JULE JOHNSON

SEVEN OUT OF EIGHT GAY POLITICAL GROUPS ENDORSE JULE JOHNSON FOR ELECTION TO BOARD OF EDUCATION. Jule Johnson, who is seeking to retain her seat on the Board of Education, after receiving an appointment from the Mayor to fill a vacated post, has been endorsed by one Republican, three Democrat, and two independent gay political organizations. Jule Johnson as a member of the Board has campaigned vigorously against Proposition 6. Gays are urged to vote for Jule Johnson, Nov. 7th.

Republicans turned "tide" against 6!!

RONALD REAGAN
This is an old pic of the Guv in early Hollywood!

KEY REPUBLICANS COME OUT AGAINST PROPOSITION 6.....AND THE TIDE HAS TURNED AGAINST BRIGGS AND HIS BUNCH OF "KRISTIAN KRAZIES"!

Regardless of how little credit is given to the Republican Party in the battle against Prop. 6, it is very clear that Prop. 6 was going to win, with even the gay publications such as the *Advocate* and the *Sentinel* having given "up the ship" so to speak. But, after Lt. Governor candidate Mike Curb and Attorney General candidate, George Deukmejian came out against Prop. 6, it was only a matter of time until former Governor Ronald Reagan (pictured at the left here, a pic from many years ago) came out strongly against Prop. 6.

Reagan was quickly and grudgingly joined by the United States Senator S.I. Hayakawa who said that he would vote "no" on 6.

Then on Friday October the 27th, former President Gerald Ford not only came out against 6, but backed it up with a "door hanger", several hundred thousand of them, which are being distributed from door to door in southern California with the Republican slate on it, recommended by Gerald Ford, but also, a strong urge to vote no on "5 and 6"! President Ford said that "6 is an invasion of privacy and could lead to one of the greatest witch hunts in the history of modern mankind."

The California Young Republicans (liberal wing) endorsed a no on 6 vote. They joined the GOP County Central Committees of San Francisco, San Mateo, Marin and Alameda in opposition to the radical right-wing Prop. 6.

Gay Democrats refuse in their publications to give proper credit to the Republicans. For until the Republican leaders spoke out, the polls all showed Prop. 6 winning by huge margins. Now the latest Los Angeles Times poll shows it, Prop. 6 to be losing. But it is obviously due to the Republican leadership jumping in and asking Republicans to Vote No on Prop. 6.

Gays are welcome in the Republican Party, please remember that. rev. ray broshears, editor.

ERIC MONCUR ---- ASSESSOR CANDIDATE MOVES SWIFTLY.....

Eric Moncur, who has been endorsed by several gay organizations and gay activists, has found that his campaign has moved right up front in the past days and that his chances for election are excellent, according to the polls.

Eric Moncur is the ONLY candidate with a comprehensive program for changes in the Office of Assessor.

None of the other candidates for Assessor have said or written anything viable about speculation. Speculators won practically all the available land (and land occupied by slums) in our city. They contribute heavily to the campaigns of Eric Moncur's opponents. Eric Moncur has a plan to expose them and make them pay their fair share of taxes.

Eric Moncur will end the many cases of underassessed downtown property due to the unsound assessment practices and neglect of his predecessor (in cumbent).

Eric Moncur will open the Assessors Office to the public with open records. Eric Moncur will help to provide rent subsidies for the elderly.

Eric Moncur is the candidate of all responsible gays. rb

GERALD FORD ENDORSES "NO" on 6! President Gerald Ford at a press conference in Los Angeles came out strongly against Prop. 6 as "an invasion of privacy". Former President Ford joins such prominent Republicans as... Ronald Reagan, U.S. Senator S.I. Hayakawa, Evelle J. Younger, Mike Curb, and George Deukmejian, in opposing Prop. 6. Many gays are wondering why Jimmy Carter or Walter Mondale have said nothing against Prop. 6!

GAY
VOTERS LEAGUE

The GAY VOTERS LEAGUE was founded in 1971 by the Reverend Ray Broshears and a handful of members of the old Gay Activists Alliance. This was due to the dictatorial policies of the then dominant large gay organization, the Society For Individual Rights which purported to be the "voice" of the gay community, and restricted who could attend their "candidates night". Thusly a "Gay Voters League Candidates Town Hall Forum" was held at 26 - 7th Street, which outdrew the Society's candidate's night by about forty people for the gays who attended came from all spectrums of the gay world and not just the would-be grand gays who thought they were "it". Supervisor Dianne Feinstein was running for Mayor that year and she gained the endorsement of the Gay Voters League. And Congressman William Mailliard (R) attended and gave support to gay rights. This was his first time before a gay group, and it was not even his election year.

The League has changed considerably since that first year, but it continues on, each consecutive year thereafter a Candidates Night has been held at some location in the city. Elmer Wilhelm of the Minutemen Democratic Club is the Co-ordinator of the League this election year, and Rev. Broshears is still the president of the League's board of advisors. This publication came as a result of the Gay Voters League's efforts to present the endorsements of ALL gay organizations in the city for ALL gays to see, for the League has been disturbed at the prejudice of several of the "gay" "publications" in their refusal to print the endorsements of some of the gay political groups. Thus the center fold of this GAY VOTERS GUIDE has the endorsements of all of the political groups in the bay area who made them available to us, as well as the powerful statewide group, Stonewall Democratic Club.

If you wish to be a part of the League's educational projects and activities, please write to: GAY VOTERS LEAGUE, Post Office Box 1528, San Francisco, California 94101. Telephone 673-8184. When the League endorses a candidate, they support that candidate as well with paid advertising pushing those candidates endorsed. The League's Candidates Nights are open to ALL PEOPLE and all who attend may cast a ballot for the candidate of their choice and at the end of the evening, the ballots are totaled and thus the results which mean endorsement by the Gay Voters League. We urge all gays to support diversity and dissent within the gay community, for it is very healthy and shows political maturity. rb

Before the board action on Florida orange products, members of the Gay Liberation Alliance posted an informational picket line in front of the Northpoint Co-op Center (Co-op News, April 20), and then were taken inside to talk with Co-op representatives. In this picture Co-op board member Marsha Harris shows Rev. Ray Broshears of the GLA some of what Co-op is doing about the Florida orange issue.

Rev. Ray Broshears

The Politics of Morality.....

Many would question whether there is any morality in politics. Many say that politics are immoral. This we could not agree with, for we do not judge all on the ilk of a John Briggs or an H.L. Richardson....the two "kingpins" of ultra-right extremism. Nor do we judge politics on the corrupticians who do gain a lot of headlines in the media.

There are many good and honest people in politics, and it is a shame they gain too little support. Their honesty "hurts" the ears of many. Right in San Francisco, we have one of the "goodies", she wears a "white hat", but she is too honest, too fair for many people to take.... this being Supervisor Dianne Feinstein. But she is not the reason for this article. But Dianne is a good person to take a look at if you are looking for sincere, honest, fair, public officials. But, alas, she is but a few who are in public office today in our city. There can be real "morality" in politics, if you, the voters, start voting for those persons who are sincere and honest people..... and cease this senseless immature nonsense of voting for the candidates who pat you on the head and tell you "what good little fags you are!". It is time to look at the

real person, instead of the "cosmetic and sweet talking" person. Many persons who call themselves "gay" don't even know full well the meaning of the word. For "liberation" is something they know little of.

And too many of these "new gays" in our city will vote for the "important" people....not the right people. They will vote for the jive-sweet talking candidate, rather than the candidate who talks to them straight from the heart, and gives out with some honest heart-felt criticisms of the gay community (as mythical as it is) they are immediately castigated as being "anti-gay" by people like Supervisor Milk who is trying desperately to build a political empire, of people of his ilk.

Dear friends, when gay people can no longer take criticism, it is time to open up the gates of Napa State Hospital and push them all into it. For without criticism, we are nothing. None of us are perfect, and this is why we can have morality in politics if people in general and our own gay community in particular, were willing to take criticism and to take a second look at the candidates.

No one is being endorsed by me in this column. Most all know how I feel in this election, and my selections were based upon sound reasoning. I must admit, that it is a shame that I had to choose too many times between the lesser of two evils, for we do not have enough good candidates for political office today. But we do have SOME good ones running.

OPINION

But, while we know that there can be morality in politics, we must ask, "Is there any morality within the newsmedia left?" Yes, the newsmedia! The newsmedia, and this includes the gay media as well, want to dwell on the negative side of the politicians and support only those who will "kiss their ass" so to speak, and do the bidding of the people the media represents and pretends to represent. The black community of our city has but one publication, and it in a media sense, does represent the black community for no one will challenge the publication. Fortunately for the asian community and the latino community, they too have several publications in competition with one another, and this is good, for it brings forth diversity.

In our own gay community, morality in the gay media is in danger. For two of the larger publications are seeking to eradicate the lesser gay publications. This is immoral and sick. They purport to represent the gay community, which they do not. They represent only a different viewpoint, and they now seek to make that more powerful by doing what they can, legally and unethically, to halt the publication of this paper (the San Francisco CRUSADER) and two others, the DATA BOY and RIP OFF RAG. For a publication to try and halt another publication from publishing is fascistic. It is so morally wrong that it would take more space than I am allowed to speak on it. But, it is written, "As Ye Sow, So Shall Ye Reap!". Never has the CRUSADER nor Data Boy or the Rip Off Rag tried to halt another publication. And for that we shall receive our reward. Just as those who seek to close any of us down, shall find their reward! rb

CHANGE NEEDED IN OFFICE OF PUBLIC DEFENDER

"PLEAD GUILTY", this is what almost all of the members of the Public Defender's Office request of clients....whether they are guilty or not!

The Public Defender's (PD) Office has not served the citizens of this city well at all for the past too many years. With a budget of \$2.4 million dollars a year, they give only 8 AM til 5 PM service Monday thru Friday, and that service is sad indeed.

As a rule it means the client (arrestee) meeting their attorney from the PD in the hall outside of the Courtroom, just a matter of a few minutes before Court convenes, and the PD as a rule tells the client to "plead guilty". Of course to a lesser plea. This is known as "plea bargaining" and it ruins the life of the individual for it not only gives them an arrest record, but a record of conviction. This is standard operating procedure under the persons currently in the Public Defender's Office (Jeff Brown, etc.).

Gay people, and the poor and disadvantaged of our various minority communities need a Public Defender who is competent and sensitive to the problems of many minorities whom the Office primarily serves. Hiram Smith is currently the Executive Director of Neighborhood Legal Assistance Foundation. So he full well knows the needs of the clients, and he will obviously do a far better job than his opponent who has let it be very clear that it will be "business as usual" by the acceptance of funds from the very assistant Public Defenders who have been misrepresenting gays and other s for years. The election of Hiram Smith means a "clean sweep" and heaven knows that the Office of Public Defender needs it.

Hiram has promised faithfully, and he DOES keep his promises, that he will appoint up-front gay trial lawyers to work in the Municipal Courts. This is long long over-due, and Hiram from his past record, will indeed keep this promise.

The Gay Voters League, Teddy Roosevelt Republican Club, Minutemen Democratic Club, Gay Liberation Alliance, realtor Andrew Bettancourt, Elmer Wilhelm, Claude Wynne, Rev. Ray Broshears, have all endorsed this fine very qualified man for the next Public Defender.

Hiram Smith, popular choice of gays for Public Defender.

To Honor

State Senator JOHN F. FORAN

&

Assemblyman WILLIE BROWN

The Minutemen Democratic Club is proud to present this event, honoring two of our pioneering gay rights legislators, Assemblyman Willie Brown and State Senator John Foran. The California Democratic Party Gay Caucus will present plaques honoring each of the distinguished legislators.

Assemblyman Brown authored the law concerning consenting adults, and Senator Foran, authored legislation which would have given equal employment rights to gays had it passed.

Both Foran and Brown continue to serve us admirably in the Legislature.

THREATENS BARS???

Threats have been made against south of Market bars who advertise in this newspaper by the man pictured at the right here. Shortly after he made his in person threat to one of the advertisers of this paper, a bomb threat was telephoned in to one of our south of Market bar advertisers. The SFPD and the FBI both are investigating the telephone bomb threat as well as the other threat to the bar owner.

The person pictured at the right, who made the verbal threat to a bar owner, but may well have not made the bomb threat, is known as "Marty Cox". He arrived in the city early this year, and has been the center of controversy. A porno bookstore for which he once worked said they fired him for his bizarre behavior and the embarrassment he caused them with the SFPD (San Francisco Police Department). They also let it be known that they had "other reasons, financial, for which they had to let him go as well!"

Cox was at one time associated with the defunct newspaper the GAZETTE, and caused them bad public relations with some statements made about other publications.

He was for a very short time, a doorman at a south of Market bar, one of those he threatened, and was dismissed for his erratic behavior and bizzare statements to people.

Marty Cox allegedly manages a hotel at 9th and Folsom streets as of now. He came to this city in a real "hurry" from Reno where he left under "clouded" circumstances. Before that, he had to leave Denver Colorado as well. The CRUSADER deplors people who threaten any business and in particular any human life that might be lost as a result of such a threat being carried out. We also deplore any such person who in any way endangers freedom of the press, be it us or be it any other gay or straight publication, for without freedom of the press, we have fascism and terrorism.

We ask that all citizens who hear of any "threats" etc., to please contact either us or the SFPD 553-0123.

Films

Rough Cut.....

"Rough Cut", now playing at the NOB HILL CINEMA, 729 Bush is a film that you must see.

"Spectacular Erotica" sums up the film simply, but there is nothing simple about the film.

Cliff Newman, the owner of the Nob Hill Cinema, said the film just might be a real "sleeper" and sure as God made gree apples, it was. No advance publicity, little was known of "Rough Cut" but here it is now, and it is packing in the crowds at the Nob Hill Cinema. Scott Taylor, the star is hunky indeed, but there are others in the flick who are far better looking... such as Adam Mitchell, Dan Parker and the DATA BOY Contest winner of Best Physique '78, Nick Rogers.

But, acting makes this film go..... the bodies are the icing on the cakeand the color is clear and well done.

The film's plot centers around the film lab of a photographer and it is very clear and simple which makes it easy for you to follow.

The film editor in the film is about the best actor and has a beautiful body which all will enjoy.

And if you are looking for well hung men....come and see "Rough Cut", for they have some BIG onesso big that you may not want to leave the Nob Hill.

With such handsome men, scenes of erotica made my tongue hard, and I will be back to the Nob Hill soon to see it again. If you have never seen a film of male erotica, or "porno" as some call it, you MUST see "Rough Cut" for it will be termed one of the top all male gay films yet done. Has to be, and you should find out for yourself by going to the NOB HILL, 729 Bush Street, between Mason and Powell Streets. I am sure you will not only enjoy this hot film.....

"Rough Cut" but will like the companion film, "Morning Noon and Night" which is nice, but nowhere near the quality and excitement of "Rough Cut".

And the NOB HILL is NOT a sleepy theatre. If you have not seen the Nob Hill Cinema, you owe it to yourself to go there. For it is a masterpiece of engineering for the year 2001. Clit Newman put alot of money into this place and it is a real showplace something which few theatres of anykind can stand up to.

If only costs for the first time, \$6, which is \$1 to get a membership card to belong to the Nob Hill Cinema Club and \$5 regular admission. If you arrive before 11 AM it is much cheaper. Call the theatre for the lower price and showtimes..... 781-9468
