HALLINAN & SCOTT, Best of the Lot

David Scott, candidate for Mayor, is the protest vote candidate this election year. He is a homosexual, and with the options open, we would urge that on November 8th, that you vote for David Scott and by doing so, you vote for gay power as well.

Terence Hallinan, is the only candidate for Supervisor in District 5 who can bring the District together, and best serve the interests of ALL of the residents of District 5. He is very pro-gay and has numerous gay supporters. A vote for Terence Hallinan, is a vote for unity, and better government which will represent you, the resident of District 5.

For District Attorney, crime-in-the-streets is the only real issue, and the only qualified candidate running is Joe Russoniello, the one candidate whom the criminal element fear. For with Russoniello as D.A., they will go to jail! Vote for safe streets, vote for Joe.

In the race for Sheriff, there is really none of the candidate qualified. Don't vote! And if you live in District 9, we strongly urge you to vote for Lee Dolson who has been a good friend and ally for gays.

In District 7, only Enola Maxwell knows the problems of that troubled District and has the solutions and she will listen to you.

In District 1, Ed Lawson, a far-sighted man, highly qualified and deeply involved in the affairs of District 1 all of the time sincerely deserves your vote if you live in District 1.

In District 11, Eric Moncur is the most concerned of the candidates and deserves your vote against big business and FOR rent control.

San Francisco — City at a Crossroads.

Joe Russoniello for D.A.

"JOE RUSSONIELLO — THE MAN THE CRIMINALS FEAR!"

That one line alone should be enough to make you want to vote for Russoniello for District Attorney on November 6th. Joe Russoniello is the ONLY candidate who has had experience trying cases in the criminal courts, none...of the others have ever tried criminal cases. Joe Russoniello WILL make the streets safe for you to walk at any hour. Joe Russoniello WILL make the Muni safe to ride at any hour. Joe WILL seek out and prosecute organized crime in our city. Joe WILL conduct a sensitive and professional Office of District Attorney. Joe Russoniello is the only candidate for D.A....if YOU care about San Francisco. editor
District 7 Election

District 7, one of the poorest districts of the 11 Supervisorial Districts in San Francisco, is an area in turmoil. Gonzales is their "only hope" for they are, for the most part, white and blacks with a sizable amount of gays as well, is growing not only in population, but with corporate businesses and the Moscone Convention Center. The lower Nob Hill and Golden Gate Terrace areas feel that Bob Gonzales is their "only hope" for they are, for the most part, white and middle class or would-be-middle-class. Putteno Hill, home of Bob Gonzales and Doris Ward (political pappies of Phil Burton), is an area in turmoil.

The Bayview and the Hunter's Point (Buchetower) areas of District 7, are filled for the most part, with black residents.

The black vote is torn between the highly popular community activist, Enola Maxwell, and the Burton pappies, Ward. Victor Melendez, is running in the Tenderloin. Melendez will try to take a certain amount of votes, which is obviously for the Tenderloin and South of Market areas, as never before, will hire the key to who will be the mayor, and despite the optimism of the early incumbent, Gutierrez, there will be a run-off. The Gonzales people told the Examiner, "They know they can beat Melendez or even Ward, but the handily winning Enola Maxwell will be a "tough one to beat in a one to one race." For Gonzales knows that the gay vote which he has courted has been lost to Maxwell, but this is the gay vote he was courting by the Gay Voters League (as they did in 1975 city wide), and the Stonewall Gay Democratic Club. Maxwell has a tireless force of loyal new recruits to her headquarters who deserve the finest kind of support. In the Tenderloin, she has a group of hardworking gay voters in the person of Hank Wilson, Ron Lanza and their arch-fiend, Ray Brudermann who have united behind the election of Enola Maxwell.

November 6th, make your gay vote heard!

Enola Maxwell

A real fighter. Supervisor 7

SPONSOR OF KEVIN WADSWORTH, who was recently hired by the SF General Hospital, after an alleged investigation by the attorney general's office was published on the front page of the SAN FRANCISCO EXAMINER, paper, Peter Fries, and his association with the gay Republican Kevin Wadsworth has come in a shock to many who were supporting Wadsworth and the Wadsworth campaign office refuses to make any comment on the connection except to say, "You are trying to put our phone. That came from some rude character who identified himself as Wadsworth's campaign manager." The connections between Peter Fries and Kevin Wadsworth have been lost to Maxwell, witness her endorsement by HARRY'S.

Peter Fries: A Wadsworth sponsor!

Fries has two other corporative, after the suit and investigation by the attorney general's lawsuit or investigations, on the CAB. By the way, the Milk Club also had Cleve Jones, Randy & Linda Stallings in that election....

The home of Peter Fries, 64 Vicksburg, which is listed as the Church of Living Body, and the Antiqua Churchplate and CACCD, is also listed as the residence of a fellow priest of Fries whom the SF-PO has seen going in and out lately, who was arrested for consorting with the vice of 15 year old latino youth in Berkeley.

All of this within the campaign of Kevin Wadsworth's, and his campaign manager says: "We don't recall all of our donors are you tying up the line." Peter Fries was the one that supported the Wadsworth campaign.

In addition, Wadsworth was the side to the late former Governor of Florida, who was Nixon's boy in the Watergate cover-up. Wadsworth was never known in Florida as being pro-Wadsworth has no record of opposing Anita Bryant in Florida either.

Dianne Feinstein: "Gays will have to establish a standard on how to be a man or woman or be accused of offenses. It is good that the board has come to this realization because it could be a solution for our community." (Feinstein later found out to her revelation.)

Quentin Kopp: "Gays are no different than anyone else, except there seems to be a growing problem in the women's community, in the area of black women. The permit is NOT against lesbians or straight women. The permit is NOT against bisexuals or any group of women. The permit is NOT against black women. The permit is NOT against white women. The permit is NOT against men. The permit is NOT against anyone." (Kopp's campaign manager was arrested for fraud and stealing.)

David Scott: "Gays deserve more from government than they have received. I intend to be the first of the gay candidates to seek a gay bathhouse permit. (David has been attacked by and denied support by the so-called gay leadership.)"

Feinstein, a living horror for homosexuals if she is elected to a four year term. Four years of her "frightening thought, especially when you look at her record of her work and her support for the S.F. bathhouses", which is "obviously controlled by her fiancé, the Rev. Robert Broshears. Feinstein was once a member of the S.F. bathhouses, and she ran for mayor, no more. And her gay agenda which surrounds her is a bunch of power-seeking animals... who all want desperately the "crumbs" which Dianne has chanced in front of them. Some of her gay-游艇 have enough brains to handle their own personal lives. Feinstein has nothing good, truth but those around her destroy her."

CESAR, Mayor?

Cesar Ascarrunz, candidate for Mayor is making an extension visit to this city for the purpose of raising funds. He will be at Hunters Point, Tuesday night, 9pm. Cesar, a Navy veteran and his family is not only a member of the community, but a member of the community in action. He is dedicated to community service and has made a strong effort to bring the community together. His campaign has received a great deal of attention and he is expected to have a strong showing in the election.

Housing Scandal....

Meanwhile, Terence Hallinan, long-time civil rights activist and the owner of a gay bar in the 5th District, has decided to run for Supervisor in District 5. Hallinan has run for Supervisor in the past, but has been defeated in both 1979 and 1983. He is a strong candidate and is expected to win the primary election. Hallinan has been an active supporter of Harvey Milk and the gay community. He has been a member of the board of supervisors and has been a strong advocate for gay rights. Hallinan has been a leader in the gay community and is respected for his dedication to the cause.

In an extremely hard fought race in District 5, sponsored by the Leading Front-runner, Terence Hallinan, only by the leading front-runner, Terence Hallinan, to run against the appointed Supervisor of the city. Number one reason has to be the fear of debate with Howard Wallace. Many attending candidate nights around the District, reported that “When Howard comes into the room, Harry Brit becomes a nervous person and his face twitch.” And this statement alluded to the fact that Brit has been known to be nervous in public speaking.

In the race for Supervisor, as he has from other gays and non-gays alike, of last November. It is in the interest of us who work and live in District 5 to elect the candidate based on merit and not his or her sexual preferences. Terence Hallinan can best serve those people and their families. It is abandoned at this point. For years, residents of the city have tried to gain an opening to bring the housing into the public sector and failed. Mayor Feinstein, in an effort to placate the various gay business interests of the city and to eventually drive out all blacks from the area, has obtained the Navy personnel and their families.
