INTRA-REPUBLICAN SQUABBLE GROWS

Attorney Carlos Ernesto Duque, who represents the longtime Republican activist, Terence Faulkner, has sent gay Republican, Kevin Wadsworth, a letter that almost says, either you shut up or put up. Wadsworth, backed by the "Nelson faction" of the GOP here, made some wild charges that amounted to criminals act according to Faulkner's lawyer. Duque says, "...you accused my client of a crime ("influence peddling") and further threatened adverse action if he fails to comply with your demand that he resign his elective position on the County Central Committee: to wit, 1) the institution of legal action; 2) submission of your baseless charges to the Administration of the Lincoln Law School, where my client is currently engaged in the study of law; 3) registration of a formal complaint with the Ethics Committee of the State Bar Association. The allegation of influence peddling is patently baseless and constitutes actionable libel. Further the threat of adverse action as detailed above in the event my client fails to comply with your demand for his resignation is in and of itself criminal conduct in violation of California Penal Code ss518, 519 (Extortion), 71 (Threatening Public Officers), and 148 (Obstruction of a Public Officer in Discharge of His Duties)."

Wadsworth

The letter continues in greater depth on the charges against the very gay Wadsworth, and obviously the newcomer to San Francisco is going to learn alot about San Francisco politics.....the very hard way it seems!

BOSTON GAY MURDERS
UNRELATED CRIMES? OR ASSASSINATIONS
by the FAG RAG COLLECTIVE

Raymond Kindred, Leonard Riendeau, Charles Kimball --- 3 gay men murdered in the City of Boston in less than 3 weeks time. Ten years ago, many straight people did not even understand that gay men face a systematic oppression and live under the constant threat of murder by homophobes who are certain they can get away with it.

Earlier this year, thousands of gay men in demonstrations all across the country protested the anti-gay movie "Cruising." We protested that greedy promoters would advertise for murder for profit. We were told it's just a movie. Yet Kindred, Riendeau, and Kimball all died in ways promoted by the same climate of gay-baiting so pervasive in our culture today.

Recent events in America and Boston indicate escalating violence by right-wing forces. The KKK and Nazis, with police collaboration, executed 5 in North Carolina. Factions within the KKK have pledged to execute all gays (homosexuals). Growing right-wing groups like Moral Majority have launched well financed political campaigns against gay people.

Here in Boston, forces of repression are on the move. Recently local police have seized and banned two controversial films at the urging of groups similar to Morality in Media.

The murder of Charles Kimball late Saturday night raises scary questions. Was it just a coincidence that Kimball was shot to death in the cruising area at the Fenway just hours after the June 21st Gay Day March & Rally? It was unusual that a gun was used in the murder. Previous assaults in that area have used other means of violence and intimidation. Could it be that Kimball's murder was a calculated execution of a gay man on a Gay Day?

In all 3 murders, robbery has been ruled out as a motive. The murders of Kindred and Riendeau also imply deliberate executions. Kindred was found tied to a bed, a bag over his head, strangled to death. Riendeau was stabbed 15 times and left to die in a pool of blood.

In our community, we face enormous contradictions. After Lenny Riendeau was slain, a close friend of his came to the office of the Gay Community News (GCN) and threatened to sue in that newspaper in any way indicated that Riendeau was gay. Police now ask gay informants to come forward with whatever information we may have about these murders. Yet gay men who may have helpful information are understandably apprehensive. We appreciate and sympathize with their situation. The attitude of police and other city officials to gay people has always been hostile. When they want something from us, they plead for us to volunteer. When they need some queers to grab for a clean-up, they come and get us. We are expected to have short memories. Gays remain favorite targets for Puritan/Catholic elements in Boston.

Recent police entrapment in the Boston Public Library netted over 30 men. Police then lied in all courtroom proceedings and got away with it. After Kimball's murder, police have increased harassment on the Fenway in the name of "stepping up protection."

Perhaps it is just coincidence, but on the very day that Boston Police were soliciting gays to come forward with information, members of the District Attorney Newman Flanagan's office were in Superior Court to begin prosecution in the last of the notorious "Revere Sex Ring" cases. They sought possible life imprisonment of a man accused of having consensual sex with a teenaged boy.

Is it any wonder gay men are suspicious about volunteering anything to police? FAG RAG has long advocated that, if anything is to be done for our safety and protection, we must do it ourselves. We welcome and encourage the formation of citizen's defense groups, like the one started for the Fenway.

There are important matters raised by the murders of Kindred, Riendeau and Kimball. We cannot simply assume that these were unrelated homicides, as police were quick to state. The mindset of official investigators in all three of these recent murders presumes the victims met their assailants in, or had just left, "a gay bar." The obvious is that the victim in some way assumed that getting murdered was part of the risk of their "gay lifestyle." Police and some gays seem eager to involve toehr gay men as suspects. The idea that murder may be the price of gay promiscuity is relayed to the public to close off speculation. This operates the same way as when we are told by police that other murders are "drug related." We are supposed to tune right out. This is facile, cheap and ignores the growing and organized reactionary forces which

NEW GROUPS FORMED TO COMBAT GAY RIGHTS LAWS.....
To go along with Moral Majority, and Christian Voice, two new east coast groups have formed during the month of June. "Americans Against H.R. 2074" and the "American Family Institute" have begun nationwide campaigns to halt the passage of H.R. 2074 (federal legislation which would ban discrimination against homosexuals). Rev. Fletcher Brothers of the Gates Community Chapel of Rochester New York is heading up "Americans Against H.R. 2074." Fletcher said that, "Passage of bill H.R. 2074 would require gay marriages, and that it could result in the hiring of practicing homosexuals without regard to their job qualifications simply because they are homosexuals."

U.S. Senator Gordon Humphrey (R-NH) has founded the "American Family Institute." He attack President Jimmy Carter saying that, "Carter has assaulted the American family by appointments of such persons as Bella Abzug, and Jean O'Leary to various Presidential Commissions." "Believe it or not the appointments of O'Leary and Abzug are to set family standards!" "O'Leary is simply a homosexual!" "A homosexual will be setting the standards for the American family? Not as long as I have something to say about it!"

REPUBLICAN TURNS FROM DEMOCRATS BECAUSE OF GAYS
A "born-again Republican" is what State Senator Lenn Hannon of Oregon calls himself, after switching from the Democrats to the Republican Party. Hannon said that he switched to the GOP because "the Democrats have adopted a plank barring discrimination against homosexuals." "And that is just another way of saying they are for gay rights and I'm simply not!"

DISTRICT ELECTIONS TO BE ON SPECIAL AUGUST BALLOT.
San Franciscans will have the opportunity to throw out all of the current members of the Board of Supervisors by going to the polls in a special election to be held in August and simply vote, "yes" and so doing, they will oust all the incumbents as all will have to stand for election in November in the regular election and the muddled up system of District Elections will be out the window. As the current system has made it impossible for a latino or an Asian to ever be elected to the Board of Supervisors, great support for the repeal of District Elections has gone out throughout the city. Already the executive board of the Barbary Coast Democratic Club has urged a very strong "yes" vote for the repeal. Salvation at last!

GAY DAY 1980

200,000 homosexuals marched and partied on Sunday June 29th at the Civic Center, San Francisco, to celebrate the 11th anniversary of the Stonewall riots on Christopher Street in New York City. The only speaker at the rally that followed to give words of wisdom was Anne Kronenberg, former aide to the slain Supervisor Harvey Milk, as she cautioned that "the 80's are not going to be easy sailing for us, as there is a most conservative element afoot." She called for the formation of a coalition of lesbians, gaymen, to build a movement in which minorities can become one large majority of sisters and brothers. But the people at the rally could have cared less about Ms. Kronenberg's warnings, as they got high on what-ever, and kissed and hugged and danced and cruised. Yes, it was one big gay Disneyland for a day in San Francisco. Robin Tyler a Los Angeles radical rabble rouser stormed the bandstand with a group of her friends so she could speak, a most fascist act most agreed, and what she had to say wasn't really worth writing about. The Gay Freedom Day Parade Committee's efforts were not all in vain as the turnout indicated. But trouble on the horizon looms, as the clouds of warning gather all about, gays are fighting gays harder than ever and as it continues, the forces of the radical-right wing grow stronger. The exclusionist policies of the gay church, the parade committee, the stonewall coalition, the tavern guild, all are adding up to the utter destruction of gay freedoms in San Francisco.....after all, San Jose was only 40 miles away!

WILLIE KILLS DIMINISHED CAPACITY BILL

Assemblyman Willie Brown, who seems more intent on defending his big time organized crime law-practice customers than on protecting the rights of individuals in California, lobbied strongly in the Assembly Criminal Justice Committee to defeat Senate Bill 2033 by Sen. John Holmdahl which would have abolished the "Twinkies defense" such as used by the assassin Dan White who coldly murdered both Mayor George Moscone and gay Supervisor Harvey Milk with his police service revolver. He got off because his attorney claimed "diminished capacity" due to eating "Twinkies and drinking cola." Sounds insane and is a stupid law, but it is the "darling" law of those criminal lawyers (Willie Brown) who use it to spring their clients.

BREAKS PROMISE TO GAYS AND WIDOW OF MAYOR... Brown by so doing broke a promise made to gays that he would work to end the diminished capacity" plea from the books. This is also a promise he made to the late Mayor's wife, Gina Moscone. This is but another of the many "slaps" the bizarre legislator has given the gay community and city. Brown is being opposed for re-election by Assistant D.A., Tom Cray.

...CONTINUED FROM PAGE 2...SPECIAL FAG RAG REPORT.....

promote an atmosphere that solicits and tolerates our murder.

Kimball had not even been buried before the local Hearst press launched a front-page attack on DEAD gay men, charging gay corpses were getting "special privileges" from pro-gay agencies at City Hall. The Hearst press urged that gays and attacks on gays be ignored by public officials. In so many words, the Hearst press endorses the assassinations of gay people.

We think it likely that gay men are now being targeted for execution, either by individuals or groups of individuals on a personal crusade, or by agents of a larger and well-financed effort to sabotage our liberation struggle by decimating our community.

Orlando Letelier. Karen Silkwood. Arthur McDuffie. Harvey Milk. Vernon Jordan. The Greensboro 5. All these were recent targets of right-wing hit men. The next step of reactionary terror has been taken. Gays are targeted. We do not think that those who are officially investigating these murders are able to acknowledge such a terrible possibility. And if they could, they'd only cover it up.

There is an organized conspiracy against the gay liberation movement. How many more gay men must be assassinated in "unrelated murders" before we know our enemies?

Personal Opinion
by
Ray
BROSHEARS

We ran the press release from the boys back at the Fag Rag Collective for one of many reasons, some of which are most obvious. Surely there is in America today, a backlash which will only grow, against the gay lib movement. Not just because gay lib is gay lib, but because gays have not, and I repeat NOT acted responsibly with the new found freedoms. This is not that all are under this indictment, but the majority of the so-called gay leaders are, the gay business owners are most certainly and the dizzy street queens who under the influence of drugs and or booze shout scream and even fight on the streets, give hets the impression that all homosexuals are that way. This is a time that gays should think of assimilation into society...not setting ourselves apart into ghettos like the Castro etc. If we are to win, and that is a very big and highly doubtful IF (just as we said long before the San Jose/Santa Clara vote was lost), we must live and work with all people, and allow others the rights we demand. Abuse of others simply because you are a faggot or dyke it as Anita would say, "sick!" Let's get it together, before it is too late!

MEMO...

July 9, 1980

All Voters of the 17th Assembly District and the 5th Congressional Districts:

Seldom have we as a group had the opportunity to make our vote felt as strongly as we do this November 1980 election. This portion of our city as represented by the old machine politicians and the tired old labor bosses, has been neglected too long by the people hand-picked by the machine bosses, namely we speak of Willie Brown and John Burton.

These two men represent what is wrong about politics. Willie recently was the driving force to kill the two Senate Bills which would have abolished the Diminished Capacity plea, the one which allowed Dan White to get away with murder. Surely no homosexual could ever imagine voting for Willie Brown after that!

His representing the most notorious of organized crime figures in the city, as their attorney does not set well with those of us who have been victimized by his "clients!" John Burton, the man who is much about nothing. He is drawing a huge salary as a member of Congress, and one who seldom does anything unless pushed at election time and then he becomes "concerned." John Burton has done the people of District 5 wrong, for too long.

Both Brown and Burton have been on the run for too long! Talk is cheap and this is about all these two have. Now, you and I, each of us have the opportunity to return our Districts to the people by electing responsible and sensitive persons to those posts. So, on election day come November, I would most strongly urge you to cast a vote for a "change"....let us send new faces to both Sacramento and Washington and help ourselves by so doing!

P.S.....oh yes, the two to whom I have been referring about sending to Sacramento and Washington are Tom Cray in the 17th and Dennis McQuaid in the 5th.

thanks,

AMERICA FIRST FOR A CHANGE

TOM METZGER

Candidate, 43rd Congressional District of California

Tom Metzger and Family

JOKING!? THE K.K.K.??

KLU KLUX KLAN CHIEF RECEIVES 32,000 CALIFORNIA VOTES! Tom Metzger, of Fallbrook California, ran as an openly avowed member of the KKK pledged to do all he can to end integration in America and to send black people back to Africa and put all homosexuals in prisons and mental hospitals for life (or worse!)

Metzger, is a Democrat...he won the Democratic nomination to oppose the incumbent Republican. And there are some folks down San Diego County way who feel he just may win it all in November. Many Democratic Party bosses are rushing to denounce Metzger but it is obvious that 32,000 people in the 43rd Congressional District agree with the hate programs as outlined by Metzger and the KKK.

What does this mean to the average homosexual? Well, it is the clearest of any handwriting on any wall, that things are changing in America and they are changing fast and for the worse for all gaypeople.

If Metzger does defeat the Republican candidate, it could well signal the beginning of the end of a lot of ways of life in America.

In North Carolina, the KKK candidate for Attorney General received 43 percent of the votes cast, meaning that he came within 7.1% of winning election to one of the highest offices in that state.

Two such stunning election day results should shake the timbers of all people who believe in freedom and equality everywhere....but it hasn't! Here in San Francisco's own homosexual community there abounds those sick creeps who are followers/supporters of the KKK living under the sad impression that they will not "go under" just as long as they "hate all Jews, niggers and catholics!" Well, their day will come too, just as surely as any other gay's day. Now is the time for all to begin thinking about ending the tremendous hate and division in the gay community.

"WHAT'S A 'LAMBDA'?"

After having read a rather dumb letter in another fag rag in the Bay Area, in which the writer, one whom has tossed a few dozen barbs out way, we decided to ask others if they knew what the "lambda" was or what it stood for.

As that letter writer had asked the other fag rag what it stood for and the editor of that rag (anti-unionists) and he not being a real faggot, he could not tell the poor writer nor could any of his co-horts at that bizarre-like fag rag (guess it shows that just maybe they aren't even homosexuals over there!)

So to all you who did not or could not answer about the symbol, here tis!

At one time the lambda was in our masthead at the Crusader and is still the symbol of the GLA (Gay Liberation Alliance); the GVL (Gay Voter's League) and a host of other groups in America. The lambda is better known as the eleventh lower case letter in the Greek alphabet. Originally the letter was a picture symbol for the scales, the symbol of justice. Later the Lambda became more abstract to the resemblance of the scales of justice. It represented a concept of qualities of balance. The Greeks believed that balance was a reconciliation between two opposites and as such was not a stable state, but one needing continuous adjustment.

The ancient Spartans wore the Lambda as a symbol of their unity. Many times it was worn as a logo on their shields as it signified the special balance which they felt must exist between an individual and the State. They believed that the demands of society should never interfere with each person's right to be totally free and independent. Each Spartan recognized that only in a common bond could they hope to preserve their existence as a free and equal people. As the Romans rose to power the Lambda was used by them as they felt it was suggestive as a symbol of "flames" and it was used as the symbol for "lamps" their latin word for "torch." In the '60's when the struggles for gay liberation began in a militant way, and after the Stonewall riots, the Lambda was selected as a gay symbol due to it's famous historical associations. The Lambda symbolizes justice, balance, and the reconciliation of opposites, unity and the relationship of man and his society; freedom and equality and independence of the individual and light. Gay people feel that the Lambda has those qualities that best represent their objectives. As a symbol of freedom for gay people, the lambda has come to represent the "light of knowledge shed into the darkness of ignorance." It promises hope of a new future, with dignity, for gay men and women everywhere. Today the Lambda is recognized as a unique international symbol for gay rights, for sexual liberation, for justice and enlightenment (particularly at the BAR, the SENTINEL, VOICE and in the hearts of people such as Harry Britt, WF, BR, and a host more.) As well, as for a needed balance of acceptance of differences by and within all humanity. Many local businesses have used the symbol in the past as well as the gay groups mentioned above. There are many different Lambda buttons, pins, jewelry of all kinds, belt buckles, t-shirts, for sale here and there, and the east coast homosexuals use the Lambda more than the flighty Frisco faggots would dare do. The Lambda was used on bumperstickers during the Anita Bryant trips here, in which it said, "Boycott Florida Juices!" It is the common consensus that ALL of US should display the Lambda and BE PROUD! (that goes for the people at the BAR too!) So, we hope this explains what the Lambda is all about. And we hope to see more of you REAL homosexual peoples, wear it. We do! rev. ray.

FEINSTEIN CONTINUES PROJECT OF GENOCIDE OF POOR PEOPLES
Mayor Feinstein announced that she is bringing the Mormon-financed, Ramada Inn into the Tenderloin on the site of the burned out Spartan Cinema. Mrs. Feinstein announced that the Ramada Inn people will not have to go through the red tape the ordinary San Francisco must go through to erect a building and that all city agencies have been advised to "cooperate" with the Mormon business. The deal was consummated by Ramada's man in San Francisco, Timothy Tosta, one of those who contributed to the defeat of the rent control measures here. RAMADA INN "WE DON'T HIRE PERVERTS OR DEVIATES!" This is the official policy of the Mormon Church and the Ramada Inn in other cities and from what contact has already been made with Inn officials, there is little reason to believe they will do any changing here in our town. The Mormon Inn will be bounded by Ellis, Mason, Eddy and N. 5th Streets.

Renters Rights

The Tenant/Landlord situation continues to become one of almost continual friction. The facts that we present herein, are presented in an effort to educate the Tenant of their rights and let the Landlord know that they know their rights and infringements upon these rights will be dealt with in a most harsh and legal way.

The LEASE: a written contract for a definite peiod of time, usually six months to a year, between the Landlord and the Tenant.

RENTAL AGREEMENT: this may be written or oral, and usually on a month to month basis.

30 DAY NOTICE: written notice to quit premises 30 days from date the notice is served.

3 DAY NOTICE: a written notice demanding payment of rent (of fulfillment of some other contractual obligation, e.g. regarding the keeping of pets) OR quit the premises. This MUST include precise address and amount of rent due and MUST be served before suit can be brought against the tenant. (Exception to 3-day limit; damage to premises which conceivably would take longer than 3 days to repair.)

UNLAWFUL DETAINER: legal name of the suit a landlord brings to evict a Tenant from the premises.

SUMMONS: a legal notice served upon the Tenant by the Landlord when suit is filed by the Landlord. Also contains all complaints by the Landlord. Tenant has three days to respond.

PETITION: the original pleadings of a law suit by the plaintiff, alleging his claims and the basis for them.

DEMURRER: one possible response to a petition. A demurrer by the defendant indicates his position that even if all facts alleged in the complaint are proven, the complaint still would not constitute a sufficient cause of action.

ANSWER: pleadings by the Tenant in hearing on unlawful detainer.

MOTION TO QUASH: a request to the court to declare the service of the summons invalid for failure to comply with the requirements specified for service.

JUDGEMENT: the court's decision in a case.

DEFALUT (Judgement): if the Tenant fails to respond to the summons the Landlord can obtain a judgement in his favor without having to prove anything.

STAY: an order to stop the execution of a court order or judgement.

WRIT OF POSSESSION: an order commanding the sheriff to enter the land and give possession of it to the person entitled under the judgement.

INJUNCTION: a court order requiring a person to refrain from some action or to take some action. Granted after a hearing with both sides present where there is a showing that no other remedy is available and irreparable harm will result unless the injunction is granted.

TEMPORARY RESTRAINING ORDER (TRO): a short-term injunction granted by the court to restrain the landlord where great or irreparable damage would result to the tenant before the case can be heard in court. Granted with only one party in court.

FORCIBLE ENTRY & DETAINER: "Forcible entry: the breaking open of doors, windows or any other parts of a dwelling or entry by any kind of violence or circumstance of terror. Committed by one who enters any real property by such means or who after entering peaceably turns the tenant out by force, threats or other menacing conduct. "Forcible detainer": the unlawful holding and keeping of any real property by force, or by threats of violence or other menacing conduct; applies whether the property was initially acquired by peaceful means or otherwise.

CLEANING /SECURITY DEPOSITS: the Tenant should always check when moving in. Checklist forms are available. When moving out, Tenant and Landlord should go through the apartment with this list again and note any changes. The Landlord may keep that part of the deposit needed to pay for unpaid rent; to repair damages caused by the Tenant; to clean. THEATRE

MICHAEL O'ROURKE and STEVE COATS star in the Eureka Theatre production of "GOSSIP." photo by Paul Hinemann.

"GOSSIP".....NOT ONE OF EUREKA'S BEST.

The main thing lacking in the current Eureka Theatre production of "Gossip" is the right spirit. An off-the-wall comedy can be staged imaginatively, as it has been done here by Anthony Taccone, and it can have good actors who provide amusing moments, but unless the ensemble catches fire with unified inspiration the end result is simply labored. On opening night, at least, "Gossip" did not soar to any heights of comic buffoonery; it limped along at an erratic pace, getting a laugh here and there, but missing its potential -- which, hopefully the company will achieve when it gets a few more performances under its belt.

PAMELA BROOKS sings for you every Tuesday night, 9-12 at NORTH BEACH JOE'S BAR & GRILL, 2237 Powell St.

Frank Jackson is at North Beach Joe's every Thurs thru Sun from 9 til 1 and Donna Turner with Skip May is there on Mon and Wed from 9 til 12. Nice vibes.

Canadian playwright George Walker has written an outrageous satire, say the program notes, about a world which has abdicated any sense of moral values. Taccone and Bennet Cohen have taken certain liberties with Walker's script -- with the writer's permission, I'm told -- placed the action of the play in San Francisco and invented a Fred La-Crosse-Valerie Coleman type of newscasting team who offer diverting highlights throughout the show. Taccone's use of projections is also very good.

As a columnist who endeavors to solve a society murder, Michael O'Rourke plays the key role perfectly straight, with little comic nuance. Dana Kelly's effeminate homosexual may be offensive to some gay people (the character's repeated announcement, "I'm a faggot!" seems scarcely necessary) and Lorri Holt-LeGrand tries hard to overcome the extreme tenseness of her role (supposedly patterned after Margaret Trudeau) with only partial success. Steve Coats' talents are pretty much wasted in an ill-defined character. Christine Pagano, on the other hand is effective and often quite funny as a female terror called Brigot Nelson. "Gossip" continues at the Eureka Theatre, through July. It is not, I'm sorry to say, one of the Eureka's best efforts.

Dean Goodman

DEAN GOODMAN RE-ELECTED PRESIDENT OF BAY AREA THEATRE CRITICS CIRCLE.....

Dean Goodman, formerly with Hollywood *Drama-Logue* and now the San Francisco representative for *Show Biz West*, has been re-elected as president of the Bay Area Theatre Critics Circle, defeating opponent Charles Brousse of the *Pacific Sun* by a 4/5 majority. Goodman was a founding member of the Circle and served as producer of the yearly awards show at the Herbst Theatre in March of this year.

The new vice-president of the Circle is Marti Keller of the *Berkeley Gazette*. Barbara Bladen of the *San Mateo Times* was re-elected treasurer, and Alan Farley of *K.A.L.W.-FM* continues as recording secretary. New corresponding secretary is Dan Curzon.

The Bay Area Theatre Critics Circle holds monthly business meetings and several seminars, programs and discussion groups during the year in addition to its annual awards ceremony, which recognizes outstanding achievement in theatre arts throughout the entire San Francisco Bay Area.

REVENGE OF THE SPACE PANDAS.....TOO CONFUSED!

The "Revenge of the Space Pandas" now at the Music Hall Theatre (a most lovely theatre) belongs at some of the Bay Area's children's homes. It is not theatre at its best. Confusion reigns supreme among the Pandas!

RAY BROSHEARS

SF CHRONICLE MAKES MORAL JUDGEMENTS ON PLAYS HELD IN GAY OWNED THEATERS!

Theatre "columnist" Elein Stein of the *Chron* wrote a review on July 1st that would have done Anita Bryant very proud. Her review was of the Music Hall Theatre, and not on the play there which she had allegedly gone to see. Such sick and hateful reporting does not do the *CHRON* very proud, but worse this woman who formerly wrote for "BOULEVARDS" a punk/new wave publication...has the nerve to make a judgement upon the sexual habits of the owner of the Music Hall Theatre and on his employees and customers. Reviewers such as Elein Stein belong better with the *CHRISTIAN VOICE* and State Senator H.L. Richardson. Perhaps we should review the private sex life of Ms. Stein and see if it holds up well under the "Crusading Eye!"

LIGHT OF UNDERSTANDING

About the Love of Money

Jesus put it this way: "Watch and be on your guard against avarice of any kind, for a man's life is not made secure by what he owns, even when he has more than he needs.....There was once a rich man, who having had a good harvest from his land, thought to himself....."My soul, you have plenty of good things laid by for many years to come: take things easy, eat, drink, and have a good time." But God said to him, "Fool! This very night the demand will be made for your soul....." (Luke 12:15-20)

And St. Paul warned of the positive danger which riches pose for our spiritual life, our relationship with God.

"People who long to be rich are a prey to temptation; they get trapped into all sorts of foolish and dangerous ambitions which eventually plunge them into ruin and destruction. The love of money is the root of all evils, and there are some who, pursuing it, have wandered away from the faith, and so giveth their souls any number of fatal wounds." (1 Timothy 6:8-10)

It is maddeningly frustrating to be poor when surrounded by wealth and there is no denying the fact that the world's resources are inequitably distributed scandalously.

Poverty is no assurance of holiness: It can breed bitterness, hatred, envy, violence crime of all sorts. Slums are not schools of sanctity. The poor have a right to their share of this world's good and must strive to obtain it. But they must avoid the pitfall of becoming even more avaricious than the rich. They must try to maintain a truly Christian equanimity - and this does not mean sterile resignation or cynical defeatism. It means hiding on for dear life to a wise sense of values.

Fear not when a man grows rich, when the wealth of his house becomes great. "For when he dies, he shall take none of it, his wealth shall not follow him down." "He shall join the circle of his forebears who shall nevermore see light." "Man for all his splendor, if he had not prudence, resembles the beasts that perish." (1 Timothy 6:17-21)

"CALVARY"

by Father Victor Jude

On a cross on Calvary sits a one who is not free to speak or dance or drink like me.

Bar-Abbas stands in place of him, watching, wishing Elohim remove the nails in every limb.

The son, the man, the holy, the good inside the jails; the carpenter should die on wood and pierced by nails.

The man who preached does not breathe well; the men in hades send a shell which holds the voice of earth's farewell, for him whose throne was fair and free from which love led to rough barked tree

---Eli lama sabachthani!!!

In sorrow. Then the sky in pain called out to her through veils of rain the heart, in the world, the Lamb of God was ever slain.

(In the sun God took a chance, he felt the nails, the thorns, the lance, the hate and jealousy, the flesh that couldn't dance.)

LONELINESS....how many times have you been lonely? How many times have you longed to have someone to share your thoughts with? And how many times there was no one there? Your emotions can get the best of you, as you set around, feeling oh so lonely, abandoned by all. Do the tears come to your eyes that seek to do so? Or do you try and keep them in, because crying is not the macho thing to do? Is it any wonder that you are so lonely? Huh? What do I mean by that? Well, I'll tell you just what I mean by that.... and that is, too many today are so busy having a "ball", sex, drugs, booze, etc., and they never really get to know anyone, except someone who wants to take your money, like the bartender, bath house attendant, or sleeze hole operator. They will give you plenty of time and attention as long as you have the bucks, but if you are fresh out of money, they are fresh out of time and attention. This is when loneliness really begins to swallow you up. Lonely is such a forbidden word in society today. The churches will even let you be lonely, telling you that "as long as you have Jesus, you are never alone." That is true, but it is not meeting your immediate needs and the person who told you that is NOT a real Christian. Jesus taught us to care for the elderly, for the young lonely people. Too many times we take each other for granted just as we do the Lord Jesus Christ. Fellowship with one another, that is what Jesus taught the Church to do, but alas, it is not really as it should be. We must ask the Lord Jesus Christ to teach each of us that delicate balance between dependency and being part of one another. Jesus was a lonely person, always in a crowd, but really all alone, and even died on the cross alone. I pray that Jesus will bring His mercy to all who don't care about others and show them that "caring, and sharing," that is what it is all about. Most of all I pray to Jesus to help me to see that one lonely face in the crowd, waiting, afraid to reach out, crying to be touched. Deliver me oh God from the Gospel of the Lonely. Help me to take the ugly inside my heart, just like you did when there was nothing but ugliness in me. Let us care for one another, now! rb

...The HEADQUARTERS has some of the finest food anywhere and their pizza was a recipe from heaven. They are open ALL NIGHT long! Stop and give the man...SKIP a quick peek or two! Too bad your man didn't make it as the "Mr" South of Market...but the guy who won isn't One!

...SOUND OF MUSIC was the scene of a walkout on their anniversary (2nd) and the whole Tenderloin is still awash with all the T! Seems that the SoFM had invited BIG JOE PARKER, BILL WHITE, POO BEAR, and a cast of dozens to perform. But it appears what the owner, Mr SELSO RUPERTO didn't tell them that he had a schedule and that is the way things are, and even if you are his special invited guests you WILL do things his way and the way of his "deejay" TONY.

...Poor SELSO is not OF the Tenderloin and he found out that the TL is one place you DON'T tell a female impersonator how to work an audience or run his (her?) number...and as tempers flared during the evening it was a bit uncomfortable. Then the clash that caused the walkout was when d-j TONY refused to play an encore for BIG JOE even tho the

...JIM KING the star of "JOCK-STRAP" now at the NOB HILL is not, and I repeat NOT going to speak to DON MELEAN of the weeVoice when he comes to the city and he WILL go and spend the evening with the REV. RAY who lives across the street from the very unprofessional movie reviewer MCLEAN! The review he scratched in the weeVoice was evil! But of course...DON wouldn't know a good porn flick from a peekie flick at the LOCKER ROOM where he has been seen nearby!

...What's this biz about JIMMY (the slender blonde) and MARK of the RED & BLACK EYED SALOON? Oh well, if that's what YOU want JIM!

...When ALABAMA STANLEY left town he took the "atin ahead" of a couple of Tenderloin notables!! Tak tak! I wonder if those where "white sheets?"

...MAI TY (TYRONE) is now over on Eddy Street (110) at the DISCOUNT BOOK STORE and porn peeks, with his beloved KELLY! TY does have taste...at least in her men! Dear KELLY, how would you like a nice Tootsie Roll Pop?

...What's the dirt about Ray Rule getting his jollies watching a guy quirm when he and the guy is high???

...Hawaii go go boy now at the LANDMARK SHOWROOM! Hmmm! DAVID, get your mouth off of it!

...KIMO has some big surprises for alot of people soon!

...It's peaceful in the area of Pine & Polk...as CARL CAMPBELL has been out of the city on sabbatical! Is that what he calls it?

...CHEF DIANNE the hot new French cook at the COOKERY does her very best! Enough said! It's delish!!!!

...DT...why did KEN Fredricks turn you down on that trip to Hawaii offer weeks ago???? I know!!!!

...Tis such a shame that you lost such a nice person who is also very nice looking and so very polite too!!!! One queen's loss is another queens gain!!

...What's this biz about BOB HOOK a lad to his apt for a cup of coffee and the kid later revealed that going to bed with BOB H was like going to bed with a bunch of Silly Putty and not half as exciting! The lad said that he do a thing with "it" so he told the MUNT man that, "I don't know about you, but I'm going to sleep when something exciting may come up!"

...The lesson here is...don't go to bed with MUNT drivers, or they'll drive you soft!! Who is BOB?????

people were DEMANDING IT! So all or almost all of the cast, just pulled up and walked OUT the door and DOWN the street to the LANDMARK showroom where they proceeded to celebrate the evening by performing on stage there to a very full house, for many of the people at the Sof M had walked out too, and went down to the LANDMARK...and in particular, the cast of the FRISCO FOLLIES and KNIGHTS IN LEATHER from the PINES showbar. It was a real hot and a night that the TL will not quickly forget. Now, poor SELSO has his side in the manner and his d-j claims that the entertainers (BIG JOE, POOH BEAR etc. "are not professional enough to work on the stage at the Sound of Music," and one employee called those who walked out "childish!" Wow! Tempers have flared and it does appear from one who was not there, and who has heard so many sides to the event from both sides and from customers, that the Sound of Music owes BILL WHITE, BIG JOE, POOH BEAR, and the customers an apology, for when you invite someone to perform, you must adjust to your guest, and not tell them how to perform or set up their acts...that is not very good manners for a host and in particular for a host with an anniversary. The TL will survive all of this, for sure! But, it is most unnecessary! ...P.S. "MICHAEL of the SoFM, BIG JOE did have many drinks coming, not just two meager o.j.'s dear, for that IS what SELSO promised!" And for TONY, dear child, BIG JOE was performing before you were born and made then and still makes a hell of a lot of money honey...remember that! Respect for older guys and older performers is always a MUST in show biz! For the BIG JOES of the world helped to pave the way to make it better for young kids like you! Think about it! And dear SELSO, the TL was here before you and will be after you, so we should all try and blend our different ways in together, not change, but adjust to one another's different ways of doing things and exist side by side and friends...how about it both sides ??????????????

RICK, Grand Duke Regent SF, is working harder than any of the current royalty title holders, and we do mean ANY of 'em

...Poor GREG GALLI-PEAU (if that's his real name) wrote to the BAR asking a question and the silly editor did not know what the symbol "Lambda" stood for (see page 5 this issue!)

...Oh yes, MARCUS was right about alot of the Gay Parade biz! Tis true!

...KEVIN BELLOWS by the BAY in the DD is about as wierd as the delectable DIRTY DICK! His initial trip is so nice! Well, we have one good thing going about DD...that being, at the rate they are going they won't find the DD and more to it. KEVIN does alot of bellowing and one must wonder if he is really a Kevin and not a LEE Hategrave?????

...Didja see the ad in that gayphone directory of the LEATHERWORLD???? It is hot! And the "hot" man is a guy named TONY who works at the ENDUP!

...That DRUMMER SOUTH OF MARKET contest was really "no contest" and it does appear that here is a case of "H.L. Perrykies!" The BOY who won is the LOVER of the own! Stranger????! Nope! And the professional model of the Bulldog Baths was also a contest-tant in what was supposed to have been an amateur contest, and he is a professional model etc., and does NOT even live in San Francisco, let alone work at a South of Market business! Too bad that a BOY wears the title of "MISTER" South of Market! Guess DRUMMER doesn't know the dif! But then, it does have BOB DUNN A-N-D JIMMY MOSS with it, so what the hell can you expect!

...Rumor has it that DRUMMER is going to soon own the ASYLUM cafe???

...Hot sexy little JOHN (Music Hall cock-tail waiter) has the men in a tizzy...yummy! Such a hot basket and heaven buns, simply heaven!!!!!!

...A big "FOCK YOU!!" award to those who helped create the debts for the Gay Freedom Day Parade Committee...like all those at the Ruby dance, the SoFM Cultural trip...the Troc and the Dreamies! "Thanks" to you all the Parade's official dance didn't make much bread at all!

...Speaking of VON KINSY GARDNER I do wonder how all his children are! Maybe his old friend DR. FLACK can tell us now that he is out of jail!

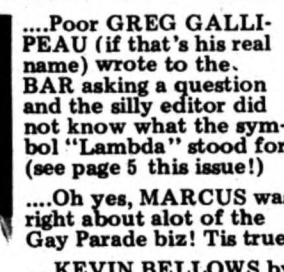

...VON, you are getting too too big about the belly! But then you always have been a big fat BLEEP!

...VAL DUVAL has some verry interesting neighbors around your 14th Street shop...in particular those dusty boys!

...Did you see that crap that the political writer of the weeVoice wrote about the STONEWALL Demonstration Club? Dear me JOHN can't keep his "stonewalls" apart! But that is nothing so new at the weeVoice! Keep up the tacky mis-reporting JVH and I'm very happy!

...ELC is so happy his friend MONROE is going to open...guess what comes next kids PARANOIA!!!!!!!!!!

...Called FAYE ROY last Sat in the A.M....and found that not only was she cooking a breakfast for his BIG JIM, but also for dear STELLA and his dashing DAVID! All of that meat and potatoes too! Eat your ill ole heart out KISH!

...Who is the "oddest"? HARRY BRITT or his associate, DENNIS PER-ONY? PERON should go back to running his "SUPER MARKET OF DRUGS" for that is the ONLY thing he seems to know anything about...except for possibly sending out xeroxed copies of a call for a riot??? Maybe yes and maybe no! Perhaps these two should be put into a rubber room with KONSTANTIN BERLANDT and all three take an angel and see who comes out alive??? That would be a REAL trip! When you read the very distorted account of the Gay Parade by ole KONNIE BERLANDT in the bar, one would wonder if he attended the same parade that JOHN VAN HUESDEN of the weeVoice attended or just maybe they both missed the SF parade all together! Oh well, they all have one thing in common...and I'll not put it into the print...this issue!

...The FEMALE pigs on Folk and in the Ten derloin of the SFPD are really KUNTS! They make all sorts of slurs towards gays and really hassle guys WORSE than their male counterparts...guess the bitch cops can't stand the competition!!!!!!

...BUT, CHIEF MURPHY had best do something these fag-baiting bitch cops before he has a real crapper on his Irish hands! But the Chief has his hands tied these days by JO DALY the Lesbian Police Commissioner who likes the way the BITCH PIGS are mistreating the gay males! "Their day will come!"...that is my opinion!

...TINKETTES JAMES TAYLOR and KEN ALEXANDER have a theme song... "Together Again." JT used to go with JOHNNY SPEAR in Los Angeles.

...Who is the ANTONIO of O'Farrell who does not give one dollar worth on hardos...some of the Tenderloin queens say!!!!

...Oh yes, the BARBER of OFARRELL is none other than LEE Hategrave of the DD! He has "flung" the gauntlet and he may well regret it! Oh yes dear snips, I FIRED CARL DRIVER for damn good reasons and if you think he is so good...which he is, be why you take him on at the "ing DD?????

...In bed 24 hours???? Well it seems that DT of the MARATHON BALLROOM has tried to get dear little (he is a big one tho) into the sack for 24 hours until he just gave up; LUKE sez that he just doesn't like pokes and jabs for 24 hours!

...TONY STINSON of the LE SALON is not only the most handsome thing to hit this area in many a year, he is also the best mannered too! A REAL people and one that ANYONE should be too happy to have as even a friend.

...JOHN V ole Butterfly Buns is no longer at the MB. Too bad for he was a really nice guy!!!!!!
