CO PS ATTACK ARLO!!!

Gays urged to support District Attorney!

SAN FRANCISCO POLICE OFFICERS LASH OUT AT POPULAR DISTRICT ATTORNEY FOR HAVING CHARGED THREE COPS IN THE BEATING OF AN 18 YEAR OLD YOUTH!

When Arlo Smith ran for District Attorney in 1979, he promised that he would prosecute any person who committed crimes, including police officers. Many politicians say things when running for office, and few ever do anything later on, but Arlo Smith has proven to be a man of his word.

Eddy Szeto, 18 years old, had charged that three SFPD cops, Kevin Dempsey, 26 (Park Station); Marty Way, 26 (Central Station) and Leonard Jeong, 27 (Central Station) were involved in kidnapping, and beating by the three on January 26th in Golden Gate Park.

Szeto charged that the two Asian cops, Way and Jeong, had picked him up while he was walking through Chinatown, and then with a pistol at his head, they handcuffed him, threw him into the back of the patrol car and drove across town to Golden Gate Park, where the on-duty also, Kevin Dempsey of the Park Station was waiting for them and there Szeto says, Dempsey yanked him out of the cop car by the hair, and onto the ground, striking him with his flats and kicking him.

The three vigilante-acting cops left the battered 18 year old on the ground in the Park and drove back to their respective Station Houses. Szeto, who lives in Daly City, was treated at the St. Francis Hospital on Hyde and Pine Streets for abrasions around the mouth, nose, arms and back, and later released.

The popular Prosecutor, Arlo Smith said that the incident was what he would call a "retaliation beating."

The three cops were suspended without pay pending outcome of the hearings and possible trials in the matters.

COPS BEGIN TO "MANUFACTURE" CASE AGAINST 18 BEATING VICTIM NOW

San Francisco Police Officers, long know for their "buddysmms" and in "protecting their own" have begun, according to the victim, a systematic campaign of harassment against him, for the very next night after the three cops, Dempsey, Way and Jeong had been suspended from duty for their parts in the alleged beating, Eddy Szeto was arrested by the cops, Harry Wing Tung, 22, for alleged drug use and probation violation.

The police did not find any drugs on the two at all, the two cops doing the "bust" were Robert Bonnet and Bernard McNeil of the Chinatown Gang Task Force which has been charged with ing anti-Asian and racist in the past. One of the cops is a friend of the arrested and suspended three cops.

As a result of all of this, the cops have been tear gasing around the South, nose, arms and back, which is typical for the cops.

The three cops were suspended without pay pending outcome of the hearings and possible trials in the matters.

Public Defender O.D.'s on Power

Public Defender Jeff Brown, in an unprecedented move, had District Attorney Arlo Smith supeoneaed into Court in a trial involving a former convicted felon, in which Smith had gone and had the man's bail revoked.

A trial involved a former convicted felon, in which Smith rejected Brown's demand, which many felt was a huge power trip on the part of the embattled Public Defender, whose Office has been accused of doing very little good for the clients of it's office.

District Attorney Smith, whose popularity obviously causes Brown some discomfort and envy, had criticized Judge Maxine Mackler Chesney for releasing the felon on his Own Recognizance last month, for the man had been arrested on grand theft, narcotics, and illegal weapons, and is believed to be involved in the mysterious disappearance of Valerie McDonnell an aspiring actress. Certainly for an ex-felon to be released on such large charges when people arrested for prostitution can't get O.R., is a travesty of justice.

And now it has been learned that the Northern California Service League (NCSL) has muddied the waters as one of it's employees had an affair at one time with the ex-felon, and another employee of the NCSL presented the papers to Judge Garcia for the O.R. release, and the NCSL works closely with the Public Defender and the O.R. Bail Project.

Jeff Brown "On a power trip and O.D.ed on it," said one person.

D.A. ARLO SMITH doing his job protecting the public as he should do!
**THE MURRAY REPORT.**

**MORAL? MAJORITY**

Much deal has been made recently about the Moral Majority policies toward the Gay community. However, let's step back and look at their long term plans.

Many members of the Gay community have acted violently towards the Moral Majority policies, especially in light of the recent KNBH-TV report.

The Moral Majority is defensible in one issue: The right to keep themselves and their property secure. The (Moral) Majority has taken a stand on the right to have privacy in their own homes.

Now, if you step back and look at the long range political view of the Moral Majority, it is a matter of government, a democracy.

Now before you get confused, the U.S. is technically a republic, not a democracy. A democracy is defensible in one issue: The right to keep yourself and your property secure. The Moral Majority has taken a stand on the right to have privacy in their own homes.

You may wonder how this conclusion was arrived at. Well, it appears that the Moral Majority policies toward the Gay community have been developed by a small group of religious leaders who are intent on using government to enforce their religious beliefs. The Moral Majority has taken a stand on the right to have privacy in their own homes.

In addition, it appears that these organizations a democratic or fascist state would result in great unrest and result. So, you must have in your mind that in the future, the Moral Majority will stand for gay rights. I urge you to fight from this viewpoint, where the Moral Majority cannot defend themselves. Make them fight on your terms and not theirs.

WILLIAM MURRAY!

**TONY ROME HELD IN KIDNAP AND RAPE OF FEMALE!**

Tony Rome, 25, and two other men are being held for the kidnapping of a 13-year-old girl and the robbery of a San Francisco social worker after they were taken into custody, early Friday morning.

The woman's car had broken down near Buena Vista park and they offered to fix the car, but pulled her into their car, and robbed her of $400 in cash and a high priced watch.

They then took over 250 from her, and had taken her to the men in the southern part of their car - a room and forced her to commit other sex acts - including rape.

They later drove her to Oakland where they kicked her out of the car with $5.99.

She called the Oakland Police who notified the San Francisco Police.

The couple then drove a car, a 1980 Toyota in the 500 block of Eddy in the Tenderloin and arrested a large white man who threatened to suicide.

The couple then fled to the Greyhound where they arrested Michael L. Whitehead, 24, as he was boarding a bus to L.A. Rome was arrested at 1233 Cule Street.

**NO GUARDIAN ANGELS!!**

Despite the repeated ravings and rantings of both Jeff Reimer and his group of armed vigilantes running around the city (in the hope that they are in fact fighting for the right reasons) there has been no real evidence of any wrongdoing on the part of the group called "Guardian Angels" which began in New York and spread to Los Angeles in late January.

The group is not a church and has no real religious basis for the organization. They are an armed group of vigilantes who have been accused of illegal activities and are known as a "hate group." James Gabbert, owner of KTXO which he calls "TV20" (UHF channel 20) hosts all night movie sessions every Sunday night beginning at 11:30 and is good to a point. The big bad part about TV20's all night movies is Gabbert's support of the film COOKS ORE - she has his little number, not very cute, but a run about bringing him his beer from the frig in his Tenderloin hotel (Gabbert would call his brataches before he would ever go down to the Tenderloin shop, let a lone stay at any of any fumbyhots in the area) and give it to him. Kinds like a slave and master routine. Anyway, he has this Cooks stering, flacking outside his mythical win dow and has the youth bring him obviously bottle of Coors.

Gabbert was considered by some to be liberale but now he is as bad as Jim Dykes and Troy Perry for their courting of the Coors backs.
