SAVE OUR CITY (SOC) DECEMBER 11 WITH OUR 7! VOTE SOC. ON DECEMBER 11th.
The Save Our City Committee (SOC) urges all to vote on December 11 for our 7 candidates who will best serve you, the people who need representation in city government and to date, the Burton "machine" has kept the real people out and the "machine" people in, "buttering the bread" for the "machine" people and their friends. You and I, we, together, united as one, can SOC it to them, and turn San Francisco on an upward path in the eighties. SOC Committee is comprised of gays and straights together who want a better San Francisco and we urge you to vote for the candidates whom we have endorsed.

The Duchess Dianne is sucking City dry......

I've been doing a little homework on Dianne Feinstein recently, and what I've found is alarming. She's been milking the city for all it's worth, and it's time we held her accountable.

Firstly, Feinstein is known for her extravagant lifestyle. Her mansion in Pacific Heights is a prime example of her opulence. She's also been accused of using city resources for personal gain. For instance, she was caught using city equipment to renovate her home.

Moreover, Feinstein has been criticized for her handling of the city's finances. She's been accused of mismanaging the city's budget, leading to a deficit that has swelled over the years. The city has been left with a debt that will take generations to pay off.

If Feinstein is re-elected, she will put her friends and donors in key positions within the city government. This will further exacerbate the problem, as these insiders will be more concerned with their own interests than the well-being of the city.

For the sake of San Francisco, we must vote against Feinstein. It's time for change, and we need a leader who will put the city's interests above her own. Vote for someone who truly cares about San Francisco, not someone who's only interested in lining their own pockets.

Sincerely,
[Your Name]

The REAL Gay PEOPLE turn out for Old Folks

The Thanksgiving Dinner for the Tenderloin Old Folks is held each year by the San Francisco Crusaders, under the direction of the Rev. Ray Broshears. The Auction was a night to be remembered.

The increase hit hard. The increase ran from a minimum of 1,000% to 3,000%. .

Arlo Smith has been endorsed by:
- Elmer Wilhelm, of the Stonewall Democratic Club.
- San Francisco Chronicle.
- Ray Brothers, civil rights activist.
- Stonewall Gay Democratic Club of SF.
- Berkeley Gay Democratic Club.
- Hon. Thomas Lynch, former Attorney General.
- Hon. Jack Morrison, former SF Supervisor.
- San Francisco Crusaders newspaper.
- San Francisco Examiner.
- Gay Voters League.
- B.J. Beckwith, attorney at law.

Arlo Smith, candidate for District Attorney, is most fortunate to have such a fine lady as his wife of 25 years, Helen, at his side. The old saying that "Behind every great man is a great woman," never held more true than in this election year.

Arlo Smith has promised the voters of our city that he will run and "ever-handed administration of justice" in the D.A.'s Office. Arlo Smith has promised to "terminate" the current and "they are too cheap to pay $12.15 a month for" and "the area almost uninhabitable in recent years. Arlo Smith will prosecute them?"
He's kinda dorky, waddles just a bit, and oh so like he will never stop. His eyes, a bit dark underneath, they dart to and fro, as he wanders along Turk Street looking for a "hit". Speed, all he needs is a "hit" and he will be back on top of the curve. On Tuesday and Thursday evenings at the MARATHON Ballroom at 739 Larkin Street, is where I was exposed to "punk" or "new wave", and all that I can say is "wow", and for more "hits" of speed. What a fucking life!

Tenderloin Thanksgiving Dinner

Wednesday November 21st at Christ Chapel, 26-7th Street, the 4th floor dining hall was all hustle and bustle and the aroma of turkey was very pleasant, as the ovens were filled with the big birds. This was the 10th Annual Tenderloin Thanksgiving Dinner, a tradition started by Christ Chapel and its pastor, Rev. Ray Brosears, with a great deal of assistance from so many wonderful and kind community persons and businesses. Places such as the Le Salon, Liberty Baths, Oil Can Harry's Marathon Ballroom, the Tickle Fox, Lenny Mollett's and members of the Tenderloin community packed the Red Lantern on November 19th. Yes, all helped to raise the funds for the event.

The workers who did so much to bring off this lovely dinner, such as Michael Brown of Leatherworld, who is a fantastic cook, all did their best to make the day a success. The bird was touched by God himself and everyone worked hard to prepare this Thanksgiving. The delightful Elmer Wilhelm of the Stonewall Democratic Club was the finishing cook and did a great job, with the able assistance of Don Gallagher of Jackson's restaurant, and former candidate for City Assessor, Eric Moncur pitched in to help the kitchen portion turn out so fine. Everyone helped to serve, including District 7 Supervisor, Bob Gonzalez, much to the delight of the elderly, whom Gonzales is a great favorite, as he is the only consistent fighter for the elderly, now on the Board of Supervisors.

Also helping was Supervisor candidate, Terence Hallinan (District 5), and Terry brought along pumpkin pie, much to the delight of all. Hallinan's concern for the elderly is a very moving thing. His affection for the elderly was returned by them double.

And, of course, the pastor of Christ Chapel, the Reverend Ray Brosears who put this all together year in and year out made it all good. A special thank you to Capricorn Coffees for the lovely donation.

Here he is, the favorite of the elderly, Supervisor Bob Gonzalez listening to a comment.

Above is Walter Knox, veteran of the old "wars" for the betterment of the elderly of the city. Walter now resides at the Clementina Towers and has not missed a luncheon in the last 10 years, and also attends the meetings of the older citizens of the city. He is 95 years old and is very good natured. "The Gonz", as Supervisor Gonzales affectionately known, is shown here serving a plate heaped full of turkey, dressing, gravy, peas, mashed potatoes, vegetables, and fruit. We hope to see you again next year, and we'll bring the turkey with us next year. Yes, we'll bring the turkey with us next year.

Above is Elmer Wihlde, Don Gallagher and Michael Brown doing what has to be done in the kitchen at Christ Chapel, just after baking the turkey into the ovens to bake. They were beginning the task of cleaning the items to go into the salad which was one of the biggest salads to be found anywhere.

Above here is the gift table from which all were willed items to the two bingo games after the luncheon. So many many things were given away, in fact, over $100 in gifts were given away. Delightful!
