To Whom It May Concern:

Re:one "Lenny V." full name unknown. In order to be a helping hand to one of the SF gay youth desiring and needing assistance, some two weeks ago I engaged 'Lenny" to do some clerical work for the 1980 Gay Area Directory. The urgent work incomplete at May 24th, I offered

Lenny the opportunity to be the houseguest of Dale and me at our Walnut Creek apartment to mplete the work need being done, plus enying the pool and othfacilities of our apartent complex over the morial Day weekend. We even discussed his becoming our permanently employed house-

Very little work was accomplished over the holiday week-end, and on Tuesday, 5/27/80, after Lenny's being royally en tertained over the week-end, Dale left for college, and after being certain Lenny knew the details of the clerical work he was to urgently accomplish during the day, I left for work in SF, trustingly leaving Lenny alone to work at our apartment. Dale returned home to the apartment about 1:30 PM that memorable Tuesday to discover Lenny gone, none of the work accomplished, and also gone: One genuine black leather motorcycle jacket; value \$150.00 olye; One Samsonite blue-grey suitcase;

One Polaroid camera with case, and at least three filmpacks; One new Texas Instrument digital stopwatch/chronograph; At least one-half of a \$45.00 roll of postage

One black leather cosmetic travelcase;

Some \$40.00 in "piggy bank" change; Plus exactly \$185.00 in prepayment for the clerical work incomplete and abandoned in a disorganized state.

I just hope that yesterdays elections have shown you people something, and that is, everyone doesn't like you, doesn't want your demanding and often disgusting way

I have always been accepting of homosex-uals, it just came naturally, for I never liked seeing anyone put down just because of who or what they were. But, what is happening in San Francisco is hurting you all across the nation, and as things are now going, the gay rights law here if put to a ote, would be defeated also, perhaps not as bad as gays were beaten in San Jose and Santa Clara County, but defeated. Your bragging of the burning of police

cars, and the threat to do so again by a few of your leaders, makes all senseable people puke and rebell at your destructive More and and more I have been in on the

arrests of homosexuals for pushing themselves onto people who are not. This trip of homosexuals to try and seduce anyone who isn't is going to be your downfall. It is a growing concern and your leaders had best address themselves to it. And the guys are not the only ones, the women

re doing it too. What the purpose of this letter is, is to damn well let you know that I've had it and alot of others like me who once had a good feeling for gay rights have lost it. Your days of "gay liberation" are number ed. Sorry, but you've done it all by your-

GCN (GAY COMMUNITY NEWS): Al Goldstein, publisher of SCREW magazine which features hard-core pornographic photos along with such articles as "Animal Attraction; New erotic art show offers the beast of everything." and "Jap In The Good Old Days; Fuzzy fuck photos of frolicking Nips." Has mounted an editorial crusade against the North American Man/Boy Love Association (NAMBLA). In his editorials, published in the issues of May 12 and 19 Goldstein said he is "appalled by, and unalterably to, those who violate the sexual sancity of minors," and added that he was opposed to the purchase of pornography by minors.

Goldstein wrote that discovery of the existence of NAMBLA "made me feel as though I had fallen into a manhole and would up immersed in the lowest slime of mankind."

He claimed that the group has started an organization called, "Fag, Rag and Glad, designed to give legal aide to all persons accused of sex crimes with children." Fag Rag, a radical gay men's quarterly, and GLAD (Gay and Lesbian Advocates and Defenders) a boston legal orga nization, are not connected with NAMBLA.

"Though I am repelled to the point of moral outrage at this group's contemptible activities," Goldstein added, "once again I am not in any way recommending that its point of view be censored, since censorship even in the interest of protecting our young, is never justified. What I am arguing is that wherever we find an overt sexual action against a child, the full weight of the law should be applied against those despicable psychological cripples who have such a low self-esteem that they can only feel power in sexuality with minors."

Goldstein also took the opportunity to deny charges that "today's sexual permissiveness leads to negative social consequences" such as rape, attributing such charges to "misguided feminists (a redundancy)," and declaring that rape "has nothing to dowith the normal sexuality that you see in the pages of SCREW."

SAN FRANCISCO: Third National Lesbian & Gay Health Conference willbe held at SF State University, June 19-20. More than ninety work shops will highlight this year's health conference and all interested are cordially invited to attend. The workshops range from traditional to new models in health care delivery. Some of the areas include gay health education, sexuality, self-help workshops, counselling, substance abuse, and the role of lesbian and gay healthworkers and professionals in the health fields. A symposium on sexually transmitted diseases, "Current Aspects of STD's - II", will be conducted June 19-20, in conjunction with the conference.

"BUMS" FIGHT BACK - Members of the Miami Florida Police Department rallied to start a petition for the recall of Mayor Maurice Ferre. The mayor, who incensed the police by calling them "bums" apologized for the remark. Assurances that blacks arrested during the rioting and looting would not be granted "blanket amnesty" convinced the police to call off talks about a possible strike. A Miami Police officer is shown above with a sign, "I'm a bum."

Gays Above Law?

'METRO MADNESS......AN EXAMPLE OF GAYS TRAMPLING CITY CODES!' Saturday, May 31st, San Francisco's homosexual community went underground to dance, drink and do dope (the latter was not on the schedule) all n the name of "gay charity, sweet charity!" But in the process, the laws were walked over and or ignored, not just by those responsible for putting the affair together, but by the Office of the Mayor, the Mayor herself, and by the Chief of Police and the Police Commission, all of the public officials merely "sat on their hands" while a segment of the gay community did it's

Metro Madness was put together by the same man who helped to put together the inane "CBS Reports: Gay Politics, Gay Power," Mr. Ken Maley, very enterprising business person who nearly destroyed the life and did injure the career of a fine and respected San Francisco Police Inspector some years back with a fake letter (how very gay?) which set the Inspector up. The "Metro Madness" was billed as a fundraiser for the Harvey Milk Community Center, so much is done in the name of the late Supervisor these days, tis a shame that so little was done in his name while he was alive to appreciate it. Well, where the money will actually go is Mr. Maley's decision, as an article on the front page of a leftist leaning (but anti-union) gay paper said that the Harvey Milk Community Center project was dead. A question we have to ask is, "Where has all the past money raised in the name and on the name of Harvey Milk gone to?" "And where will this 'Metro Madness' money go to?

"Metro Madness" put together by Ken Maley and associates did not have any of the Police Code Permits required, such as a dance permit, nor a permit for entertainment, not to mention a few other permtis necessary for such a large event held in such a very closed place as a subway station. Now the "anything goes" fags will tell you that permits were created to opress homosexuals Pish posh! Laws such as these were created to protect people from ripoffs, from dangers, from other such types. But the "anything goes" crowd does not like these laws for they have to account to the police or the D.A. (when they are not as political as the ones we have now!)

The event had no members of the San Francisco Police Department on patrol anywhere inside or near the function. Captain Jeffry at the Mission Station said that they were to stay out unless called, the same went for the Southern Station's Captain McKevitt. Both were aware that this was an illegal assembly but both being political annimals knew enough to keep the lips sealed and not to rock the boat.

The Office of the Chief of Police did confirm that no permits for this event were issued, but agreed that under the law they were necessary. Ken Maley did not bother to apply, after all, he is a "friend" of "friends" in the Office of the Mayor and he did support Mayor Dianne Feinstein last fall.

A Captain Mahony of the San Francisco Fire Department did issue an assembly permit for the affair, but didn't answer when asked why he didn't work with the police on this one. His boss is Andy Casper, another "friend" of

A Lt. Goad of the Muni Metro Transit Police said that he had assigned 6 nen to patrol the event and that he understood that the Northern Station would handle the actual police functions. Officer O' Shea of the Northern Station was unaware that the affair took place, ditto his boss, Captain Ford. The Office of the Chief of Police had failed to notify them.

Thus, the "Mole Hole Dance" went on, unpoliced. Now you might say, "What's wrong with this?" Well, the same can be said about the New Orleans Police Department, when they told the gays at the Upstairs Lounge to remove those bars on the windows and to stop over loading the place, the gays ignored the laws of the City and later, 31 burned to death, some hanging from beneath the bars they tried to squeeze out of. The point here is that a "Mole Hole" is not made for two or three thousand gays to go having a dance in, and that goes for straights, or anything or anyone else too!

The Office of the Patrol Commander, a Lt. Forney had nothing to say on the matter, nor did his boss, Commander Ray Canepa.

James Leonard, Public Relations Director of the MUNI METRO said he knew nothing about the affair and that all was being held directly by the infamous Dick Skalar (infamous is our definition of the man who forced the raise in fares on the Muni!)

The bottom line in this is that; 1) it has caused a mark against the Chief of Police and a loss however small, of respect by the Blusecoats of the Chief whose hands were tied by the very political Mayor; 2)that gays continue to trample over laws that all must obey, giving gayness as the excuse to ignore the various codes; 3)money in the name of Harvey Milk has been raised and the place raised for, has now collapsed; 4)a drastic loss of respect for gays in the eyes of many of our concerned friends. What about you?

Personal Opinion by Rev. Ray Broshears

VERNON JORDAN of the Urban League was hit by the assassins bullet in Indiana and is in critical condition. A member of the Klu Klux Klan received 33,000 votes in San Diego County and is the Democratic Party candidate for Congress. Unknowns fire bomb black churches in the city of Oakland. Two of four of the gay Democratic Clubs in SF refuse to endorse black leader for County Central Committee.

The ugly head of racism raises its head higher and higher in America today. I cry for those who hate. I cry for those who are bigots. I cry for freedom and equality for all people of all races.

ZIONIST BOMBS MAIM PALESTIAN MAYORS last month and the President of the United States said nothing, and the United States declined to join in a censure vote in the United Nations, of the nation of Israel for this outrageous attack upon the duly elected mayors of the West Bank cities which Zionists are trying to convert into Israeli cities.

SAN FRANCISCO POLICE RAID restaurant commune on Folsom Street on the word of the disgruntled ex-member of a Marxist group and trampled all over the rights of the individuals in the commune. A small child was ignored as the police grabbed its screaming mother and dragged her down the steps and out into the streets, ignoring her pleas for her child. A typical fascist attack by the Deputy Chief of Police Geroge Emil who has shown when he was head of the Vice/Morals Squad that human and civil rights didn't mean a damn to him or his "blue gestapo."

INSANE MEN RAPE AND BEAT ELDERLY PEOPLE in a Western Addition Home for the Aged in what has to be the lowest sickest and vilest crime ever committed in history of San Francisco. Good work by Inspector Mike Perra and the SFPD apprehended suspects in the case.

WOW! A MALE MODEL IS ELECTED TO A COUNTY CENTRAL COMMITTEE. The Libertarian Party elected on June 3rd, Bill Tomasek to the Libertarian County Central Committee. Tomasek advertises in several of the homosexual publications as welll as the Berkeley Spectator as a "male model" for only \$20.00! This shows how liberated the Libertarian Party really is. Gay attorney Lloyd Taylor was also elected.

UNIONS ARE COMING FAST to the Church Street Station, come the election on July 7th by the employees under the direction of the National Labor Relations Board. Local 2's gay organizers have done an excellent job in organizing and it appears that living wages and not existing wages may become a reality at the Church Street Station, as well as at the *P.S. on Polk Street. A uion will halt alot of the "revolving door" employee trips going on with the current owners. Years ago, the unions wouldn't have anything to do with gays, but there are too many gays and too many gay businesses of such a size of the Church Street Station for them to ignore anymore. Dishwashers have rights too, whether or not the management of those places like it or not. Any gay business which hires more than fifty full time employees are said to be the target of the Local 2 organizers. Stonewall Democratic Club president, Gerry Parker says that this is long overdue. This means the end of the Tavern Guild, which failed to mend fences under its current president, etc.

REACTION TO THE JOHN THOMAS editorial in the last issue has been quite good and some bizzare reactions by some too. Yesterday, Congressman John B. Anderson made his San Francisco

with no problem.

Speculation for the vice-presidenc centers now on Governor Hugh Carey of New York, and former Congresswoman Jordan of Texas.

Both the County of Santa Clara and the City of San Jose told gays to keep it clean or get out of the area. By such a large vote that the organizers of the gays political effort in the South Bay must have embarassed, the ordinance in San Jose fell, 2 to 1 and the Santa Clara County ordinance fell, 3 to 1. Both of the votes were predicted by the publisher of the CRUSADER on KGO Radio some months back which provoked an angry reply from lesbians and gays in San Jose, but as was stated on the radio, "the fact is that San Jose gays cannot "ape" San Francisco, they have many years to go before they have built an economic base, let alone a political base, they will be trounced at the polls. The area is a bedroom family conservative church going area, gay ordinances do not have a chance." For stating a political fact of life, the publisher of this paper was vilified, proving that too many gays/lesbians simply refuse to face up to vilified, proving that too many gays/lesbians simply refuse to face up to reality. As one observer remarked, "Too many gays are living Alice in Wonderland, and they don't know that all movies come to an end, they

One gay Democratic Club in San Francisco had winners in the local races for judge, that being the Barbary Coast Democratic Club. All three of the other Clubs, Milk, Toklas, Stonewall, did not have a single winner. The Barbary Coast winners were, Superior Court, Judge Richard Figone and ludge Raymond Arata.

Judge Raymond Arata.

Barbary Coast Democratic Club also was the only gay Democratic Club to not endorse the controversial loud-talking president of the SF Tavern Guild, Wayne Friday, for the Democratic County Central Committee and he finished so far out of the running that he near finished last. Mrs. Lulu Carter, head of the Black Caucus of the California Democratic Council was elected to the Democ Committee, and she was endorsed by Barbary Coast, and Stonewall. Both Toklas and Milk refused to endorse the black activist. A black lesbian activist, Gewnn Craig was elected to the Demo County Committee, she was endorsed by Milk, Toklas and Stonewall, but not by Barbary Coast. The "anti-Jaicks" slate which was endorsed by only the Barbary Coast all won election easily. Those were Arlo Smith, Jr; Bob Geary, Terry A. Francois, and Patrick C. Fitzgerald. None of the other three gay Democ clubs endorsed any of them. The big loser in the County races for the Demo Central Cimmittee had to be Rick Stokes, an incumbent, who was endorsed by all of the Club with the exception of incumbent, who was endorsed by all of the Club with the exception of Stonewall. He was an incumbent, but failed to so identify himself on the

HARRY BRITT LOSES REAL BIG.....Harry Birtt who endorsed a multi-tude of candidates simply lost all of them. His strong active support of V. Roy Lefcourt simply cost him the election and Lefcourt finished a very bad last. The Britt name makes many people angry in the city due to his role in the May 21st riots of last year. Britt was even able to take his his role in the May 21st riots of last year. Britt was even able to take his buddy Wayne Friday onto the: Central Committee, the same for his old friend Dick Pabich who has done most of the Britt public relations.

Radical right-winger, a Birch-type gay Republican won election to the Republican County Central Committee, Kevin Wadsworth which was no surprise. Now Wadsworth intends to seek a seat on the Community College Board in the fall a city wide race which is most expensive. Britt has two candidates running this fall, Tom Ammiano for the Board of Education, and "Dr." Tim Wolfred for the College Board. The last time a gay ran for the College Board, he received 22,400 votes, that being the Rev. Ray Broshears in 1976.

ASSEMBLYMAN LEO MCCAPTHY ELECTS AN ANTI-HOMOSEYHAL

ASSEMBLYMAN LEO McCARTHY ELECTS AN ANTI-HOMOSEXUAL TO THE DEMOCRATIC NOMINATION FOR ASSEMBLY IN SAN

Cole Bridges, who received both money and other support from Assemblyman Leo McCarthy of San Francisco and from Assemblyman Art Agnos, won the Democratic nomination for the Assembly race this fall. Bridges is a member of the Los Gatos Christian Church which was one of the leading churches in the defeat of the gay rights laws in Santa Clara County and San Jose. McCarthy hasn't made a comment on the matter, nor has his for mer aide, now an Assemblyman, Art Agnos.

KLU KLUX KLAN ELECTS ONE OF THEIRS TO A DEMOCRATIC NOMINATION......Tom Metzger of Fallbrook California, received some 32,344 votes in San Diego County showing that there are that many racists in the Democratic Party and will be the Democratic Party nominee for the Congress this fall against an incumbent Republican. Now this will provide an opportunity to see how many racist Republicans there are in San Diego County as well, and many feel there are enough to upset 43rd District incumbent Clair Burgener. Metzger now has a seat on both the State and County Central Committees of the Democratic Party, regardless of any action the Democratic Party may take against him. His election is legal and the white racist is entitled to his seats on both Committees as well as his appointments. Metzger is very anti-homosexual and that was one of his main themes during the campaign.

ANTI-RENTERS MEASURE LOSES Proposition 10 the anti-rent control initiative of the realtors was defeated as was Prop 9 and Howard Jarvis. A defeat of the Cable Car fare increase was a big setback for the city. This measure will be re-introduced later, possibly in a special election it is now speculated.

So, it's a "win some, lose some," election for gays this time around, let's see what November will bring to us. Get involved with one of the Clubs today. Remember, if you don't vote, you forfit your right to bitch!

PRESIDENCY OF THE UNITED STATES..... ON PROBATION FOR "KEEPING A DISOR-**DERLY HOUSE"!**

MIAMI - Jack Campbell, founder of the Club Bath Chain has told associates that he is going to seek the vice-presidential nomination at the New York, Democratic National Convention at which Campbell is a Kennedy delegate. Campbell believes that there are enough gay delegates from San Francisco, Los Angeles and Miami who will be able to place his name in nomination.

But, Campbell is on probation after having plead guilty to a charge of keeping a house of ill-repute or a disorderly house, after his 1978 arrest in San Francisco for "pimping and pandering". His a-

attorney was able to plea bargain him with the friendly office of District Attorney Joseph Frietas. Frietas was a good friend of Jim Foster, another of the Campbell crowd. The Campbell plea bargain was made,

according to Campbell, because he did not wish to do anything to hurt the efforts to halt State Senator John Briggs in his effort to bar gays from teaching in California schools. But all concerned could not understand the Campbell reasoning, for he didn't have anything to do with things in California, except his name being on the permit for the Club San Francisco Baths at 330 Ritch Street.

Campbell has been in San Francisco and in Los Angeles recently trying to cement is political ties, it is reported, but gay radicals are not "in love" with Campbell or his mentor, David Bertham Goodstein, the owner of the Advocate and director of the Advocate Experience. Afterwards free bingo was played and all enjoyed themselves greatly. The cook (also director/pastor) the Rev. Ray Broshears, was assisted by Frenchy and Jim Stanley. It was a lively event no one can deny. The June luncheon will be on the 13th a Friday. Help us!

for a pretty body, but that isn't good theatre either. "Great Nebula in Orion" was truly fine. Good direction, timing, lighting, and the acting was almost flawless. The rest of the Theatre Rhino people could learn from the two ladies who brought this off so well, Terry Ross, & Demetra Karras. Also, if there was a fire in that old building, I don't think anyone would get out as there are no lighted "Exit" signs in the seating area at all. ray broshears -- 30---

"HAPPY BIRTHDAY KIMO!" From the Staff of the CRUSADER! The above pictures were taken by a Crusader friend, Stephen Cruz and developed quickly so we could have them to you now. Stephen was our on site reporter for the event as well and according to his report, it was a very big event, very colorful, and packed to the rafters to say the least. Kimo was celebrating his "bleepieth bleepieth" birthday, and he was heaped high with gifts from all over. Craig Roady, owner of "Just Friends" a gift and card shop next door, planned the event. There were colorful decorations, PuPu's, and so many happenings that it dazzled the mind. Kimo enjoyed it and that was the important thing. He sure has alot of friends! and that was the important thing. He sure has alot of friends!

C.R.I.R. Republicrats

Once again, the saga of the gay republicans! It is interesting to see how an organization founded to be a legitimate republican group has instead turned into a gay social service organization, one which consults with the gay rad libs in the Toklas & Milk Democratic clubs to see if there is any conflict in scheduling dates for their own affairs at crir. The latest Republicat move is to have a fund raiser for Michael Raines, who is not even a member of the club par a Republican and to have four radical supervisors. member of the club nor a Republican and to have four radical supervisors in attendance as drawing cards. How can a club and its President K. Wadsworth, who ran strongly opposed to Supervisor Harry Britt allow its organization to have a fund raiser with Supervisor Britt in attendance?! The same club honors the president of a democratic club, which supposedly represents everything opposite the belief of Republicans, at one of its meetings with genteel courtsmanship. One wonders if the Wadsworth fan club will continue to be an arm of the Republican County Central Commi ttee or turn around and be just another rectum in the spectre of gay San Francisco politics. With political ecunemism, fund raisers for questionable causes and an all encompassing policy of stump thumping and platform jumping, one wonders if a vote of confidence held in secret would really cause an overthrow of the current republicrat leadership.

Liberty & Justice For All! EXCEPT.....

the Stonewall Democratic Club) some of the people present who readily identified themselves as radicals, etc., one of the loudest mouths there, a Konstan-tin Berlandt who writes for the antiunion publication called BAR, loudly proclaimed that, "And if I were a member of the Executive Committee (the Parade Committee) and there are no

speakers at the rally, I would be afraid to identify myself for FEAR OF MY SAFETY!" Other loud mouths at the meeting who appear to have been a part of the name-calling, anti-freedom of speechers of the Stonewall Coalition were Greg Day of the gay rag from Houston called Upfront America who didn't want any of the networks to receive press passes (denial of freedom of press?); Ma Becker of the Parents of Gays/Lesbians wanted speakers to be heard in South Dakota like she was sometime ago; A Jim Curly was most adamant that speakers be allowed, he was in a pic for some fag dentist in the Castro recently; A roberto, a Kirk, and other assorted screamers were present and screaming at the stunned GFD committee members. Flash Goranson and Sister Amy looked as if they were about to be tossed into the lion's den (and we don't mean the clothiers either). Robert "Smitty" Smith blew higher than Mt. Saint Helen's at the screamers/deniers of freedom of speechies, and reportedly had a brown stain on his bottom after Berlandt made his threat? of physical violence towards the Committee members.

None of the screamers from the Stonewall Coaliton had ever attended a Parade meeting this year and none of them had done an ounce of work on the Parade, but were all coming in at the last minute trying to take it over, a typical communist/Marxist tactic. The screamers shouted that "democracy" didn't exist within the Parade committee, yet it was these same screamers who ridiculed and shouted down anyone who disagreed with them at the meeting...how very democratic-communist style (for Hitler style for that matter.) Also the screamers of the radical Stonewall Coalition wanted speakers to speak out; against the Democrats nominating a member of Klu Klux Klan for the Congress down in San Diego; others wanted speakers for the Cuban Refugees; others wanted speakers for San Jose and Santa Clara to protest the stomping that the lesbians led the gays down to there; others wanted speakers to denounce the governments of the United States, Chilie, the Philiphines, Haiti, San Francisco, etc. It was a bizzare scene but so typical of such radical elements. But the danger of VIOLENCE and a RIOT looms on the horizon. The radicals are "blackmailing" the GFD into speakers, just as they have done the entire city so far. Whether or not the GFD caves in to these radical loons, remains to be seen.

... The next issue or so may have a story on a former priest and how his name came up in a murder trial. It is one hell of a scandal and a deep personal disapointment for me, for I thought the guy was alright. But when you consider that Berzerkely guy he was running with.....well, I guess it is true. Really a sad thing!

.....GEORGE BANDA has said that we not have him to pick at, for he is not going to run for President of the Tavern Guild, but just vice-president. TG needs a smooth talker and a real diplomat these next couple of years. DON CAVALLO are you there?
