GAI PRIDE WEEK ACTIVITIES

Gay Pride Week activities will begin on Sunday June 18th with a picnic and carnival in Berkeley. EAST BAY GAI DAY and will be held at Willard Park, at the corner of Derby and Benvenue. It will run from noon till six. And that night, there will be a dance at the East Bay Gai Community Center 2714 Telegraph Avenue, in Berkeley beginning at 8 PM. The film, “Gay USA” will be shown at the Larkin Theatre, 816 Larkin Street in Polk Valley, each night, June 22nd to June 25th.

The Gai Freedom Day Parade begins on Sunday June 25th at 11 AM, forming at Spear and Market Streets, down on the Embarcadero, and will march up Market Street to the United Nations Plaza across to Civic Center Plaza and City Hall. There will be alot of political speakers, etc., for the rest of the day.

The Gay Gai Carnival, will be two blocks away in the California Hall, and the doors will open at 2 PM and the cost of entry is only $2 per person and the funds will go to various gay charities. There will be a full liquor bar, disco dancing, game booths, pie-throwing booths, movies, food, lots of it, and various other types of booths sponsored by various gay organizations and gay businesses.

The Gay Gai Carnival is two blocks up Polk Street, 625 Polk Street, in the California Hall. Call 885-1001 for further info. Elmer Wilhelm of the Minutemen Democratic Club, Lee Raymond, Carl Driver, and Brother Bob are all but a small part of the group who are putting it all together under the sponsorship of Helping Hands Services (OECOG).

Housing for that week is being handled by the Gay Assistance Line 885-1001 and also by the 330 Grove Center, 863-9000. If you want to “crash” visitors to the city that weekend, call either of the numbers. 885-1001 crashes for free, and 863-9000 charges $2 to listers and crashers both.

There is controversy already, caused by black Supervisor Ella Hill Hutch who “represents” the Fourth District in which the Parade ends. She has voted to halt the Gai Rally afterwards, saying that the city should not be subjected to such a sexual display. Ms. Hutch was supported by the Toklas Democratic Club (gay) and one of the “other” gay papers. This paper charged she was anti-gay all along and have called for a recall drive to unseat her as she is in office till 1981 unless gays get it together and throw her out of office. She is supported by the ultra-liberal Democrats of the California Democratic Council.

She has finally blocked the site for now, the street closings at least, but, Gai Supervisor Dan White who “represents” the Fourth District in which the Parade ends. Among the many musical numbers of "A Midsummer Night's Dream," it is that remarkable production which provided much joy and entertainment for the audience. The lighting and staging were particularly well done, as was the acting. The actors were all amateurs, yet they were all professionals. GARY BARS the next target of Local 2 membership drive

On June 4th, Supervisor Harry McKee approved the Board of the San Francisco Tavern Guild to decline that the unionization of gai bars be made and set a new date for election. McKee, who is a member of the Tavern Guild, has been vocal in his opposition to the unionization of bars.

While there are many gay bars in San Francisco, only a few have been targeted by the union. Bari's is one of them. The Board of the Tavern Guild has been investigating Bari's for several months, and has found evidence of illegal activity.

The next meeting of the Board of the Tavern Guild will be held on June 11th, and will discuss the future of the unionization of bars in San Francisco.

In other news, the San Francisco Gay Institute has announced that they will be hosting a series of workshops on the effects of the AIDS epidemic on the gay community. The workshops will be held on July 2nd, and will be open to the public.

ON LOCATION: DOING RESEARCH!
I'm on location doing research, so my column isn't really this time but next time look for it and it is on Ann Sheridan, one of Hollywood's finest stars.

In the meantime, I'll see you at the GAY GAI CARNIVAL, at the California Hall, 625 Polk, right after the Gai Freedom Day Parade; I'll be the emcee of the event, so please join me in the Chinese Room as we celebrate San Francisco's first gay pride day. And come on down to the Gai Carnival and help raise funds for the Gai Charities in our community.

ANITA BRYANT DUMPED BY BAPTISTS

SOUTHERN BAPTIST CONVENTION "DUMPS" ANITA IN HER BID TO BECOME VICE-PRESIDENT!
One Southern Baptist minister expressed relief that singer Anita Bryant was defeated in his bid for the Vice-presidency of the largest Baptist group in the world. "We didn't want her to turn the Baptist Church into a homosexual bastion," he said, "and we knew she was homogeneous, " he said. "We wanted her to turn the Baptist Church into a non-homosexual bastion," he said.

Anita Bryant finally got her reward on SUNDAY. She was shocked that she lost by such a large margin, 6,000 votes to a minimum of 20,000. MacArthur was virtually dead, and the Council on Religion and the Homosexual was becoming a joke, and Vanguard had all but died. But with the advent of Stonewall, the Gay Liberation Front and the Committee for Homosexual Freedom began, leading the way for the Gay Activists Alliance, Emancipation House, and a host of other cens, most of which were formed.

PHIL BURTON PAYS PAYOUT...

San Francisco supervisor Nina Coleman has charged
the San Francisco board of supervisors with allowing
his campaign money to be spent by his family mem-
bers.

The rejection of the San Francisco Ethics Commission
by Independence Inc. has cast doubt on the
campaign.

The decision of the San Francisco Ethics Commission
to allow the campaign to be used for personal
purposes has been challenged by Nina Coleman.

'She is a bad egg', she said. "I am the only
person who is in a position to know, was the statement from
Tom Spinosa, candidate against Burton in the November
election. Spinosa's campaign was not affected by the
surplus of $5,000,000 that has on the table Burton and
done until after the results of the next year, Spinosa
will meet Phil Burton from Congress.

"It is a tough race," he said. "I am not
just a person who is fed up with the rip-offs by elected
officials."

There is growing hope that this year, the year of the revolt of the tax-
payers, the powerful Teddy Roosevelt Republican Club.

The Holy City Episcopal Church was called into being to bring the Board of Life to those who have been

has thusly been described as a "restoration of the Church to the
human heart".

The Church is a Christian Ministry which is committed to
the liberation of all peoples, and to the fullness of God's reign of justice,
righteousness, and peace on earth. The Church seeks to bring the
Good News of Christ's liberating Love to all people, and to be an
alternative to the institutional church.

message of salvation, of eternal life for all people. The Church is

THE TARNISHED CRUX

This was the first part of a several-part series on "clergy" whose crux was that all persons in this article fit every single category, but, in some way, by the end of it, a man who arrived was a slender man, about thirty-five or so, with a crew-cut. He talked about how he was under the effects of something which induces people to act and speak with abandon and without regard for consequences. He was a member of the Greek Orthodox National Cathedral Church of the Holy Resurrection Church in New York City. He was married, but his marriage was not a legal one, and he had had to flee California once again. These people are associated with a Bishop Houser, who appears to be the de facto leader of the religious garb companies, but that this does not make them a minister of the Church of the Beloved Disciple in New York.
