inside out

It seems Emmaus House is having financial difficulties - I know, so are we all. I have a very high regard for Emmaus House and the many programs and services they attempt to provide for individuals in our community. It is an organization of people participating and working very hard to fill our many needs. If you can help them financially or in any way, please call their switchboard - 441-2181.

The Union Square Lounge is a great place to visit. There’s a sing-along piano and the over-all atmosphere is warm and comfortable. I would think it is a good place for lovers and couples. The "shed" after hours impressed me very much. The lighting, music selection, service and general atmosphere are excellent. It seems to be a place where groovy people congregate. If you don’t like dancing or pool — stay away.

I must admit, I felt the admission price was a little high (83.00), but considering refreshments are 25¢, it would seem to be worth it.

Congratulations to "Jonnie", the new Empress of "Tavern Guild".

The production, "Wonderful Town" opens at S.I.R. Center February 4. Don’t miss it.

A word of caution to Lands End visitors. The heat is on!

I understand Charles Pierce is getting restless and is looking toward the Golden Gate once again. In any case, it would be nice to have him back.

Congratulations "Roundup" on your second anniversary.

I’ll write more in two weeks.
