## COPS ATTACK ARLO!!!

ALBUQUERQUE: Coor's Brewery workers, treated like criminals, forced to take lie detector tests, and submit to fascist police searches of personal property, are shown demonstrating against the Coors operations. The AFL-CIO has joined Gays in helping the Gaycott of Coors Beer and policies.

## Gays urged to support District Attorney!

SAN FRANCISCO POLICE OFFICERS LASH OUT AT POPULAR DISTRICT ATTORNEY FOR HAVING CHARGED THREE COPS IN THE BEATING OF AN 18 YEAR OLD YOUTH!

When Arlo Smith ran for District Attorney in 1979, he promised that he would prosecute any person who committed crimes, including police officers. Many politicians say things when running for office, and few ever do anything later on, but Arlo Smith has proven to be a man of his word.

Eddy Szeto, 18 years old, had charged that three SFPD cops, Kevin Dempsey, 26 (Park Station); Marty Way, 26 (Central Station) and Leonard Jeong, 27 (Central Station) were involved in his kidnapping, and beating by the three on January 26th in Golden Gate Park.

Szeto charged that the two Asian cops, Way and Jeong, had picked him up while he was walking through Chinatown, and then with a pistol at his head, they handcuffed him, threw him into the back of the patrol car and drove across town to Golden Gate Park, where the on-duty also, Kevin Dempsey of the Park Station was waiting for them and there Szeto says, Dempsey yanked him out of the cop car by the hair, and onto the ground, striking him with his fists and kicking him.

The three vigilante-acting cops left the battered 18 year old on the ground in the Park and drove back to their respective Station Houses.

Szeto, who lives in Daly City, was treated at the St. Francis Hospital on Hyde and Pine Streets for abrasions around the mouth, nose, arms and back, and later released.

The popular Prosecutor, Arlo Smith said that the incident was what he would call a "retaliation beating."

The three cops were suspended without pay pending outcome of the hearings and possible trials in the matters.

COPS BEGIN TO "MANUFACTURE" CASE AGAINST 18 BEATING VICTIM NOW.....

San Francisco Police Officers, long know for their "buddyisms" and in "protecting their own" have began, according to the victim, a systematic campaign of harassment against him, for the very next night after the three cops, Dempsey, Way and Jeong had been suspended from duty for their parts in the alleged beating, Eddy Szeto was arrested in a Chinatown bar for "allegedly" being under the influence of drugs!!!! Now that is very typical for the cops!

And of course Szeto had to have the usual white racist charge of being a member of the "Wah Ching" a Chinese youth group. And an associate of Szeto was arrested by the cops, Harry Wing Tang, 22, for alleged drug use and probation violation.

The police did not find any drugs on the two at all, the two cops doing the "bust" were Robert Bonnet and Bernard McNeil of the Chinatown Gang Task Force which has been charged with ing anti-Asian and racist in the past. One of the cops is a friend of the arrested and suspended three cops.

As a result of all of this, the cops have been tearing into Arlo Smith for doing his job as he should!

## Coors Beer Gaycott Growing Bigger

The Gaycott/boycott of Coors is growing nationally inspite of the various gay businesses who sell the "scab beer" and by so doing, support the policies of Reagan (who Joseph Coors raised over two million dollars for) and Haig, as well as the continued fascist police state hiring practices of the Coors Brewing Company and the continuation of the destruction of the scenic lands.

David Stickler, AFL-CIO national coordinator of the Coor boycott campaign, pointed out that Coors has increased the lie detector testing of employees and not just at hiring but during the periods of employment as well as searching people down. Stickler told the *Crusader* that there will be an increase in the publicity surrounding the Coors boycott soon and asks that Gay groups please rally around this effort to end fascist employment practices at Coors.

He pointed out also that "Joe Coors is a big big contributor to the John Birch Society (a story we carried in two pages in December) and to the Heritage Foundation and is Reagan's big link to Colorado." Coors will soon destroy the environment around the Senandoah National Park in Virginia by building a Coors Brewery there in that scenic wildlife area of western Virginia.

## Public Defender O.D.'s on Power

Public Defender Jeff Brown, in an unprecedented move, had District Attorney Arlo Smith supeonead into Court in a trial involved a former convicted felon, in which Smith had gone and had the man's bail revoked.

Brown said that "Smith was biased and should not be allowed to prosecute the case," but the Municipal Court Judge, Maxine Mackler Chesney rejected Brown's demand, which many felt was a huge power trip on the part of the embattled Public Defender, whose Office has been accused of doing very little good for the clients of it's office.

District Attorney Smith, whose popularity obviously causes Brown some discomfort and envy, had criticized Judge Louis Garcia for releasing the felon on his Own Recognizance last month, for the man had been arrested on grand theft, narcotics, and illegal weapons, and is believed to be involved in the mysterious disappearance of Valerie McDonnald an aspiring actress. Certainly for an ex-felon to be released on such large charges when people arrested for prostitution can't get O.R., is a travesty of justice.

And now it has been learned that the Northern California Service League (NCSL) has muddied the waters as one of it's employees had an affair at one time with the ex-felon, and another employee of the NCSL presented the papers to Judge Garcia for the O.R. release, and the NCSL works closely with the Public Defender and the O.R. Bail Project.

JEFF BROWN "On a power trip and O.D.ed on it," said one person.

D.A. ARLO SMITH doing his job protecting the public as he should do!

“ALL BECAUSE HE WAS GAY!”  
SAILOR COMMITS SUICIDE  
FORCED INTO TAKING OWN LIFE BY  
TAUNTS OF “SHIPMATES!”

New London, Conn: 22 year old Jim J. Revering was “forced” to kill himself by his shipmates at this New London Naval Submarine Drydock on Friday last week.  
The New London Day, a local newspaper said that Revering shot himself in the head with a .45 caliber pistol while standing topside watch aboard the submarine Greenling, now in drydock.  
Three of Revering’s former crewmates told the Day writer that the other members of the submarine crew told Revering to kill himself that he was a fruit and that all fruits could do was to kill themselves and get f\*\*\*\*d.  
They even beat him and tried to force him to desert, and all because they felt that he was a homosexual.  
Revering’s death is being investigated by Naval Intelligence.  
Lt. Commander Camila Estrada, public information officer at the Navy base, said she did not know if the investigation would include the allegations that Revering was harassed by his shipmates.  
Crewmembers are reported to have mimicked him and called him “sissy” “fruit” “cocksucker” and also made fun of his mannerisms and his speech.  
“he was from California and had a slight build and talked with a lisp,” said one friend of his, but that he didn’t know if he was Gay or not.  
Revering was from Sacramento and a funeral was held on Saturday at the Lind Brothers Mortuary and a Mass at St. John’s Church.

TONY ROME HELD IN  
KIDNAP AND RAPE OF  
FEMALE!

Tony Rome, 25, and two other men are being held for the kidnap rape of a 33 year old San Francisco social worker after they were taken into custody, early Friday morning last.  
The woman’s car had broken down near Buena Vista gay sexpark and they offered to help her fix the car, but pulled her into their car which turned out to be stolen a rental car. They are charged with kidnap, rape, burglary, grand theft and other counts.  
They took over \$200 from her, and had taken her to an area in the south of Market where they raped her and forced her to commit other sex acts including oral copulation.  
They later drove her to Oakland where they kicked her out of the car with \$5 for “cab fare.”  
She called the Oakland Police who notified the San Francisco police.  
They stopped the stolen car, a 1980 Toyota in the 500 block of Eddy in the Tenderloin and arrested a Lonnie White 18 who took them to the Greyhound where they arrested Michael L. Whitaker, 24, as he was boarding a bus to L.A. Rome was arrested at 1233 Cole Street.

THE MURRAY REPORT:

# MORAL? MAJORITY

Much deal has been made recently about the Moral Majority’s policies towards the Gay community. However, let’s step back and look at their long range plans.  
Many members of the Gay community have reacted violently towards the Moral Majority’s policies, especially in light of the recent KRON-TV report.  
However, violence and rioting seem to be exactly what the Moral Majority wants, in which they can bond the community against homosexuals. In taking the position of, “Our Right To Be Gay” the Moral Majority can meet us head on, especially with a “war chest,” estimated at six million dollars.  
The Moral Majority is defenseless in one issue however. They (the Moral Majority) bases much of its policies on the credences of God and Country. There is no doubt as to their religious ties. However, they are off base in their thoughts of patriotism.  
Our country is based largely on a single document of law.....The Constitution. In forming the Constitution, our founding fathers were vehemently opposed to one form of government, a democracy. Now before you get confused, the U.S. is technically a republic, not a democracy. A democracy, literally translated, means, “a dictatorship of the few.” The most recent and famous democracy was Nazi Germany. In 20th century terms, democracy translates to fascism.

You may wonder how this conclusion was arrived at. Well, it appears that the Moral Majority wants what they say to become law and any opposition to be disposed with. You may remember this was nazi Germany’s exact way, the same policy.  
Now if you step back and look at long range effects, using the Third Reich as a prime example, opposition provides new ideas. Without new ideas eventual stagnation occurs and governmental death occurs.  
In addition, to these circumstances a democratic or fascist state would result in great unrest and revolt. So, instead of fighting from the standpoint of “gay rights,” I urge you fight from this viewpoint, where the Moral Majority cannot defend themselves. Make them fight on your terms and not theirs.

WILLIAM MURRAY!

## CALL FOR CREATION OF POLICE CIVILIAN REVIEW BOARDS FOR AREA NEIGHBORHOODS!

Police abuses of privilege in San Francisco has been one of the major factors in citizens meetings calling for the referendum which would lead to an election calling for the creation of neighborhood community councils which would set in judgement of police misconduct.  
The “freebie-cops” who eat so well at various restaurants, a habit that former Chief Gain had virtually done away with, has now become one of the major “plums” of the Murphy-cops.  
In addition, some civilians have followed some cop cars who have narrowly missed children and found they were in a hurry to go eat.  
Such abuses of the privilege of being a police officer in San Francisco, most feel will only halt when the citizens control the police department.  
The recent police-vigilante actions against an 18 year old Daly City youth has given call for faster action towards an election to control police abuses.  
It is pointed out that over 73% of the cops live outside San Francisco, thusly are occupiers!!!

## ONE GOOD REASON TO NOT SUPPORT MARCH FONG EU FOR ANYTHING.....

Don Disler, an attorney formerly the Gay liaison for ex-District Attorney Joe Fietas, is now working for Secretary of State March Fong Eu as chief assistant secretary of state (her political advisor). He didn’t do too well in advising Joe Fietas in the Dan White mis-adventures and he did worse in creating the now infamous “list of Gay leaders” along with Law librarian Bob Schmidt which had a slap in it for every Gay leader in the city from A to Z! Now Disler has obviously taken his Gay “slap list” with him to Sacramento.  
Disler’s first job for Secretary Eu was to write her speech at the Democratic Party State Convention. Ms. Eu wants to be the first woman Governor of California and she feels that having a Gay lawyer will help her with the Gay vote. Fat choy chance Ms. Eu!  
Ms. Eu, when an Assemblywoman REFUSED to vote for the Willie Brown Consenting Sex amongst Adults Law. Remember that fellow faggots!

## “MAYOR”MOLINARI SEZ ASSEMBLY SPEAKER BROWN

Willie Brown always knows how to make the news and this past week was no exception, as he is so pissed at Mayor Feinstein for her attempts to make the new huge highrise buildings pay more funds into the MUNI METRO system for which almost all applaud her...except that sly devil Willie Brown who is also a practicing lawyer and he represents one of the highrise to be, owners and he wants her to back off the proposed new law. Well, Mayor Dianne is sticking to her guns for a change and Willie is pissed with a capital P! So he has been letting people know that he Democrat will support Republican Molinari for Mayor in 1983. Well Speaker Brown, the voters may have alot to say about that!

## UNIVERSITY OF COLORADO ATTACKS COORS BEER TOO!!!!

Students are marching in protest of the University’s ties with Joseph Coors and Coors beer. Coors Beer is once again being sold in the Student’s Union bldg, and the students want the scab fascist made beer off campus.  
Coors, it is charged, has an asbestos fiber in the beer and is dangerous to your health.  
And the company (Coors) has been charged with discriminating against Latinos and gays and with having lie detector tests for employees.  
The students have charged right so, that Coors contributes hundreds of thousands of dollars yearly to the John Birch Society.  
This week, there will be a student referendum on the matter of having or not having Coors in the Student Union cafeteria.

# Chief Murphy in the grasp of the Cops for Christ

Just over one year ago, the new Chief of Police, Con Murphy had met with a group of gays and told them that the dreaded police-wing of the Moral Majority, the Fellowship of Christian Peace Officers/Cops for Christ, would not be allowed to practice their religion while on duty or to employ their religious beliefs while conducting investigations. A year later, Con Murphy is firmly in the pits of the palm of the hands of the far right wing Cops for Christ and recently in an interview on KRON-TV channel 4, said he supported the Cops for Christ in their classes at the Police Academy. In addition, Chief Murphy has allowed the Cops for Christ to continue its control of the Homicide Unit and to continue their obvious bias in conducting investigations of the killings of gay men.  
Chief Murphy has drawn “closer” to conservative elements in the gay community, and has refused to investigate charges of police brutality in the Polk area. Arrests of gay men for alleged public sex acts has increased rather dramatically in the one year of Con Murphy compared to the former Chief of Police, Charles Gain.  
Murphy’s report card after one year is poor to bad as far as human rights are concerned, but as far as the radical rightist Cops for Christ and their conservative followings, it is right up near the top. Perhaps it is time for a new Chief of Police in San Francisco who’ll defeat crime!

Inspector James Crowley, SFPD Homicide Unit is the leader of the Cops for Christ. Beware!

# Court Victory Over Slumlords

## CALIFORNIA SUPREME COURT SAYS THAT LANDLORDS MUST KEEP RENTAL PROPERTY HABITABLE.....

The State Supreme Court ruled on Friday that a landlord is responsible for maintaining liveable housing even if a tenant has continued to live in uninhabitable premises under protest of bad conditions. This decision will affect thousands of renters and one case that has come to mind is the Empress Hotel on Eddy Street and the Ananda on Turk Street and several of Sixth Street.

The Court also let stand a Court of Appeal ruling that police who spot marijuana in a fenced-in back yard may not enter unless they have consent or an emergency situation exists.

The Appeals Court had overturned the conviction and probation sentence of Robert Michael Chavez of Santa Clara. The cops had found 39 pounds of marijuana plants in his back yard even tho he refused to allow a search of the house. The cops had said that they spotted the marijuana plants from a vantage point in a nearby motel.

This pot ruling along with the tenants ruling has given many poor people hope in their battles with the cops who represent the ruling class and property owners in their exploitation of the poor and low income peoples.

On the rental rights issue the court also held that a change of ownership of an apartment building without alleviating bad conditions does not infringe upon a tenant’s right to fight an eviction on grounds the landlord violated maintenance responsibility.

Under state law that responsibility is known as implied warranty of habitability, which was first recognized by the court in 1974. Under the implied warranty a landlord has an implied agreement with a tenant that living quarters will be maintained in a habitable state for the duration of a lease.

# NO Guardian Angels sir!

Despite the hysterical rantings and ravings of both Jeff Jarvis of the EXAMINER and Van Amberg of KGO-TV a group of red bereted vigilantes running about on the MUNI METRO is NOT what San Francisco needs.  
The group called “Guardian Angels” which began in New York and has spread to Los Angeles is little better than Adolph Hitler’s Brownshirts which were formed for the very same reason that Curtis Sliwa says that his group was founded for....“To protect the people in this crime ridden country because there aren’t enough police to do it!” Exactly the words of Eric Rohem when the pre-Nazi Germany Brownshirts began, as they too would roam the streets, originally at least, to protect the citizens against thugs, punks, robbers, etc. But later they began to “protect” the people against Jews, and unionists and socialist and lastly homosexuals.  
San Francisco and America has no need for the vigilantes that KGO and the Examiner people seem to want so badly for San Francisco. And after all, neither of the two have been very pro-Gay in the past, have they?!!!! Mayor Feinstein and D.A. Smith are correct in refusing to meet with the Guardian Angels and Sliwa, for Gays have enough problems without having to watch out for these punk-type street people vigilantes from New York.

## VALENTINE PARTY FOR ELDERLY of TENDERLOIN

Wednesday February 11th at the Christ Chapel dining hall in the Odd Fellows Hall Bldg, at 26 Seventh Street, over 40 seniors had turned out for a fabulous 11th Annual Valentines Party given by the Church of the Rev. Ray Broshers.

The meal, cooked by Michael Brown and Bob Doody of the 15 Association, consisted of 1/2 a chicken per person, plus a huge scoop of homemade potato salad, and some delicious blackeyed peas and a huge half dinner plate of lettuce tomatoes etc. Plus for desert they had huge slices of chocolate ice cream with cookies galore.

Afterwards, the free bingo was held and all received much goodies including boxes of candies/hearts, etc.

In addition to Michael Brown and Bob Doody, Tall Billy Murray was a hardworker, and some help from Phillip and Dezzaray?

The even has been staged by the Rev. Ray for the past 11 years and the elderly despite a hard rain, did turn out for the affair.

Help for this luncheon also came from the SF Crusader; Carl Campbell, Keith Parker, Mr. Al Brown, and Al Alvarez.

The next luncheon of corned beef and cabbage & potatoes for St. Patrick's Day can be held if YOU help us. Send \$5 to: Christ Chapel, 26 - 7th Street, SF CA 94103.

### LAWUIT AGAINST GAY ACTOR AND PLAYWRIGHT??

Douglas Dean Goodman who's play "Special Friends" has just re-opened on Mission Street has been sent a letter, a copy of which was sent to the Crusader, from KGO Theatre Reviewer and actor, Jack Brooks who let Mr. Goodman know that he was displeased with a letter sent about by Mr. Goodman about him and about alleged remarks by Mr. Dean Goodman as to the honesty of Jack Brooks, and slurs upon the character of his charming wife.

The letter was addressed to the San Francisco Bay Area Critics Circle of which Mr. Goodman is currently the President of. It appears that things are not going well within the Critics Circle either.

Mr. Goodman is scheduled to stage the annual Critics Circle Awards in a month and at the same time has a play running.

Mr. Goodman received much applause for his staging of the Critics Circle Awards last year tho.

The lecture for a new President of the Critics Circle is but a few months away, so observers feel that Mr. Goodman's resignation will not be called for, but should he seek re-election for the third time, a poll has shown that he would be seriously defeated. Mr. Goodman was not available for comment on the subject.

## JANUARY 15 MUST BE NAMED A NATIONAL HOLIDAY

In almost every major city in the nation, with San Francisco being the exception, huge demonstrations were held in honor of the late Dr. Martin Luther King, Jr. with the largest turnout in Washington DC itself, over 100,000 strong. Dr. King who was assassinated in 1968, was one of the greatest Americans who have ever lived, and the nation is long past due in paying him and what he stood for, homage.

As a result, in San Francisco, the Barbary Coast Democratic Club has introduced a Resolution to the membership of the 5,000 member California Democratic Council (CDC) which will hold its annual convention March 27, 28 and 29 in the state capitol, Sacramento, which would bind all member clubs to endorse only those candidates who will introduce and or work for the naming of January 15th as a mandatory national holiday and as well in the various local communities. Failure to endorse such candidates and to endorse a candidate who refuses to honor Dr. King's birthday, could result in the expulsion of that club as a member of the CDC. But certain closet-racists within CDC are expected to "water" the measure down somewhat. To date, no legislator in San Francisco would endorse the measure.

✱

Following are excerpts from a speech by Dr. Martin Luther King, Jr., at Riverside Church at a Peace Conference sponsored by Clergy and Laymen Concerned About Vietnam. The speech was delivered on April 4, 1967, exactly a year before his assassination. He would have been 51 this past January 15th. Dr. King's remarks on that day were very important because they tied the fight against racism and for human needs to the fight for peace. As we begin the next four years under the Reagan-Haig (Nixon) administration with the threat of deepening economic crisis, stepped up racist attacks, and war, Dr. King's words hold particular significance.

By Dr. Martin Luther King, Jr.

"The war in Vietnam is but a symptom of a far deeper malady within the American spirit, and if we ignore this sobering reality we find ourselves soon organizing Clergy and Laymen Concerned Committees for the next generation. They will be concerned about Guatemala and Peru. They will be concerned about Thailand and Cambodia. They will be concerned about Mozambique and South Africa.

We will be marching for these and a dozen other names and attending rallies without end unless there is a significant and profound change in American life and policy.....

In 1957 a sensitive American official overseas said that it seemed to him that our nation was on the wrong side of a world revolution. During the past 10 years we have seen emerge a pattern of suppression which now has justified the presence of U.S. military "advisors" in Venezuela. This need is to maintain social stability for our investments accounts for the counter-revolutionary action of American forces in Guatemala. It tells why American helicopters are being used against guerrillas in Columbia and why American napalm and green beret forces have already been active against rebels in Peru;

It is with such activity in mind that the words of the late John F. Kennedy come back to haunt us. Five years ago he said, "Those who make peaceful revolution impossible will make violent revolution inevitable."

Increasingly, by choice or by accident, this is the role our nation has taken --- the role of those who make peaceful revolution impossible by refusing to give up the privileges and the pleasures that come from the immense profits of overseas investments.

I am convinced that if we are to get on the right side of the world revolution, we as a nation, must undergo a radical revolution of values. We must, rapidly, begin the shift from a "thing oriented society" to a "person oriented" society. When machines and computers, profit motives and property rights are considered more important than people, the giant triplets of racism, materialism, and militarism are incapable of being conquered.

A true revolution of value will soon cause us to question the fairness and justice of many of our past and present policies.....

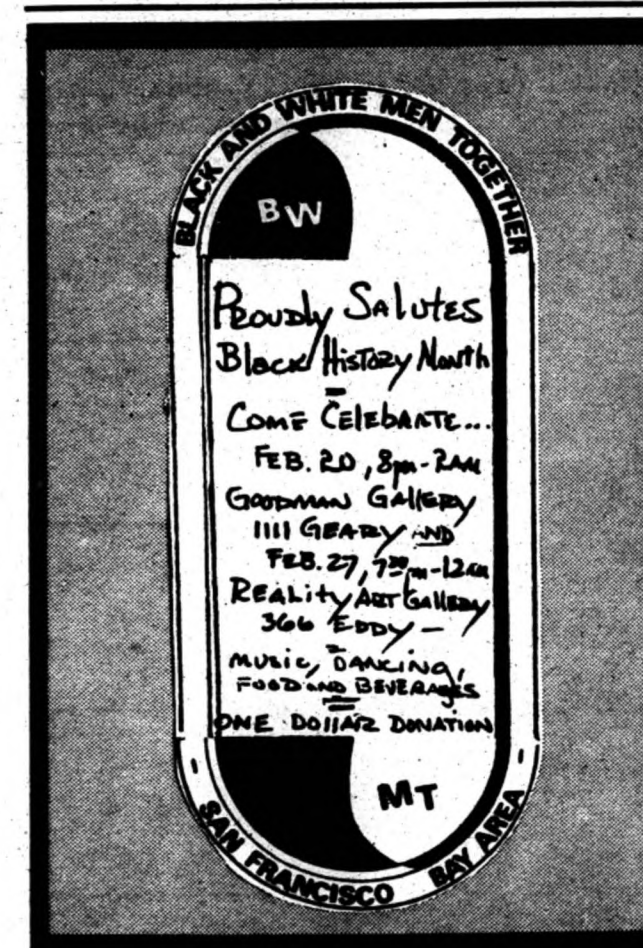

True compassion is more than flinging a coin to a beggar; it is not haphazard and superficial. It comes to see that an edifice which produces beggars needs re-structuring. A TRUE REVOLUTION OF VALUES WILL SOON LOOK UNEASILY ON THE GLARING CONTRAST OF POVERTY AND WEALTH.

With righteous indignation, it will look across the seas and see individual capitalists of the West investing huge sums of money in Asia, Africa, and South America, only to take the profits out with no concern for the social betterment of the countries, and say: "This is not just." It will look at our alliance with the landed gentry of Latin America and say: "This is not just." The Western arrogance of feeling that it has everything to teach others and nothing to learn from them is not just.

A TRUE REVOLUTION OF VALUES WILL LAY HANDS ON THE WORLD ORDER AND SAY OF WAR: THIS WAY OF SETTLING DIFFERENCES IS NOT JUST ..... A NATION THAT CONTINUES YEAR AFTER YEAR TO SPEND MORE MONEY ON MILITARY DEFENSE THAN ON PROGRAMS OF SOCIAL UPLIFT IS APPROACHING SPIRITUAL DEATH!

America, the richest and most powerful nation in the world, can well lead the way in this revolution of values. There is nothing, except a tragic death wish, to prevent us from re-ordering our priorities, so that the pursuit of peace will take precedence over the pursuit of war. There is nothing to keep us from molding a recalcitrant status quo with bruised hands until we have fashioned it into a brotherhood.....

Reverend Dr. Martin Luther King, Jr.

Taylor Benson, who produced the Al Parker film "Inches" made the film "Bad Bad Boys" which is coming back to San Francisco for a third go-around. Why a third time you ask? Well, for the simple fact the film has much sex, much hot men and younger men and men and youths who have real honest to goodness erections!!!

Johnny Dawes whose pic is in the ad on page 10 and is also on page 13 too, is a real cummer! Johnny just keeps on cumming and the people keep on returning to see the film. The color in the film is good and the sound track is ok too. The only scene that is a bit much is the rape scene of the so-called "boss" who would have to pay me to rape him, but different tastes for different youths...but I would like to have all of the young hot studs who did him over to do me all over. It is an entertaining

film, and one which will get you hot and bothered and isn't that what male male erotica is all about? The other film on the bill with this one (both of which are at the Screening Room) is a new one and will be reviewed in the next issue. (see page 10)

PACIFIC COAST HIGHWAY opens next at the Nob Hill Cinema. A William Higgins production, it holds more hot young studs than most any could imagine. Kip Noll is one of the stars of this, a film of youth who travel up and down the fabled Pacific Coast Highway. Certainly, such a setting will bring out the raw lust of the most whimpys faggot for the big thundering erections on the guys in the films here will leave you with tented pants for hours, and you will make a mad dash for the rear of the theatre. J.W. King who is big on the meat is one of the stars of this epic, as is Steve Savage.

Troy and Steven Richards, brothers, will give you a wild flash as will Scott Anderson who we have seen before and will see all in this one. Buddy Preston makes this film a cummer too.

James Gabbert, owner of KTZO which he calls "TV20" (UHF channel 20) hosts an all night movie session every Sunday night beginning at 11:30 and it is good to a point.

The big bad part about TV20's all night movies is Gabbert's support of COORS BEER.....as he has his little number, not very cute tho, run about bringing him his beer from the frig in his Tenderloin hotel (Gabbert would shit his britches before he would ever go into the Tenderloin alone, let alone stay at any of the funkyhotels in the area) and give it to him. Kinda like a slave and master routine? Anyhow, he has this Coors sign flashing outside his mythical window and has the youth bring him obviously bottle of Coors.

Gabbert was considered by some once upon a time to be a "liberal" but now he is as bad as Jim Dykes and Troy Perry for their courting of the Coors bucks!

The Gaycott of Coors means alot for freedom and justice loving people, and Gabberts support of

Coors, stinks. His leather jacket "editorial" on the silly letter of Supe Silver to that conservative closet case Congressman was right on tho. But still, we fear his motive for the editorial was motivated by other "interests."

Still, his TV20 has taken off and does present some fine programming some of which is really right on. His Sunday afternoon of Country music from 1 to 3 from Grand Ole Opry personalities is right on. But it would go better if it was on from 11:30 to 1:30 on Saturday nights. You just turn your dial to TV20 and catch some of the shows, ok?

## Follow Spot

Extremely finely drawn characterizations highlight both of the one-acts now being revived at the THEATRE RHINOCEROS (Sat. @ 11:30 pm and Sun. @ 3, call 776-1848 for info).

The first is Cal Toeman's The Line Forms To The Rear.....and is a heart rending portrait of a loser, a retired second-rate female impersonator, tubby and approaching middle-age. He had a nervous breakdown when he lost his lover to a hung, young stud and is currently existing, as opposed to "living" with his mother in a small trailer. Despite all this he has found not only peace but a mission through what he refers to as "mercy sex."

Yoeman's script fleshes out a well conceived character but it is BLAINE SOUZA'S acting, and especially his sure sense of timing, that brings the man to life. William F. Manning portrays two walk-ons, the second in a piece of black-humor that is oddly touching. LANNY Baug-niet's direction is adroitly understated.

"Beer & Rubarb Pie" by local author Daniel Curzon is a light hearted look at the ageless conflict between sensitivity and muscles. Len, a young gay, hires Fernando, an extremely macho (with an extremely hunky body) carpenter to do some repair work in his home. While constantly posing, flexing muscles and blatantly showing off his body, Fernando nevertheless makes it plain he looks down on Gays.....yet he is obviously fascinated by the subject and keeps returning to it. Although the two characters clearly represent brawn and brains Curzon wisely avoids the trap of stereotyping them but gives each enough of the other's attributes to keep the conflict realistic and the oddly satisfying and "fulfilling" ending believable. CHARLES KUHNAN as Len and THOMAS-MARK as Fernando are both excellent, working extremely well together, each skillful in bringing out subtleties that, coupled with Dan Turner's crisp, well paced direction, make the characters truly "come alive."

Bob Bansuch's set is excellent, doubly so when one realizes that it must be movable as these play in rep daily with INTERNATIONAL STUD.

Raleigh Waugh's lighting of both is effective.

PAINTED STICKS (at the Buriel Clay, 762 Fulton, thru Feb. 21, call 474-3734 for info) is a first play by Arthur Scott which show promise of a brilliant career ahead. It takes up the internal relationships of two families, one black, one white, during the long Montgomery bus boycott of the '60's. While somewhat too realistic...actual conversations are rarely dramatically interesting, tending to be overly wordy and repetitive, as does too much of this play.....so accurately does Scott draw his characters that one tends to forget he is watching fiction and becomes caught up in what seems an actual documentary. Equally impressive, especially in a beginner, is his avoidance of stereotyping his characters into heroes and villains so that everyone comes across as immensely human with no one perfect and no one all bad. An amazing feat in so explosive a situation.

The cast of eight are individually excellent with Bin-gwa as a rebellious young black and, especially, LEONA HARRIS as his mother standouts. Rita Leckrone's direction is surehanded and generally well paced; the workable unit set is by Pamela Winfrey and the fine sound effects are by Terry Hunter.

A sensitively handled Gay sub-theme doesn't really emerge until the last few minutes but serves as an interesting counter-point to the theme that bigots inately oppress anyone different.

Not without flaws, but well worth seeing.

HOME (at the SF Rep, thru March 7, call 863-4859 for info). It isn't terribly difficult for a company to please a reviewer with a type of play he likes but when they can do it with a type that he doesn't like, then they have really accomplished something and that is exactly what the SF Rep has managed!

David Story's (The Changing Room, This Sporting Life, and Cromwell) play is of a type I normally abhor: no beginning or ending, no plot, no dramatic conflict, but merely an acute "slice of life" commentary on people's lives today. Yet, so highly professional and entirely believable is every cast member and so astute is Stefani Priest's direction is a basically actionless play that I found myself not merely interested but actively enjoying the production. Although by no means a comedy, either in the word's usual sense or in it's "black" connotation, I have rarely heard an audience laugh more myself included. Since much of what's going on, I'll say no more about it, just highly recommend you see it.

STOMPIN' AT THE SAVOY (at the On Broadway, call 398-0800 for info) One joke in bad taste damages an other.....cont. page 8

Three loud huzzahs for the San Francisco Ballet, the first non-New York dance company to be invited to appear at the prestigious Edin-burg Festival in its nearly forty years of operating. A richly deserved honor, not only reflecting credit on the company but on San Francisco as well, and an unexpected but fitting tribute to its current brilliant season.

When leather bars started opening in vast array along Folsom Street some ten years ago, it was dubbed "The Miracle Mile" amidst resounding publicity. Likewise the same fanfare some few years later when "The Castro" clown out of the closet and then turned clone-ish. All the while old Polkstrassa cruises along without much publicity, changing slowly, sometimes for the better, sometimes not. Yet the Polk Street area has become the city's core for gay/bi show rooms over the past few years with between six and eight each week offering a fantastic range of styles of both music and entertainers. One of the best is KIMO'S (Polk and Pine, 885-4535) a warmly intimate room with extremely reasonable prices, excellent service, no cover charge, and, for those who like to look as well as listen, an unrivaled view of the never ending panorama of Street life on the Strassa. Recently I caught a late night set by JAE ROSS there and although he is better known for his work in musicals..... (leads, in There Was A Young Lady and the long running Berlin '32 among other credits) he is obviously equally at home on the cabaret stage, where a warm and engaging personality as well as an extremely fine voice had a late Friday nite drinking crowd paying him the ultimate compliment: shutting up and listening the moment he started a song. A rising young star, well worth hearing again and again.

While New York is reveling in one of its most successful seasons in years, the early part of our '80-'81 Season, although far from over and far from being horrendous, was even farther from being something to crow about. With the exception of a pair of touring "super musicals" there wasn't a "hot ticket" in town all fall nor a show that created more than a ripple of excitement. Even superb ACT had been disappointing, due in part at least to the irony that they have become victims of their own excellence: they have given us so many superb productions over the years that we have been spoiled and are all too prone to carp over what is merely a very good show. It is, conversely, an enormous compliment to the company that we now expect only the very best from them and the best is exactly what they have offered in '81. The powerful NIGHT AND DAY (reviewed in the last issue) came in January and now there is the nothing less than superb, ANOTHER PART OF THE FOREST. The moment one enters the "house" he is swept away under the spell of Ralph Funicello's awe inspiring set, the side porch and yard of a house dominated by Greek columns seemingly soaring to the sky. Nor does the spell weaken as we watch the machinations of family members locked in internal struggles in Lillian Hellman's "other" play about the Hubbard family. (The younger generation in this is the older on in the better

known THE LITTLE FOXES, which while written first, takes place twenty odd years after the time of this one.)

This is not a happy play and certainly it is not a happy family nor is virtue its own reward.....thankfully so for if it were there would be no play as there is no virtue in any of its character. Liars, cheats, crooks,.....whoremongers, blackmailers, sadists.....cowards, harlots, bullies.....the character: present a veritable dictionary of the baser aspects of humans.

Arch-fiend is the father, a self-made poor-white who traitorously made a fortune during the Civil War and in the fifteen years since has increased it, mainly through foreclosing on destitute plantation owners unwary enough to have borrowed from him. He treats his half-crazed wife far less well than: "Something better than his dog, a little dearer than his horse." He revels in publically humiliating both his sons, insults guests in his house and has blatantly incestuous feelings for his daughter (Publisher's note: "I certainly hope the Moral Majority doesn't hear about this one!") And yet, so powerful is RAY REINHARDT's portrayal (and so unsympathetic everyone else) that I found myself almost liking the old reprobate and actively hoping he would somehow avoid the clutches of his elder son. (If there is a weakness in the dramatic structure of the play, it is that his actual capitulation, as against his promise to do it, is too quickly glossed over.) BRUCE WILLIAMS plays this son, unctiously dishonest to the core, with splendor and never wavering nefariousness while BARBARA DIRICKSON as the daughter gives a marvelous portrayal of a spoiled, rich, Papa's darling whose wants have never been thwarted by either parental control or personal morals, and MARK MURPHY is great as the sotten, loutish younger son whose all too few brains dangle between his legs. And then, there is ANNE LAWDER, sensational as the mother, more than half crazy, a religious fanatic living in terror of her husband and of the past, estranged from and not understanding her children and yet, beneath all this, she manages to project a believable strain of childlike innocence and common sense. Although she can be faulted for seeming to milk her final scene, drawing out her good-byes past reasonableness in a play so long, she gives one of the truly memorable performances of the past few years.

Astutely directed by ALLEN FLETCHER and with exquisite costumes by Michael Olich, ..... ANOTHER PART OF THE FOREST should not be missed by anyone who wants more than the lightest pap in his theatre.

"A MENAGE A CAT" is the funniest line in "Special Friends" (Center for the Performing Arts (?) 1133 Mission, 431-7195) but whether it is by design or an unintentional mispronunciation of "quatre" (French for four) I really don't know. We are quite alone with out thoughts. We sit here pondering the future.....Where shall we end up? How long before the Angel of Death comes for us? Or do we beat him with our lust?

We sit here with thoughts of our little one, of the only one we now care about, love and trust. We think of his not being here, and we are low because he is dear.

But remember! You, the price must pay.....for being Gay. For if you were not a queer, you certainly would not be here, but free this day.

Remember too, that, you are really not alone for those you loved are with you now.

Take solace in the fact that you, Oh lonely one, have someone who cares, and for whom you can dare.....DARE TO LIVE.

This, many a "free" man has not, therefore you, the persecuted, have more than they. Take heart and stay!

Do not slip, for now 2 will fall.....you must pay. Accept the reality that, through your strength and heart, you shall conquer those who would harm you.

Always remember, you are fortunate and blessed, blessed by GOD HIMSELF, to have Nick to love and want.

The days are long, but really short, because you have someone to help without retort.

When he leaves remember this, he's in your heart and thoughts.....forever more. You now have someone to live for Old Boy! Someone real, and not a toy, that is worthy of your love.

You have someone that cares for you, something you've not had in many a year. Let no man put you under nor stop you on your trip. For your greatness has been proven throughout, of this, there is no question nor doubt. You have defended yourself against the worst, and have come out looking the best. Really how, do you think you've lost? Or have they just begun to bear the cost? For this battle will rage on.....it shall not end by next dawn. The lines are drawn, the torches await.....all that remains is to plot the course, narrow and straight.

For we from rugged stock do spring, and no little whim, from us shall take, the Power of our ring. Our rightfully obtained place awaits, with out loved ones by our side.....Ruling as of old, with our hard earned gold. We shall patience have, until that day arrives and then, with all the might of old, with all the power from below, we shall strike our enemies a fatal blow, from which, there shall be no return. Mephistophilis, HEAR OUR WORD! NAY! You are not finished in this life! You've just begun! Have heart! Ponder not on your woes, for that be the trap, laid by your foes. Your greatness lies intact.....like the Undead from below. Who, no robber, neither with black robe nor suit, would dare try to steal or recruit. You are your own ruler. Yes! Never forget, thou art NO LESS! Loneliness must be endured, in order to gain the strength you need, to hold onto that which you love. When the door opens and you then begin to sow your seed, that seed shall spread far and wide, carried on every tide. That your notions and suffering will be known, is a fact that has grown. Grown as a Viper in the minds of the unjust, telling them that, soon, soon that Viper will strike.

And without warning they will tell, that they are all in HELL! Enjoy the pain that you inflict, for the day will come, sooner than you think.....when you, the price must pay, for causing us this horrible delay. OH HEAR US MEPHISTOPHILIS! QUID TU MORARIS? The bargain struck with Faustus is: so we think, ready to be signed with thy ink. You have taken our freedom and cost us dear, but what must be paid in return, is something, something.....you should fear! Your immortal soul my dear! SPECIAL FRIENDS review continued from page 7.....

play his role with such winning bitchiness, that when he runs off with a kid his own age, one feels not sympathy for his jilted partner (Richard Stevens) but something more like relief that a nice guy has escaped a messy situation and is now much better off.....certainly not the author's intent. How could an interesting setting (Ron Krempetz) of eye-catching trellises in various heights be dressed (Valentine Hooven) with what appears to come from Goodwill's bargain basement? This is the livingroom of a successful lawyer's presumably expensive view apartment yet the green loveseat spears sprung, the blue drapes and net curtains are hideous and chintzy (NOT referring to the material) the hip piece of tan carpeting screams "Remenant Sale" and what looks like a disguised typewriter table is covered by a garish yellow cloth. And then thereis the question of the room having two liquor bars. Since much of the play's action involves the pouring of drinks, the idea does pop up that so unusual an idea of having a bar at each end of a not very large room is merely a gimmick to simplify blocking.

And then too, one wonders if the removal of a jock-strap at the end of Act I is merely pandering to puerilant interests? If so, it backfires..... Mount Diablo is a beautiful mountain, but if one has been led to expect the Matterhorn, one is liable to be disappointed.

On the other hand, there are many good aspects of the production. The script is well constructed (except for a pointless and unbelievable sort of epilogue stuck on at the end.) The plot of boy-has-boy, boy-loses-boy, boy-gets-boy-back (only here it is two men of thirty-five and two youths of 18 or 19) has some nice twists. There is much humor and at least one great line: "The best things in life may be free but the next best things cost a heluva lot." There is lots and lots and lots of skin, a nearly nude go-go dance and a fairly erotic "bed" scene and, best of all, some fine acting.

RICHARD TIERCE, as a bike riding, leather clad stock broker, is amusing in the slow first act, then comes hilariously into his own in the second act. Robert Murphy, as a not-too-bright but streetwise drifter, go-go dancer and ex-hustler, has the role under beautiful and complete control, superbly projecting a well-rounded and immensely believable characterization. Ron Towe's title song, written for this production, is pleasant and has a haunting melody.

Although hardly a critical success when it first opened six years ago, it was extremely popular and played to SRO houses nearly every night. However, now, there are three gay theatre companies in San Francisco as well as numerous plays with gay themes offered by other companies, competition that "Special Friends" didn't have in '75.

With three other gay shows currently running, one only wonders if the local gay audience, never noted for heavy support of gay theatre, will turn out in large numbers; it is not likely that straight audiences will.

# YELLOW CABBIES BATTLE BACK

MANAGEMENT OF YELLOW CAB SEEKS TO HALT UNION! MANAGEMENT TELLS WORKERS, "What do you need the union for? Our gates are the lowest in the industry by far!" The gates (whata a cabbie has to pay an owner of a cab before he is able to drive out of the garage with a taxi) are at a parity with those at union garages such as Luxor and DeSoto The union protects the worker and the union in this case is Local 265, and 265 keeps the owners of the cabs in line so the worker is at least able to try and keep his/her head above water.

Drivers at Yellow are seeking a ban on leasing....Reduced work week from 5 to 4 days, the 5th and 6th days being drivers option....

...Guranteed gas mileage; all cabs must get a minimum of 12 mpg the first year, 14 mpg the second year and 16 mpg the third year of use.....Half-gates on Sundays and holidays with 3 added holidays.....Leave of absence; driver may take 30 to 120 days off with no loss in seniority.....Paid health and welfare coverage.....Increased vacation pay.....Increased minimum daily wage guarantee from \$25 to \$75 per day for drivers held out of service. These demands can be met obviously if the drivers are organized into one union.

LOCAL 265 HEADS DRIVE TO HALT THE LEASING OPERATIONS.....Local 265 is heading a drive to restore the old provision in the taxi code that prohibited leasing of taxi permits. Signatures are being gathered on petitions to present to the Board of Supervisors at a hearing on this issue. It is important that the Board of Supervisors know of the Yellow Cabbies and all Union cabbies dissatisfaction with leasing, and that 90% of the drivers at Yellow Cab are being forced into leasing.

COUPLE TERMINATED BY YELLOW CAB FOR ORGANIZING WORKERS INTO UNION. Christine Ciddo and Tom Derrick have had their leases cancelled for alleged "reckless driving." Tom had driven a cab for ten years and has never had a chargeable accident. Christine hasn't had a moving violation in five years od taxi driving, and never an accident in her life.

Last March the two of them circulated petitions calling for a grievance procedure, so that drivers could get a fair hearing on complaints they had or unfair treatment. They were not organizing for the Association or Local 265 tho, but just trying to deal with problems that all drivers have to face with Yellow cab management.

The National Labor Relations Board could do nothing on their behalf as they are not "employees" due to the leasing procedures, but are "independent contractors." This is one of the real evils of "leasing."

You are not an employee while in truth you are an employee or more like an indentured servant. If enough signatures are gathered on the petition it is hoped that the Fire, Safety Police Committee of the Board of Supervisors will change the current mentody of leasing and thusly make drivers first class citizen workers at last.

Gays who ride Yellow Cabs should ask drivers to sign the petitions as most carry them with them. Gays can also write to the Board of Supervisors, in particular Quentin Kopp and urge that "leasing cabs" be abolished again.

## TAVERN GUILD ELECTION

BOB ROSS & TG "ESTABLISHMENT" ARE DEFEATED IN UPSET DEFEAT!"

Congradulations to Mr. Ed Scott the owner of the Hob Nob bar on Geary and Leavenworth Street, as he was elected the new Vice-President of the San Francisco Tavern Guild.

Scott's surprise victory seemed to please almost all who lost except ex-TG prexy Bob Ross and his clik which included another ex-President, Wayne Friday to mention but one.

The election had 20 votes for Bob Ross and 62 votes AGAINST Bob Ross. The 62 was the combined total of votes for the other candidates running against Ross, all of who were anti-Ross candidates.

Ross did finished second with his 20, but Ed Scott received 22 which was good enough to win.

From the East Bay came a hard vote of 13 for Big Mama (Jim McGowan) who is extremely popular. He was followed by a "neighbor" of Ed Scott, Alan Johnson a bartender at Googies just a bit down the street who received 10.

Loud-mouthed Chris Parsons who has an opinion on everything got 9 votes and another ex-president of TG, Lenny Mollet received 8 votes.

The election was held at Different Strokes a dance bar on California off Polk on Tuesday the 17th of February in the afternoon.

The lection of Scott, a conservative, signals a return to the moderate political position of the Tavern Guild a path which it has traditionally held except under the bizarre leadership of the recently resigned president Wayne Friday who attacked anyone and everyone who didn't agree with his "political expertise."

Friday had attacked the Mayor and the Chief of Police in his final days as president of the Guild causing many to believe that he had gone too far left for this predominately middle of the road group of bar owners, and employees.

erwise good, almost great, musical revue that offers 16 great songs from the 20's and 30's (My Man, Balling The Jack, Lady Be Good, etc.) The show ostensibly transports us back to an evening in a typical Harlem night club of that period, yet when two of the entertainers are complaining of their lack of "lovin" one says that all the good men seem to be already taken and the other replies: "Or else.....you know" to which the first titters, "Yes, especially since we're now in San Francisco." Badly out of context and in worse taste!

Otherwise, star Harold Nicholas, ageless and radiating impish charm, and the peerless Ron Stacker Thompson (who also conceived and directed the show) and a fine cast old favorite after old favorite. Highlight of the evening is Thompson's roguish rendition of "On The Good Ship Lollipop," as full of enuendo as Shirley Temple's singing of it full of sacherine. When he sings that licking his lollipop is "like a trip to the candy shop" his sly grin leaves no doubt in anyone's mind as to just what he means.

Although having run week-ends since Christmas, the show officially "opened" last week and is now on a full weekly schedule.

continued from page 7.....

play his role with such winning bitchiness, that when he runs off with a kid his own age, one feels not sympathy for his jilted partner (Richard Stevens) but something more like relief that a nice guy has escaped a messy situation and is now much better off.....certainly not the author's intent. How could an interesting setting (Ron Krempetz) of eye-catching trellises in various heights be dressed (Valentine Hooven) with what appears to come from Goodwill's bargain basement?

This is the livingroom of a successful lawyer's presumably expensive view apartment yet the green loveseat appears sprung, the blue drapes and net curtains are hideous and chintzy (NOT referring to the material) the hin piece of tan carpeting screams "Remenant Sale" and what looks like a disguised typewriter table is covered by a garish yellow cloth. And then thereis the question of the room having two liquor bars. Since much of the play's action involves the pouring of drinks, the idea does pop up that so unusual an idea of having a bar at each end of a not very large room is merely a gimmick to simplify blocking.

And then too, one wonders if the removal of a jock-strap at the end of Act I is merely pandering to puerilant interests? If so, it backfires..... Mount Diablo is a beautiful mountain, but if one has been led to expect the Matterhorn, one is liable to be disappointed.

On the other hand, there are many good aspects of the production. The script is well constructed (except for a pointless and unbelievable sort of epilogue stuck on at the end.) The plot of boy-has-boy, boy-loses-boy, boy-gets-boy-back (only here it is two men of thirty-five and two youths of 18 or 19) has some nice twists. There is much humor and at least one great line: "The best things in life may be free but the next best things cost a heluva lot." There is lots and lots of skin, a nearly nude go-go dance and a fairly erotic "bed" scene and, best of all, some fine acting.

RICHARD TIERCE, as a bike riding, leather clad stock broker, is amusing in the slow first act, then comes hilariously into his own in the second act. Robert Murphy, as a not-too-bright but streetwise drifter, go-go dancer and ex-hustler, has the role under beautiful and complete control, superbly projecting a well-rounded and immensely believable characterization. Ron Towe's title song, written for this production, is pleasant and has a haunting melody.

Although hardly a critical success when it first opened six years ago, it was extremely popular and played to SRO houses nearly every night. However, now, there are three gay theatre companies in San Francisco as well as numerous plays with gay themes offered by other companies, competition that "Special Friends" didn't have in '75. With three other gay shows currently running, one only wonders if the local gay audience, never noted for heavy support of gay theatre, will turn out in large numbers; it is not likely that straight audiences will.

# YELLOW CABBIES BATTLE BACK

MANAGEMENT OF YELLOW CAB SEEKS TO HALT UNION! MANAGEMENT TELLS WORKERS, "What do you need the union for? Our gates are the lowest in the industry by far!"

The gates (whata a cabbie has to pay an owner of a cab before he is able to drive out of the garage with a taxi) are at a parity with those at union garages such as Luxor and DeSoto The union protects the worker and the union in this case is Local 265, and 265 keeps the owners of the cabs in line so the worker is at least able to try and keep his/her head above water.

Drivers at Yellow are seeking a ban on leasing.....Reduced work week from 5 to 4 days, the 5th and 6th days being drivers option....Guranteed gas mileage; all cabs must get a minimum of 12 mpg

the first year, 14 mpg the second year and 16 mpg the third year of use.....Half-gates on Sundays and holidays with 3 added holidays.....Leave of absence; driver may take 30 to 120 days off with no loss in seniority.....Paid health and welfare coverage.....Increased vacation pay.....Increased minimum daily wage gurantee from \$25 to \$75 per day for drivers held out of service. These demands can be met obviously if the drivers are organized into one union.

LOCAL 265 HEADS DRIVE TO HALT THE LEASING OPERATIONS.....Local 265 is heading a drive to restore the old provision in the taxi code that prohibited leasing of taxi permits. Signatures are being gathered on petitions to present to the Board of Supervisors at a hearing on this issue. It is important that the Board of Supervisors know of the Yellow Cabbies and all Union cabbies dis-satisfaction with leasing, and that 90% of the drivers at Yellow Cab are being forced into leasing.

COUPLE TERMINATED BY YELLOW CAB FOR ORGANIZING WORKERS INTO UNION. Christine Ciddo and Tom Derrick have had their leases cancelled for alleged "reckless driving." Tom had driven a cab for ten years and has never had a chargeable accident. Christine hasn't had a moving violation in five years od taxi driving, and never an accident in her life.

Last March the two of them circulated petitions calling for a grievance procedure, so that drivers could get a fair hearing on complaints they had or unfair treatment. They were not organizing for the Association or Local 265 tho, but just trying to deal with problems that all drivers have to face with Yellow cab management. The National Labor Relations Board could do nothing on their behalf as they are not "employees" due to the leasing procedures, but are "independent contractors." This is one of the real evils of "leasing."

You are not an employee while in truth you are an employee or more like an indentured servant. If enough signatures are gathered on the petition it is hoped that the Fire, Safety Police Committee of the Board of Supervisors will change the current mentody of leasing and thusly make drivers first class citizen workers at last.

Gays who ride Yellow Cabs should ask drivers to sign the petitions as most carry them with them. Gays can also write to the Board of Supervisors, in particular Quentin Koop and urge that "leasing cabs" be abolished again.

## TAVERN GUILD ELECTION

BOB ROSS & TG "ESTABLISHMENT" ARE DEFEATED IN UPSET DEFEAT!"

Congratulations to to Mr. Ed Scott the owner of the Hob Nob bar on Geary and Leavenworth Street, as he was elected the new Vice-President of the San Francisco Tavern Guild. Scott's surprise victory seemed to please almost all who lost except ex-TG prexy Bob Ross and his clerk which included another ex-President, Wayne Friday to mention but one.

The election had 20 votes for Bob Ross and 62 votes AGAINST Bob Ross. The 62 was the combined total of votes for the other candidates running against Ross, all of who were anti-Ross candidates.

Ross did finished second with his 20, but Ed Scott received 22 which was good enough to win.

From the East Bay came a hard vote of 13 for Big Mama (Jim McGowan) who is extremely popular. He was followed by a "neighbor" of Ed Scott, Alan Johnson a bartender at Googies just a bit down the street who received 10.

Loud-mouthed Chris Parsons who has an opinion on everything got 9 votes and another ex-president of TG, Lenny Mollet received 8 votes. The election was held at Different Strokes a dance bar on California off Polk on Tuesday the 17th of February in the afternoon.

The lection of Scott, a conservative, signals a return to the moderate political position of the Tavern Guild a path which it has traditionally held except under the bizarre leadership of the recently resigned president Wayne Friday who attacked anyone and everyone who didn't agree with his "political expertise."

Friday had attacked the Mayor and the Chief of Police in his final days as president of the Guild causing many to believe that he had gone too far left for this predominately middle of the road group of bar owners, and employees.

.....continued from page 7 "Stompin'.....

erwise good, almost great, musical revue that offers 16 great songs from the 20's and 30's (My Man, Balling The Jack, Lady Be Good, etc.) The show ostensibly transports us back to an evening in a typical Harlem night club of that period, yet when two of the entertainers are complaining of their lack of "lovin'" one says that all the good men seem to be already taken and the other replies: "Or else.....you know" to which the first titters, "Yes, especially since we're now in San Francisco." Badly out of context and in worse taste!

Otherwise, star Harold Nicholas, ageless and radiating impish charm, and the peerless Ron Stacker Thompson (who also conceived and directed the show) and a fine cast old favorite after old favorite. Highlight of the evening is Thompson's roguish rendition of "On The Good Ship Lollipop," as full of enuendo as Shirley Temple's singing of it full of sacherine. When he sings that licking his lollipop is "like a trip to the candy shop" his sly grin leaves no doubt in anyone's mind as to just what he means.

Although having run week-ends since Christmas, the show officially "opened" last week and is now on a full weekly schedule.

THE APPLE TREE by Presidio Playhouse (call 661-3992 for info). Anyone who has ever wondered about the value of a director to a show should have no doubt after seeing

this production. A musical comprised of three one acts, each based on a well known short story, with music by Jerry Block and lyrics by Sheldon Harnich, the team that wrote "Fiddler On The Roof" among others, opens with an amateurish, badly paced re-telling of the Adam and Eve story (Mark Twain), its most memorable aspect being Adam's continually pulling up his long johns. The other two, "The Lady Or The Tiger" (Frank Stockton) and "Passionella" (Jules Fiffer) use the same actors and actresses, the same production crew and yet under a different director, Rodger Henderson, zip along with wit and charm. Overall, fine production values are of a higher caliber than the acting with the exception of DAVID BROUSSAL, charismatic as a rock star in "Passionella," and a fine vignette as the snake by JEFF COWDEN.

THE BIRDS (at the YMCA Theatre, 220 Golden Gate thru Feb. 28, call 885-0460 for info) is worth the price of admission just to see the spectacular masques and puppets created by TONY PELLEGRINO. Loosely based on two Greek comedies, "The Birds," and "Lystrata," this musical zings along while parodying the latter but droops badly with the former, which is most of the show. There are moments of high comedy, several of the chorus' numbers are excellent, but leads Fred Curchack, who wrote, directed and also mugs to a distracting extent, and Elizabeth Craven, who is immensely talented but has trouble clearly

enunciating her spoken lines, are mired in corny and often dated material.

3 HUGE FLOORS FOR YOUR ENTERTAINMENT!

Hi there sportsfan and rumor lovers, here is the first of three pages of the real stuff!!!!

First off, let us all wish ELMER WILHELM a real big happy birthday....ELMER had a party in his honor at the ENDUP with District Attorney ARLO SMITH and his wife amongst the many many fine guests. Also on hand were: Tom Isenberg, Paul Boneberg, Ben Gardiner, Great Scott, Larry Littlejohn, Al Hanken, Larry Eppinette, and many many others. And a band, 4 Wheel Drive played for the affair which saw a huge birthday cake (minus candles, for with that many candles on it, it would have resembled a bonfire) and plenty of champagne. Thanks go to Toby, Alan, Al H., and Tony for helping to put it all together. Many many more happy returns Elmer!

PERRY BELL is well!! And he returned to work at the CASTLE GRAND BRASSERIE (home of The Sunday Brunch....delish!!). PERRY seems to be getting thinner and thinner. But he is a good BOY!!!!!!!!!!!!!!!!!!!!

Hot tips!! See Mockingbird on page 13 about ERIC DAVIS selling Head!!!

No truth to the vicious lies and rumors that EARL KUHN is able to seal his Mason and Geary Street Franchy's K&T bookettes for he has been in so much trouble with Ms. Lillie Law already and he does NOT... have any permits for the Geary Street operation....that is still in the courts. And his Mason Street operation would be opposed in any permit hearings. SO, he is stuck with them..

FRANKIE GOMEZ is still on vacation.....LE SALON is doing OK tho!!!! Love that chile!!!

The ARENA did have a really wild anniversary bash on the 5th of February. TERRY "CASTRO" THOMPSON sez that the attendance was the biggest ever and the goodies were scarfed up quickly. They gave away the Arena Number 1 Man Post at the door to all who came...no buttons this year....the poster is better than a button anyhow. Happy anniversary ALAN & CO.

Speaking of scarfing!! The biggest political scarfier is DAVID Scott and his puppet WAYNE Moore, as they do tell tales which will come back on them some day.....you may as said before won the elction at Stonewall but you lost at Barbary Coast Dave dear!!!!!!!!!!!!

PACIFIC COAST HIGHWAY is a real hott new porn film from Wm. Higgins and it opens real quick at the NOB HILL CINEMA and it has KIP NOLL in it too!!!! About time we had some young hot studettes at the Nob Hill!!! Remember that..PACIFIC COAST HIGHWAY!

Congratulations to ED SCOTT of the HOB NOB on your election as the Vice President (President) of the Tavern Guild.....and you beat Bob Ross's asst do it guy!!! Right on man!!!! From what Mr. GEORGE BANDA sez, Ed will make a good president. What TG didn't need NOR the Gay community was another of the infamous Bob Ross terms as prexy of the SFTG

Oh yes...Bob Ross and Wayne Friday...not very pleased with the outcome of the election left the DIFF STROKES immediately in a huff. A great Big FAT defeat for the TG Ross-Luscious-Friday clik!!!!!!!!!!!!!!!!!!!!

DYNASTY....didja see last Monday nights show????? They had young girl kissing our handsome gay boy in an attempt to turn him straight! SICK SICK SICK!!!!!!

Oh yes, certain people are taking odds on how long it will be before GEORGE BANDA stays at Prez of the TG...rumor is that he wants to step down and then run for Vice-President again!!!!!!

MICHAEL D. YEE is really watching the Moral Majority and so is BILLY MURRAY (see his article on page 2) Things are twisting and turning fast and we need alot of people on guard against the Moral Majority.

THE BETTE RHINO REVUE is a night night event at Theatre Rhinoceros on WEDNESDAY March 4th at 7:30 PM....with the SISTERS OF PERPETUAL INDULGENCE and DAN OSMAN and PRISTINE CONDITION are all a part of the madness. This is their ASH WEDNESDAY fundraiser and they feel it is a perfect way to start LENT (with them!) The evening of wild & mad entertainment will come from member of the Theatre Rhino as well, in a vaudeville-like show. Tickets are but \$5 and can be had at the door or by calling them at 776-1848. THE BETTE RHINO REVUE is not a bad joke it is a gala to tarnish their image.

And while talking about the RHINO gang the author of INTERNATIONAL STUD currently playing at Theatre Rhino, 1115 Geary and which has been extended through March 28th.....Mr. HARVEY FIERSTEIN himself is to be on hand on the 20 of February for all to meet and greet so you oughta get over there to see this excellent play and the author as well.

THE MAIDS by Jean Genet superb play by the legendary playwright will be opening at Theatre RHINO on Saturday nites at 11 and Sundays at 3 PM beginning March 14th.....you must see this classic play which J. KEVIN HANLON (the Meat man) directs. It too stars Pristine Condition and MARTIN XERO and Kathleen Flatland. It is gooooooood and nice!!!!!!

TALL BILLY and MICHAEL PERVERT-BROWN shown together at a recent luncheon for the elderly of the Tenderloin where they both had volunteered their time and energy.

GUESS WHO had lunch together at the Patio Cafe on Friday the 13th???????? BLUEBOY Publisher DON Embinder and the CRUSADER Publisher Rev. RAY Broshears.....oh yes, and for two and a half long hours. Oh yes, the Rev. did leave a BIG tip (see Perry George of the Voice!!!!) and had lovely service too!!!!!!!!!!!! What did they talk about?? Well, I'm not gonna tell you, but they are up to something that is going to knock the bejabbers out of alot of people!!! Oh yes darlings, they both have so much in common and have been conversing long distance for years and now it could be they are going to team up??? Wait and see, but, as we have said for a long time, he laughs last does laugh best!!!!!!!!!!!!

Oh yes, did you all hear the Rev. Ray on the radio the other night??? Dear me that man does carry on!!!!!!!!!!!!!! When will the "Tomorrow" and TS be having the Flying Nun as a guest did you say?? Oppps, did I say something??

Oh yes, it is true, that the national director of the Moral Majority, Mr. Thomas did call from Lynchburg Virginia to the Crusader and ask Rev. Ray Broshears about the possibility of him appearing in a panel discussion with Falwell and two ex-Gay Christians back east soon!! Why? Who knows what Ray is up to!! Bye bye JACK CAMPBELL!!!!!!!!!!!!!!

The BLACK HOLE....what is it? Can't exactly tell you but it is interesting....you will have to do a drop in for yourself. ERIC DAVIS sells his Head there too!!!!!!!!!!!!!! Mercy that child is all over with his Head!!!!!!!!!!!!!!

#### POLK STREET WARNING

Be on the beware side!!! TWO MEN picked up a 23 year old youth and drove him out to the beach and there they did a non-sexual number of him, robbed him and tried to maybe kill him later until he escaped. They were driving a GRAY RABBIT car, a late model, one guy was about 25, 6'4" and huge with long brown hair, kinda curly, it was shoulder length, said he was a "biker" and had friends in the Hell's Angels (he wishes!). Also lip hair. The other guy was ashorty with a crippled like walk and stood at 5'6", about 40, brown hair, greasy like, combed back and said he lives in SF (the other one said he lived in Palo Alto.) This happend this past Monday about 1 am. Beware of these two creeps and a police report has been made on them. Beware and be watching!!!!!!!!!!!!!!

MOTHER RICHARD de Civic Center.....who was that hot young stud you was talking to the other night dear?? Understand that JIMMY with a bigga weenie has had to leave the Civic Center dear??

Hi there sportsfans, here we go again and this time we do have some hot stuff.

GLEN GERBER & ERIC DAVIS.....that is Fagdad's latest duo from various sources. Glenn is the dashing gray-ing Indiana gentleman farmer who is the one good owner of the BULLDOG Bathes. And ERIC sells head. If you want Head from Eric you have to pay for it as he is the distributor for Head in the Bay Area. ERIC has obviously sold GLEN some Head too for the Bath of course. I give this little duo about three weeks....or at least until that young stud back on Geln's Indiana farm finds out about Glen and Eric!

Three M Carpets is rumored to be using BRUCE TRONDSON for advertising...for if they can cover all that, they can cover anything.

Has anyone seen RICHARD CALDER?? If so, would you let the BEAUTIFUL BOB know? As Bob would like to talk to him about \$3,500 or so!!!! BOB is the owner of the 8th Day at 12th and Decatur at 8th Street. A Gay bar for men.

ROBERT DUNN has "retired" as a "writer" for the Pacific Heights Voice. Does ROBERT DUNN know who RH is?

Didja hear???? SANFORD KELLERMAN has applied to the Planning Commission for a variance for his place (the I Beam) so he can have after hours dancing..... but the Commission is sure to say no....and he hopes the Board of Stupiditors will do for him what they did for the Jaguar...overrule the Planning Commission. My dear you are a fool, for after all the heat they got on that one???????

KIP NOLL is one of the stars of the film, Pacific Coast Hwy. to be at the Nob Hill.
