SUPERVISORS VOTE 9-0 TO CLOSE Gay Bar

Monday, April 13th will be a day which could be very bad for nine members of the Board of Supervisors, or for Gay people, if the vote of the Board of Supes, to close the second oldest Gay bar south of Market Street, is allowed to stand. The Watering Hole at 6th & Folsom Street, will be forced to close down and forced to sell their property to the City by right of eminent domain, to build a park for children and families of the area. Other businesses which will be immediately forced out will be new wave arts group, a casket company, all which employ at least 42 workers. The City is spending over a million dollars for the site and park, and this, at a time the City cries that it doesn't have funds for health services or social services. The Watering Hole, formerly called the Roundup, and before that, the Gas Station, is the second longest running gay bar south of Market, right behind a bar at 11th and Folsom Street.

But there is another aspect to this which the Board of Supervisors has refused to look at, or at least not to look at yet. Now, there is a plan to have a new school for children, with it's close proximity to two "gay bars," and a "gay bath house." Some people, as well as to three places with "adult book store" permits, the Folsom Street Fair, and the Film Festival (right across the street) and the Trading Post, could well cause their closing under the current porno ordinance, which has been declared unconstitutional by the U.S. Supreme Court. The Board of Supervisors has refused to look at right now, and there is no need for this park, EXCEPT, to get rid of the various "adult" businesses in the area.

The pastor of St. Joseph's RC Church on Howard singing, as there are so few children in the area, which is a claim by Supervisor Doris Ward and Louise Renne who wanted the park so urgently. Also, the senior citizen groups at Portsmouth Square and the Gay Pride Club is opposing the park.

The Board budget analyst also opposed the park, as describing the locale as "frequented by electronics, prostitutes (female of course) and drug dealers," because of the nature of the local business. He said the traditional park to serve families would not appear feasible. Supervisor Nelder's father, Police Commissioner Al Nelder, who grew up in the area, wanted the Building. But he did filibuster against it. But Supervisor QUENTIN KOPP opposed the need for this park, EXCEPT, to get rid of the various "adult" businesses in the area.

Now, the area has the Bessie Carmichael Primary School, and when the Ordinance went into effect the businesses already in operation, were "grandfathered," in other words, not affected. But, now with a new BPA, the militant anti-gay groups have said "no" to all the "adult" businesses in the area, saying they affect his friends at the Jaguar Bookstore. And "adult" businesses in the area. There is the Bessie Carmichael Primary School, the Jaguar Bookstore, the Film Festival (right across the street), and the Trading Post, could well cause their closing under the current porno ordinance, which has been declared unconstitutional by the U.S. Supreme Court.

The Board of Supervisors has refused to look at right now, and there is no need for this park, EXCEPT, to get rid of the various "adult" businesses in the area.

Harry Britt was "absent" of course, as it wasn't affecting his friends at the Jaguar Bookstore. But Supervisor QUENTIN KOPP opposed the closing, but had to abstain from voting as he represents the Cayetan City and the owner of the building. The Board budget analyst also opposed the park, as describing the locale as "frequented by electronics, prostitutes (female of course) and drug dealers," because of the nature of the local business. He said the traditional park to serve families would not appear feasible. Supervisor Nelder's father, Police Commissioner Al Nelder, who grew up in the area, wanted the park built also. The BCA's also did not want the park, seeing as how there is a park a block away, on Polk near 27th and mini-park, as well as the Bessi

Carnichal school itself. There obviously was no need for this park, EXCEPT, to get rid of the various "adult" businesses in the area. Voting FOR THE PARK AND AGAINST GAYS were: Supervisor ... LEE DOLSON PLYMOUTH WARD NANCY WALKER CAROL RUTH SILVER LOUISE REINES JOHN MOLNARI RAYmond POWERS WILLIE KENNEDY WEINDY KELDORF

The need for this park, EXCEPT, to get rid of the various "adult" businesses in the area.

The Park is now in a two-block area on Polk and Broadway, because it was found to be Constitutional by the U.S. Supreme Court. The Board of Supervisors has refused to look at right now, and there is no need for this park, EXCEPT, to get rid of the various "adult" businesses in the area.

Dr. Eugene Feist, chief of staff to U.S. Senator S.I. Hayakawa, makes a presentation to B.J. Beckwith, of a rare book, this after Beckwith was named to the Republican Central Com.

Lenore Castille, SF personality and fan and champion of the famed trial lawyer after out of his many courtroom victories. She used to attend his jury trials.

The "Texas terror" B.J. Beckwith (far right) is shown in a courtroom scene regarding Pacific Telephone in 1969 with SSL president Larry Littlejohn and David Clayton (center). This decision allowed a homosexual organization to have a listing in the telephone book as such. This was but the first of many B.J. Beckwith victories over Pacific Telephone.
PERSONAL OPINION:

Editor; perpetual indulgence" had invaded church grounds to demand that the Church treat them as "human beings," and called "Gay press."

Now even more recently, the Gay Chorus is suing that very same Catholic Church for having canceled their concert. Is it any wonder that this happened?

Is that not double stands at all?

Are you going to let them turn themselves in...they don't have to enforce their morals on us, to hold forth.

August Moon Productions, a new group, is opening "Fat's In The Fire," (call 864-3061 for info) at Bldg. "F", For Mason. Yet two of the three most enjoyable shows I've seen in the past fortnight, have been, unabashedly, "Little Theatre." THE ALTERNATE PLAYHOUSE in Alameda, is presenting an extremely fine production of "A CHORUS LINE," The Award winning musical conceived, choreographed and directed by MICHAEL BENNETT with book by James A. DeMiguel, and music by Marvin Hamlisch. In association with PreT Productions, opening WEDNESDAY, MAY 5th... for a LIMITED ENGAGEMENT in the CASS ACT THEATRE. "Don't Miss It!" - CARL DRIVER.

The second offering, "Kitchen Duty," is an amusingly inconsequential play, with satiric tones this time, tossed at the closet-queens, love affairs, backroom sex, and half a dozen other themes. "A "slave" who first does, then doesn't, then does... etc., want to be ordered around, and unashamedly "Little theatre." Panoramic Gay should be able to offer detailed coverage of the series of the "sane"...and their own, as well as the "sane" community. How about you?? Are you going to let them turn themselves against us??

If you are paying six dollars or more a bottle for the best known aroma products, try the new HEAD and start getting your money's worth. HEAD challenges any and all of them to match or beat us for strength, purity or quality. And we're quite sure it is a challenge they won't accept. We are very proud of our product. Simply call us at 800-227-1617; ask for special extension 318. We'll pay for the call. Just give us your VISA or MASTER CARD number, expiration date and, or course, your address. We'll send it out the same day on a three for one deal and pay the shipping.

This offer can't last forever. Eventually you will be going to your favorite store, demanding HEAD and paying what everyone else does for it (so we can stay in business). We can't give a product as great as HEAD away indefinitely.

But right now take advantage of us while we're young and vulnerable.

**INTRODUCING THE TEN DOLLAR AROMA**
