# CASTRO to DIE!

26 Homosexuals Castrated by Cuban Police. Castro has been "targeted for a hit" by Moscow.... Over 60,000 Soviet troops now in Cuba and Carter Administration is silent. Why?

**NEW ORLEANS:** Fidel Castro will be a very dead man within a few months if intelligence reports from the communist island nation are true. Russia, increasingly unhappy with Castro's ideas of independent thinking, have for years groomed Castro's brother, Raul. Raul, now 48, has been the favorite of many insiders in Moscow to replace the stubborn Castro, for some time. Raul Castro has made no secret of his desire to take complete control of Cuba. Raul now, is the head of the Cuban version of the CIA. And Raul Castro, unlike his brother Fidel, wants to step up activities in Central America. Raul was connected recently with the disturbances in El Salvador and visited the "liberated" nation of Nicaragua on a "peace" mission from Cuba. Russian made guns were used by the rebels when they overthrew the corrupt Somoza government.

Raul Castro recently made a speech in which he denounced "stepped-up measures taken by imperialism (the United States) to create an economic and political ring around the Soviet Union." Raul charged that this has endangered the island nation of Cuba, because of its "physical closeness" to imperialism. Raul Castro then ordered the Cuban Army on alert "without panicking, quietly but without overlooking the slightest detail." Cuban in January at the insistence of brother Raul, closed all airspace near the Isle of Pines, giving rise to reports that Soviet military activity has increased on that island.

On January 25, 1980, 15 Cuban-born U.S. citizens visiting the island were imprisoned by Castro with little activity from the U.S. State Depart

"No!" "I'm not going to the CDC Convention. I'm simply too broke to afford the luxury of going to L.A. and see and hear a bunch of never do nothings (except run their elitist mouths) go through their exercises in giving their endorsement to Jimmy Carter, who is starving my elderly people to death. To listen to a bunch of screaming radical leftist women and their homo-counterparts screech that "sexism is the most important issue facing the Democratic Party in the 80's!" I shudder when I see and hear some of the sick mouthings of the "grass-roots" activists of the Democratic Party. They care far more about halting nuclear power than they do about keeping people alive on a daily basis...like, eating at least ONE meal a day...paying the rent, being able to buy clothes and at least being able to take a bus from downtown out to the hospital to try and find medical help or at least die in dignity, let alone go to Los Angeles for a do-nothing convention. No, the money I save from not going I can put into the April old folks luncheon Sorry Elmer, sorry Mark Davalos and all you other bleeding heart liberals, but surviving is the most important thing to Americans today....regardless of what Harry Britt says.

## RIPPING OFF THE OLD FOLKS

Yep, the do it everytime. The Dalt Hotel trip is a mess. On one side you have the "do-gooders" who think they are helping, but in reality they are making things worse. On the other side you have rip-off real estate speculators. Who gets hurt? As always, the old folks.

If the "do gooders" really wanted to do something constructive....they should take a hard look at the porno king, Earl S. Kuhns, and what he is doing to the old Hyland Hotel....111 Taylor. This place once held alot of senior citizens, but a fire

burned them out. Now, good old porno-boss Earl Kuhns sees an opportunity to make many big bucks there....so he buys the whole corner building and is now stripping the blasted place inside out....destroying all those rooms over a 125 living spaces DOWN THE DRAIN....and for what?? Good ole porno-king Kuhns is going turn the place into somekind of lavish sex palace on a larger scale than the Mitchell Brothers could have ever dreamed. Yet NO ONE of the "bleeding heart liberals" (Britt, Hutch or Ward) even lift a finger or bat an eye as this porno-palace goes bigger than big time and at the EXPENSE OF THE ELDERLY. We need housing....and we need it bad....why is the city allowing this porno-czar do this to the Tenderloin? Why is District 5 Britt who loves to meddle in District 7 affairs quiet on this? Is he afraid of the porno-boss? Oh well, does any of the Supervisors or those very dim Gray Panthers really want to do something? If so, here is the perfect opportunity. And the guy doesn't even have the proper permits to a single thing he is doing....why, how?? Any answers out there??? Oh yes, Earl S. Kuhns is the guy who owns all those eyesores (Frenchy's K&T dirty bookstore.)

**HERE COMES THE JUDGE....** V. Roy Lefcourt is a very interesting person, a highly intelligent person and the kind who should be on the Municipal Court bench as the Judge. He is running this time around. He is now working in the Public Defender's Office. Certainly what he has to say has merit. Give him a listen and I am sure you will vote YES on V. Roy Lefcourt, judge.

PCP (Angel Dust), a real killer has taken the life of Jack Sheets. So senseless. Drugs do kill!

## New Pastor for Holy Trinity C.C.

HOLY TRINITY COMMUNITY CHURCH ACQUIRES NEW PASTOR AND NEW WORSHIP SITE. Effective Sunday March 30th at 1:00 P.M. the Holy Trinity Community Church will no longer meet at 51 Pond, but at 16th & Noe at Market Street, in the Upper Room of the Trinity Methodist Church. This according to Rev. Skip Anderson, the outgoing pastor of the fast growing Congregation.

Rev. Anderson and Rev. Sisson will be moving to open a mission church in the city of Tulsa Oklahoma. Sisson had graduated from the Oral Roberts University there. Replacing the Reverends' Anderson and Sisson will be Rev. Michael Arbuckle. A name familiar to those gays of the East Bay area, as he was once upon a time associated with the gay church, in Oakland.

Rev. Arbuckle comes to San Francisco from the Los Angeles sister church of Holy Trinity C.C. On Easter Sunday April 6th, Holy Trinity will not meet at 16th & Noe but elsewhere for this one Sunday only.

## GAY D.J.'s CLAIM "TAKE-OVER" BY STRAIGHTS.....

BADDA (Bay Area Disco -Deejays Association) was formed several years ago to help the D.J.'s in the various clubs to gain records from the various record companies and to exchange information with one another and serve as a pool for the D.J.'s. But with a power-play by the D.J.'s from the Studio West of Frank Cashman, the gays have all been ousted from office and Cashman's own Studio West D.J.'s (three of 'em) have taken the top spots.

BADDA is now a very powerful organization and this could have an effect upon what records are played in the various clubs. There are some "anxious eyes" on BADDA now and will be as long as the group who holds power remains so.

## JACK SHEETS KILLS SELF

Jack Sheets, an extremely handsome young man who for some time was the doorman at Alfie's a popular Market Street dance bar, was found dead at his home in Denver Colorado where he had recently moved. He had been working for the Ballpark Baths in that city. He was extremely popular and certainly this drug related death leaves all who knew him, sad.

## Cop tried to hit Gay man,

.....?

SFPD SOLO PATROL OFFICER ACCUSED OF TRYING TO RUN DOWN DISABLED GAY MAN.....

Thirty-eight year old Richard Allen who resides in the Polk Valley area, told the CRUSADER that he filed charges against solo motorcycle officer John J. Grizzel (star 1569) of Company K (Traffic) for trying to run him down on Sunday March 10th as he and his young friend Thomas Fenwick were crossing Howard at Seventh Street .....

Allen, who is afflicted with cancer, has difficulty walking and was walking slow, the solo motorcyclist Grizzel became angry or irritated from reports, and headed towards the slow moving Allen narrowly missing him, and then turning into a filling station, turned to make another narrow pass at Allen, with his friend Fenwick jumping to safety.

Allen at the time was wearing "full leather", which the officer made note of. The officer having then pulled up after narrowly missing Allen the second time, and gave him a traffic ticket for crossing against the light. Allen has filed a complaint with the SFPD Internal Affairs and with Supervisor Ella Hill Hutch's office.

President Jimmy Carter is strongly supporting a proposal which would allow the IRS to use any and all methods to harass, persecute and prosecute taxpayers (just the little guys, not the big corporations.)

This is found in Carter's 1981 supplemental budget request. Already, Congress is debating the administration's proposal that a new secret court be given power to authorize covert government intelligence agents to even break into your homes and offices as well as to open your mail. Spying such as this is already done by the CIA and FBI and other intelligence agencies, and would be given the green-light only if the President felt that the investigation "was essential to the national security."

BUT, the IRA does NOT need a Presidential order.....or even a court order. CUIP (Coordinated Unreported Income Program) was "established to initiate a service effort to identify and investigate individuals..... engaged in occupation and activities both legal and illegal, which historically have had a low level of compliance."

Such spying investigations have been conducted on "referrals."

For instance, if you have a trust fund, you are also an IRS target. Paying informants and undercover work are also authorized by the Carter proposal. This comes under "Expenditures for information."

IRS agents are told that "Many criminal cases investigated by special agents cannot be successfully completed except through the use of informants and direct purchases of information... in addition.....expenditure of funds is required to lay the groundwork for the procurement of information. This would include undercover work." Agents are instructed to refuse to divulge any information of the CUIP operation, even under oath. They are instructed to tell the court that the information is "privileged."

Just how far the Carter proposal goes is not known at this time, but the office of Congressman George Hansen (R-Idaho) has been doing extensive research on just how far the IRS has been going in investigations to date. It was Hansen's office which uncovered the Carter proposals for CUIP. Carter told the Office of Congressman Price (D-Illinois) that, "This type unit is necessary and could gain additional millions of dollars in revenue." Price supports the CUIP operation. To date, hearings have not begun on funding.

## ED CLARK fires Gay lawyer

Ed Clark, the Libertarian Party's candidate for President, fired a gay lawyer according to a news item in the *Valley News* in southern California. The Libertarian Party espouses gay rights allegedly, although it has shown that it attracts a wide variety of people to its banners such as radical right wingers and radical leftists, and all who would do away with the overwhelming majority of the gay rights we have won, was the observation of the Gay Caucus of the Democrats. Ed Clark is employed by the huge oil conglomerate, ARCO (Atlantic Richfield) and is associate general counsel for ARCO, and according to the newspaper report, fired gay man, Robert B. Murdoch, 39, for being gay. Murdoch had been with ARCO for seven years as an attorney in corporate law. Clark had no comment when asked by the CRUSADER in a call.

VD IS 'SEX POLLUTION'

OR

"DON'T GIVE HIM ANYTHING.....

# V.D.

SF CITY CLINIC, 250 FOURTH STREET

VD is a sinful thing....especially if you are giving to other people...it is really something that you should not give away. In fact, don't even keep it...get rid of it.

VD is Venereal Disease....and there are two types of them...SIF (syphilis) and CLAP (gonorrhea)...both are DEADLY but they can be cured.

SYPHILIS IS VERY CATCHING AND ONE HELLAVALOTSOF FAGGOTS ARE CATCHING IT.....Oh yes! "The siff" is deadly! It can cripple.....lead to blindness and insanity and it has KILLED A MILLION AMERICANS (adults) three million babies in the 20th century alone.

The discovery of penicillin 30 years ago nearly wiped it out, BUT it's back. Over 80,000 new cases were estimated last year, and clinics report that 50% to 90% were among gay people. Syphilis is often undetected....because, it is painless and its symptoms vanish....apparently "cured". A "chancere" (kanker) looks like a cold sore, or flat scab, ranging in size from a pinhead to a dime.

The new chancere appears 10 to 90 days after infection (21 days average). Because it's usually painless, it may be ignored. If inside the rectum or vagina, it may never be seen. After 2 to 5 weeks it goes away, but the disease remains in the blood. Six weeks to 6 months after infection, different symptoms may appear.... a body rash; scaly hands; eye-lashes or hair in small patches falling out. Sometimes these symptoms are accompanied by fever or sore throat. Moist lesions in the anus or mouth in this second stage are very infectious/contagious.

These symptoms also disappear gradually, and the disease becomes non-contagious, but syphilis slowly attacks the central nervous system. In 5 to 30 years, blindness, insanity, paralysis, senility, even death can result.

In most cases a simple blood test for syphilis determines if you have it. The cure is as near the closest doctor or clinic. Amongst gay men, 4 out of 5 syphilis cases are contracted during rectal intercourse.

## Helping Hand Award 1980

## 8th Annual Awards Show, April 14th at Landmark -

EMPRESS TESSIE TO EMCEE 6TH ANNUAL 'HELPING HAND AWARDS' SHOW ..... YOU ARE ALL INVITED TO ATTEND!

Since 1973, the Helping Hand Award has been presented to those persons of outstanding character who have given of themselves unselfishly to help others less fortunate than they. The first Awards Presentation were held at the old Frolic Room (see column at left for more info) and now this year 1980 will be held at the Landmark Showroom, 45 Turk Street, in the central city area of San Francisco. Those nominated come from all parts of the city and from all walks of life. They have proven to others that they have "done unto others as they would have others do unto them."

One of the greatest rewards a human being can receive in life is in helping another person. There is no way the feeling can be described as to place it on paper. But one thing we all know is, that this world would be a lot better off if we would all try and help one another a little bit more. This is what Christ wanted.

Nominated this year, for the Helping Hand Award, which will be emceed by Empress Tessie, on Monday April 14th beginning at 9 PM at the Landmark, are the following:

BOBBY ALLISON	CONAN
DAVID CAFFERTY	GINGER
ROBERT CHARROT	DON GUIST
BEAU DODSON	TAMMY LYNN
PAUL D. HARDMAN	RICK HANSEN
FATHER EUGENE KOPP	DAVE MONROE
RICHARD 'Dick' NELSON	MAI TY TURNER
DEE DEE LOVE	PERRY 'TESSIE' SPINK
CHUCK DEMMON	JIMMY QUINN
BIG JOE PARKER	KEITH PARKER
JAMES A. NICHOLAS	BILL WHITE

This is an event you won't want to miss. Be sure and mark it on your calendar. April 14th at the Landmark, 45 Truk Street at 9 PM.

## Back in Town.....

To hold function at the Rafter's Inn?? Maybe!!

### "EASTER PICNIC.... and Auction for WHOM?"

The SF Examiner, July 25 '74 carried a full page story on ole 'rev.' Bob Humphries and his "Easter Picnic for Seniors"! It wasn't a very nice story and the District Attorney was involved in it too. The article was headed, "The Big Charity Charade."

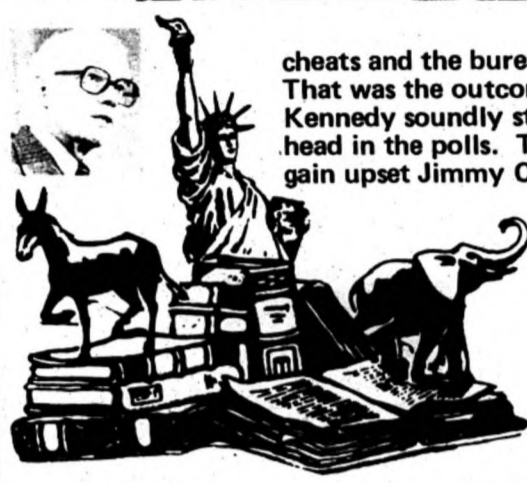

Quoting from the article..... "The Rev. Robert Humphries who has raised tens of thousands of dollars here in the name of sweet charity, concedes with a shrug that all the funds dribbled away."

"He's sorry about it."

"A 'Professional Panhandler' by his own definition, the self-ordained minister in the Church of the Androgynous Holiness."

Humphries is known as "His Androgynous Holiness." "Regulation of charities he says is a threat to freedoms of speech and religion. It's a threat to gay groups." And according to the Examiner article Humphries admits "We rip off the straight community and plow the profits back into the gay community (him?)"

## And The Race Goes On.....

THE MESSAGE IS CLEAR.....The people of our land are fed up with Carter's runaway inflationary programs.....the people are fed up with a spend-thrift Congress that suddenly after 20 years of lavish spending are going to try and undo that in one year.....the people of America ARE TIRED OF BEING POOR at the expense of Big Business and of the welfare

cheats and the bureaucratic ripoffs!

That was the outcome of the vote in New York in which Senator Teddy Kennedy soundly stomped Presidency Jimmy Carter, even tho Carter was ahead in the polls. The same went for Connecticut, in which Kennedy once again upset Jimmy Carter. Obviously, with inflation jumping 18% in one month.....the people are sending a message not just to President Jimmy Carter, but to the Burton Brothers as well.

George Bush upset Ronald Reagan in Connecticut, but it was clear that the primary is a long way from over for Reagan, that he did not exactly have the nomination wrapped up.

The same goes for the Democrats, Carter obviously is shook over his stunning defeat in New York, and it could be that a prairie fire is just beginning for the land.

## ST. PATRICK'S DAY luncheon for the Old Folk's D.L.

Carlos, Tessie and "royal guard" David are shown above, being some of the workers at Rev. Ray's OLD FOLKS DEFENSE LEAGUE's St. Pat's luncheon.

St. Patrick's Day luncheon at Christ Orthodox Episcopal Church of God's dining room at 26 - 7th Street was a festive affair and the food was fabulous. A mob showed up, to eat a sumptuous banquet cooked by the Rev. Ray Broshears and served by a host of folks including Tessie. Corned beef and cabbage with boiled potatoes was the fare of the day, with a hefty salad of lettuce, red onions, and a bean salad on that along with a desert of ice cream and tons of cookies, made it two belly fulls and then some. The Ginger-Big Joe/Landmark Bingo Machine was not used afterwards due to lack of funds, but hopefully will be at the April luncheon.

A special thanks must go to all the very hard workers, and to our own Crusader (for putting it together) and to San Francisco's finest Chef, Keith Parker of Jackson's who gave Rev. Ray the fabulous recipe which was nothing short of terrific, and also for Keith's donation. If you want to help with dollars, send 'em in care of the paper.

## ELECT Lefcourt A WORKING JUDGE

V. Roy Lefcourt

LEFCOURT ENDORSED BY THE BARBARY COAST GAY DEMOCRATIC CLUB.....  
V. Roy Lefcourt, of the Public Defender's Office, and candidate for the Municipal Court judgeship, made quite an impact at the Barbary Coast Democratic Club's endorsing meeting March 16th, where he told the members assembled of his background, and made a real fine impression on all in attendance.

Ms. Leonore Cautrelle made a motion that the Club endorse Lefcourt for judge, which was seconded by Eddie Van. It passed 19 to 8 abstentions or not in attendance. Elmer Wilhelm made a motion that it be made unanimous which it was. V. Roy Lefcourt, an extremely handsome young man, is a man that believes that the best "crime prevention" is the Municipal Courts. Lefcourt believes that the taxpayer is not "getting his/her money's worth from the courts." Lefcourt says that "The Municipal Courts are clogged with thousands of cases that do not belong in the criminal justice system.....because too few judges are aware of the options available."

Further Lefcourt states, "Scare law enforcement resources are unnecessarily drained dealing with mental health and alcoholism problems, family disputes and other issues that various public agencies are specifically equipped to deal with more effectively and at less cost to the taxpayers."

Obviously, V. Roy Lefcourt knows that a seat on the bench is neither a reward up for purchase by the highest bidder, nor early retirement, but, a tough job, requiring hard work.....MORE than full time.

Lefcourt believes that the Municipal Court Judge has to know about and have experience with all of the constructive community alternatives to jail, counseling, court supervised community service work, and restitution programs. He feels that the Muni Court Judge bears special responsibility to make sure first offenders, charged with misdemeanor offenses do not become hardened, repeat or violent criminals. V. Roy Lefcourt, obviously a good choice!!!!

## the LIGHT of Understanding \* religion

And Jesus with His Disciples came to a country place called Gethsemani, and He said to them, "Sit down here, while I go over yonder and pray." The He took with Him Peter and two sons of Zebedee, and He began to be saddened and exceedingly troubled. He said to them, "My Soul is sad, even unto death. Wait here and watch with me." He went forward a little, and falling prostrate he prayed, saying, "Father, if it is possible, let this cup pass away from me; yet not as I will but as You will."

"If the world hates you, know that it has hated before you. If you were of the world, the world would love what is its own. Because you are not of the world, but I have chosen you out of the world, therefore the world hates you. Remember, the word that I have spoken to you: No servant is greater than his master. If they have persecuted me, they will persecute you also."

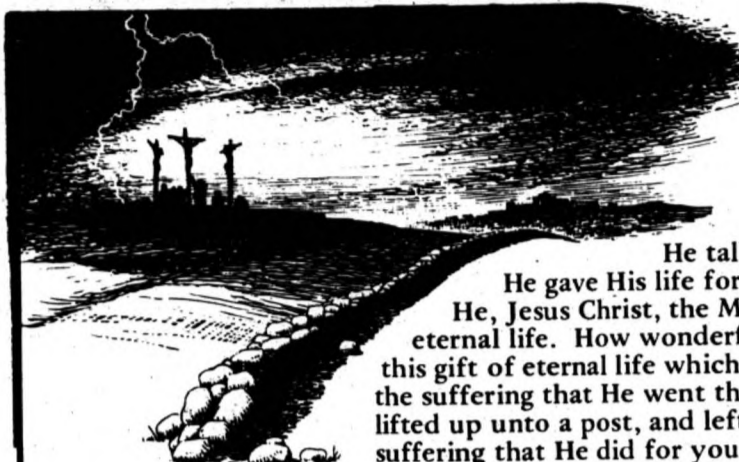

"Lord, when did we see you hungry, and feed you; or thirst, and give you drink? And when did we see you a stranger, and take you in; or naked, and clothe you? Or when did we see you sick, or in prison and come to see you?" And answering the king will say to them, "Amen, I say to you, as long as you did it for one of these, the least of my brethren, you did it for me."

When they came to Golgotha, the place called the Skull, the crucified Jesus and the robbers, one on his right and the other on his left. And Jesus said, "Father, forgive them, for they do not know what they are doing."

And the sun was darkened and the curtain of the temple was torn in the middle, Jesus cried out with a loud voice and said, "It is finished, Father into your hands I commend my spirit." Then, bowing his head, he died.

I AM THE VINE.  
YOU THE BRANCHES.  
HE THAT ABIDETH IN ME & I IN HIM,  
THE SAME BEARETH MUCH FRUIT.  
FOR WITHOUT ME YOU CAN DO NOTHING.

things go better with Jesus

## "He Lives!"

Easter 1980! It is here just as He is here! He? Yes, He! Christ Jesus. He lives! He is with us always. He walks with us and He talks with us! He keeps us safe from all evil! He gave His life for us! He by so doing, gave us eternal life! He, Jesus Christ, the Man from Galilee, has given us the gift of eternal life. How wonderful! How blessed! Yet, alas, so few accept this gift of eternal life which He gave to us. Can you possibly imagine the suffering that He went through? Being nailed to a cross beam and lifted up unto a post, and left to die, bleeding to death? The agony, the suffering that He did for you, for me, for everyone! Thank you Jesus!

Yet, America turns it's back upon Him, for the most part. People in our community overwhelmingly reject Him...because of one reason or another, always "copping out" seeking any and all excuses to reject Him. The drunken bars, the drugs, the bizarre carryings on in certain places, all seem to mean so much more to too many of our community that His sacrifice for us. His precious gift of eternal life. The communists, the evil sick socialists who deny that He ever lived, let alone still does live, all work overtime to brainwash a willing community to reject Him.

Jesus Christ is The Liberator. He is the Only One who can set You free and without Him, you are forever bound to a prison, a prison too awful to describe. Jesus is the Key to unlock those prison doors in which the majority of our community are bound into. Lust, drugs, booze, are three of the chains which hold so many of our community prisoners. He, Christ Jesus is the One who will liberate if you

will only accept Him. All you have to do is to accept the Lord Jesus Christ as your personal saviour. He died on Calvary's cross, shed His blood that you and I might have eternal life. So right now, for those of you who know the Message He brought us, why don't you kneel right down and ask God to forgive you of your sins, to forgive you of your errors, and ask that Jesus might enter your heart and give your soul over to Him. Let Jesus lead you out of the bars, the baths, the drug haze of Castro street and right into the near empty churches and study groups and then on into heaven with Him and with the Father God. Jesus is waiting, right now, for you, for me, for everyone who will accept Him. "For God so loved the world that He gave His only Begotten Son, that whosoever believeth in Him shall NOT perish but have life everlasting!" John 3:16. There it is, your passport into eternity, into a beautiful life with Him. Jesus is just a prayer away, so why not reach right out for Him right now? God loves you. That's why He gave you and me Jesus. And He wants that none of us should perish. So why don't you do what you know in your heart is right...accept Jessu now! REVEREND RAY

MILDLY AMUSING  
BUT PRETENTIOUS

"PANTAGLEIZE", at ACT's Geary Theatre, in rep, call 673-6440 for info.

This 60 year old rarely performed play, described by the author as "a farce that makes you sad" is another in the long list of European dramas written between the world wars that essay portrayals of "the little man". However Pantagleize is no Schweik or "Mother Courage" whose believability reaches us but is, instead, a loosely drawn and too often self-contradictory figure, flashily rather than deeply played by Raye Birk and while the play is filled with amusing but distracting directorial gimmicks: a moving "corpse" an exceedingly particular method of getting dressed. Yet it is the script itself that is the greatest villain, wordy, overwritten, repetitive and offering what isn't actually the longest second act in Twentieth Century drama but only seems so.

The plot concerns one day (the fortieth birth day) of a supposedly simple magazine writer itel and that may very well be the "unkindest" cut of all... who worries about his destiny never having gotten started. Inanely he decides to greet everyone he meets that day with the phrase "what a lovely day" which just happens to be the code words selected to start an ill-planned revolution. The insurgents welcome him riotously, achieve momentary success but eventually fail, pulling Pantagleize down with them. Underlying the plot is broad satire on just about everything and everybody which loses much of its bite through lack of contrast: if all is bad and nothing is good, then bad becomes the norm and it therefore no longer henious.

## "THE GOOD LIFE" ISN'T!

"ABSENT FRIENDS" at California Actors Theatre, Los Gatos, Tues-Sun., thru March 30. Call (408) 354-6057 for info.

Alan Ayckbourn is consistent if nothing else: three upper-middle-class couples (in Bedroom Farce, he did vary it to four) who on the surface should have an excellent life but obviously don't once he begins his etched-in-vitriol dissimulation of their quirks and foibles. "Absent Friends" is no exception and although it does have some funny lines and situations, on the whole the comedy is strained while the characters are not likely to arouse either our interest or pity.

Polished acting, especially by the three females, Kandis Chappell, Catherine Butterfield and Anne McNaughton, gives a glossy patina to what is really pretty thin fare. The plot concerns two and a half couples (the third husband clearly a childish hypochondriac is sick at home but telephones regularly if not hilariously) get together for "tea" to welcome an old friend who moved away, got engaged and lost his fiancée. A surprising selection to follow "Virginia Wolfe" (CAT's last offering) this offers tepid tea compared to the heavy handed boozing of that play where social/familial verbal infighting is concerned.

Well directed by Dakin Mathews with a charming and imminently livable set by Atkin Pace, the production values far outweigh the script.

GILBERT & SULLIVAN'S  
VIEW OF WOMEN'S  
LIBERATION

"PRINCESS IDA" by the Lamplighters at their Presentation Theatre, 2350 Turk Street, above Masonic. Fri & Sat at 8:30 thru April 13th. Call 752-7755 for info.

This rarely performed Gilbert & Sullivan work sparkles with Gilbert's typical tongue in cheek humor and is, perhaps, one of the earliest satires on overt feminism in our language. Sullivan's music is typically sprightly and this newly mounted production sparkles with color and dash.

Rosemary Bock sings the title role beautifully but with a discomforting lack of clear enunciation while, newcomer to the Lamplighters, Frank Ryken, is brilliant as her eventual "Prince Charming" with every syllable, those sung as well as those spoken, crystal clear.

Fine performances also from Jean Cardin Ziaja as an amusingly ambitious lady professor and Norman Roberts as a prototype "carmugeon." (Bare in mind that all major roles are double cast; performers mentioned were those on opening night.)

## NO WOMEN'S LIB PLAY, THIS

"BONJOUR, la BONJOUR" at the Berkeley Stage, Thurs-Sun. at 8; thru April 20th.

A young man, raised by two old aunts and four sisters with the passive acquiescence of a deaf father, is figuratively, and often literally, the core of this family drama by young French Canadian, Michael Tremblay but the picture comes out rather more like a young stallion surrounded by howling hyenas and one tooth-some filly. Here is no warm, loving, "Chicken Every Sunday" type of family but a raging group of bitterly unhappy females, each clawing at him to prop up their barren lives. The oldest and most pathetic sister, for she alone has, through patience and intrigue, achieved her childhood dreams only to find them crushingly unfulfilling, tells him that the tragedy of his life is that he didn't end up "a queer." Instead, he has a deep and incestuous love for the one normal sister.

The lovers are superbly portrayed by Scott Paulin and Francine Lembi while the remainder of the cast are all character parts, but what characters and what acting! Joseph Miksak as the deaf father who voluntarily abdicated parenthood, Joyce O'Neal and Carol McElheny as the quarrelling, bitter spinster aunts, Nancy Morrison a pill popper seeking in Valium the love she doesn't get from her husband but really wants from her brother, Linda Hoy as one in the same position who sublimates by gorging food and Katherine Conklin as the wealthy, oldest sister who has taken on a young lover, all offer remarkable performances. Rarely does one have a chance to see such an extremely high level of acting throughout an entire cast.

Although Tremblay has done an excellent job of creating eight exceedingly different, interesting and believable characters the latter part of this quite long one act does tend to drag... repetitive insights of character could be judiciously eliminated. Nevertheless, the play is powerful and gripping and offers an interesting, if somewhat naive, philosophy.

★★★

INTERESTING PRODUCTION OF A  
WEAK PLAY.....

"THE PHYSICISTS" by the SF Rep at their Theatre, 19th & Collingwood, Thurs-Sun. at 8; thru April 13th. call 863-4859 for info.

It is easy to see why this Durrenmatt play is

presented far less often than his extremely powerful "The Visit." This story of a rather incredible private sanatorium housing three scientists who believe they are: 1) Sir Isaac Newton, 2) Albert Einstein and a third who chats with King Solomon, fails to generate continuing audience interest even though the plot is bolstered by a murder mystery... of sorts.

Contrasted to the rather farfetched plot and incredible ending is an absolutely stunning performance by Vera DeMartini as the doctor/owner of the place. Immensely believable, even to a hunchback deformity, she radiates an inner as well as an outer beauty that captivates as well as illuminating the stage whenever she is on. Irving Israel as the patient friendly with Solomon, presents a well rounded characterization while Lorraine DuRocher is memorable in a small part as a nurse.

★★★

## TWO ORIGINALS

"SUNDAY" & "THE COTTAGE" at the SF Actor's Ensemble, 2940 - 16th (off Mission), Friday and Saturday, at 8; Sunday at 3; call for info... 861-9015.

Local playwright Bart Schneider's twin one acts show promise, an excellent ability to set a scene and capture a mood as well as an ear for realistic dialogue but each is close to being a non-play: almost no plot, little or no continuing dramatic conflict and heavy dependence on a surprise or trick ending.

However both are saved by Stefani Priest's fine directing and the immensely believable acting.. Richard Weston and George Felix Justice shine in "Sunday", an overly long drawnout "incident" outside a jazz club on Fillmore Street while Gerald M. Winer is a standout in "The Cottage" an elderly Jewish man interviewing a young half Jewish couple wanting to rent a cottage he has advertised. Maureen Coyne is vivacious and winning as the wife while; unfortunately, John Morello, as the husband comes across more with petulance than the ambivalent religious feelings the script seems to call for.

## ADDENDUM

Seems like it is about time to once again warn readers on the difference between criticism and reviews and as to where this column (Carl Driver) aims. Ideally, critics evaluate plays by set standards, said standards varying with what each individual considers to be good and/or important... reviewers on the other hand, try to offer to as large a percentage as possible of their readers, viewers or listeners an idea as to whether or not they would enjoy the show under discussion. Often these two viewpoints may produce identical results: the critic saying pretty much the same thing as to why a play is good as a reviewer does in saying why it is enjoyable. However, many times the viewpoints differ greatly, especially when concerning the extremes of great classics and new, avant garde works. In this column I lean almost entirely towards reviewing, with special emphasis on the cost to the playgoer, in itself a major difference with the critic whose philosophy tends to be close to the idea that crass money matters shouldn't concern Art. Also unlike many of my colleagues, I have neither the inclination nor the impertinence to try to "educate" audiences.

I caught a matinee of "GISELLE" by the highly touted American Ballet Company while they were here and came away disappointed and wondering just what their prestige was based on.

.....CONTINUED NEXT PAGE (10).

## Carl Driver's FOLLOW SPOT

The production values (sets, costumes, etc.) tend towards the mediocre and the work of their corps de ballet, especially when compared to SF's own company, seemed sloppy in the extreme.

A fine time is coming.....for ballet fans, with nearly two months of almost nightly programs (see Coming Events) offered by the SF Ballet at the Opera House. Despite my above statement about not believing in trying to educate audiences I do urge those who've never seen a ballet to seriously consider going. Not to become better educated or more cultured but because it can be a beautiful inspiring and damn enjoyable experience.....and prices start at less than what most first run movies cost.....plus sitting in the balcony gives an overall view lacking in the expensive orchestra seats that makes up for any other differences.

Could you please tell me.....why, there is no real leader in the gay community? I mean, when I came here, Harvey Milk was the one person, had a feeling for, even those who disliked certain things about Harvey at least respected him and he had just about everyone behind him. But now, it is as if the community is like a ship without a rudder, and Supervisor Britt sure seems to alienate an overwhelming majority of gays. Do you see anyone of the horizon?

## WALKOUT OVER H.L.'s 'AWARDS'!

Anyone who goes to an H.L. Perry Production and expects everything to be straight-out-and-forward, had best forget it. And on Sunday, the 23rd of March, H.L. did "it" again, and this time roping in Fred Townsend and Regent-Rick Thompson. The "Community Awards" of H.L. Perry were held at the Silver Rose Saloon (which wouldn't allow some of H.L.'s nominees inside). Randy Johnson was the emcee and the whole affair was a mess, about the worse H.L. has done to date. "Awards" so very tacky too, were given to Dixon (Safeway Sally) for "Best Columnist" and the dear person only wrote one or two all year! Chef-of-the-Year went to the Mint??? And 3,000 circulation Date Boy (SF) got "Best Media"???? And the faltering anti-older gay Bulldog Baths got best "Health Club" (the owners are trying to buy H.L. Perry's bar the Blue & Gold). Oh well, as it has been written before, why should anyone ever be upset at the outcome of any H.L. Perry Production!!!

The controversy over "ON THE MARK" being in the CSL (Community Softball League) while being a team of the Deluxe (GSL) continues, but Dutch and other GSL players say that it is all alot of b.s. being raised by Irene and her hapless CINCH team. But DeFord in an interview with out editor who related it to me that DeFord was "out to get Switzer for having left the CSL" (they joined the younger and more exciting GSL this season.

.....Oh yes, TIM RIVERS may be on his way out at a SofM discoplace if his music doesn't become less soul, the rumors hazit!

.....LAWRENCE OF POLAND was the nickname of a nasty person who lived at the old Bachelors Quarters when he was given that name.

.....TOM LOVETT SOUZA is back in town and at the Civic Center working.

.....Oh yes, speaking AGAIN of .....ANDREW "Jaws 69" BETTANCOURT....he is a real "son-of-a-jarvis"! I wouldn't say he's cheap, but he was seen entering the LOCKER ROOM BOOK STORE on Polk, walking in backwards.....this he says is in hopes the clerk will think he is walking out and that way he hopes to avoid paying the 25 cent "browsing tax". Oh yes, ANDY wants you to vote Yes on 9....so that really MEANS that you vote NO ON NINE (9).

.....Haveya heard those deceitful and lying commercials by the people who are AGAINST rent control??? Oh yes, they say.....they are for decent housing.....they say they are for affordable housing. BUT, they are NOT...for they

are in truth the forces who are AGAINST any type of rent controls like we have for the time-being (at least) here in SF. They are the California Realtors and the pro-Jarvis 9 people...so VOTE NO ON TEN (10)...at least if you want to be able to rent a place in California at a rent human beings can afford!!!

.....PAUL the PERSIMON an evening bartender at KIMO's...he sure doesn't have that TAMMY LYNN sparkle about him.

.....Hope K.P.I.X.-TV 5 fires than ass of a News Director...Mr. Applegate??? Ugh! His idea of news is WORSE than Van Amburg/7.

.....MANUEL continues to hide in Denver and TISH continues to recover from returning to SF and our ALFIES! And now that they have JACK TENNISHOES working for them...they can both take it easy...of course, this is 'nt saying much for poor JACK

.....Didja see our Sports columnist of last season is back.....eat your heart out IRENE.

.....OUCH! Our machine got so hot that we broke down almost at press time and it cost us a pretty Penny to have it repaired at evening time....but we did it and here we are, back on the line and just for you good people and after the ass of you baddies!

.....Well now! The hoooot ten is that Empress TESSIE may be leaving the 222 and that gad-awful person Frank. The EMPRESS TESSIE denies this to us at press time, but the rumor is that a very big financial offer has been made to the Empress to work at another bar in the area and Frank will NOT ever be able to match that salary if it is true. Oh dear Empress, if it is true, take up the offer and flee to the safety of a well lighted Imperial Palace, quickly! We do love our Empress and pray that she receives only the best! And honey, the 222 is NOT the best. They just love hanging up phones down there....and that isn't nice!!

.....Well, everyone is quite happy in the BARBARY COAST DEMOCRATIC CLUB we hear.....now that Teddy Kennedy beat Carter in New York and in Connecticut...not that they love Teddy....it's just that there HAS TO BE something other than Carter's inflation in the Democratic Party to run for office.

.....Another H.L. Perry "ripoff" Production...her "community awards"...were a BIG laugh....and the bill that the Regent

Grand Duke got later from California Trophy for \$700 was no joke. H.L. always knows how to spoil even a wet dream....but when you get involved with H.L. you should know to expect ANYTHING! Well Regent Grand Duke RICK THOMPSON ....???!! Just wait, H.L. will have lots more of her "surprises" in store for you....just look at LEE RAY-MOND and others she has messed over.

.....Oh yes, the MISS GAY & MR. GAY SF title??? They do NOT belong to MCG as dear ole H.L. sez....for a check at City Hall yesterday showed they STILL belong long, stock and barrel to H.L. PERRY!

.....Oh! If the column is too heavy so far....the two other pages are light and campy... see pages 14 and 15!

.....Is MARCUS the Empress de Leather?????

.....Two P.C.P deaths in two days! Gads, when will these poor things ever learn that chemicals kill!

SAME GOES FOR YOU SICKO SPEED FREAKS....why do you take that shit that awful garbage???? WHY do you DESTROY yourselves....lose your jobs? Is it worth it? Really! CLEAN UP NOW!

SPEED KILLS! Cut it out before it kills you....please, for your own lives sake and for the sake of those that love you and care about!!!!!!

.....BILL, 27, 6'1", 175 lbs., 10" blue eyes, brown hair.....hmmmm sound good? Well he is and he does taste good KENJOE sez, and he works at the SF COCKRING 210 Sixth St. SUCH SUCKY MEN THERE!

.....And if you drop into South of Market's sexiest bar, next door is the GLORYHOLE BALLROOM!!!! And it is the IN place S of M now.

.....Hello SCOTT Albertson! Hi!! ROCCO!! ...more on page 14....

A collage of four black and white photographs. The first photo on the left shows a woman with short dark hair, smiling and looking down. ## the MOCKINGBIRD

This is a purely camp/gossip column about people, places and things, rumor-ala-queens!

.....f-a-s-h! From the OLD BELLES SALOON Comes words that DAVID Stoll is really the nephew of LA KISH!!!!!! And rumor hazzit that he likes to hang out at the Tennis Courts in Lafayette Park at about 2 AM...he is reported to be teaching Pokket Pool there. He has a co-instructor in RICK HOLLIHAN a wee bit of a lad who also hangs around a frame shoppe!

.....MARGO of Turk Street infamy (he is reported to be residing in a phone booth there) has a new 'man' called KENNY? They are an assorted pair!

.....Stay away from JIM F. HOFFMAN... he likes to leave the very right people out of things. You can find better ad folks than he is.

.....TOM BATTIPAGLIA is the manager of the disco SOUND OF MUSIC now?

.....A new character on the scene is a "Father Rockie"...he reported to be a close friend of a world famous attorney on Guerrero Street. "Father Rockie" rides around town in his rocking-chair mounted on skateboards, pushed by a Bo Bo. Very gai indeed!

.....What's this!!!!????? HANK WILSON that old time Marxist-type once upon a time, ala BAGL...and now of the ZEE and AMBASSADOR hot 'is was seen in a FOLSON STREET BAR??? Well those are the reports...and it was reported to be the BRIG too! Well, wasn't old Hankie the guy who was pushing hard against the SEM flick "Cruising"? Yes he is! AND, another of those who were really pushing "hard" against the flick was a KONNIE BERLANDT who was reported...ly seen in a S of M bistro as well. Dear me!

Oh yes HANKIE...there is a long tall drink of a water type SFDDP said to give you all his "love"! He's no longer on Honda patrol at Golden Gate Park but IS now DOWNTOWN central city!

.....RICK THOMPSON...congratulate him you all...he is now the REGENT Grand Duke of SF. That fake Peta moved elsewhere...just as well, he and that other guy Kelly did do a damn thing good as Grand Duke and Duchess anyway! Go RICK go!!!!

.....Need art supplies? Then drop in to STAPLETONS (McPhersons) and ask either LES or LESLIE Aguliar to give you a hand.

.....TOM WALSH is no longer at the Music Hall membership dance bar, but is now at TRINITY PLACE down in the financial district. Best wishes to TOM. A real nice fella.

.....And the new general manager of the MUSIC HALL is PETE COLEMAN (he doesn't like his pic taken! but we'll get him!). PETE is a very b-i-g man from all reports. We'll find out as soon as STELLA STOLL works his way up to PETE. (STELLA STOLL has already made it with three of the MUSIC HALL dance bar employees)

.....MARLOW of CLUB DORI is so exciting...watching him work is almost as exciting as would be watching Sweetlips, Luscious Loreli and Loweretta Casas in a three way. Seriously, MARLOW is a nice guy...he hasts be to last this long in Pacific Heights! In Pacific Heights you only have to work three nights a week to make it all!

.....RICH MILLER of LE DISQUE is a 5'9" cutie and is being "looked upon" by WAYNE WEEKEND. RICH is also reported to be a "bushwacker!"

.....BOBBY ALLISON (at your left here) is back on the planks at the LANDMARK. He and CHAZ did a nite together! CHAZ has hiccups for daze and daze!

This is EMPRESS BILLIE of Houston Texas. He used to be known as the "Dog Lady here."

.....Don't forget the MAD HATTER'S PARTY at the LANDMARK Showroom on the 30th at a Sunday at 9 PM. It will be FUNNNY! There will be a \$50 cash prize along with a trophy and a 2nd and 3rd place trophy. There are a few surprises that we can't tell you about but, if you miss it, you should have your ass Kicked but good. There is NO ENTRY fee. So, get your best bonnet in hand and head and get on down there. There will be a panel of celeb judges too.

.....f-a-s-h!!! BOB CHARROT ate HAROLD's chocolate bunny!

.....BILL & DALE stars at the NOB HILL CINEMA almost daily. See them now, along with EL PASO WRECKING...MUSTAS CITY TRUCKING .....and L.A. TOOL & DIE...all three for the price of one with BILL & DALE too!

.....Who is J.R. RIELLY?????????

.....The BLACK & WHITE PARTY is a happening in April at Polk & Pine's wildest bar, MAMA BILLY'S WILD GOOSE. Get ready for it, for TAMI LYNN and I both will be there to see if you are there. Ask BILLY for the exact date and time.

.....Old BOBBY "FEET" ALLISON and CHARLES CHERRIL (Chaz), went home together recently.

.....Sheriff DOVAE Odonells now 38...looks younger tho...and he is a cooking for LENNY MOLLET..... You can recognize Sheriff Dova as he is the one in the black hat. Can't wait for the shoot-out at high-midnight between him and Lenny's little boy...hard boiled eggs at 10 paces!

Gloryhole Ballroom on 6th Street is packing them in!!

.....KEVIN BRADY of the Turk Street News is a real champion...KEVIN was the only person on all Turk who was MAN ENOUGH and HAD GUTS ENOUGH to come out and pull those FIVE big blacks off of JASON of the FANTASY IN FLESH (Blk Den). FIVE .....that's 5 of 'em! Real brave jackasses!!! But JASON is now out of the hospital and doing alot better. KEVIN is one hellava man for sure. A good man obviously, to have in your corner. He's cute too!

.....The evil witch of OIL CAN HARRY'S MARATHON BALLROOM hasts be weakister GRANT..... my my, how the meek have risen to the top...he lives with the owner too! GRANT did a nasty by having his EX 86ed when he became manager. Not a nice thing to do, but nancie-ass D.T. DID back him up. Remember dear GRANTed... payback isa muther!!

.....Why did CHAZ refuse to pay Bobby Allison's cab bill????

ROY H. (Le Disque) duzzit through fence holes at Lafayette Park late at night...he is a real "moonlight lover!"

One of the many "stars" at the corner of Polk & Post...RANDY JOHNSON looking kinda spacey!

.....ESTA NOCHE on 16th off Mission has some real "hot tacos" if you know what we DO mean! Love those Spanish MEN!

.....The food is better and better at la JACKSON'S 2237 Powell. The CHEF is KEITH PARKER who helped build the GALLEON into a fine foodery! So if you want to eat good clean food, do so at JACKSON'S! Tell 'em the CRUSADER sent you.

.....Didja notice?? The MUSIC HALL Membership Dance Bar is

advertising now. Stick that up your kellerman kiddies! Truly fun place and none of that "uck" there either. There is a great deal of good about a membership dance palace, for sure. The MUSIC HALL is located on Larkin Street, just off Post between Geary Street & Cedar Alley. Before dancing there...go by RAFTERS INN to eat...good food. And hope-fully, an afterwards food permit too. The area needs one...and HAN's would have had it easy had he asked certain people to help instead of the "they-think-they-know-it-all" crowd who really don't know their asses from a hole in the ground! Happiness kiddies!

A real female type woman is the lovely gracious JACKIE STAR of ALFIES!

This is MARK, not Joe. We don't know his dimensions...yet!

THIS is STELLA or .... David Stoll...he works at the Old Belles Saloon on Polk. He did "it" with JOE, not MARK. We are sorry for the mix up in pics in last issue boyz!

This is JOE, not Mark. He is the one with 9"4" according to STELLA.

.....There's no truth in the rumor that Father EUGENE KOPP and SISTER MARIA PASSIONATA are planning on being married in a deplorable frame building in Berkeley. In fact, there is no truth to the rumor they will be married even. FATHER EUGENE is celibate. Does that means he doesn't celebrate? No you ass, it means doesn't hanky or panky. More on this guy later. He likes to lose letters...like hold 'em for ransom?? No!

.....The COCKERY is at 210 Eddy Street and haz good food too. Open 6 am til 10 p.m. Doris owns it!

.....ROD & BOB BUSH of the ARENA have a new car...and they are proud of it too...hope they win their case with that witch who used to live with them...that may make a good story for the CRUSADE...I'll have to talk with the editor.

.....Is it true that the OLD BELLES SALOON serves Geritol too?????

.....LEONA and REV. RAY are not going steady, not even speaking for that matter.
