Have you ever noticed...that I'm the only guy in the paper business with the guts (ego?) to print his picture with what he writes? I mean, look at the other fag rags....do you see the editors/publishers printing their pictures? Naugh! They are "afraid" of being seen/recognized in public...they want to remain "secret" or is it they want to be "sneaks?" But, I believe that if you "wanto to play, you should pay!" The other fag rags can take that anyway they want to.

Being the editor of a fag rag is not too rewarding, especially when you takes "stands" and I do mean STANDS!

Anyone can "go along with the crowd," or play it by ear and do the "popular thing," and the other fag rags in this city do just that. Why they are afraid to take "stands" is purely one of speculation, but I believe that advertising or money is their number one goal, not "crusading." Newspapers are supposed to print not only the news, but are supposed to champion causes, and in particular, the causes of the "little guy/gals" When a paper ceases to do that, they are just one of the gang.

We have taken on the "biggies." Why? you may ask? Well, I'll tell you why, and that's because there is no one person, group, etc., who deserves a free-ride in life and is free from criticism (yours truly should be perfect example of that....for if anything happens in the city...blame old Broshears, etc....I'm used to it! Guess in a way it's a compliment.)

The fire conditions of various gay businesses are frightening....and they get away with it. When a guy/gal like me challenges them, they fly up in a fit of wrath and try and turn the subject matter into another matter, thus crucifying me in the media. I don't give a hoot about me, but I do give a hellava hoot about the safety and well-being of the people. You know, when the Upstairs Lounge burned and took 19 gay lives with it....that made a real impression on me, and since then, I have been a bitch about fire conditions, particularly in places of public assembly. But take a look around you next time you venture into some of the bars....and take a really good look at how many fire doors there are, and just how over capacity they are and just what you think your chances of escape!! I daresay you in some of the places will be scared of our your pants/panties.

The same about sanitary conditions. I know of one gay restaurant whose chef has more than once picked up a piece of meat he's cooking, off of the floor and place it right on a plate....augh!

You, the customer don't know about it....you are out front at a table being comfy and cozy. Then the bars that continually pour the booze down the guy who is already so damn loaded! it's sickening....all to make a dollar. That is really sick....but take a good look at the bars when you go around town next time.

Then there is the drugs....the drugs which I preach and preach and preach about....the dangers of. But when I do that, all the drug takers fly up in arms, and scream "that fucking Broshears, why doesn't he mind his own business?" My dear friends, each and everyone of you IS my business, for WE ARE our brother's keeper...try caring abit more about one another....I do!

LAMONT KING 1950 - 1977

It has been three years to this day March 10 that Lamont Charles King was taken from us by a fire at the Club San Francisco Baths (330 Ritch) a fair of very mysterious origin, but it did kill a very beautiful young man of but 27. A fire whose origin has never been solved and the owners have opened another bath house, the Bull Dog Baths on Turk Street.

Lamont was born in Fort Smith, Arkansas. His funeral was held at the New Liberation United Presbyterian Church and over 250 persons who knew and loved Lamont were attendance. Lamont was an employee of the old soul disco Bojangles and later the soul Frisco Disco. His loss even today, touches deeply those who knew him, and miss him deeply. His former employer and close friend, Mr. B. described Lamont as being a very gentle kind and compassionate soul! His friend Angelina Sneed wrote the following poem in his memory:

I Believe
Sometimes when burdens get too heavy,
And troubles seem to call,
There may not be a friend around,
But God will answer all.
Some folks believe there is no God
But His honor I'll defend,
Upon your face you feel cool breezes,
But you can't see the wind.
Computers operate this sad old world
now, here and afar.
But I'm glad there's still a spiritual grace,
Someone operates the stars.
Rest with God Lamont.

Lamont cannot be brought back to life by this article. But the article is a reminder that there are some people who do care about other human beings, that all people are not mercenary, that love still exists in this money mad society. Lamont was taken from us by "money". His death shall be "paid for" someday, for those responsible have to face that judgement day. Rest in peace Lamont, God rest your Soul. rb

The Pigs Are Pushing Hard

"Burn 'em out!" Is that the "new way" of riding the Tenderloin/South of Market Central City area of San Francisco of its poor, its low income peoples?

Since 1978, there have been 517 housing units in the Central City area burned out by fire, some of which have had arson "tints" to them.

SPUR (San Francisco Planning and Urban Renewal Association) whose purpose it is to encourage "citizen support" for urban renewal is comprised of the "pig in business suits" and is in all reality working hand-in-hand with several so-called "community group-pigs" to sell out the poor, the low-income people of our city and into Oakland. Richmond (as the Voice associate editor Perry George says they should move to).

SPUR is a "front group" of the Chamber of Commerce "pigs" and the GGBA (a new group of fag pigs), as well as the major corporations headquartered in San Francisco.

SPUR has a "Prologue for Action" in which it says, "If San Francisco decides to compete effectively with other cities for 'clean' industries and other new corporate power, its population will move closer to 'standard White Anglo-Saxon Protestant' characteristics . . . Economically and socially the population will tend to range from lower middle-class through lower upper class. Selection of a population's composition might be undemocratic. Influence on it, however, is legal and desirable . . . A workable though changing balance of economic levels, social types, age levels (get rid of the old in the Central city) and other factors must be maintained. Influence on these factors should be exerted in many ways -- for example, changing the quality of housing, schools, job opportunities." In other words, poor people, racial minorities, old folks, the mentally disadvantaged/handicapped, and various "social types" will not be needed in the San Francisco of tomorrow and their presence in the city's population must be significantly reduced.

And the best way to get rid of an undesired population is very simple: TAKE AWAY THEIR LIVING PLACES and THEIR JOBS and they will HAVE to leave. This is the formula of the "pigs" of both sides. The Chamber/Montgomery street "pigs" use the neighborhood merchants groups and numerous so-called neighborhood groups which are the "dirty pigs" for the do the "dirty work" of the "clean pigs". They are the ones who go the various Boards and Commission meetings giving forth with testimony, etc., all designed by the "clean pigs".

And the "clean pigs" have their "dirty pigs" on the Board of Supervisors and in other elective offices as well.

People like Louise Renee, John Molinari, Ed Lawson, Quentin Kopp, Don Horanzy, Ella Hill Hutch on the Board do the bidding of the "clean pigs", just as their Mayor "Piggy Flip-flop!" Over 5,000 people were forced out of their places of living in Yerba Buena and now well over 2,600 have been forced out of the Tenderloin in the past two years by Mayor Piggy Flip-flop and the Supervisor Pigettes in their efforts to please the "clean pigs" of the Chamber of Commerce. The newly arrived "cleanly-queeny-gay pigs" of the GGBA (Golden Gate Business Association) are doing the bidding of SPUR and the big Chamber "pigs."

Look at all the "cleanly-queeny-gay-pigs" who have forced the poor whites and blacks out of their homes in the Hayes Valley, Tenderloin, and Western Addition areas with their "dirty dollars."

And now they are "working" on areas like the Haight and the Inner Mission, "sucking it to the poor, etc."

What do all these "pigs" have in common? They are all greedy as hell, for money, power, have what have you.

TEDDY

Senator Ted Kennedy made the following statement regarding gay rights in a letter to gays in Washington, DC: "... I believe our party's platform should also commit itself to the issuance of an Executive Order prohibiting discrimination based on sexual orientation in government programs, and the enactment of legislation protecting the civil rights of those who have historically been stigmatized on the basis of sexual orientation."

This is made January 7, 1980. With the spiraling recession and President Carter's inaction on the matter, Senator Kennedy has found a new strenght in recent weeks after having fallen in the polls. There are documented reports that Carter plans to close all banks for two to three months shortly to take all old money out of circulation and place a new currency in circulation.

STATEWIDE NUDE BATHERS TO MEET IN SAN FRANCISCO
by Charles Finley

The continuing battle to try and win legal clothing-optional beaches along the California coastline will be the topic at the first San Francisco conference-meeting of nude beach activists. The event will be held on Saturday night, March 29th at 150 Eureka Street in San Francisco, from 7 p.m. until 10 p.m., free of charge.

A full discussion period between bathers from San Diego, Santa Barbara, Los Angeles and San Francisco, will be held plus a screening of a tape and slide show called "Nude Recreation In America." This was recently presented to the Parks and Recreation Department of the Nited States, at the New Orleans Super Dome. The show was so well received it now comes to the Bay Area for the one night showing. There will also be a film on Black's Beach, in the San Diego area shown. This well known nude beach attracts up to 50,000 nude sunlovers in a single warm day.

San Francisco's, Charles Finley will M.C. the event and discuss a petition drive soon to start to try and stop the arrests of the nude bathers of the Russina River area in Sonoma County.

Nude candidate for President, Louis Abolafia, will be a special guest speaker as will Lee Baxandall of "Free Beaches" in Oshkosh, Wisconsin.

Charles Finley and Clara Bailey, two of the West Coast's leading activists for legal nude beaches, are shown here at Black's Beach in San Diego.

The DALT HOTEL --?

Leftist-oriented persons are most definitely involved in an concerted effort to halt the clean-up of the Dalt Hotel at 34 Turk Street. That was the opinion of long time Tenderloin residents who observed Supervisor Harry Britt, and his Tenderloin agitators picketing outside of the Dalt Hotel. The Hotel has been under "attack" by the OFDL (Old Folks Defense League) for the past year because of the filthy hall carpets, unsafe elevators, wine and urine soaked sofas in the lobby as well as the manager who some charged were ripping them off. Well, new owners took over and made some of the most necessary changes and as a result they are getting hell from a wide variety of people, some of whom would like to buy the Dalt Hotel themselves and are "using" the situation. There is something to be said on both sides, but, the old folks are being victimized by both sides in this battle in which they are the losers, regardless.

OFDL's Valentine's Day Luncheon

Above, surrounded by "tons" of candy, food, and other items given away via our new "Empress Ginger-Big Joe & Landmark Bingo Machine." This is the way we give away the food boxes/items to the elderly who attend.

February 14th was a glorious day for the 50 or so elderly citizens of the Central City area of San Francisco for it was a day when the food really flowed free-ly at Christ Chapel, at the luncheon given by the OFDL (Old Folks Defense League) luncheon and party. The dining hall was decorated with red and white hearts and course the American flag which the OFDL director Rev. Ray Broshears demands be placed most prominently at all functions.

Since 8 a.m. that day, the Rev. Ray had been preparing the luncheons' meat balls and spaghetti dinner (with green beans and corn) assisted by his friend Conan and his friend Robert. Then as the dinner was about done, in came Tessie, Foxy, Patty Packard and a couple of others to help serve it all. They all remarked at the tremendous quantity of food for the old folks as well as all the food and candy for the free-bingo. The money had been raised by the Landmark Showroom's Big Joe and cast crew for the luncheon and to finish the purchase of the Empress Ginger bingo machine so it is now called the Empress Ginger-Big Joe & Landmark Bingo Machine. Over \$75 in candy and food were given away afterwards. It was a wonderful event, one the elderly never forget. The next luncheon is St. Patrick's Day at the Christ Chapel dining hall.

Patty Packard serves up some!

A bunch of the ladies.

Conan, the singer and recording artist helped cook the food along with Robert.

That's Empress Tessie who came out to help Rev. Ray serve.

That's a few of the fine troupe who helped serve the luncheon including Foxy.

A better view of some more of the ladies who enjoyed the bountiful luncheon of the OFDL!

Nun Talk

by Sister
Missionary Position

What emerges clearly from the editorial statements of the self-proclaimed "responsible gay leaders" (hereafter referred to as RGLs), Paul Hardman (Voice) and Charles Lee Morris (Sentinel), is their naked political opportunism with the "Cruising" controversy. Unsuccessful in their attempts to have Mayor Dianne Feinstein defeated, they have used this situation to return to the Mayor's good graces as her political ally.

All those editorial kudos for a Mayor and Police Chief who are credited with stemming a violent protest from a second story window! Poppycock!!!! It was the monitors of the groups SMC (Stope The Movie Cruising Committee), that kept the peace that night (Editor's note:.... what about the 400 or so police officers?) not an over abundance of unseen police.

Let us indeed consider the facts. In two editorials prior to the movie's release, Charles Lee Morris ignored the very real issues of violence done against gays daily in this city. (I suggest the biweekly CNAV articles as required reading for our self-assuming RGLs). Instead his editorials assisted TransAm in their simplistic reduction of this controversy to one solely of First Amendment rights.

Publisher, Paul Hardman castigates Supervisor Harry Britt for not attending last minute meetings of the Mayor and other RGLs to address their fears of violence from the gays who were planning to exercise their free speech rights by protesting big media bucks spent to vilify us.

Another distortion was the grossly misleading picture in the Sentinel's coverage. While not jibing with their news editor's story of an essentially peaceful protest, the caption would have us believe the protestors were the ones prone to violence.

To me the picture shows a "Market-Street-type" attempt to crash through the line of protestors - an interpretation supported by friends on the picket line, AND by the Sentinel's OWN reporting. Or is it that publishers, like movie directors, seek the sensational over the representational?

On one point I agree with the illustrious RGLs. "STOP THE MOVING CRUISING" was not the best choice of names for the group.

Again, the facts: It was the SMC, not any RGL who called for a boycott of TRANSAM (while praising Mayor Feinstein for her support of that boycott, the Sentinel fails...to so credit its source). It was the SMC not the RGLs who sponsored a public forum on the conflicting issues (why didn't the Sentinel cover that event?) Finally, it was the SMC not an RGL nor a mayor nor a police chief who staged and monitored a peaceful protest at the St. Francis.

In summation I call upon the gay community to repudiate such opportunistic RGLs who would seek self-aggrandizement with their political cronies at the expense of confronting the threats and acts of violence against us whether perpetrated by thugs, by cops or by corporate spending. Yes, the community does indeed need gay leaders who are responsible, but not profiteering publishers masquerading as the former while merely delivering cloned consumers to their captive advertiser.

"A PERFECT RELATIONSHIP"

This comedy by Doric Wilson has set new highs in gay theatre standards in San Francisco. Directed by J. Kevin Hanlon, (an extremely handsome man, indeed!) is playing every Thursday thru Sunday until the end of the month of March.

This production, hailed by the San Francisco Crusader's own Theatre Editor, Carl Driver, as, "A superb hit, extremely professional and almost flawless production....in the NOT to be missed category." Carl gave it a FOUR STAR rating, something he seldom does to any production.

Alan Estes, the guiding light, of Theatre Rhinoceros, is to be congratulated upon this excellent work and for having the courage to "keep at it" as he has done to keep the Theatre going. Alan drives a taxi from time to time to keep it all going. There are other fine people in Theatre Rhino, but the San Francisco Crusader's own guiding light, has not yet had a chance to meet all of them.

In a visit with our own "guiding light" Estes and director J. Kevin Hanlon explained that his production was playing to packed houses and that the gay community has at last accepted the fact that Theatre Rhino is here to stay, and support is coming for it from all quarters.

The handsome director Hanlon has now gone back to New York, but the production goes on. Congratulations all!

Central City Neighbors Association

CCNA (Central City Neighbors Association) CALLS FOR POLICE CRACKDOWN ON SECOND-HAND JUNK SHOPS IN AREA: CCNA REQUESTS THAT POLK BE MADE ONE-WAY SHOUTH TO HELP EASE TRAFFIC JAMS ON POLK!

The CCNA has requested the San Francisco Police Department for assistance in halting the rising tide of illegal junk and second hand shops in the CCNA area. The SFPD Central Station has responded they will do all they can and are currently checking into several locations. Officer Ray West of the Central Station has to CCNA that he is delighted at community support of enforcement of this law regarding second hand and junk shops. The law requires all to be licensed by the SFPD. Persons having any arrest/conviction records either in California or out of state will not be issued a permit.

The CCNA has requested the assistance of Supervisor Ella Hill Hutch in helping to ease the traffic problems on Polk which also contribute to the crime problems of the area, by turning Polk into a one way street, south from Broadway to McAllister, and turning Larkin from California to Broadway, one-way north to complete an orderly north-south traffic flow. The Polk Street Merchants Association for reasons most agree are greed, oppose such a step. It is hoped that the residents and businesses of the area will join the CCNA in this important step forward for the area.

The CCNA request for "Walk" signals at Larkin and Geary and at Geary and Van Ness have not been answered as yet. The CCNA executive secretary has related that the Supervisor for the area, Mrs. Hutch has not responded to this matter as yet, but it hoped she will do so soon.

MUNI FARE INCREASE, the CCNA has been on record as being opposed to any MUNI fare increase, but at the last executive meeting the harsh facts of reality were presented and the executive committee has voted to favor an increase of TEN CENTS all hours, which would make it 35 cents, with an increase also for the Cable Cars to \$1 without Fast Passes which means that the tourists and the occasional rider would foot the bill which CCNA felt was only right. But CCNA strongly opposed any fare increase for the seniors who do not own their own homes and that too many seniors own their own homes in outer areas of the city and should be made to pay regular fares.

CCNA supported strongly the Moratorium on all new bars, restaurants, dance permits, entertainment permits and bath houses for the Polk Valley area from Geary north to Broadway and west from Larkin to Van Ness. The Board of Supervisors is holding hearings on this now. Any inquiries of CCNA or letters to: 777 O'Farrell St., San Francisco, CA 94109.

GAY G.O.P. EXPERIENCES ROUGH TIMES

The CRIR (Concerned Republicans for Individual Rights) has had to take refuge in the gay humanist church/MCC on Eureka Street in order to hold their meetings now. In a move that was obviously motivated by the lack of funds, the gay Republican group has taken the offer of free space as they obviously do not have funds or members with a place to hold their meetings. CRIR has certainly taken a giant step backwards and down since the founding of the gay Republican Club by Tom Isenberg.

They will be holding their next meeting in their "welfare" meeting place on Monday March 17th. They have a science fiction writer? as their special guest speaker, as well as the president of a gay Democratic Club? The gay Republicans are not so Republican anymore...welfare, spacey and laborites?

CHARGES DROPPED AGAINST STUDIO WEST COUPLE

Frank Cashman and Aaron Sineinikoff who were arrested for allegedly running a place where narcotics were sold on December 22nd, have found the charges against them dismissed by Assistant District Attorney Chris Kasun and Municipal Court Judge Ray Williamson, both very liberal politicians. Assemblyman Willie Brown is the lawyer for Studio West. Studio West faces permit revocation hearings in the near future according to the Chief of Police's Office.

KILLER OF FLORIDA GAY MALE GETS 25 TO LIFE

Wayne Reed Golden who used to hang out at the Old Crow, a Market Street bar known for hustlers, who was convicted of killing the wealthy 77 year old Howard O. Phillips, received 25 years to life for the deed.

CHARGES DROPPED AGAINST "RUSH" OWNER

Two misdemeanor charges against W. Jay Freezer of Pharmex, Ltd., which made the sexual stimulant "Rush", were dropped. Freezer had been charged with maintaining fire hazards at two warehouses which burned to the ground recently, south of Market.

CRABS

THOSE CREEPY CRAWLING THINGS
AREA GROWING IN NUMBERS.....
.....DO YOU HAVE 'EM?

The difficulty concerning the placing an article about Lice & Mites in any publication, is that no advertiser wants to be on the same page as the article, and articles concerning an event or place "twit" about being placed near this embarrassing subject.

LICE (also known as CRAB LOUSE) and MITE (also known as SCABIES) can be "caught" from a toilet seat (either his place, never yours, we're sure) and very commonly the public toilets and from "gloryholes" and most frequently in "privateclubs/baths" due to mass amounts of being passing through.

They are identical except for the infesting organism, which in one case is a LOUSE (crab) which is a full grown insect, and in the other, a mite (a microscopic organism).

The LOUSE/CRAB is the *Phthirus pubis*, and as the second word in the Latin name suggests, the favored nesting ground is the pubis (pubic areas). This LOUSE is called a CRAB due to the fact that under a microscope it looks very much like a real crab, with pairs of claws and four pairs of tiny legs. Without a microscope it looks like a brown dot, about the size of a pinhead. The MITE or "Scabies" is too small to be seen with the naked eye and its chief symptom is intense itching.

These dirty bugs can be transmitted by CLOSE CONTACT, not necessarily sexual, or on bedding, clothing, or other personal items. Scabies can also be transmitted by dogs, cats, or other animals. And don't forget the eternal resting and catching place of crabs is the toilet seats and gloryholes of America.

TREATMENT, or the killing of your unwanted friends is by the most generous application of gamma benzene hexachloride which is sold in cream, lotion or shampoo under the brand name Kwell. Follow directions on box!

PCP

gle to the top....he was so loaded he didn't even know he was drowning..

PCP has a "flashback" after effect. For some who have used PCP only, they relate tales of how they have gotten highs yet didn't take the drug....this is a flashback, similar to that of LSD. Yet, with all the true horrors of PCP still silly gays continue the use of it and damn to hell and all who try and keep them from it's use. The same goes for the "speed-freaks".....in fact, the reactions of most who use PCP is the same as a "speed freak."

To date, there has been no concentrated effort by any group within the gay community to try and halt the use of PCP....only the CRUSADER of all the gay papers prints articles about the drug plague which abounds. Some disco owners have refused to allow the paper in when it has an article on drug abuse, saying they don't want to put any of their customers on a "downer."

SPEED

Poet ALLEN GINSBERG Talks About Speed And The Effects Of Speed.

Let's issue a general declaration to the community, contra speedamos ex cathedra, "speed" is ANTI-SOCIAL.....PARANOID MAKING....it's a drag, bad for your body, bad for your mind, generally speaking, in the long run, uncreative. And, it's a plague to the whole "pot" industry. All the nice gentle dope fiends/pot heads are getting screwed up by the real horror monster FRANKENSTEIN! SPEEDFREAKS who are going around stealing, and bad-mouthing everybody.

The answer to it, I would say, is somehow put the speedfreaks in relation to doctors and naturewhat the government ought to do is establish quiet farms-mountain-wilderness-fresh air-heated ong cabins where speedfreaks can go with their friends, girl or boy, (if they have any friends) and get out o of the city where speed is available and get back to the refreshing influence of nature. They're getting all dirty fingered handling the garbage in the city, and they're getting all sorts of electronic horror vibration is. It's the worst thing in the whole drug scene that I know of, the one thing I can't figure out what to do about.

I've used speed briefly, like for a day for writing, but the use of speed over two days tends to lead to IRRITABILITY and insistency..... and a kind of Hitlerian fascist mentality, which may be the byproducts of real perceptions of interest. But generally the interpretations of are over-forced with too much will power and insistency so they're always leaning on everyone else around them. Trying to FORCE everyone else into their universe. It's not a common universe that is the problem, it's not one everyone can participate in - - - the speed-crystal universe. Speed was originally invented by the Germans for use by their pilots in bombing England, so it's originally a kind of totalitarian synthetic. The physiological problem is, that is you stay up three, or four or five days, you tend to not eat well enough to nourish your body and pretty soon there comes to be a metaphysic of despising your body out of that crystal universe. Speed is ugly and it does kill you.

ALLEN GINSBERG

Speed is used so commonly in the Tenderloin in the bar scene all over town, Castro, Polk, South of Market and the Haight.....speed makes you a vicious unreasoning person, a very sick person who will die because of the use of speed either by violence or through the continued deterioration of your body, your brain cells, which are so badly affected by the speed. SPEED KILLS is not just a saying....it is a fact.keep away from those using speed. rev. ray.

Key to the Stars:
+ - not recommended * adequate theatre, appeals mainly to specific groups
+ + - good points outweigh bad + + + - highly recommended, very good
+ + + + - superb, don't miss!

AN ABSOLUTE "TOUR DE FORCE"
"I LOVE MY WIFE", Best of Broadway Series at the Curran, Tes-Sun, limited run, call 673-4400 for info.

Take a one joke script (wife swapping between best friends), belabor the joke so it lasts two hours, add some not very memorable songs and one has, at best, a pretty slight evening's entertainment until...one adds Tom Smothers. Then the mediocre becomes marvelous, the mundane, hilarious. This consummate comedian does as much with the simple act of undoing shirt buttons as most anyone else can do with the funniest lines.

The sets by David Mitchell are opulent and eye-catching, the orchestra/chorus is interestingly and innovative used on stage in constantly changing costumes ranging from togas to Santa Claus suits, the other three principals, Dick Smothers, Louisa Flanigan and Maureen Maloney are each fine but it is Tom who makes the show his own and gives the audience a rare treat indeed!

FUN, NOT AT BUT ON, THE MOVIES
"A HISTORY OF THE AMERICAN FILM", offered by ACT in rep, 637-6440 for info.

This play with its somewhat confusing title which sounds more like a graduate seminar than the extremely funny and enjoyable evenings entertainment that is actually, offers not so much a history of Americana film as wonderfully accurate cartoons of actors and actresses. Hollywood is satirized but with such a loving hand that not even the most dyed-in-the-wool movie buff could take serious exception. The script is not without flaws, a little long, a few skits that don't quite "play." But these minor

faults are more than made up for by a stunning and at times, literally breath-taking production.

Outstanding in the large and excellently versatile cast is Daniel Davis' portrayal of Cagney-Bogart-Burton among others, Marrian Walters in such opposing roles as Ma Joad (Grapes of Wrath) and the Blessed Virgin (Song of Bernadette) and Isiah Whitlock, Jr. as a drag black maid, while the superb Busby Berkeley take off alone is worth the price of admission.

AN INTERESTING, SENSITIVE "HEDDA"
"HEDDA GABLER" at the Berkeley Rep., Tues Sat at 8, Sun at 2 & 7 thru March 23, call 845-4700 for info.

Julia Odegaard is a standout in this revival of the Ibsen classic, wisely eschewing the scenery gnawing approach so often given to this extremely complicated character and presenting, instead, an amazingly accurate and three dimensional portrait of one of the arch villainesses of theatre. Nor is she helped in the least by the blatantly two dimensional presentation of the rest of the cast. Paul Laramore plays the admittedly stick role of her husband with silliness rather than stuffiness, Charles Deana as Judge Brack never comes across as the close friend of the family he supposedly is but from his first entrance projects oily villainy. Howard Poyourow as foredoomed Lovborg starts out strong but weakens his interpretation by switching from period acting to a jarring modernism while the three minor female roles are presented with such stock movie characterizations (the dotting old maid aunt, the devoted old family retainer) as to be trite in the extreme.

Jesse Holis' set and Cathleen Edwards' costumes nicely evoke period and mood but it is Odegaard alone who raised an otherwise mundane production into one worth seeing.

AN AUSPICIOUS BEGINNING

"CAT ON A HOT TIN ROOF" at the Old Venetian Bakery Theatre, 2200 Powell, Thurs-Sat at 8, Sun at 7, call 221-333, x426.

San Francisco's newest theatre company, Quantum Leap, has begun their announced two year residency at the ex-bakery in Northpoint with a vibrant and often compelling production of the Tennessee Williams' classic. With an enlarged 'house' and new seats, this space now seems to be one of the better small theatres of the area.

The production sports an excellent set, and unusual but valid interpretation of Brick, the drunken ex-football star (Shan Sullivan projects rather more ingenious charm than even Paul Newman gave the movie) a powerful but too-shrewish Maggie the-Cat (Caroline Arnold) and an exceptionally strong 'Big Daddy' (Joseph Darling) except that he dresses (double breasted brown suit, green shirt) more like a Kansas City used car salesman rather than a Southern planter who owns "28,000 acres of the richest land this side of the river Nile." Unfortunately director Carla Sarvis has set so frenetic a pace through much of the show that lines tend to get lost and the audience tired. Sjela Lichrie gives a nicely shaded performance as the less than admirable sister-in-law.

BASIC HUMAN PROBLEMS

"AND THE SOUL SHALL DANCE" at the Asia American Theatre, California & 6th Ave., Thurs-Sun thru April 6, 752-8324 for info.

The most interesting aspect of this play about two Japanese born families in California's Imperial Valley in 1935 is that although the problems seem on the surface, to the particular to these people in that time and place they are, on a deeper level, the eternal problems of mankind: financial security, the generations gap,

The Investiture of Empress Tessie will be held on April 1st at the California Club, 1750 Clay Street, between Polk and Van Ness Avenue. It will be on a Tuesday nite and begins at 6:45 PM with the Ceremony commencing at 7:30 PM S-H-A-R-P!!!! MAI TY will be doing all of hard work putting it all together along with former Grand Duke Fred Townson. It should be a fun filled evening and tickets are becoming very short in supply so if you want to attend you had best get you tickets now or it will be never. Advance tickets are \$6.00 and at the door they are \$8.00 so get ahead of Empress Tessie at the Imperial Palace, 222 Hyde Street for you cash in advance tickets.

Landmark

Changes for the Landmark Showroom, at 45 Turk Street. Big Joe who has charge of the Shows every Thursday thru Sunday is in charge of things along with the legendary Tenderloin figure Bobby Allison. Bill White has left the Landmark for other employment. Mr. Harry Ho and Big Joe unveiled the plans for further changes inside the landmark gay bar, with the old booths coming out to be replaced with tables and chairs thus increasing the seating capacity. In addition, dinner s will be served there on a nightly basis with a fantastic Sunday Brunch being planned in the near future. With the demise of the Trapp (to be torn down for a Mormon-owned Ramada Inn, courtesy of Mayor Dianne Feinstein!) the Landmark will be the oldest gay bar in the Tenderloin about the oldest in the entire city. Congratulations to the entire staff of the Landmark.

....JERRY DeFORD of the NEW MINT YANKEES CSL softball team wants to end the royalty trip and wants all to let it be known that he is anti-drag...and sez that the awful GGBA is what gay life is all about. SICK!

....What do GEORGE, MIKE ANDERSON and DUKE and JAMES A. all have in common??? With the exception of JAMES A., they are all ex-husbands of JJ VAN DYKES...JAMES A. and JJ recently celebrated their FIFTH YEAR together...but of course, JJ has been out of town for two of those five.

....KEVIN WASTWORTH, "Republican-for-a-Day" is so busy trying to be all things to all people that one GOPer recently called him, KEVIN WORTHLESSworth, and sez KEV's a "Closest Democrat!"

....MITCH DEWONE the huster of SHERMAN looks like OMAR who???...judge for yourself...his pic in the MOCKINGBIRD on page 15 tells all.

....MICHAEL STARR and BIG D had a wedding that ended in a brawl with MICHAEL taking a piece of cake and pushing it on the head of BIG D after he had taken off BIG D's wig and then slapped the wig back on BIG D's head on top of the cake

....And as far as the girls at the MUSTANG RANCH dear MISS PRISSEY...with your vile tongue and looks you sure could never bee one of them, for they are LADIES!

....The "I WORRY FOR" list of JERRY DeFORD includes such people as...IRENE; HARRY BRITT; WAYNE FRIDAY, and RICHARD BLUM!

....ROBERT RUNKLE of the BOB BEENY COP INFORMER FLATS had a run in with a mad knifer recently and it was a real slicer. the MOCKINGBIRD

This is a purely camp/gossip column about people, places and things, rumor-ala-queens!

This is ROSE BUCKLEY who is now out of the VA Hospital and looking so well. He was at the anniversary party of the nice YAGABOND the other evening with BIG JIMMY and Empress TESSIE.

to the jurors who were appalled at his "language" because he tried to "blackmail" one of his former models into coming back to work for him. At least his is what the model said on the witness stand at his trial...because he is out on bail pending appeal...I guess that is why he says does so much evil to so many good people who went too far out of their way to help this obviously lost person...who is E. LEE CLIFTON?...well, a nobody really, that's why he has to assassinate everyone's character who tried to help him, he's growing very old and he is so lonely...something like a wounded owl, flapping along the ground that reaches up to rip and tear and bite at those who try to help him...poor E. LEE CLIFTON...poor RICHARD ELMON! God forgives and loves all, even you sir. We all forgive you for we just consider the "source"! "Quality" Mr. Hardman, with columns like that and the tacky maps etc., you can hardly call your paper... "quality"! Good luck anyway with anything positive you might try doing...and being vindictive is not positive. Try publishing a paper with dignity!

Now!...enough of that kinda serious kaka!

Didja hear?? DAVID "STELLA" STOLL woke up his roomie ROY (also known as "Faye Roy") with a bed squeaking and he was yelling and hooting and he was just sounding like he was involved in the movie "Cruising"...but he was being "balled" by the sex-stud of the MUSIC HALL...one JOE TREINEN whose pic is on this page and is one hung wild card stud for real! Yes, dead serious, one young JOE obviously got very penetrating and poor STELLA finally had no need for her pet didoe!!!!!! It is rough of ROY's sleep tho...but here is the real goodie...DAVID has this wild affair...right?..well it seems that later last Sunday, when BOB CHARROT who had heard all about it, confronted JOE with his wild affair...JOE replied, "Gee BOB, I did have a wild time with a bartender with the NEW BELLES SALOON...but, I don't even know his name!"

Dear STELLA...you DO leave a lasting impression...don't you dear heart??

...p.s...JOE, save some of that nine and one-half "for ME!"

Didja hear!!! That the vacationing (in Hawaii) out of sight and sound man... BRUCE "Mouth" TRONSON likes to play busf... yes he is so true... his mouth seats 12 you know!!!

TERRY HERZBERG of the Nob Hill Cinema...he wants to be an actor. Well, you coulda fooled me!

Why did SF LITHO and the Rev. Ray come to the parting of the ways?? Well it seems that after a more than three year association with CC...the Rev. got fed up with his temper tantrums and bigotry...and all the trouble SF Litho caused over a check with a whale...and over CC hiring anti-gay things to work in a gay neighborhood print show...and tired of CC bad mouthing good paying clients behind their backs...and for CC association with a real nazi...and for some really pip things. CC hazza bigga mouth...hope he learns to keep it closed!!! Hi! Hezekiah!!!

86ED FROM THE BALCONY? Yes, 'tis true, the infamous... the lewed, the "queen of bushes" the one, the only, FAYE ROY HARNETIAUX (or Honey Toes) has been 86ed by the Balcony for ALLEGEDLY carrying-on! We all know that ROY would never do something like that...don't we? ROY is holding class at the LE DISQUE days, Sunday and Monday, and evenings, Wed, Fri and Sat. Very "gay"!!

TERRY (ARENA kind) is feeling better and sez his back is not hurting as much...guess JIM (ARENA) is not on top anymore. TERRY by the way, it is reported he wore something other than leather and levi once upon a time at a L.A. M/C function...guess NASTY NAN can tell us what it was he DID wear.

BOB BUSH where in the hell are those pics?

A belated Happy Birthday to GEORGE BANDA of CLUB DORI (what is that anyway?) and LE DISQUE (I know where that's at guess they have MEN there!). That is with the exception of bartenders who get 86ed from the BALCONY of all places. Now that is some feat in itself! Well, how does it feel ROY? or was that the reason you got 86ed... the "feel"?????

DALE & BILL have moved into their S of M home. From Nob Hill to south of the slot!!! Enjoy the goodtimes kids and forget the badones!

Don't forget on June ballot to leave-out Leftcourt. A real phoney if there ever was one... vote for a real judge...see the next issue for the name. Remember "Leave-Out Leftcourt!"

FATHER EUGENE has had to close down the much needed St. Thomas Aquinas Halfway House...simply no funding...a real loss for the community.

Don't forget, church services each Sunday at the TRINITY Community Church, 51 Pond. It's very gay!

BEAU of the ARENA is into hangings...wheels that is!

Remember!!!! BRUNCH is Beautiful a JACKSON's, 2237 Powell, each Sunday afternoon, then go to the fleeks at the Northpoint! KEITH PARKER is the chef at Jackson's...MARIA... you just don't know how fortunate you are to have him. You should light a candle each day for Keith.

FRANKIE of LE SALON has a new lover??? his name is JOHN and HE works at LE SALON and has very big blue eyes and lush red hair and is intelligent too. Oh well, even if it isn't true...I got to tell something of JOHN.

Don't forget...do go to KIMO's for his St. Patrick's Day bash...it'll be about the biggest in the city.

JOHN of GEARY EVERGREEN now has a fulltime worker... GEORGE has quit his job at the building and is at GEARY EVERGREEN full time...JOHN, your shop is evil...for some of us can't resist buying things when we come by and/or in. Beautiful so beautiful plants...almost as beautiful as JOHN.

Getting ready already for the Grand Duchess race is TRACEE who feels that he'll win purse down... provided he doesn't have to take another "vacation" at San Bruno. He loves the lush green hills, but the bars do get in the way.

JIM CHICCARILLA... a luster of chicken...is still at the END UP... counselling the young men in his "own fashion." Guess if you worked for him you would need a shrink! The END UP is the only disco in the land that has a resident psychiatric social worker as manager. But, there are better ones shrinks that is...the END UP is fine...inspite of JIM CHICKERILLA!

GARY, daytime barband at a bar on Folk and Pine. Sexy dude gets all the big men too!

This is KIMO trying to bribe this reporter to not print this terrible pic of him with one of his famous "Cherry Cola's". KIMO is preparing for a huge St. Patrick's Day bash, Monday March 17th... guess that's why he has that silly look on his face! FYI be fun with KIMO KELLY!

STEVE WHITNEY who blew two grand and some guys too from all reports on his "NASTY" affair is so happy with publisher CHARLESS LEE MORRIS of the SENTINEL who wrote that the "NASTY" people gave away some BLEEP to all people who came in the door. Dear Mr. STEVE with "friends" like ole Charles Lee Morris (who dies and comes back to life once in awhile)... you don't need any enemies... after all...even the SFPD Narcs/Vice do read the SENTINEL...be it that this is the SENTINEL's way of being a police informer. Sweet Chuckie Poor, real sweet you rotten bitch!

HEAR YE HEAR YE! Let is be known to one and all that the officials at Grace Cathedral have let it be known they have never heard of a BILL TYE let alone him being a monk or priest up there. He is CHUCK DEMMONS roomie and was the campaign manager of the loser REMY. Remy, does that mean he rims?

The LANDMARK SHOWROOM wants it known to all that they are fed up with the "royal phonies" who like to have their names put on flyers for upcoming events and then do a NO SHOW! Oh well, some of them you are better off without anyway kids!

Oh yes, how much did your Board Member take off with recently? Oh yes, how much did your precious OC keeper of the coins make off with? When you go to throw shit at HL PERRY dear flake... take a long look at your own organizations "skirts"...they have lotta shit in them and on them!

Above is, uh, hrm, I forgot his name, but he is a MAN and he does tender the bars at the fabulous MUSIC HALL (all nite dancing every Fri & Sat)...Membership disco.

The Tenderloin is "tattling" about the day that hung DAVID (alias Denise) went to buy some shoes... he was dressed in his usual "midnite cowboy" outfit... boots, cowcap, leather jacket, chains, etc., and went waltzing into the BIG FOOT SHOE STORE and bought a pair of high heels...the sale lady was wrecked at this "macho" number setting there trying on high heels. He DID buy them, and later that night, while in drag, he fell breaking both heels. Dear!

ELMER WILHELM has been nominated for a Workhorse Award for the Gay Community Awards... and he has been a trem' endous work-horse for the gay community...hope he wins.

TERRY & JIM, lovers, who are two "regulars" of the Landmark are considered as the "last of the big spenders!" (Passes! Did I get that right David?)

Oh yes, the Gay Community Awards have nominated our CRUSADER as said before, for Best Media, but they for the first time ever, left out the B.A.R.... betcha that WAYNE WEAKEND's mouth caused that!

Oh yes, the LANDMARK SHOWROOM has a doorman daily now, from 10 am til 2 pm daily daily, with DAVID always out front of the place...but BOBBY ALLISON tells us he is not on the payroll so it must be a "labor of love!" DAVID is all heart!!!!!!
