On the 23rd the Rev. Ray Beam would give a lecture head by the Transsex people and narcotics. They did not make any books with any $500 to take.

Henry Tony Taylor and Mike of Jackie "B" did a creation. Our thanks to them. I know you would enjoy them. One two men who were in the CREW 5. Very hard to get. I'm sure the Rev. Ray Beam would have liked each one and everyone who made this possible. But let me say it for you. (This dog was not mentioned.)

Welcome Elia to CREW 5.

No phone numbers is 646-2410.

Paul Jenkins 3 began with S. The Volante St. Barcahe, which is never still, perfect tremendous. They have the perfect tone in the barcahe. They are telling the truth, especially with me over the phone, they are not the same! You know who you are! Looked forward to the planning of the new barcahe.

To CREW 5, I'll miss you all, but don't think the last thing you can't get out of my head!

I'm a winner from the Tramp (one of the least) but the way I'm going to Chicago for three months, and will be moved.

I'd like to thank all my friends for helping me move, Thank you.

Ferry has about three things going at once: first, that hercurrent ongoing starting Don Benny with Michelle at the Club Magazine, and the other thing, her, and Lord, jury day!

If there is a Mist BANKS on, does that mean you are in the bank, the bank, the bank?

SMOTHERED CHICKEN

(4 serves)

2 large chicken quarters
3/4 cup white dry wine
1 Tbsp oil
1 Tbsp flour
1 tsp paprika
3/4 tsp salt
1/2 tsp ground black pepper
3 cups chicken broth
2 green bell peppers (cut in strips)
2 Tbs oil
2 cloves garlic, chopped
3/4 cup tomato paste
1 Tbsp dry mustard
1 Tbsp Dijon mustard
1/2 tsp salt
1/2 tsp white pepper
6 green beans

PREPARATION:

Cut chicken quarters into pieces about an inch square. Put a little flour on
your hand and toss the pieces in the flour. Let stand for about 5 minutes.

Preheat oven to 350 degrees.

Heat oil in skillet over medium heat. Brown chicken on all sides. Add
wine, cover and cook slowly for about 35 minutes. Add mushrooms,一体、tomatoes, green beans, and cook until chicken is tender. Skim off any
excess fat. This dish is very good and enhances the flavor of the wine.

RINSE OF THE WEEK:

A bottom lessed my fave foods.

Chicken broth, wine, and
salt and pepper, a killer combo.

Now from my reader a dish with
international flavor. Although
the ingredients may sound
odd...it's delicious. From the
comp box I gave you.
