## "Hitler Began With Extermination of all Homosexuals" .....

**....Bishop C. Kilmer Myers**

Bishop C. Kilmer Myers  
Protestant Episcopal Church

The Rt. Reverend C. Kilmer Myers, Bishop of the Protestant Episcopal Church of California, spoke out loudly on Sunday September 3rd in a sermon at the Grace Cathedral concerning State Senator John Briggs' Prop 6.

"I am profoundly concerned about the erosion of the personal rights of men and women of gay sexual orientation."

"I am profoundly concerned with the threats to their rights posed by the Briggs Initiative, Proposition 6, the net effect of which would be the firing of all homosexual teachers."

Bishop Myers said that the initiative's language is so vague that even a "straight" teacher could be fired for "merely" advising a student with possible homosexual tendencies to seek the aid of a therapist."

"One cannot forget, that in our generation, the Hitler program of human extermination began with homosexuals."

"One wonders if the initiative passes who will be the next—the psychiatrists, the psychologists, the clergy ....."

Bishop Myers continued, "I am compelled to oppose any law which would have the effect of dehumanizing men and women or imperiling their responsible freedom."

The Bishop of all California Protestant Episcopalians continued, saying, on singer Anita Bryant, that "A veritable witch hunt has begun and we ignore it at our peril."

He added that "The record of the church in this regard is by no means clean. It is, in fact, deeply stained with the blood of executed homosexuals."

The Bishop said that he considered the Briggs measure "a very serious issue and a matter of immediate concern."

Bishop Myers thus becomes the highest ranking churchman in America to take a stand against the actions of Anita Bryant and John Briggs and their likes. As the Bishop stated, it could become a matter of the clergy being voted on next, to ban them from contact with homosexuals.

Attorney B.J. Beckwith, well known gay trial lawyer, who seldom loses in his sex case battles with the police, stated that he was "pleased at the interest of the Church and Bishop Myers", and stated that in his opinion that should the Briggs Proposition 6 pass, that a statewide initiative in 1980 to repeal the Brown consenting adults sexual legislation is more than possible.

Other gay activists spoke out quite loudly in approval of the sermon by Bishop C. Kilmer Myers, most of them expressing surprise that he spoke out at all on this critical issue.

Already one death can be attributed to the Briggs measure, that of Jack Lera, the room-mate and former lover of Supervisor Harvey Milk who "feared the persecution" that was going to come down on gay people. He took his own life on Monday August 28th while the first elected gay Supervisor was at a meeting. A great tragedy and sorrow which the gay community shares with Supervisor Milk and Lera's family in Fresno.

It is hoped that Bishop Myers sermon would inspire those homosexuals who are apathetic about the Prop. 6 measure to getting off of their duffs and working and contributing to its defeat. There are many fund raisers scheduled in the city to help defeat Prop. 6, the most responsible ones are being conducted by the CVC (Concerned Voters of California) which is headed up by the Reverend Troy Perry of the Metropolitan Community Church.

## GAY CRAZIES MAKE ANITA DEATH THREAT

BOSTON: The city of Boston has been noted for its radical extremes, and as United States Senator candidate, Howard Phillips was to hold a rally in Boston, some "gay crazies" in the city of Boston made a death threat(s) on her life if she appeared at Phillips' rally.

As most all know, either injuring or killing Anita Bryant would only help her "crusade" against homosexuals, and all responsible homosexuals acknowledge that she is entitled to the rights of freedom of speech, public appearances, etc., just as homosexuals are, and for a bunch of "nuts" in Boston or in any other city take the action they did, only helps Anita Bryant and her "cause".

Howard Phillips is anti-Prop. 6, but is a strong moralist, and stands an excellent chance of winning the U.S. Senate race in Massachusetts. He is a conservative Republican who stands for individual rights strongly. The threats on Anita hurt the gay rights cause badly everywhere.

## CARL'S Follow Spot

By CARL DRIVER

### THE COMING SEASON

Summer is over, school, fall and sales of season tickets are upon us from two of our three major theatrical producers: American Conservatory Theatre, Best of Broadway, and Civic Light Opera. Taking them alphabetically.....

ACT, 771-3880 for info.....fresh from this summer's triumphal tour of Japan & Hawaii, is offering their largest season ever, ten plays including the now traditional "CHRISTMAS CAROL", and revivals of last seasons two biggest successes, "THE CIRCLE", and "HOTEL PARADISO". The seven new productions are by Shakespeare, Shaw, Turgenev, O'Neill, Coward, Durrenmatt and the west coast premiere of a new play by Langford Wilson (HOT'L BALTIMORE HOME FREE THE MADNESS OF LDAY BRIGHT). Certainly an impressive list of authors but the plays themselves are more impressive in that the Company is not presenting the usually done best known ones, but is giving us a chance to see plays we rarely otherwise could view.

The season at ACT opens in October with three plays coming in all over two weeks: "A WINTERS TALE", the last of Shakespeare's major plays and the next to last he wrote, then Turgenev's "A MONTH IN THE COUNTRY", and then Eugene O'Neill's, "AH WILDERNESS" his only comedy and a wonderfully poignant look at youth in what now seems a far simpler time. THE CIRCLE and the CHRISTMAS CAROL will follow the fall. George Bernard Shaw's HEARTBREAK HOUSE, a fantasy in the Russian manner on English themes, starts the new year followed by Wilson's THE FIFTH OF JULY a month later, which is billed as a comedy/drama about Berkeley activists of the sixties who meet today and discuss their radical youth. Then comes Durrenmatt's modern classic, THE VISIT, about the richest woman in the world and her particular ideas of revenge, shortly followed by Noel Coward's HAYFEVER, a hilarious comedy about a not-so-restful weekend in the country. The season will close with the revival of the classic French farce, HOTEL PARADISO.

In it's early days, ACT received little but unbounded praise; no it might quite legitimately feel like a prophet "in his own country". Critics from other cities both praise the Company and envy San Francisco for having it, but it seems the "in thing with many local reviewers to find fault, if not with the productions themselves, then with the choices of this season.

### A THIN PLAY ABOUT FAT

"My Fat Friend", under the auspices of the new Theatre 2000, (863-4859 for info) is a funny play that almost made it into the "hit" category in New York with Lynn Redgrave and in Los Angeles with Cici Lawrence and almost makes it here with Dean Goodman and Dianna Schuster. The major trouble is the script, so thin and wordy that even Director Jay Colt's fast pacing can't keep it from seeming to lag.

The lead is an unattractive old queen, Henry Simmons, bitchy, meddlesome, arrogant and vain and is played with great campiness by "Douglas" Dean Goodman, but without the touch of warmth or humanity that would take the part out of the caricature range into that of a real character. This is disconcertingly noticeable in as much as the other three cast members all play very realistically.

Underplaying magnificently throughout and sporting a superlative Scottish accent, Gregory Boyle is a standout as an innocent, aspiring novelist, more interested in cooking than in living life with a capital L. Dianna Schuster as the "fat girl" who becomes thin, (and quite a job they do of that) handles the part beautifully with precision and timing and ranging from anger to humor to disappointment with equal ease and believability. Scott DeVenny, as the on again, off again, boyfriend is so convincingly embarrassed at not liking a "Miss America" that one might suspect he actually is, over the line.

An uneven play, at times the laughter is uproarious and then, only moments later, one finds oneself wishing they would get on with it. Still and all, it IS a funny play, always a plus in these days of so many heavy, heavy experimental dramas, and I think few who go would be disappointed.

• EARTHA KITT in a scene from the current Broadway hit..... "Timbuktu!" It is a musical fable based upon "Kismet".

• EARTHA KITT will be opening the Civic Light Opera in January '79 in "TIMBUKTU" a hit Broadway musical in which she is now starring.

Not so in this column! San Francisco seems to have a plethora of small companies specializing in regional, black, Gay, American, original, and God alone knows what other types of specific theatre.....and regrettably, all too often doing them poorly.....and I, for one, am enormously pleased that ACT offers us a world wide choice of excellent theatre, almost without exception brilliantly performed.

THE BEST OF BROADWAY.....

Having sold the highest percentage of season tickets of their House during their first year in the history of American Theatre, the Shorestein-Nederlander Productions, "The Best of Broadway" (981-5250 for info) lacks this season the blockbuster they offered us last year, in ANNIE, but instead offer four shows, each of which is attractive in its own right and, very possibly, over all will make a more exciting season. "BUBBLING BROWN SUGAR" comes in October with original Broadway star, Virginia Reed and is a musical tour of Harlem from 1910 to 1940. In November, Tony Award winning production of DRACULA with it reportedly fantastic sets and costumes. Later on, they will

• be offering the one and only EARTHA KITT in Timbuktu and perhaps even more exciting • the legendary DEBORAH KERR in the "Last of Mrs. Cheyney". Earlier publicity has announced that "Camelot" with Robert Goulet as Arthur would be one of the offerings but this has been replaced by "TIMBUKTU", a benefit since it would take more than twenty-five years to turn that Lancelot into a KING!

• THE CIVIC LIGHT OPERA..... "PAL JOEY, '78".....like football seasons, that start a month before the World Series or basketball ones that run a month or so after the baseball season starts, the CLO's past season is still running and they haven't yet announced their offerings for '78-'79.

• And what a finale they have brought in to close the '78 season! The title may be PAL JOEY but the show is LENA HORNE, first, last and all the way through. Too often aging stars of yesteryear make triumphal (?) returns, trading on what they once were and drawing for nostalgia far more than current performances. No so.....with the fabulous Lena Horne!

• The program lists her age as sixty-one but judging on any category, looks, voice, dancing energy, it is hard to believe she is more than half that. Only when one remembers her as a pin-up from his highschool days in the early forties does he realize that it must be true. But aged or ageless, she is the essence of STAR quality. From the moment the curtain rises on a dark stage and that warm, vibrant voice comes floating out of the blackness filling the huge Orpheum Theatre as if she were singing to each patron personally until the last curtain call it is HER SHOW and she is in command every minute.

• There are, of course, others in the show, in fact, it is quite a large cast; all are adequate and several are excellent, most notable are Marjorie Barns and Josephine Premice. Robert Randolph's scenery and lighting range from excellent to breath-taking, and Robert Fletcher's costumes from great to spectacular.

• A word of warning.....however, especially to Rogers and Hart purists: Read the title carefully, it is PAL JOEY '78. This is an updated which pretty means much means, "disco" version of their musical, following the plot but for the most part playing the music in a tempo they never dreamed of. It is decidedly questionable whether or not this updating has been of benefit but, what the hell, the show, in waltz time or rock beat, is Lena Horne, so forget all else, and go to see HER!

A TESTIMENT TO BERLIN Before seeing "IN REVUE" at the Chi Chi Theatre (call 392-6213 for info) I made a bet with myself that they would either open or close with "There's No Business Like Show Business". My reasoning was that if they were uncertain of their reception they would open with that rousing number to get off to a bang up start.....if confident, they would close with it to leave the audience on a high plain. Perhaps the idea was father to the conviction but they open with it and I feel the show does have an inherent lack of confidence in itself. Not that the there is any hesitancy or timidity in the production but rather in over production of some numbers, strained jokes in others that don't come off and a general feeling that they weren't as sure of success as they would like to be.

• The cast of three are individually charming: Peggy Nisbet, Frank Fontana, and Don Stitt. At least that was the cast opening night but Stitt, who co-authored the script with Producer - Director, Barry Koron, has been replaced by understudy Scott Gallagher due to a hassle with Equity.....! All three sing and dance with verve if not great polish and offer a lively evening's enjoyment. Verling songs hold up well over more than sixty-five years and wisely the selection is not limited to just his best known hits but is interspersed with many of his lesser known songs.

• A must for Berlin lovers, IN REVUE is a lively and fast paced show and it will be interesting to see how long it will last since local audiences are not noted for enthusiastic support of small revues. The really great, STARTING HERE, STARTING NOW didn't last long; I hope that IN REVUE does.

EDITOR'S COMMENT: In a recent issue of the B.A.R. (Bay Area Reporter) the writer, a Bob McCarthy, who is trying to start his own theatre group, made the most horrible type of attack. not criticisms that we have yet seen in a publication in America, on a play.

This man is obviously entitled to like or not like anything in the world he so chooses, but to say that the director and the star should be "shot" and "left to rot", is sick sick sick. Then just a few lines later to refer to the production as a "piece of shit", is absolutely disgusting. This is the second issue of the B.A.R. in which a writer has called for violence. In the previous issue, the editor of that paper called the death of the publisher of this paper. But to follow that dastardly deed up with this latter "death threat" has compelled us to write this piece on our theatre page, for we feel that all in theatre should know, that the CRUSADER nor any of it's staff, would ever write or allow to be printed such insanities as the B.A.R. has done.

We know that those who work so very hard in the various productions deserve credit just for that alone.....they are doing something constructive and artistic, trying to add to our society and we love all of you for that, and we want to encourage you all to continue your efforts regardless of such babblings and threats found in another gay publication. It sure does not sound very gay, does it?

## Advocate has ads for children!?!

The staid, allegedly conservative, gay publication based in San Mateo County the ADVOCATE, published by Liberation Publications and one David D. Goodstein, has been revealed for carrying ads which appear to be very sexual in nature for young boys under the age of 18 in their "Personals" columns of the ADVOCATE.

The ADVOCATE has refused to make any comment on the matter and after sometime, concerned gays in San Francisco have taken it upon themselves to try and rid this from the ADVOCATE by exposing it. Dirty linen, when unable to be "cleaned" in private, can only be "cleaned" in public, is the opinion of one concerned gay citizen. In the ADVOCATE, August 23, 1978, in the Pink Pull-Out Section of the paper on page four, there reads the following ads, most of which have all been checked out thoroughly.

"New York Area" "Prof man wants to meet student or young working guy 0/18 (the 0 is from birth til the age of 18 as the "code" reads). Personable, goodlooking, wellbuilt, masc. considerate for warm continuing relationship. I am well-balanced, sincere, GENEROUS (our caps) tall, slim, masc., attractive, 40, not possessive or demanding." Another ad reads: DC/MD YOUNG MAN/M NEEDED. Fr (french) expert 43, hot to worship younger, dom topman stud/Master 0/18. Make me beg to touch, lick, Fr front and rear. Dig feet, jocks & long sessions. S&M optional. Slave has hungry mouth, hot tongue, deep throat to make Master feel great."

Another reads, "MICHIGAN YOUTH-S 0/18. Goodlooking 21 yr-old w/m seeks sincere horny, yng guys for good times." Another says he is looking for "Teenage guys".

The ADVOCATE and David B. Goodstein, have attacked the publisher of this paper continually for about everything imaginable. Quite possibly they should clean up their own dirty linen Goodstein is close friends with Jack Campbell, of Club Bath Chain who was arrested for "pimping and pandering".

## GAYS CAUGHT IN NOB HILL RENT STRIKE!!

805 Leavenworth Street is the site of a rental strike by a handful of persons in the building which has a good many homosexuals living in it and it is causing some disruption in their life styles.

The building was purchased by wealthy German, Gunther Kausen, some months ago, as a part of his international housing combine. He has also purchased the gay-Vatican at Geary and Polk, causing some consternation amongst some tenants there.

Kausen owns 29 buildings in San Francisco and apparently does as little as possible to uplift them, taking money and putting little back into the upkeep of the buildings, which led to the 805 Leavenworth rental strike. Kausen now has over 100,000 rental units worldwide, with some of them being the greatest slum buildings in all of the world, particularly those he has in England. Kausen is an housing speculator, buying property when it is low and selling it for as high as he possibly can. This is not illegal even tho those radical leftists at the SF Tenants Union would make it seem so. Kausen is guilty of ignorance for sure!

## Gay Teacher Held on Three Sex Charges with 15 Year Old.....

Anthony Gale, 35 year old Oakland school teacher who lives in San Francisco on Haight Street, was taken into Investigative Custody and held on \$40,000 bail on Friday September 1 in Oakland on three counts of alleged oral copulation of a 15 year old boy in his class.

The 15 year old is but one of five students in Gale's class, as they are all deaf and Gale himself is legally deaf.

Gale, a tall, frail looking man who looks more like 23 than his 35 years was held in Oakland City Jail all of the Labor Day weekend.

Gale is one of the founders of the gay Rainbow Society for the deaf/mutes but over the weekend rejected the gay legal help he sought earlier and is reportedly seeking a "straight" lawyer in this most sensitive case. He is due to appear in Dept. 6 of the Municipal Court in Oakland on Tuesday September 5th for arraignment. The vicious anti-gay KGO-TV newsreader, Van Amburg, called the Bay Areas attention to the arrest of the gay teacher in his bizzare manner.

## "Thank You, Rev. Ray & All Gay People!"

"Thank You to Rev. Ray" from old friend Sadye!

It was nine years ago this September, that the Reverend Raymond Broshers first began the luncheons for the elderly of the Tenderloin and has continued them ever since. Now they have expanded with a luncheon in the Mission district, being conducted by MCC and Tenderloin Tiesse. The Helping Hands luncheons began at 26 - 7th Street the site of Rev. Ray's church, and are still held there. Attendance has risen to the sixties now at the affairs. The ones that Rev. Ray runs, are lavish affairs, trying to give the elderly one fine meal and party every month as well as helping elderly folks inbetween time with other problems. Rev. Ray has always spent as much money as possible and has not skimped on food like the other luncheons which began after his. The next one is Sept. 18th at 12 noon and donations for the free bingo are appreciated by all.

## \$7,000 Raised to Fight Prop.6/Briggs

"6 AGAINST 6".....KIMO & CHAR HOLD WALK-A-THON SIX MILES TO RAISE FUNDS TO FIGHT PROP.6!"

Kimo Cochran, owner of Kimo's (Pine /Polk Streets) and the vivacious Empress CHAR of the Tavern Guild, have raised \$7,000 in a six mile and more, march against Proposition 6 on the November ballot, which is the Briggs Initiative to ban homosexuals from teaching in schools and to fire any heterosexual who associates with known homosexuals.

TROY PERRY JOINS IN MARCH.....The Reverend Troy Perry, the Statewide Chairman of the CVC (Concerned Voters of California) flew in from Los Angeles via New Mexico, to walk the entire route with Kimo and Char and their supporters. Friends of Kimos and Chars from around the state, Modesto, Sacramento, and even Reno Nevada, all came to town to join the walk to raise money for CVC to defeat the Briggs Initiative, Prop. 6.

It was determined several weeks ago.....that the funds raised would go the CVC as

it has proven itself to be the only statewide group fighting Prop. 6 that will reach the majority of voters needed for victory over Briggs anti-gay teachers forces. The CVC according to Jim Foster, will use the funds for television, newspaper ads, all over California to inform people of the dangers of the Briggs Initiative.

Kimo and Char would like to thank all the walkers and all the people who donated funds to make the Walk-A-Thon the huge success that it was. Kimo also gave special thanks to San Francisco CRUSADER for the only publicity given to the walk.

Foster told the Crusader that the \$7,000 plus dollars raised by Kimo and Char was the largest amount of money raised to date to fight Prop. 6, and that Don Bradley and the entire staff of CVC was very grateful for the effort of Kimo and Char and trusted that their effort would only be the first of many to raise funds to fight Prop. 6.

CVC, which is headed up by the Reverend Troy Perry, and is being ran by the professional campaign manager Don Bradley, who ran Mayor Moscone's successful race for mayor, has shaped up to be the only real group statewide

# SCANDAL: GAY DEMOCRATS Hold Duo Club Memberships!

Several dozen gays hold membership in two or more CDC Democratic Clubs in the City of San Francisco, it has been revealed recently by Elmer Wilhelm, president of the Minutemen Democratic Club. Jim Foster, founder of the Alice B. Toklas Democratic Club, told the Crusader that he believes this practice of voting in more than one CDC club to be a violation of the CDC Membership Charter. Wilhelm said that he was making an official protest to the State Chair of the CDC Ms. Wally Alberston and to other CDC officials about this practice. One well known gay Democrat has been voting in six different Democratic clubs, two of which are gay oriented. The Alice B. Toklas Democratic Club is the wealthiest of the gay Democratic Club groups here of which there are three; the Minutemen Democratic Club; Alice B. Toklas Democratic Club and the newest and strangest one, the SF Gay Democratic Club. Recently at a meeting of Alice B. Toklas, several persons from the leftist leaning SF Gay Democrats who are also members of the leftist leaning BACABI sought to halt funds going to the anti-Briggs forces of the San Franciscans Against Prop. 6, as well as earlier having stopped funds from going to the CVC (Concerned Voters of California). Claude Wynne, a known leftist who is one of the founders of the SF Gay Demos as well as BACABI tried to halt Toklas from giving \$500 to the new anti-Prop. 6 group headed up by Phyllis Lyon, but he was unsuccessful, but he did get some funds for the group which he is with.... BACABI. Now here is a perfect case, Claude is a voting member of SF Gay Democrats & of the Toklas Democrats. This is not very fair or Democratic if people are allowed to run from Demo Club to Demo Club to try and control them each the way a particular group wants the Clubs to vote. Bill May, longtime political activist, is a member of all three Gay Democratic Clubs, and several politicians are members of not only all three gay Demo Clubs but of numerous other Democratic Clubs in the city. The Democrats have not been noted for abiding by the laws and rules like Republicans and this is a perfect example. Wilhelm pledges that he will do all he can to bring about an enforcement of this rule if it does exist as Foster believes.... but if one does not exist, Wilhelm said that he will introduce an amendment to the CDC By-laws to see to it that this violation of rights is halted. Harold B. "Duke" Smith is the Credentials chairman of the CDC and is directly responsible for the failure to enforce any such laws/rules.

# N.G.T.F.'s BOGUS LEADERS MEET

NGTF (National Gay Task Force) HAS A CONFERENCE OF BOGUS "REFERENDA LEADERS & CAMPAIGN BOYS!" With Jack Campbell in attendance, who is awaiting trial on charges on "pimping and pandering" an outfit of uncertain reputation in New York, calling itself the National 4 Gay Task Force has been wrong so often about so much that additional proofs become boring. The most recent example of it's exercise in bad judgement occurred in Laguna Beach (southern California's Orange County) where it held this meeting recently to assist in the upcoming campaign against the Briggs, Proposition 6. It may sound like a good idea, but, as it turns out, the gathering was made up of a bunch of punch drunk pugilists who have been previously polished off by Anita and her anti-gay forces in Miami, St. Paul, as well as in Wichita and Eugene. Rebuff by voters in those cities of zany arguments for gay rights ordinances have apparently left the proponents of those arguments undismayed. In the aftermath that has followed each setback they have somehow managed to pull themselves together and skip town. They are now here in California to try yet another comeback. It is miraculous that after their record of steady losses around the country these itinerant promoters—along with a few of California's own supply of gay grafters—should have enough confidence to try to inflict their botched and broken strategies on our community. But the regrouping in Laguna Beach was clearly for this purpose: "To provide the opportunity for sharing of information and techniques" and "to adapt many of the printed materials used" in the earlier catastrophes to our situation here. Naturally, the No on 6 forces here will want to take instruction from the example of these losers. For it is precisely their rejected message that we MUST AVOID in devising our own strategies. What this roving band of corn salve sellers ought to do is return to their own cities where they can join in the serious work needed to establish sexual freedom there. For example, in 1970 Kansas enacted strict moral legislation that prohibits sex acts between persons of the same sex which is perfectly legal when performed by persons of the opposite sex; the law has a built-in gender-based discrimination that is unconstitutional. In New York "consensual sodomy" is still a crime. Florida law proscribes "deviate" sex acts --- whether in a heterosexual or homosexual context. Thus "gay rights" advocates in these backward states should employ what talents they have to repeal these and similar oppressive statutes. In California, since 1976, the homosexual has enjoyed the same protection under the law as the heterosexual. Moreover, the sexual freedom movement here is perfectly capable of dealing with Briggs and his Initiative. Even so, we would normally welcome all the constructive help we can get. In the present instance, however, we must reject the offer if we wish to avoid ending up on NGTF's growing casualty list. CONROY CLEARED OF ANY  
WRONG DOING BY COMMISSION!

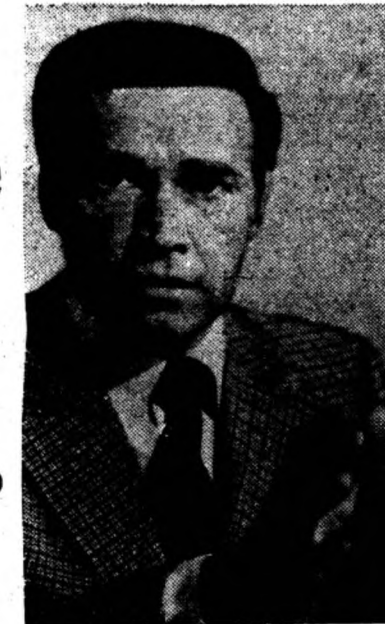

Captain J. William Conroy, SFPD

# Captain Conroy, O.K.

Captain J. William Conroy, of the San Francisco Police Department, was cleared of any wrong doing by the Police Commission in the charge of "racial discrimination". All of the Police Commissioners, except one, Commissioner Judith Ciani who apparently has a "hate on" for Captain Conroy. The lady Commissioner is known to associate with radicals and with leftists in Democratic Party circles. She was chosen for the Commission by Mayor Moscone on the recommendation of God only knows, but she has gained many enemies for her continual harping against the most popular Captain on the San Francisco Police Department. Captain J. William was accused of failing to investigate and report charges by Sgt. Peter Alarcon that he, Alarcon was the victim of practical jokes that reflected on an ethnic bias. Conroy is best known for his efforts to bring about racial harmony within the Department, and has received notice for such actions, so the charges were considered "trumped up"! Conroy is the oldest Captain in service, left in the Department, and reports say that Chief Gain fears that Conroy will replace him as Chief in the near future. Gain denies this as does Conroy. When Gain was appointed Chief, Conroy was one of his principle rivals for the post. Captain J. William is now head of the Communications Unit. Some time ago, he was the last Police commander of the City Prison which he upgraded. Since the Sheriff took it over, it has sunk to an all time low in its treatment of prisoners and in particular, gay prisoners. Captain Conroy is also an attorney. Captain Conroy's wife ran the campaign for Supervisor Quentin Kopp's last election to the Board of Supervisor. Kopp is considered a "shoo-in" to become the next Mayor of San Francisco, and he has been reported to state that when he does, Captain J. William Conroy can be the Chief of Police if he wants the job.

# Chief Gain Disbands Police Community Relations Unit

Chief Charles Gain

In a move that Chief of Police Charles Gain kept as quiet as he could, the Police Community Relations Unit was disbanded. The Police Community Relations Unit (PCR) was formed by former Chief of Police Tom Cahill, a great Irish Chief of Police and was headed up first by Lt. Dante Androtti. Androtti's term as head of PCR was limited, but he left his mark on the Department and on the City of San Francisco through the PCR. Chief Cahill felt that closer and informal contact was needed between the Police and between the minority communities, such as the black, chicano, and gays. Rodney Williams a Patrolman rose to become the head of the Unit, and over the objections of many, was nearly promoted to a special rank in the Department which would have made him right under Gain. Williams, a black, did not enjoy support from the gay community which could have given him the rank that he sought. He was replaced by Sgt. Henry Williams and later by the last commander of the Unity Sgt. Troy Dangerfield, who is extremely popular with the gay community. The appointment of a gay liaison to the gay community in 1965 by Chief of Police Cahill in the person of Officer Elliott Blackstone, helped bring gays to the exalted political position they now enjoy. Too many gays want to forget Blackstone it is felt and supported Gain as a result, in his effort to disband the badly needed Unit. Blackstone was the one who originated the gays vs. police annual softball games which has changed to become gays & straights vs. police in the last year. Gain's Public Relations Officer, Michael O'Toole has been less than cooperative in this matter as well as others, and as a result of the disbandment of the PCR Unit, many minorities who could have their problems settled by the PCR Unit are now being arrested, beaten and mistreated by the Police. Gain through his PR man, O'Toole denies all of this. O'Toole is very very apathetic about his job which has led to a clamor for his removal, for without a proper person in this post, there is no direct contact with the Chief of Police without the PCR Unit. Deputy Chief of Police Jeremiah Taylor has told the CRUSADER that there is now a man at each District station who is supposed to deal with community problems, but it has been pointed out to the Deputy Chief and the Chief that there are no police officers who appear willing to work with the gay community, with the possible exception of Officer Mike Perra of the North Station. Perra's contact with the gay community is very very limited. Gain has said that the Unit will never be re-activated during his reign as the Chief of Police, as a result, there is a growing clamor for either his removal or else the revival of the PCR, in community meetings who are letting the Members of the Board of Supervisors and the Office of the Mayor know of this outrage against police and community relations. How long Gain and his PR man O'Toole will continue to ignore the problems of the community is unknown, but as more and more people are arrested, with little or no cause, all because of the lack of communication between the Police Department and the community, it is obvious that Chief Gain's days as a Chief of Police are numbered. The Vice Unit head, Captain George Emil said that the disbandment of the PCR Unit is the best thing to hit the SFPD in years. This alone is reason enough to call for it's revival, as Captain Emil is a very dangerous person.

## GAYS BEATEN.....

Two young gay men on their way home from an evening out, passed by a hall in the upper Market area, at DuBoce and Fillmore, which is used on the weekends for dances by various groups. This particular evening it was being used by a black group, about a dozen of whom who jumped and beat the two youths and robbed them of \$19, according to the Police Reports. The two youths were, Phillip Padula 25, white/male and Robin Smith, 31, white/male. The beating took place early Saturday morning September 2nd. Rev. Ray Broshears of the Gay Assistance Line has requested the Police to make a better investigation than they have and to patrol the dance hall/union hall area, as this is not the first report of violence in the area. Several gay bars and discos in the area have stated that on Fridays and Saturdays they will make announcements warning their customers of the possible trouble in the area around DuBoce Park. If you see any, call Gay Assistance, 885-1001.

## Pope John Paul

Pope John Paul I was "crowned"/"consecrated" in simple ceremonies at the Vatican on Sunday September 3rd 1978. It was a history making event, as the new Pope shunned the spectacular pomp and pagentry of 15 Centuries of his predecessors. Pope John Paul I, is known as a simple person, a person who has great concern for social services, and this will make one of the greatest changes in recent years of the Roman Catholic Church. In New York, Bishop Robert Clement, of the Old Catholic Church, the Church of Beloved Disciple, told the Crusader in an interview that the "coronation" of Pope John Paul I, could mean the greatest changes in the history of mankind, since the coming of Christ. This view was shared in San Francisco by Bishop Raymond Charles Broshears of the Orthodox Episcopal Church of God, an Old Catholic Evangelical Church, who believes that Pope John Paul I could herald the second coming of the Lord Jesus Christ, for the signs are growing stronger. Rev. Broshears said that gays, unless they reject their Godless ways and turn to Christ, shall suffer greatly. Both Bishop Clement, who nearly all gay congregation of over 1,000 in New York and Bishop Broshears are urging very strongly that gays turn to Christ before it is too late. No comment from the MCC leaders on Pope John Paul I or from other gay Old Catholic prelates as of yet.

## District Attorney cracks down on gays! Reports of marital rift!

D.A. Frietas

District Attorney Joseph Frietas, who won only because of his strong gay support, has become the obvious "tool" of the "Czar" of the SFPD Vice Unit, Captain George Emil, as Frietas continues to join the gay-hating Captain in his crack-down on gay businesses. Frietas is having difficulties at home, according to reliable reports, and reportedly has split with his wife and has since gone on an anti-gay rampage not seen since the early days of the hapless predecessor, John Ferdon, but Ferdon "cooled" off in his latter days towards gays. Frietas has now in the past six months prosecuted more Vice cases than did Ferdon in his entire last year. But while on a "Morality Campaign" as Frietas admits, he is ignoring hard line crime and organized crime while cracking down on harmless persons. Organized drug dealing in the Polk Valley area has reached an all time high, and the Northern Station Police and Frietas merely set on their hands so to speak, except when it comes to victimless crime. Reports of an organized drive to oust Frietas by gay forces in 1979 are reaching fever pitch as many many gay lawyers has expressed great unhappiness with him and his out and out lie, when he said he would hire an up front gay Assistant District Attorney.

## "New Gay Center....Yes!" "Paul Hardman.....lies!"

HARDMAN EMBARRASSES GAY COMMUNITY WITH ANTICS AT 330 GROVE STREET.

An article in the San Francisco Examiner by the unreliable Bill Barnes, was an almost total fabrication of the truths involving the run-down rambling warehouse at 330 Grove Street which Hardman considers his "kingdom". 330 Grove Street is going to be torn down..... and it will be with the blessing of the majority of the gay community who refuses to support the place, go to it, or even acknowledge its existence.

Hardman's interview in the Examiner was just

Perry George on the left, Coffinger on the right, and Hardman, seated.

another in a series of untruths that Hardman has laid upon the back of the gays who are hard at work creating a new viable community center which will serve ALL of the gays of the city, unlike Hardman's rambling wreck of a warehouse on Grove Street, which is slated to be demolished shortly for the creation of a badly needed parking garage in the Civic Center area, despite the obvious untruths of Paul D. Hardman.

Despite the lies of Bill Barnes, it is NOT a political football as he wrote in the brand Ex newspaper. Already, hard at work in conjunction with the Office of the Mayor, Supervisor Harvey Milk, Wayne Friday, to mention but a couple, are negotiating for the new Center which will be nearer the Castro area. Already, this writer has seen the facility and believes that it will suit the needs of the gay community and can be expanded with little trouble.

The facility which is being considered is not a very old structure and will last for many years. Hardman obviously opposes this site, for he will not be in control, the "czar" or "ruler" as he is at 330 Grove Street with the help of a few welfareites, radicals, and unheard of lawyer types.

HARDMAN LIED ABOUT MAYOR'S OFFER OF \$1,000,000! This is a quote from the Office of the Mayor as well as from Larry Eppinette who is a close friend of the Mayor as well as a leader in the gay community. Hardman made that statement in the Barnes article in the Examiner, and obviously Barnes did not research his article well.

PRIDE LIES AND OR BREAKS PROMISE TO CITY/REDEVELOPMENT AGENCY! On March 15th, 1977m.....the Board of Directors of the Pride Foundation passed a Resolution stating that they would vacate the building when requested to do so by the City and or the Redevelopment Agency.

The Resolution was authored by the then member of the Pride Board of Directors, who was one of the founders and who resigned because of the behavior of Hardman.....Attorney B.J. Beckwith. The Resolution states: "Be it resolved by the Pride Foundation Board of Directors.....In the event that the San Francisco Redevelopment Agency shall notify the Pride Foundation that the Pride Foundation's MONTH TO MONTH tenancy at 330 Grove Street is terminated and ended. The Pride Foundation shall quite, leave, abandon, said premises, in a timely and orderly fashion. The Pride Foundation shall likewise require all other tenants holding under and by virtue of the Pride Foundation..... to leave, quit, vacate said premises in a timely and orderly manner. Any of said organizations failing to so act shall be immediately terminated as organizations chartered by Pride.

The expressed purpose of this Resolution is to prevent the Pride Foundation, the San Francisco Gay Community and the property located at 330 Grove Street from becoming involved in another "International Hotel" type incident, thus subjecting the Foundation and the gay community to criticism and charges of irresponsibility."

Voting YES on the Resolution were: Beckwith, Andrew Betancourt, Don Coffinger, Perry Belle George, Larry Long, Paul D. Hardman, Don Miessen, Zane Tamas, and Perry Wood. Most of whom are no longer on the Board.

Voting NO are the Resolution were: J. Lee of the Gay 40's Plus Club; Larry Littlejohn, Hank Wilson of the leftist Gay Teachers and School Workers Coalition; and attorney John Vaisey, who is now defending bath house czar, Jack

Campbell, and as well, it is reported that John Vaisey was former a prosecutor for the Alameda County District Attorney's office.

COFFINGER AND PRIDE FILES SUIT TO HALT REMOVAL.....

Both Don Coffinger a member of the Pride Board then and Pride have violated their own promise to the City and the Development Agency by filing a suit to stay at 330 Grove to halt the building of the needed parking garage.

This obviously makes both Pride and Coffinger liars...according to the March 15th 1977 Resolution given to the City. This of course makes the gay community look bad and Hardman continues to embarrass the community with his obvious double dealing. For to pass a Resolution and then to file a lawsuit to halt the removal of the group, is double dealing.

The suit was filed by attorney Tom Horn who was or is the attorney for the Club San Francisco Baths which Jack Campbell was involved in as of July 10th according to Horn.

The 330 Grove Street building in the opinion of the majority of gays questioned is a "delapated hovel" or worse, and the question "why?" is Hardman and his little band trying to hold on to it has brought about a major investigation into real estate deals in the area.

FRANK LLOYD WRIGHT BUILDING BEING CONSIDERED FOR NEW GAY CENTER.....one of only two of the buildings in San Francisco designed by world famous architect Frank Lloyd Wright, is being considered for the new gay community center which will not be controlled by Hardman.

The building is quite beautiful and will be a definite asset to the community. But Hardman remains a stumbling block to progress being made. But Hardman will soon be removed many feel, due to his own ego tripping.

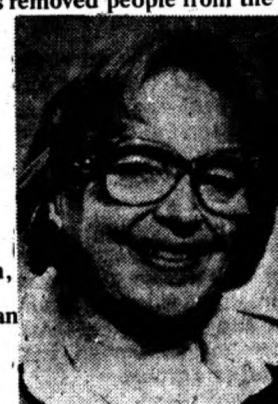

"In my opinion and the opinions of so many others, Paul D. Hardman has done more to harm the gay community and to put the gay community in a bad light than all other people combined, and this includes Anita Bryant." "If anyone is working to subvert the gay community it has to be Paul D. Hardman." These are typical of the statements uttered by various gays about Hardman.

Hardman has spent considerable time and effort in bad-mouthing this paper and the editor of this paper, as it has been the only publication that has dared to take a stand against the "ramshackled hovel" at 330 Grove as being a disgrace to the gay community, as well as against the czar-like behavior of Paul D. Hardman who has 86ed people who disagree with him.

Hardman has removed people from the Board of Directors just because they are friends of the editor of this paper. He is now in the effort of removing another person, attorney Walter Kaplan, because he believes Kaplan is not in agreement with Hardman on all subjects, something which you must S.F. Parking Authority be in order to remain in his "good graces".

Hardman has attacked the finest lady in San Francisco politics, Margaret L. Brady, because she is head of the Parking Authority which will operate the garage to be built at 330 Grove Street. He has attacked her to her family as well indicating she is anti-gay which she is NOT, in fact she has been a long time supporter on gay rights in the Democratic County Central Committee which she is on.

How long the gay community will allow Hardman and the Pride Foundation to continue this duplicity of standards which is holding the entire gay community up to ridicule, is unknown, but this paper, the last free-voice in the gay community, uncontrolled by any organization, or financial interests, urges all to speak out to the Board of Supervisors and to the Office of the Mayor, calling for a halt to the abuse of taxpayers funds, by Hardman's Pride Foundation.

\$800 was raised for Robert Wasson "Fat Fairy" who is now at the Fort Miley United States Veterans Administration Hospital. Fairy had several heart attacks three weeks ago and was hospitalized in the Cardiac Care Unit of U.C. Moffitt Hospital. The doctors said that Fairy will have to live differently when he gets out of the hospital if he wants to continue living, so this money was raised to help one of the great workers in the gay community for a variety of causes. The Fairy was working at the Frisco Saloon when he had the attack, and he once ran for Empress. He is now known as "Miss Ramrod" representing the popular Folsom Street bistro.

The auction, held at the Red Lantern Saloon, was put together by the Rev. Ray Broshears, Rose I, II, III, and assisted greatly by the Hook & Ladder and Tom Battipaglia, Tuffy of Tuffy's Sportswear, the Baroness, Harry Gardner, John Russo, Bob Ross, and the two fine Modesto men, John & Don. All donations were greatly appreciated and the Fat Fairy from his hospital bed thanks all those who helped make the auction the huge success that it was. The attendance was great and the auctioneers great, and all who purchased items are great too, according to the Fat Fairy. Also want to thank Mark Calhoun and the Starlight Room for their fine help, as well as the Arena, the Plunge, the Black & Blue, Alan Ferguson, David Nelson, Ken Cook, and Mr. B and his Ballroom...also the Carnival Club; Gary Haubold; the \*P.S. for the giant size Holy Bible; and to Tenderloin Tessie for the picture; we thank Grand Duchess Frau Schnieder for being the hostess; a bit of applause to Tuffy's crew for all the work picking up things like they did; and a big thankful thanks to Rose I, II, III for the fine work he did that night, as well as the two bartenders Art and ? who worked their rear-ends off. And thanks to Rev. Ray Broshears for co-ordinating this event.

## Grand Ball for All

Pictured at the top from the left is Empress Char, Emperor Jim Ostlund, the new Grand Duke Fred Townsend, Grand Duchess Fran Schnieder; 2nd row, Lee Raymond, Dowager Grand Duchess II; and outgoing Grand Duchess Tanya with escorts; 3rd row is Lee Raymond with Char; next is Lee Raymond with a handsome man and woman; 4th row is the bright banner created by Lee Raymond, with outgoing Grand Duke Don Baker and Tanya setting under it; next at top is Grand Duchess I, H.L. Perry, and escort; beneath them is Fred Townsend, Dowager Grand Duchess III Charlie, and a hunky man escort.

The Grand Duke & Grand Duchess Ball was held at the Jack Tar Hotel, was very well attended by local and out of town royalty. It was a very colorful event thanks to Lee Raymond, Fred Townsend and Charlie. Good luck to Fred & Frau!

"I know they work. I have set before thee an open door, and no man can shut it; for you have a little strength, and have kept My Word, and haven't denied My Name. Because you have kept the word of My patience, I also will keep thee from the hour of temptation, which shall come upon the world...." Revelations 3:8-10

Wherefore seeing we also are compassed about with so great a cloud of witness let us lay aside every weight, and the sin which does so easily beset us, and run with patience the race that is set before us....looking unto Jesus, the Author and Finisher of our faith." Hebrews 12:1

Those two Scriptures tell all what keeps me going on in the face of adversity. For I fear no enemies, for I have the Lord Jesus with me all of the time. And as the days become more restless about us, and as the times become more dangerous ahead of our people, I feel a greater strength ebb into me with each prayer, with each candle I light on the altar, for I know that God is with me, and that He shall protect me and that when it is my time to join Him, then so shall it be.

The stings of my enemies, those who criticize me for the crusade for justice and morality that I have increased in recent years, with the leading of the One Lord God, within our community, no longer harm me. I am never lonely, for He is with me, and comforts me.

While many in our community must seek out continually another individual for sexual pleasures, this is not necessary for me, for I have the Lord God and His only begotten son, Christ Jesus, our Lord and Liberator. God does indeed love the homosexual, more than an Anita Bryant or a John Briggs could ever imagine. The gate to eternal life is open to all, including homosexuals. For in the eyes of our Father God above, the homosexual act, immorality, is no more sinful than the heterosexual act, in moderation. It is the excesses of both the homosexual and heterosexual that shall send those who so do into the lake of eternal fire. Scoff if you can unbelievers, but it is there, awaiting all who reject as their personal Saviour our Lord Jesus Christ.

Have you noticed the high amount of earthquakes ALL over the world recently? Have you thought about it? Have you thought about the continual rejection of Christ by the peoples in America in recent years? Well, if you have not, you should, for the last days are fast approaching us, the signs of the times are here.

America as we have known it, will soon be known more. The kind of free and open government we have enjoyed is about over, for we are to enter into a very limited democracy, with freedoms being curtailed drastically. The Bill of Senator Briggs is just one example, for you cannot take away the freedom of one people without injuring or even destroying the freedom of all people. This is what I have been preaching ever since I was given the burden to the community which I serve, back in 1966. This community and its leaders almost all reject me in this role, for they do not want to hear of Christ, of salvation, or rights and wrongs, of temperance, of moderation, but in their hearts when they see me, they shake, quiver, for they know that I am of God and that He is with me, and that they must either accept right over wrong, accept Christ over Satan, or do evil unto me the messenger unto this community.

In recent months, I have had various types of would-be-business owners and current owners, come to me with offers, bribes, to drop current campaigns or money, and this I refuse to do. I have had some threaten my physical life and this bothers me not, for I have the Lord Jesus Christ with me always and if it is my time to join Him in Glory, then Amen, but until that time, I shall continue to oppose those who exploit the youth, who sell and enslave youth with their evil drugs, and who do all sorts of evil unto others.

It grieves me that the pastor of a church which says it serves this community almost exclusively, does not speak up, fails to stand up, hides in the shadows. God forgives him and that body for their weakness, just as I surely do. But we all have to stand up for right over wrong. We must help the forces of light overcome the forces of darkness, regardless of the cost, even that of our earthly life.

"Many shall be purified, and made white, and tried; but the wicked shall do wickedly; and none of the wicked shall understand; but the wise shall understand." Daniel 12:10

A publication which is supposed to be of this community which I serve, has advertisements for evil for young boys. This is wrong and God will indeed punish them for this, if not on earth, later at the judgement. This is typical of the lack of responsibility that is needed in our community.

If you accept Christ Jesus as your personal Saviour, then perhaps you too will join us in this crusade to help create a better world.

Remember my friends, for it is in living that we die and it is in dying that we shall live eternally. God loves each and everyone of you out there, and He asks you to throw off your robes of sin and hypocrisy and be honest with Him. He alone counts! rb

### "HOLLYWOOD" by LEE RAYMOND

Dear Readers.....I'm sorry I couldn't be with you last issue, but negotiations were in progress for me to play a major role in an up-coming Hollywood film..... which I turned down, it was the part of the "Lollypop" in the remake of the "Good Ship Lollypop".....I figured if I were to play an all-day sucker, I was going to choose the one who.....er, well, you know what I mean. However, I may be going back to "tinsel town" to film the mod version of "Snow White and the Seven Dwarfs", and with 7 young men around me plus riding into the sunset on a big STEED with a big STUD (and who could pass that up?) I may never come back. But enough of that!!!!!! If you have been following my columns, you know I've been writing about female stars, well for this issue, I decided to switch to the Hollywood gentleman..... and nobody fits that description better than Claude Rains.

CLAUDE RAINS must be reckoned among the finest actors who ever played in films, he has made a score or so of most enjoyable movies during the 1930's and '40's, and they, and weaker efforts, all benefited from his presence. He has a fine speaking voice, like honey with a bit of gravel in it, and that neatly typed him as the most suave and sarcastic of villains, very neat, and polished, with a scornful right eyebrow. He encompassed almost every sort of worldly wickedness, though he tended to be artistic rather than executive; and he could go to the sympathetic line with ease and authority. His effectiveness depended on his response to his material; he could ham when he felt like it, but he was never lazy and never uninteresting. Like Paul Muni, he gave each character a special touch, distinguished each from the other. The essence of a good actor. He was not physically shaped to be a Hollywood leading man, but producers recognized his worth to the extent that he did get star parts and star billing.

He was born in London, November 10th 1889 into a poor family, and his father Fredrick Wm. Rains was an actor, producer and director in silent movies and struggled all his life for success. At age 9, William Claude was sent to Kent to live with his grandparents, and ran away from school which he loathed, and back to London he went where he met a boy who sang in a choir. The boy invited William Claude, who had a good soprano voice, to try out and he was accepted. Not too long after his choir master was to provide some boys for a crowd scene in "Nell of Old Drury" at the Haymarket..... it was an experience which convinced him that he was going to be an actor. In 1911, he got a part in "The Gods of the Mountain" and later that year began an Australian tour of the "Blue Bird" as stage manager and played small parts. It was in 1913 he married for the first time and this time it was for a short time to Isabel Jeans, a British stage actress. For the next few years he was Granville Barker's general manager again playing occasional parts. He then returned to Britain to join the Army and served until 1919... when he appeared in "Uncle Ned" in Henry Ainley's company. This was the mile stone that began to make a name for him in London. He married again..... just for a short-time in 1920 to Marie Hemingway, although his marriage did not go well, his career was going great. He did an admired, "Government Inspector" and notably at the Everyman in Shaw Dubedat in "The Doctor/Delima",.....as Napoleon in "The Man of Destiny" as Dick in "The Devil's Disciple". He was seldom out of work, and by day he taught at the Royal Academy of Dramatic Arts (John Gielgud speaks warmly of him as a teacher in his memoir "Early Stages"). He met Beatrix Thomson in one of the acting classes he taught, she

got the silver medal for most talented actress of 1922, and in 1924 she added the name of Rains to monogram. In 1926 Mr. Rains accompanied his wife Beatrix to New York where she starred in "The Constant Nymph" in which he took a small role, but later took on the male lead in the U.S. tour. He settled in the U.S. and was soon a respected Broadway name in "The Apple Cart", "And So To Bed", "The Man Who Reclaimed His Head" and "The Good Earth" to mention but a few..... He was screen-tested but was considered unlikely film material, however, James Whale saw the test and thought him suitable for his version of H.G. Wells' "The Invisible Man". The part was originally offered to Boris Karloff who refused it because the character isn't seen till the end of the movie. The success of the movie made Rains a film name, and after one more Broadway show, he was a demand in Hollywood.

Two years after his film debut, he and Beatrix divorced April 8, '35 and the next day he married Frances Propper whom he knew from the Theatre Guild. He bought a farm in Pennsylvania where they lived until the divorce of 1956. His only child, Jennifer, was born January 24 '38. Shortly after settling down on the farm, Warner Brothers signed him to a long term contract beginning an association which seems to have been happier than that of other top Warner stars. He was mostly the heavy.....but in a widely contrasting range of pictures; Anthony Adverse as Napoleon, Stolen Holiday as a crooked financier, They Made Me A Criminal as a relentless detective, Juarez as Napoleon III, etc. etc. And then came "Mr. Smith Goes To Washington" for which he won his first Oscar nomination as the most corrupt of Senators. The Oscar for that year for supporting actor went to Thomas Mitchell for "Stagecoach", he was also nominated for supporting actor for his work in Casablanca..... the award that year went to Van Heflin for "Johnny Eager". In '42, he received his third nomination for "Mr. Skeffington" that was '44. But Barry Fitzgerald won it that year.

His fourth nomination was for "Notorious" but Harold Russell, the quadruple amputee, got it for "The Best Years of Our Lives"..... but I believe he received it more for sympathy than merit. Rains certainly did deserve to get an Oscar to go along with his "Toni" and other acting awards. Who could ever forget him in such hits as "Now Voyager", "Kings Row",.....and the very best version of the "Phantom of the Opera"? I could go on and on listing his fine work but all one has to do is mention his name and one word comes to mind.....talent! Because of the changing times and scripts not being what they used to be, parts for him became lesser so he would work where-ever there was work, U.S. or Europe, Hollywood or Broadway, it made no difference, he was at home with one or the other because he was in the true sense, "An Actor"!!!!!! He married Agi Jambor in 1959, which lasted only six months, and in 1960 he wed Rosemary Clark who was the mother of three children from another marriage. He sold his Pennsylvania farm and he and his family moved to Laconia, New Hampshire. Aging, and now white-haired, he was still active, he played with Rock Hudson in "This Earth Is Mine" and a few minor parts in Italy and then brought distinction to small parts in "Lawrence of Arabia" and "Twilight of Honor". His last movie was in 1965, "The Greatest Story Ever Told" and his last acting appearance was at the Westport Country Playhouse in "So Much of Earth, So Much of Heaven" in 1965. May 30th, 1967 the world lost a great actor, as Mr. Claude Rains died of intestinal hemorrhage. He was a very under-estimated actor and he was much missed by those who really appreciated good acting.

P.S.....During my stay in Hollywood, I found out that Alice Faye is making another movie, it's with Mickey Rooney and should be released later this year. Also, I understand that Betty Hutton is doing rather well, she is working as a hostess in a night spot in Rhode Island and seems to be happy doing so. Good luck to the both of you.

And, may I say to Lauren Bacall..... Peter Falk.....Sophia Loren.....Raquel Welch.....and my friend Mario of Garden Grove.....Pushy Phyllis, and David Carpenter as well as all of you born under the sign of Virgo (this includes Alma, cashier at the Spartan Cinema too).....may this day be the start of a very happy year!

## The Army is a Drag!

The man and the "woman" are both Staff Sgt. Little "Bill" Douglas, in a protest at the Fort Carson U.S. Army base in Colorado. Douglas, a self confessed homosexual, is awaiting discharge from the Army, but the Army is trying to force him to name others in the Army whom he has had sex with. Douglas telephoned the Gay Assistance Line in San Francisco to tell them of his woes some weeks ago. Douglas feels that the Army has no right to force him to "turn others in, who are gay, and I will never do it!"

## Film Review:

## ARCH BROWN'S NEWEST FILM...

# MUSCLE BOUND

Arch Brown's new film, starring, Sebastian, Justin Thyme, Dick Patrick, Ed Stiffer, Scott Allen and Chuck Adams, is a film of muscle bound and hot hot bodies. Right now this muscle, hot throbbing epic is playing at the Nob Hill Cinema, 729 Bush Street, just off Powell Street.

Producer-director, Arch Brown's men are so muscle bound, sweaty and stripped for action his this his newest film in it's northern California premiere at the Nob Hill Cinema.

MUSCLE BOUND opens with a bang.....a gang-bang that is and steam-  
s up the screen of the Nob Hill Cinema right up to the final frame of the  
flick. The hot hairy muscular, sexual, sensual, Sebastian is the mysterio-  
us manager of a bathhouse who supplies his customers with partners to  
fulfill their sexual fantasies.

This was filmed at the Broadway Arms Baths in New York City, where a  
real stud is always to be found, so the viewer is treated to an explosive  
trip through dark corridors (with enough lighting to see what you want  
to see, if you know what I mean) and into the locker rooms, the shower  
room and darkened rooms where all kinds of intriguing encounters are  
taking place.

These men mean business as they check in the baths for the ultimate in  
sexual experiences. For one lucky patron there is a three-way glory hole  
.....an experience that ends in a golden shower. Both sexy and amusing,  
and the film keep you up.....if you know what I mean!!!!

For those into the kinky, there is some real swinging and wild sexy fist  
fucking and you will have to see it to understand it and appreciate it.  
Sebastian, is making his porno screen debut in this film and is impressive  
as the man in black leather.

David Earnest, who was a hit in such films as "Drive" with his musical  
background, has scored again with a very lively musical background for  
MUSCLE BOUND. The fine sound system of the Nob Hill Cinema all  
goes to make his musical score sound even better.

Arch Brown, who produced, directed the film and filmed the muscle epic  
with Will Catch (what a name)!

Obviously, Arch Brown, has come up with another winner in MUSCLE  
BOUND.....so, if you like REAL MEN and like them rough (as I am  
beginning to) and you like you men "ready" and your action "hard" then  
you cannot miss this film. The color is superb.

Humor abounds in the film, something which films of this nature sorely  
need. Arch Brown has the imagination to bring all the right ingredients  
home to your "tender spot". It is professional cinema and the Gage  
Brothers had best watch out for Arch has improved vastly with this flick  
over others he has done.

If you don't think you would enjoy porno.....then you have to come  
out to see MUSCLE BOUND, for you will wish you had gotten into it  
along time ago.

## LETTERS TO THE EDITOR

Editor,

I truly regret that this cannot be a "fan"  
letter. I am a resident of Hawaii, who spends  
some time in San Francisco every few months  
a. I have long filled church offices on both  
district and conference levels, including 8  
years as a director of adult ministries, through  
which I used all the influence I could to  
bring homosexuals back to full fellowship in  
churches from which they have been alienated.

I am shocked by almost everyone of 8 to 10  
issues of the Crusader I see each year, noting  
that all are permeated with the rankest kind  
of yellow journalism, a charge laid at the  
door of other gay periodicals. Not a single  
page, unless covered by advertising, is free of  
exaggeratedly expressed hatred for other gay  
individuals and groups. The current issue  
has a column on spirituality, calling for a  
way of life not exhibited by the author.  
I must assume that the cited denomination  
is unknown to me, and I would greatly like  
to know the similarity which authorized the title  
of Reverend on which the writer brings  
shame.

I have no particular quarrel with male prosti-  
tution, if deliberately engaged in honestly  
and pleasantly by seller and buyer. The  
violence who, with references made to "pim-  
pa" seems to be aimed at escort services  
which provide protection for both prostitute  
and "john". I have so far not found it  
necessary to pay for sex I get but if I were to  
"buy" it certainly would be through one of  
those agencies rather than from those men or

boys who place ads such as those you carry.  
Any gains we gays make come from cooperation  
among us. Your attacks on practically every other  
known gay activist hurts all gays and the lan-  
guage you use in making those attacks disgrace  
your title and the denomination which you claim  
to serve.  
I consider it unlikely that my comments will be  
printed but, if they should be, I would appreciate  
a copy of the address given below.

Sincerely yours,  
FRED METHERED  
830 Hyde Street, apt 6  
San Francisco, CA  
or  
Twin Towers, apt. 16-1  
2085 Ala Wai Blvd.  
Honolulu, HA 96815

Dear "shocked":  
We here are shocked at your letter. For it  
is obvious that you cannot read too well or else  
you are just sick. Your opinions obviously are  
not shared by too many or else we would not  
have been in business for these six years and more.  
You do not read well, and you obviously are  
of that closet queen type that has done nothing  
for the gay movement except set around in liv-  
ing rooms and bitch about everyone else. You  
are a sad person, and you are living in darkness  
and obviously know little of what you speak.  
Please please, go back to school, do something,  
so that when you write a letter.....you will know  
something of which you speak!

EDITOR

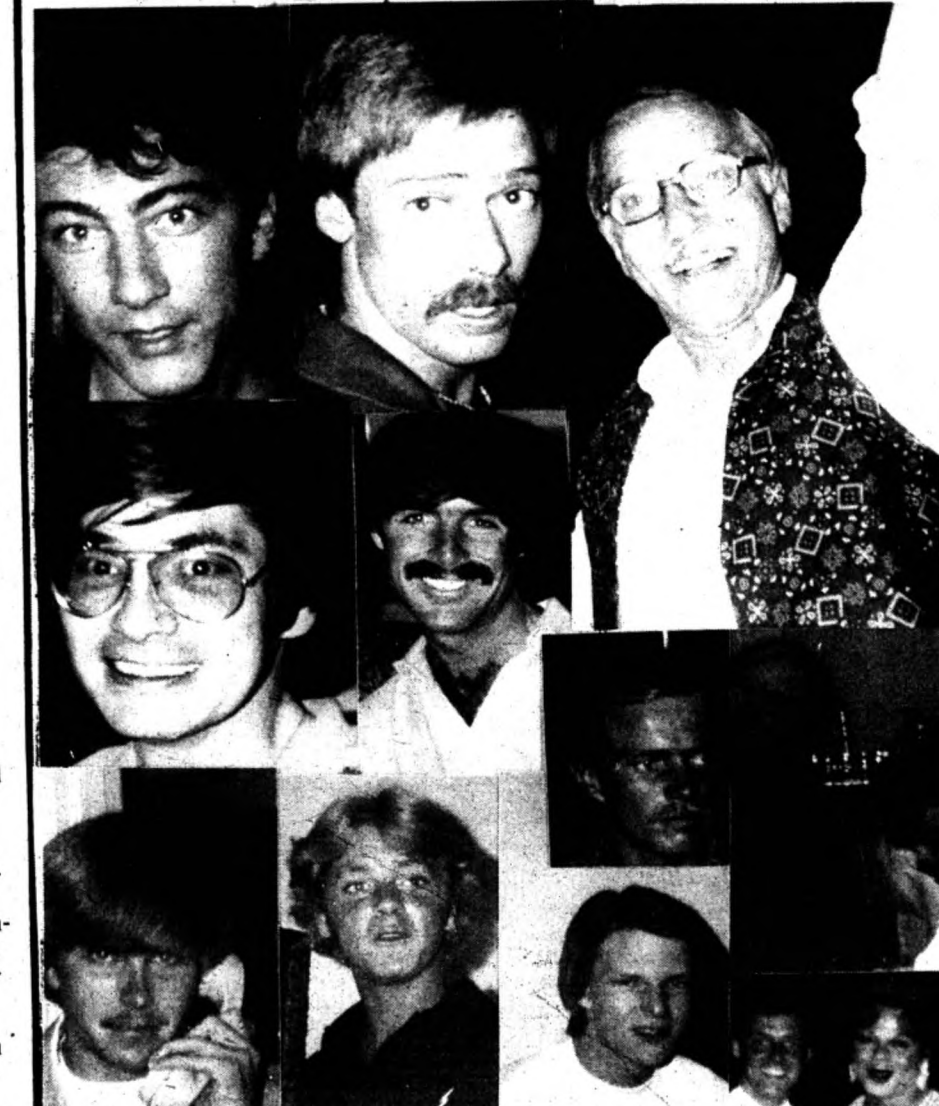

September 1

Editor,

Are you going to sue BAR and Bob Ross  
for their current attack and threat on your life?  
I sure hope so! And to think he wants to be the  
"emperor" or SF!

## \* Emperor Jim Ostlund \*

Jim Ostlund, the "gay" "Emperor" of San Francisco, and owner of the Castro Station, is shown above. Jim's term of "office" is about over. It ends on September 16th when the new Emperor will be elected by the gay community and he will be "crowned" that night. Jim Ostlund is a good person, he tried hard, but had many at odds with him from the beginning. The CRUSADER and Staff have deep appreciation for this sensitive man, and appreciate the things he did do and the things he attempted to do on behalf of the gay community. Thanks Jim! rb

.....STAY OUT OF REINGOLD ALLEY.....this South of Market alley street is one hot place so if you want to be ARRESTED just keep on messing around there and you will be.....over a dozen in a week so far and the police promise more.....so keep it in your pants and out of the alleys of the south of Market area.....gotta go to the places there, like the ARENA, BLACK & BLUE, FRISCO SALOON, BELL CLUB, RAMROD, and then after hours, you can go to DIRTY SALLYS, MR. B'S BALLROOM to mention but a couple of places.

.....Have you met MICHAEL NADILE the "Tenderloin Florist"? yet? He is cute! He does have a florist shop on Hyde Street near Ellis and he is a nice boy (27). Do stop in and buy something from him.

.....What is all this "stuff" between the handsome hairdresser JERRY BARRON and KENDALL? Naughty naughty??? Right or wrong kiddie????

.....LEE RAYMOND has a picture of the infamous RICHARD ELMON who is now out of the hospital at long last.....his ass is hanging out in one of his tired old robes! LEE has promised to give it to us, for the next issue! Revenge is sweet isn't it LEE!

.....Whats this??? LEE AYERS moved out of the apartment of the Countess Lady Blue TRACEE real fast when he read in Lay Lay Blues column that HE was going to marry the Lay of the Tenderloin! TRACEE, you ole Tenderloin Lay, don't you think it is better to ask someone first? He was such a nice boy too! Oh well, TRACEE strikes again.

.....Didja hear that RONETTA FATS and the fabulous TENDERLOIN TESSIE were in a "three-way" with Delicious DEE DEE LOVE? I saw something about it in the DIRTY BOY publication which DIRTY the DICKLESS writes for. Sucha drag!!!!!!

The EMPEROR election is Saturday.....September 16th from 11 am til 7 pm and all can vote and it will be at 330 Grove Street. We don't know where the Emperor's Ball is to be this year, as RON ROSS and JIM the Emperor along with HECTOR KATSHIET decided not to advertise the Emperor Coronation in the CRUSADER for the first time in years. They are all so "fair" and "equal"! Someday they will all receive their just rewards, this we all know!

.....JOHN JARRELL is plenty pissed at being ripped off, so to speak, by LANCE ALEXANDER and his ex-con "husband" PATRICK! Seems that the rent was coming due and they split the scene! Rumor hazzit that LANCE has joined TRACEE as one of the Tenderloin "ladies of the evening"! Who would buy that????!!!!!! Oh yes, what was it that PATRICK went to prison for???? Dear hearts!!!!!!

.....Haveya seen GEORGE of the GOOD HEALTH CLUB, 1044 Post Street? If you haven't, you are really missing something! He is 23 and very nice looking and hails from Pittsburgh PA. He is one for PATRICK'S PLANTATION CLUB.

Farewell to the dear ole HOOK & LADDER PUMPING COMPANY. Seems they have closed their doors. Such a shame. For we really loved ole FREDDY FUDPUCKER and TOMMY BATTIPAGLIA! Good will to the both of you.

.....TUFFY wants to know how that ad for BOB ROSS snuck in here and so does the next emperor CHUCK DEMMON! Rmor hazzit that CHUCK has a new and good campaign manager now.....right HANK????? Best of luck to you both! CHUCK for Emp!

.....JOHN JOHNSON, the former lover of AL ALVAREZ longtime gay activist, was injured severely in an auto wreck and will be hospitalized for many weeks. He is at an hospital near Lake Tahoe near the scene of the accident. To ole JOHN a speedy recovery, and the best of everything.

.....Didja see the centerfold??? If you want to know who it is, just ask Rev. Ray, but he isn't talking about it! Must be one of his many "ex" mates.

.....GRADY of the Civic Center/Grand Southern/ and other hotels.....is hot hot after a young man whose name he won't give out. DAVID is still living with him and cooking at the 527 CLUB. DAVID is going with another DAVID from the 527 CLUB and Rev. Ray is ready to "crown" both LENNY and MOTHER PHIL for going back on their word.....again, in another employment situation. The food is good there!

.....Speaking of food, you will never find better food with finer service than at the P.S. Restaurant. DANNY the Maitre de will attest to that as will LARRY STAR CASAS!

.....VOO DOO is serving drinks daily at the TENDER TRAP, Polk and Broadway. Please stop in and say hi to VOO DOO and have a drink with this fine human being.

.....TOM LOVETT SOUZA is not in this issue of the paper for he owes us \$\$\$\$ and his "lover" JOHN the most hated manager ever at the Civic Center Hotel, has told him he can't be in the paper any longer. Task tak on both counts!

.....Don't forget the NO ON 6 AUCTION and Flea Market being put on by the TAVERN GUILD and Wayne Friday on Monday, September 11th at the California Hall at 8 PM.

.....TUFFY is having a party at the HOOK & LADDER at 10 PM on Wednesday the 13th.....the day before the auction for the MCC & Helping Hands Senior Citizen luncheons. TUFFY is such a champ.....right CHUCK DEMMON????????

.....By the way, Helping Hands (Orthodox Episcopal Church of God) began those senior luncheons in September of 1969 that is 8 years ago this month. Their next one is on Monday September 18th. Congratulations to Rev. Ray Broshears for his fine pioneering work.

.....Oh yes, Rev. Ray does NOT write this column, he does have a hell of a lot to do with the Mockingbird, but nothing but the typesetting to do with this one.....remember that Miss RICHARD ELMON you bitch!

.....GRAND DUCHESS FRAU, please take better care of yourself. Dear heart, you just have to slow it or cut it out on the you know what!

.....KEN BROWN, just love your picture on page 17. You are as handsome as Rev. Ray tells us you are. Are you as naughty as he says, also?????

.....PAT TOWNSEND, go drink a mint julep!

**trash**  
BY THELMA DIRT

.....JERRY SLOUP of the P.S. cut his hair.....so he could look younger. Task tak, sorry JERRY, but it doesn't make it! You looked much better, more distinguished the other way. JERRY is really upset about getting older!

.....The STALLION is the scene of the September 14th Auction & Party for the MCC & Helping Hands Senior Luncheons. The STALLION is located at Polk and Ellis Streets. It is ran by ROD & MIKE!

So come on in with some coins in your pockets and join the host.....GRAND DUCHESS FRAU, please take better care of yourself. Dear heart, you just have to slow it or cut it out on the you know what!

.....DOWAGER GRAND DUCHESS LEE RAYMOND, ROSE I, II, III of the RED LANTERN joins us at the all new STALLION along with MR. GAY SF TONY DI JETT and a host of others including stud JIM DUNCAN, the other half of TUFFY who may be there we hear.

Thats.....8 PM, Thursday, September 14th. Corner of Polk and Ellis Streets.

.....CARLA of the CASA DE CRISTAL is the loveliest woman in all of California is the opinion of the staff of the Crusader and of DAVID STOLL and PAUL BROTHERTON who said that he might turn "straight" just for CARLA!

.....HARRY GARDNER, SIT ON IT! Or better yet, stick a tiffany shade up yours until you can be nice and sober!

.....TENDERLOIN TESSIE says that she heard that RONETTA FATS was picked up by the REV. RAY BROSHEARS and had a four way with DEE DEE LOVE and the FAT FAIRY! This of course came from the lips of the ever-truthful TESSIE!

.....RON ROSE & the FREEDOM HOUSE gang had best hup up and stop the boozing!.....son like!!!!!!

.....STEVE FALLS is a pretty boy but!

.....Is it true that CINNAMON STICK of Mr. B's fame will be one T.T.'s BOYS?

.....LEE AYERS who won the New Boy In Town Award at the Hookers Ball has alot of meat! according to TESSIE!

.....What "grand" person with a title and a Tenderloin person ran into each other at MR. B'S BALLROOM.....it was a very GRAND AFFAIR.....but not with one another. By the way, I wonder if anyone has seen GINGER around lately??

.....Is it true that MARCUS and WAYNE FRIDAY were "groping" or another before they found out who the other was.....at MR. B'S BALLROOM OF COURSE

.....Didja hear that THE BIRD, Michael of the CARNIVAL ROOM is STILL married to the same man? That IS a record. Congratulations to the both of you!

.....Didja hear that RAY RULE and PAUL BENTLEY went off together to RENO.....isn't that romantic??? Wonder who was the man?????

.....PAUL GIBSON of the LIBERTY BATHS.....don't you think it is polite to return phone calls once in a while?????

.....The big question is WHO is going to win the Emperor race this year. It is a real close one and CHUCK DEMMON cannot be counted out for that finish line.....real dashing plans for that finish line.....

BOB ROSS has been around for along time.....sometimes he takes too many for granted.....but he is strong, and then there is the flamboyant TUFFY who really knows how to stir things up and about. HE is the ONE to beat right now, so it is anyone's guess where they will flop on election night. I wish to remind you that the Tenderloin holds the key to victory.....so.....who is ROSE I, II, III, TESSIE and REV. RAY working for? they hold those keys.....united behind one, that person is a sure winner, but, we don't know which way any of the three of them are going this year. All of them like CHUCK, and a couple of them like TUFFY and one of the like BOB ROSS, but, they are not committing themselves. Remember to vote on election day.....September 16th from 11 AM til 7 PM at the 330 Grove Street Gay center which REV' RAY has blasted in this issue I understand. So take your identification with you when you vote.....ok? For information on which candidates have what phones on election day, called the GAY ASSISTANCE LINE at 885-1001, so far only one is listed for a ride to polls, that is 61-7230 which is for the BOB ROSS campaign. Good luck

.....Is it true that the MOCKINGBIRD has hired a "hit man" for GLORIA SWISH? No, but it is true that GLORIA SWISH as a woman is a hit.
