On Gay Pride Day every year, thousands of Lesbians and gay men, friends and supporters fill the streets to show the pride we have in ourselves and our lifestyles, and our fearlessness against attacks and oppression.

This year, however, there is also much to protest. With the so-called Moral Majority aiming its crusades at San Francisco gays, and the Family Protection Act in Washington before the Congress, threatening to remove our civil liberties, we need to be on the streets showing our strength and letting our voices be heard.

Furthermore, we know we are not the only ones being attacked or threatened. The Reagan Economic Plan is bringing cutbacks, layoffs, lower wages, higher prices and more military spending; and the patriotic rhetoric of a new Cold War covering up intervention in El Salvador and reviving "McCarthyism."

So, as we remember the spirit of Stonewall and May 21st, we say, "NO!" to all injustices and oppression, and FIGHT BACK!

The Stonewall Contingent invites all progressive organizations and independent individuals who share our spirit to march with us. Bring your own banners and come support this year’s Parade Committee that has worked all year to bring the Parade back to the People.

Remember, the Stonewall Rebellion marked the birth of the modern gay and lesbian liberation movement. Those days of rage was not just in response to a bar raid, anymore than the San Francisco rebellion May 21st was not just about a court decision. They were demonstrations of rage a centuries of harassment, persecution, and oppression. These rebellions have told the world that we will fight openly for our liberation if need be.
NEW YORK, June 5 — Demonstrators throughout the Middle East were united in their demand for peace in the region. Among the sponsors of the event were the Palestine Council of North America, and the Palestine Solidarity Committee.

The event was attended by over 100,000 people in Washington, D.C., and organizers hailed the turnout as a significant victory for the peace movement. They cited the event's success as a testament to the growing demand for an end to the conflict in the region.

While the event was viewed as a positive development, there were concerns that the violence in the Middle East was far from over. The speakers emphasized the need for continued efforts to bring about peace and stability in the region.

The event was organized by a coalition of groups, including the Palestine Council of North America, the Palestine Solidarity Committee, and other organizations. The organizers were pleased with the turnout and expressed hope that the event would help bring about a lasting peace in the region.

Mercy, gracious, why am I called queer?

ARCH BROWN'S NEWSBOY

First West Coast Production

Directed by Allan Esteve

June 25, 1981

Arch Brown's "NEWSBOY" is OPEN and running at Theatre Rhinoceros!

"Wickedly witty" is how the Washington Post described Arch Brown's story at Theatre Rhinoceros. We now mark a special production for the city's most well established gay dance company. NEWSBOY addresses the conflict of a gay man coming out to his family in the throws of the 60's. "A hit" is how the San Francisco Examiner described the play for its use as an anti-gay platform.

Dr. Paul C. Reiman of the SF AIDS Institute and District Attorney of the City of San Francisco are just a few of the top notch professionals that have supported the production at Theatre Rhinoceros. Arch Brown is a professional dancer and writer in our city. He has written and directed a number of plays and has been a strong supporter of gay and lesbian issues. His work reflects the diversity and richness of the gay and lesbian community. Brown's play, "NEWSBOY," is a modern take on the classic tale of boyhood and AIDS. His portrayal of a young man's coming out journey is both humorous and poignant, highlighting the challenges of gay identity and acceptance. The play is currently running at Theatre Rhinoceros, located in the Castro District, and is a must-see for fans of both theatre and the gay community. For more information, visit Theatre Rhinoceros online.

ON THE ART SCENE: The Academy of Sciences in Golden Gate Park (211-5100 for info) has resumed a major exhibit of the paintings of Marynn Dolores. This native Californian, 1875-1946, specialized in scenes of the Southwest and her greatest strength lies in capturing the innate dignity of the Indians he deeply loved. A beautifully minimal view of a burned and ruined house in Hualapai, Arizona, and a Navajo sun dancer are among the works it should not be missed by anyone interested in the art scene.

COWBOY KIMO ROUND UP

Kimo Cudahy, hereafter referred to as Kimo, celebrated his thirty-first birthday again, at his Folks Street corral, Kimo's on Park at First Street. It was a packed event which was put together by his friends and staff, and there wasn't enough room to squeeze into the weight of the honorees.

Leonne Castrellone was on hand to wish Kimo birthday greetings. He took some photos before for us. The guy in the white hat at the top far left is Michael Byers, a handsome stad artist at Kimo's, and that Cowgirl Dorothy McPherson who is a friend of mine. A dark-haired cowboy hammed it up for the cameras with his friends.

Tommy Linn, guns Kimo and Ms. Castrellone, look over the stage and keep them all together as Tommy, the organizer of the party is one hot bachelor!

When the crowd got into Theatre Rhinoceros a big beefy man could be seen walking the floor and speaking to his friends and staff, and there wasn't enough room to squeeze into the weight of the honorees.

"21 GOING ON 60" by LEE P.

As the light of day diappears behind the San Francisco skyline, an ever increasing number of young males are ready to take care of himself. Dane was going on 60!

Dane hit San Francisco disillusioned with the same music and honesty that had brought him to this Great City. He had been rebuffed by homosexuals who多半ly impounded his society and homophobia in perpetuating a false identity. Composed to Alabama, the relative "anything goes" of San Francisco's face. Dane was there by his 21st birthday, a 22 year old was instantly attracted to a younger man who used Dane's body and told him how sexy he was. Dane accepted what he believed to be an act of sodomy and discovered less discomfort in resignation.

Dane was heady with his first successful "sale" and plunged into hustling. He enjoyed the high points and fantasizations proved disconcerting contradictions. Following the sex act, Dane was awash with feelings of power and machismo. He gained weight and ceased caring about his appearance.

Dane joined the five guys for the weekend outside the Fillmore. The next several hours Dane was used and abused. When he was informed to be made for the duration. When he protested they stripped him naked. His assailant continued, "Dane was there for their pleasure. His initial refusal caused Dane being raped by three of his assailants. Dane was there for the next several hours Dane was used and abused. When Dane was informed to be made for the duration. When he protested they stripped him naked. Dane was in his bed-partner, erect, and surreptitiously to the active mouth which engulfed his body a request for oral sex. In spite of himself, Dane fell for it.

Dane was given weight and ceased caring about his appearance. His 21st year arrived in a nearly perfect on Turk Street. The night was spent with an acolyte of Jimmy Johnson. Rodney Johnson told reporters after the hearing and safety protection which prevented accidents in '77 alone. In 1980, NASSCO had a total of 11 accidental deaths in the firebombing of a toolshed.

The preparations for the FRISCO SALOON/BAY's HEAD/PETER'S SUNDAY LAWN DANCE are well underway and it is apparent that it will be a fun one for sure. Any room for the kids?

As per the norm in "Romantic TOM/(C)atch Grand Moments," we can't help helping with his Freshman...he's so buttiful!!!!!!!!!

After hearing "Wizard of Wax-Monkey!" He is well-endowed and RFT can't find him anymore and that's the way I'm going to keep it. Pretty soon very BIG stuff going on, right Bill Palmer?!

"CLASH OF THE TITANS" has one of the most handsome young men in the short sleeves in years...hope he gets into male-male porn!

A Message To An Abominable One: You may old some who...but may he want you are really even in the inner you? Think about it!!!

The dude at the left is "LONNIE from Hayward. Here have known him for sometime now!!!!!!"

Understand that the almost pitiless are...Eddi??? Yikes!!!

Yikes!!! The monkey priest....has been having a terrible time with his new manager..and IGCK knows what to say exactly except...I will read it again and give you just a bit too much...and if GAY RAP shuts down, the writing will be on the wall for it. As is just a muck of futch....he throws darts and arrows of what you mean...but the Howard Wallace affair was just too much good. Sorry about that...and Gay Events Tape # short of robbery???????

What's with the south of Market leather bars letting all those phoney faces in the Castro steal their thunder? It's just too much-futch...he throws darts and arrows of the two theaters hill but the pills of fire to the nasty has-beens doesn't it RC?

Eddie Van and Pappa Doc...give it up!!! You haven't had an advertisement in years...should you just say, "We're back to the tired SWP...that is, they'll have ya!"

Sure above is saying something and two can...there is going to be a new show woven that one ends off bringing to get right aware for their grand opening and 4th anniversary party. It was really a big affair...just off to the whole staff of Alfie's.

Is it possible that when the BTNF gets to have their pic on that another pic will be held the same day?? Chances are pretty good!!!
