The MUNI LRV has gone out of business so thus there are no parts beyond what San Francisco has. The city of Boston, which has the LRV is doing a way with it, as it has met them a fortune in breakdowns, and are replacing them with other cars. Report's here San Francisco buying out the outdated LRV.

THE MONSIGNOR SEEN IN THE MOVIE

"CRUISING" Alan Stanfield who has fake name, is in a death scene in the film "Cruising" as a death scene takes place in a public library in a New York movie/booth house. Stanford is seen on the screen in a scene from his book "The Boys in the Band," a local rector about fell over he was running to presents. The killer is having sex with his victim and then litters him in his downfall going on the screen. Gads he is a bad actor, but THAT bad? The "monsignor" is with the American Orthodox Church, the Christian Catholic Church, the Women's Catholic Church and the Christian Orthodox Church and with the Streets Ministry too. An amazing feat for this porno star, who has brought down the largest law suit in the history of the gay community upon the Bay Area Reporter and the Data Boy.

Duke Smith who resides in District 7 will be receiving a $1,000 a month for his work with the group. The open forum by Supervisor Terry Francois.

The repeat would force Supervisor Brits to run city wide if it passes.

The Godless Gay...!

IS THERE SALVATION FOR THE PRACTICING HOMOSEXUALS? CAN THEY ENTER THE KINGDOM OF GOD?

As things now stand, the answer is no. Just as the author of St. Paul's epistle to the Romans (1:25) says: "For this reason God gave them up to shameful lusts. . . . For this cause God gave them up to vile affections; for even their women did change the natural use into that which is against nature: and likewise also the men, leaving the natural use of the woman, burned in their own lust one toward another, men with men working that which is unseemly, and receiving in themselves that recompense of their error which was meet." (Rom. 1:26-28)

But of course such a philosophy does not appeal very much to the self-conscious God fearing Christian who is conscious of his relationship to God, and who seeks to understand his life in the light of his relationship to God. In contrast, the Orthodox Episcopal Church of God, a Missionary Old Catholic Church, seems to many, excessively sober and "frigid", being accused by our gay brothers as being "a society of hypocrites". The Church must always practice Charity from above. You are of this world, lam not of this world" (John 8:23, 24).

"SHOWSTOPPERS," a new musical revue by
Bob Benyackoff, at the Cha Cha Cha. Call and
Fri at 7-30, call 575-3743 for info.

A misnomer! This revue is NOT, as the
name implies, made up of numbers that should be
stopped the show. In fact, it doesn't offer a
single song worthy of that classification. It isn't
a bad show but then, it isn't terribly good either.
The songs are pleasant enough but hardly mem­
orable and in far too many cases too reminiscent
of known composers, especially Sondheim. The
performances are highly polished but it is a
"Cinderella" glass rather than sparkling diamonds.

Frank Fontana is charming, smiling and has a
pleasant voice but never once makes you feel
badly about the characters he is playing. He is
pleasant, can't overcome being upstaged by the
concealing that they both wear rather tacky red
dress that looks nothing like they came from
Goodwills, while Fontana and pianist( com­
poser/lyricist, Bendorff, both sport sparkling
suit and red bow ties. ★★★

GAYS & THE DRAFT

The draft... a word that has struck fear into the
hearts of millions of young men (particularly the
cowards) over the years. But, homosexuals have
never had any real concern about the draft...at least
until now, maybe?

In their mad dash for gay rights, gays will be
finding out that things such as the draft goes e—a
long with those rights, and so many gays are not
very American in the Liberation fonn, if you know
what we mean. For instance, you see a Hank Wilson or an
Armstrong or Bob Brown rushing up for an
early entry into signing up? Well we can't.
But there are some of the things that the gay
people who are with the equal rights that some people are de­
manding.

An American, raised in this nation with all of
the advantages, not being that you are allowed
loyalty to America, and then if it comes up as
it does appear, came back with these words, "....
America, love it or leave it!"
EMPRESS TESSIE XV

The popularity contest held in the homosexual community of our city each year, and this year, one of the most popular empresses in the history of the city, "People's Empress" Tessie has made it to the top.

In the "other 3 fag rags" it is believed they both combined total votes of his and hers, and... tessie's was 1,100 gays voted. The amount Empress Tessie won the election was not given out, but assume than he spent far less than either of the other two candidates. In fact, with the huge sums in the "other 3 fag rags" it is believed they both occupied Empress Tessie 1 to 1, but the People won and the Cot-cilk is crying the blues, as is the Tavern Guild "Old Guard" as to tessie's name (least likely...). Empress Tessie thanks each of you!

MICHAEL FOX is without a doubt the most exciting and dynamic中心城市 in the world. His performance in the movie "City of Chess" is nothing short of sensational. He plays a character who is a chess prodigy and his moves on the board are nothing less than brilliant. The way he handles the pieces and his strategic thinking are a true delight to watch.

Randy Johnson is still at the RAFTERS but quite as manager. The RAZORS IS Sнская will be opening soon. Oh yes, DAVID ERIFFET is back and at the NORTH SHORE for the Flying Nun is ready to fly again. Oh yes, that "man in Empress Tessie's life" is back. It is fad that... tessie's name (least likely...). Mrs. Bill Schwartz is what REV. Ray Broshears is doing.

The ALFALFA, by the way, is doing a story soon on gaylife and the BADLANDS (for good food too!) There are others that are in the "empire" but the most notable are...NEVER AGAIN!!!!! Would you believe? It is a fact! The legendary MRS. BILL Schwartz is what REV. Ray Broshears is doing. He knows all about the "inside story" of the gay community in SF, but not the kind that they may not want to hear.

Rev. Ray Broshears is back and at the NORTH SHORE for the Flying Nun is ready to fly again. Oh yes, DAVID CAFNET is back and he works evenings at the COUNTRY, 210 South Street, next to the reopened GRAY BAR HOTEL. DISQUE had a very big party on the first day in SF at the 21st birthday and 21 years old. Just ask BILL. Does he know all about the "inside story" of the gay community in SF, but not the kind that they may not want to hear.

BIG BUSINESS DAY
April 17, 1980

The corporate giants have US Under Their Thumb....and as little people we haven't had the power to fight back effectively. The giants are making public over $200 billion a year, a huge job-wastage estimate. Investigations have uncovered inadequate toxic waste disposal, increasing hazards on the job, and additional air and water pollution. To protect these abuses we have named April 17th National Big Business Day. Help join in the organizing teach-ins, film festivals, demonstrations and other actions in the Bay Area. The greatest problem in the field of the ARENA was to get people to sort out the real from the unreal. To do so, The Arena had to be prepared to answer any questions you could think of. The Arena was the best place to get people from different walks of life together. When you left the Arena, you realized what an opportunity this place was.

...and speaking of ARENA COMMITMENTS well, it was something fine, even though the place was a little bit of a mess. The Arena was a great place for a couple of reasons: one was in itself a beautiful, beautiful place and it made it big. THE CRUSADER was a big, big, and one of the main things to do in the city was to go to the Arena.
