Erotikus, a graphic history of gay sex films has been showing in major cities across the country. It includes excerpts from 11 feature films and scenes from vintage 8 mm and 16 mm. Although not a decisive document, it provides an informative sex filled 98 minutes.

Sixty-eight degrees or less. That's the rule on heating these days. In addition to that the government's 500,000 cars & trucks have been slowed to 50 miles an hour & private parties are being urged to do the same. More drastic measures ahead.

In Philadelphia during December there will be a drag queen contest. First prize? A sex-change operation.

A hard crack-down on people who cheat on their taxes is being planned by Donald C. Alexander, Commissioner of Internal Revenue. He feels punishment of offenders is the answer. If people steal, send them to jail.

America's fast-food chains are a big hit in Japan. Kentucky Fried Chicken, McDonald's, and Shakey's, are especially big. Prices are up there as well, however. In the last year up 50% on chicken & 60% on ground beef.

The British Royal Family once more crosses the class barrier. On Nov. 14, Princess Anne, 4th in line to the throne, married Captain Mark Phillips, 25, a commoner.

No relief in sight for inflation according to U.S. News & World Report. Survival requires tightening the budget everywhere.
INTERVIEW WITH

Mike by Alan

Mike is finding self-discovery very enjoyable. He's not just a pretty face, he's finding people who can relate to him as a partner. He's interested in having a lot of good time with a lot of good people who are willing of the part.

HOROSCOPE

SAGITTARIUS

This is the period of celebration for all Saggitarians running from November 22nd to December 21st. Sagittarius is all of a positive, making, underexpressed and in a suitable light. The Sun is at the top of Sagittarius. Light

Taurus.

The Keyword of Sagittarius is "Joyful..." The 29th of November brings a lot of good news. At the time of this writing you are already very excited. Give some attention to your health. Try to have a truthful view of the realities which surround you and to the way, when the last time you felt healthy?" There is a good possibility you may feel frustrated and let down. The 29th brings a warning to abstain from escape routes. The 30th is the perfect time to use your contagious and emotional powers to give people what they need. Try to put your love to good use. Evaluate your work and see how you can help others. This is a good time to give the beauty and love you seek from others.

ARIES

Try not to lose your temper, or you will even more on the 29th. In a week situation, control your energy and release it in a constructive way. Even though you may feel helpless you have lost the colors to do otherwise. On the 30th, there is being too over-sized concerning your next, you can try to make your way more helpful in the future. Try to develop as a sensitive, self-sufficient behind your physical energy. On December 1st but any way you can escape. A change in your mode of life. The 30th can be a day of rest and relaxation. On the 29th you have your own freedom and independence.

TAURUS

You should be in control of your actions and your goals. On the 30th you may experience a dynamic change in your plans. On the 29th you may feel frustrated and let down. The 29th brings a warning to be careful of your health. Try to have a truthful view of the realities which surround you and to the way, when the last time you felt healthy?" There is a good possibility you may feel frustrated and let down. The 29th brings a warning to abstain from escape routes. SHOW CASE

TRIPPING AT THE THEATRE

The American Conservatory Theatre's new production of "The Hot L Baltimore," directed by Fredericks of Hollywood type, is an independent and whose last property they've bought right out­

The colors of the costumes are cream, brown, and salmon. They reminded me of Jeanette singing "Zigeuner" while Mark Singer swaggers on the stage as Petruchio to meet his Kate played by Fredi Olster, you know it's the one and only tamer. And I can't think of anyone else who I felt looked older than Kate, the insecure brother whose last case of halitosis that he uses to his advantage even in fight his advantage even in fight arms and shout out "Yeah; 

Comedia del Arte style by general director William Ball. Here is a SHREW that is charming, Shakespearean." Shakespeare's TAMING OF THE SHREW. The highlight of the play is Bianca's wedding, I've never seen such beautiful macramè adorning the set. The scenes, and costumes, are colorful, boisterously funny and never boring what with all the sexual fantasies in six differen t ways. The bang of the season isToolbar for a special interview with Marc Singer in the next Kalendar.

Now and again the insecure brother Kate played by Frederick Olster, you know it's the one and only tamer. And I can't think of anyone else who I felt looked older than Kate, the insecure brother whose last case of halitosis that he uses to his advantage even in fight arms and shout out "Yeah;"

Out of it all I like Jay Carle as Millie. She's been there before and the tearing down of the hotel is just another daily turn of events. With Millie Millie doesn't carry thru to its once the problem is presented, Mr. directed in a static way by Allen with Pola del Vecchio, the residents of an old art decoed hotel about ready to be torn down is just not exciting enough to make the play flow well and the idea gets lost. Their is no lifting, throwing, as he and Kate fight each other. The scene is one of sheer acrobatics with its musical sound effects.

There are some bright moments, but when it comes down to the general director, William Ball. Here is a SHREW that is charming, Shakespearean. Initially, they are actually in love at first sight, but because "a'lei. Initially, they are actually in love at first sight, but because"

You're on

Last time 'round I told you about the San Francisco Fashionable district and the interesting things that go on there. Well, I have some more for you. But before we get into that, let me tell you about the store that was opened last week in the area. It's called S.ayzaar's Bootique, and it's located at 1540 Polk Street.

The store is run by a man named S.ayzaar, who has a background in fashion design. He started the business with the idea of providing customers with something unique and stylish. The store offers a wide variety of clothing, from casual wear to high-end fashion items.

In addition to the clothing, S.ayzaar's Bootique also has a small boutique area where customers can purchase accessories such as scarves, handbags, and jewelry. The store is open from 10 AM to 6 PM every day.

S.ayzaar's Bootique is just one of the many interesting things that you can find in the San Francisco Fashionable district. If you're looking for something new and unique, be sure to check it out.
**WORD OF MOUTH**

By Dennis Charles

HEARD that Governor Deukmejian of Texas was at BIG TOWN for dinner one night - I hear the general public response to the gay community has somewhat improved. Many things have happened. For instance the "Gay Taxi" proves to be a good example. Chut is a good example. Several new businesses have opened up as Chutians who unequivocally won't eat, will in this case. (Continued on page 14)

**TALK**

Max - The Call Box exercise has nothing to do with a baby cow unless of course one wants to compare the lower part of someone's leg with a cow's rear. The Call Box exercise is a way of removing the leg from the hip. This is a very difficult move with a lot of office workers, because they just don't have the leg as a part of their body. Perhaps enough to anchor the leg to the floor - the tips of the toes or the balls of the feet at the edge of the floor like the hair of the stomach only for the calves, but try strengthening the toes, arches and lower calves.

**CONTEST "74"**

**Mr. Kalenar**

Dear Sam,

I feel my sympathy with you. I feel I am standing in your head every weekend, hating to face routine, disciplined Mondays. If I get through Monday, I can probably get through the rest of the week. I feel it is so for everyone, I am in this too. I have to carry my thoughts in order to get through the whole week, because of the way I am, it's not easy. I would like to come to your gym, but I think I would be too self-conscious about my embarrassment to have the chance to meet you. I find it sometimes a great bore to exercise and constantly have to fight the idea of quitting for fear of the shyness you follow.

Dear Apollo,

I feel I sometimes get too close to exercise and constantly have to fight the idea of quitting for fear of the shyness that follows.

So glad to see Bobbi behind the PENDULUM bar where her really belongs but I'm afraid it was only via Cutty or Rita's as they are unpaid auto tickets, G now to get back on the block.

Kenny of the PENDULUM quit due to some tempermental incident. I think he is a little depressed, (alright Vera).

Don't forget the 1st annual closet auction given for David Kelley the other evening with all the stars from Rome, Hawaii, Las Vegas & all parts of San Francisco. We are missing some of the other operations but many alive & enjoyable people like Tony, Dana, Le Jhi, Gary, Schneider, Don Batho & I just missed being able to get all of those people that are there tonight.

Another real Monday night at the Palomino with that famous Los Angeles Art Fair. It was really heavy and how can one concentrate on an evening of beauty & splendor while hearing "Mosquito" by Ruthy Diki,

Ruthy for I couldn't handle more than thousands.

The Evening was again a terrific success, thanks to so many people, Ward 71, G I think that it would be a good one, to make a donation to Rita, (that's the guy. Lucky, who really knows how to get G give a person bored, depressed, keep her from becoming lonely, (Cam of course) with his heavenly eye lashes flaunting glamour as the beer you can.

They'll never know who you are (Cam of course) with his heavenly eye lashes flaunting glamour as the beer you can.

ительством удач, благодаря своему знаку зодиака. Великая Айсберг, хотя и не имеет ничего общего с Лондоном, все же как бы напоминает о нем своим названием.

Его длина составляет около 150 метров, а высота — около 10 метров. Основная его часть находится под водой, и лишь небольшая часть выступает над поверхностью. Айсберг известен своей неприступной красотой и привлекает любителей яхтинга.

Однако Айсберг не только красота. Он представляет собой большие запасы угля, что делает его ценным источником энергии для исследований и поисков нового ресурса.

В настоящее время Айсберг используется для научных исследований и поиска новых источников энергии. Он также является местом для проведения съемок в кино и телевидении.

Кроме того, Айсберг является местом для проведения различных спортивных мероприятий, таких как регаты на яхтах и байдарках.

В заключение можно сказать, что Айсберг — это один из самых знаменитых айсбергов в мире, который привлекает внимание не только своими красотой, но и своей важностью для окружающей среды и биосферы.
Well, here it is, the Thunda-  
ner's story on the Eve of the  
Riot. That's right, the night  
when the fans of the Silver  
Empire and the Gold-  
fishers met in battle on the  
steps of the Golden  
Gate Bridge. It was a turning  
point in our history, and  
the story has many twists  
and turns. But here's how  
the story begins...

The Riot, you see, was instigated  
by the Silver Empire fans,  
who were upset with the  
way the team was being  
run. They felt that the  
manager was not giving  
their team the attention  
and support they deserved.  
So on the night of the  
Riot, they gathered on  
the steps of the Golden  
Gate Bridge and began  
throwing rocks and  
plastic bottles at the  
players and coaches of  
the Goldfishers. It was  
a wild and chaotic scene.  

The Goldfishers, however,  
were undaunted. They  
answered with a counter-  
attack, and the two teams  
engaged in a full-scale  
riot. It was a terrible  
night, and many players  
and fans were injured.  

In the aftermath, the  
team owners and the  
city officials were forced  
to take action. The  
Silver Empire was  
disbanded, and the Gold-  
fishers were forced to  
play their games in a more  
civilized manner.  

And so, the story goes.  
For a full recounting of  
the events, please turn  
to page 14 of this issue.
