A jury has acquitted a gay activist in Detroit of charges stating he solicited a sexual act from an undercover policeman.

The 22 year old, Robert Holmes argued that the arrest was invalid because the plainclothes officer had lured him into conversation, then charged him with soliciting.

A three-man, three-woman jury acquitted him after a half hour’s deliberation.

Hopefully this will open the doors to stopping all police entrapment.

The Ralph Nader-backed Health Research Group has petitioned the government to remove aerosol cold and breath sprays from the market, including one popular brand, it said has been linked to 11 deaths.

J. B.’s house, 1884 Market, alias "The libra," alias "The tree house," alias "The House" has come alive and doing well.

J. B. has decorated his house with plant life, trees and silver mylar.

The hospitality, warmth, and friendliness of his staff is overwhelming. Groovy guys cruise groovy guys and the music sound is great.

Although J. B.’s house really doesn’t need to be mentioned, I will say a few words about it just the same.

The back room area looks like the inside of a gingerbread house. Here you can buy various assorted sandwiches, chile, coffee or the like and just sit down and relax in comfort.

Congrats to J. B. for extending himself for his customers. Kalendar will be having its "Midsummer Party" at J. B.’s in August. Details will come later.

"Kee is not my only love."

"Why did you get back together?" I asked.

"It was love."

"What is love?"

"How do you know that you are in love? All the old
questions."

Rich: Overbearing you might say. No decisions were ever made
by David Lee Rinker with the help of Albert Devine
except for a brief split of two months a little over a year ago they've
worked and how they felt about it.

Rich: Getting through that was such a high. Jealousy is totally self

Ken: Because it was something unusual.

Rich: He wakes me up every morning with a cup of coffee before he

Ken: It's like you are a god and you are an energy level up here
in a body or we are with a body. We have control of the body.

Ken: Essentially, what I want to get at is that we are not our bodies.

Rich: We have our lives to play with. We create these bodies and we can
create this universe to have something to do in and a game to
play.

Rich: If you want to kill yourself you've obviously duplicated out this
existence and you're going to experience it again. It's a whole other
way."

Ken: Me too.

Rich: We got together and chose to have a relationship... with the
understanding that at any given moment we could have the relationship
without looking at each other, or having any of the love.

Rich: We do not suppress our experiences.

Ken: Nothii^ but love... and that was all I got in return.

The world of Rich and Ken is a space in which things happen the
way you always thought they should between people who love one another.

Rich: He brings me to a state of living where I feel free... I feel like I'm
floating... there's nothing to slow me down.

"There's no such thing as a perfect lover..."

Rich: Absolutely perfect. No matter what he's doing. If he's a drag queen
out doing something for someone else, but will give you the high-
lights:

"Why did you decide to come to the Ms. Cowboy Contest?" I asked Ken.

Ken: It was for Rich.

Rich: It was love.

Ken: Rich and I share our love for the medicine.

Rich: It's tremendous, and beautiful.

When I was running for Mr. Cowboy (Ken won third place) I experienced
fun I wanted Ken to experience the same thing. It was a swimming
pool party and everyone was in drag. It was so much fun.

Rich: He brings me to a state of loving which opens him up to
loving with others as well.

Ken: I hit the whole city, introducing myself to people.

Rich: We are the cause in the universe. We take full responsibility
for what we do, for what we give, for whatever is coming back to
us... the magic just takes over and everything flows..."

POLK STREET SALLY

These last two weeks, I've seen film strips. The last one was titled "The Midnight Cowboy". It was very graphic and explicit. I must say, I was impressed by the acting and direction. The film was set in New York City during the 1960s. The main character was a young man who became involved with a streetwalker. He was eventually caught by the police and sent to prison. The film was a realistic portrayal of the world of streetwalking. I highly recommend it to all of you.

* P.S., a sexpot in your eyes and mine. The sexpot scene" is the latest to hit the music scene. The song was written by a local band called "The Sexpots". The lyrics are about a girl who is apprentice to a judge. The band is composed of four members - two men and two women. The lead singer is a female who sings in a raspy voice. The music is a blend of rock and roll and punk. The band is gaining popularity and is expected to release their first album soon.

I'm glad that you feel embarrassed. I really am not suggesting that you break off things with your Mrs. July. Any suggestions?
