GAYS WIN OVER HATE & FEAR IN CALIFORNIA & IN SEATTLE.....

HATE & FEAR REJECTED BY VOTERS!
PROPOSITION 6 DEFEATED OVERWHELMINGLY
THANKS TO THE REPUBLICAN LEADERSHIP!
IN SEATTLE, THE ANTI-GAY "COPS FOR CHRIST" FAILED IN THEIR RIB TO REPEAL THE GAY RIGHTS LAWS.

Assemblyman Willie Brown, who squeaked through to victory over the bigot Mike Henderson, told a Bay Area television audience that "Former Governor Reagan and former President Ford, along with Senator S.I. Hayakawa gave the Yes on 6 campaign respectability, without them, Prop. 6 would have won. A great victory for gay rights."

The defeat of Prop. 6 dampens the anti-gay forces of Anita Bryant and John Briggs in future efforts, for they know that gays in California have political authority, thanks to bipartisan support, but gays have no power as just Democrats or Republicans, statewide, as the vote clearly shows.

In Seattle, Initiative 13, a police sponsored measure, would have repealed the gay rights law in that northwest city, but the "Cops for Christ" failed, almost two to one, as Seattle residents defended gay rights. A strong pro-gay candidate defeated easily a very anti-gay candidate for the city council of Seattle also.

In Miami Florida, the gay rights initiative failed there, but won a far better vote than before, showing that gays to growing in political strength in even Dade County and Miami.

November 7th, 1978 was a very great and gay day in America!

Republicans Win Two

MIKE CURB & GEORGE DEUKMEJIAN WIN EASILY OVER DEMOCRATIC PARTY HACKS....VICTORY TAKEN A GOOD SIGN FOR GAY RIGHTS IN CALIFORNIA

Mike Curb, Republican National Committeeman, and a strong supporter of gay rights, defeated the scandal ridden Democrat incumbent. Lt. Governor-elect Curb is very close to Governor Ronald Reagan, a strong prospect for president in 1980.

The victory of State Senator George Deukmejian over the bleeding heart liberal Congresswoman Burke was taken as a sign that the voters want stronger enforcement of laws against violent crime in California.

Republicans won the governorships of Oregon and Minnesota, as well as Nevada in great upsets, showing a tide towards the new Republican candidates who represent the new spirit of the Grand Old Party (GOP).

One sad note was the defeat of U.S. Senator Edward Brooke of Massachusetts. Brooke, the only black in the U.S. Senate took his defeat graciously.

And for the first time since Reconstruction days, a Republican U.S. Senator was elected from the fine old southern state of Mississippi.

And in San Francisco, the rent-rebate-control measure, Prop. U did far worse than expected by its supporters of the left.

And in addition, the pro-pot measure, Prop. W won a sparkling victory, but has no legal effect over the police.

Eric Moncur failed to win election as Assessor, Sam Duca won. Also, status quo continues in the Office of Public Defender.
MILK SOURS IN GAY CENTER....

VIOLENCE IN AND AROUND CHURCH & MARKET AREA...Young things, all of them recent arrivals in San Francisco, instigated a ring of terror against gay and lesbian patrons at the center of the city. Several reports of the派出所 were made while patrons tried to leave the center, the paddy wagon was seen at the edge of the area, and the Gay Rights activist was seen standing outside the center. The police have promised that they will make a greater effort to control the violence, but they have also promised that they will not use excessive force.

THREATS AGAINST CRUSADER

San Francisco Board of Supervisors today approved applications for two gay groups to receive $375,000 of taxpayers' money, angering many groups. The new groups will be called "Gay Pride" and "Gay Liberation," and will receive $375,000 each. The gay community is outraged by the decision, and feels that the money could have been used more effectively in other areas.

Restrain of Gay Vote by Mayor in the Castro....

BOARD OF PERMIT APPEALS DENIES PERMITS TO GAY BODYBUILDING CLUB...A gay bodybuilding club was denied permits to use the city's public parks for its activities, angering many in the gay community. The club had hoped to use the parks for its regular meetings and events, but the city's Board of Permit Appeals ruled against it.

UNCOMMON WOMEN AND OTHERS

At the Magic Theatre ($8.99) for men is a fine production of a light play that may not have all the right elements, but that has some wonderful performances and a very strong cast. The play is about a group of women who are trying to find their place in a male-dominated society.

VIOLENCE AGAINST GAYS...About four or five areas...Numerous reports of violence have come to the attention of the San Francisco Police Department. The area of the Center has been particularly hard hit, with several attacks reported in the past week.

GAY RECORDING ARTIST SCORES WITH NEW ALBUM.."Last Old American" is a new record album by a gay artist. The album has received widespread critical acclaim and has been well-received by fans of gay music.

Milk Center

The Board of Supervisors has approved the application for a gay center to be located in the Castro District. The center will receive $375,000 of taxpayers' money, and will be used to support various programs and events.

RAGGED ARTISTS ALIVE

It seems to me that a person would have to have an ax to grind or a cause to push in order to do a production of a play that is so far removed from the gay reality. However, the play is well-intentioned and has some very good moments.

A TREAT POSTPONED

"Alas, Eve!" the European transvestite revue of 1923, with E. Alas Eve! who has become a popular figure in the gay scene, was postponed due to a technical problem.

THE SOUND OF MUSIC

The sound of music is a story of a parable, as the music is the story of a journey. The music is the story of a way of life.

MIXED VIOLENCE

The violence in and around the church and market area has been increasing recently. The police have promised to increase their presence in the area, but many feel that more needs to be done.

THREATS AGAINST CRUSADER

Threats have been made against this publication's continued operation, threats which have been rejected by the attorneys. The threats have been made against advertisers in the publication, whom the publication has not named.

THREATS AGAINST CRUSADER

The threats as of this writing have come from several sources and are a result of the publication's stand against the so-called "gay rights" movement. Some have threatened violence, some have threatened to sue, and some have threatened to boycott the publication.

CHESTNUT STREET

A chestnut street has been turned into a gay neighborhood, with many gay bars and clubs opening in the area.

MOTEL

A motel has been opened in the Castro District, which is becoming a gay neighborhood. The motel is said to be popular with gay visitors.

SANTA CRUZ

A gay community has been established in Santa Cruz, with a gay village and a gay community center.

SAN FRANCISCO BOARD OF SUPERVISORS JOHN APPLICATIOS OF TWO GAY GROUPS COMPETING FOR $375,000 OF TAXPAYERS MONEY.

COURT

A court has ruled in favor of the gay community in a case involving the use of public parks for gay activities. The court has ruled that the city's decision to deny permits to a gay bodybuilding club was unconstitutional.

SAN FRANCISCO BOARD OF SUPERVISORS AGREE TO PROVIDE MILLIONS OF DOLLARS TO MUSEUMS AND ARTISTS...

KOPP

Superintendent Kopp will soon give his presentation to the Board of Supervisors. He will discuss the city's plans for the future, including the possible development of a new museum.

I think not, especially when one
considered the fact that there were no
buses running to the beach during
that time. Running through the
streets of the city, I saw all kinds
of people, from the very rich to
the very poor. Some were
walking, while others were
driving. The atmosphere was
calm and peaceful, and I
enjoyed it all. I found
Montparnasse to be a
place where one could
experience many different
cultures and societies.

That was in the early 50's, long after
the famous days of Fitzgerald and
Hemingway, of Joyce and
Somerset Maugham, but it wasn't all
that my romantic teen-age mind
had imagined it to be. Still, it was
pretty damn exciting.

Montparnasse is a Bohemian
city with a rich history, and a
foreground of modernism. The
street has no single huge
meeting place like Montparnasse's
famed Cafe du Dome, but there are
myriads of small cafes and bars
that serve as home base for one or
more groups so that

Although it may at first glance
seem unlikely, the parallel can be
continued by comparing Montparnasse's
famed Apaches to the gay
community of the Strasse. The
diversity of that time, flaunting their
bodies, and their loves, in open
defiance of the staid respectability of
the past, seemed familiar.

One of the most exciting
streets in Paris, the most exciting
city in the world. This was
Montparnasse, the place where my
adventures started.

In the early 50's, I was a student at
the Sorbonne, and although I

Old Folks Luncheons have free bingo for all!

Monday, October 23rd, the Old Folks Luncheon of the Helping Hands Service/Orthodox Episcopal Church of God celebrated with a luncheon at 26 Seventh Street. Several persons had 39 cents to their credit, each one of whom was present for their luncheon. Several persons had good reasons to be there, and it was a great event. A fantastic vegetable and beef stew was served, along with a salad and lots of dessert, plus coffee, milk, and tea. And it was an expensive luncheon but all who were in attendance enjoyed the meal greatly. Afterwards, a free bingo game was held, with Paul Foga in charge of the game, and there was a lot of fun for all and everyone present left with pocket change.
