay elected to the Board of Supervisors....Milk and Stokes sure won't, neither will any of the others who have thrown their names in to the ring.

KING vs. BROSHEARS.....here is the second example of Campbell-money and of course, his lies. In a letter he sent out over his name, he told about "his good friend" Barry King....a man who he just met a few weeks ago.....and about how Barry King had been in the struggle for gay rights.....hell, no one had even heard of him til he began littering up the area with his signs. A few people knew him as an apartment building manager, and one who had some very unethical practices in so doing.....just ask the Hallinans, he manages some of their Tenderloin properties. But here is another blatant example of carpetbagging.....Campbell pushing a man he met a few weeks ago who he full well knows is weak, who will do his bid ding, just as Stokes will and has done for Moscone and Goodstein.

SAN FRANCISCO GAY POLITICAL FREEDOM IS IN DANGER!

You, the person who reads this, can do something about this....by not supporting the Campbell-Goodstein-Foster puppets, Rick Stokes and Barry King.

By voting elsewhere, you will be striking a blow for continued gay freedoms here in San Francisco. Save our human rights??? hell, what about saving our political rights from the gay carpetbaggers!!!! Someone had best start a group called SOPR...Save Our Political Rights! from David Goodstein.....from his and Campbells puppets.....Jack Davis, Jim Foster Frank Fitch, Duke "Father" Smith, Jo Daly Del Martin, Phyllis Lyon, Jack Trujillo, and a cast of hundreds of others whom the gay carpetbaggers have "bought" so to speak.

If you have any doubts about these people, just look at the results of Dade County as we said before.....the Harris Poll showed gays defeating Anita Bryant's people....but, after Campbell/Goodstein forced the split, and Kunst and Rockway were forced out of the Dade County Coalition which they helped to found.....well, Campbell's carpetbaggers came in....Foster, Geto, Hongisto, and Willie Brown.....then look at what happened, gay were defeated.....they lost not only their gay rights, but their political rights as well.....is this what you want in San Francisco? Do you want to lose all? If so, then you vote for Barry King and Rick Stokes! For by voting for them, you are KILLING GAY POLITICAL POWER.....you can stop gay's political death by voting for other than King or Stokes. Freedom is very precious, don't lose it now!

## Coors

Coors  
AMERICA'S FINEST LIGHT BEERCHILD-PORNO  
SUICIDE

Robert Spaeth, 46, who was arrested on Friday September 2nd, in connection with a child-porno ring, TEAM, Inc. 883 Geary Street / 1255 Post Street, did not show up for Court on Wednesday the 7th of September. Police went to his Twin Peaks home and found him dead. He had his throat slashed.

Despite the unusual suicide, the police say it was suicide.

Spaeth, an associate of Toby Ross, infamous pornographer who was deported

ASSOCIATE OF TOBY ROSS, KILLS SELF, FIVE DAYS AFTER ARREST!

earlier this year to Israel, completely fell apart, according to associates. He had told friends he was being hounded by the news media, and Ms. Marilyn "Smut-smiter" Baker of KPIX-TV in particular.

The publicity which came on Friday as a result of the KPIX-TV coverage was too much for Spaeth to absorb.

Earlier this week, Raymond Proca, 38, was convicted by a federal jury on 13 counts of child porno. Proca and Spaeth did know each other, some say.

## COORS DID NOT DONATE ANY MONEY TO ANITA BRYANT

Top management of the Adolph Coors Company of Golden Colorado, has been meeting with the Rev. Ray Broshers, longtime gay activist, and candidate for Supervisor in District 4.

The meetings began on Wednesday August 31, and continued on after top management persons flew here to San Francisco to meet with Broshers on Friday. The two days of talks took nearly five full hours of exchange of ideas, problems and the truth about the Anita Bryant donation.

Broshers, former president of the GLA (Gay Liberation Alliance) admitted to the Coors people that he had created the story about Bryant's "Save Our Children" group having received money from the Coors Company and their Heritage Foundation, in an effort to hurt Bryant....and based upon the fact that Coors did not hire openly gay people, and the words "sexual orientation" was not in the hiring policies of Coors.

Coors has tentatively agreed to add sexual orientation to their hiring practices...they have also tentatively agreed to hire a gay person as an employment counsellor, and in addition, negotiations are still going on about Coors becoming more aware of consumer problems, and not just with the selling of the beer itself.

Broshers told how in April at the GLA demonstration at the Singer Sewing Machine Company, he had put Coors name on the pamphlet he was handing out as having given

funds to Anita Bryant's campaign. He related how Harvey Milk, who did not of course, show up at the demonstration....called him on the phone later and asked about the Coors donation to Anita....at that time Rev. Broshers said they had donated \$50,000 or so, then Harvey wrote in his column in the Bay Area Reporter, that Coors had given \$50,000 and then the Sentinel of Charles Lee Morris upped the amount to \$100,000....and then Goodstein's Advocate upped it to \$150,000 and then the National Gay Task Force upped it to \$250,000....and it was all mythical, it had began in the office of the GLA and was promoted at the Singer demonstration via the media there, and Harvey Milk, who is the political puppet of Alan Baird of the Teamsters Union along with Howard Wallace, militant socialist gay activists, all took up the hue and cry, for the unions wanted to break the back of Coors and saw in this issue, a way to use gays to do so.

Coors never donated any funds at anytime to "Save Our Children" or to Anita Bryant! What began as a ploy to put pressure on Anita, was taken by Harvey Milk, Alan Baird, and Howard Wallace and used to try and break Coors in their labor difficulties.

So, with the tentative agreement reached, is it not time for the gay bars to put Coors back in? We think so. Coors Beer, a family operation is moving into the 21st Century at last by changing their hiring policies.

Coors yes....unions no!

# The GAY LEFT.....

## Marx • Lenin • Trotsky • Mao

The "Gay Left" is growing in most major American and European cities. Who are these homosexuals? Why have they chosen to follow the "red flag" of "socialism" (Marxist-Leninist) and the limited freedom that goes with it? How strong are they in California and in San Francisco in particular? What are their goals, their plans for "us" who chose not to follow them? These and other questions are answered in this startling article, pieced together by experts on the radical left. After reading this, you may choose to withdraw from certain "gay" organizations, for you may find you have been "duped", and all in the name of "gay liberations human rights struggle".

The oppression of homosexual peoples all throughout the history of the world is well documented. Homosexuals have been forced to hide their real selves behind a mask of heterosexual conformity. Homosexuals have been deprived of their social and political identity, like so many other oppressed groups.....that is, until San Francisco 1966. San Francisco 1966.....when in that long hot summer, with racial discord everywhere.....with the advent of the flower children, and the beginning of the unhappiness of the public with the war in southeast Asia.....in the City of San Francisco.....the militant gay liberation movement began.....not in New York on Christopher Street as some of the eastern gay historians would have you believe.....but right here in San Francisco.

And some of the gays who were at the Stonewall bar on Christopher Street in 1969, had been to the San Francisco battle scene in 1966, that's where they learned about militant resistance.

On a hot muggy San Francisco evening, a group of what was then called "hair-fairies" went into Compton's, at the corner of Turk and Taylor street. Compton's was an all night cafeteria, very popular for cruising and hustling in those closed days. The manager didn't like their feminine looking apparel....for then, men couldn't cross-dress....so they wore trousers, with women's blouse, hair piled high on their heads.....usually wigs of course, and make-up for days.....! The manager proceeded to order the "hair-fairies" out, using a rent-a-cop to do so. Then windows began breaking, and a full scale rebellion was on. Police cars arrived, and a battle of great proportions began and it lasted for six days and nights, with a settlement coming at a meeting at the nearby Glide Methodist Church, negotiated by Spt. Elliot Blackstone of the Police Community Relations Unit, with the management of the cafeteria and the SFPD Central Station officers. It heralded a new day in San Francisco, and since that time, long before the Stonewall riot in New York, the gays in San Francisco were well along in the battle for equal rights. The Tenderloin homosexual riots were three years before the Christopher Street riots.

But, the left began in 1966 a slow but methodical infiltration into the then, "homophile movement", in the Bay Area.

With the advent of a street-homosexual group called VANGUARD, which was at one time headquartered at Glide Church, until March of 1967 when the anti-homo minister, Rev. Cecil Williams threw them out, and they found a home elsewhere, the left began its infiltration into that group. The advisor to the VANGUARD group was the Rev. Ray Broshears. He opposed the continued militant tactics just for the sake of being militant.

But, new voices began popping up, like Leo Laurence, who was fired from KGO radio for being a homosexual. Leo, finding he couldn't take over VANGUARD, formed the Committee For Homosexual Freedom...CHF. CHF and VANGUARD had one thing in common, their opposition to SIR (Society for Individual Rights) which worked with certain police officials to try and halt the growth of both VANGUARD and CHF. Vanguard did finally die in early 1969, and was followed by the GLF (Gay Liberation Front) which was headquartered with the CHF at 330 Grove Street. With the demise of the CHF, the GLF and radical leftist politics took center-stage in San Francisco. The GLF-SF flocked to the defense of Huey Newton, Angela Davis and others such "darlings" of the Marxist philosophy.

The GLF-SF was led at one time or another by such persons as Pat Brown, David Carpenter, Mikhail Itkin, Nick Benton (now a member of the U.S. Labor Party, which is so far left, it is working for the CIA), and Jim Rankin. The GLF-SF died away with the formation of the Gay Activists Alliance (GAA-SF) by the militants, Bishop Mikail Itkin and Rev. Ray Broshears, co-founders. Itkin split and left and formed the BAYGAY (Bay Area Gay Liberation) organization, which lasted but a year. Itkin's group supporting the radical leftist causes, while Broshears' group chose the middle-of-the-road line, with heavy involvement in picketing of the Pacific Telephone in 1971 and heavy involvement in anti-way demonstrations. For years, the gay scene in San Francisco was dominated by the SIR, GAA-SF, and BAYGAY.

But, GAA "died" with the advent of a

social services center called "Helping Hands Community Center".....and the other group, BAYGAY was "dead" as well. Now, SIR dominated the field alone and it was anti-leftist. Helping Hands was pro-everyone except the extreme left and the extreme right. It spawned several persons who became activists in groups such as BAGL (Bay Area Gay Liberation), GAY ACTION, Fruit Punch Radio Collective, Human Rights Coalition, and the now defunct Lavender Panthers.

Helping Hands also "died" as it could not tolerate leftist politics being used at the Center. Thusly the founding of the SWP dominated....BAGL (Bay Area Gay Liberation).

Howard Wallace, longtime SWP, was a driving force behind the founding of BAGL. Wallace was a candidate under the Marxist-Leninist-Trotskyist banner for Supervisor in 1973. He and his roommate, Calude Wynne, a nother fellow Socialist, were the main lines in BAGL. They were joined by Hank Wilson, Randy Alfred (SENTINEL), amongst others. BAGL took a strong leftist cause...opposing the capitalist system of government. It was the first gay group in San Francisco to do so, since the GLF-SF. The old GAA never took an anti-government anti-System position, although some of its allies were in common with the left.

BAGL had many disaffections....racism....sexism....with some of the members trying to make BAGL into a heavy left-wing organization.

BAGL then, as today, calls itself, anti-Imperialist. BAGL claims that they are a group of gay women and men trying to unite people of all races in common struggle against our oppression.

BAGL leaders have never really found out what the oppression was, striking out more often than not, at the old guard gay leadership of SIR, and the GLA (Gay Liberation Alliance, a hand tool of Rev. Ray Broshears who formed the group at the demise of his Helping Hands Center). BAGL all agree, did not understand that SIR and GLA were not the enemies. But the BAGL leadership of Wallace and Wynne (now a candidate for Supervisor in District 4), were very heavy into personalities, and it led to the split of BAGL over the Matlovich issue.

Most BAGL members were opposed to support of Air Force Sgt. Leonard Matlovich, as it was contrary to the Marxist and Maoist lines many of the BAGLites were following. When a vote was taken to invite Matlovich to speak before BAGL, and the membership voted against it, Howard Wallace and Calude Wynne considered this a "slap in the face" and/or their "egos" had been "bruised". They left BAGL after trying to regain control of the leadership which they lost. They became involved in the PRIDE Foundation.

But, BAGL was not the only Marxist group in GAY San Francisco, we had the JUNE 28th UNION, which was founded by the late Michael Silverstein. Silverstein, one of the greatest political personalities the gay communities of an urban area has seen, in a last desperate act against the injustices of an unloving, uncaring gay society, took his own life earlier this year. With him, he took the June 28th Union, for without his guidance, it deteriorated into a bunch of rhetorical bitchy queens.

Another group, the SOCIALIST Gay Collective of Zack Mansfield and associates, who were sworn to the principles of the I.S. (International Socialists) which was another brand of Marxism and Trotskyism. It never really got off the ground, so to speak. It had splintered off the old Itkin Bay Gay group some years back.

Another radical leftist group which was also shortlived, was the REVOLUTIONARY GAY MEN'S UNION.

But, back to the BAGL split. When the RGMU (Revolutionary Gay Men's Union collective) of BAGL took up the challenge of the personality-oriented Howard Wallace-Claude Wynne group, Gay Action Caucus, the stunning setback for the 2 ego-dominated persons caused them to go into "hiding" so to speak. But weeks later, they and their followers took up with the "people-seeking" Paul Hardman of the PRIDE Foundation. Hardman was the perfect ploy for Wallace and Wynne. The three of them "made issues" if their were none to be found at hand. It was the perfect marriage....except for one thing. Hardman, a former Republican,

who turned Democrat in '75, is a solid capitalist with his real estate speculation, etc. So, the it was an odd sort of an alliance.

But, the Gay Actions goal was the \$5 sign.....which they saw when they looked at the SF TAVERN GUILD Building Fund. They seemed to feel that the money was collected for their type of a gay community center. Hardman felt that the money was collected for his type of a gay community center, but both were wrong. So, this odd marriage of the "Gay Left" and a Capitalist was completed....shaky, it still exists today.

Milk, a Castro politician, has used the gay center on Grove street, as a battering ram, so to speak, to woo votes and support from the gay left, and from Hardman and his followers.

Many gays make "alliances" with the Gay Left when they feel it will help their own selfish purposes.

The Tavern Guild, a grouping a gay bar owners, and employees, is often the target of the Gay Left of Howard Wallace and Claude Wynne.

The picket of the now-defunct Mindshaft by the Wallace-Wynne inspired BAGLites in '75, caused a considerable amount of concern with the gay business community. The reasons for the picket escalated, into a "socialism vs. capitalism" picket. The original charge was "racism".

Wallace and his "socialists" followers had at last, made themselves a threat of sorts to the "old guard".

SIR was "dying" and is now defunct.....

and BAGL and then the subsequent GAY ACTION group's "marriage of convenience" with Paul Hardman and PRIDE was the "death-nell" for SIR.

This left only Helping Hands Center, and the GLA. In a sudden move, in an effort to thwart the efforts of the Gay Left, the Helping Hands Center was shut down. It left the Tenderloin with a vacuum in the area of social serves.

But, the GLA, formerly the GAA, began a "new life" which was dedicated to stopping the growth of the "Gay Left".

The head of the GLA then, was the Rev. Ray Broshears, who called an emergency, but very secretive meeting of Tavern Guild owners, and selected gay leaders. It was held at the Club Dori. Some people who heard about the meeting, but had not been invited, were turned away. For it was at this meeting, that Broshears revealed his "Lavender & Red List". He revealed things about the various Gay Left persons and groups, to the assembled persons, about 50 all told. Then he left it up to them as to whom they should give support to or not. Some persons left the meeting with a strong resolve to oppose the new Gay Left. Others, were not so sure tho.

But now, the "war" was on. The battle lines had been drawn between the moderate gays and the "Gay Left".....the trouble was, the Gay Left has dedication, while the moderates gays, could not then, and cannot today, keep a strong push going. Thusly allowing for gays to be used, so to speak, by the Gay Left, in a myriad of radical leftist causes.

The Gay Left has an attitude that "welfare is a right" which the gay moderates believe that welfare should be a stepping stone to better yourself. At SF GAY RAP, which a good number of the Gay left attend, a vote was taken there, and the majority felt that "welfare is a way of life and a right".

The gay moderates, aka: Ray Broshears, denounced that statement, pointing out, that it is the radical left in America that "pushes the welfare state" in the hopes that the budget of the various local, state and national governments will eventually "topple" under the heavy amount of welfare \$5 they have having to pay out. Broshears said that this is what the radical left wants, they want the system to overload and then break down.....and that is what welfare is doing, it is killing the middle-class average American who is the one who foots the bill for the welfare system. "Welfare Yes, abuse---No!" is the cry of the gay moderates.

But, GAY ACTION'S Bar Committee is a group formed to cause trouble, many gays feel, for the Tavern Guild. And it is composed of many of the "welfareites" of BAGL and GAY ACTION. The Bar Committee was began by Claude Wynne in BAGL in what many felt was an attempt to terrorize the gay business world, and in

laters actions by the Bar Committee of GAY ACTION & BAGL, this became evident, particularly when they began their "safety" crusade (the "gay" Anita Bryant) and the new chairperson, called a media in the Castro.....the called the newspapers and proceeded to castigate the Tavern Guild bars for not being safe, and lacking proper fire safety procedures. All of the bars named by the members of GAY ACTION, and the Coalition for Human Rights as well as the SF Gay Democratic Club.....were not, members of the Tavern Guild. But this is an old Trotskyist trick, to use something real, and add on decorations to make it seem like the decorations are wrong, not the structure itself.

Witness the so-called "gay-slaying" of one Robert Hillsborough. Certain gay politicians in the Castro "made" it into a "Gay" killing, via the newspaper (Chronicle) almost 48 hours after it had happened. Opportunistic politicians, Moscone, et al, jumped onto a good publicity bandwagon when they saw it, as did the SENTINEL and Chuck Lee who "set up" the GLA's Rev. Ray Broshears, with the help of certain well-known socialists, but Broshears did not hide, he stood his ground, even tho he knew he had been had. The Hillsborough killing was a tragic affair, both for the person and politically for gays.

Hillsborough it was revealed, in a NEW WEST MAGAZINE article, was killed yes....but NOT because he was gay....he had hit the man who killed him later, with his car when leaving the parking lot of a drive-in.

Hillsborough was no saint, he had an arrest record that will be brought out in the trial. But, this is brought up to show you how the "gay left" will use things for their own purposes. The Hillsborough killing was used as a "Gay Reichstag" by the gay left and a Castro gay politico.

The "Gay Left" is here....it is real, and many of you reading this paper may be a part of it and not know it.

Witness.....on August 20th a Gay March & Rally was held, ending at the United Nations Plaza.....only 300 showed up, 3,000 had been predicted.

The rally had such speakers as Ericka Huggins of the Black Panther Party who spoke long and loud about how "innocent" Huey Newton was. Linda Gill of the SWP (Socialist Workers Party) also spoke for an end to the kind of government we have today. She spoke of socialism (have you ever seen a gay socialist city? not ever!).

The Rally was endorsed by the scandal ridden Peoples Temple (how gay!) of Rev. Jim Jones; the Delancey Street people, Paul D. Hardman; the SENTINEL and it's editor, Chuck Lee, who has Randy Alfred working for him. Huey Newton is not a "gay issue", nor is many of the other things the "gay left" is involved with.

It is time for you to take a good look at some of the the "gay groups" you are a member of. Take a good look, question the so called leaders about such things as, socialism....the police....the America form of government....the church, etc. Inquire of these groups: Gay Action; Coalition for Human Rights; Join Hands; Join Hands; Coalition to Defend Gays in The Military; Gay Freedom Day Parade Committee-Stonewall Contingent; and the Radical Lesbian Alliance.

The "honeymoon" for gay liberation is all over.....and look at who some of you have went to bed with.....surprise!!! It was once said, that when you lie down with dogs you get up with fleas! Take a word of warning from that.

For what you see and hear.....is not necessarily what you get.....in the end. Do you want the "hammer and sickle" on top of city hall?.....on top of the House of Representatives?

Gay liberation is "in", and the radical left has jumped in with it!

KEN MADDY — CANDIDATE  
GOP Assemblymember Ken Maddy has been endorsed by the TEDDY ROOSEVELT REPUBLICAN CLUBS IN SAN DIEGO AND SAN FRANCISCO.

## POLK-NOB HILL NEIGHBOOD Association

### DRUGS ON POLK STREET.....WHO IS BEHIND IT? BIG BUSINESS?

Major drug peddlers have flooded the Polk Street shopping area lately, from California Street southward. With it has come the usual violence and rip-offs that always accompany drug dealing and use. Chief of Police Charles Gain has told the representatives of the Association that he is putting more undercover Narcs on the

street right away. But, residents are deeply concerned over this problem. A few of the businesses have been working with the Association to clean-up the area. Some businesses have not, for drug-peddlers have money to spend on clothes, one tiny merchant said. He was critical of other Polk Street businesses. The sale by some stores of alcohol to the minors on the street is under investigation.

## KEN MADDY.... GOVERNOR

"MADDY OPPOSES RIGHT-TO-WORK-REBORN INITIATIVE BEING PUSHED BY PETE WILSON!"

Assemblyman Ken Maddy R-Fresno, told a press conference that he is very much opposed to the proposed initiative of San Diego Mayor, Pete Wilson, which would prohibit binding arbitration procedures in the public sector. The Wilson Initiative would also ban strikes by public employees in California. Maddy said that while he favors neither strikes or binding arbitration, but believes public employees should receive salaries commensurate with the private sector.

Maddy said, "You cannot always blame the public employees for the rising cost of government. I think you should look at the services government provides. Some of the services should be cut. Don't make the public employees the fall guys!"

Maddy says that he feels the system must be changed. He suggested a government spending limitation initiative proposed unsuccessfully during the Reagan administration. "You have to say that government has grown enough and that no further growth will be permissible beyond cost of living increases," Maddy related to reporters assembled. He went on to say that, "You set a limit on how much money government can spend, and force legislators to make the hard decisions. That's a much more comprehensive approach than just cutting salaries."

MADDY HAS RAISED \$500,000 FOR GOVERNATORIAL RACE IN 1978.....Maddy has raised some badly needed dollars for his try for the Republican nomination for Governor in 1978. Maddy at the moment is a member of the Assembly, serving as Chairperson of the difficult, Criminal Justice Committee. Maddy has in the past, proven to be the most effective Republican in the State Assembly, and quite often crosses party lines in the area of civil liberties. As he did in 1975 to vote for the Consenting Adults Sex Law of Willie Browns. And in 1975, he was the only Republican Assemblymember to vote for the controversial equal employment rights legislation authored by the Assemblyman John Foran.

"DON'T HELP THE BRIGGS BANDWAGON ROLL!.....YOU ARE HELPING HIM CREATE AN ATMOSPHERE OF FEAR AND HATE IN CALIFORNIA.....IGNORE BRIGGS, DON'T FALL VICTIM TO HIS NEWS MEDIA GAMES!".....This is the plea of ranking aides around various Republican and Democrat leaders in the Assembly. They made that plea to a group of gay Republicans recently, concerning the bizarre behavior of State Senator John Briggs. One ranking Democrat said that "Gays are helping John Briggs become a political entity in California.....he was nothing until he managed to get the attention of reactionary gay militants. They are helping John Briggs more than they would ever know, if the gays were smart, they would ignore his "gay baiting"!"

It was remarked that Briggs, a no-issue candidate for Governor, has now become one with the help of the radical leftist gays and some non-thinking gay Democrats, like those of the Stonewall Democratic Club who want publicity at any price, much the same as Briggs.

## RIP-OFF PORN MOVIE HOUSE OPERATIONS

STRAIGHT-OWNED & OPERATED TENDERLOIN PORN HOUSE IS "USING/RIPPING-OFF" GAY LIBERATION MOVEMENT USING GAY MEN'S BODIES TO DO SO!

The Spartan Theatre at 150 Mason Street has come under fire of not only the GLA (Gay Liberation Alliance) but other gays with the opening of the film, "WILD FIRE" "A Gay Freedoms Documentary starring You!"

The "rip-off" of the name of the gay freedom day parade, as well as the gay liberation movement by this very straight owned theatre, which is also operated by straights, who for the most part, dis-like gays and want only their money, has to be the final straw, according to sources. The Spartan Theatre came under fire last year when it used "dancers" to make porno films with and paid the dancers very little.

They also came under the "eye" of the San Francisco Police Department then for the dancers having sex on stage and with customers. The SFPD said they are watching all the Tenderloin porno operations, with an eye to cleaning them up.

This latest effort of the Spartan, to take films of the gay parade and use sex interspersed with them, is a rip-off of the gay liberation movement.

The gay owned porno operations would never do that, one gay libber said, as they, being gay, have a responsibility to the gay community....but, someone like the Arabs who own and operate the Spartan and the Tea-Room Theatres have only a responsibility to their pockets and none to the gay community.

Since the Spartan went back to their old policies of exploitation, they have been advertising big in every newspaper they can, with the exception of this paper which will not accept their ads until they end their sex exploitation of the gay liberation movement.

Gays are urged to spend their money in gay owned business and to gaycott any straight owned business which exploits the gay liberation movement. As of this writing, meetings with various groups in the city are taking place concerning the operations of the Spartan and their Arab owned and operated porn empire which stretches from Chicago to San Francisco to Honolulu to the city of Phoenix where an investigation of their operations is already underway by the authorities.

## PORN-CREATORS BUSTED Marilyn Baker "Witch-hunt"

CHILD PORNO THE TARGET..... Friday July 2nd, south of Market Street San Francisco was the scene of child-prono distributor busts by members of a combined task force consisting of members of the Los Angeles Police Department, the San Francisco Police Department, and the Office of the Attorney General of California.

Arrested and charged in these raids were 46 year old Isaac Jones of the F&S Distributing Company, 349 Tenth Street.....and Robert Spath, 43, of TEAM, Inc., at 883 Geary Street.

TEAM INC.'s address on their literature is 1255 Post Street, but the members of the Task Force on Child Porno said they were unable

to reach the attorney's who office was being used as a mailing address. Meanwhile, a Potrero Street place was also busted as was another on Market Street. Meanwhile, while the real raids were taking place, Ms. Marilyn "Smut-Smiter" Baker of K.P.I.X.-TV was making her own news stories out of conjecture and mis-information. Ms. Baker's station, KPIX-TV is slipping in the ratings war so they turned her loose on the gay community to once more prey on the innocent and ignore the guilty. On the Friday evening news, Ms. Marilyn Smut-Smiter gave a totally false report concerning another porno business, which is an adult operation....but, Ms. Smut-Smiter was never one to let the truth deter her from creating the news.

**THE HOMOSEXUALS** by  
Macmillan, 332 pages, \$9.95

Seventeen different case histories are presented in this book by Macmillan. It is disappointing, in that it is not what one would expect from such a distinguished firm. It is still worth having in your library.

**PLAYING THE GAME, THE HOMOSEXUAL NOVEL IN AMERICA.**

Bobbs-Merrill, 240 pages, \$8.95

Written by Roger Austen, late of the Sentinel newspaper, is sort of a history book on gay male fiction. It wanders and never stops. Has very interesting parts, and always interesting, but, it does wander.

**HOMOSEXUALS IN HISTORY**  
Ambivalence in Society,  
Literature And The Arts  
Macmillan \$12.95

Written by A.L. Rowse, is a must for every gay library. It is serious and is non-judgmental concerning homosexuals who were prominent throughout history. King James I, Frederick the Great and so on, are all featured in this huge book. It was well researched, and you never lose interest. A.L. Rowse is to be commended in bringing to us a book which gives many of us the "roots" we needed.

**BELLE**  
Macmillan \$8.95  
by Michael Stewart

Michael Stewart, the man who brought you "Hello Dolly", "Bye, Bye Birdie", "Carnival" and "George M", at least the librettos thereof, has written his first novel, and it is a real smasher. It reeks of "Auntie Mame" through out. It is highly interesting, makes you keep a smile on your face while reading it. You can just see this old rich tenacious dowager BELLE, trying to outlive her friends and foes alike, just so she can go to their funerals, all across the land and around the world. Go out and buy, BELLE, you won't be sorry.

**FANCY DANCER**  
Bantam \$1.95  
by Patricia Nell Warren

Good book! What more can one say? The theme of a Catholic Priest and a young roustabout never-do-well in a Montana town, having sexual awakenings together, is new and is very well put together. Ms. Warren is a most sensitive woman, and writing about gay male love for a woman, has to be a real chore. But she brings it off well. I enjoyed it more than I did her other book, "The Front Runner".

**MANDATE**

It is unusual to do a review of a periodical such as a MANDATE. But, after having read the latest issue, with striking new format, we had to let our readers know, that MANDATE has changed and all for the better. The materials have improved, as have the layout. Our own Douglas Dean is now featured more prominently. Subscribe to it, and insure yourself of receiving this fine publication. A real credit to Gay America!

**MAGNUS**  
\$1.00  
published by Bay Area Gay Liberation's Magnus Collective.

This publication, available at few places in the city, is all about the gay left. It is indeed well written, and most everyone can learn something from it. It is always good to read what the "other side" is doing.

**CARL DRIVER INTERVIEWS - -  
PATRICIA NELL WARREN**

(Noted writer, and pioneer in the homosexual rights movement, Carl Driver, has joined the SAN FRANCISCO CRUSADER to write this telephone interview with Ms. Patricia Nell Warren, authoress of the "Fancy Dancer" and "The Front Runner". Carl Driver will be doing reviews of stage plays and other such events on a regular basis for the CRUSADER now. So, get in touch with us, if you wish to have any production reviewed by Carl Driver.)

"One does not simply choose a subject, then sit down and write a novel on it," said Patricia Nell Warren with a laugh. . . . obviously it was not the first time she had been asked why she, a female, had chosen to write on the subject of male homosexuality. She went on to explain that she had gotten the idea for "The Front Runner", about an athlete murdered during the Olympics because of his open homosexuality, after the murder of the Israeli athletics in Munich. That had been political, would the next step be sexual murder? But, she continued, since most Americans consider male athletes the very epitome of the straight life while on the other hand rather feel that most female athletes are too butch to be really feminine, she was forced to do this book about males to have the desired impact. An Olympic athlete who was an acknowledged lesbian would hardly raise any eyebrows, but a gay boy. . . . oh my! (The idols would shake in the Temple of Bael).

When asked if she had read any of the gay classic novels, CITY AND THE PILLAR, FINESTERRE, GIVONNI'S ROOM, she said she had not by intention, as she had enough trouble honing her own style and found that reading other authors created problems. Part of her research did, however, consist of viewing male porno movies. . . . "completely lacking in humor and really rather pathetic" was her comment, though she believes they have improved in the past few years. In as much as she herself is a long distance runner and had carried on an arduous fight with Amateur Athletic Union over their discriminatory policies, she needed no research on those aspects of the book.

"The Fancy Dancer", her latest novel, recently brought out in paperback by Bantam Books (\$1.95) went into five printings in its hardcover edition, an almost unheard of feat for a forthrightly gay novel. It takes place in a small town in Montana, and involves the first sexual awakenings and eventual coming out of a young catholic Priest who becomes involved with the town's local "Bad Boy", a half-caste Indian and a fancy dancer. While not as exciting, perhaps, as the "Front Runner" . . . is religion ever as exciting as sport in America today? . . . it is a deeper and more meaningful book with the emphasis on "should I or shouldn't I?" rather than the "Front Runner's" "will they or won't they?"

Although THE FANCY DANCER makes it clear that the Priest and the half-caste engage in sexual acts, it is extremely vague as to what these acts are; (the same criticism could be leveled at THE FRONT RUNNER, although there, careful reading did give hints as to who does what to whom.) Ms. Warren denied emphatically that this was in any way pandering to conservative morality or censorship but, rather, the natural

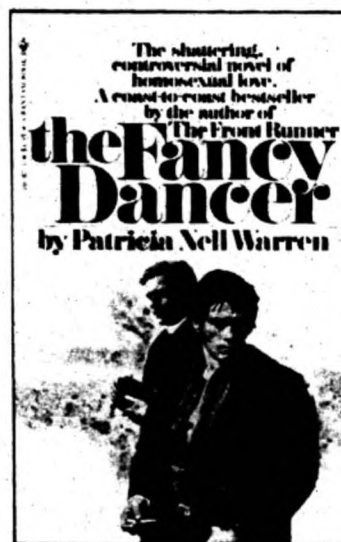

result of the story being told in the words of the Priest, a man so naive and inexperienced that even in his simple mind he would not dwell on the actual acts but simply that he had carnal knowledge of another male. She volunteered that she has also received criticism from individuals and womens groups, claiming that her female characters are, on the whole, less than complementarily drawn. This too she refutes, claiming that all the characters are drawn in the ideas and words of the book's protagonists and certainly do not express her own attitudes, she hastened to add.

Her next book, tentatively entitled, JUMP THE MOON, is a story about lesbian relationships and will, she promises, show females in a more sympathetic light than do her first two gay novels. Although not yet finished, it has already been sold and she hopes will be published early next year.

Asked about news on a film of THE FRONT RUNNER, she said the movie option had been renewed for a second time, but other than that, she had no definite knowledge on its progress. She seemed under the impression that the major problem so far seemed to be in getting an acceptable shooting script. When asked about the rumors that Paul Newman and Richard Thomas or Jan-Michael Vincent would play in it, she said she understood that Newman was both interested in playing the coach and in directing but thought that an unknown was wanted for the runner. So much for rumors!

Patricia Nell Warren is not only an obviously talented writer but also a very dedicated one with a full time job as an editor for Readers Digest Condensed Books, and an avocation

of taking care of and training her show horses, as well as working at her writing. Fluent and charming, she is a decided asset to the gay world for she writes with an insight, accuracy and, at the same time, believability that go far towards helping the straight world understand a scene that is inherently incomprehensible to them. It is to be hoped she will have a long and prolific career.

**Douglas Dean Goodman  
~ Tells All ~**

**DOUGLAS DEAN GOODMAN TELLS ALL.....ABOUT:** his marriage to Marlene Dietrich's daughter; his teacher, Maria Ouspenskaya; his views on the gaypress; his celebrated feud with Donald McLean (Lori Shannon); his thoughts on Eichelbaum and Weiner; and young actors and methods. This is the Fourth in a Series of Interviews with Dean Goodman (better known in the gay community as Douglas Dean), an actor, and writer currently living in San Francisco. Douglas Dean Goodman writes for the HOLLYWOOD REPORTER DRAMA-LOGUE and the international gay publication, MANDATE! He is also president of the SF Actor's Equity chapter.

**CRUSADER:** Dean, we understand you have just returned from Squaw Valley. Were you on vacation?

**DDG:** Not exactly, although the visit was a pleasant experience. I was invited by Ed Hastings, an A.C.T. director, to be an artist-in-residence at the annual Squaw Valley Writer's Conference. Jon Palmer's new play about Lyndon Johnson was given a staged reading, and I was asked to portray the ex-president.

**CRUSADER:** Oh, yes. You've mentioned this project before. What's going to happen with it?

**DDG:** I've been working on the script with Palmer for the past year. He's written this fabulous part with me in mind, which is a great compliment. The reading at Squaw Valley was a kind of tryout for the script, its first hearing before an audience . . . and a highly critical audience. I might add, composed of writers, directors, film and TV people from all over the country.

**CRUSADER:** What was their reaction to the play?

**DDG:** Many of them seemed to think that the script still needed some work. But, if I may be so modest as to say so, I received a lot of praise for my own performance.

**CRUSADER:** Will the play be presented in San Francisco?

**DDG:** I certainly hope so. But nothing in the theatre is ever a sure thing. We'll just have to wait and see. There are a lot of problems to be worked out and solved before we can open in San Francisco.

**CRUSADER:** You were telling us, in the last interview, about your early studies with the famed actress Maria Ouspenskaya. Wasn't she a teacher in Stanislavski's Moscow Art Theatre?

**DDG:** Yes she was. And working with Madame made clear to me just how misunderstood the Stanislavski system has been in the country and how misused. Many modern actors and directors who believe their own technique has its foundation in Stanislavski's teachings are half-way off the track.

**CRUSADER:** Can you explain what you mean by that . . . so a layman can understand it?

**DDG:** I'll try. When Stanislavski's first book, "An Actor Prepares", was translated into English it became the rage and everybody wanted to use this new realistic approach to the art of acting, as they thought they understood it. The trouble was, "An Actor Prepares", which dealt with the importance of sense memory, imagination, etc. only outlined the first steps in the Stanislavski system, the internal preparations . . . it was not the complete method. Later, other books stressed the value of good diction, characterization, style, and countless other things (the externals) which are really necessary for a polished performance. But many teachers, directors and actors, even today, are so hung-up on improvisation and "spontaneity" that they have never progressed beyond the first level of Stanislavski's approach. They really haven't applied what he taught in other lessons.

**CRUSADER:** Do you have any advice of your own for young actors?

**DDG:** Yes . . . particularly for those modern actors who don't yet understand the complete Method. Of course an actor should keep his five senses alive, school himself with improvisations, etc. But, when he prepares a role he should also make conscious choices and develop a pattern in rehearsals which he can repeat at every performance.

That's what it means to be professional. Being spontaneous or different at every performance . . . as some young actors (prompted by neophyte directors) think they should be . . . is amateurish and self-indulgent. I advise young actors to go to the ballet as often as possible, to watch the skill and style of the best dancers, to observe their precision. A good acting performance should have the same polish, in tempo and on the beat as exactly as any ballerina's or musician's.

**CRUSADER:** It was while you were studying with Ouspenskaya that you met Dietrich's daughter, your wife-to-be, isn't that so?

**DDG:** Well, I was protegee and private secretary to Madame between 1942 and 1945. It was in June of 1943 when I was appearing in "Love From A Stranger" at the old Max Reinhardt Studio that I met Maria Seiber.

**CRUSADER:** Was it love at first sight?

**DDG:** Not at all! I didn't like Maria and was rather hostile towards her in the beginning. She was a protegee of Peinhardt's, as her mother had been, and though only 18 she was permitted to teach at the Studio. She was surrounded by sycophants, a lot of people who wanted to get close to the mother, by being a friend to the daughter. That atmosphere turned me off. I didn't want to be part of the crowd.

**CRUSADER:** So how did you and Maria get together?

**DDG:** I think Maria sensed that I wasn't drawn to her. Therefore I became kind of a challenge. She admitted that to me later. Also, you have to remember, I was young and handsome at that time. I was considered a promising young actor and a big success in "Love From A Stranger". Many of Hollywood's top agents were trying to sign me up. Maria decided she wanted me and she set out to get me. . . . It may have been a little immodest of me to put it like that, but that's the way it was.

**CRUSADER:** What was Marlene's attitude about all of this?

**DDG:** Dietrich was not in Hollywood when Maria and I started dating. Rudy Seiber, Maria's father and a man whom Marlene never divorced, was living in New York . . . so I never got to know either of Maria's parents before we were married. We had not been introduced.

**CRUSADER:** If you resisted Maria in the beginning, how did she break down your defenses?

**DDG:** She made up her mind to give a party, inviting a lot of our mutual friends, and she asked on of these friends to persuade me to come.

**CRUSADER:** One question . . . just for clarification . . . were you gay at that time or bi-sexual or what?

**DDG:** Inherently I was gay, of course. But at 23 all of my major sex and romantic relationships had been with women. I was tremendously drawn to beautiful and sophisticated women. Oh, I'd had casual sex with a few guys . . . but females were my main interest at that time.

**CRUSADER:** So you went to Maria's party  
**DDG:** Yes. And it turned out to be a night which changed the course of my entire life.

(IN OUR NEXT ISSUE: Douglas Dean Goodman will continue the story of his career in Hollywood and New York . . . and a few comments about some upcoming plays here in San Francisco.)

Mother Marlene and daughter Maria together, in the lobby of a New York theatre, about 1950.

## GOSSIP COLUMNIST: MOCKINGBIRD

.....One Friday morning recently, attorney B.J. BECKWITH was awoke by someone whom he said sounded by a "whining, yellow, egg-sucking dog".....it turned out to be BARRY KING (also known as Kiki N.G.), a candidate for Supervisor, complaining about his opponent, Rev. RAY BRO-SHEARS! Beckwith told the person or voice, that he didn't know who BARRY KING was, and if he had any gripes with RAY to take it up with him and not to bother him! Dear dear.....poor KING thinks that politics is for queens who set about sipping tea (or booze)! If you can't stand the heat.....get out of the kitchen.....or maybe better.....clean some kitchens!!!!!! Or have your chubbier-than-RAY supporter, JACK CAMPBELL, tell you how he and JIM FONSTER lost the Dade County election to ANITA BRYANT.....she's a Democrat you know!!

.....PETER DILIBERTO of the GAY Voters League is back in school at USF and at the HOT'L Baths, 975 Harrison. He is also the Campaign Treasurer for RAY BRO-SHEARS. PETER is very quiet and is one of RAY's "step-children"! RICK HOUL-HAN of the HOT'L is "panting" every time he sees PETER!

.....HARVEY MILK did himself proud at the Castro Street Fair (see pic elsewhere in this issue), for it was well organized and it had alot of REAL people participation. The Polk Street Fair people should take a lesson from it, but they won't.....it's controlled by straights like Cohen and Schulman and their "followers"!

.....BILLY CARTER is backing RAY BRO-SHEARS for the Board of Supervisors! BILLY works part-time at KIMOS!

.....GREG ANDREWS who ran away from the Golden Gate Gay Liberation House's Survival House, is now back at that place. Such a nice boy, but wow!, is he ever into some strange trips!

....."HELIUM HEELS".....better known to those of you who dance around at the so-fine ALFIES disco, as MICHAEL GARRETT.....when not at the disco, you can find him behind and sometimes under, the counter at the NOB HILL CINEMA! He is the hottest thing to come out of TEXAS since LEROY!

....."A Gay Hysterectomy" according to Supervisor candidate ANDREW BETAN. COURT (Number 5) is when you have the tongue and tonsils removed!! GONGGGG!.....Also the operation that changes women to men is called a "Strapa-dichtomie"! That also comes from candidate BETAN.....COURT!!!

.....LEE RAYMOND has a big one also.....his name is JOHN, who likes the name GOLDIE.....she also has one named TEDDY and he has nothing to do with the Republican Party either! LEE is Republican you know.

.....THOMAS M EDWARDS well known radical right winger whose greater hero is RICHARD M NIXON was on the phone the other day when someone called the SPCA.....woof woof! Dear heart, he is a Gopher backing SICK STROKES for stupid-visor!

.....TOM EDWARDS and his partner in "crime" so-to-speak, TOM ISENBERG, a EX-member of the TEDDY ROOSEVELT Republican Club, both have one other thing in common.....they both use artificial coloring on top of their heads!

.....LEE RAYMOND is writing a new play.....where are you going to get the \$\$\$ to produce this sparkler?? Wish you the best of luck, for it is a hit!! LEE'S phone number, for you "angels" is 771-2670!

.....And, while on the subject of plays, an oldie but goodie, called, PEARLIE, is being produced by DONALD McLEAN also known as Lori Shannon. It has an all black cast, and promises to be a real winner! It will open about the first of October at the CHI CHI THEATRE is has been reported. Best wishes DON, and keep us informed!!

.....JANE DOE is still EMPRESS and don't you forget it.....sez MELVINA the Czarina de Colma! Amen sez RAY BRO-SHEARS!!

.....GREG AND KIMO have moved into the 4th District just so they could vote for the Rev. RAY BRO-SHEARS! Isn't that loyalty???

.....The COWBOY who has been riding the MADAME LESLIE was had by RAY BRO-SHEARS four years ago.....seconds anyone?

.....BABY RUGGED RUTH who used to be known as TACKY RUTH is still very very tacky.....gawd is she tacky!!!! And he is working/playing at the N' TOUCH with that hunky DOUG McCLINTOCK!!! and MAVIS and WAYNE and CARL and PAUL and a cast of thousands weekly!

.....Have you tasted the fine food at the GALLEON on 14th & Market? If not, do drop in, you'll love the food and the atmosphere!

.....JIM OSTLUND & LEE RAYMOND, along with Princess LA KISH and other of the OSTLUND "Emperor Train" locomoted around the Tenderloins the other night.....LEE was scared out of her wits at the old TRAPP! But, she found some hunkies at the LANDMARK and PETER PAN! With big JIM to protect KISH & Lee, they had nothing to worry about!

.....The TURF CLUB in HAYWARD is having a B.B.Q. on Saturday afternoon, September 10th, the day after the CRUSADER comes out.....it is located 22517 Mission Blvd. It should be really fine, for all the big "stars" of the Golden 400 will be therefrom San Francisco, and it is all for charity.....it begins at 3 PM.....say hi to EDDIE PAULSON for me!

.....Is the COORS BEER boycott over? The answer is YES! For COORS has proven they never gave any money to ANITA and also they are hiring gays at their ONLY plant in Golden Colorado! NICOLE MURRAY, PRESIDENT OF THE SAN DIEGO TEDDY ROOSEVELT REPUBLICAN CLUB, PICTURED ABOVE ON SAN DIEGO'S CHANNEL 8 NEWS STUDIO KFMB-TV. (The limp wrist belongs to the newscaster!)

On June 27th, Nicole Murray led a crowd of 2,000 gays marching through the city of San Diego into Balboa Park. There Nicole gave a moving speech, denouncing the continued police harassment of gays in that border city. Within the following month, Nicole was arrested six times, following that speech, which the San Diego Chief of Police did not appreciate. The Chief, William Kollender, appeared on TV to refute Nicole's charges and to tell why he would never hire a homosexual as a police officer. "Homosexuals are emotionally unstable," he said! Mayor Pete Wilson supported the Chief of Police in his statement. EX-POLICEMAN SAYS HE IS GAY...former San Diego Police Sgt. Larry Lamond "came out" and said to TV viewers that he is a homosexual and was when he was on the SDPD. Lamond, 37, is now a real estate salesperson in San Diego. The former police sergeant denounced the other gay political group, the S.D. Democratic Club, for their disruptive tactics. He praised the Teddy Roosevelt Republican Club and their president, Nicole Murray for handling themselves well. The San Diego Democratic Club has "imported" disrupter George Raya to live in San Diego, where he will go to law school also, to help them in their attempt to discredit the responsible work the S.D. Teddy Roosevelt Republican Club is doing, and their president Nicole Murray. Raya as many remember, was the laughing stock of the gay community when he was one of the participants at the meeting with Presidential aide, Midge Constanza, and she had asked what was the most pressing problem in San Francisco, and Raya replied, "We have a serious problem with anal warts!" The SD Democratic Club now has the anal wart specialist to help them grow...the club, I guess, not anal warts.

## TEDDY ROOSEVELT REPUBLICAN CLUBS

STATE SENATOR JOHN BRIGGS BRACES SELF FOR ONSLAUGHT BY NICOLE AND BROSHEARS!

"THOSE GAY REPUBLICANS MAY BE THE DEATH OF ME YET!"...John Briggs

GAY GOP TO MEET IN SAN DIEGO AT THE REPUBLICAN STATE CONVENTION... FOUR GAY REPUBLICAN CLUBS AND ONE "QUEER" ONE NOW IN CALIFORNIA.

The Teddy Roosevelt Republican Council of Clubs...San Diego...Los Angeles...and San Francisco, with an associate club in Lancaster (of all places), will be confronting State Senator John Briggs' resolution of support by the State Central Committee at the September 30, October 1st & 2nd Convention in San Diego. The Teddy Clubs presidents all feel they have enough support to at least "table" the Briggs resolution. As to the defeat of the resolution, SF Teddy Club president, Rev. Ray Broshears said, "We don't have near enough support to send it down to defeat, but we do have enough support to table it effectively, thus giving us a victory of sorts!" Nicole Murray of the San Diego Teddy Club, said they would fight Briggs and his supporters down to the last word!

A last minute split in the San Francisco Teddy ranks occurred, when Tom Isenberg and Don James broke away to form their own gay GOP club, called the Concerned Republicans For Individual Rights...with the help of Nixon-supporter Tom Edwards...with which Broshears denounced them as a bunch of "radical right wing racists, who are a disgrace to the gay community, as well as the Republican Party...they are supporters of Reagan and his ilk!" Both James and Isenberg were Associate Members of the Republican State Central Committee by appointment of Broshears, who has had them removed. Thus ensuring the Teddy Roosevelt Republican Clubs of control of the Gay Caucus at the GOP meeting. The Teddy Clubs of SF & SD are united!

I found out there are other things to do in the city besides, "balls", baths, and balling (not necessarily in that order). I found out that some people would rather play for blood, than just sport. I found out that the people at Japantown Bowling Center are a tremendous group of men, with two waitresses that are right with it. I found out that A.B.C. means American Bowling Congress and nothing to do with booze (really!!!!)  
.....So, thank you SHARON, DINGY DON, SMITTY, KEN, and CHUCK (CHAR) for your patience.

SAY UNTO THYSELF  
I HAVE NO SHAME, FOR THERE IS  
NOTHING TO SHAME.  
FOR SHAME WAS CAST UPON ME TO  
CLOSE MY MIND, MY EYES, MY EARS,  
MY TOUCH.  
SO THAT I WOULD BE UNABLE TO  
UNDERSTAND ALL THINGS OF THE  
UNIVERSE AND HOW THEY WERE  
MEANT.  
TO KEEP ME IN DARKNESS NOT TO  
KNOW THE WRONG DONE UNTO ME.  
SO THAT I MIGHT NOT CONCEIVE MY  
PURPOSE AND PURPOSE FOR MY  
FELLOW BEINGS.  
FOR WITH SHAME CAME UGLINESS  
OF ALL KINDS, IN MIND AND IN PUR-  
POSE.  
I SHALL DRIVE THIS CURSE FROM  
EVERY LIVING PART OF MY SOUL.  
I HAVE NO SHAME, BUT I HAVE LOVE  
FOR IT IS NOTHING TO SHAME  
ONLY TO SHARE WITH MY FELLOW MAN.

I have introduced the "Green-stuff".....  
CHLORELLA to.

I happened to be at BUFFALO Whole  
Foods, California & Hyde, across from  
Cala. I had finished my business there  
and was staring at the Hi-Protein bars,  
my favorite is the Hoffman Carob. As I  
stand trying to pick my selection, I over  
hear a conversation between one of the  
store owners, Ron, and a salesman for  
Algae. "High in protein, has the 92 know-  
n elements needed to support life, a good  
source of chlorophyll". As the salesman  
went on and on about this stuff, my mind  
flashed to my love, who was stricken with  
hepatitis (gay yellow fever), knowing  
chlorophyll is good to help the body  
clean and heal itself, I bought a bottle,  
thinking at least, the chlorophyll will be  
good and the other, added, whatever,  
couldn't hurt.

Well, as Steve (my lover) took the 12  
capsules I gave him that first day, I felt  
this was really alright. The very next day  
the liver pain was gone, the nausea gone,  
and five days later, the doctor gives him  
the OK!

Well, that got me turned on to this "green  
stuff", besides Steve's remarkable recover  
we both enjoyed increased energy. Well,  
here is an article on it, "WHAT IS CHLO-  
RELLA?"

Introducing the Most Important  
Product of the Space Age Tech-  
nology.....

CHLORELLA, the Miracle Food  
Over thirty years of international effort  
and millions of dollars have gone into the  
scientific laboratory and agricultural re-  
search on CHLORELLA, the heavenly

man food CHLORELLA is a very fast  
growing and nutritious food. One spoon-  
ful of CHLORELLA powder is equal in  
protein nutritional value to a steak! Every  
hundred pounds of dried CHLORELLA  
powder contains 45 pounds of protein al-  
bumen - - - five and one half times as  
much as rice and time times as much as  
wheat - - - 15 pounds of fat, a great amount  
of carbohydrate, and contains all the  
vitamins and minerals created by nature.  
CHLORELLA is the world's most self-  
sufficient and healthful food and can be  
grown in your own back yard or basement  
with very little effort, time and expense.  
CHLORELLA is an algae food grown in  
water. A single Chlorella can multiply 40  
fold in 24 hours and under ordinary con-  
ditions 32 crops a year can be expected. A  
small amount of Chlorella added to bread  
will increase its food value 20% in protein  
and 75% in fat while also adding vitamins  
A, B, & C. Babies are satisfactorily fed  
Chlorella in place of powdered milk.

Animals may also be fed Chlorella, young  
pigs, geese, ducks, and cows when fed  
Chlorella have shown marked increases  
in weight and health in quality and quan-  
tity.

Human beings in their daily life need 5  
nutritive elements----fat, protein, carbo-  
hydrate, minerals, and vitamins. Chlorella  
is a plant which richly contains the  
above 5 nutrients like a highly condensed  
nutrient crystal. For the past 50 years  
scientists throughout the world have made  
intensive studies and research on this  
tiny unicellular plant which cannot be  
seen with the naked eye. However tiny it  
is, it is full of energy and is the most eco-  
nomical, nutritious and ideal food for all  
of us, and especially for astronauts. Peo-  
ple now view its potential with greatest  
interest and enthusiasm.

The most important of research in the  
development of Chlorella as a food has  
been made by scientists of the United  
States, Russia, China and Japan. A new  
discovery has been an essential element  
called, "Chlorella Growth Factor" which  
serves as an effective ingredient to ac-  
celerate the growth of new cells in living  
things. The protein component of Chlo-  
rella is also of great value. Chlorella is  
utilized most effectively in the develop-  
ment of protein in the body. Research al-  
so shows its great value in accelerating  
the growth of lactobacillus in the diges-  
tive tract.

Almost unknown to the science of nu-  
trition is the fact that plants and animals  
derive only 3% of their nutrients from

the earth. The other 97% comes from  
the atmosphere. Included in this nutri-  
tional supply are the 92 known elements  
needed to support life. All these nutri-  
ents are present in abundance in Chlorella,  
due to the activity of unicellular photo-  
synthesis in its reaction with the energy  
of the sun.

CHLORELLA IS A GIFT FROM THE  
SUN. Chlorella is a pure natural source  
of quick energy that also increases indus-  
try during your daily activities. Fast-  
ing, cleansing, dieting, and body toning  
are made easy with Chlorella because of  
the balanced protein content which pro-  
vides energy and stamina while the Chlo-  
rophyll rebuilds the blood hemoglobin  
as the body detoxifies and eliminates.

## SAN FRANCISCO CRUSADER

# "The Friendly Fuzz", Elliot Blackstone sez;

"I urge all concerned citizens to  
vote for RAY BROSHEARS for  
Supervisor in District 4.

I have known Ray Broshears since  
he first came to the City of San  
Francisco in early 1966.

He has proven to be one of the  
most dependable workers for the  
betterment of others that I have  
seen.

His early involvement in the strug-  
gle for equal rights for black  
people, then his deep abiding con-  
cern and tireless work on behalf  
of the poor and the elderly of the  
Central City (Tenderloin-South of  
Market), as well as his involvement  
in the gay liberation movement,  
all add up to a fine Supervisor to  
represent all people. I don't think  
I could urge my friends and fellow  
San Franciscans strongly enough to  
vote for the Rev. RAY  
BROSHEARS for SUPERVISOR  
in District 4, enough!"

Sgt. Elliot Blackstone,  
SFPD (Ret.)

Sgt. Elliot Blackstone, known to  
the gay community for years as  
the "Friendly Fuzz", which he  
was, worked with Ray Broshears  
on a daily basis in solving the  
complex problems facing the re-  
sidents of the Central City area.  
Sgt. Blackstone and Rev. Ray Bro-  
shears worked together tirelessly  
to solve the personal problems of  
tens of thousands of newly arrived  
gays to San Francisco.

Sgt. Blackstone had an office in  
the Tenderloin, as a part of his  
assignment from the San Francis-  
co Police Department, to work in  
the Central City and in particular  
with the gays community and the  
senior citizens.
