"The Lavendar Panther of Gay power stalks the streets. As long as we remain vigilant and do not allow capitalist values to destroy us, we need never be afraid or ashamed again. We must remain our own masters and follow no one leader. Our diversity is our secret of political power. Do not allow anyone to bargain that away, and freedom is ours eternally." rev. ray broshears

# JOCKSTRAP

A high-contrast, black and white photograph of a man in a suit, holding a jockstrap. The image is grainy and has a stark, graphic quality. The man's face is partially visible, looking down at the jockstrap he is holding. The jockstrap is a simple, light-colored garment with a dark waistband. The background is dark, making the man and the jockstrap stand out.

## LETTERS TO THE EDITOR

May 23, 1980

Editor: Archbishop Quinn of SF should be praised for his defense of the human rights of men who feel homosexual. He should also be criticized however for his condemnation of the practice of homosexuality! Neither Quinn nor the Pope have any direct guidance about homosexuality from God. Quinn's condemnation of it is therefore irresponsible.

DAVUD FELIX

June 5, 1980

Dear Editor: I have often heard the old expression, "You sometimes can't see the forest for the trees." This seems to be a befitting description of the political leaders of the San Francisco Gay Community who seem unable to relate local issues of our movement to the national issues which plague our country and thus thwart our movement today. I'm referring to the non-existent outcry of contempt and disgust over the recent reversal of national administrative policy concerning the immigration of gays into the U.S. I would like to hear from our local leaders the cry of, "Usurper, Betrayer!" in regard to the Carter administration and its policy toward the gay Cuban and Haitian refugees.

For nearly 30 years a ban on visiting and immigrating gays has been strictly upheld but now, in anticipation of the November elections, Carter and his bureaucracy have decided to end the exclusion of homosexuals into this country and grant gay refugees asylum. Now since President Carter needs all the support and votes of as many of us who will believe he is saving the Western Hemisphere from the evils of Communism, he suddenly reverses U.S. policy to a more benevolent, humane position. Benevolent despot, I would say!

Gay lobbyists have attempted to persuade the Justice Department for the last year to stop the discrimination against gays who have sought passports and visas to enter the U.S. But recently the current adminis-

tration has to face such political 'faux-pas' as the resignation of Secretary of State, Cyrus Vance, over the aborted rescue mission to free the hostages in Iran, the failure to halt the increasing economic recession at home, the insensitivity to human needs which precipitated the Miami riots and the bludgeoning threat of a sound Republican victory in November. Carter seeks now to appease our movement and react to our heretofore unheeded outcry of human rights in order to secure much-needed support and confidence of the American people.

Fortunately, however, our national legislators from California are on the ball. Senator Alan Cranston and Rep. Anthony Beilenson have introduced a Congressional bill which seeks to end the discriminatory policies of the U.S. Department of Immigration and Naturalization. The bill, which will be reviewed by the Select Commission on Immigration and Refugee Policy, will probably not, however, be heard until March of '81!

Where are San Francisco's locally-elected gay officials in publically supporting the swift and expedient passage of this legislative measure? Where are the political leaders of the gay community in denouncing this sudden reversal of administrative policy as nothing more than an opportunist's appeasement to better his own cause? Where are the Alan Cranstons of San Francisco politics?

Unless our local movement is able to elevate itself to the heights of "seeing the forest for the trees" and elect gay city officials who have insight and the ability to relate to national issues, then we are doomed to a city government that cannot boost San Francisco's gay community into the political arena as a recognizable and viable socio-economic force!

The San Francisco Crusader is a not-for-profit publication, a community bulletin, serving primarily the northeast sector of San Francisco. The Crusader was founded in June 1972 as the official publication of the first gay day parade. The paper is published every other week or so, and we welcome all inquiries and comments. We do so reserve the right to refuse advertisements, etc., which we feel are not in good taste or they are in conflict with our best interests. You can trust the Crusader to give you the other side of the news and print the news and social commentary the others are afraid to print. Don't expect us to be objective or any of that pish pash. For we are biased towards the best interests of the real people whom we feel we serve and protect. We are very biased in favor of the poor, the handicapped, the elderly, the misled, the afflicted, and you. We make no attempt to give you both sides, just the real side. rb

## THANK YOU FOR 8 YEARS

## SAN FRANCISCO

## The Crusader

Eight long years ago, June 1972 the San Francisco Crusader came into being with the name, Gay Pride, the official program newspaper of the first gay day parade. Bob Humphries, Don Dill, H.L. Perry and myself (Ray Broshers) got together and said, "let's have a parade." So, Christopher Street West/North was held with 1,500 brave souls marching and riding down the very long official parade route in those days, with about 20,000 or so watching from the sidelines. It was an effort well worth the time and labor which I am sure the other co-founders would have to agree. While some of worked on the parade for pure idealistic reasons, others were involved only to make money, but that is what America is all about. This year, the gay parade will be far too large to even make a guesstimate on the crowd size, but Bruce Goranson, Robert "Smitty" Smith and others have worked very long and hard to bring off a very successful and professional gay day parade. We pray that all of our readers will join in the parade and help to make it an true expression of gay pride, and not one of gay degradation which "CBS Reports" can use to help defeat us at the polls again. Gay pride and dignity we pray will prevail and with it the respect that comes from conducting ones self in a proper manner. Sunday June 29th, Gay Freedom Day San Francisco, in memory of the gay rebellion at the Stonewall Bar on Christopher Street in New York, June 1969.

God be with each of us! ray

The pages of the CRUSADER may ruffle your feathers and more at times, but what is a paper for then, if it is to print only the things you want to read and just make you happy? True, we have ran the length and breath of the catacombs of the ghettos of the gay/homophile/homosexual/lesbian communities to put forth what we have always felt was the right thing. We do alot of preaching in this paper on a multitude of subjects. But if people would be a bit more honest with themselves it wouldn't be necessary. Some have told us to "get in line and agree with the others"...oh dear me, I'm afraid that to agree just for the sake of agreeing or for that mythical dream of "unity", forget it. We have seen so many other papers "go down" during our 8 year flight. Papers such as the Kalendar; the Gayzette; the Gazette; the Forum; the Bay Times; the Male Express; the Vector; the Insider; the Coast Times; the Entertainment West; the Gay Times and Gay Life, to mention the most notable of those who "went under" for one reason or another. They allhelped to make the gay communities what they are today, just as do the Voice, the Bay Area Reporter, and the Sentinel. Diversity has been the secret of success in the gay community's drive to the top here, and let us hope that we shall continue to have a diversified press here always. Good luck to all and God be with you in your positive endeavors always! rev. ray broshers publisher.

## Personal Opinion by reverend RAY Broshears

WHO IS THIS SEEMINGLY ANTI-HUMAN FEMALE MAYOR OF SAN FRANCISCO? JUST WHO HAS CONTROLS ON HER? WHY DOES SHE GIVE EXTRA-RIGHTS TO THE GAY "MAFIA" ABOUT HER? WAS "CBS REPORTS" RIGHT ABOUT HER? IS SHE A "FAG HAG?" READ THIS ONE PERSON OPINION ON HER!

Mrs. Dianne Feinstein came into the second floor headquarters of the Society for Individual Rights in 1969, on Sixth Street, and created a bit of history when she asked this all homosexual organization to "do it", help elect her and they would have a friend on the Board of Supervisors. It became "love at first sight," well, not exactly. If a person came and offered to throw you a life preserver and you were drowning, would you refuse it?

The lady from Pacific Heights, born with both a silver and gold spoon in her mouth, who is Jewish and who went to Roman Catholic schools and married into one of the finest households in San Francisco, was really on her way politically. She got the most votes and became the first woman President of the Board of Supervisors. Then in 1971 the very ambitious Pacific Heights matron decided she wanted to be Mayor and was soundly defeated by the incumbent. But still she wanted to be Mayor so in 1975 she ran again and again she was rejected, third place to be exact. So about the only way she could ever get in as Mayor was the way she did, she "backed in" so to speak. She rose to the throne upon the bloody assassination of Mayor George Moscone (and gay Supe, Harvey Milk) by a close friend of hers, Dan White, an ex-fireman and ex-cop. Dianne had even voted while on the Board on the infamous Pier 39 deal which allowed Supervisor Dan White to grab a piece of Pier 39 for himself. So Dan White by coldly and with great forethought (despite the jury and his lucky attorney) did kill George Moscone, which later put his old friend into the Mayor's spot.

Then Dianne being the very political animal she is, moved quickly to appoint another Pacific Heights matron, of money too, to replace her on the Board of Supervisors. Of course this woman is Dianne's clone on the Board of Supervisors and does her bidding well. Then Dianne angered the gay community by refusing to replace the slain Supervisor with a person whom the community could identify with and respect, the aide to the murdered Supervisor, Anne Kronenberg...she appointed Harry Britt, in a blunder which has left the gay vote forever split as he (Britt) would never win citywide (and he may have run citywide very soon, if things go right.)

Dear loyal Anne Kronenberg was given appointments for nice salaries by Dianne in an effort to soothe the gay community. Now she may have made Anne Kronenberg happy, for she is getting alot of bread, but, the gay community citywide rejects Harry Britt, and only 10,000 gays did actually vote for him. Citywide, Dianne knows Harry doesn't have a snowballs chance in hell. Clever, very clever your Majesty Feinblum. Now comes a point the Mayor's gay clones will shriek over, and that is, the Mayor's Office DID have knowledge that there would be trouble at City Hall the night of the infamous verdict, on Dan White was handed down (the verdict amounted to a payoff to White for a job "well done" by the city power brokers.) The Chief of Police, Gain, and his aides not heed any of the warnings, which one can only assume they "wanted" the White-night Riots! It hurt only the gay community in final run, so it was to the advantage of the Mayor and her backers.

The Mayor is a political animal as we said before. So it was no surprise that she moved her old friend, Jo Daly onto the Police Commission as Jo did everything the Mayor wanted her to do, and beside with a strong man like former Chief of Police on the Commission, Daly could be controlled, and after all, without Dianne, Jo Daly has not support in the gay community, except for her mentors, Foster-Goodstein-Fitch and Maley. The latter group with the addition of a few names, is jokingly referred to as "Dianne's gay mafia." The "boys who make it happen" for her Majesty Feinblum. She even rewards them by letting them have parties in the taxpayer produced Muni Metro system, and the hell with the laws...after all, they ARE gay, aren't they?

The recent raid on the massage parlors by Deputy Chief of Police George Emil's boys was a doozie. It cost alot of money to bring it off, and all the while this was happening by the thirty or so cops, a 20 year old kid was being shot to death at 22nd & Mission because there weren't enough police to patrol the Mission low-ridders that night (right! they were too busy raiding massage parlors.) Now the bottom line on that is, if they had all this evidence, enough to make a raid, why didn't they merely revoke their permits? It would have been alot simpler and saved the taxpayers alot of money. But her Majesty Mayor Feinstein likes to read of "raids" and the like and her precious "boy" Deputy Chief Emil who still wants to be THE CHIEF, knows this and knows how to please her Majesty the Mayor Feinblum....right George?

Her Majesty Mayor Dianne does have a hard control of the San Francisco Police Department, and she obviously only chose Con Murphy because her personal choice George Emil, head of the Vice/Morals Cops (for Christ?) did not have the popular support that the new Chief would need to handle the quarrelsome Police Officers Association. If HerMajesty could control the POA, as she has done now, then she would be able to move into other areas with little problems. But one thing is sure, and that is, George Emil will never rest until he has ousted Murphy and replaced him as Chief of Police. Her Majesty the Mayor Feinstein/Blum, has no one really controlling unless it is her husband Dick Blum/Stein. But together to do represent the real estate interests, and quite well. The recent Feinstein veto of the rent law was seen as her payoff for the real estate interests (ignore the phony smoke screen about her owning a hotel.) Her Majesty's next move will be to expedite the entry of the Mormon-owned Ramada Inn into the Tenderloin, as well as the construction of a couple of other biggies. In addition, she will continue to allow status quo in the Tenderloin allowing porno-kings like the one at 101 Talor at Turk, Mr. Earl S. Kuhns (Frenchy's K&T) to take over a huge hotel and instead of renovating it for living quarters (the Hyland) turn it into a nude women encounter sex parlor and into offices for Kuhn's lawyer J. Rhine (who was ousted by some porno operators as their lawyer). For as the Porno K&T operation causes a decline in the value of the area, her real estate combines can later move in and pick it up for a "song" after Her Majesty's DPW "hits" Kuhns (which they should be doing now!)

Her Majesty the Mayor has done absolutely NOTHING to better the plight of the elderly/poor in the Central City. She makes lots of nice speeches, and does her media trips (alot like Joe Frietas did, he "tried" cases in the media and then did nothing about them later.) Her Majesty's name evokes a heavy round of "boos" at our monthly free luncheons for the elderly at the church dining hall (and we don't use any government monies, thank you!) And she HAS raised the rents at her Carleton Hotel on Sutter on the elderly despite the lies (excuse me, mis-statements by the Brand Ex rag.) and pro-Feinblum propaganda.

Her appointments to the Commissions has evoked much controversy and her removals even more. People such as Commissioner Sue Bierman on the Planning Commission have done an excellent job, yet she was one of the Mayor's victims....the real estate interests really hated Sue. The Board of Permit Appeals which has had attorney Rick Stokes, the late Harvey Milk, and David Scott (we don't count Jo Daly as she is a Dianne Clone) as gay reps on that all important Commission, now does not have a single person who is truly friendly to the gay community with the exception of Doug Engmann and the real estate interests want him OUT just as bad as they wanted Sue Bierman OUT over the Planning Commission. The Mayor does not truly deserve the title of "fag hag" just because she has surrounded herself with a goodly amount of gay workers, associates. It's just that she IS a political animal, those kind do that. But, she did "apologize" even tho it was obvious that she didn't mean it, to the "gay community of Alice B Toklas Demofaggots." So the CBS Reports was correct on that point to a degree. And she does do the bidding of certain gays (a "gay mafia?") and she has "cut the water off" of those gays who do not "bow and curtsy" to her. Then she does have the "support" of the darling lawyer of the big crime figures, Willie Brown. Who is Her Majesty the Mayor? Who knows!

V. ROY LEFCOURT FIRED FROM PUBLIC DEFENDER'S OFFICE  
V. Roy Lefcourt, the man whom Supervisor Harry Britt campaigned for so strongly in the race for Municipal Court judge and who came in dead last, has now been fired from his job with the Office of the Public Defender. Public Defender, Jeff Brown said that, "It was just a personality situation. He couldn't get along with certain key personalities in the office." Brown had campaigned for Lefcourt and contributed heavily to Lefcourt's campaign.

JOHN ANDERSON OPPOSED GAY RIGHTS LEGISLATION IN ILLINOIS SEVERAL YEARS BACK.....Independent candidate for president, John B. Anderson, a regular church going member of the First Evangelical Free Church which opposes gay rights, opposed the Illinois legislation some years back which decriminalized homosexual acts between consenting persons of the same sex, etc. The Anderson Campaign people had no comment as yet. Also it has been reported that key Anderson campaign people, gays, are graduates and members of the Advocate Experience, a mind-control course something like EST. This too has caused key gay liberationist to drop Anderson. Anderson's San Francisco office has one of the people involved with the ill-fated and ill-advised "March on Washington" last October, heading up his gay outreach. That "march" caused a backlash in which radical right wingers had a march this past May with three times as many gays.

JULY 4th ANGEL ISLAND PICNIC.....With cycling, hiking, bar-b-que, soft drinks, beer, games, a raffle, all set for the 4th, and with everyone invited to attend at a low cost, the Democratic League of San Francisco holds their 22nd Annual Angel Island July 4th Picnic. For information and or reservations, contact Patty Moran, co-chair of the event at 861-2378. There will be plenty of political candidates on hand as well. The boat leaves at 10 am, noon and 2 pm, from Pier 43, with last boat returning at 6:15 pm. Tell Patty that you saw this notice placed here by the Barbary Coast Democratic Club for the Democratic League.

SUICIDE AFTER ARREST (Arizona Gay News): A 38 year old civilian employee of the Army who was arrested on charges of engaging in a sexual act in the men's room of a department store in Tyson's Corner, Virginia, committed suicide after learning that he would have to stand trial on charges of sodomy. James Lowe of Alexandria Virginia, the lawyer who would have represented the victim, Wm. Oliver, charged that the Fairfax County prosecutors "all but turned on the gas" that killed Oliver, according to a story in the Washington Post. The County Commonwealth attorney Robert Horan decided to prosecute under the harsh sodomy law, rather than allow a plea bargain to a lesser crime.

SAN FRANCISCO RENT CONTROL MEASURE DEFEATED: After two agonizing weeks, Mayor Dianne Feinstein vetoed the rent control ordinance passed 6 to 5 by the Board of Supervisors. Mrs. Blum (Feinstein) knows that she has enough votes on the Board of Supes to prevent a veto over-ride. The measure affect most harshly, the elderly and the poor.

EAST BAY GAY DAY BIG SUCCESS: The annual gay liberation day celebration held Sunday June 22nd at Ho Chi Min Park in Berkeley was a huge success. Gwenn Avery and Jon Sugar performed during the picnic and rally before a large crowd. In the next issue, we will have pictures and a story of the Alameda County gay day event.

## SUPERVISOR RENEE'S "AWARD" !

THE JUNE "TOILETTA McFLUSH" AWARD TO PACIFIC HEIGHTS LADY!

The appointed Supervisor Louise Renee is the recipient of our June Award for her very imperious attitude towards her fellow Supervisor, John Bardsis who dared ask the Pacific Heights matron-attorney a question during the course of his duties as servant to the people of his District 11 the Sunset. The wealthy lawyer who was appointed by the grande dame Mayor Dianne Feinstein to take her place when she ascended the throne of Mayor after the assassination of her predecessor by her friend Dan White, does not like peasants like the honorable John Bardsis and screamed out at him for all to hear at a Board of Supervisors Meeting that Bardsis was an "idiot" and not worthy to serve on the Board with such as her. Dear me! She does deserve the Award! Mr. Bardsis was ELECTED by his District.

With this advertisement, you will receive a \$2.00 discount on any dinner. This is good any night 6 to 10 pm. Drinks not included in discount. This ad good one time, per person only. Expires 7/8.

## "THE ACCUSERS"

Society today obviously needs a few more people who are willing to stand up and point at the ills and evils of Society today, which are too numerous to even begin to mention them all. To be called "an accuser" is not a really bad thing as some would have you to believe.

For instance: I accuse Society of being too lax in its efforts to end drug abuse! I accuse Society of being too lazy to deal with the problems of poverty!

I accuse those of low moral values of being the signs of a downfall of America. And I challenge those I accuse to clean up their acts or face everlasting damnation. I accuse the so-called homosexual "gay" churches of being one of the greatest evils in our Society today with their "humanist" attitudes!

SALVATION is the ONLY MESSAGE of Christ Jesus! The "liberation" of women, this and that is NOT the message of our beloved Jesus of Nazareth.

Yes, I am an accuser! I am proud that in this era of "anything goes" and "if it feels good, do it" attitudes that I can accuse those who do nothing to halt these satanic ways of being part and parcel of the anti-Christ forces in the world today.

I accuse the clergy of the so-called Councils of Churches of being a part of the anti-Christ movement. I accuse any and all who wish to be a part of the "ecumenical" movement with non-Christian groups of being of satan himself. We as Christians have a moral obligation to continue to convert all people to the Good News Message of Jesus Christ.

And any who would "let and let live" when it comes to groups and cults of the anti-Christ, is surely going to burn in hell!

I accuse those who do not follow the Message of Jesus Christ of being heathens and liars. And any and all who follow the "ecumenical path" is of satan. Christ Forever! rev. ray

"LET HE WHO IS WITHOUT SIN CAST THE FIRST STONE!" or the "gayway" is, "LET US ALL TOSS STONES AT HE DARES TO CALL TO LIGHT ARE SHORTCOMINGS, IN JESUS NAME!"

The so-called "gay churches" both the Metropolitan Community Church (which is suing one publication for calling them a "Church of Sodom," tsk tsk!) and the Holy Trinity Community Church, a sort of like an MCC group say they are NOT "gay churches" but "churches" with outreaches to the gays! Well, you call a rose by any other name and it is still a rose. There's no two ways about it. When you walk into a "church service" of the "gay church" you'd think you just walked into a nice bar lounge but no booze or bar or tables. But the cast is almost the same, and the dress attire is still the same (leather in church? oh yes!) And you set there waiting to hear about Christ dying for our sins...and it doesn't come into reality, nor even asking the Lord God to

forgive one of one's sins. The "altar call" is somewhat like watching the gays walking down/up Castro Street, holding hands, etc., and after the take what the "gay church" calls "communion, they kiss! Are you ready for that? Well, I'm not and never will be. They can call themselves whatever they wish to call themselves, but they have sinned and continue to do so in the Name of Christ, and are in desperate need of salvation! rev. ray.

CANDIDATE SPEAKS AT BARBARY COAST DEMOCRATIC CLUB & GAY VOTERS LEAGUE COMBINED RECEPTION.....

## ASSEMBLY CANDIDATE, TOM CRARY...

photo of Joan Irwin by Eddie Van; other photos by Leonore Cautelle.

A portion of the gathering at the reception for Assembly candidate, Tom Crary, given by the Barbary Coast Democratic Club and Gay Voters League. Top photo from left is a 1972 photo of Joan Irwin who sought to unseat Willie Brown at a Gay Alliance meet; and then one of candidate Tom Crary eating an ice cream cone; second row from left, photo of Crary, with Leonore Cautelle and Eddie Van owner of Art Gallery; then a photo of Richard Lasker (his other half Andrew Bettancourt was hiding from camera) in center, Al Hanken owner of the gay disco the Endup, and artist Mark Mullien; bottom row from left is Rev. Ray Broshears, Barbary Coast Club president/founder; then Al Hanken in a better photo (good to see him); Russ owner of Previews a theater bar; then Buddy and Steven chatting with Eddie Van. Elmer Wilhelm was present also (below Hanken photo).

"BEAT WILLIE BROWN? HA! YOU'VE GOT TO BE KIDDING!".....that was the response when it was noted that Assistant District Attorney Tom Crary, who heads up the Arson Task Force, was running against ultra-liberal Willie Brown, the 16 year representative in Sacramento. But after a few months of Tom's speech making and fact dealing, the public is taking him very seriously now. Especially with the surging candidacy of Dennis McQuaid against John Burton and the probable Reagan landslide in California, adds up to a Crary upset of Brown who has refused to even bother campaigning in recent years so sure is he of re-election. Brown has shown great contempt for many of his constituents over the years, and as one life-long Democrat told the CRUSADER, "Willie is gonna find that pay-back is a real mutha!"

This is the general feeling that one finds as they walk the District finding out if they feel they have a real representative in Sacramento, and almost all questioned have said that "Willie is too busy being Mr. Big-shot politician to do anything for us in the District!"

Willie Brown who is known more for his very fast cars, beautiful companions (Municipal Court Judge Lucy McCabe even,) and his penchant for natty suits and shoes, than he is for representing the people of the district....and he has refused steadily to even be interviewed by any other than the kind of press that will "be good to me," as he says. Well, the CRUSADER will not be good or bad to "Willie" but simply honest, and that is something that the Willie Record simply doesn't hold up too well under the Crusading Eye either!

Willie's record is a sorry one to say the least, and his absentee record at votes is of the highest in the Assembly. His partnership with the anti-gay Leo McCarthy, Assembly Speaker has also led Willie to look a bit bad in the harsh light of gay liberation. Just as Willie's strong support of the bizarre Mayor Dianne Feinstein has caused him to lose even more liberal support particularly amongst the hardline grass-roots political activists. Willie's support of the Mayor who has just VETOED a very good Rent Control measure doesn't make Willie look too good either when you couple that with the fact that many of Willie's clients in his most lucrative law practice are real estate and landlords.

At the Barbary Coast Democratic Club and Gay Voters League reception at the Visual Experience Art Gallery was a scene of many very nice people who gathered to listen to Tom Crary and to question him on his stands and it was most obvious that several Willie supporters turned to Crary that night. Tom Crary didn't make any of the grand promises (lies) that the professional politicians do, he merely promised to be the representative of the voters of the district, and after 16 horrible years of Willie Brown, Tom Crary sounds like a bit of heaven. November will be the "Waterloo" of Mr. Cool Willie Brown!

## Peace Now

".....NOW!"

In these days that seem filled with fury and dissension among God's children, we would bring a reminder of the responsibility for these actions to the consciousness of those who would hear and understand. It is for the receiving there must be a willingness to assist in the recovery of the reins of personal part in the run away emotions of all mankind. Man is prone to look toward another when the fault lies much closer if he but consider it in that light. Worldwide action has begun before the waves spread out and stirred the quiet waters. All of these eddies have converged into a confusion that has indeed produced a scene of great tumult. First came the thoughts, then followed the areas affected. Consider the minds involved openly and then also consider those in secret for one is as dangerous as the other. The responsibility belongs to each.

There is no innocent bystander if he has given thought to vengeance whether in seeming passing thought form or by open discussion. He has added strength through thought to the already raging fires. Thus is added kindling to increase the burning. Too late does he correct his intentions and show loving action and true concern for his fellowmen. How quickly is the judgements pronounced as to the guilt or innocence of beings involved in struggle.

Man has through many, many careless machinations brought into being the very conditions now abhorrent to him. With little regard to consequences has he moved on and on through these hallways with words and actions which he deemed harmless meanderings by his standards. Not so! Each of these are recorded as entered into the entirety of earth action. Each unkind and unworthy thought or word inflicts yet another wound. These vibrations join the already overcrowded area and the pressure builds to the eruptions he refuses to recognize as his own in part.

There is, of course, solution to this dilemma as man's awareness opens and he knows his duty to assist in it's resolution. By coming into self-mastery and learning to transmit those actions he helped to build, he can become a greater worker in the Light. Only in the Light can the darkness be dispersed that he has drawn about him, whether by intent or by disregard of the inner counsel. That counsel is ever present though man closed his spiritual ear to it's Voice.

As you observe diverse actions about you, also consider your part in it though you perhaps stand apart. Have you indeed not projected thought into it even as it began? Better still would it have been to have projected Light with all the force of your being. That bleeding body is a part of yourself as surely as it were you that had physically received the blows. The attackers are a part of you as surely as if you were physically involved for you added power if you were not in fact calling for the cleansing Light. You are not a bystander.....you are the involved.

Consider this as you look upon the violence that erupts and take steps to correct it in the greatest weapon of all, the great Light which is Love. BUT you must first cleanse and control self, ere your hand can stay another. It is the Law. Do not cry out for mercy.....render it. If you would truly taste peace.....project it.

We can only call ourselves Christians when we measure out brothers from the heart in Love. We can project the Christ Light only in Love. Thus it is that we must erase from our minds those projections of thoughts concerning violent action and build a barrier of Light against inroads of others who contain only fury of one kind or another. This is the recipe for beginning the movement for Peace.

Present season should refresh the memory of violence long ago and the schemers who have been present in every age. It is not hopeless to view them in thoughts that would stay them and perhaps bring illumination. It is a challenge worthy of your mantle.....! If you desire peace on earth, you must then apply it's principles.

# DRUGS ARE DESTROYING THE GAY COMMUNITY!

What Boris to Rocky, Cassius was to Caesar, and Wellington was to Napoleon, drugs are getting to be to the gay liberation movement all across the nation, but never so clear as here in San Francisco. There has never been a more subtle, nor more effective way of crippling any movement that depended on a mass of people for its existence. Drugs have made such a tremendous anti-gay lib movement weapon, everyone is certain it must be wielded by "the enemy." Just as some blacks are sure that their people are being "strung out" by white supremacists. Just as some chicano people are sure that their people are being duped into using hard stuff by the Anglo movement, KKK etc, or just "them."

Government sources say that it is the communists who are supplying large amounts of drugs in the various movements in order to cripple or destroy them. Be it the mafia, commies or whatever, it is being done in the gay community of San Francisco and in a very big way, and the funky rich bitch Mayor could care less for should Gay Lib go down the drain it will be to her precious advantage as she represents the slumlord interests, the real ruling class of the City of SF. Drugs are not weapons that are pointed at you and used. Drugs are being used by members of the gay community as a cop-out from facing the realities of life, shame and an inner-non-acceptance of their homosexuality, just as the drunken alcoholic does. When you are flying high on drugs you don't give a damn about repression, poverty, futility and frustration...just worry about how to get the next "hit", "snort" or "drop."

Once the decision has been made to become a slave to drugs and the "enemy," then you cease to be a positive force. From there you progress to being a negative force (in your personal and business life as well.) One drug dealer loose in the gay community can be far more effective than a 100 Anita Bryants or 200 Jerry Falwells. As long as gays are loaded they are no real problem, for they begin to attack other gays physically, to steal, rob their best friends, and even kill. This is the perfect way to destroy gay liberation, i.e. freedom in San Francisco and that is why Mayor Dianne and Chief Murphy won't do a damn thing about the drugs use and traffick in the gay community.

Now, never more clearly, can we see that the gay community has to clean up its own act before we can move forward, for we are falling backwards now. We don't really have time to be watching out for people too

## cocaine is a coffin

The most potent stimulant of natural origin, cocaine is extracted from the leaves of the coca plant (*Erythroxylon coca*), which has been cultivated in the Andean highlands of South America since prehistoric times. The leaves of the plant are chewed in the region for refreshment and relief from fatigue, much as North Americans once chewed tobacco.

Pure cocaine, the principal psychoactive ingredient, was first isolated in the 1880's. It was used as an anesthetic in eye surgery for which no previously known drug had been suitable; it became particularly useful in surgery of the nose and throat because of its ability to constrict blood vessels and thus limit bleeding. Although many of its therapeutic applications are now obsolete, the legal use of cocaine in the United States has in recent years been increased by the introduction of a morphine-cocaine elixir designed to relieve the suffering associated with terminal illness. In England, where this mixture was developed at the Brompton Chest Hospital, the use of cocaine in treatment of the terminally ill was largely abandoned after it was

determined that it contributed to disquieting hallucinations and nightmares.

Illicit cocaine is distributed as a white crystalline powder, often adulterated to about half its volume by a variety of other ingredients, the most common of which are sugars such as lactose, inositol, mannitol, and local anesthetics such as lidocaine. Since the cost of illicit cocaine is high, there is a tendency to adulterate the product at each level of distribution. The drug is most commonly administered by being "snorted" through the nasal passages. Symptoms of repeated use in this manner may resemble the congested nose of a common cold. Less commonly, for heightened effect, the drug is injected directly into the bloodstream. Unlike such drugs as LSD and heroin, cocaine is popularly accepted as a recreational drug, facilitating social interaction. It is erroneously reputed to be relatively safe from undesirable side effects. Because of the intensity of its pleasurable effects, cocaine has the potential for extraordinary psychic dependency, which is all the more deceptive in view of its reputation as the recreational drug of choice.

Recurrent users may resort to larger doses at shorter intervals until their lives are largely committed to their habituation. Anxiety, restlessness, and extreme irritability may indicate the onset of a toxic psychosis similar to paranoid schizophrenia. Tactile hallucinations so afflict some chronic users that they injure themselves in attempting to remove imaginary insects from under the skin. Others are persecuted by the fear of being watched and followed. Excessive doses of cocaine may cause seizures and death from respiratory failure.

## speed creates thieves + killers

Amphetamine, dextroamphetamine, and methamphetamine are so similar in the effects they induce that they can be differentiated from one another only by laboratory analysis. Amphetamine was first used clinically in the mid-1930's to treat narcolepsy, a rare disorder resulting in an uncontrollable desire for sleep. After the introduction of the amphetamines into medical practice, the number of conditions for which they were prescribed multiplied as did the quantities made available. They were sold without prescription for a time in inhalers and other over-the-counter preparations. Abuse of the inhalers became popular among teenagers and prisoners. Housewives, students, and truck drivers were among those who used amphetamines orally in excessive amounts, and "speed freaks," who injected them, won notoriety in the drug culture for their bizarre and often violent behavior. Whereas a prescribed dose is between 2.5 and

The medical facts about the various drugs mentioned herein came from the "Drug Enforcement" Manuel on Drug Abuse, July 1979, prepared by The U.S. Justice Department, Drug Enforcement Administration. Both pages 8 & 9 are aimed at educating the reader to the very real facts, that drugs are very deadly, chemical abuse such as found on 8 & 9 are very real. So many fine people die because of drugs, lose jobs, friends, homes and all because of a lousy "trip" "high".... is death, worth this trip? ## 1 out of 4 S.F. Gays using addictive DRUGS

The "Anything Goes/If It Feels Good, Do it!" syndrome which has become the byword of the ghettoized homosexual lifestyle in San Francisco, has gone far beyond just sexual acts. Freedom from oppression because of one's sexual orientation is what gay liberation was supposed to be all about. But in San Francisco, where it appears that "gay power" is stronger than the law, drug trafficking with the homosexual bar-bath-private club scenes seems to flourish and with little or no opposition from the so-called gay leaders. Most of the so-called gay religious groups set on their mouths and speak platitudes of sweetness and love but nothing of the mortal dangers which abound in the gay communities of the Castro, Haight, Polk, Tenderloin, Valencia Valley and Folsom areas.

Oh yes, you have the groups who speak out on "gays being beat up" and such, but nothing about the defacto-murderers who sell drugs. Why is this? A seven week survey of the gay bars, baths, and private clubs, by an independent body looking into the transfer and use of drugs within the gay communities have shown that an overwhelming amount of the persons who use the drugs are the owners of a business, so it is obvious that this person would not be likely to do anything to halt drug use in their places either, let alone be concerned about the growing rate of drug addiction.

"Smack" "horse" names by the "big H" Heroin, continue to be used more and more, which means that the big H itself is being used more and more as well. In fact, several very wealthy white gays are known to have "H" parties at each others homes. But it is only a matter of time before "big H" destroys them, their homes, jobs, etc.

There are about 100,000 homosexual residents in the city and the survey showed that one out of every four gaypeople you meet are hooked on some hard drug. This is not an astounding figure, but is really slightly higher than the figure for the total population, and just about as high as the rate of addiction amongst ghettoized blacks and chicanos.

It is really no small wonder that the rate is not much much higher, since the homosexual lifestyle revolves around the bars, baths (i.e. the sex industry.)

In 1978 Helping Hands Services produced a booklet no longer available on drug addiction in the gay communities and the booklet was condemned at the time by several of your known gay leaders and other publishers. But now, the figure quoted in that booklet and the predictions have all come true and more so.

Is legislation the answer? Not really. For there are more than enough laws on the books, but unfortunately there are not enough law enforcement people to enforce the anti-drug laws and seemingly little interest on the part of the SFPD to even do so, as they chase after the mysterious suppliers. Chief Con Murphy rejected the CRUSADER's plan for a Citizens Advisory Council on Drug Abuse. Ditto the Office of the Mayor. After all, drugs do create crime and crime is what create police positions, as well as the need for the Mayor's Office on Criminal Justice.

A survey of the existing drug abuse "treatment" programs in the City of San Francisco show that ALL of them wish to liberalize the drug laws even more. They want to legalize just about every drug going, as they seem to feel that you can control the problem this way. That's the same as saying well, let's end the death penalty as we can control things better this way.... but ending the death penalty didn't end killings, and ending drug law enforcement is not going to cure drug addiction or slow it down, only increase it for a fact.

Drug abuse within the homosexual communities will continue to flourish, as will the violence that goes with it....the killings, the fights, the assaults, the robberies, the rip-offs, yes, this is evidently what the gay community wants, and in particular it's silent gay leadership, for "if it feels good, it," has become a very sad way of life.

The gay communities do not want and will never self-impose a standard of right and wrong. It will obviously get so bad, that "outsiders" will do it for us. But hasn't this been the way of so many groups over the years. Self control is a beautiful thing, but not when it gets in the way of the profits of not only the "pushermens/womens" but also the businesses which profit off the misery of those so damn dumb they don't know what's going on. Drugs are NOT beneficial in any way! Period! And the guy who got you hooked on it is an ass! And you if you are a suer, are an ass for letting him or her talk/ you into becoming a user of any hard drug! You are a dumb fool, or worse, a "Renée-idiot" for using drugs. The punk who gave or sold that stuff to you is your worst enemy, believe that!

The only ones who really "get a high" off of drugs are the ones who reap in the money that you were Renée-idiot enough to give out with. The dollar can get someone real high, oh yea!

Take control of your life, of your mind, and drug addiction now!

Democracy was brought about into being with much bloodshed and much travail and now that we have it, it is abused and pulled all out of shape. It came about as a result of the "haves" abusing the "have-nots" and laws were established to protect the "have-nots." And the "haves" have continually assaulted those laws, taking more and more unto themselves with scant regard of the health or well-being of the "have-nots."

In San Francisco, the filthy rich Mayor Feinstein vetoed a law which would have given a pathetic amount of protection to the "have-nots" but not that it gave too little protection, but that the she-devil-like Mayor didn't want any protection for the have-nots....after all, she has "hers" and obviously she wants more, being an "inn-keeper!"

But what has this to do with union? It's the same story, but in this case it is the "haves" of the homosexual society who don't want the "have-nots" to even have a decent wage to pay the rip-off rents that the wealthy gay and straight landlords demand and get! That is why in a most historic act, July 7th will be the date of an election to protect the employees of the Church Street Station, which will surely spread to the "P.S. and to a couple of other large homosexual employers in the near future. The bitterness that brought about the union-vote at the 2100 Market location was of no surprise to those close observers who have watched the owners wheel and deal as they pleased with the lives of their employees. Not that unions are the cure to any of the real problems which a "gay" employee faces, but it is the only weapon that the gay employee has to keep the "haves" from going just to damn far in their hiring and firing policies as well as in allowing working conditions to go to hell.

The SFTG (San Francisco Tavern Guild) is NOT a union and has really never looked out for the health and welfare of the employees. It is a body of gay bar and restaurant owners and management! who allow employees to be members, but should the employees ever have tried to really do anything to keep employers from abusing employees the owners would have ended the whole "democratic" process. But when an employee holds office in the SFTG you can be sure that he or she will be doing the bidding of the "haves" and not the "have-nots." So to those of you new to the Bay Area, forget the SFTG as a body to protect the rights of employee-members.

Local 2, the dragon in the SFTG's live is not a good union to say the least, but as conditions at the Church Street Station could never be as bad as a union house, the employees have to take protective refuge with Local 2. Local 2 looks like heaven compared to the current conditions at the popular all-night gay cafe which used to be the Truck Stop. That was when Bill McWilliams the founder of the real Boot Camp, Billy's Club, the City Dump, and a couple of other gay bars was the owner. Bill was also one of the co-founders of the GGBA. The Truck Stop with the help of the GLA (Gay Liberation Alliance) fought Local 2 and forced them out of the business after McWilliams had bought it.

Before he bought it, it was Burkes a straight all-night cafe. But it was Bill McWilliams and his manager Elmer Wilhelm with the GLA that sent Local 2 packing. But the working conditions under McWilliams was far better than they are today according to many. Then McWilliams sold the place to the old "P.S. crowd who sold it to the current owners.

What some "haves" cannot understand is that unions like revolution sometimes are necessary to put things into their proper perspective and to waken people to the injustices going on.

If the employees of the Church Street Station are wise, they will vote YES for a union which will give them some protection which is better than no protection which is what they have now at the Station. **UNIONS WILL NOT OR SHOULD NOT BRING HIGHER FOOD COST**....for instance, if you go into the tacky Zims all-night cafes you will find the prices are about the same as the Church Street Station. And the all nite Pam Pam and Yum Yum have great food at the same price and they are union houses. So if the Station goes union and they raise the price, just trip on over to the Pam Pam or Yum Yum both on Geary. **LOCAL 2 is better than no union at all. July 7th, vote YES!**

### REVIEW:

"JOCK STRAP" starring Jim King, Nick Rodgers, Dan Pace, Neil Wade and a host of the lustiest studs ever assembled in a box!

The extremely handsome and very well-endowed and very sexy JIM KING is about to have his beautiful appendage examined closely by an associate who is near-sighted. A work of art indeed. Not porno!

"JOCK STRAP!" now at the Nob Hill Cinema from the opening scene when the stunningly handsome Jim King daydreams one of the wildest sexual encounters yet seen on a silver screen to the end after the laundromat closes, you are never left alone with your thoughts, for Jim King is ever on your mind. He has one of the most perfect bodies yet put on film. In the pic above he and his sexual encounter are doing "it" on a mirror floor, complete with mirrored walls and ceilings. The sex act between them could never in a million years be considered anything but an act of art. It was incredible. The smooth muscled and well defined lines of King's body makes leaving the theatre seem almost an act of indecency.

And to date the act of oral/anal sexual contact hasn't been on the big screen but here it is and it seems so erotic that one madly wishes to try it, with Jim King of course.

The scenes in the laundromat, unbelievable to say the least make this film one you had damn well not miss or you'll hate yourself forever!

"DRUGS ARE DESTROYING THE GAY COMMUNITY....."

.....wiped out to watch out for themselves. America is as open to change as is any other nation. We've got repression and we've got wrongs, but we've also got alot of working room. We've got alot to do and we'll need alot of people to get it done. We need all the clear-headed, fast-thinking people we can get. We need people that know what they are doing, and believe in their reasons for doing it. We don't need people that are willing to follow blindly after anyone with a good set of vocal cords. We need people who have got their head together enough to think for themselves. We don't need people that constantly need someone else telling them what to do and how to get it done. We don't need people who have traded mama's security for drugs and can't fuction without them.

We need our people and to many are copping out on us, pulling themselves into the security of dope-haze and adding their weight to the mountain we have to move. Unless we do something drastic and quickly, then "CBS Reports" will continue to do reports such as they have done on the gay community....drugs are holding gay lib up to ridicule and unto destruction. We must move fast on the elimination of the drug freaks and the drug dealer or else these tools of Mayor Feinstein and the wealthy landlords may soon succeed in uniting all our separate movements .....into one incredible bowel movement. It is time to re-unite gay liberation without all the crap of the "other" "isms" and build once again into a meaningful force that will deal harshly and effectively with oppression by Mayor Feinstein's forces of repression, i.e., the landlords, as well as with the rip-off gay business people, and to isolate the feminist elements which are negative and argumentive and were created only to destroy by division the gay liberation movement. The gay liberation movement is becoming a one huge bowel movement, thanks to the feminists, Harry Britt, Rivaldo, Maley, Bob Ross, Paul Lorch, Konstantin Berlandt, the CUAV sissies, and the other ilk. Perhaps is gay lib had a big bowel movement those divisive characters and their supporters will go into the cesspool of eternity where they belong and our people can be free once again! Gay Power is Gay Individuality!

FULL LIQUOR BAR FOR THOSE OVER 21

the **MOCKINGBIRD**

This is a purely camp/gossip column about people, places and things, rumor-a-queens!

...Geez, 8 years of the CRUSADER! It all began as an innocent paper as a part of the first gay parade and now eight years later we are a bi-weekly publication...must to the happiness of the people who appreciate truth, love, and of course high-camp! This paper has tried in the past 8 years to be an effective crusader for individual rights and shall continue on as long as God sees a need for us! And we surely do appreciate all of you loyal readers and supporters for you make it all worthwhile! Love you each and everyone!

...Onto the field of high camp and gossip and full truth of course.

...Seems that Mr. Comeau wants his own paper...he was with one ill-fated paper that folded and now he wants his own...gotta say that we can't wish you too well tho! Don't think you have a snoball's chance in hell!

...ANDREW BETTANCOURT...shame on you for fibbing about Mrs. Taylor to the editor...don't you know he can always back you into a corner. And oh yes, why don't you tell your "friend" TIM MOYNIHAN now that he has a legitimate job in the Registrar of Voters Office to buy himself a motorhome...as he moves so often and this way he can move from district to district looking for another fairy queen to back for stupidvisor. Is it true about you and Tim??

...And while on the subject of Republicans...that zingaling KEVIN WASTE-WORTH a carpetbagging queen from Florida or somewhere back there...has announced he is a candidate (again?) for office...this time for College Board. Peachy, real peachy! And to think he has just chosen to get into a battle with TERENCE FAULKNER of the Republican County Central Committee...he is going to get his ass whipped good.... for TERRY has been around for a long time and knows the ins and outs of the political life Republican style. It is a really bizarre trip. KEVIE ole queen... didn't anyone ever tell you that when you run for office you are supposed to MAKE friends politically...NOT create them??? Grief! ZINGIE!!!!

...Don't forget...the Haight Ashbury comes alive in mid-july with the revival of the BLACK SWAN COURT as the Empress Cristal celebrate her umpteenth birthday and will have a full court at the affair....it will be THE event of this year and you had best believe that ALL of the candidates for emperor or empress who ever want to be elected will best get their dead asses out there on that day and night or they will never get to be empress or emper...CRISTAL still has the power!

...DAVID STOLL for MR. COWBOY!

...BOB BUSH for Mr. South of Market

...TONY is no longer at the ARENA but is at the ENDUP! Verry gay!

BOB BUSH, candidate for Mr. South of Market Man...sponsored by the ARENA. A DRUMMER Contest!

...That phone freak DAVE or cowgirl tim is in trouble with the law.

...The news is out.... JIM MILLER is no longer at the handball ex. He is now at the all new WAREHOUSE.... 224 Sixth Street (formerly the Gloryhole Ballroom!) He and Plantation Patty have a thing going! Verry gay! Now the Empress Tess can have her JOHN PAUL go next door and see JIM MILLER for he do know all about FF!

...FRED SKAW is now at the NEW BELL! A very nice guy!

...KELLY the other half of MAI TY is now working at the Pleasure Palace! Verry gay!

...What Tebderloin bar owner is so desperate for biz that he goes into other people very packed bars handing out chips for a free drink at his place??? Fore thang! He still can't get them to come in...even with free drinks!!

...One place that'll never need free drink chips is the NOTHING SPECIAL! Still the hottest bar in the whole Castro!

...Mark BUBBLES Brown has announced that he will NOT be a candidate for empress next year. And according to TESS, that guy PUSHY PHYLLIS isn't either....so the only ones RUMORED to be running are ANA-TASHIA "REMY" who?.....MAI TY and hmmm! That's about it!

...LENNY MOLLET! Your meal the other day with your dear EDWARD in the kitchen was yuk and I told you very nice lady waitress so...also, tell him to keep his hands off the dogs (4 footed kind) when in the kitch! Your omelets leave so much to be desired....so very much that we'll not come back until your people can at least cook a potato all the way through...raw pots and eggs are NOT good alongwith cold toast!

The very hard bodied and so handsome JIM KING, star of "THE JOCKSTRAP" now at the NOB HILL CINEMA, gets his "thang" examined again! I'll volunteer.

Pinball! Pool! Dancing!  
Warmth & Elegance!

## the MOCKINGBIRD

This is a purely camp/gossip column about people, places and things, rumor-ala-queens!

...Haveya met STEVE??? the new bartender at LE DISQUE??? He is so hot! (at least according to the Hongry Hanna FAYE ROY)! STEVE is but 23...blonde blue eyes, stands about 5'9"...well built and well-hung (according to FAYE ROY again!). He hails from Kalamazoo, Michigan (would ya believe!) He formerly had a short stint at the infamous "hobnob" (they refuse this paper in that bistro!) And he was RESCUED from that place and is now safely with real humans at the LE DISQUE. He lives in the Tenderloin...sez he doesn't like it (shame on you!) and wants to move into the Haight! Hmmm! Seems to me that CRISTAL has a spare closet ready!

...A revival for an "all nighter" in the Tenderloin? Time will tell!

...CORKY is doing a bit of relief at the LANDMARK and is behind the bar at the RAILWAY EXPRESS! The delightful JON JON is doing the early mornings there now!

...Don't forget...the HEART AWARD Nite of EMPRESS TESSIE is on the 1st day of July at 8:30 PM at the very beautiful MUSIC HALL, 931 Larkin Street. It's a first and TESSIE wants it to be a biggie too!

...Grand Duke Regent RICK had a fundraiser for the Council of Grand Dukes and Duchesses and only 3 of the Members of the Council showed up...where the hell were you LEE RAYMOND? DON BAKER? H.L. PERRY? DAISY? CONNIE? and

dear old mouthie LENNY MOLLET? KORA who?...and you WILL be remembered for your BIG FAILURE to support your own Council. What a bunch of asses!

...Oh yes, in spite of the FAILURES to show, the fundraiser, a dinner still raised \$105.00 withOUT the biggies! Thank you RICK for your hard hard work.

...Oh yes, the Review Board for the candidates for Grand Duke and Duchess 1980-81 will be on July 20th at 1PM...contact Grand Duke Regent RICK for details and applications. His phone is...566-4643. So all you candidates for Grand Duke or Grand Duchess get on the ball quick. This years contest will be the biggest in the history of the event and promises to be the most colorful too!

...And rumored candidates for the Grand Duke are...hmmm! Can't see any on the horizon yet. And for Grand Duchess there is MAE and LADY ED (no relation to MR. ED the horse!) Others are coming (they wish!)

...JAY LEVINE called the other day...are you ready for that? "Hi, JAY!"

...CARL CAMPBELL of SF LITHO has a new "boy" printer. CARL is going on vacation...heaven knows the staff needs one from him...right TONY?

...LENNY LYNN a candidate for MISS COWGIRL with two lesbos! "Hi RANDY JOHNSON!"

**"Ray, Happy tar and feathers, on your 100th Issue!"**

**KIMO'S**

Polk & Pine  
885-4535

...MICHAEL of the SOUND OF MUSIC is making his headquarters afterhours at the HEADQUARTERS, South of Market with such sexy men like GARY, DAN, CHRIS, and a cast of thousands more, but he always goes home to SHAHARI...isn't that domestic!!

...Guess what Tenderloin bartender got a GOLD necklace with a GOLD heart?

...On Taylor Street recently in the early morning a tour bus stopped and call MICHAEL (Sound of Music over) and the driver asked him when the "action began" on the street...and then MICHAEL was invited to get into the bus and drive around with the whole gang on the tour and the man/driver asked MICHAEL about earning \$50 and MICHAEL told him he was always interested in making money and after a tour which ended on Eight Street MICHAEL did earn some money. Those "tours" can be very rewarding, particularly the drivers!

...FREON a band/punko and the EMPLOYEES were at the SOUND OF MUSIC recently and the hunky dudes in the band were nearly "raped" by the trashy queens. Heaven!!!!!!

...Rumors have it that a lawsuit is coming against a Tenderloin bar on O'Farrel Street because of discrimination against a REAL woman! Oh dear me!

...Have you been to EVERETT'S (The VILLAGE) place up on RUSSIAN RIVER? It is nice. The RUSSIAN RIVER "VILLAGE" has that bit of "San Francisco" that makes it so nice.

...Things have been quiet in SF lately...E. LEE CLIFTON has been OUT of town!!!!!!

...AD RATES IN THE CRUSADER ARE THE LOWEST IN TOWN! TRY US! WE ARE NUMBER 1...IN THE ECONOMY AND QUALITY AD RATE DEPARTMENT!

...VICTOR of LE SALON warehouse will not tell us the name of that hot humpy number whose pic we ran on the cover last issue...nor will he give us a frontal! How departed!!!!!! That is "prick teasing" with a capital P!

...Who is the gay cop on the SFPD just coming out of the Police Academy who has his name in a San Diego fag rag recently??? We know and we will print it the next issue!

...GERRY PARKER III, of STONEWALL DEMO CLUB sez that he and WF are NOT going steady even unsteady or even "going" let alone get "married." Pore thangs!!!!!!

...But his counterpart over at the CDC North! Now, let's see where that video tape recorder is at!!! Maybe we can get some action shots in time for the next issue!

...By the way...dear ole PRISSY ALEXbleep is still "crusading" for her equal rights...all the other women had them sons ago.

...Some porno loving queens were thinking about doing a demonstration at one of the feminist bookstores protesting their refusal to sell books with nude men in them...that IS very discriminatory and SHALL be delt with! Hear that Ms. AMY J!!!!????

...Well, speaking of ole AMY J of the Gay Freedom Day Parade Committee...seems she did a flip flop on the "no speaker" issue and is seldom ever around when REAL work is to be done...but the same went for ALL of the RAD MOUTHS who came to scream and rant and rave and disrupt at that meeting in which the BR publication BAR seemed to praise and rave and disrupt at that meeting in which the LABOR and really hard such disruptive and destructive acts...are NOT around when the LABOR and really hard needs to be done...and the dear sweet chile from Los Angeles ROBIN Tyler is not around now that she didn't get asked to speak...pore thangs!!! And the HARRY BRITTERS are "pissassed" off now that there will be speakers (4 of em, limited to 3 minutes each) and his precious Robin was one of them, and to top it off, his other one that he and the HANK WILSON crowd was pushing...TOM Asomethingortheother wasn't asked either. Instead ANNE KRONENBERG will be one of the speakers adnthe BRITTERS don't like her at all! Wonder how the BRITTERS will do in acitywide election of Supes????

...PEARL called BRUCE THE MOUTH TRANSISTOR the other day! Who??? PEARL!!!!

...CHUCK of LE SALON...you were what? I DON'T believe it!! But don't you dare show me either! THAT PICTURE WAS ENOUGH!!!!!!

...A new employee at the LOCKER ROOM, BRET is a fine southern boy from Nashville. SEAN is no longer there, he went away for awhile we guess; and dear MITCH quit, and they have hired another deer chile...RANDY formerly of the BULLDOG BATHS cafe!

...JOSEPH WHITE is back in the saddle again. Seems some nasty waiter smacked him in the jaw...breaking it...at ZIMS. An on-duty waiter???..hitting someone?? My my, what a juicy lawsuit that will be!!!!

...VERNE ALLEN...behaveyourself! All those guys there...JOHN, KIM and DANNY!

What a festive looking birthday cake at KIMO'S birthday part...there are so many candles on it, it looks like a forest fire! Dear Kimo must be getting to be about 3...

## the MOCKINGBIRD

This is a purely camp/gossip column about people, places and things, rumor-ala-queens!

....DAVID STOLL one of the many starbartenders at the NEW BELLE SALOON on Polkstrasse is a candidate for Mr. Cowboy SF, and the voting will be held on July 11/Friday at the Polk Gulch Saloon/Polk & Post, the home of the current Mr. Cowboy, HARRY GARDNER! It should be a gala event and DAVID (Stella) is a big favorite with the widest range of supporters any candidate for any of the gay bar contests has ever had.

....The 2nd Anniversary Party of the SOUND OF MUSIC will be on Monday June 30th at the SofM and begins at 8 PM with a buffet, show and many surprises. BIG JOE PARKER will present his Review and BILL WHITE will be the Emcee for the gala event.

....Oh yes, you early barcruisers the SOUND OF MUSIC now opens at 4 in the afternoon. WAYNE (Vain) has gone over to the FRISCO? Just a rumor!

...."If you don't want no sugar,.... don't play in the bowl!" Thus saith PEARLIE MAE of the TRAPP fame. He's a customer! Oh yes, he also hands a hand at the LANDMARK, the PETER PAN, GINGERS, and heaven knows where else he hunts. He says that he is NOT related to PEARL of Polk the outrageous dancing feline favorite who whirls and twirls almost daily in front of KIMOS! No extra charge for his shows!

....RICK is no longer at the fabulous LE DISQUE!! He went to his mother's funeral.

....PAUL is no longer at KIMOS, he went to his mother's name changing.

....KEN JOE is no longer at the SF COCKRING (ooooops, I used the word...augh!) He went to see GIL Pena!

....DAVID is now at the LANDMAK no longer at the COOKERY and he seems to like working behind the bar. He has some fans already. DAVID likes men who are over 35; employed; loves affection; must be a moderate drinker (that leaves Fenchy out); have a car; very generous; and is not married to either male or female! These latter facts presented by PEARLIE!

....JULY 1st is the date of the 1st Annual TESSIE'S HEART AWARDS to be held at the MUSIC HALL, 931 Larkin Street....all of Empress Tessie's friends and neighbors are expected to be there. If you haven't been to the MUSIC HALL before, get ready for a real surprise for it is a real palace of disco dance!

....Oh yes....in the last issue of the Mockingbird, we said that some changes....would be made at KIMOS....well, believe you me they are!

....The TWO TURTLES are doing a nice biz on O'Farrell Street. They've been pitching for the early riser biz.

....The MARATHON BALLROOM at 709 Larkin is having a Tea-Dance after the Gay Parade....it will be free admittance too!

....Don't forget to pitch for BOB BUSH for MR. SOUTH OF MARKET! Ahandsome lad and he is now "unhitched" so we hear....and he is sponsored by the ARENA! JERRY STRICKLAND is coming soon!

## elect DAVID STOLL Mr. COWBOY

....STEPHEN CRUZ met and conquered one Huntville Alabama STEVE and I lost! 9 "!!

....JIMMY the slender blonde brother of the fabulous KEVIN has been seen with the fabulous KENJOE!

....Ole "Butterfly Buns" JOHN one of the many assistant managers at the MARATHON is doing very well....right RALPH DEMING???

....Oh yes, DT????!! Please take care of your own "internal problems" and keep the dingies off of me darlink!!! OK? Thank ya!

....KEITH PARKER of the divine NORTH BEACH JOE'S Bar & Grill sez that 63 people took advantage of that \$2 discount ad from the last issue....greasat! We have another this issue, it's on page 5!

....Oh yes....the East Bay Gay Day thing was a big ZERO! Thanks to the dizzy feminist and lesbians! They always manage to ruin every--- thing!

....Don't forget to see THE porno movie of all time, "THE JOCKSTRAP" at the NOB HILL, 729 Bush....that JIM KING is the hot man of the century (not the theatre, thank you!) Oh yes, that film is THE film to see!

....Well, that brings us to the end of this 8th Anniversary Issue....see the pics on 19 and we'll see you next month kiddies! It has been a great eight years....thanks to all of YOU!

The two above pictures are from the fabulous birthday party for KIMO given by the equally fabulous CRAIG (Just Friends) and friends of KIMO! It was divine!
