POLICE DEFEND THE NAZI's?

As a result of the arrests made at an male model escort agency recently and after attending the preliminary hearings of the trial which began in full on July 18th, the CRUSADER at the request of the owner of that Agency looked into the "ad" which was placed in the ADVOCATE newspaper which was the same which the Agency was busted for some months back yet, the telephone number and name were different. That ad then caused this Mission district legitimate agency to be set up and busted by 21 SFPD Vice cops.

This new "ad" with the new name and new phone number was found to be that of a person who was once a big shot in the American Nazi Party here in northern California under Allen Vincent. The owner of the agency when he found out the CRUSADER was conducting an investigation, telephoned Lt. Sid Patton, of the SF PD who called the CRUSADER and requested us to stop go any further. Lt. Patton, who has always been known for his high-handed tactics and threats in the PD has since been reported to his superiors. But what we at the CRUSADER ask is, "Why is he defending the Nazis and a Gay Male Model Agency?"

In addition, there are many gays here that to be associated with anyone who may or may not have association with youths under 18, is a "no no" and may be a political liability, and to hell with the rights of the gays involved.

Most all gay groups contacted have said "no" to having anything to do with it, except the Gay Voters League and the Gay Liberation Alliance. All of the other gay publications refuse to do anything except possibly persecute the persons who are being victimized by the D.A. and the Chief of Police's men in this crucial election year. Already, the CRUSADER has lost three advertisers because of our defense of those "set-up" and or accused, but we shall survive, believe that.

We cannot as yet give out the names of those under arrest at the request of their lawyers nor can we give out the youths names as yet as it might jeopardize the case. 

WARNING....all gays are asked to be cautious of the Polk Gulch area of Pine and Bush, as this is the area the "set-ups" who are set up under 18. This is most serious and entire lives and careers may be at stake, and or may be involved with youths under the age of 18 years.

retreat in 1974 in the first few years when I first came to the city. I don't recall the first and last year but I do know that was 1974. Retreat at that time was for one week in the Spring or the Fall and ran from Monday through Saturday in the hotel near the beach. Every year there were new speakers and new workshops.

In other years, it was also held in the winter, in the same hotel, and was much shorter. The first year I went, I think it was 1974, there were a few other people who came to the retreat. But now, it's a much larger event, with many more people attending. I think it's a great way to meet people and learn about the history of the movement.

Mr. & Miss COW Contest
The Mr. Cowboy and Miss Cowgirl Contest for 1979 is off! Instead, we are looking forward to the first-ever Mr. and Miss Cowboy and Cowgirl Contest for 1980. The winners will be announced at a special event at the end of the year.

When you go to AA, you are meeting more and more of the P.O.P. which is killing people, which is destroying property, and the ones who will only talk to the police if they are no better than kidnappers, killers and should be put away for life. The "other drug" scene is growing too, up and down the Castro and Polk people will offer to sell you all sorts of "shit" and "shit can't lose!" is a saying. They will tell you that their "other drug" is about the same, if not worse than heroin.

Kate will give Big D a run for her money, believe me you. And it's not just about the money. Sobriety is where it is at!!

Partial Listing of Meetings:
- Trinity Episcopal Church, Bush & Gough 251 Hyde Street. Drop-In Center of Northeast Mental Health, 251 Hyde Street.
- The CRUSADER very strongly urges you to go and/or maybe go to AA if you drink too much and try and urge your "other-half" with them if they are having a too much drinking situation.

Gays Beaten!
A very dark man, carrying a club, was hit by the club wielding black youth, was wounded quickly from the head and the other left the area quickly. This was in the area of the restroom at that intersection, which is known to be frequented by gays there.

The Gay Help Line did notify the police after the report was made to them and they also spoke with us here at the CRUSADE.

CARTER FAILED TO MAKE A HIT
The day after President Carter made his preach-er-like pitch for support for his administration and energy, the CRUSADE telephone 39 different people and 26 of them thought he had nothing new to say. The other 13 felt that Carter wanted to do something strong, but did not know what.

Obviously the president didn't convince too many people.

TheOLD CATHOLIC CHURCH

OLD CATHOLIC CHURCH

In Articles 1 and 2 and in the printing of the Statement of Faith of the Old Roman Catholic Church, I did not see any adverse impact. However, I received a letter from a member of the Church who was disturbed and I understood the telephone at the Crusader office is still ringing off the hook. Rev. Brodworth (who is an Old Roman Catholic priest) is currently, by the late Bishop Christopher C.J. Stanley, I explained to him that I could have some trouble as I like to insert this in the Examiners' column's of his career with the Examiner.

Most people would like to know why I am writing about the Old Roman Catholic Church in a newspaper that is not circulating in the US. (There are a few copies of the paper in the US, in fact, there are a few in the US.) I hope that those who read these articles will get in touch with me as I have no intention of any damage to the Church or any good intentions of writing any such articles.

Regardless of statements of the Rev. Thomas F. Dennis and Rev. Herman R. Duke, I do not believe that the CRUSADER is not just used for anti-communist purposes as suggested by the above named people .... and pray for all sick and afflicted everywhere. God loves each and everyone of you.

The police department of the Bay Area is well-known for its support of the homosexual community. We seek to educate the homosexual community to respect the rights of others and to end attitudes of "that's a gay city." We also work to educate the heterosexual community on the importance ofSan Francisco as a model for other cities. We want to help build a better city. This cannot be done through innuendo or half-truths.

We seek to establish standards of behavior for businesses and property owners. We work to make San Francisco a safer place, with a better quality of life for all its residents. The Crusader seeks to educate the homosexual community to respect the rights of others.
