COPS & D.A. LAUNCH ELECTION YEAR 1979 WITCH-HUNT

"Swan-song" of Chief Gain is hurting gays!

"A SAN FRANCISCO 'BOYS FROM BOISE' SEX SCANDAL IN THE MAKING.....
SAN FRANCISCO'S GAY COMMUNITY UNDERGOING PERSECUTION BY COPS & DISTRICT ATTORNEY WHICH MAJORITY OF COMMUNITY KNOW LITTLE OF (and most could care less.....until it hits them!).

Election years in the past have brought out "witch-hunts" against minority groups and in particular the homosexual community. 1979 is no exception! The District Attorney, Joseph Freitas who used to be the friend of gays has launched into a massive drive in conjunction with Chief of Police Charles Gain to set-up & entice men into compromising situations with youths who are not 18 years of age. Seldom has such a concentrated effort been conducted in recent years. The Vice Cops under the leadership of Captain George Eimil who

DEMOCRATIC CLUB UP-ROAR

Gerry Parker, III

Howard Wallace

The Stonewall Democratic Club is in an up roar over a quote by the Club's Political Vice President, Gerry Parker, III which appeared in another paper in that he said he supported a socialist for Supervisor in District 5. The socialist is Howard Wallace who ran once before on the SWP (Socialist Workers Party) slate. The President of the Club, Robert Schmidt has demanded the resignation of Parker as Parker was the person who had gotten the Club to endorse the incumbent Supervisor for re-election in a previous meeting. The Club has two Vice-presidents, so Parker obviously is expendable. Wallace is also the person who has been trying to unionize the gay bars and restaurants which the president of the Club is opposed to also. Unionization of gay bars is a key plank in the Wallace campaign. Parker has supported that also.

POLICE DEFEND THE NAZI's?

As a result of the arrests made at an male model escort agency recently and after attending the preliminary hearings of the trial which began in full on July 18th, the CRUSADER at the request of the owner of that Agency looked into the "ad" which was placed in the ADVOCATE newspaper which was the same which the Agency was busted for some months back, yet the telephone number and name were different. That ad tho, caused this Mission district legitimate agency to be set-up and busted by 21 SFPD Vice cops. This new "ad" with the new name and new phone number was found to be that of a person who was once a big shot in the American Nazi Party here in northern California under Allen Vincent. The owner of the agency when he found out the CRUSADER was conducting an investigation, telephoned Lt. Sid Patton, of the SF PD who called the CRUSADER and requested us to not go any further. Lt. Patton, who has always been known for his high-handed tactics and threats in the PD has since been reported to his superiors. But what we at the CRUSADER ask, is "Why is he defending the Nazis and a gay Male Model Agency?"

many would like to see become the next Chief of Police, and the District Attorney's office have had several middle-aged and older gays arrested after one of "their men" used young boys, 14 and 15, to have "meetings" with them allegedly, and the boys would later made their reports to their boss in the Vice Cops, the arch-enemy of gays everywhere, Inspector Arthur Gerrans, a member of the gay-hating "Fellowship of Christian Peace Officers" (Cops For Christ), and then the men who had the alleged meetings with the youths would be taken into custody after was presented to the District Attorney. Many who have been watching the "enticement" practices of the D.A. and Chief Gain, believe it is an effort to "force" non-supporters into the camp of the D.A., or to "stifle" any dissent of the District Attorney who faces stiff opposition from Arlo Smith and others.

"BOYS FROM BOISE/SAN FRANCISCO?"..... This is becoming somewhat reminiscent of the old sex scandal in Boise, Idaho years ago, and of the year old similar sex scandal in Boston. The difference here is, that the gays are not united and will not help other gays who may or may-not be involved with youths under the age of 18 years.

In Boston, all of the gay organizations last year, as well as both of the Boston gay papers fought their District Attorney and the Chief of Police on the same type situation we have here. But it is the opinion of many gays here, that to be associated with anyone who may or maynot have association with youths under 18, is a "no no" and may be a political liability, and to hell with the rights of the gays involved.

Most all gay groups contacted have said "no" to having anything to do with it, except the Gay Voters League and the Gay Liberation Alliance. All of the other gay publications refuse to do anything except possibly persecute the persons who are being victimized by the D.A. and the Chief of Police's men in this crucial election year. Already, the CRUSADER has lost three advertisers because of our defense of those "set-up" and or accused, but we shall survive. believe that. We cannot as yet give out the names of those under arrest at the request of their lawyers nor can we give out the youths names as yet as it might jeopardize the case.

WARNING.....all gays are asked to be cautious of the Polk Gulch area of Pine and Bush, as this is the area the "set-ups" who are under 18, use. This is most serious and entire lives and careers ruined by this ruthless election year tactic of the cops and the D.A.

The Gay Help Line (885-1001) is open to take any new information concerning the "enticements" and "set-ups". After the trials begin we shall be able to give out full details of the matters. The current D.A. is considered "political" as is a couple of his opponents, and that is why many feel it is time for a "professional" person as the District Attorney of San Francisco.

This sex case may involve as many as 20 people and at last count five had been taken into custody (none of the kids tho), but remember, we at the CRUSADER told you about it FIRST

POLITICAL & SOCIAL
COMMENTARY

Trials & TRIBULATIONS

Elmer Wilhelm

Six weeks ago I wrote in this column that Morris Kight and Gerry Parker, III, and myself as well as others would be in Sacramento on June 5th to see if A.B. 1's future might be continued life with the possibility of being signed into law next year or remain a piece of inanimate legislation thru 1980 since it's lifespan is 2 years. Such a bill has a limited time that it must be heard in it's first committee and time was running out fast. I found it a time to advance action rather than postpone. Morris Kight also favored such action but pressing commitments kept him in Los Angeles. Gerry Park, unable to arrange his schedule that day, remained in SF. Only Ben Gardner, of others who made similar trips to Sacramento in March was able to go with such short notice. TIME continued to have first priority. We met Frank Treadway from Anderson, California in Art Agnos's outer office. This particular day, Cesar Chavez's United Farm Workers were "cultivating" legislators and threatening to "rotate" their support.

Thousands filled offices, hallways, and the grounds of the Capitol. Father Eugene Boyle was amongst those waiting for Art Agnos to return from several committee meetings, and commented about a boycott a Chicateta banana pin he was wearing. It was a simple picture of a banana surrounded by a red circle with a red line running through the banana. I mentioned how two years ago Gays had a similar pin with an orange not a banana. And how with some co-operation a new pin might feature both an orange and a banana if it wouldn't appear to be anti-fruit.

It appears that times are not yet safe for fruits that reproduce. It was the first time that I had seen Father Boyle since he's been a candidate for Assemblyman against John Foran and lost. While Foran won re-election, John Boyle didn't lose, for he is the kind of man who never will. It was nice to meet and talk with him again.

Art Agnos, arriving late for our appointment, found his office over-flowing with farm workers. A quick agreement was arranged for a brief meeting with a large delegation that crowded into his office. Our meeting that followed, was intense at times, ending with Art committed to re-evaluation of AB 1's possibilities. What developed was a remarkable low keyed effort culminating in AB 1's approval in the Labor Committee on July 3rd. It has until January 31st of 1980 to be passed by the Ways & Means Committee and the Floor of the Assembly which will place it into the Senate next spring, for action.

Letter writing is very important as a method of lobbying, but Gay people have been noticeably lax in this area. Perhaps it's people reluctant to give visible evidence of their homosexuality to government representation/representatives. WE MUST IMPROVE our past efforts. AND PLEASE.....NOT ANY HATE MAIL TO ANY OF OUR LEGISLATORS!!!! That....is not the way to lobby, for hatred only increases resistance.

NEW FROM SAN JOSE IS EXCELLENT.....the city of San Jose and the County of Santa Clara both have taken another giant step towards passage of ordinances to protect gay people's civil rights which should ensure the Executive Board of the California Democratic Party's meeting in the Hyatt Motel in San Jose the weekend of July 27th a bit more hospitable of a reception. The Gaycott of San Jose will formally end in mid-August if and when the City finally passes the ordinance as proposed. Continued vigilance will be required if we are to be successful.

Tuesday afternoon, July 10th, the Santa Clara County Board of Supervisors re-affirmed it's previous 4 to 1 vote FOR the ordinance. One more hearing remains. The San Jose City Council meeting followed theirs with that surprising 6 to 1 vote for a gay rights ordinance. Final passage as stated before is expected in mid-August. Those meetings abounded with TV cameras and reporters but our own SF CHRONICLE reported nothing! The EXAMINER reported at length how San Jose had passed Rent Control but nothing about the gay rights law....and I phoned the EX to complain and they referred me to the United Press. I checked with U.P. and it was revealed that the EX had printed the entire story as reported by them (the EX). I urge people to complain to the United Press by writing the heads of the news department when events such as this go unreported in our dailies, as well as to the dailies themselves.

One of the surprise I witnessed in San Jose was the fine support given gay rights by the churches at both the City and the County hearings. A large Baptist Church and the Spring Hill Methodist Church were outstanding examples, plus the unanimous vote of the city labor council which represents over 100,000 workers, for gay rights. The Susan B. Anthony Democratic Club and the Lambda Club are doing outstanding work and are to be congratulated.

MAYOR DIANNE "AYATOLLAH" FEINSTEIN's unpopular decisions; 1-dismissing David B. Scott as President and member of the Board of Permit Appeals; 2-the appointment of Jo Daly to his old spot on the Board; 3-the mis-handling of the Chief Gain situation continue to erode support away from any re-election chances she might have had. David Scott's bid for the Office of Mayor will be successful simply if he receives a sizable vote, and he may end up becoming the city's largest gay voter-getter yet! Jo Daly easily should please the Mayor if she simply votes the Mayor's morality into action on the Board of Permit Appeals.

Editor:

Reminiscing about the early days of Gay Liberation in SF back in the late '60s when I first came to the city, I can't help but feel sad and nostalgic. I think about the true pioneers of the gay movement like yourself, my dear Rev. Ray, and other notable and respectable figures: such as Mr. Elmer Wilhelm, Hall Call, Wm. E. Beardemphl, Leo Laurence, Larry Littlejohn, George Mendenhall, and later the late Harvey Milk, and of course our very dear friend Police Officer Elliott Blackstone and all of the other gay personalities who have since then retired, left the city and/or passed away. All of you who so dedicatedly, courageously and unselfishly have fought so hard for the gay rights and have done so much for the benefit of others, including the newly arrived gays who have contributed nothing to the struggle and yet take for granted, everything this city has to offer.

O, how I miss the many pleasant days I spent at the Helping Hands Center on Turk Street which you ruled with an iron fist, Rev. Ray! I met many good people there, gay and non-gay; real and genuine people who would bend over backwards to help their fellowman. We certainly had better gay rapport then, and we always looked up to you for understanding and assistance, and you never failed us.

I sincerely believe that if we hadn't had the true fighters like you, Rev. Ray and the CRUSADER, Mr. Wilhelm, and the few others whose names escape me, the gay movement would have perished long ago.

On the other hand, it is indeed a sad state of affairs in this city today to discover that those individuals calling themselves the "new bunch of opportunistic, know-nothing, ill-bred, MONEY HUNGREY, deceiving and traitorous morons who stop at nothing to achieve their own motives."

How distressing to see shades of the Fifth Column looming in the local gay political spectrum and the sinister shadow of the enemy within our very ranks hovering over us ever so menacingly, with the sole purpose of dismantling and destroying all that has been so painstakingly accomplished in our difficult striving for human rights here.

The other so-called "gay rags" along with the local non-gay media indulge in excesses to give abundant coverage to that monstrosity of a gay ghetto, they call, Castro Street, while unjustly ignoring the fact that many gays reside in other parts of the city, such as the Tenderloin (where Gay Liberation got it's start) Polk Street, Haight Street, etc.

Hardly a day goes by without having the media bombard us with a picture of plethora of sensationalistic, racist, and meaningless gay drivel emanating from the Castro. This type of negative publicity which those militant gays/CLONES there seem to relish so much is damaging, for it does not offer anything to further whatever progress achieved already in the gay movement; instead, it adds more fuel to the fire of bigotry and hatred towards us gays.

In conclusion, let me say, that frankly I don't where to go from here, for I feel as though that burning light in the candle of gay liberation grows dimmer and dimmer with each passing day. As to what the future holds for us, is anybody's guess.

Sincerely yours,
ED DOLLAK

racist a statement as any of the articles by "father" Duke Smith (see page 10) that we have seen come out of his mouth or his publication. The Mayor does indeed "waffle", but you could have left off the racist overtone Mister Charles Lee Morris!!!!

GAY LEGAL ADVOCATES' LEGAL? Well this is what we have been running back and forth to Sacramento to find out and with the IRS as well. The Bar Association reps and I have had some interesting conversations concerning this Castro Street group. Look for alot more on them in the future. In meantime, we want all to remember, that it is NOT a free legal group per say, if you have been arrested,call and ask lots of questions first. Right Mr. Attorney General?

THE CHILD ENTICEMENT TRIP OF CHIEF GAIN & JOE FREITAS'S OFFICES..... The story on the front page, wow oh wow if I could only name names, places and figures as of now it would blow alot of your minds. Gain shows no respect for true law enforcement when he allows his Cops For Christ such unlimited powers. I do not know any of the men who have been busted personally, or the others under the "cloud" of arrest, but, I have indeed spoken with some of them and I wonder how Gain and Freitas and the others involved can possibly sleep at night....God have mercy of their souls!

Why is it we never see your publication re-playing to some of the "crap" over in the other two "gay" papers? Why not let them be exposed for all of what they are, a bunch of "money-grubbers" who are not serving gay liberation, but their pockets and the politicians whom they support or visa versa?

Who, what and why is this Paul Lorch person? I have never seen him in the battle for gay rights? GAIN HAS LIED TO GAYS FOR YEARS AND THE SUCKERS WHO "BOUGHT" HIS BILL OF BADS!

Mayor Feinstein pleased no one with her "action on Charles Gain. Had she been a real leader, she would have dumped him out right then and there, but her "gay" advisors like Jo Daly, Peter Nardoza and the rest of that non-gay Liberationists homos, have saddled out city with him for more months.

Sure, alot of you "love" Gain because he has supposedly stood up for gays.....let me tell you right here and now, as a street-person and low income gays arrested during his 3 1/2 years than there was during all of the years of that creep Chief Scott and even Al Nelder, and with them, we at least could get an honest answer and action.

No, you can believe the other gay rags, and the Tavern Guild (which never defend its members in trouble)this column and publication has from the first issue, opposed Gain, for he was not and is still not qualified for the job. PAUL HARDMAN RESURRECTED?.....Paul Hardman who was with Pride is now with DATA BOY gossip rag as a "political-social" commentator. It will be interesting to see if he can take the heat or Fat Shirley (the owner) any more lawsuits!

RACISM FROM SENTINEL OWNER?.....Many in the city were shocked to see first of all, Charles Lee Morris who had some straights at the meeting, to refer to himself as a gay leader, as he is never seen anywhere. But the bad trip of his in referring to Mayor Dianne Feinstein as "Aunt Jemimah" was as racist a statement as any of the articles by "father" Duke Smith (see page 10) that we have seen come out of his mouth or his publication. The Mayor does indeed "waffle", but you could have left off the racist overtone Mister Charles Lee Morris!!!!

Who,
What,
&
the
Why
of the
"Line"

The "GAY HELP LINE" 885-1001 has been going at it since 1969, and has only had one other number (771-3366) and the reason for the change is due to the fact the Help Line switched to a push-button phone and the old exchange of 771 didn't have the push line along with the call waiting and call-forwarding which has helped the line to function more smoothly.

WHO? is the Gay Help Line? It is operated on a joint basis by the Crusader, the Gay Liberation Alliance and the Orthodox Episcopal Church of God and that means that the Rev. Ray Broshers has a big say in how it is operated, and has so for ten consecutive years and no one else can make that claim of a gay switchboard in the Bay Area.

WHAT? is the Gay Help Line? There are some things the Line just isn't! For instance, for so many years, the Line gave assistance to gay sisters who called in.....but now, with the women doing their "separatist trip, ala the government of South Africa, we have ceased to do anything more than give out the number of the women's center on 18th and the names and addresses of the women's bars we feel should be recommended based upon reports from the few gay women left. The lesbian women want to have little or nothing to do with the gay men, so let it be that way.....it is their decision, not ours. They obviously feel the women's movement is more important.....perhaps there should be a men's liberation movement started to liberate hen-pecked husbands from their wives and "mama-boys" from their domineering mothers.....but isn't "domination" what womens lib is all about....dominating the men????

WHY???? is the Gay Help Line? Well, we help alot of people each week to get out of jail.....and that is important. We help even more to obtain a lawyer who will treat them fairly and not "rip them off" with outrageously high fees, and there are plenty of those kind still around too. We also recommend only the gay doctors who will treat their patients fairly, not try and put the "make" on them, and charge a reasonable fee. We have plenty of free recommendations also. We try and house fee poor gays with those whom we know will not lay a sex-trip on the new arrivals. And we only recommend those "gay" hotels that are not "rip-offs" at least to our thinking.

And any persons or business we recommend must be supportive of the real gay liberation and of the old folks luncheons, and of the Crusader's right to exist as a newspaper.

"Cruise" staff arrested....

SCORES OF GAYS ARRESTED IN THE EAST BAY

SAN LEANDRO, HAYWARD, & OAKLAND
POLICE ON "WAR-PATH" AGAINST GAYS...

Scores of gays have been busted at the BayFair Shopping Center (Wards & Macys) for hanging about the men's rooms, and many being enticed into sexual situations by members of the San Leandro Police Department and the shopping center employees.

At Capwells in Hayward there have been a good amount of arrests for sexual activity there as well but it does appear that the Hayward PD were letting it all hang out, enticing unsuspecting gays. Meanwhile in Oakland around Lake Merritt, it is reported by the Alameda County officials that a goodly amount of gays have been arrested for "cruising" there as well.

GAYS BEWARE.....stay away from the areas. If under arrest, call HELP LINE, 885-1001, we are in information.

"Afraid or Ashamed" to let Gays see body!

Sgt. Ronald Hansen of the SFPD's Mission Police Station is either ashamed or afraid that gays will see his body.....at least this is what one can gather from his statements to the press demanding locker rooms apart from the new gay cops. Maybe the good Sgt. doesn't have a "big one" or he is ashamed of his "pot belly". Hansen made these statements in a local newspaper about the locker rooms for gays, straights and women. And from the article by Jim Wood, he wasn't joking either, but most of the other cops are laughing like hell at Sgt. Hansen and many have told the CRUSADER that they wonder what he does or does not have to hide from gays. 98% of the members of the SFPD we spoke with said that they didn't even care if they dressed with the gals. But poor old Sgt. Hasne out in the Mission must be having some problems. He refused us an interview, so we can only assume that he is indeed ashamed of his body or his endowment.

ATLANTA: On June 4th three staff members of "Cruise" Magazine, a gay publication from Atlanta were placed under arrest by the Atlanta Police for the distribution and sale of obscene material. This was "sparked" by an Atlanta television station's expose of "Boys For Sale" on WXIA channel 11.

Channel 11 did not say that "Cruise" was involved in the "sale" of "boys" but there was such a public out-cry that the Atlanta Police arrested the publishers of the Magazine that was shown on the TV station.

The owner of "Cruise", CAVCO, Inc., is preparing lawsuits against the police and the TV station at this time.

"Cruise" is a monthly magazine out of Atlanta, a guide of sorts for the southern United States which did have frontal nudes, softcore tho. It had a "sister" publication, "Score" which was a bit more hardcore and it too was cited.

CAVCO publishes weekly gay bar magazines in Atlanta and Detroit and were planning on a Houston publication. Houston is already saturated with gay publications (Upfront and Montrose Star) to name a couple.

If you wish to subscribe to help out "Cruise", do so by sending your subscription to: Cavco, Inc., 572 Armour Circle, N.E., Atlanta, Georgia 30324, and the cost is \$28 for a year. It is a "slickie", and has about 120 pages. Well worth the money, and it will help freedom of the press.

Communism is on the increase!

Within the gay community of San Francisco, there seems to be a definite increase of communist/socialist types in various groups, ad-hoc committees and organizations. The above symbol is for the RCP (Revolutionary Communist Party) whose literature without the symbol is now seen often in the Castro and Haight areas of the gay community. The CP M-L (Communist Party Marxist-Leninist) which has been around for sometime, is also making inroads with gays. Then the old time SWP (Socialist Workers Party) brand of communism has been "wooing" gays since back in the early '70s.

After the May 21st riots, RCP materials were found in the area of City Hall, as they were at the scene of the Gay Freedom Day Parade, showing that they various types of communist groups are making efforts and obviously, inroads into the minds of some gays.

At the current time, no where in the world is there a communist, aka: socialist nation, where homosexuality is allowed to flourish as it is in America and in particular in San Francisco. Most of those nations have life sentences for anyone suspected of it and in several cases, the death penalty (and we thought Anita was bad) for being gay.

Should you run across any literature which you are suspicious of, that it might be of communist/socialist origin, do send it to us here at the CRUSADER, P.O. Box 1528, San Francisco, CA 94101, for we are putting together files on the subject matter. Please note the place/location on it that you found it. You need not sign your name or anything like that. Communism/socialism must be halted!!!! If it isn't soon, gay freedom will....if they take over!!!!

A DIFFERENT SIMON

The fabulous one liners are still there, the easy laughter still flows but CHAPTER TWO (at the Curran Theatre, Best of Broadway series, thru August 18th, 673-4400 for info) is different from the early works (funny plays about funny situations: Odd Couple; Barefoot In The Park;) and also different from his later works (funny plays about unfunny situations: Prisoner of 2nd Avenue, and Dear God). Equally, Act II is so different from Act I as to be almost another play about the same people. The opening play or set, is a slick, humorous but basically a trite boy meets girl, goy get girl comedy.

At the intermission, I was wondering where all the raves came from. Statements on the order of "Niel Simon's finest play to date" have been going around since its New York opening and after seeing the second act I agree with them. The one-liners are still there, the laughs still come often but the triteness and slickness are replaced by honest emotion, sensitively handled and brilliantly portrayed.

Largely autobiographical, the story is about a writer (Jerry Orbach) suffering from the loss of a much loved wife of 12 years who, through a predictable and contrived telephone number mix up, meets a recently divorced girl, falls in love and in two weeks marries her, end of Act I. In the 2nd Act we find that all is not smooth sailing; he is crushed by guilt brought on by his own happiness and the marriage is about on the rocks. Orbach is fine in a demanding role but it is Marilyn Redfield as the almost too understanding to be a true girl who is superb, especially in her second act confrontation scene.

Herbert Edelman as his brother and Jane A. Johnston as her girl friend are both excellent. Especially as contrasts in their sub-plot romance, an abortive affair that is more typically Simon than the real emotions of the main story line, which on a deeper level also serves as nice counterpoint. Particularly noteworthy is William Ritman's set of two which, thanks to some tricky turntable work, manage to take up three-quarters of the stage each.

Good fun with some true insights: Well Recommended.

REALLY DIFFERENT THEATRE

"MUMMENSCHANZ" (at the Marine's Memorial, thru Aug. 19, at \$10.50 to \$14.00 a head, 673-6440 for info) is mime but unlike any other mime seen here. Three performers (two male and one female, which is about all one can tell about them, as they are completely covered in black tights rather than wearing the traditional white make-up) portray, without words or sound a staggering range of emotions, ideas and things. Starting with a formless, shapeless blob that brings laughter and then, almost unbelievably, manages to tug at our heartstrings as it tries "to move mountains" through antic animals, then a long, long flexible tube that plays very incisive but always humorous comments on human relationships (one with gay overtones) they provide one of the most interesting as well as unusual evenings of theatre around.

But....I quote from the program "The Mummenschanz make all their own props and masks & economy is the password." Certainly it doesn't appear to be an expensive show to mount: cast of three, black tights for costumes, an almost bare stage, no special lighting or sound effects.....and yet the economy so lauded in the program so definitely not being passed on to the ticket buyers. I would say, rather, considering the costs of mounting and running this show that the patrons are being gouged. To charge seventeen or eighteen dollars for a show that costs upwards of half-a-million to bring in and seventy thousand or so a week to run is not out of line by to-day's prices but to charge three-

quarters that much for a show that only costs a tenth that amount very definitely is. Producers will often charge whatever the traffic will bear and the answer is not to bear. An excellent entertaining show but because of prices: NOT Recommended!

AN UNFORTUNATE TITLE

To me, and to many I fear, a presentation entitled THE WAKE (at the Intersection, Thurs-Sun thru Labor Day, 397-6061 for info) conjures up an image of a heavy, heavy play, almost certainly a downer and not much fun. Nothing could be further from the truth in this case. THE WAKE is, rather, a joyous, uplifting and enormously fun filled minstrel show full of nostalgia, great songs (both well and little known) sly comedy and a side splitting comic dance in drag that is nothing less than great.

The title comes from what is little more than a gimmick to hang what semblance of a plot there is on: Bert Williams, "the last great minstrel of our time" has just died and a friend invites the shades of four great minstrels from the past to come pay him homage. All of which takes up about 20 minutes and then we are into a pretty straight out minstrel show with bits of history thrown in. Charms is paramount in the by play & songs although there are some serious and exceedingly well handled insights given on the problems of black entertainers in the days past. The cast of five, plus piano player, are uniformly excellent with Lenwood Sloan stand out. SHOULD'NT BE MISSED!!!!

UNEASY LAUGHTER

.....or, you laugh but don't much like yourself for doing it. This is fairly common in so called black comedy, but comes epitomized in the San Francisco Rep's production of LOOT (at their theatre, 19th & Collingwood, Thurs-Sun, 863-4859 for info) Joe Orton's farce about.....just about everything from murder to rose growing. Highlight of the production is Howard Swain as the slightly hippie, very crooked, somewhat moral (he can neither tell a lie nor bring himself to strip his mother's corpse, though he encourages someone else to) son, a gem of a performance, beautifully polished where expressions, inflections, and body are used with near comic genius.

In beautiful contrast is Robert Trumbull as a brutish, domineering police inspector whose cavalierish disregard of everything and everyone else is also a gem. Unfortunately, the rest of the cast do not come off as well, only partially through having less showy roles. Vera De Martini's direction is crisp and her staging excellent; Fred Hartman's set works well and the very tricky business of constantly having to move a draped corpse around stage is believably handled.

Although written in England some years ago, LOOT has some particularly poignant lines for San Francisco to-day, especially ones concerning policemen who consider murder a relatively unimportant crime. RECOMMENDED!!!

A PLEASANT TRIP A PLEASING SHOW

I can think of few more pleasant ways to spend an evening than in driving up to the Napa Valley, having a leisurly picnic and then attending one of the California Actor's Theatre's "Champagne of Broadway" series under the auspices of the Napa Valley Assoc. of the Performing Arts (at the Vintage 1870 Theatre, Yountville, 994-2462 for info). Saw THE SUNSHINE BOYS (now closed in Yountville but will open at CAT's Los Gatos theatre late this month) a crisply polished production where the repartee and one liners were fired as fast

and as accurately as a volley on the center court at Wimbledon. Maury Cooper as the embittered old vaudevillian Willie Clark was sharp & cynically senile, Leland Murray as his ex-partner a nice contrast and Phil Weyland utterly charming as the much put upon nephew.

The series will present four more shows: POOLS PARADISE, a "zany" English comedy about what happens when three gamblers think they have won 200,000 pounds in a foot-ball pool, July 17-28; two one act comedies, ADAPTATIONS by Elaine May and NEXT by Terrance McNally, both on special circumstances of modern life, July 31 - Aug. 11; VERNICA'S ROOM, a suspense mystery by Ira Levin author of DEATHTRAP, Aug. 14-25; and Noel Coward's classic PRIVATE LIVES, Aug. 28 - Sept. 8.

Just about impossible to reach without a car if you have wheels think about getting a few friends together and going up. The drive is beautiful, the locale charming and the theatre professional and polished.

STARK DRAMA IN A SYLVIAN SETTING

The Berkeley Shakespeare Festival's, THE DUCHESS OF MALFI (at John Hinkle Park, Berkeley, 845-0303 for info & directions) is an Elizabethan drama that almost everyone knows of (particularly famous for its preponderance of murders and gore) but few have seen.

It is a heavy drama not much relieved by any light touches, yet aside from its historical importance, I found it palyed well and held interest, thanks largely to fine direction (George Kovach) great charm in the title role (Julia Odegar) magnificent costumes (Douglas Russel) and a superb setting (John Hinkle Park, where the terraces on the hillside are wide enough to spread a blanket, a picnic and some wine, all of which ass, immeasurably to one's enjoyment).

The story concerns the recently widowed Duchess whose brothers don't want her to marry again, presumably because of incestuous desires on one's part and ambition on the other's. In any case she not only marries but chooses her steward and sets in motion a chain of actions that leaves the stage quite literally covered with corpses. The level of acting is high throughout although I had difficulty in hearing all the lines and I quarrell with John Vickery's interpretation of the villan, Bosola. He plays him with an Iago-like deep seated evilness where as the lines seem to indicate more internal struggles as he comits his villany, which could give credence to his change of heart and sides at the end, a change I found, as played, unlikely if not unbelievable. Kevin Gardiner as Duke Ferdinand is both commanding and impressive but, luckily for his gums, the set has little scenery.

Following DUSCHESS will come Shakespeare's PERICLES and the Festival will close with a MIDSUMMER NIGHTS DREAM. The first two productions offer chances to see rarely performed works, the third abounds with charm so all are.....WELL RECOMMEND!!!!

MILLER VIA STANISLAVISKI

The ensemble of Stanislavski Theatre Artist's production of Arthur Miller's THE CRUCIBLE (at the Marine Theatre, Ft. Mason, Fri. - Sun., thru July 28th, 441-5705 for info) is a powerful production of an exceptionally powerful play that has some very strong points and a few weak ones.

The play is about the infamous witch hunts in Salem, in Colonial days and was inspired by the McCarthy "witch-hunting" of the early fifties. However, I find this hard to carry

Carls FOLLOW SPOT

Theatre * Entertainment

through to the current "events in Florida and California" as the program notes suggest, especially in a San Francisco production. On the other hand the play holds interest without any need for forced, or false, timeliness and this production, though overly long, is gripping more often than not.

THE PRICE IS RIGHT.....FOR SUMMER POPS CONCERTS.....

(Sorry, but I couldn't resist it even if it is trite, since in this case it's doubly true.) The ticket prices are certainly right. I bought a fifty cent ticket, as well as having a higher priced review seat, and watched the second part of the program from "the gods". A goodly ways from the stage but nevertheless really an excellent seat for sight as well as sound.....

AND Vincent Price seems so very, very right in whatever he does, this time reading a potpourri of Shakespeare's sonnets and speeches with the Pops orchestra playing works based on his plays. He delivered each segment with charm, great feeling and every syllable was crystal clear.....in a 5,000 seat barn of an auditorium. (So why in the hell do we over and over miss entire lines in intimate 99 seat houses? Could it be a lack of training or merely "vaulting ambition which o'er leaps itself"?)

In any case it was a great evening with George Cleve conducting with dash and verve musci of Nicolai, Berlioz, Tchaikovsky, Mendelssohn, and Walton, but the highlights were Price's readings, especially a rousing rendition of the St. Crispian's Day Speech from HENRY V and the bringing of an interesting freshness to Hamlet's "To be or not to be" soliloquy.

Sad to say though, the Civic Auditorium seemed to be about four-fifths empty. What with losses from Prop. 13, et al, if San Franciscoans want a Summer Pops Series, it is going to have to be supported. The programs are so varied it is hard to imagine there isn't something for just about everyone so.....

I URGE YOU TO GO!!!!!!!

A FUN MINI-MUSICAL

"BREAKFAST IN MARIN" (at the Chez Jacques 5:30 PM Sundays and 8 PM Tuesdays only, 775-7574 for info) is a basically concert rendition of a book musical that is both pleasing & fun. Satirizing everything from corn-fed Mid-Westerners to gurus, from teas to "T", it bounces along at a lively pace rather well capturing the ambience of certain lifestyles in our sister county across the Golden Gate. An excellent cast of six, most of whom are do-uble and triple cast perform the enjoyable if not terrible memorable songs by Brenda Warren and Barbara Friedkin under Gred Olsson's direction. Mark Sackett whose roles range from a rock star to a swami is multi-talented.....acting, singing, dancing, even juggling.....performer exuding charm; a standout and alone worth going to see. WELL RECOMMENDED!!!!!!

ON NOW.....OR COMING SOON!!!!!!!

DRAG QUEEN MURDERED IN MOTEL.....
Robin Kay/Ray Wright, age 47, was found strangled to death at a motel on Ellis Street by a person unknown to the SFPD at this time. Inspectors Karl Klotz and Schnieder are working on the case.
Wright has been out of prison for about 2 years, the last time being, Vacaville. He was fully dressed in female attire and his purse was intact, so this rules out robbery. The Police have a description of the person that Robin checked into the motel with.

VICTOR RODRIGUEZ BATTED ABOUT BY POLICE..... 47 year young Victor who lives in the Valencia Valley area, was picked up by the police as he was walking home and for no apparent reason, was locked up. It later turned out he had traffic warrants outstanding, but Victor was badly beaten by the police and an Asian Deputy Sheriff on the midnite shift at the Hall of Justice.

Mr. & Miss COW Contest

The Mr. Cowboy and Miss Cowgirl Contest for 1979 is off and running as well as running, with the favorites being Hal Gage for Mr. Cowboy and Big D for Miss Cowgirl. D is something else and she ran once before and is a barrel of laughs.
Kate will give Big D a run for her money, believe me you. And it will be a clean and fun race.
On the Mister Cowboy side of things, with Hal Gage in the race it will be fun and he will help the various gay charities too.
The Cowboy and Cowgirl race is sponsored by the Council of Emperors and at the event which is to be at Oil Can Harrys the emcee will be RANDY JOHNSON of The Rafterers on Post Street who is also a member of the Council itself.

So, remember the Cowboy, HAL GAGE and the Cowgirls, BIG D and KATE, and the event should be one of big big fun, and we hope.....no violence, as there is "another" one in the Cowboy race who drinks a bit too much at times and doesn't want the CRUSADER in "that" bar which isn't that hot anyway. Remember....HAL GAGE and BIG D & KATE in the Cowboy & Cowgirl Contest soon.

"SEX, BOOZE, & DRUGS, the gods of the Gay lifestyle!"

Apparently a growing number, daily, without the drugs. In so many many of the so-called neighborhood gay bars, on almost any given occasion one can see someone(s) at the bar drunk out of their gird or on drugs as well. Some of the bars are receiving reputations as centers of drug exchange, to no concern of the owners or the do-nothing Tavern Guild What is it they say....."silence denotes consent?"

SEX.....so many many homosexuals are becoming insanely concerned with sex. Sex in the backrooms of so many places including bars..... all seem to indicate that Anita was right about homosexuals. It used to be that gays were working to create homes, and family type friendships as well as working within neighborhood groups.....but now, SEX seems to be replacing all of that and that is N.G. Sure, sex is fun and pleasurable, but moderation in sex is a must for a healthy mind. All of this obsession with "after-hours" sex parlors only shows to go you how correct our statements are. Sex is nothing to be ashamed of, UNLESS, you are obsessed by it!

BOOZE.....the evergrowing number of gay alcoholics is frightening. So many of the bars serve drunks so willingly, just to get the dollars, caring not one bit for the health of the individual. In a couple of the bars we have heard of so bar goings ons at the first of the month concerning the drinking, and the booze and money disappearing. But that is another issue too.

Drinking in moderation is fine, but drinking on an almost daily occasion unto drunkenness is sickness and those bartenders who pour the drinks to those who are "sick" are guilty of a great moral crime.

DRUGS.....All over the gay business scene, you are seeing more and more of PCP which is killing people, which is destroying people, and the ones who sell it are no better than murderers, killers and should be put away for life. The "other drug" scene is growing too, up and down the Castro and Polk people will offer to sell you all sorts of "shit" and "shit" (heroin) too! It is getting worse and when you try and talk to someone about about it, all they do it get madder than hell. One bar owner told us to keep the paper out of his bar anytime we have articles on drugs or alcoholism for that it was bad for business.....we hope it is! THINK!!! Please?

Gays Beaten!

A very dark black man, carrying a club, and was about 17 to 19, hit 2 different people in the 41st & JFK Drive sector of Golden Gate Park on July 16th. One of the gays who was hit by the club wielding black youth, was bleeding profusely from the head and the other left the area quickly. This was all in the area of the restroom at that intersection, which is known to be frequented by gays there. A couple of gays picked up a tire iron and a heavy wire and went after the black youth but he escaped. Of course, and shamefully, no one bothered to call the police. This is not the first report of violence in the area of the 41st & JFK Drive restroom so gays are asked to exercise extreme caution in that area of town. The Gay Help Line did notify the police after the report was made to them and they also spoke with us here at the CRUSADER.

We'll merely say that Thomas and Richard Tedrow have done an exhaustive job of research, their book is well written, carefully presented, and what you've suspected all along is true. CARTER FAILED TO MAKE A HIT

The day after President Carter make his preacher like pitch for support for his administration and energy, the CRUSADER telephoned 39 different people and 26 of them thought he had nothing new to say. The other 13 felt that Carter wanted to do something strong, but did not have a really good feeling about him. Obviously the president didn't convince too many people.

DISTRICT 5 CANDIDATE HAS KICKOFF LUNCHEON.....

Attorney Terrence Hallinan who has alot of gay support will be kicking off his race on the 24th of July. Hallinan, long an advocate of gay rights, is obviously the odds on favorite to win, with many experts saying he may even get more than 50% so there will be no run-off in District 5.

SHERIFF GENE BROWN IS MAKING CHANGES FOR THE BETTER.....

Former SFPDers Gene Brown, now the Sheriff of San Francisco, saddled with an old fashioned system of operating the office of Sheriff, is about to make the changes needed and many feel they will help him win re-election. Brown is supported by many many gays, and it is felt he will eek out a December victory over his run-off foe. Brown has been saddled too long with the likes of his former attorney who did little or nothing to help his administration go anywhere except down.

KOPP CAMPAIGN KICKING INTO A HIGHER GEAR WITH CAMPAIGN MANAGER MAKING NEW ADDI- TIONS.

Clint Rielly, the man who helped Dick Hongisto to election as his campaign manager is now running the show for Quentin Kopp. Kopp, another longtime friend of the gay community, chose Clint in an effort to show that he is far more liberal than some of his foes would like others to believe. Kopp has voted YES on all gay rights issues in the Board of Supervisors, which is a big plus. Kopp's stand on the help for the elderly is far better than any of his foes and seniors would be better off with Kopp as Mayor. Kopp is seen as a "reform candidate" this very tough election year.

ARLO SMITH, DISTRICT ATTORNEY
CANDIDATE MAKING INROADS INTO
THE GAY VOTE.....

Arlo Smith, longtime advocate of gay rights and the chief prosecutor for the Attorney General's Office who is a candidate for the Office of District Attorney, has made huge inroads into the gay vote, cutting badly at the bloc once held by the woman who the incumbent defeated in 1975. Arlo Smith, a highly professional man, and one of great integrity, promises to be one of the finest and most accessible D.A.'s in the history of our city. Already Smith has several gays working for his election and on his steering committee as well as endorsements.

JOIN THE CRUSADE AGAINST COMMUNISM

GAY ATHIST LEAGUE OF AMERICA.....WHO ARE THEY.....WHAT ARE THEY.....WHY ARE THEY????????????

A recent San Francisco EXAMINER article by writer Kevin Starr really looked into the GALA group quite well.....spiritually. Mr. Starr wrote one of the best column's of his career with the EXAMINER. But Mr. Starr failed to look into the political aspects of this athiest group. We have been looking and we find that many of them are to the left, very far left. And this is why we warn all our readers of them, and their "other" activities. For instance, Dnael Curzon has a theatrical group called the "Earnest Players" and we urge all good Christians to boycott any of their productions, for some of the profit we know will go into his hate-God literature which they sell for a dollar a copy. This so-called theatrical group holds plays at midnite on the weekends which is very strange indeed.

So be on the beware side of any booklet, leaflet, etc., with GALA on it, for that means, Gay Athiest League of America.

ATTACKS UPON CHURCH OWNED TELEVISION & RADIO STATIONS IS COMMUNIST INSPIRED..... Citizens are urged to flood the FCC with literature to fight the communists as they try and take away the right for churches to own various broadcast media facilities. Right now, the FCC is considering such an act. This could be the beginning of a communist America if the churches are defeated.

PRAY FOR AN END TO POVERTY.....We urge all to pray daily for an end to poverty in the world. In our own nation, believe it or not, there are people starving to death, like the recent tragedy at the Civic Center Hotel on 12th Street. The welfare rip-offs go on, and people who really need help cannot receive it. Pray that this situation will soon change and that those in need shall receive.

PRAYERS FOR THE HEALTH OF.....our dear long time friend, Kim Cocharan who is having physical difficulties. Also for the health of Jim Frooks who was hit with a stroke. Also for the aunt, Violet Cheatham, of our editor, Rev. Ray Broshears.....she has been hit very badly with cancer of the liver, throat and lung. Please, IN JESUS MOST PRECIOUS NAME, pray for all of the above named people.....and pray for all sick and afflicted everywhere. God loves each and everyone of you.

THE OLD CATHOLIC CHURCH,

The Most Reverend Donald Pierce-Weeks, D.D.
Resigned Bishop of the Diocese of Los Angeles
and San Francisco; President of the United Ca-
tholic Conference of California-Nevada; Presi-
dent of the Ancient Christian Fellowship of Ca-
lifornia.

PART IV

In Articles 1 and 2 and in the printing of the Statement of Faith of the Old Roman Catholic Church, I did not any adverse replies, however, in Article 3, several of our brethren were very disturbed and I understand the telephone at the Crusader office is still ringing off the hook. Rev. Broshears (who is an Old Roman Catholic priest, ordained by the late Bishop Christopher Maria C.J. Stanley) has told me that I could have as much space as I like in this issue to explain my point of view.

Most people would like to know why I am writing about the Old Catholic Church in a newspaper that is mostly circulated to the Gai Communities. The answer to this is very simple, over 80% of the Old Catholic clergy are Gai and make their living off of Gai and Senior Citizen communities in the United States. (There are a few whom I will mention in future articles who "fleece" little old ladies). I hope that those who read these articles will proceed with caution who associated with the Old Catholic Movement.

Regardless of statements of the Rev. Thomas F.X. Dowling and Rev. Harold B. "Duke" Smith, I know that the CRUSADER IS READ and not just used for bathroom necessities as suggested by the above named Reverend gentlemen.

While I am on the subject of The Reverend Harold B. "Duke" Smith, it has come to my attention that on several occasions the Reverend Father has denied to various Gai groups that he is not a priest or associated with the Holy Church. Just to keep the records straight, I would like it known that I did ordain Father Smith a deacon and a priest in 1976 after having him serve as my chaplain. Prior to my association with him, he did some work for the late Bishop Pike and spent some time in the Benedictine Monastery under another name.

He has held several posts in the Diocese of Los Angeles-San Francisco and at one time as Apostolic-Administrator of the Diocese. For some reason Father Smith feels that his secular job with the Sentinel newspaper as political editor is in conflict with his priestly duties and the Gai community would not respect him as a politician so long as he is a priest; something he should have thought about before accepting ordination. Father Smith is now under the episcopal jurisdiction of a bishop in southern California. If I were still his bishop, I would order him to behave as a priest or resign from the priesthood and be returned to the lay state.

As to the other Old Catholic clergy in the San Francisco area, there are over thirty. Old Catholic Bishops in the area include myself, Bishop E.R. Verostek, Bishop Mark Robert King, Bishop Frederick Pym, Bishop Perry Sills, and Archbishop Joseph McCormick who lives in L.A. but claims his episcopal see is here. From time to time I will reflect on all our lives. I will try by the next issue to have a complete list of these clergy along with their current addresses.

There is no personal vendetta involved or a wish to upset any persons apple-cart, just truthful facts that I have come face to face with in my past 10 years of association with Old Catholics and independent religious bodies. The first person I met in the circle was the most eminent Michael Francis Itkin, the then Archbishop of the Orthodox Catholic Synod, Syro-Chaldean rite. Bishop Itkin (as he likes to be called) opened the door

Bishop Pierce-Weeks

for me in the Church. He ordained me a priest and helped me get started. To this day I respect and thank him for the most precious gift in the world. Tho we have gone our separate ways, I still respect him and his particular lifestyle, even tho I do not agree with it.

In 1971 Bishop Itkin called a synod of clergy in San Francisco, at that time I was stationed in St. Louis Missouri and came out to be with my brother clergy. There was a separation and for a brief time I served under Bishop Nazarin, however they were prone to be very Eastern church and I am a Western Catholic church. Since the lot of us split from Itkin (over his desire for an all gay church) we were all given permission to go our own way.

This is when I first met Archbishop Leo Christopher Maria Owen Wayne Ske, on in February of 1971. I went to him at the suggestion of the Mexican Old Catholic Bishop, Emile Fairfield Rodriguez of Los Angeles. At the time, Archbishop Skelton was Presiding Bishop of the Orthodox Old Roman Catholic Church. He took me in, ordained me over and he along with Bishops N.C. Wolff and J.J. Harding consecrated me a bishop with jurisdiction over Northern California and Nevada.

Now I believe Skelton to be a sincere man, but he has gone through some strange name changes and titles. He freed Canada in order to escape a charge of running an orphanage without orphans.....he was consecrated a bishop by the late Archbishop Christopher Maria Stanley (the same man who ordained the Rev. Raymond C. Broshears) and later moved to L.A. to establish his episcopal empire. As long as the Lord Archbishop had Bishop Wolff on his staff, he did quite well, but they had a falling out and the good Archbishop went to ordaining and consecrating ANYBODY and everybody in sight!!!! I could not take any more of this and on January 29, 1972 I resigned from the episcopal jurisdiction of Archbishop Skelton and did not function until I found Archbishop Marchenna in 1975.

Archbishop Skelton and I were out of touch with each other until last year. He came to my home in August of 1978 with his 14 year old son (see pic at left). And I haven't seen him since, but I am led to understand that he will be ordaining Mr. ALAN STANFORD, aka: Roger Alan Morris, who had a male model agency here for many years called, "Dial A Model"!!!! Mr. Stanford recently appeared in a porno cheapie film sold in bookstores back east with two young lads.....perhaps he will be titled the ARCHBISHOP OF PORNOGRAPHY by Archbishop Skelton.

So you can see my earlier statement about many Old Catholics being Gai. Now Bishop Skelton, aka: Bishop Mark Miller of the North American Orthodox Catholic Church ordaining anybody and anybody is true. Skelton's church calls themselves Orthodox, but they are still Old Catholic, but try to pretend to be some one other than they are!!!! And they are hoping for recognition from the Roman and other churches!!!! Also, I am led to understand that an American Indian by the name of Paul Ira French has moved into the Tenderloin of San Francisco. French claims to be the "Pope in Exile" and the "Transient Pope". When he moved here from Long Beach the people there were so happy to see him go they bought his ticket to insure he would get out of town.

In closing, I would like to mention two serious matters concerning my past Article 3. I did NOT say that the Reverend Eugene Kopp is not a priest. He in fact is.....however, his ordination was conducted without the proper authority, and he is not associated with the Roman Catholic Dominicans or with the Latin Rite Movement of the Roman Catholic Church. He is an Old Catholic priest.....period!! To those who want to know the address of Paul Bernardino, he lives in the Haight area, please call Father Kopp for his phone number.

GOD BLESS YOU ALL.....and I will be back next issue of the paper.

Remember.....my mailing address is: Post Office Box 188, Vista Grande Sta., Daly City, California 94016.

"Trials & Tribulations" by Elmer Wilhelm

Chief of Police Gain, whom I've continued to support in spite of his short comings.....I do disapprove of the continued ENTRAPMENT activities of the SFPD's Vice Squad. Gain's continued opposition to have a Community Relations Unit, plus his own report on the City Hall May 21st Riot is a self-indictment. The Police and the District Attorney have both been charged in Court by the ACLU with mass violations of citizens individual rights/liberties. This is something I find serious enough to keep me from endorsing any of the candidates for District Attorney until they speak out in a positive way on this issue.

I spent four days in Los Angeles, the last week in June as the house guest of Morris Kight. Morris entertained the SF Gay Freedom Day Marching Band and Men's Chorus plus honored guests at his home following their appearance at the Hollywood High School the night before the L.A. Christopher Street West Gay Day Parade. I cooked over 400 hamburgers on two outdoor grills. It wasn't a real challenge. But with my past experience in fast food operation, everything turned out well and I loved doing it. It was truly a wonderful party, and while the affair was at it's height with the back yard teaming with people, the LSPD helicopter flew over, circling a few times low, then flashed on their searchlights and a loudspeaker welcomed everyone to Hollywood, and expressed greetings from the LAPD, then flew off like the big bird they are. I'd like to see the pix that they took. Hollywood has always been famous for lights, camera, action.

But, indeed, what a wonderful party and I enjoyed meeting everyone. That's a BUN son! I helped clean the house in the morning and flew back to SF so that I'd be in Sacramento on July 3rd when the "light" was turned on at the end of the Legislative tunnel.....!

Police Commissioner Jane McKaskle Murphy is to be honored for her community services and involvement on many levels on behalf of the gay community. It is to take place at 4048 - 21st Street on Sunday, August 19th from 3 PM til 6 PM.

The STONEWALL DEMOCRATIC CLUB is the first Monday night of each month and the next is August 6th and will be at 4048 - 21st Street and at 7 PM. Everyone is welcome. Call 495-7182 for info.

The application of Pacific Telephone for authority to establish charges for Directory Assistance and is now before the Public Utilities Commission awaiting a date for a public hearing. The rate proposed is 15 cents a call or could be as high as 55 cents per call. Having passed in the Senate in Sacramento, SB 301 is another baddie and this time for small businesses as well as consumers. It would deregulate everything to do with Yellow Pages and remove the PUC from controlling anything to do with the Yellow Pages.

This Mother-Phoning monopoly could have the urge to remove the Yellow Pages from the Directory and sell them to subscribers or break up the boundaries (area covered) and force advertisers space in any number of book to cover the same land area. The next time you "let your fingers do the walking", lift your right leg to Ma Bell.....we are ding-A-lings if we all Pacific Tel to get away with this. Not to be outdone, SB 279 has also reached the Assembly after passing the Senate and will limit the life-line rates on gas, electric, and water 54%. Life-line rates are for elderly people, for people with fixed incomes. These utilities have for years reduced rates to heavy users.....so write or call you Assemblyman and urge him to halt these two. A letter to the PUC opposing the Telephone request should be addressed..... John E. Bryson, President: PUC, 350 McAllister Street, San Francisco, CA 95102.

Happy birthday Ben Gardiner and Gerry Parker. They take the cake this month.

One more thing about the two Senate Bills regarding utilities I spoke of, well they are currently in the Assembly Finance, Insurance, and Commerce, Committees in the State Assembly. You may write a letter to the Chair of any of these Committees. Assemblyman Allister McAlister, Chairman of the Finance, Insurance & Commerce Committee, State Capitol Bldg., Sacramento, CA 95814. Also to Assemblymen Art Agnos, Louis J. Papan, and Victor Calvo who are members of this committee. Let them hear from YOU! YOUR ONE LETTER.....will have a very real effect! Bring government into your life.....help build a better world while the government still PERMITS you!

The symbol at your left here is the LAMBDA. The Lambda is the eleventh lower case letter in the Hellenic alphabet. The Ancient Spartans used it on their shields as a symbol aimed a common oppressors. In physics and chemistry it denotes the conversion of pure energy into pure light. It is also similar to an ancient Chinese symbol which denotes mankind. We use it proudly.

SAL GUANGE for GRAND DUKE

(above) SAL GUANGE, Grand Duke candidate GRAND DUKE & GRAND DUCHESS ANNUAL RACE IS OFF AND RUNNING. AUGUST 25th CORONATION With the entry of the highly handsome and highly intelligent Sal Guange into the Grand Duke race, along with the very nice Peter Lockett, the annual contest held in the SF gay bar and community will prove interesting. Over in the Grand Duchesse race, it appears that CORA of the 527 Club will win quite easily over KELLY of Googies on Geary Street. CORA is the very popular bartender at the 527, Richard. Right now, the race has just begun, and by election time, it should be wild, but fun and helpful to all of the gay community. The incumbent Grand Duke has done nothing for the title most feel, but the Grand Duchesse Frau has tried very hard to help the community. Frau will be missed, but not F.T.

San Francisco Crusader
 The San Francisco Crusader is in its 8th year of publication now. Founded as the "voice" of the first official gay parade, the paper became the "voice" of the GLA (Gay Liberation Alliance) and now is owned by the publisher, Reverend Raymond Brothman. The paper is printed every third week and is distributed free to the residents of the bay area and in particular to the residents of eastern San Francisco. We also have an extremely large mailing list across the nation, which includes California elected and appointed officials. We seek to establish greater understanding within the so-called gay community of the problems of San Francisco at large, and seek to end "ghettoization" of the homosexuals, and seek to end attitudes such as "this is a gay city". The CRUSADER has a responsibility to the Black community, the Latino/Chicano, and Asian communities to educate the homosexual community to respect the rights of all Third World peoples, as well as the Family community of San Francisco. The CRUSADER seeks to educate the homosexual community to establish a standard of morality, to halt public sex, to work with all peoples to help build a better city. This cannot be done through "ghettoization" which gay business owners and property owners are really the only ones to profit. We seek to educate understanding between the gay community and the police departments of the bay area as well. Editor.....Reverend Raymond Brothman

SOUTH of MARKET

written by MICHAEL PERVERT, c/o, P.O. Box 1528
 San Francisco, CA 94101

By way of introduction:
 "What this paper needs is a leather-levi column....so W. Enright, here it is. I will be covering most all of the "South of Market" Bars & Clubs and the events therein.....and if I should miss something, let me know in care of (c/o) this paper.

AROUND THE MIRACLE MILE
 Your basic Uniform type bar (164 - 8th street) is the TRENCH. Sunday will get you in there on their Beer Bust from 1400 hours or try Wednesday nite for Uniform plus.....for those in uniform will get beer and well drinks at 50 cents, and the best night of the week is "Uncut"....go in and find out!

Just up the alley and across 9th is THE WEB.....one of the newer S of M and the bar is considerably larger than one might think from the outside. If you can drag yourself away from BOB (hot!!!!) the bartender, check out the DJ's.....MARK & BOB who are fine Sound.....well if you're tired of disco disco everywhere, you'll love THE WEB; rock and roll, country rock, and a few oldies and C&W!!!! And oh yes.....requests will be played when time permits.....THE WEB at 154 - 9th Street.

The BLACK & BLUE "farewell elal" party was just that.....the end!!!! Only 1/3rd the people showed that were expected. The \$5 cover may have been part of it. There was free beer and....."PUNCH" and "anything goes" was the word.....don't know who else, but the "MASKED DOLLY" and her fan, two hot dancers from a local club and MERIA were enjoying themselves.....so was some other PERVERT who got one of the hot dancers in the "suspension harness" that just happened to be hanging in the place.....I think he had the best time of all.

The back bar of the defunct Black and Blue is now a private club called THE CHAINS!.....the front, smaller bar is now, "BACKSTREET & CO.".....the new decor is nice with the mirrors and lights, but the disco music must GO!!!!

Will the RAMROD ever be the same? You can't live on reputation for ever!

At my next stop.....the lites are low, almost dark.....so are the several dozen leathermen. There are a few "punk" types at the pool table & the sound is afterhours rock and roll punk.....the name is THE BRIG!!!!.....not a place for the meek.

FEBES.....well, what can I say, FEBE's is forever. They have some hot sun sign pins for about \$5.

For "R&R" the only place is the PLUNGE.....heated nude sundeck around the pool and a well equipped gym.....at 11th off of Folsom, call 861-9207.

While at the ARENA, (9th & Harrison) check out the "Golden Globes" behind the bar. The sounds are disco (sorry about that), but the.....MEN more than make up for it.....on Sundays they have "Funny Money".....Monday they have a Pool Tourny with a \$20 prize.....and on Tuesday they have Bike Club Nite. On Wednesday it is FUNNY \$\$\$ again, plus BARE BACK Nite.....and on Thursday Uniform Club nite.

The END UP by any other name WOULD BE THE SAME.....for those of you who like disco the END UP at 6th & Harrison is THE place.

If you are thinking of buying a "sling" ask for the "sling room" at the HANDBALL EXPRESS on Harrison near 6th.....there are a couple there made by Leatherworld on Larkin Street.

MASTERS NOTES

"Purple Bandana".....In recent months the interest in "piercing" has been on the increase. I personally find and enjoy fondling a nicely pierced genital.

With this newly rediscovered "erotica" I've seen a lot of abuse through ignorance!!!!.....If you want piercing, be it ear, body, or genital; 1st: use only gold or surgical stainless steel, (being cheaper), for the introduction. 2nd: The piercer MUST BE experienced and preferably of medical origin.....i.e.: NOT someone in a bar.....3rd: The area of the new toy must be kept CLEAN with alcohol or hydrogen peroxide for at least 6 to 8 weeks.....! Play it smart.....DON'T ABUSE YOUR body.....there are experienced people for that.

SO, WHAT ELSE IS NEW?

Jim Hillis at LEATHERWORLD, 735 Larkin Street has some hot new toys.....check 'em out! TERRY is the new manager at the ARENA.....we are going to miss you J.C. (who moved to L.A.) The MESS HALL is coming and boy is it going to be big.

Want a S of M bath house??.....Cheap ? ? ? ? ? (and I thought buss' was good).

Look out for the PLUNGE INN SALOON!!!!!!

That's it for this issue.....like I said before if I missed something, let me know.....(don't worry AMBUSH, 527, H2O-ing HOLE.....STUD.....HAMBURGER MARY'S.....I'll get to you all later.)

Bye for now and remember....."Whatever you are.....Be a good one"

South of Market KILLING

SOUTH OF MARKET ART DEALER & POLITICAL ACTIVIST KILLED IN MYSTERIOUS HOLD-UP AT ART STUDIO

Although the three alleged killers of the controversial art dealer and sometimes gay activist Robert Opel were seized at the SF International Airport (with one to later escape), the SF Police Department has led the CRUSADER to believe that all is not as it appears.

The other two people who were at the Fey Wey Gallery and friends of Opel, a Camille O'Grady, and Anthony Rogers. They claim they were locked away and that the two who came into the room, Maurice Keenan and a Robert Kelly, shot and killed Opel. There third person of their "get-a-way" party at the airport was a Linda Holt.

Opel was known for some of his controversial acts, such as the "Mr. Penis" entry in the Los Angeles gay parade some years back, when he created a huge penis like object which fit over him and he walked in the parade until forced out by parade officials and the LAPD.

Here in San Francisco, his Fey Wey Gallery of Art has a good amount of sado-masochistic art and he himself dressed in leather and had a nazi emblem on him the day he was thrown out of Mayor Feinstein's campaign kickoff rally near City Hall. He told her he wanted to execute Dan White allegedly.

Opel was reported to be involved in large drug transactions in the south of Market area also.

At this years Gay Freedom Day Parade, he had to be stopped from putting on an "adventure" which most felt could create another gay riot. The BAR newspaper criticized the Parade officials for halting this act but all sane people supported it as they did not want any violence the 1979 Gay Freedom Day Parade. Suspect, Keenan later escaped from jail due to a lack of personnel and poor judicial acts.

MOCKINGBIRD

BY THELMA DIRT

.....Above is the infamous "Mockingbird", alias, "Thelma DIRT". This picture was taken by someone & snuck in at the last moment without the Mockingbird's permission.... if you notice....sitting in a rocking chair....drinking what appears to be a bottle of Dr. Pepper, he also wears a nightie shirt, and glasses and is on a red telephone which must be his gossip hot line. Look at the different colored sandals. Now on to what the Mockingbird has to say!!!!

.....How are you dear friends? Didja know that a new male model agency has opened up and one of the owners is none other than one of the nastiest American Nazi's who stormed throughout our Tenderloin sometime back and held their "rallies" before their leader Allan Vincent was ran out of town....the agency is ROBERT KENT and the I guess now ex-American Nazi, ROBERT

HAAKE. Wonder what he looks like out of uniform. All you JDLers be on the beware side. And do any of you remember the 1976 flat fight that broke out at Grace Cathedral at a political candidates nite when the "brave"? Nazis HIT CAROLYN MARKS and others?? The ROBERT KENT AGENCY is a "legitimate" agency so THEY SAY!

.....BACKSTREET & CO. or CHAINS will be opening soon at either 190 or 198 - 8th Street. It used to be the very BLACK & BLUE. Good luck to KEN COOK and his ole BUTCHIE. They will be having a dance permit at one of the two places also, as well as an entertainment permit.

.....RANDY JOHNSON, newly elected member of the SF Tavern Guild and his other half ALAN have been together 3 whole months....guess ALAN knows hot to slap it around. ALAN is from Houston, Texas!

.....Oh yes, that picture above? the one we missed out on saying anything about.....? That is NOT Robert Haake or anyone with that "agency"....that is the bad joke teller of KIMOS....HAROLD!! We made the picture small to match his jokes!!!!

.....The pic at the right here is none other than FOXHOLE TILLIE also known as DON BLACK....I won't tell you just what he is smiling about, but KENNY could!!! FOXHOLE how many sailors wanted to kick the hell out of E. LEE CLIFTON at his old post Street address back in the sailor days here....28 of them? wow!!

.....August 29th is ALMA of the SPARTAN CINEMA's 99th birthday, so she sez!

.....Remember....SAL GUANGE FOR GRAND DUKE and also don't forget to vote for him on election day. A fine man and it is time we had a handsome and YOUNG Grand Duke instead of all the oldies we have been having.....and he is smart too! SAL for GRAND DUKE

.....Remember, BLOSSOM SEELEY for Queen Mother!.....DINGY DON is in a big wage battle with the RAM-ROD alias WILBENACK, Inc., alias MAURICE O. VAN AMON! It is going to the labor board soon. Really Van, I never have heard of Don working for \$2.90 an hr. And what about KEVIN's salary?????

.....At the right here in the pic, is a big MAN who is now a "guest" of the Sheriff for 64 days or so. Just a mistake we are sure....but MICHAEL is truly a MAN!!!! Looking forward to your release MIKE!

.....DAVID STELLA STOLL of the palatial mansion of FAYE ROY Harnetiaux's near "Safeway Heights" was on top of ROY recently!! So were DAVID and JERRY whoever they were. Where is "Safeway Heights" at???

.....LARRY CASAS of the "P.S. went on vacation to Maine with one of the three or more owners of that place.... TOM WADDLE....how very nice!!!! Employee and boss relationships are at an all time high at their places we hear!

.....PAUL BROWN, alias BRANDI KANTAYENE....please get in touch with us here at the CRUSADER....we have a surprise for you....anyone who knows of his/her whereabouts please contact us too!!!!!!

office....by the way....what is a regular lawyer doing in her office working as a steno aide? This too is strange.... but isn't everything about Ms. Silver?????

.....WILLIAM E. McNEELEY the on paper owner of the 330 Ritch Street Club Bath Chain is reported to be the owner of the place on Turk Street at 132 called the Bull-dog baths....why didn't they apply for a construction permit or even a bath house permit yet????????????????? Is JACK CAMPBELL still associated with them?....we do not know for McNEELEY refuses to say to US but he will to THEM, for he has to, to THEM! TOM HORN is the attorney for both places....does he have any money in 132 Turk Street?????

.....FALCON & DIAMOND CAB is the cab company that fired a woman for being raped on the job and being robbed....they deserve to be on the GAYCOTT list for sure....but they aren't radio dispatched anyway!

.....DAVID MORZA the one who slugged someone at a permit hearing will be the manager of the new Century Theatre at 816 Larkin Street. He was also a customer at their theatre back in December when none of us even knew it was a porno house!

.....The most beautiful and open gay movie house in the city is the NOB HILL CINEMA, 729 Bush just a half block off of Powell Street. CLIF the owner has some even bigger surprises coming soon. But the films there are always FIRST RATE!!! Oh yes, get ready, for by popular demand, he is bringing back for another run KANSAS CITY TRUCKING & EL PASO WRECKING....they are two hot films, but so is the current film by Hand in Hand Productions...."GETTIN' DOWN"....go see it, you'll love it!

.....THE owner of OIL CAN HARRY's is back east at Fire Island so we hear! That BOB, he gets all we have here and then he goes and tries to get all New York has too!!!!!!

.....Remember....SAL GUANGE for Grand Duke....SAL for the very best Grand Duke and the one with what it takes, and we mean brainwave too!!!!!!

.....KIMO's ANNIVERSARY PARTY which is going on the 18th, 19th and 20th will be hot hot hot and with the finest man around KIMO, in charge, we know it will be the best around. Each evening will have such food & surprises that you just wouldn't believe it!!!!!!

.....TYRONE has a "hubbie" who is 25.....so TY sez, but he do look alot younger!!!!!! TY is STILL at the PLEASURE PALACE (of sorts).... oh yes, didn't I see ole hawk SAM JORDAN down there the other day (I was just passing by the window of course....right CHAR?)

.....GAYCOTT HASTINGS....GAYCOTT that department store for sure, for the man in nude ads on the billboards a ROBERT PRITKIN is ANTI-GAY....so why should gay money be spent at a business which hires a model which hate us and denounces us? This ROBERT PRITKIN whoever he is (he is not the nude guy, but he most likely wishes he had a body that good looking) is SUPPORTING JOE FRIETAS FOR RE-ELECTION and had a \$60 a person cocktail party for Frietas's re-election at his home after the gay parade or something gay. BUT REMEMBER THIS....the man in the ad is ANTI-GAY....so force HASTINGS TO FIRE HIM and support only pro-gay businesses and certainly not one that has employees giving \$60 a person parties for JOE FRIETAS. We do hear that some other gay paper is supporting FRIETAS....like the RIP OFF RAG???? True or false MONTE? In the meantime, tell HASTINGS to go to hell or hire a model who is NOT anti-gay? GAY POWER FOR GAY PEOPLE!!!!!!

.....Check your friends billboards and see if they have HASTINGS credit cards....if they do....pressure them to send them back, cut in half as a part of the GAYCOTT.

.....Shame on that Mr.? Cowboy candidate who works as a barmaid at Post & Polk for calling our beloved H.L. PERRY....H.L. PIRANHA!! PERRY is definitely not a fish but it has been rumored that PERRY does eat males....rumor only of course. H.L. PIRANHA....H.L. will remember that the next time you are looking for work which I do hope will be soon!!!! Perhaps you and BRIAN H. should marry....that would be a real odd-couple but matched!

.....The broad at the right is MELVINA, the delightful and charming lady of 17th whom we all love and cherish. MELVINA is also the secretary of the Privies Councils. Perhaps we should send MELVINA some toilet paper for use at those meetings....hear tells with SHIRLEY around they get kinda messy!!!!

.....SAL GUANGE for the next Grand Duke....he is a real MAN....something that we wish some others would try being!!!!

.....POLK STREET WARNING.....WARNING..... if any of you "like chicken" watch out for two young ones by the name of PAUL & PHILLIP....for they are working for the SFPD Vice cops with the PERMISSION OF CHIEF GAIN....that asshole Chief who has made more gay arrests than did the two former Chiefs of Police, but the gay fag-politicos have brainwashed most of you into believing he is ok.....GAIN SUCKS and we wish it would be the cesspool of DIANNE house quick, maybe we could get rid of both of them quick. Truly....GAIN speaks lovely words for the gays, but his ORDERS & ACTIONS to his men are the opposite and so many of the "community" have bought his song and dance routine!!!!

.....PAUL & PHILLIP hang out in the area of Pine and Polk and Bush and Polk and work with a real super pig... Inspector Art Gerrans who loves to kick down doors as well as entrap fags (his words)....he now claims that he is "born again" and he IS A MEMBER of the Cops for Christ.....BEWARE kiddies for PAUL & PHILLIP and lady gerrans.

.....The picture at the left here is the very lovely LEE RAYMOND who is one of the fine people in our city who has helped so many people. He is thinking about seeking the office of empress this fall it has been reported, but LEE RAYMOND at this time has no real statement to make.

LEE RAYMOND has served luncheons for the elderly going back to 1973 and also helps us at our yearly Ft. Miley shows for the hospitalized Veterans at the VA Hospital and he is SOBER too....meaning he knows what he is doing.

.....FT. MILEY CHRISTMAS SHOW is set....for December 11th at 7 PM.... and ONLY performers and helpers are allowed to attend outside of the patients of course. It will be a goodie again we are told....Rev. RAY Brosears is the man who puts the thing together and has been doing so since 1971!!!!!! Entertainment is being arranged right now and all must be non-drug users and MUST BE SOBER people only.

.....SOBER....a word that is fading fast in the gay community for we have so many alcoholics no-a-days....but most of the bar owners don't give a damn....they just want the money they can get and don't give a tinkers about the health or safety of the patron. Let us all pledge to make 1980 a bit more SOBER than 1979 has been and NO MORE DRUGS....words like this should be coming out of the SF Tavern Guild....but they want the \$\$\$ also. So lets us and me agree to work to help those who are drunks and do not know it....ok?

.....KATE SMITH has been seen at the ARENA....when you stop in....ask TERRY THOMPSON the manager about her. Or go over to the PLUNGE and ask JIM about KATE SMITH. Didja see the EXPOSE on DUKE SMITH and ALAN STANFORD on the religious page under Bishop Pierce's column? HOT!!!!

.....KEN is still at KIMOS!!! Yuk!! But the handsome DAVID CAFEY is still there and that is a plus!!!!!!

.....That is FRANKIE at the right here from the LE SALON who works the day shift....he gives the word "latino" that sexy meaning. Stop in and browse and buy from the handsome day clerk, 1118 Polk Street....FRANKIE and you can buy the DAMERON hot hot 1980 ADDRESS BOOK there too.

.....TERENCE HALLINAN for Supervisor in District 5....he is so very pro-gay!!!!

.....ROBERT SCHMIDT of the STONEWALL DEMO CLUB is so dumb....he can't tell his brand of commies apart....sad and he also works for FRIETAS too!

.....Don't forget to vote for Mister Cowboy soon....as well as Grand Duke and then Emperor.

.....Look for the benefit for the senior luncheons soon....a baby buggy race....TESSIE has the info, we sure as hell don't!!!

.....FANNY has indeed left the SOUND OF MUSIC!!!!!!

.....H.L. PERRY is working behind the bar daze at the CLUB FRISCO ROY-AL!
