This issue, I will begin my bar tour of the Tenderloin District with a write-up on all the bars in the area. Jackie D’s, as everyone will know, was not in the Tenderloin. This really should be a fun fun night at my party. Wars you still are one of the best in the business when it comes to entertaining.

SEF COMMUNITY LEAGUE ELECTS

Jack Rabbit President

Bowlers in the Monday Community League at Park Bowl elected the following officers for the winter season at their organization meeting on Monday, October 30th: President Jack Rabbit, Vice President Ken Woods, Secretary Peter Switzer, Treasurer Ken Woods and ARE Representative Gerry Petuya. The league consists of 22 five person teams, sponsored by establishments in the City’s Gay community.

COPS REVISE VD QUARANTINE RULES

General Coder Number 137 of the San Francisco Police Department was issued on Friday the 13th of October, revising the rules for VD Quarantines in the city prison, which discriminated against gays. Now, no quarantine can be made either for solicitation, oral copulation, or masturbation.

Well, the election is over. At 12:30 a.m., Wednesday morning, it is still not clear how some important races and propositions will be decided, but, from the results that are in at this time, it looks like San Franciscans are standing behind their incumbents, with the exception being President Richard Nixon. Senator George McGovern seems to be carrying San Francisco. He had a very effective campaign in our city. The Alice B. Toklas Memorial Democratic Club McGovern headquarters, in the words of Jim Foster, did one hell of a job. In spot checks of the 60 precincts they were handling, it was shown that they did deliver the vote. 20 phone lines were used to assist the precinct walkers in getting out the vote.

Our town dances on the edge of the desert, and we like it that way! We've all heard about our neighbors to the west, the land of cacti and succulents. Some say it's a paradise, others say it's a desert. But one thing is certain: everyone who visits our town, or even just sees it from a distance, knows that it's a special place.

Many of the people who live in our town have homes filled with plants from the desert, such as cactus and succulents. They say that these plants bring a bit of the desert into their homes, and they enjoy watching them grow and thrive. Some even grow vegetables and herbs in their gardens, using the same techniques as those used in the desert.

One of the things that makes our town unique is our community. Everyone who lives here is passionate about our town, and they work together to keep it beautiful and vibrant. We have festivals and events throughout the year, and everyone is encouraged to participate.

But what really makes our town special is the community of people who live here. They are kind, welcoming, and always willing to help their neighbors. It's a place where you can feel at home, no matter where you come from.

So if you're ever in the area, be sure to visit our town. We promise you won't be disappointed!

The Halloween Party was so much fun I really had to leave. These people were in every sense really great people, to put it bluntly. The atmosphere was very nice, but it got too crowded too fast. By the time I got there, almost every person there was in costume. It was a lot of fun to watch everyone having a good time. The costume contest was really good, and the food was excellent. The entertainment was also very good, and the overall atmosphere was really great. I would definitely recommend this event to anyone who enjoys Halloween and having a good time.
