## GAY POWER GROWS SOUTH OF THE BORDER

Ken Carter, above, is one of twenty men in "Private Collection" at the Bob Hill Cinema, 729 Bush Street. Playing to full houses since it opened January 1st.

**Time  
for  
Action  
Now**

**SUNDAY JANUARY 11th**

10 PM on channel 5, KPIX, this episode of "Trapper John, M.D." deals with the shooting of a gay policeman in San Francisco (the scene of the CBS series.) Los Angeles gay activist Newt Dieter has overseen the film so that gays are not held up to scorn. Watch this real good!

**PROTEST REAGAN**

Tuesday, January 20th, at 5 PM in Civic Center Plaza, a rally with bands and speakers will be held as a counter inauguration. Be there!! We will!!

According to *Gay Left*, journal of Gay Liberation in the United Kingdom, Gay Liberation is gaining greatly in the Central American countries. This point was verified by our correspondent who just returned from Costa Rica. He urged that North American gays not be planning to take any vacations in any of the Central American nations especially if you are looking for a Club Bath Chain house, and you won't even find the Advocate there, let alone the Crusader.

In Nicaragua, which just went through a terrible blood-letting revolution to overthrow the vicious Somoza dictatorship, gays have played a role in the revolution there and in the United States.

Gay Nicaraguans who have been in exile in the U.S. are returning to their homeland, assured that the revolutionary government welcomes them. But some gays in that nation are watching the new government with a close eye, and saying that they are a long long way from being "liberated."

In El Salvador, gays have been tortured and on New Years eve, seven gays were castrated and left to bleed to death in front of the cathedral in San Salvador by radical right wing terrorists with a message warning that all deviates would meet similar fate. El Salvador now in the throes of a revolution, is under a rightist government for the time being, a government which president-elect Reagan supports. In San Francisco, El Salvadorians have gotten funds from gays sympathetic to the revolution.

If you are planning a trip to Central America, obviously Panama would be the country to visit, safely, for gays. But there too, gays are not given equal rights by the dictatorship either. But there are gay bars, but they are not like bars in the Castro or on Polk. Gay bars there are very co-sexual, something you don't see in San Francisco.

In Guatemala things are changing rapidly thanks to a concerted effort by members of Grupo Lamda which was formed in 1974. They even publish leaflets, and have news items in the underground presses of this impoverished nation.

Guatemala, unlike El Salvador, has greater degrees of freedom for gays.

In the nation of Honduras, Grupo Lamda has even greater influence and gays are actually recognized by the policia and work with the policia to solve crimes against gays.

In the sister nation, British Honduras, Belize, homosexuality is wide open, as this nation is controlled by the United Kingdom and under the laws of the United Kingdom. But it is still very taboo due to the strong influence of the Roman Catholic Church, just as it is in all Central American nations.

A conference called by the Latin American Homosexual Bloc (BHOLA) is going to hold an international conference in Mexico this year in cooperation with gay liberation groups such as FHAR and LAMDA. Such a conference would be the target of extremists in that nation but gays are willing to take the chance, as they know they must, if gay liberation is ever to become a reality in Central America.

Mexico of course, has had gay groups such as FHAR and LAMDA for some years and gays are becoming more and more open in Mexico, thanks to the gringo influence. But, still, homosexuality is against the law in Mexico and gays are hunted down by packs of drunken youths in weekend sprees (hmmm, sounds like the Castro and inner Mission doesn't it?!).

But after all is said and done, gay power is growing south of the border and we in the U.S. should do all we can to help make it become a reality in any way we can. We are one, politically. Our sex and our oppression bind us! rb

### \$2,000 REWARD

A two thousand dollar reward for information leading to the arrest and conviction of the murderer of a gay man in Buena Vista Park, is being offered by the Chamber of Commerce Secret Witness Program.

If anyone has information, please phone this number and your name will be kept confidential ....456-TIPS. Call any hour.

The dead man, 43 year old Don Meder, lived at 157 Fillmore Street, and his body was found in the bushes in the controversial park, stabbed to death. This was on November 24th '80.

### POLK STREET BAR IS CHARGED WITH RACE DISCRIMINATION

The N' Touch, a dance bar on Polk Street has been charged with racism by member of the Gay Asian Information Network, whose members and supporters picketed outside of the popular Polk dance bar on weekends recently.

The members of the Gay Asian group charged the N' Touch with "special carding" policies for Asians and charged that Wayne Friday, a bartender at the bar, and political writer for the Bay Area Reporter, with making racist remarks at them. According to the Gay Asian Network, Friday had allegedly made remarks to the effect that Asians were responsible for the "destruction" of business at Oil Can Harry's a bar which used to be on Larkin Street. The inference according to the Gay Asians, was that Asians don't spend money, a point disputed by many Gay businessmen.

Oil Can Harry's partnership spit up and the bar then failed due to an erratic management some felt and it changed to the Marathon Ballroom, enjoying a business spurt as an Over 18 disco, but management changed back to a liquor bar and the place closed it's doors on January 6th of '81.

### TAVERN GUILD PREXY RESIGNS

Wayne Friday, according to Vice-President George Banda resigned as the President of the bar owners organization on Friday January 2nd. Banda did not give any reasons for the resignation of Friday, but some speculated that the troubles at various Tavern Guild bars over racism may have had something to do with it. Friday came under heavy criticism recently when he made verbal attacks upon the Chief of Police, Con Murphy, who is pro-gay rights.

The Criminal Code Reform Bill will be reintroduced in the 1981 Republican controlled U.S. Senate, it has been learned by U.S. Senator Denton of Alabama.

In 1980 the Bill was known as SB 1722, but it is to have a new number, but it will still be the same piece of legislation which will establish a Federal Penal Code which will pre-empt our state laws in most cases.

Preventative detention could very well become a reality in 1981 or 82 under the Reagan administration. Preventative detention would allow persons charged, to be kept in jail, bail denied, if the judge felt that the persons "posed a danger to the community." And of course, a Reagan Supreme Court would uphold such a law.

In 1981 there are other laws which are to "go down," under the Republican controlled United States Senate, such as the voting rights act of 1961 which must be either renewed or dropped by the Congress this year. And with Strom Thurmond as head of the Senate Judicial Committee, chances of it being continued are dim indeed.

Affirmative action legislation is dead for the next two years, for the anti-forces control the Senate now. This stands for employment as well admission to schools, and ends quotas for employment in the San Francisco Police Department as well, an issue which should concern gay people.

The Criminal Code Reform legislation, will end, civil disobedience, or at least send alot of people to prison, for it will halt many types of civil disobedience such as demonstrations near courthouse and other federal facilities, and near military bases and possibly nuclear facilities.

1981 is not going to be very promising for the expression of freedom, obviously.

In San Francisco, gays, who are members of the four gay Democratic political clubs, are making plans for opposition to these new repressive acts of the Moral Majority and Ronald Reagan (well, at least the Stonewall, Barbary Coast, and Harvey Milk Gay groups are.).

The Northern California Peace Council has been formed and held a large meeting at the American Indian Center on Monday January 5th, and a good number of gays were at that meeting.

Other such meets are planned in the near future in the Bay Area. A major rally was held at Stanford on Wednesday January 7th to protest the draft as well as the Moral Majority rule.

The anti-Draft Registration Education Committee at 665-6944 in San Francisco is planning another action which they hope will be larger than the one at the Civic Center on Sunday January 4th, and you are urged to contact them and to join in the resistance to the repressive rule of the Reagan administration and the Moral Majority controlled U.S. Senate.

Gays are being urged to oppose the so-called Bail Reform projects in the California and U.S. Senate, as they favor the Courts and the police but not the citizens. The California measure would end bail bondsmen and place it solely in the hands of the judges, which is what the Moral Majority and Ronald Reagan want. It gives the judges even greater powers. Gays are urged to contact their legislators and oppose the so-called "bail reform" laws (see page 7 for the address of your legislators.)

1981 isn't going to be any big party for liberals.

## RUMORS & RHINO

Rumors are flying hither and yond that Daniel Curzon, the athiest, who is one of the founders of the Gay Athiest League and who has done one One-Act play in concert with Theatre Rhinoceros, has wished the worst to Douglas Dean Goodman's play, "Special Friends" which opens February 14th at the Knights of the Red Brach Hall Theatre on Mission Street near 8th Street. It seems that one of the actors for the Dean Production was desired by Curzon for one of his up-coming one-acts at Theatre Rhino, but the lad performed an established playwright's production over the Curzon amy-effort.

## WE'RE IN THE MONEY

This musical about the depression era opens tonight at the Chi Chi Theatre Club on Broadway, and it is a bright and entertaining musical. Must see it to believe it, bright tunes and fine dancing. Call them at Chi Chi for tickets and info. The Chi Chi is at 440 Broadway Street.

## STOMPIN

Stompin At The Savoy is a bright musical that guarantees you an evening of entertainment. It is at the On Broadway Theatre and is already receiving good reviews. Musicals like this are truly appreciated.

"Footlight Frenzy" at the Alcazar Theatre, 650 Geary Street, is packing them in. A glittering musical comedy that makes you lust for more of it! ray broshears

## BLACK BOX

"Something Old, Something New" is but one of many one-acts which make up a Festival of One Acts by the Black Box Theatre group now at the Buriel Clay Memorial Theatre, 762 Fulton Street. Call 921-8234 for ticket info.

## JAE ROSS

This bright and powerful singer is still packing them in at Kimo's Showroom, Pine and Polk each Wednesday evening from 9 pm til ? We'll have a pic and story on Jae Ross soon.

## FRENZY

"Footlight Frenzy" has broken the "jinx" that seemed to hold the Alcazar Theatre on Geary Street. The Alcazar seems to have had nothing but flops for its entire life as a theatre, but the brightly spritely musical spoof, "Footlight Frenzy" a wild comedy is packing them in at the old Shriner Temple converted to a theatre. You must see this one!

## PICKETS AT THE PLUSH

The picket lines are still up outside of the Hotel York's Plush Room. We urge you to honor the pickets and not cross them and boycott the Plush Room and Russel Cox!

## The Mockingbird

Gossip - Rumors - Facts - Etc.

Hold on to your hats kiddies for it's really gonna get abit rough this time!

WAYNE FRIDAY is now the EX-President of the Tavern Guild, he haven tossed in his resignation on Friday the 2nd day of January...now that's the way to get the New Year started right!

Oh yes, the GAY ASIAN INFO NETWORK has been picketing the Polk St. disco where Friday tends bar, saying that the bar discriminates against Asians and according to their press releases, accuses the EX-President of Tavern Guild, Friday of haven made some very racist remarks.

The N' Touch of course denies making any discriminatory statements against Gay Asians and how little money they allegedly don't spend and how they allegedly caused the old Oil Can Harry's to go tits up!!!!!! Most gay bars do welcome Gay Asians into them and are proud to have their patronage!

\$3,400 was raised in two auctions for the two men, Michael Bowman and the Big Bird of the Red Eye Saloon...both were stabbed as they were in front of the FICKLE FOX on their way home from a dinner party there.

The auctions were the brainchild of the fabulous HANK CHEEKE the owner of the two bars and his very energetic manager, George KELLY! \$3,000 for the two downed Gay brothers is a wonderful thing and Hank and George and all who worked as emcees (like Randy Johnson, Greta Grass (who'll always be the real Empress of SF in our big hearts) and the wonderful auctioneers like Bette Bonko, Ginger, Russ, to mention but a handful who made this a much better way to begin the New Year for the two Michaels.

Oh yes, the pics at the left here...at the top on the phone is REED Gilmore, and Folsom Faye Roy Har-netaux; then the hand-

some TOM is beneath them...he is not only very very good looking, and very very friendly, but he is an excellent waiter too; and below him is Folsom Fay Roy himself...they are all at the CASTLE GRAND Brasserie, the finest French Bistro this side of Paris France. The food is far better than the majority of the places in the Bay Area...located at 12th & Folsom and a bit expensive...but then, you DO get what you pay for don't you kiddies???? No "steak 'n date" nights here guy!!! Lunch as delicious anywhere can be had Monday thru Friday now at the Castle Grand Brasserie!

MICHAEL-MICHELLE of the Le Disque recently had an all night affair with another employee of that wild and wonderful Haight Street bistroette! Can't say who it was with, but, it was indeed, festive.

Oh yes, welcome back to LE DISQUE Mr. STEPHEN...he and Michael are doing well together...oh yes, you too Mr. Puppets!!

PORN TOWN TEA...yes, yes, the film that is now at "that place" on Larkin, is a very OLD OLD film...which they have released as "new." Well, it is "new" as far as the public seeing it...but darlings, the thing Ms. MONROE BEALER didn't tell you all is that it was made OVER FIVE YEARS AGO...so all that meat in it has aged muchly since then and who ever heard of most of them!!!!!! Puleeeeeeze, spare us your old films!

ADRIENNE ST. DENNIS returns to the MGM Grand in Las Vegas in May as the shows will resume for u-alls pleasure in June. Addie is such a camp!!

86ed from the BALCONY, so rumor has it is the infamous, MR. GILDA MARCUS, emperor 1. That just couldn't be true after all the free publicity he's given that Market Street palace.

Speaking of "palaces" well, this one of leather, the ARENA...will be holding forth on February 5th, a big Thursday with their 3rd anniversary party...and the one last year was packed so early that lines were all over the place...more lines than what was on the face of one of the bartenders (no names, puleeeeeeze!).

MARK PRICE dela Trondson Sound, has a DAN in his life...and he has a TONY in his life (roomie only!) and he now has a BRIAN in his life (no, not his twinkie brother!)! MARK is so "faithful" to his beloved DAN while he is vacationing in the Michigan Gray Chateau. BRIAN is one nice looking man and appears to have far more in the right place than most could ever hope for.

Flash! That bearded dykedipper from San Jose, Eddie, has a new love...FREDDIE! Freddie and EDDIE!!!! How very cute!! (Now wonder what that's all about?)!

The "empress 1" JOSE has been "bounced" from his post as election keeper for this years empress election. He has been replaced by the empress MAXINE of the Old Belles Saloon! Rebellion in the queendom!

Oh yes...only two candidates this year...Pushy Phyllis...yuk yuk yuk...and the delight of the Castro clones and softballs lovers everywhere (Peter Switzer too)..... BUBBLES Mark BROWN! Well, this is your one last chance Bubbles darling! But remember, GRETTA Grass is the REAL empress in the hearts of all kind loving and charitable souls everywhere...a wonderful queen...mother, that it is!! Hey Gretta...given Wayne Friday any flyers to hand out lately?????

Above is CHARLIE of the Nob Hill Cinema giving forth with a big smile and a bit of hairy chest "beef cake!" He's so cute!!! And would you look at the time!! Charlie is up at 7:30 in the morning...wild!!! Far out!! Freaking man!!!

"10001 Ways To Wok A Dog In Golden Gate Park" is a new cookbook by the Vietnamese according to RANDY JOHNSON? Don't get it tho!! Guess it's funny...but what has walking a dog got to do with cooking dear?

The DEVIL'S HERD was the scene of Randy Johnson's latest efforts on behalf of others as he helped to raise a good part of that \$3,400 for the two Michaels who were stabbed outside the Fickle Fox! The Herd has recently undergone a tremendous face lift inside and also has country music bands 7 happy nights a week now!

Scandal...What is this about PAUL FRENCH who proclaimed himself "pope" of some paper church...doing a trip on the head of a blindman who did have the concession at the 7th & Mission Post Office? Well, the blindman, Dean claims that French took money from him and ran up a big phone bill on him too, like, \$500!

GEORGE BUCHANAN still at The ENTERTAINERS on Broadway...despite false stories in Herb Closet Coffee-drinkers Caen's remarks.

Above is DON STAY of the Railway Express Saloon! More on the next page...page 13...turn slowly tho.

PERRY GEORGE of that Pacific Heights based fag rag, had a column on the rude rude waiters at the PATIO CAFE recently and it was aimed at waiters all across the city! Bravo! Bravo again my dear Madame Soto Vooce! For you were right on target. I have been through the same experience that you have, believe me, and it sure isn't a pleasant thing. After all, just who in the hell are some of these flighty fairies who call themselves "waiters?" And I DO MEAN...CALL...themselves "waiters." A good part of them are only a step above being on the street corner for my money! The overwhelming majority of the waiters in gay businesses are polite, and not always fast enough (can they ever be?) and know their jobs for the most part. BUT, that small percentage who believe they have a "divine right" to a 15% tip who are little better than hustlers...well, they can shove it!!!!!! And anyone who is a GOOD waiter (and that doesn't mean a "pretty boyette-type") knows that this one usually tips far more than the 15% if the service is GOOD! And by heavens if this old queen is going to tip you ... well, you had best know what the hell waiting tables is all about!! For real!!! Have you seen some of these twinkies who CALL themselves waiters? Disgusting!!!! What they really believe they get the 15% tip for, is for how pretty they think they look and that they "honored you by waiting on you!!" Whata buncha krappe!!!!!! No, it was time past due for someone to speak out and as usual, PERRY BELLE GEORGE did so first on this one!! Dear Perry...what the hell you going to the Patio Cafe for in the first place? The food is blaaaah! And at the low low wages they pay the waiters, I guess they do have to scramble and really push for tips...but NOT as hard as that silly queen obviously did to you!

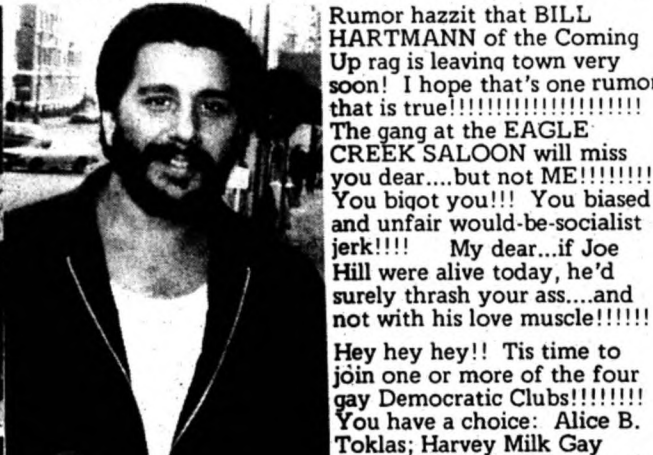

PAUL BORST...keep your tails straight dear!!! And in doing so, please keep your stories straight too!! A hot bod does not the rent pay dear! Work comes first and deviate pleasures second.....for those who care!!!!!!

GARY ROBINSON is still mixing up the drinks, daytime at KIMO'S on Polk along terrible "Harold" jokes!!!!!!

Above is one of the many nice bartenders at the ALAMO SQUARE Saloon. This cutie-pie is at the DEVIL'S HERD SALOON! Fell & Fillmore Streets.

Rumor hazzit that BILL HARTMANN of the Coming Up rag is leaving town very soon! I hope that's one rumor that is true!!!!!! The gang at the EAGLE CREEK SALOON will miss you dear....but not ME!!!!!! You bigot you!!! You biased and unfair would-be-socialist jerk!!!! My dear...if Joe Hill were alive today, he'd surely thrash your ass....and not with his love muscle!!!!!!

Hey hey hey!! Tis time to join one or more of the four gay Democratic Clubs!!!!!! You have a choice: Alice B. Toklas; Harvey Milk Gay Demos; Stonewall Gay; or the Barbary Coast...see the new directory on page 7 on all clubs and other important info!!!!

MAMA JOE wants her pals to visit her at her home: 89 Elgin Park Street. Hes looking so butch isn't he?

Just who in the hades hades is this character DUKE ARMSTRONG??? Just where was this lawyer when the battles were REALLLLLLLY being fought?? I daresay he was all closeted up nicely in some quiet place watching his faggot brothers having their heads bashed in by the billy-clubs of the SFPD or NYPD!!! Just who in the hades is this self-ordained gay leader of the fag Republicans that he goes around attacking hitler and yond people who have worked for long and hard and angry years to bring gay rights into reality (and we don't mean the "In The Last Five Years Crowd!!")? SHUT UP faggo!!!

MICHAEL de LE DISQUE is a real handsome young man.....right CRISTAL?? And Steve??

You can bed down with Ronald or Ron Reagan...but the Democrats don't have to take any of your pissy ass. 3-piece suited bullshit! You can take your not so precious CRIR and shove it where the moon is never seen!!! By the way...how are you and Tim M getting along????????????????

Ddija know?? that the Fickle Fox's Don Cavallo did not take part in the auction for Big Bird and Michael Bowman??? the two who were stabbed outside of his Fickle Fox???????????????? Maybe Bob Ross didn't give his "blessings"??!

See and hear...JAE ROSS each Wednesday night at... KIMO'S...that is, if you want REAL entertainment!!!! DOUGLAS DEAN will be re-opening the hit play of some years ago which he wrote and directed, SPECIAL FRIENDS at the Red Branch Hall on Mission between 7th and 8th Street!!! This will be in mid-February and you can bet your bottom dollar that alot of people will want to see and hear this wonderfully entertaining play!!! SPECIAL FRIENDS is a real special play!!! How is it???? that the so-called CABLE CAR AWARDS and barber-hair-cutter, BOB CRAMER and BOB ROSS have REFUSED, and it can be taken no other way, but REFUSED to recognize that Mr. Douglas Dean Goodman's hit play was the first full Equity production of a gay production in this city...and that play, which received favorable reviews in the heterosexual press was a landmark! But then...maybe Cramer & Ross don't want to offend Don McLean/Lori Shannon?? AND.... did you know??? that this allegedly "gay" awards body gave the award for best theatre critic to a straight news-paperman??? And furthermore they gave an award to KGO-TV???? Well, maybe they'll give one to Jerry Falwell while they are at it....brown nosing will not keep them out of the line of fire of the Moral Majority gang....for KGO will turn its TV guns on us in a second if things keep going the way they are!!!!!! HAPPY BIRTHDAY TAMMY LYNN!!!!!!!!!!!!!! PETER STRUVE is missing from our pages....not very consistent would you say? MANUEL SOARES will be back in town soon we hear. He's in Denver right now, gettin things ready! Got a call Christmas Day from the wonderful being.... BOB CHARROT! Bob is well and fine and wishes all his friends the very best of New Years!!! Really do miss the guy, he is tops with those of us in the know!!!!!! Had a lovely visit with Cliff Newman recently! He's an excellent host! Had a wild time with PEARL herself on Nob Hill...he's doing a new pic soon...caught him on his way to Hollywood. Such a fun guy. Love his singing too JANICE! TY TURNER of the Discount Books is a busy busy man! The former empress Mai Ty is keeping busy at his 112 Eddy Street porn bookstore location with his hubble of some months now, believe it or not!!!!!! BEN is still at the CITY BOOKS doing time!!!!!!!!!!!!

## COUNTRY MUSIC GUIDE San Francisco Bay Area

**DEVIL'S HERD SALOON BRINGS IN GRAND OLE OPRY RECORDING GROUP:**  
The Devil's Herd Saloon, at 853 Valencia, has gone live Country/Western bands, seven (7) days a week. And he has booked in on "Cookie & The Stetsons" for Wednesday and Thursday nights. They have been on the Grand Ole Opry and record as well.  
And on Monday and Tuesday night, the "Black Bart Band" is holding forth. Then on Friday, Saturday and Sunday nights, Linda Lane and the Western Electric Band.  
Seven full night of good pickin' n' grinnin' at the newly remodeled Devil's Herd Saloon.

**ERNEST TUBB IS COMING TO TOWN:**  
Yes the "I'm Walking The Floor Over You" man, Mr. Ernest Tubb and his Texas Troubadours, will be in San Francisco on the 30th of January at The Stone, 412 Broadway Street. "Waltz Across Texas" another of his big, and "I'll Step Aside" will be heard echoing across the room at The Stone. Better get your ticks!

**HEARTS ON FIRE** are at the Last Day Saloon at 406 Clement (just expanded to hold over 250 now) on Friday January 9th in the upstairs. And Back In The Saddle will be there in February.

**WAYLON JENNINGS** packed them in while in Las Vegas recently. Jennings, whose style is alot like the late Hank Williams, had more curtain calls in one night than most get in their entire career. A truly great entertainer and one you have to see and hear when he is back in the Bay Area again...regardless of the cost!

KEEN radio is still the number one Country music station in the Bay Area, but radio KEEN of San Jose may soon surpass it with its innovative programming and playing of real heart tugging songs. KEEN plays less of the ole progressive bullshit than does both KNEW and KSAN combined. KEEN also has a live broadcast (on tape of course) every Saturday night at 12 midnite from the Lone State Cafe in New York City (the Grand Ole Opry of the northeast) with the many fine performers presented there. The crowd lends alot to the programming at KEEN Saturday midnites.

"I Love A Rainy Night" by Eddie Rabbitt is getting close to the top of the Billboard charts. I has broken into the top ten after 7 weeks on the charts. Have you seen Eddie in those Miller Beer commercials? handsome hunky man!

"True Life Country Music" by Razy Bailey on RCA continues to climb in sales and plays.

Gail Davies "I'll Be There If You Ever Want Me" has to be the hottest single record in Country music today. She and Lacy J. Dalton are putting a new meaning into country music.

Justin Tubb says that he will be in northern California this spring, so get ready to see and hear this old time country music singer and son of Ernest Tubb.

"That Silver Haired Daddy of Mine" by Slim Whitman on Duchess records continues to amaze all with its sales. This is an old Gene Autry classic record redone by the "Singing Cowboy" and yodler, Slim Whitman. You can hear it most anytime on KEEN radio.

Above is a scene from "9-5" the hit movie starring Country music's own Dolly Parton (on the pic in the center with Jane Fonda at her right and a funny funny woman on her left) in the hit of the film. The film is not of the greatest, but it is highly entertaining, and you laugh a good deal, and particularly at Dolly Parton as she combats her sexist boss. Lily Tomlin, the funny funny woman of the film, makes a comeback in this film, but our own Dolly Parton steals the show from everyone!

**TRONDSON SOUND**

SAN FRANCISCO

**ARCH BROWNS THE NIGHT BEFORE** is a film in which the manager of the Screening Room and also the producer of the film WANTED was the co-star in under another name...he did the film about 6 or 7 years ago when he was twelve...well, that's how old he would have been if he's telling the truth about his age now Frank Ross...what WAS your name then????????????

The COMMUNITY SERVICE DIRECTORY is on page 7. turn back to page 7...see it...and then clip it and save it by your phone...better yet, fold it and place inside your phone directory...the DIRECTORY is one item you won't want to be without...see it on page 7.

The owner of a Polk Street antique store was taken into custody as the hit and run freeway killer here over the holidays...more on him in the next issue.

LOU GREENE is still making those big nice buttons...so if you are needing any buttons for your bar or your bash...call Lou at Love Greene Printing...most likely Gene Earl will answer the phone.

Sorry to hear that GLENN of the Bulldog Bath is under the weather as of late. Nice man too...too bad all the guys around him aren't that way!

Watch for the big reopening of the remodeled RAM'S HEAD real soon. GIL has been working the buns off on this one.

Oh yes...DELICIOUS DEE DEE...why didn't you run for empress this time around??? after all, no one is running and you would have won kisses down.

Foxhole Tillie (Don Black) had a wild New Year's eve orgy at his place with someone by the name of SAM! Imagine...and at his age too!!!!

Are you ready??? Danny Turner wants \$300,000 for his now closed Marathon Ballroom??? Danny dear...just what the hell does the buyer get for that \$300,000? I mean really!!!!!!

JOHN JARRELL still claims he has one of the biggest ones on Polk Street...John X dear...biggest whats????????????????

CHRISTMAS 1975...there was a very kind man, back in 1975, who was alone on Christmas eve...and this very kind man...had just broken up with his lover...and this very kind man...had about \$800 bucks on him...and he decided to try and make other peoples Christmas a nice one...if he could. He drove down to the Grehound Bus depot...saw a young American Indian youth who was talking on the phone with his mother, trying to get money to come home for Christmas, but Western Union was closed...so this very kind man went up to the ticket window and told the man to give the lad a ticket...and the lad said he wanted the name of the very kind man so he could send him something when he got home...but the very kind man wasn't interested...and the youth asked who are you? and the very kind man said, "just say it was Mrs. Santa Claus who gave you the ticket."...and the lad looked bewildered, but the ticket clerk smiled in his knowing way. Then the very kind man found himself on 5th Street, at Meads, and he then went in and made a bargain with the man for 500 meal tickets, to which he promptly went out onto Sixth Street, Howard and Mission Streets and gave them out...later he went to the cafeteria to see how his Christmas gift to those who would not have had a Christmas, most likely, was going...and he went in, saw the men eating and some even sang Christmas carols around the tiny little tree in the cafeteria. The very kind man then was very happy, and he went home...feeling that he had found the true meaning of Christmas. Who was that very kind man??? well, I can't tell you, but if you call over to Trondson Sound and ask for Dennis Kounin, I'm sure he could surely tell you!!!!

CHRISTMAS 1981...in the Tenderloin it went well...yes it did, thanks to so many wonderful people (see the story and pictures on page 9, this issue), and we can only once again say "Thanks!"

To all the fine people who helped us to get it together with their work, their concerns and their donations. There ARE so many real Santa Clauses in this city of ours, you wouldn't believe!! And the wonderful time at the Fort Miley VA Hospital, that Christmas Show was something we shall never forget and we thank again all those who did so much to make this a wonderful Christmas...and allowing the people with HELPING HANDS SERVICES to serve those who needed assistance.

REST IN PEACE! The end has come for the Marathon Ballroom formerly Oil Can Harry's. They closed their doors on Tuesday January 6th for the final time. Mr. Danny Turner is out of biz. He wasn't a bad man, but he just didn't seem to know how to keep biz and pleasure apart. He tried. The place will be missed. Perhaps in a few months, someone will open the place anew as something else. Another San Francisco gaymark passes!!!! Rest in peace Oilies!!!!!!

BILLY with the hat and his friend and co-worker PERRY resting after working!

The delightful and charming PEARL Hart at the Nob Hill Cinema

**ZIEG HEILPARKER!** Yes, dear ole Gerry Parker, in the final days as a resident of the Bay Area, just has to try and be the Gay Atollah of Democratic Party politics. Herr Parker closed nominations at the Stonewall Demo Club before all candidates could be nominated...but they WILL be REOPENED at the February election meeting, the first Monday night at MCC 150 Eureka. Seems that one of the candidates for office who Gerry Parker and his "shadow-boss" DAVID SCOTT want for office, cannot read nor write. Cute, real cute!! The perfect puppet for Massa Scott and Herr Parker!

AND...it seems that a candidate Herr Parker is pushing for Northern Vice-President of CDC, is anti-Gay??? Herr Parker was never too bright about such things...hope he gets his ass back to Morris Kightland quick!!!!

Can you really imagine??? Several of the leading lights in the gay community are going to the Board of Supervisors to defend the Jaguar Bookstore having a sex palace on the 2nd floor???? They don't call us queer for nothing!!!!!! What if Heterosexual BRANDY tried asking to have her place reopened?? She'd get tossed out on her ear. So who says gays don't have more rights than straights????

Public Defender JEFF BROWN knows how to write his letters but doesn't know how to return calls...perhaps he doesn't want to hear anymore complaints about his gay assistant Gordon Armstrong...Gordon, why don't you shut your mouth up!!!! Dear ole Gordie who was in his closet for so long and making faces and remarks at those of us who weren't just a few short years ago...will have an interview in the New Advocate telling how he would have prosecuted the Dan White case...!!!! Oh really Gordie red??? Then if you are such an expert, why are you a public defender rather than a public prosecutor??????? Poor Gordie, when he went to make it "known" that he was "gay" and "out of the closet" there were so many already out...who even cared? Too bad he didn't "come out" back when we needed his help instead of his snide slams!!!!

Bill Harris is leaving the Pleasure Palace.

The AGAPE group of Christian Krazies got a permit to have amplified sound on the streets of San Francisco...so watch out in the Castro...here come the advance guard of the crazed Cops for Christ!!!!!!

Thank you to Donald Pierce for his reassuring words concerning our problems with that paper priest across the Bay!

Speaking of "paper priests"...Bishop Jimmy should stop his vehement "preaching" on Polk...particularly to the drunken ones lest he get his ass kicked...he came close to it the other evening. And please dear, some of the "street workers" say you are messing up their business!!!

TOM LOVETT SOUZA has "ants in his fur-lined pants" and will be going to Vegas for a week or so of carrying on.

JACK HIPSON is the new manager of ALFIES on Market Street.

So glad that an aspiring young actor dumped athiest Dan Curzon and went to a real play.

The Sound of Music got a probation from the SFPD on it permits because of the lewd leaflets some of the acts of the Club have been posting around town. Let that be a warning to other clubs/bars to "control" the leaflets the groups/acts at your place hand out!!!!

See you all on January 22nd. And please advertize!!!!
