Gilderhoo!

Love,
I have warned you time and time again to keep your cool in the Tenderloin. Police-sets in that area are thick and heavy. Please never hearts, listen to Gildy.

The Golden Awards were beautiful. Why didn't anyone mention the lovely Goldie statue present?

This girl is going to swish on her broom to see the sneak preview of a new movie to appear at the Nob Hill Theater soon. Sorry, Jerry, there is only room for two on my broom.

Chip darling, Gusoo tells me your grand opening at the "Wilde Oscar" was wonderful. Sorry I couldn't attend, caught my heel in an abandoned sewer pipe at Lands End and got hung up.

I see "The Shed" is still having their free pass thing going.

It seems the "Gaslight" is beginning to come to life. I must check out the Chuck Largent Revue next Monday.

Office Pringle, please!
